Kinsella W. I. News

The meeting was called to order by our President, Mrs. B. Davis. After opening with our National Anthem and repeating our W.I. creed, the minutes of the last meeting were read and approved.

Mrs. H. Barker collected the quilt blocks, and the Quilt Committee will have these ready to put together, ready for a day of quilting, starting at 10 a.m. on our next meeting day which will be Tuesday, March 20. This day will include a pot luck dinner.

Mrs. C. Tessman reported on the 1980 "Homecoming". There was a motion to donate $25.00 to this to help cover expenses.

Mrs. Davis thanked Mary Lancaster for the good job she made typing the 1979 Programs and Virginia Welch for making the lovely covers, which she had plasticized by the Viking News, so as they would last a few years.

Mrs. M. Ball then read a most amusing piece entitled "The Wayside Church".

Our Constituency Convener, Mrs. D. Quinn, then spoke to us on the beginings of the W.I. in Ontario, and told of the first meeting and how in the last 75 years, it has spread around the world with some 8 million members.

The Handicraft Workshop will be held in Irma on the 20th of March, registration at 9 a.m. with a pot luck dinner.

After singing the Queen, the evening ended with a friendly gathering over a lovely lunch provided by Mrs. J. McKie, and Mrs. M. Lancaster.

Vialta Lodge News

Visiting Mrs. Rodwell and Mrs. Austin were Mr. Pat Hutchinson of Prince George, B.C. and Ray and Louisa Mueller.

Jessie, Alan, Larry, Gail and Karen Swanson of Edmonton called to see Mr. Murray.

Gwen Hooper of Holden called to see her mother, Mrs. Evans and took her out for dinner.

Margaret and Reg Suddaby of Lavoy visited with mother Suddaby.

Jean, Barbara and Chris of Vegreville were in to see Mrs. Austin.

Ann and Nick Tkaczyk of Edmonton called on Mr. Tchir.

Mr. Elmer Johnson celebrated his birthday last Monday, the 19th. He enjoyed a trip to Tofield with his nephew and wife, Pastor Tim and Mrs. Johnson, and dinner with his sister and family there.

Our thanks to the Ladies of the Viking C.W.L. who came Sunday afternoon to entertain and serve supper, to celebrate the birthdays for the month of February. All enjoyed the afternoon and the delicious supper they served. Guests celebrating birthdays this month were Mr. E. Johnson, February 19th, and Mr. Gemeringer, February 26th. May they have many more happy birthdays.

Get well wishes to Mr. Gibson who is in the University Hospital and to Mr. Murray in our local hospital.

We will be quilting at the Lodge on Thursday, March 1st.

Parkland Nursing Home News

Greetings to Mrs. Olive Willans who is a patient in the Viking Hospital. Get well soon.

Mr. and Mrs. Horiuek visited with Mrs. Gabriel, Mrs. Cartwright and Mrs. Clegg.

Calling on Grammie Haberle were George and Zelda Giebelhaus of Vegreville.

Mrs. Swanson had a visit with Jessie, Larry, Gail, Alan and Karen Swanson.

Ervie Auburn, George Curtis and A. Auburn were in to visit Mr. Charlie Auburn.

Mrs. Pasnak had many visitors during the week, including Irene and Myron Pasnak, Mrs. Eleanor Milock, Mrs. Dianne Burndeed and Emily Tkaczyk.

Visiting Mr. Ritland were Daryl Andrukow, Sharon and Judy of Edmonton, Denise Warawa from Redwater and Olive Good from Holden.

Zerah Candlish of Dayland called on her mother, Mrs. Nellie Clegg.

On Sunday, Mrs. Ward had her husband Pete and daughter Joyce Teed stop in for an afternoon visit.

Visiting with Grandma Gustafson was Jane Bednarski of Edmonton.

On Friday, the Kinsella O.O.R.P. hosted the birthday party and what a time we had. They brought along a 3 piece band and with Josie Holt on the piano, Murray Barss playing the banjo and Ernie Rae with the violin we had quite a band. Feet were tapping in time to the lively music and in a short while, many people were dancing around the dining room. Some of us weren't able to manage the fast tunes but we did enjoy the waltzes. In spite of arthritis and rheumatism, aching bones and sore feet, we can still "cut the mustard".

A big thanks to the O.O.R.P. ladies and to the members of the band. Those with February birthdays are Mrs. Block, Mr. Hrdlicka, Mr. Chevyl, Mr. Murphy, Mr. Tenazni, Mrs. Cyr, Mr. Haun and Mr. Berg. Mrs. Block is now 99 years young. Mr. Chevyl turned 90 and Mrs. Cyr celebrated her 91st birthday.

FARMERS

HERBICIDE MEETING

March 7 at 2:30 p.m.

Thought of planting a garden this spring BUT not sure of particulars such as:

* 1. Seed bed preparation
* 2. Seeding practices
* 3. Crop rotations
* 4. Fertilizer requirements
* 5. Weed and pest control or
* 6. What type of varieties are best suited for planting in this area?

THEN COME TO THIS SMOKER OF A COURSE - EMPHASIS WILL BE ON VEGETABLE CROPS AND ALSO SOME SMALL FRUIT VARIETIES.

PLACE: Ryley Legion Hall
DATE: March 8 and 9, 1979
TIME: 1:00 p.m. each day
COST: $5.00

Pre-Register by Phoning your D., Box 200
Ryley, Alberta Phone: 663-3555

SOCIAL CREDIT
THE ALBERTA PARTY

In my introduction to you, I underlined some basic and general principles and beliefs of Social Credit and myself. I would like to give my views on an M.L.A.'s responsibility and how I will act on your behalf if elected as your representative in this constituency and in Edmonton.

SOCIAL CREDIT PROMISES:
An M.L.A.'s responsibility is to his constituents first and to the party second.

AS YOUR M.L.A. IT WOULD BE MY DUTY:
to explore the needs of my constituents
to be accessible to constituent concerns, opinions and interests
to represent your needs in the Legislature
to pursue nothing more nor less than what is fair and just for the constituency.

Authorized by Vermilion-Viking Social Credit

VOTE | Doug LIVINGSTONE | Social Credit | X

Bruce 4-H Girls Club

A regular 4-H meeting was held on February 19 in the Bruce School at 7:15 p.m. The roll call was to list a way to use left-over meat.

All business was discussed, including an invitation to display our 4-H work in the Viking Fair. A motion was held that we do the same thing in Holden.

Our cooking projects were to cook Porcupine meatballs, then toss together salad and tomato French salad dressing. This made a wonderful lunch.

Recreation was held next and after recreation the meeting was over.

Reported by Rhonda Koppel

Bruce News

On Wednesday, February 21, the Bruce Senior's Club held a whist drive. Men's and Ladie's High point winners were Ruth Dwyer and Roy Erickson. The Men's and Ladie's Low prizes were won by Ivor Boraas who filled in on the ladies side and Raymond Benson.

Mr. Raymond Benson had the misfortune of falling down on Saturday and breaking his arm and his shoulder blade. He was transferred to the University Hospital in Edmonton on Sunday, for treatment.

The Annual Stampede party was held in the Bruce Community Centre on Saturday night. The large crowd who attended, danced to the music of the Happy Daze and enjoyed a lovely mid-nite supper.

Writing Classes in Viking

Viking Creative writers, having established their "roots" by way of a creative writing course held in Kinsella last winter have merged to form their own club, "The Pencil Box".

Realizing the benefits from last year's course, the club once again sought the aid of a qualified instructor. Through working with Lakeland College coordinators, the Viking club is please to announce that they have obtained an instructor.

Club President, Cathele Rauser noted that Viking has been extremely fortunate in obtaining a top notch instructor from Edmonton, Mrs. Joyce Gariepy. The writing course, begins on Monday, March 5 and runs through to May 28 with classes held on alternate Mondays in the Viking School. Lessons are conducted from 6:30 until 9:30 p.m. each evening.

The Pencil Box club, whose original writings are published from time to time, in a column in The Weekly Review, has between 10 and 15 writers involved. Anyone interesting in learning more about writing is cordially invited to attend the above course. For further information contact Cothelle Rauser at 336-2193 or Margaret Rollinson at 336-2482.

Taylor's Garage Approved as A.M.A. Automobile Repair Centre

Taylor's Garage of Viking have recently become a Class 3 Service Centre for the Alberta Motor Association. Taylor's Garage has been in operation since 1932.

Taylors Garage of Viking has become an Alberta Motor Association Approved Automobile Repair Garage. The A.M.A. has given to Taylors Garage a "full service" rating which indicates a garage capable of carrying out a full range of service.

The designation is part of an A.M.A. program to provide its members with a list of reputable automobile repair centres Careful study is undertaken by the AMA in selecting garages which have requested placement on the A.M.A. list, and only those garages which provide quality workmanship at fair prices are approved.

Garages which become part of the program must abide by strict guidelines established by the A.M.A. These guidelines include covenants such as repairs being done under the supervision of a licensed mechanic, allowing the A.M.A. to inspect its facilities and equipment without notice, providing written estimates of repairs if requested, to all A.M.A. members, providing a 90 day or 4000 mile guarantee on all repairs undertaken, and making available for inspection any parts replaced by the garage for a maximum of 72 hours.

In the event of a dispute or misunderstanding between an A.M.A. member and an approved garage with respect to any work performed by the garage, the A.M.A. will act as sole arbitrator of the dispute or misunderstanding, if requested to do so. If such a request is made, the A.M.A.'s decision will be final and binding upon the garage.

Taylors Garage has been in operation since 1932. In 1934, the establishment became an authorized Chrysler dealership. In 1947, Taylors became an authorised Case dealership.

Bill Taylor stated that he is very pleased that Taylors Garage has become an A.M.A. Full Service Auto Repair Garage. He noted that the A.M.A. will be providing service bulletins for "all" makers of automobiles, thus enabling them to provide service to all automobile owners, irregardless of the type of car they drive.

Town of Viking

OFFICE OF THE MUNICIPAL ADMINISTRATOR

NOTICE

The Planning Act
R.S.A. 1970 as Amended

Take notice that the Council of the Town of Viking propose to pass an ammending zoning by-law parmant to Section 134 of the Planning Act. The purpose of the proposed by-law No. 319 by rezoning from: Secondary Commercial (C2) to Residential (R-1) Lots 4,5,6, Block 24, Plan 465 EO. (Old County Bus Garage).

A copy of the proposed by-law may be seen at the Viking Town Office and may be inspected by the public at all reasonable hours.

At 6:45 p.m. on the 7th day of March, 1979, the Council will cause a public hearing to be held at Town Council Chambers at which time objections to the proposed by-law may be made and discussed.

DATED AT TOWN OF VIKING, THIS 21st DAY OF FEBRUARY, 1979.

F.W. Marwood
Sec. Treasurer

IMPORTANT NOTICE TO MOTORISTS IN THE VIKING AREA

THE AMA IS PLEASED TO ANNOUNCE THE APPOINTMENT OF

Taylors Garage Ltd.

APPROVED AUTO REPAIR SERVICES CAA

A garage displaying the AMA Approved Auto Repair Services sign can be trusted — they will guarantee their workmanship to AMA members. If there is a dispute over repairs or cost between a member and the garage, the Association can be asked to be the final arbitrator, and its decision would be final and binding to both parties.

AMA APPROVED AUTO REPAIRS

All AMA Approved Repair Garages have undergone an intensive examination to make certain they meet the Association's rigid facility and ability requirements and basic standard of quality.

Viking Recreation Board Minutes

The Viking and District Recreation Board held their regular meeting on February 20, 1979. Chairman Vern Hafso called the meeting to order with Robin Bitterf, Phyllis Lefsrud, Georgina Nordstrom, Lea Josephinos, Ken Midbo and Brenda Wiechaik present. George Baker was present from Regional.

Business arising from minutes: Program: Robin Bittorf checked with Carena Management. They requested we present a definite proposal at their next meeting.

Kindergarten Tire Playground: Georgine Nordstrom reported that Cathy Harrison, Chairman of the Creative Playground in Vegreville attended the last kindergarten meeting outlining their project. The Viking Kindergarten are now awaiting a response from the School Board.

Moved we approve the application for a grant through Recreation Parks and Wildlife by the Viking Curling Club. Carried.

Discussion then followed on recreation sites in Viking, and examining the new zoning board for the Town of Viking.

Moved that a committee be drawn up to put together proposals for Recreation in Viking. Carried. Volunteers were Phyllis Lefsrud, Vern Hafso, and Ken Midbo.

George Baker stated that he would look into arranging a tennis clinic for Viking. We are to check with Carena Board as to when it could be held.

Education Week in Viking

During the week of March 4th to 10th the Province will be celebrating Education Week. This year is also the Year of the Child and thus we should really be examining our priorities in educating our children. In examining our priorities we should remember that as parents we have a great responsibility in our children's education.

Many if not most of the things our children learn are learned outside of school. Many of lifes values are learned by directly observing what is going on in the home and in the community. How can we blame our children for ignoring the law, drinking, and trying to obtain as much as possible for as little effort as possible when they see examples of this behavior amongst the adults in our society.

It is a "cop-out" by parents when they say that the young people have different values from their own. Where do they learn their values?

The school, as its contribution to Education Week activities, will be holding an Open House on Wednesday, March 7. The High School teachers invite you to visit the school during the day to see the High School in action. The Elementary and Junior High School will be putting on displays in the classrooms and the gym commencing at 7:30 p.m. and concluding at 9:30 p.m.

This will be a good opportunity for you to see the Science Fair projects or to observe the Band rehearsing. Perhaps you even want to try your hand at playing with the band. You are cordially invited to come to the school to see what the students are doing.

D. Watson - Principal

Historical Society Reports

The Viking Historical Society held their annual meeting at the home of Mr. and Mrs. A.A. Burnham on February 23. Officers John Heslop - President, Alf Toverud - Vice President and Ruby Nordstrom Secretary Treasurer were re-elected for another term.

During the regular meeting the president reported on a committee meeting held with Mayor Hafso. This meeting was to inquire if the Town would consider letting the Viking Historical Society put up a building on our present Museum grounds to provide housing for machinery artifacts that we have been offered. We would have to apply for a building permit as would anyone else. Then the Mayor put forth his ideas that in time a larger museum site would be practical. As of now, our present limited V.H.S. membership feel that we have all the room we need to take care of artifacts being offered to us.

Viking Skaters Guest Performers

Two Gold Graduates, Valerie Selzler and Anna Mae Garvie of the Viking Figure Skating Club represented Viking as guest skaters at an Ice Show sponsored by the Byemoore Figure Skating Club. The ice show was held at the Enmoore rink south of Stettler.

Valerie, a gold graduate of 1978, continued with the Viking Club in 1979 in the capacity of Junior Instructor. Having completed her course in Instructor's Training in Edmonton last fall, Valerie was in charge of the Viking Beginner's class.

Anna Mae has also progressed steadily through the figure skating levels, with her latest accomplishments resulting in the receipt of her "Gold". Anna Mae, having given up skating for a period of two years resumed lessons last fall and was the only Gold Graduate of the 1979 Figure Skating Club.

The warm welcome and friendly hospitality followed by a standing ovation during their solo performances, provided a memorable experience for the Viking girls. Valerie and Anna Mae made the only guest appearance of the ice show.

Accompanying the girls were President of V.F.S.C. Shirley Voltner and young club members, Janet and Janeanne Voltner and Sandra Graham. Excellent accomodation was supplied in Stettler on Saturday night, with the group returning home Sunday.

Basketball Season Ends

On the 24th of February, the high school basketball teams took a trip to Hughenden to play in the divisionals.

The girls played first against the Provost team with Provost coming out on top with a score of 30-15. Scorers for the Vixons were Karen Overbo with 5 points, Debbie Sloboda with 4 points, Connie Slavik with 3 points, Jenny Anderson and Paulette Rabby with 2 points each. Ending the season, total points for the players are: Karen Overbo - 130 points, Karen Barber - 82 points, Jenny Anderson - 58 points, Connie Slavik - 44 points, Debbie Sloboda - 35 points, Cheryl Giroux - 24 points, and Paulette Rabby - 9 points.

	shooting percentage	free throw percentage
Karen Barber	34	52
Karen Overbo	23	60
Connie Slavik	23	57
Jenny Anderson	21	33
Cheryl Giroux	17	30
Debbie Sloboda	17	25
Paulette Rabby	20	13

The boys also played the Provost team and lost by a 60-32 score. Pointers for the Norsemen were David Chilebeck with 16, Reg Tiedeman with 6, Christ Sloboda with 5, John Marchinkowski with 3 and Glen McGinitie with 2 points.

Viking Midgets Win Opener in Provincial Zone Play-offs

The midgets continue playing with success over the weekend with a victory over Amisk on Friday night. The first period started out slowly and at the end of the period, both teams were scoreless. The second period saw the boys start working, resulting in 3 goals to none for Amisk. Scoring for Viking, it was Richard Sutter with 2 and Allan Evans with a single. The third period had Amisk outscore Viking 4 goals to 3, but the second period lead held and at the final buzzer Viking defeated Amisk 6 to 4. Third period goals saw Richard Sutter getting 2 more while Scott Taylor added a single.

On Saturday night, the boys travelled to Sherwood Park for their first game of Provincial Zone Playoffs. This game saw the boys outplay Sherwood Park in all three periods. Scott Brower made some good saves, including stopping a breakaway to protect his shutout. While Scott shutout Sherwood Park, the boys scored 8 times and when the horn sounded, Sherwood Park had lost 8 to 0. Due to no score sheet, no goals scorers can be given. Sherwood Park then gave Viking the series and this enables the boys to move into the second round against Athabasca.

Sunday saw the boys host Provost for another league game. This game saw Provost come out skating and checking, thus keeping the boys off stride. Still the boys outscored Provost 2 to 1 at the end of the second period. Scoring for Viking was Kirk Maxwell and Ronald Sutter. The second period had Provost continue the close checking which paid off in two goals to give them a 3-2 lead at the end of the period. In the final period, Provost drew the boys into taking some foolish penalties and along with their hard checking, outscored Viking 2 goals to 1 to give the boys their first loss of league. Scoring for Viking was Ronald Sutter.

The boys have a busy schedule again with one league game remaining and also the Provincial game with Athabasca. The midgets would like to thank the fans for their support and they hope this support continues when they play Athabasca in Viking on Sunday at 3:30.

The Alberta Agricultural Development Corporation

Your Alberta Agriculture Financial Counselling Service

Since 1972 the Corporation has authorized over $650 million in loans and guarantees. Under our various programs we have helped 35,000 Albertans.

We offer financial counselling which could help you obtain the best financing available for your farm or agri-business.

Along with Alberta Agriculture's district agriculturists, agricultural economists, and other farm advisors we provide complete counselling on management problems of farmers and agri-businesses.

Let us provide you with financial service.

GRANT BERGMAN

Vermilion - Viking
New Democrat

To express my concern that 80% of the Heritage Trust Fund is controlled by cabinet and not by the legislature, I would like to quote Eric Musgreave [PC - Calgary McKnight] during a house debate.

"One area of concern" said Musgreave, "is that the purse strings which control the power of the province are controlled in the legislature."

"It took us hundreds of years to get that control away from the King and his nobles and, with the greatest of respect, we don't want to give it up to the Executive Council. So if you took more money and put it into the Heritage Fund, in effect, you are weakening the ability of the Legislative Assembly to Control Expending the people's money."

Viking Pee Wee Team Wins Opening Provincial Game

Viking Pee Wee Purple played host to Daysland in league play on Thursday night. In a rather close first period, Mazurowski of Daysland opened the scoring and the team did a fine job of holding the score down. Late in the period, Clouston scored for Viking, followed by a goal from Kripa to end the first period with a single point lead.

In the second period Clouston and Winczura got singles while Shott of Daysland also found the net. Four goals were tallied in the final period - one for Daysland handled by Sullivan and three for Viking with Tkaczyk, Majeski, and Clouston scoring. Viking assists were as follows: Lawes 3, Tkaczyk 1, Ash 1, Antos 1, Rauser 1, Majeski 1, and Winczura 1.

Viking Pee Wee Green have also recorded a few wins since last reporting. The team won over Strome, Daysland, and Sedgewick with scores of 9-1, 4-3, and 5-4 respectively.

In last Friday night's game, Rocky Hanson handled the scoring for the team. Rocky accumulated a total of five goals while assists went to Leif Erickson 2, and Joe Hoffman, Richard Voltner and Patrick Voltner with one each.

Viking Pee Wees held their first provincial game against Gibbons on Saturday afternoon. The local team got off to a quick start on a goal by Antos at the 19:20 mark and another by Hanson assisted by Maxwell and Erickson at the 18:38 mark.

Gibbon's first goal came at the 5:30 mark of the first period with Viking coming back at the 2:20 mark with a goal scored by lawes assisted by Antos, thus ending the first period 3 - 1.

In the second, Viking again came on strong, scoring 5 more goals while holding Gibbons scoreless. These goals came from Hoffman - assist Hanson, Antos - assist Winczura, Kripa - assist Clouston, Lawes - assist Winczura and Vitek and Antos - assist Clouston.

One goal was tallied by each team in the third period. Hanson scored for Viking leaving the game at 9 to 2 in our favor. Four penalties were handed out to Gibbons while Viking received 10, six of which were handed out in the third period. Viking Pee Wees return to Gibbons on Friday March 2 for the second game.

Last night, Monday, Feb. 26, Forestburg met the Viking team on Viking ice. The goal scoring got off to a fast start and by the end of the first period, Viking held a 4 - 0 lead.

An additional six goals were scored in the second period. Two for Viking and four for Forestburg, leaving Viking with a two goal advantage.

This was not one of Viking's better games. In the third period 8 more goals were recorded with 4 going to each team.

Penalties were also running high, with Viking sitting out for a total of 16 penalty minutes and Forestburg receiving an equal number.

Scoring Summary: Kripa 3 goals - 2 assists; Lawes 2 goals; Antos 2 goals - 4 assists; Tkaczyk 1 goal - 1 assist; Winczura 1 goal - 3 assists; Majeski 1 goal; Clouston 3 assists and Vitek 1 assist.

Viking Hosts Ice Stampede

The "Viking Horns" placed second in the Cub Chuckwagon event of the Ice Stampede. In addition, the team were awarded "First" in the Costume Section. The team [left to right] Front Row: Mark Rushton, Joe McIsaac, Curtis Arnett and Danny Hanson. Back Row: Bradley Fandrick, Corey Winter, Ellen Ash - Leader, Stephen Hayland and Robert Kamphuis. Missing from the photo is Leader Carrie Cikaluk. Staff Photo

Viking hosted the Flagstaff District Ice Stampede for the second consecutive year, on Sunday afternoon, February 25. Although invitations were extended to all towns within the Flagstaff District, as well as outlying districts, Forestburg supplied the only competition.

The afternoons activities began with a Color Parade led by the Daysland Pipers, with Scouts, Cubs, and Beavers together with their leaders carrying their colors onto the ice. The singing of O'Canada led by Mr. John Mattinson followed.

Ralph Child, Stampede Announcer, introduced our Mayor, Selmer Hafso who extended greetings from the Town and in a few chosen words expressed his approval and admiration of the Leaders for their involvement and support of the youth of the community, through the Scouting Movement.

On behalf of the Elks, the sponsor group, Mr. John Mattinson spoke briefly, followed by the introduction of the judges: Rod Krips and Bill Kittle of Viking and Claude Allan of Forestburg. Rules of the races were read to the audience. A costume parade with the teams circling the rink for judging, kept the program running smoothly while final race preparations were being completed.

Racing commenced with the cub teams from Viking and Forestburg rounding the barrels, and charging down the straight away in rodeo style, completing the route of a genuine chuckwagon race.

Although only two towns partsicipated, the crowd was treated to a full race program... Viking having 2 Scout, 3 Cub and 2 Beaver teams while Forestburg arrived with 1 Scout, 2 Cub and 1 Beaver entry. This enabled the officials to schedule 11 heats prior to the finals.

In the Beaver Chuckwagon final, Forestburg captured first place over the #1 Viking entry. The #2 Viking team placed third in the event.

Action in the Cub section of the Chuckwagon's found Viking secure first with their #3 team, second with the Viking Horns and third with the Viking Vaders.

The Forestburg Chariot team found themselves on top at the completion of their final race with Viking's #2 Scout team placing second. The key to success in the Chariot race depended not only on the speed of the skaters, but the speed and durability of the knots used in the construction of the chariot. The chariot had to support the weight of a rider as it skidded its way across the ice. A couple of "wrecks" were witnessed in the races, both by the Viking and Forestburg teams.

The "Slush Races" kept most of the crowd in the stands during intermission. A series of races were held with Viking teams, picked from the stands, having the edge over Forestburg. To conclude the event, the Forestburg Leaders challenged the host Leaders. Here again Viking proved to have the better balance and coordination completing the race far ahead of the challenging team.

Viking Elks provided a new trophy for the Cub Chuckwagon Winners. The trophy was presented to the Viking #3 team by John Mattinson - Leading Knight.

Monte Keith - Sedgewick Community Press donated the trophy for the Beaver section of the Chuckwagon races. Making the presentation on his behalf was John Mattinson.

The trophy for the Chariots was donated by Nobel's Bakery of Forestbury with presentation being handled by Forestburg.

All participants received cresta. First place ribbons were awarded to all members of the winning teams. In addition the winners were presented with momentos as follows: Scouts - leather kits, Cubs - change purses and Beavers - combination utensil sets. Prizes and ribbons were donated and presented by Will Rushton of Willmark Motors and John Mattinson of the Viking Elks.

First prize in the Costume division was awarded to the Viking Horns, costumes by the McIsaac family with honorable mention to the Viking Vaders outfits created by Dolly Wadley and Joyce Naslund. As well, the Beavers costumes were outstanding, the handiwork compliments of Donna Brooke.

The afternoon concluded with the singing of O'Canada and closing color parade.

Viking Gas Kings Defeat Daysland and Advance to Finals

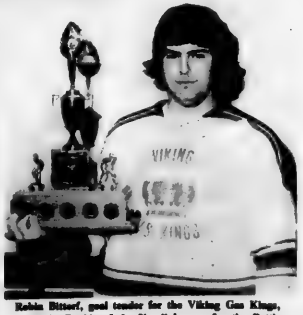
On February 24, the Gas Kings travelled to Daysland for the second game in the semi-finals and as it turned out, the whole game turned out to be theirs. Barry Field opened up the scoring at 10:34 of the first, assisted by Martin Laskosky.

The Gas Kings' second goal came at 2:11 of the second when Kirk McInroy scored from Ray Rattray and Bruce Harray. At 10:31, Bruce scored unassisted. Less than a minute later Jim Laskosky added another for the Gas Kings at 11:28, assisted by Gordon Rattray and Kirk McInroy.

At 4:39 of the third Ray Rattray scored the Gas Kings' fifth, assisted by Kirk McInroy and then scored his second of the evening at 11:22, this time with Barry Field getting the assist, resulting in a 6-0 victory for the Gas Kings.

Monday, February 26 had the Daysland North Stars in town again for the third game in the series. After a well played first period, Howie Lansing put the North Stars onto the board just 45 seconds into the second period, assisted by Elvin Karpovich. At 2:46 Brian Carlson, assisted by Doug Zimmer and Kevin Zimmer, put the North Stars ahead by 2. The first Gas King marker came at 4:39 when Ron Naslund scored from Lee Laskosky. At the 8 minute mark, Jim Laskosky tied it up scoring from Ron Naslund and Gordon Rattray to end the second period scoring.

At 4:33 into the third Doug Palmarchuck scored from Gordon Rattray while the North Stars were short handed and then Gordon scored at 9:25 from Ron Naslund and Lee Laskosky while the North Stars were again short handed. Doug Palmarchuck scored the final goal of the game unassisted at 9:51 and gave the Gas Kings a 5-2 victory and the semi-finals.



Robin Bitzer, goal tender for the Viking Gas Kings, received "Rookie of the Year" honors for the Battle River Hockey League. Staff Photo

Graduation Exercise Held For Life Skills

The first Life Skills graduation in Flagstaff county and district was held at the Sedgewick Bethania Lutheran Church February 23 at 8 p.m. with a capacity crowd in attendance.

The program for the evening was chaired very well by Harold Hepp from Heisler. The guest speaker, Harvey Senft, employment councillor of the Wetaskiwin regional office for Alberta Social Services, gave a most interesting and challenging address which was responded to by Valerie Bone of Lougheed in a very impressive way.

Margaret Thompson, who was chosen as valedictorian, graciously gave a positive and informative talk about the course.

Acknowledgements and thanks were cordially extended by James Clement to different agencies which financed and supported the students and the course. The graduates were presented with their certificates by Coach Sophie Abel and the guest speaker, Mr. Senft.

Those graduating were: Al Bereziuk, Killam; Mary Blazch, Wainwright; Valerie Bone, Lougheed; Carol Clausen, Killam; James Clement, Viking; Lawrence Dunn, Killam; Margaret Glancis, Sedgewick; Harold Hepp, Heisler; Malcolm McDonald, Viking; Rick Preston, Killam; Terry Sutter, Killam; and Margaret Thompson, Sedgewick.

The class is very proud to announce that out of 17 students, 15 graduated. Carol Hollar, on behalf of the class, presented Coach Sophie Abel with a most-gorgeous and lovely bouquet of red roses, who responded in a very warm and gracious manner.

A beautiful corsage was presented by Al Bereziuk to Grace Davis, councillor for Canada Manpower of Camrose. In appreciation to Bethania Lutheran Church, the Life Skills class presented Leif Osback, president of the congregation, with a lovely plant for the church. Carol Clausen very graciously made the presentation.

The entire evening program was videotaped very well by graduate Rick Preston. An elaborate meal was served to all by the class. Those in charge of food were Melda Hollar, Carol Hollar, Carol Clausen and Al Bereziuk. The ushers were Mac

McDonald, Terry Sutter and the hostess was Mary Blanch.

Out-of-town guests were from Edmonton, Wainwright, Wetaskiwin, Camrose, Leduc, Viking, Bawlf, Jarrow and Irma. The graduates were pleased by the warm and overwhelming response of the community and district. It was a very successful and gratifying evening enjoyed by all.

Farm Home Lending Program Modified

Tom Chambers, Minister of Housing and Public Works, was pleased to announce significant modifications which have been made to the Farm Home Lending Program, a mortgage loan program designed to assist farmers in obtaining new farm living accommodation or to upgrade existing farm homes.

Effective immediately, the Alberta Home Mortgage Corporation would increase the maximum annual subsidy to $1,716/year or $143/month, an increase from the previous maximum monthly assistance of $112/month. In addition, the maximum house price would be raised to $52,000 for both new and existing housing units. The maximum mortgage available was also raised to $40,000 from $35,000 for new homes and to $40,000 from $30,000 for existing homes.

Eligible applicants include bona fide farmers who may be individuals, corporations, partnerships or co-ops where the main source of income is derived from the operation of a farm(s). The Alberta Home Mortgage Corporation conventional lending rate is currently 10¾ percent and with the monthly subsidy will be reduced to as low as 5/8 percent. For example, a farmer with an annual income of $9,5000 could obtain a mortgage of $40,000 and would only have to make payments of $213/month. The remainder, or $143/month, would be covered by the Corporation.

Mr. Chambers noted that the Farm Home Lending Program was a limited amount of funding but there was always a need for such financing, particularly for young Alberta farmers. The changes to the Program would increase the affordability of housing for rural Albertan families and it was quite likely the Program take-up would also be enhanced. The Minister projected a take-up of possibly 50 units in the 1979-80 fiscal year, up substantially from the estimated 25 units to be financed in the 1978-79 fiscal year.

Mr. Chambers reminded farmers that the Program's application remained flexible in that the Corporation would still finance structural home improvements and homes for farm help in addition to new and existing homes.

150 Students Participate in County Science Fair

On Monday evening, March 5th, about 150 science fair entrants participated in the Annual Science Fair, held this year in the Ryley School gymnasium. The evening was started by the judging of the entries which engulfed a time span of two hours. Then the doors were opened for public viewing at 6:30, which lasted until 8:00 p.m. when the Awards Ceremony took place. The following is a list of the winning entries.

A. Individual or Group Project, grades 10 - 12. Michael Kropielnicki and Michael Pidoborozny - The Portable Life Saver.

B. Group Projects, grades 7 - 9. 1st. Debbie Petruk and Jeanette Tkaczyk - How Phosphorous, Potassium, and Nitrogen Affect the Growth of a Maturing Plant.

2nd. - Cheryl Squair and Charlene Kjelland - What Plants Have Starch?

3rd. Dale Lutz and Darren Tkaczyk - Growing Cereal Grains.

Honorable mentions - Will Gotobed and Clint Nearing - How Fertilizers Affect Wheat Growth. Karen Ewasiuk and Cheryl Giebelhaus - Does Light Affect Plant Growth?

C. Individual Projects, grades 7-9

1st. Dean Simmonds - The Effect of Gases on Plants.

2nd. - Sindy Piwowar - Weather World.

3rd. - David Wesley - Seed Germination and Plant Growth.

4th-Wayne Marko-Changing Mechanical Energy Into Energy.

Honorable Mention - Randy Pasnak - Are Tools and Instruments Valuable to Man?

D. Group Projects, grades 4 - 6. 1st. - Pamela Michlik and Corinna Keller - Natural Fertilizers.

2nd. - Joanne Klein and Kristine Lysgaard - What Happens When Iron Rusts?

3rd. - Karen Hansen and Carolyn Rhodes - What Worms Do For Agriculture.

Honorable Mention - Clayton Rauser and Garry Vitek - Photography.

E. Individual Projects, grades 4 - 6. 1st. Debbie Fowler - Why Does Bread Get Moldy?

2nd. - Darcy Lefsrud - How Does a Box Camera Work?

3. Donald McGaughey - Generating Electricity.

SPECIAL AWARDS

#1. Barry Kolenosky - Best Agriculture Project

Debbie Petruk and Jeanette Tkaczyk - How Phosphorus, Potassium and Nitrogen Affect the Growth of a Maturing Plant.

Honorable Mention - Will Gotobed and Clint Nearing - How Fertilizers Affect Wheat Growth.

#2. Barry Kolenosky - Best Ecological Project.

Tom Gotobed and Tim Leidl - Bees, Wasps and Hornets and Their Nests.

Blair Kolenosky - Migration of Waterfowl.

The entries were judged out of 100 points which were split up as follows: 40 points for Scientific Thought, 30 points for originality, 10 points for skill, 10 points for dramatic value and 10 points for a written report.

The winner with the highest amount of points, received the awards respectively in the categories. Also besides the awards all participants received a Certificate of Participation.

A number of the best projects will be chosen by the judges to represent the County of Beaver at the Regional Science Fair, which will be held at M.E. LaZerte High School on April 6th and 7th, 1979. Good Luck.

See Pictures Pages 20 and 21

Change in Banking Hours

Approval has been received from the head offices of both the Bank of Montreal and the Treasury Branch in Viking to change the banking hours.

Effective April 16, 1979 banking hours at both banks will be:

Monday to Thursday
10:00 a.m. to 3:00 p.m.
Friday - Not yet determined

Both banks will be closed on Saturday, April 14, 1979 and all following Saturdays thereafter.

Customer's will be advised by their bank of the new hours.

We Need A Strong Opposition

One of the basic tenets of democracy is the opportunity for open debate and discussion on any issue. This allows for the free expression of all sides involved in an issue, thus allowing those who oppose a particular viewpoint to be heard. This free expression of all sides to an issue is what keeps our system different from the totalitarian nations throughout the world. Many such states suppress opposition viewpoints.

The need to hear all sides to an issue is critical if fairness is to rule in the process of decision-making. By the nature of party politics today, party members seldom, if ever, disagree with party policies or party legislation. The picture of a united front is thought to show that the party is in control. But what happens if all members of a government are from one party? We then have the situation where little, if any, opposition or alternative views are heard when determining legislation.

Alberta has experienced four years of government which has had few members in opposition. The government at times even played at being its own opposition. The opposition in a democratic system is required to play the "watchdog" to ensure that the government is being fair and honest. The size of government today requires a large opposition so that proper "watching" can be done.

What we most need as the final result of the March 14 Provincial election is to see a better balance of both government and opposition members sitting in Alberta's legislature. Granted that large numbers of members do not necessarily mean "strength", either in government or opposition. But increased numbers bring the "possibility" of increased strength. Predictions by political pundits have the Progressive Conservatives gaining 90 percent of the seats. Let's hope that Alberta's opposition will consist of more than 10 percent of the seats, for any government, to be truly strong, needs a large opposition.

Calgary Power Shareholders Report

Calgary Power Ltd.'s year end interim report to shareholders shows operating costs including taxes and depreciation went up in 1978 by $35 million.

The average total common shareholders' investment grew from $287 million in 1977 to $359 million in 1978, matching the rise from $41 million to $55 million in earnings applicable to common shares (that is, net earnings after paying preferred share dividends.)

Almost half of these earnings were reinvested to finance the company's growth. This reinvestment allows the company to raise other capital by preferred share and debt issues at a lower rate.

Calgary Power shareholders were informed that the company negotiated a $30 million placement of preferred shares with institutional investors in January, at a 7.44 percent dividend rate.

Commenting on the federal government proposal to end the public utilities' income tax rebate and its later decision, instead to reduce it to 50 percent, the report to shareholders says: "It is important to understand that elimination of these transfers does not reduce Federal Government expenditures but rather results in increased taxation by the Federal Government, increased burden on consumers, added inflation and the reintroduction of tax discrimination between investor-owned utilities and publicly-owned systems which pay no such income tax . . . Although a 50 percent rebate can be said to be better than no rebate, such a limited rebate does not redress the discriminatory tax treatment for which the (Public Utilities Income Tax Transfer) Act was designed."

Revenues in 1978, $266,002,000 compared to $211,649,000 in 1977

Operating deductions in 1978, $168,461,000, compared to $134,510,000 in 1977

Net Income in '78, $74,010,000 compared to $56,985,000 in 1977

Earnings applicable to common shares in 1978, $54,933,000 compared to $41,043,000 in 1977

Earning per common share in 1978, $4.75, compared to $4.28 in 1977

Preferred dividends in 1978, $19,077,000 compared to $15,952,000 in 1977

Average common shareholders' investment, $359,000,000 compared to $287,000,000 in 1977

Letters to the Editor

Dear Sir:

Firstly, we wish to say a hearty hello to all our many friends in the Viking area. Your newspaper generally arrives the following Monday, after publication, but once in a while it strays to some unknown area and does not arrive here for quite some time.

However, irregardless of time of arrival, we enjoy The Weekly Review very much. The Pioneer Portraits are very much appreciated and their history written along with them. The Homemaker items along with your Editorials are both of much value. The Pencil Box articles also contain some very inspiring thoughts.

As I page on, I find more valuable reading. The articles written under the heading "Do You Know The Bible Says?" and the other one under the caption "By Onesimus", is, I take it, written by a man. My curiosity got the best of me and I started hunting in the 'Good Book' and found out Paul in his letters to the Colossians, Chapter 4, Verse 9 speaks of him. Either he was a slave in those days or else he was one of Paul's mail carriers while Paul was serving his time in prison for preaching the good news to the gentiles. Thanks are extended to Mrs. W. Meyers and Mr. Onesimus for your articles. Also, we enjoy the Weekly Inspirational Corner. The Profiles are nice to see and many other articles too numerous to mention.

We are all fine in Peace River. David being the only one ill with a bout of flu. We have had a terrific amount of snow since Christmas, school busses were cancelled several times, but with good neighbors to the south of us, David missed only one day. David also works in the bakery after school a few hours and sometimes on weekends. He has asked me to relate to his Viking friends that Peace River High School students will be on the T.V. Program "Reach For The Top" C.B.C. Channel 5 on Saturday, March 17, at 4 p.m.

Last weekend, February 24, David, teachers, the 4 panel students and the extras who go along in case of emergency, travelled to the city and met their first opponents. They played against Fort McMurray High. Secondly they met with Edson High. Winning both of these they had to come back on Sunday to the studio and then Sedgewick High was waiting for them. Again they defeated this team and came home happy relating that they have to return on March 17 to meet another group.

Norman is presently employed at the Travellers Motel as janitor, but finds it very hard to rise at 3:30 a.m. and be on duty at 5 a.m. So, recently the school division phoned him and asked if he would return. They need a man to travel on the road with part-time spent in the shop. He is considering it, as the starting hours are 8 a.m. instead of 5 a.m.

Christine is finishing her Grade 12 this year and is receiving working experience in the Associate Medical Clinic a few hours each day. She is also self supporting and has her own apartment downtown working after school and on the weekends.

Marie is receiving her Grade 10 schooling at Three Hills, Prairie Bible Institute. She enjoys it very much. Music lessons and one hour of Bible Study is included each day. She phones home when she gets homesick. We miss her very much but are glad she can be in a school where no drugs, alcohol or smoking is allowed. We are looking forward to seeing her again at Easter.

We are also able to get C.F.C.W. Camrose Radio on our radio up here. I usually listen around 10 a.m. Our hearts are saddened when we hear of familiar people who have passed away.

I see my letter is getting too lengthy so I will close with a word of welcome to come and visit us and see beautiful Peace River. As we live in the Grimshaw area, our phone no. is 332-4924. Our Box no. is 2459 Peace River and we live 11 miles out of Peace River (approximately 4 miles north west of the airport).

Sincere and best wishes,

From the Ebeltofts, Norman, Signe, David and Christine.

Dear Editor:

In your issue of February 28, 1979, you ran an article on the live theatre in Holden and the Beaverhill Players and their upcoming production. We want to thank your paper very much for this worthwhile information on the new facility and the photos.

However, because all the crew of the Beaverhill Players were not informed that there was to be pictures taken and an interview, we wish to make some corrections and additions to the news placed in your paper, concerning the Beaverhill Players.

Dianne Luke of Ryley is not the front of the house manager, who has taken over from Clay Schaning since he went into acting. She is the home economist for the County of Beaver, and will be in charge of seating, ticket sales and all front of house.

Nick Laskoski, who lives just south of Holden and farms, has taken over the job of stage manager, who is responsible for all activities behind the scenes on stage, making the flats, painting, carpenter work, properties, changes, etc. He has under him as his crew; Terry Dolson who looks after the small property items of the actors and stage; Oscar Asseth, Walter Lutz, Jack Ducharme and Grant Shihinski who will be looking after all the stage work, setting up and changing of scenes.

George Baker, who lives in Ryley, and is production manager in charge of the total production, has taught the stage crew to make all the flats doors, fitting them and erecting them into the proper positions.

Lighting will be handled by Dennis Cooper and Bill Hillet, both of Holden, who did attend a lighting course held in Red Deer last fall under the sponsorship of Alberta Culture. One other person missed - June Cooper - takes on the position in the play of the new maid near the end of Act Three. She lives in Holden as well.

For further information, the theatre in Holden is called the Beaver Regional Arts Centre and at present is operated by the Beaver Regional Recreation and Parks Board. For those interested in renting the facility they may do so by calling the office at 663-3730 extension 24 or writing to the above at Box 5; Ryley, Alberta, T0B 4A0.

Sincerely, Jim Singbeil

Progressive Farming

James B. MacKay
Dist. Agriculturist

BATHING YOUR HOUSE PLANTS

Do you wash the leaves of your house plants? Alberta Agriculture horticultural specialist, Chris Campbell, says it is a good idea to wash the leaves of house plants periodically, but not those with hairy leaves like African violets, because many indoor plants retain the same leaves for several years.

These leaves, like everything else in the house, collect dust. In the case of plants the dust cuts down the amount of light that can penetrate their leaves thereby reducing the light energy they absorb.

You can use various commercial products that will make the leaves of your house plants shine, but they can damage the leaves and are difficult to apply uniformly. These coatings also cut down the amount of light which can enter the leaf because the shine reflects light instead of absorbing it.

Ms. Campbell suggests washing the leaves of house plants with a warm (25 degrees C.) weak, non-detergent soap solution. "Gently wipe the leaves with a soft cloth or sponge, and be sure to rinse the leaves well to remove all the soap," she adds. If the leaves are small, you can swish them around in the solution instead of wiping them.

The above procedure will bring out the natural lustre of the waxes on plant leaves and increase the penetration of light into the leaves, even when the plants are in a relatively dark area of the room.

Bill Brass - Asst.
Dist. Agriculturist

Barley Growers Convention Set

This is to announce that the 1979 Annual Convention of the Western Barley Growers Association will be held on Thursday and Friday, March 1st and 2nd, 1979, at the Chateau Lacombe Hotel in Edmonton. Members, friends and supporters of the Western Barley Growers are most welcome.

The Association's Founding Convention, held in March of 1978 was well attended by some 200 delegates, and although we are still a very young organization, we are fast becoming recognized and are confident of greatly exceeding that figure this time.

The program for the 1979 Convention will include:

Reports from the Canadian Wheat Board on Export Barley Marketing, Stock Switching and Transportation Responsibilities.

Canadian Wheat Board Advisory Board Report, Orville Reber, Burdett.

Producer Car Marketing, Larry Regesu, Winnipeg.

Problems and costs of grain transportation, Bob Schepp, C.P.R.

Barley for Food, Dr. John Vose, National Research Council and Ken Fulcher, CSP Foods, Saskatoon.

Views on the Marketing System of Canadian Grains, Doug Ford, Winnipeg Commodity Exchange.

Export Marketing of Malt Barley, speaker to be confirmed.

Barley Research, Dr. D.E. LaBerge, Winnipeg and Dr. Bryan Harvey, Saskatoon.

A presentation on the Future of Prince Rupert, 5 speakers and many others.

Mr. Frank St. Carpenter, Neotec Instruments Inc., Silver Spring, Maryland, has offered to bring analysis equipment to the convention and do some complimentary protein tests of producer samples. So bring along a sample of your barley for analysis.

Registration for this year's convention commences at 7:00 p.m. Wednesday, February 28, with the program beginning at 9:00 a.m. on March 1 and adjourning at 5:00 p.m. on March 2. Advance Registration is available and is recommended to lessen the crush on the registration table at convention time.

The registration fee of $40.00 includes convention materials, a banquet on Thursday and a luncheon on Friday.

A special room rate of $37.00 single or double has been arranged at the Chateau Lacombe. Delegates must make their own reservations with the hotel. Simply dial the toll free number 1-800-286-9411. Do so as soon as possible as space may be limited. Be certain to mention that you are attending the Western Barley Growers Association Convention when making your reservations to get the special room rate.

Palliser Criticizes Car Plan

President of the Palliser Wheat Growers Association, Jim Wright of Rouleau, Saskatchewan, says a recent move by the Canadian Wheat Board concerning producer cars is another step towards erosion of a long standing right of western farmers.

Last month, the Canadian Wheat Board enacted a new plan which has made it less attractive for grain companies to continue their producer car service.

Under the new plan the elevator company requests for producer cars will be included in the company's total car allocation.

Prior to the new formula implemented on January 16, a grain company received its own car requirement plus the producer cars requested by farmers and processed by the grain company.

"With about 90% of producer cars ordered through grain companies the fundamental right of the farmer to order a producer car is severely restricted. The Wheat Board's argument that increased numbers of producer cars at port terminals has led to mix-ups in grades, is hard to believe when producer cars amount to a fraction of one percent of the total grain movement," Wright stated.

The Palliser President added that any interference with the right of farmers to obtain producer cars will be strongly opposed by the Association.

"After all, why should a farmer be denied the opportunity of saving approximately 10c per bushel or $300 per car by using the producer car option if he so desires," Wright concluded.

Interim Rates Approved

The Public Utilities Board has approved Calgary Power's application for interim rates, beginning with its March bills.

Interim rates allow a utility to collect additional revenue during the period a rate-increase application is under review. The interim rates are applied on the understanding that, should any overpayment occur, the utility must refund it to its customers when a decision is reached.

An average 7.5 per cent rate increase was proposed in 1979. However, Calgary Power customers may not notice the increase, due to a provincial government program that increases the 1979 Alberta Income Tax Rebate.

The Alberta Income Tax Rebate - formerly the provincial discount - increased for Calgary Power customers from 12.5 per cent to 18.5 per cent, effective February 1.

Vice-President of Finance Harry Schaefer says government action to accelerate return of the company's provincial income taxes to its customers, almost at the same time the company requires additional revenues, results in very little change on the customer's net bill - about 25 cents a month for the average residential customer.

Mr. Schaefer noted the requested increase is much less than those of the past four years.

Cosmic Realty

Earl D. Hosler

Mr. Greg Houston, President of Cosmic Realty Ltd., is pleased to announce the appointment of Mr. Earl D. Hosler, formerly of Amonex Realty and Thor Agencies, as Realtor for Cosmic Realty.

Earl Hosler brings with him over three years experience in the agriculture and commercial real estate fields.

The longer you wait, the longer it can take.

Pick up your 1979 license plate tabs now!

They're available at your local Licence Issuing Outlet.

- Be sure to have the right I.D. Take with you, your 1979 renewal form and 'pink' insurance card.
- If you do not receive a renewal form, you'll need your 'pink' insurance card, vehicle registration and other ownership supporting documents, drivers license, social insurance card, etc
- The tab goes on the left this year. In most cases you'll be putting the tab over top of an earlier one, on the lower left hand side of the rear license plate. Don't remove the old sticker, simply wipe clean and apply, as directions suggest
- Put it on the plate right away. That will save you from misplacing it, or forgetting that it must be on before the deadline of April 30th. There is a penalty for failure to comply

Viking Father and Son Banquet Held

The Scouting Movement of Viking held their annual "Father and Son" banquet in the Viking Community Hall on Wednesday, February 28.

Conducting the evenings program was Scout - Rep Tiedemann. Reg called on Scouts, Cubs, and Beavers for a short color parade to get the evening underway. The singing of O'Canada followed.

Pastor Tim Johnson - Golden Valley Lutheran Church said grace.

Following the meal, Selmer Hafso, Mayor of Viking, extended greetings and encouraged the boys to follow the scouting program through to its completion.

Tom Mattinson on behalf of the Elks was in attendance and spoke briefly to both the boys and their fathers.

District Commissioner, John Frank added a touch of humor when he was called upon to address the gathering. He led the group in the singing of "Happy Birthday - Bawden Powell". Following this he began a rather unusual "chant" complete with actions and instructed everyone to join in. (This I believe was to wake up those who were already sleeping and also to aid in the digestion of the hearty banquet prepared by the mothers.)

Other highlights included the introduction of the Leaders of the three groups active in Viking, with their summarized reports on their year's activities.

Group Committee members were also introduced. President, George Roddick informed us that Viking will be in need of an instructor for the Scout Troop as Mr. Bill Anderson will soon be leaving the area. He reported on the financial status of the movement, and made mention of the fact that plans are being finalized for the building of a shelter at the Camp Gary Memorial camp site. He also mentioned that once again the boys will be conducting a battery drive in order to raise funds, dates to be announced later.

Proposing the traditional toast to the "fathers" was Cub - Curtis Arnett with his father Shen, replying.

An informational film depicting the varied aspects of police duties performed by members of the R.C.M.P. was shown.

Reg Tiedemann called on the flag-bearers to return their colors. The singing of God Save the Queen concluded the evening.

Reg Tiedemann [left], a scouting senior, introduces cub member Curtis Arnett, who proposed the toast to the fathers at their 1979 banquet held in Viking on February 28.

John Frank and wife Sonya, District Commissioners for the Scouting movement in this area were guests at the 1979 "Father and Son" banquet held on Wednesday, February 28.

Grant to Unifarm Women

Marvin E. Moore, Minister of Agriculture, has announced a grant in the amount of $7,400 to the women of Unifarm.

These funds will assist the women of Unifarm in carrying out a series of Workshops during 1979 on "Farm Accidents and Stress". Various workshops will be held on:

A) Level of tolerance of stress for individuals.
B) How does an individual recognize his stress level.
C) How do we manage or cope with stress.
D) Recognizing stress and its symptoms.
E) How are farm accidents related to stress.

The women of Unifarm have been very active in presenting workshops and educational programs for rural Albertans. Mr. Moore indicates the response that he has received from rural Albertans regarding these programs has been very positive and he would like to commend the women of Unifarm for the many contributions they have made to rural Albertans.

If you are a former citizen of the County of Beaver and want to deal at "home" for insurance and real estate . . . Give us a call on our direct line!

Viking Light Horse Club

On March 1st, Wanda called the 4-H Light horse Club meeting to order at 7:15. Sixteen members were present and answered with a part of western wear for roll call.

Bryan informed the members that we probably won't be able to have another raffle, because we made such a mess with the current one.

The club decided that we will have some members sponsor the club in the Wainwright parade, June 23. Rodeo tickets were discussed. The majority of the members decided to go to the Super Rodeo on March 29 in Edmonton. The phoning committee is to find out who can go and who can't. Everyone is to pay for their own tickets which cost $3.00.

Colleen made a motion that the Club should put up a booth for the Viking Fair.

Rhonda, Patti, Marilyn and Wanda are to collect the money for the rodeo.

Bruce presented the members with a film "What the Judges look for in Equitation Classes" by Jim Kiser. A discussion followed regarding which horse is better than the next, with a great variety of ideas.

The meeting adjourned at 9:20. The next meeting will be held on March 15th.

The Pencil Box

Proverbs

Some guidelines for life are derived it seems
From lessons and training, and some from our dreams;
But mine are quite different, and should I speak truth,
They're based upon axioms learned in my youth.

My thrift is inspired by prediction quite doleful
"If you willfully waste, you'll know want that is woeful".
The luxury items from my budget are scratched,
"One must not count chickens, from eggs not yet hatched".

And rushing I know causes upsets indeed,
That precept still echoes "More hast gives less speed".
Repair and replacement I'm sure would decline
If each of us heed "One timely stitch can save nine".

Lacking comely appearance no more shall I weep,
Just secretly whisper "Beauty's only skin deep".
And urges to gamble from my life I would push
"A bird in the hand is worth two in the bush".

From this tiresome rhyming I'll draw your attention
"Necessity's still the mother of invention"

I'll change the meter for my recall
Before you start to yell
"Any job worth doing at all,
Is worth doing well".

NEW DEMOCRATS DON'T BUY VOTES. WE EARN THEM!
Over the past 8 years we have seen the needs of municipal government, health care, education, small business, agriculture, the elderly and the handicapped largely ignored. Suddenly, in the last three weeks, the Tories have promised money and aid to many areas.
THEY ARE TRYING TO BUY OUR VOTES WITH OUR MONEY
Alberta New Democrats work hard. We work hard to formulate policy and work very hard to put forth our concerns.
Harry Babchuk wants to earn your vote by serving the needs of the people in our Constituency, not buy your vote with fancy promises.

Profile: Ed Albrecht

Although now retired, Ed Albrecht has more than enough to keep his days full. As well as being the Mayor for the Village of Ryley, he serves on the Hospital Board at Tofield and on the Senior Citizen Board.

Ed is also a member of the Beaver Foundation, an organization which manages operations and personnel of all Senior Citizen homes in the County of Beaver.

He was born on a farm in the Martins District, north of Holden. Besides Ed, there were two other boys and a girl in the family. Ed took all his schooling at Ideal School, a small country school thirteen miles south of Vegreville.

Upon completion of his formal schooling, he worked out for three years and following that, spent eighteen years buying grain through an elevator at Inland. Still in Inland, Ed started farming in 1949.

The year 1955 saw Ed and his family moving to Ryley, where Ed owned and operated "Ryley Motors". During the next 22 years - until Ed's retirement in 1976, the business prospered and was eventually sold to son Darrell, the present owner.

Ed and his wife Alice were married in 1937 and can boast a rareness in their family that not many people can. The Albrecht's have eight children, including three sets of twins.

Though definitely involved in his community, Ed still finds time to farm a half-section of land by Edson - "my only hobby" he says.

By N. Keith

"We Believe In People" —Bob Clark

Agriculture:
We would provide loans to farmers at 6% interest to preserve family farms.

Senior Citizens:
We would substantially increase Alberta Assured Income payments. Home care and house care programs would enable seniors to remain in their own homes.

Heritage Fund:
Loans would be made available to small business, agriculture and home buyers at preferred interest rates.

Education:
We would lower the pupil-teacher ratio and guarantee quality education to disabled students.

Tax Cuts:
We would eliminate provincial income tax on the first $16,000 of taxable income, saving individual Albertans up to $1,250 annually.

Health Care:
Rural and urban health care standards must be improved, waiting lists reduced and hospital beds re-opened.

Revenue Sharing:
A 10% share of provincial resource revenue could enable municipal governments to cut property taxes by half!

Do You Know The Bible Says

By Mrs. W. Meyers

Do you know the Bible says, without the shedding of blood there is no remission. Heb. 9:22, and verse 14 says "How much more shall the blood of Christ, who through the eternal Spirit offered Himself without spot of God, purge your conscience from dead works to serve the living God."

How important is the blood Jesus shed on the cross, to you? Does it mean anything to you? Lev. 17, often speaks of the life of the flesh being in the blood. In Leviticus the blood of animals was applied to the altar by the high priest to atone for the sins of the offerer, but Jesus was the spotless Lamb of God who poured out His lifes blood for the sins of the world, but that cleansing blood can only cleanse away the sin of the one who comes to Him for cleansing. Have you asked Him to take away your sin? Have you repented of your sin? That is your responsibility and no one can do it for you. John 1:9 says, if we confess our sins, He is faithful and just to forgive us our sins and to cleanse us from all unrighteousness.

Verse 8 says, if we say we have no sin, we deceive ourselves and the truth is not in us.

Prov. 28:13 says, he that covereth his sin shall not prosper but those whoso confesseth and forsaketh them shall have mercy. Anyone who thinks he can come to God without being cleansed by the blood of Christ is just deceiving himself.

He is like those spoken of in John 10:1, those trying to climb up some other way. Thieves and robbers he called them. Christ is the door to God's sheepfold of eternal life, and only through Him or by Him can we enter in.

The importance of Christ and His blood is most important to lost sinners like you and me. It is the good tidings the Angel brought to the shepherds. It is the very source of our salvation. It is step number one in becoming a child of God. If your religion has left this out you are heading down the wrong road, you have missed the straight and narrow way.

Irma W.I. Notes

The March meeting of the Irma Women's Institute was well attended. Four members histories were read in to the history committee. Varied comments were made on the programme recently televised "People Talking Back", some favorable, and some adverse.

Plans were made to view a film on cancer in women. This will be open to women of all ages. Since cancer is so prevalent today, you are urged to attend, and widen your knowledge concerning this disease and how to detect it. A nurse will show and discuss the film in the Drop-In Centre on March 29 at 2:00 p.m. Lunch will be served after the film.

Plans were made for the annual Cancer Tea on April 7 to be held in the Legion Hall. You are urged to come, enjoy tea and a chat with friends and make your donation to the Canadian Cancer Society if you wish to do so.

A Life Member of the Alberta Women's Institute, Mrs. Nellie Thurston, will be 90 years of age on March 16. The Irma Branch is hol ling an Open House to honour her in the Senior Citizen's Drop-In Centre from 2:30 until 5:00 p.m. on that day. You are cordially invited.

Mrs. D. H. Gunn, Constituency Convenor, in her report, gave a resume of "50 Years of Achievement" by the Women's Institute. It has grown from a small branch in rural Ontario to a world-wide organization with 8,000,000 members. In her capacity as Convenor for Canadian Industries and Agriculture, she presented the new design for prairie elevators. This is radically different from the traditional design of the elevators we see in the western provinces. They will perhaps be more efficient in operation, but can they replace the old ones in our memories?

The raffle was won by Tanya Ford. The roll call, answered by giving a household hint, brought some valuable tips to the table. A delicious lunch and social hour brought the afternoon to a chose. The next meeting will be April 5, at the home of Mrs. L. Sabre. Hostesses are Mrs. Sabre and Mrs. Georgina Enger. Roll call - a baking hint; the program is in charge of the Health and Home Economics chairman, and raffle - Mrs. Alma Enger. Visitors and new members are cordially invited.

Parkland Nursing Home News

Get well wishes to Mrs. Wilkens who is a patient in the hospital.

Mrs. Hilda Aberdeen from New Hamburg, Ontario visited with her mother Mrs. Geisler on Monday.

John Auburn, A. Auburn and George Curtis visited with Charlie Auburn last Monday.

Mr. and Mrs. Ed Pryor and Alan Pryor visited with Mrs. Mae Pryor.

Honey Curtis of Strome visited with Charlie Auburn and Barbara Blasser.

Terry, Shelly, Karen and Jason Lusk of Holden visited with Lars Ritland.

Fred Cotter called on his friends here one day last week.

Emily and John Tkacyk visited with "Mom" Pasnak also Mr. Lars Ritland and Mrs. Tchir.

Dora Cartwright had a nice visit with Ann, Armand, and David Cartwright on Saturday.

Rea Ward visited with Mrs. Ward on Saturday.

Mr. and Mrs. Elmer Swanson and Lyle Swanson visited with Mrs. Clara Swanson on Sunday.

Helmer Hanson visited with Lars Ritland on Sunday.

Mrs. Fred Tchir of Holden and Victoria Kostek of Edmonton visited with Mrs. Pasnak, Mrs. Pearl Tchir and Mrs. Kawaliuk on Sunday.

Myron and Irene Pasnak visited with Mrs. Tchir and Mrs. Pasnak.

The Camrose Lutheran Bible Institute Choir entertained on Sunday and was much enjoyed by everyone.

Weekly Inspirational Corner

Jesus saith unto her, Thy brother shall rise again.

Martha saith unto Him, I know that he shall rise again in the resurrection at the last day.

Jesus saith unto her, I am the resurrection and the life; he that believeth in me, though he were dead, yet shall he live,

And whosoever liveth and believeth in me shall never die. Believest thou this?

She saith unto Him, Yea, Lord; I believe that thou art the Christ, the Son of God, which should come into the world.

Vegreville Constituency

Robert E. Robert - S.C.

Robert E. Robert lives on a farm south of Vegreville which was homesteaded by his father. He is married and has four grown up children. Robert was

ulture by continuing to operate the family 400 acre farm. He and wife Mary have two children.

Harry is a licensed commercial pilot and is actively involved with young people as a hockey coach and referee.

Harry feels that two of the important issues are:

ALBERTA AGAINST OTTAWA

The Tories have tried to get the voters excited about the "fight with Ottawa". They say that they need to win every seat in Alberta to tell the east where to go and how to get there. *This is not a campaign issue.* All parties in Alberta agree that the provinces should

this same money to farmers, small business people and home owners is Alberta at 13 per cent to 14 per cent interest. Good business for the banks but not for the citizens of Alberta.

This large and important fund is not controlled by the people Albertans elect. It is controlled by the premier and a small group of close aides. The legislature has no say in the management of this fund. The incumbent representing our constituency supports this idea. Harry Babchuk does not.

Alan Vinet - Liberal

ago, where he is now part owner and manager of Vinet's Tomboy Store. He is 22 years of age, married, and has no children. He attended the University of Alberta for three years, majoring in marketing and psychology.

A Nick Taylor made government would introduce loans for farmers at low interest, with monies from the Alberta Heritage Trust Fund. At this time, if the program was in operation, farmers would only be faced with 5½ per cent as opposed to the 11½ or 12 percent they are now experiencing.

A Taylor made government program would see the Treasury branches of Alberta, control to the Bank of Alberta, emphasis on Agriculture. program would be set up to d assist farmers in rec- a line of credit finan- similar to that which is ble to most businesses. heir major concern is the recreational facilities in communities. Taylor gov- it would assist the rural nities by allotting one- the present Heritage Fund monies to capital

projects which would improve the quality of life in rural Alberta.

The elderly must not be forgotten. They are the people who built this country to what it is today. We would provide grants and not loans for low cost housing, funding for Drop-In Centres, Nursing Homes and Auxiliary Hospitals would be provided and a subsidy aimed at providing a standard of living above the poverty line.

In closing I would like to say that young people like myself who are willing to help, must not be turned away. We do not have the experience like most of you of years gone by, but we do have the desire...if and only if we can get the chance to prove ourselves. You must realize that the reins of government will have to be handed down, so why not now instead of later.

On election day, you are the people who must choose a new government. Why not choose a representative for the future. I look forward to your support on March 14th.

Wainwright Constituency

Keith Cornish - S.C.

Keith Cornish received his education at Wainwright High School and attained his Bachelor of Education at the University of Alberta. He has been employed by the Wainwright School Division #32 from 1971 until the present.

Keith has shown an interest in the continuity and growth of the communities of both Irma and Wainwright. His involvement in the field of sports has been apparent in the hockey and fastball clubs of Irma and the fastball club of Wainwright.

Keith served as a member of Town Council for the Village of Irma, and is presently on the Wainwright Town Council. In addition he served on the Irma Recreation Board, the Battle River Foundation Board, The Minburn-Vermilion Health Unit Board. Also of interest is his A.T.A. involvement, both past and present as Staff Representative - negotiations and Sub-local president.

In the up-coming election consider the following: I will represent constituents and not a party. I will be accessible when needed. I will listen to what constituents have to say.

Charles Stewart - P.C.

I would like to thank the people of the Wainwright Constituency for the opportunity of serving you as your M.L.A. for the past four years. I have tried to convey the viewpoint of the people in this area to the Legislature and to the Caucus of our government. It has given me an opportunity to work with local administrations and groups as well as individuals.

Farmers and ranchers in this area have proven their ability in the production of grain and livestock. With oil production on the brink of a major expansion, there should be many job opportunities for the people of this area.

The declining enrollment in our schools is a serious concern to those involved, but I do believe that the increased activity in the petroleum industry will in turn be responsible for an increase in our school enrollment, due to citizens seeking employment, and taking up permanent residence nearby.

The strong stand, taken by our Provincial Government on the transportation of our agricultural products, is beginning to bear fruit.

The development of oil, natural gas and hydro must be dealt with in an orderly manner. The land owner deserves much consideration, concerning his surface rights at all times.

Senior citizen's housing has been completed in many centres and severl more are scheduled for this year. This will bring this type of accommodation to a near adequate level.

The twenty-five bed addition to the Wainwright Auxiliary Hospital has been long overdue, but I am pleased that it is finally proceeding. The completion of this project leaves Hardisty as the only area without adequate accommodation.

I feel that there have been many projects completed during my term in office, but there are many more being planned.

It has been my priviledge to serve you, for the past four years. With your every support I would like to bring your suggestions and views to the Provincial Legislature for another term.

Allan Richards - N.D.P.

Vegreville Constituency

Robert E. Robert - S.C.

Robert E. Robert lives on a farm south of Vegreville which was homesteaded by his father. He is married and has four grown up children. Robert was educated in Vegreville. He was in the furniture business for many years and spent eight years as municipal councillor.

During 1966-67, he was head of Elks Lodges for the whole of Canada. He is presently chairman of the Hospital Advisory Board. Robert, at present, manages a real estate office in Vegreville. He is also the past president of the Chamber of Commerce. Robert is a hard and persistant worker for the cause of the people and their problems.

Social Credit was born right here in Alberta. We are the only Alberta Party. Social Credit, the Alberta Party is the only party in Alberta that believes in private enterprise, but at the same time places an equally high priority on equal opportunity and social justice for all citizens.

Social Credit has a proven record of achievement. We provided the best government in Canada for over 30 years, and we listened to the concerns of the people. Social Credit believes the true Heritage of Alberta does not lie in bank accounts, oil or gas, but in its people - You and Me.

Harry Babchuk - N.D.P.

This time make your vote count. Democracy is a system of government only a few countries in the world enjoy. For democracy to work properly, we need a strong - effective opposition. We need competition in government as much as we need competition in business.

The problems we face in the future are complicated problems. With an effective opposition, the issues will be debated and researched. The solutions and programs forthcoming will be stronger and better for all Albertans.

The Tories unofficial campaign slogan of "79 in 79" should concern every voter in Alberta who cares about our democratic system.

We don't need to elect someone to work for the government we need to elect someone who will work for us.

Harry Babchuk is 45 years old. He teaches electronics at the Vegreville Composite High School. Born and raised on a farm between Hairy Hill and Vegreville, Harry continues his life-long involvement in agriculture by continuing to operate the family 400 acre farm. He and wife Mary have two children.

Harry is a licensed commercial pilot and is actively involved with young people as a hockey coach and referee.

Harry feels that two of the important issues are:

ALBERTA AGAINST OTTAWA

The Tories have tried to get the voters excited about the "fight with Ottawa". They say that they need to win every seat in Alberta to tell the east where to go and how to get there. *This is* not a campaign *issue*. All parties in Alberta agree that the provinces should have control over their resources.

HERITAGE SAVINGS TRUST FUND.

The Heritage Fund is a good idea. We need to build for the future. Build for our children and our children's children.

This fund is being poorly managed by the Tories. The largest part of the fund is invested in short term bank notes earning an average of 7.7 per cent interest over the last year. The banks in turn lend this same money to farmers, small business people and home owners in Alberta at 13 per cent to 14 per cent interest. Good business for the banks but not for the citizens of Alberta.

This large and important fund is not controlled by the people Albertans elect. It is controlled by the premier and a small group of close aides. The legislature has no say in the management of this fund. The incumbent representing our constituency supports this idea. Harry Babchuk does not.

Alan Vinet - Liberal

Alan Vinet was born and raised in a small town in Saskatchewan. He moved to the Vegreville area several years ago, where he is now part owner and manager of Vinet's Tomboy Store. He is 22 years of age, married, and has no children. He attended the University of Alberta for three years, majoring in marketing and psychology.

A Nick Taylor made government would introduce loans for farmers at low interest, with monies from the Alberta Heritage Trust Fund. At this time, if the program was in operation, farmers would only be faced with 5½ per cent as opposed to the 11½ or 12 percent they are now experiencing.

A Taylor made government program would see the Treasury Branches of Alberta, converted to the Bank of Alberta, with emphasis on Agriculture. A program would be set up to aid and assist farmers in receiving a line of credit financing similar to that which is available to most businesses.

Another major concern is the lack of recreational facilities in rural communities. Taylor government would assist the rural communities by allotting one-half of the present Heritage Trust Fund monies to capital projects which would improve the quality of life in rural Alberta.

The elderly must not be forgotten. They are the people who built this country to what it is today. We would provide grants and not loans for low cost housing, funding for Drop-In Centres, Nursing Homes and Auxiliary Hospitals would be provided and a subsidy aimed at providing a standard of living above the poverty line.

In closing I would like to say that young people like myself who are willing to help, must not be turned away. We do not have the experience like most of you of years gone by, but we do have the desire...if and only if we can get the chance to prove ourselves. You must realize that the reins of government will have to be handed down, so why not now instead of later.

On election day, you are the people who must choose a new government. Why not chose a representative for the future. I look forward to your support on March 14th.

Village of Irma Minutes

The Irma Village Council met in regular meeting in the Irma Village Office Monday, February 5, 1979at the hour of 7:00 p.m.

Mayor Larson in the chair.

Moved that the minutes from the January 1979 regular meeting be adopted as written. Carried. Moved that the Village Council renew the following memberships; Battle River Tourist Association,Alberta Urban Municipalities Association, and Regional Resources No. 4. Carried.

Moved that accounts for the month of January as presented be approved for payment. Carried. The Financial Statement for the month ending January 31, 1979 reads as follows;

Net balance of previous month	$45,440.61
Receipts for the month	3,281.24
Debenture funds	38,000.00
Disbursements	6,318.63
Short term Certificate purchases	75,000.00
Net balance	7,403.02

Moved that the financial statement as presented be approved. Carried. Correspondence; Moved that correspondence from Recreation Parks and Wildlife relating to upcoming events and seminars be received and filed. Carried.

Moved that minutes from the Battle River Tourist Association regular meeting be received and filed. Carried. Moved that correspondence from Alberta Agriculture relating to Urban Landscaping Seminar be received and filed. Carried. Moved that correspondence from Alberta Municipal Finance Corporation relating to the issure of debentures for water and sewer main extensions in 51 Avenue be received and file. Carried. Correspondence was received from Butwitz Auto Body Recycling offering to remove derelict auto bodies on a contract basis. $3.00 each for lots of 20 or more. Moved that Butwitz Auto Body Recycle Ltd. be engaged to remove the derelict auto bodies from the village. Carried. Moved that correspondence from Supercrete (Alberta)Ltd. relating to change of name and its relocation to Calgary be received and filed. Carried.

Moved that correspondence from the Modern Vermilion Health Unit advising that water samples tests are satisfactory, be received and file. Carried.

Moved that correspondence received from the Municipal District of Wainwright relating to the transfer of Title for the Grader Shed be received and filed. Carried.

Correspondence was received from the Alberta Urban Municipalities Association regarding the 72rd Annual Convention scheduled to be held at the Jasper Park Lodge in November. Moved that tentative reservations for four members be made. Carried.

Municipal Inspectors Report;The Municipal Inspector's Report was read by the Municipal Administrator; Remarks and recommendations are as follows; The minutes are well prepared and adequately relate business transacted. By-laws were examined and found in order and properly filed. Tax Roll is properly maintained; however, it was noted that the date of mailing of Business Tax Assessment Notices was not initialed as required.

The penalty as set out in the Tax Roll Penalty By-law is not considered equitable with current interest rate. It is recommended that the penalty be increased to initiate payment of taxes. That deficit budgeting should not be practiced as it is considered a poor business practice.

Moved that this report be filed and that Council members be aware of recommendations in future decision making.

Correspondence was received from the Wainwright Area Preventative Social Services Committee relating to an orientation seminar which it is sponsoring. Ctr.Littlewood advised that he had attended the seminar and submitted his report. Moved that this report be accepted. Carried.

Correspondence was received from the Wainwright area Preventative Social Services Board requesting Council's approval of its proposed Budget for the 1979/80 fiscal year. Cost to the Village for programs as set out is approximately $832.00. Moved that Council approve the proposed budget as presented. Carried.

Correspondence was received from Disaster Services relating to the 1979 operation grant which is set at $82.50. Moved that this correspondence be received and filed. Carried.

Correspondence was received from the Provincial Planning Board relating to the proposed subdivision of Lot "A" Plan 772 1881. As revised the proposed subdivision will provide eleven C2, Commercial Lots and forty six residential Lots. Moved that the proposed subdivision as presented be approved.

Correspondence was received from Calgary Power Ltd. requesting Council's approval and execution of the Franchise Agreement. Moved that the Mayor and the Municipal administrator be authorized to execute renewal of the Calgary Power Franchise Agreement. Carried.

Correspondence was received from Calgary Power Ltd. relating to the relocation of the power line in front of the arena, as a precaution in the event of a fire in the arena. Moved that no action be taken at this time. Carried.

As directed an application has been submitted under the Young Canada Works Program. Projects to be undertaken if approval will be construction of sidewalks and fencing of the Grader Shed. Moved that this information be filed for reference. Carried.

Correspondence was received from the Municipal District of Wainwright requesting Council's approval of the redrafted Joint Fire Agreement. As proposed the operation of the unit would be on a ½ (Village) ½ (M.D.) basis except for the grant in lieu of wages which would be on a 50/50 basis. Moved that the proposed agreement be revised to read the operational cost of the unit, including grant in lieu of wages, be on a ½-½ basis, and not as written. Carried.

Sale of Curling Club Site: The Municipal Administrator advised that one tender has been received for the site as advertised. Tender received is in the amount of $33,335. Moved that the tender be provisionally accepted and subject to approval by the Executive of the Curling Club.

By-law No. 486: This By-law has been prepared to authorize the Village Council to enter into an agreement with the Department of the Environment for the reclamation of land, Pt. S.W. 34-45-9-W4, the north west corner of the fairgrounds. If the project is approved the project will be undertaken by the said department at no cost to the village.

Moved that By-law No. 486 pass its first reading. Carried.

Moved that By-law No. 486 pass its second reading. Carried.

Moved that By-Law No. 486 pass its third reading. Carried.

Moved that a Court of Revision be held Tuesday, March 4, 1979 at the hour of 7:00 p.m. in the Village Office. Carried.

Moved that the Municipal Administrator contact Canadian National Railways and request that the building which was moved onto the old station be upgraded to meet the requirements of the Alberta Uniform Building Standards Act. Carried.

Moved that the grader shed which has been purchased from the Municipal District of Wainwright be added to the Village Fire Insurance Policy. Carried.

Moved that the Village Council unanimously support the stand taken by the Chauvin Save Our School Committee, and the Chauvin Community in the stand taken regarding the rebuilding of its school to facilitate classes from Kindergarten to Grade Twelve. Carried.

A discussion ensued relating to the Municipal Administrator's salary. Moved that this salary be increased to par with that of the Foreman. Carried unanimously.

Clr. Dempsey advised that in order for the Rodino Community Organization to apply for a grant from Recreation Parks and Wildlife for the upgrading of its facilities, a letter of insolvency is required from the Village. Moved that the Mayor and the Municipal Administrator be authorized to execute a letter of insolvency, which provides that the property would revert to the Village in the event the said organization disbandons or becomes insolvent. Carried.

At Council's request, correspondence was received from the Provincial Planning Board confirming that funds paid in lieu of park reserve shall be used for the purchase of land, for parks or school in another location, as set out in the Planning Act. Moved that this correspondence be filed. Carried.

After some deliberation it was, moved that the Mayor and the Municipal Administrator be authorized to exercise the option to purchase the land from Mr. Ron Thurston which the local Agricultural Society has pledged funds toward. Carried.

Moved that the Board of the Wainwright School Division No. 32 be contacted and requested to supply the Village Council with a complete record of all regular Board and Committee meetings. Carried.

Moved that as recommended in the Municipal Inspector's report the Tax Toll Penalty By-law be revised to be in line with current interest rates. Carried.

Moved that Committee reports be accepted. Carried.

There being no further business before Council it was moved that the meeting adjourn. Carried.

Grain System Challenged

In an address to graduates at the University of Saskatchewan, College of Agriculture, Jim Wright, President of Palliser Wheat Growers challenged the graduates to help develop a new grain handling system.

Wright stated that the use of unit trains carrying clean, graded grain would greatly reduce turnaround time of our grain fleet. He referred to the experimental Federal Grain train which travelled from Saskatoon to Vancouver in December of 1971. He said, founding members of Palliser were the driving force behind the first ever unit train to carry grain into export position.

The Palliser President stated "That the ninety car unit train left the government elevator at Saskatoon and returned in 7 days after delivering a third of a million bushels directly into the ships hold."

Wright said that if 2000 hopper cars were used in unit trains (over one crop year) as much as 343 million bushels of wheat could be moved through the Port of Vancouver. He noted that it's highly unlikely a seven day turnaround could be maintained but even if it was doubled (14 days) 170 million bushels of wheat could be delivered which would equal the entire 76/77 wheat movement through the Port of Vancouver. He said this could be done by using the existing grain terminals on only a 5 day work week.

Irma News and Views

Phyllis Craig and Adelaide Dootson are leaving from Edmonton on Tuesday, March 6th for a six week trip to Australia and other points down under. They will be visiting Phyllis' cousin at Bentley, Australia and also expect to visit Mr. and Mrs. Spinaze at Queensland. Besides this, they are hoping also to get a tour to Tasmania. It really should be a trip to remember, and I'm sure we all wish the two ladies "Bon Voyage".

Edith and Donald Gunn are leaving by plane on Friday, March 2nd for Los Angeles, California where they will board a pleasure cruiser which will take them down the west coast of Mexico, through the Panama canal to the Carribean, with calls at Caracas, Venzuela, Puerto Rico and other points of interest.

Bernie and Harry Long, who are on a two week bus tour in Canada and the U.S., sent a card from Littlerock, Calif. to where they had just arrived. They stated that they had got out of the snow that day and were enjoying watching crows, meadowlarks and other birds, as well as the many new born calves. They were to reach New Orleans next evening and planned on spending a few days enjoying the sights of that historic city.

The month of February has gone at last and good riddance. It was the first month of February in which there was no February thaw, just a case of cold, colder and coldest. However, when we hear the experiences of our friends who travelled to get away from our Canadian artic weather, we begin to think that there are many worse places in the world than Our Alberta (as Calgary Power would put it).

One lady who visited Greece, Italy and later Israel said that she never felt so cold in her life as she, and others, felt in Italy and Greece. Israel weather was more pleasant and the tour members had a chance to thaw out. Other went to Hawaii for fourteen days and it rained every day, much to their disgust and discomfort.

Bob Hanson had a letter from a friend in Denmark (Bob's native land) who wrote that it was the worst winter since 1929 and stated that in one place over 80,000 waterfowl died as a result of being frozen in the ice.

March has come in like a lamb (to use an old cliche) and it is ever appreciated. We are optimistic enough to believe that the worst of the winter has passed and we look forward hopefully to sunny spring days with the meadowlarks singing on the fence posts.

James Chiadell is home again and gradually regaining his strength after his sojourn in the Royal Alexandra Hospital in Edmonton where he had an eye operation.

On Wednesday morning, February 28, Mrs. Mary Maguire from Wainwright put seventeen members of Irma New Horizons Club through one and a half hours of Yoga exercises. Again on Friday, March 2nd, twenty-one members were present and went through the exercises from 10 :0 1:30 a.m. The classes are being held in the Drop-In Centre every Wednesday and Friday at 10 a.m. until March 28th. No one under 50 years of age is eligible for these classes, as there are classes for this category at other places and times.

James and Mrs. Bartholow and boys Ryan and Brent spent the weekend with Jim's sister Joyce and while here also visited his grandparents Minnie and Jim Jackson, and also called on Marilynn and Arthur Jackson and family and Lorna, Eddie and Howard.

Melvin and Lorrianne Erickson flew from Edmonton to Wainwright one day last week on the first leg of a trip, to visit their parents Lily and Ralph Erickson and Ethel and Ross McFarland.

Congratulations to Al Jamison for competing in the "Saskatchewan 60" Nordic Ski Marathon at Duck Lake, Sask. on February 24th and skiing the 60 kilometer course in 8½ hours. Al Jamison also took part in the Vermilion Nordic Ski Marathon, February 4th, 30 kilometers. Ruth Jamison and Dorie McKay skied the Vermilion 15 kilometer course the same day.

Irma O.O.R.P. News

Irma O.O.R.P. held its regular meeting on Tuesday, February 20 with 29 members and eight visitors present and H.R.L. Coreen Larson in the chair.

H.R.L. Christopherson of Wainwright introduced her 4 members from Wainwright while H.R.L. Greenwood introduced her two from Kinsella.

Dominion Convention will be held July 22-25 at Saskatoon.

Our District Meeting will be held on Sunday, April 22 at Viking. Our Lodge has been assigned the Pansy Ceremony. We donated $98.00 to the Minor Hockey Club toward the Time Clock recently installed in Irma Arena. This money was made by a "Bakeless Bake Sale".

We are conducting a raffle at our St. Patrick's Day tea. Prizes will be: 1st - a small record player suitable for a trailer and 2nd - a small calculator.

This being the "Year of the Child" and having received correspondence on children we decided to let Committee #6 convened by Stella Glasgow look into the matter and see what we might do either alone or with other interested groups in the community.

Red Cross canvas in next month and Committee #1, convened by Irma Guy will take care of this.

With the Elk's Bonspiel coming up and if our assistance is requested Committee #2, convened by Darlene Lovig will take care of the supper while Committee #3, convened by Carol Prior will look after the booth.

Our March meeting will be Past Honored Royal Ladies Night so plan to attend.

Our Installation will be at our June meeting.

H.R.L. Coreen Larson and Lady Linda Pomeroy celebrated birthdays. Our raffle was won by one of the Wainwright visitors, Mrs. McLeod.

Lodge closed as per ritual and an enjoyable hour was spent over the tea cups.

AGT GOOD NEWS PARTY LINE

An election Forum sponsored by Unifarm will be held in the Holden Community Hall on March 12, at 8:00 p.m. All candidates are asked to attend. A full opportunity for questions from those in attendance.

There will be a Cash Bingo at St. Gregory's Church hall on Friday, March 23, beginning at 8:00 p.m. Tickets are $2.00, with a door prize on advance tickets only. The bingo is being sponsored by St. Gregory's C.W.L. Everyone welcome.

Irma Ladies Open Bonspiel

The Irma Curling Club held a very successful Ladies Bonspiel on February 28, March, 1, 2, 3, and 4 with 32 rinks from Hardisty, Wainwright, Lougheed, Vermilion, Viking, Sedgewick, Edmonton, Holden, Grande Prairie and Irma.

First Event Winners were the Florence Haun rink of Wainwright with Mary Roth - third, Connie Roth - second, and Lorraine Haun - lead. Doris Mark presented the Keith Coff- in trophy to the winners. Second place in the event went to the S. Campbell rink of Hardisty. Third was captured by the K. Martin rink of Lougheed and fourth went to M. Shaw of Sedgewick.

The Second Event winners were the Evelyn Mark rink of Irma. Completing the rink were Jean Smith - third, Aletha Dempsey - second, and Gail Soucy - lead. Gwen Solp, manager of the Irma Branch of the Bank of Montreal presented the trophies.

Second place in the second event was held by the Lori Goodrich rink from Hardisty. The Lougheed rink skipped by V. Firkus placed third and fourth went to the P. Holt rink from Vermilion.

Third Event Winners were the C. Metcalf rink, completed by Laverne Ford - third, Marguerite Franklin - second and Pauline Larson - lead. Placing second in the third event were the M. Oracheski rink of Irma. Third went to the L. Long rink from Wainwright with fourth remaining in Irma with the P. Burton rink.

Winners of the prize for the biggest end went to Deb Harrison's rink "pottery pigs" made by Toni Nash.

Hard Luck prize went to the Sharon Haun rink of Irma - first rink out with no wins.

The Margaret Smith rink of Irma received the prize for the "oldest rink" award going to the Kim Martin rink from Lougheed.

Winners of the "best hats" at the banquet were the Lori Goodrich rink from Hardisty.

Beth Schmidt was the lucky winner of the Macrame Owl raffle. Thanks to Leigha Glasgow and Karen Newton for making it.

The Irma Curling Club extends thanks to the following for donations. Keith Coffin - trophies for 1st event. Bank of Montreal - trophies for the second event. Irma Beauty Shop - Brenda Costall - third event trophies, Dick McRoberts, Irma Flower - Linda and Mel Pomeroy.

First Event winners of the Irma Ladies Open Bonspiel were the Florence Haun rink of Wainwright with Mary Roth as third, Connie Roth as second, and Lorraine Haun as lead. Doris Mark presented the Keith Coffin trophy to the winners.

Second event winners in the Irma Ladies Open Bonspiel were Evelyn Mark - skip, Jean Smith - third, Aletha Dempsey - second, and Gail Soucy - lead, all of Irma. Gwen Solp, manager of the Irma Bank of Montreal presented the trophies.

Third Event winner in the Irma Ladies Bonspiel was the C. Metcalf rink, completed by Laverne Ford - third, Marguerite Franklin - second and Pauline Larson - lead.

New Horizons

Forty three members and friends enjoyed playing bingo in the Irma Drop-In Centre on the evening of Friday, March 2nd. Winners are as follows: Hazel Oracheski, Evelyn White Hazel Oracheski, Grace Archibald, Lorna Jackson, Roy Burton, Kitty McNeill-Dolly Hearn-Edna Wells, Alma Enger, Kitty McNeill, Lillian Copeland, Eddie Haugan, Adelaide Dootson, F. Kellar and Alma Enger, Tom Copeland. The blackout for $30.00 was won by Kitty McNeill. Kitty donated $4.00 for an extra straight bingo which was won by Elma Tomlinson.

The next bingo will be on Friday evening, March 16 at 8 p.m. in the Drop in Centre.

The next event in the Drop in will be a whist drive on Thursday evening, March 8th at 8 p.m. Everyone welcome.

Viking Midgets Advance to Zone Finals

The Viking Midgets again had a successful week in league and provincial hockey. On Thursday night the boys travelled to Sedgewick to start their league playoffs. Viking went ahead 2-0 on goals by Kevin Maxwell and Ronald Sutter. In the second period the boys dominated Sedgewick outscoring them 3 goals to 1. For Viking, it was Allan Evans with his first, while Ronald Sutter added two more. The third period saw both teams play fairly even hockey which resulted in the boys getting three goals to Sedgewick's two. Richard Sutter scored two while Kenny Leisrud added a single. At the sound of the final buzzer, Viking defeated Sedgewick 8 to 3 to take the first game in the series.

On Saturday afternoon, the boys travelled to Wainwright for their last league game. In a game which meant nothing to the team standings, the boys played rather poorly resulting in them trailing 2-1 at the end of the period. Kevin Maxwell scored Viking's lone goal. The second period had Wainwright outplay the boys and in the process scored 3 goals to the lone one scored by Ronald Sutter. In the third period the boys started skating and checking but they could only put one goal past the Wainwright goalie. That came off the stick of Allan Evans. Wainwright in turn scored a goal and when the final buzzer sounded the boys had lost their second league game 6 to 3.

Sunday afternoon saw the boys host Athabasca in the first game of the semi-final Provincial Play-offs. This game saw the boys very tight at the start, but after Athabasca scored at the 1:42 mark, Viking settled down and scored 5 unanswered goals.

Ronald Sutter had three, while Allan Evans added a pair. The second period saw the Viking boys stop their hard forechecking, thus Athabasca could bring the play to Viking. This resulted in the play being even at both ends. Both teams scored one goal each. For Viking it was Kenny Leisrud scoring.

The third period had the boys come out with their hard checking, keeping Athabasca off balance. This gave Viking the opportunity to score 3 more times. Richard Sutter and Wayne Erickson got their first of the game, while Ronald Sutter collected his fourth goal of the game. With the sound of the final buzzer, Viking had defeated Athabasca 9-2. After some discussion amongst the Athabasca club, they decided to hand the series to Viking, thus enabling the boys to go into the Zone Finals. At present it is not known who the boys will play against.

WE BELIEVE IN PEOPLE

Keith Cornish and the Alberta Social Credit Party believe that the true Heritage of Alberta does not lie in bank accounts, oil or gas, but in human resources – people – you and me!

Therefore, Albertans need:

- √ individual initiative within a strong community
- √ responsible and competitive private enterprise
- √ equal opportunity and social justice
- √ open, responsible and limited government

Where Do We Stand On The Issues?

Agriculture

The only renewable resource we have needs special consideration to maintain its status as "the" industry of Alberta.

Education

This province's resources are people. Education is of highest priority and should be funded accordingly.

Health Care

Albertans should have and deserve the best health care in Canada.

Revenue Sharing

Municipal governments require funding that stimulates and promotes long range planning and development.

Recreation News

By George Baker

Now that March is here and the sunshine is starting to honor us with its presence, the farmers will be looking over their equipment to see what has to be repaired and readied for the spring and summer operations.

Not only will that be taking place, other thoughts will be turning to the spring and summer activities for the younger people and children.

With all these items in mind we will have to start planning for the organizational meetings to be set later in the month of March when hockey play-offs are coming to an end and the season is completed. Some of the meetings to look at will be: boys baseball, girls softball, ladies fastball, mens baseball and fastball, camping, swimming, playground activities, and some other activities that may be possible could be canoeing, family arts and craft, campout for two or three days with the whole family together, and archery.

Why not get in touch with your local recreation board members now and remind them of what you, as a person, would like to see take place. If you do not know who they are; contact the local town or village office and ask them. And if that fails please contact the Beaver Regional Recreation and Parks Office by phoning 663-3780, extension 24.

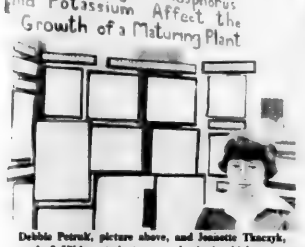
New Ideas

Yes, the citizens of the county may have some other and unique ideas or suggestions to give for something different to do? What about a county wide barbecue in one of the larger parks? Any comments? *Viking*

Disco dance lessons will be starting on Tuesday, March 13, 1979 at 7:30 p.m. at the community hall and will last for eight weeks. Registrations will take place that evening.

All other programs in the county are progressing very well and are nearing the half way mark of their time. We hope that you are attending and learning what you registered for.

Science Fair Winners



Debbie Petruk, picture above, and Jeanette Tkaczyk, grade 8 Viking students, won the junior high group section at the County Science Fair. The girls' project also won Best Agricultural Project. Staff Photo

Corinna Keller [l] and Pamela Michlich, grade 6 students from Holden, won the elementary school group project category at the County Science Fair held on Monday evening at Ryley Staff Photo

Echo-Rodino

Mr. and Mrs. Les Prosser travelled to Edmonton to pick up Marvin Prosser who has been in hospital there for a while. Hope you are feeling better Marvin.

Wes Bauer returned from Camrose on Thursday, sporting a camper for his truck. Looks like a lot of holidaying will be going on at the Bauer farm this summer.

The Bob Williams family took advantage of the long weekend made possible by the teachers convention and travelled to Calgary to visit with relations. Even the weather co-operated and stayed nice for travelling.

Barry and Debbie Stewart and son of Edmonton surprised Maxine on Sunday by dropping in unexpected, for a visit.

Irma Tournament Decided in Sudden Death

On Saturday, March 3, coach Phil Larson and the Irma Tom Thumbs hosted a six team hockey tournament. Irma won over the Hardisty team in the opening game with a close score of 7 - 6. From this game, Irma moved ahead to play Viking at 1:30.

In the meantime, Viking was matched against Manville - a team who had brought the Viking team to defeat in two previous tournaments. Viking in a hard fought well played game overcame Manville and went off the ice with a win. The score ended at 3 - 1.

The third game saw Chauvin defeat Killam. This game producing the only lop-sided score of the tournament, the game ending at 8-1 for Chauvin.

The fourth game found Manville fighting hard to obtain the edge over Hardisty. When the game concluded Manville had a one goal lead, with the score being 5-4.

In the 3:30 match between Viking and Irma, Viking eliminated the host team from further tournament play by a score of 4 - 2, to proceed to the A Final against Chauvin, who had received a bye after their first game.

Although Viking apparently had the upper hand, confining the play to the Chauvin half of the ice, regulation time saw a scoreless tie. This was the most exciting game of the day. Again sudden death was played off with three players selected from each team. In the breathless minutes of overtime, Chauvin found the net to win the A Final.

In the B Final Killam met a strong match with Manville. A very exciting game brought the score to an end at 3 - 3. In overtime to play out sudden death, three players were selected to shoot in on net. Killam found the winning goal.

Viking Mites Capture "A" Final

Sunday, March 4th, the Viking Mites travelled to Innisfree where they entered tournament play.

Innisfree met with Manaville in the first game, Manaville, having the stronger team, moved on to the A event.

Viking played Irma in the second game and by this time, the mild weather produced an accumulation of "rain" which dripped onto the ice, slowing down the play. Viking and Irma both played strong fast hockey, with Viking having the upper hand in the scoring. They defeated Irma by a score of 6-4.

Irma, the stronger of the two teams in the B Event, captured the trophy with a win over the host team.

By the time the A Final was to be played off, the Innisfree rink was in need of attention. Shovels of "slush" were gathered before the teams went on the ice at 4 o'clock, and a sheet of water was swept from the stands. In the "slow motion" game that followed, Manville found the net first. Viking had their work cut out for them and finally got past Manville to tie the game up. Only one more goal was recorded, this one going to Viking, which secured them the A trophy after a very strenuous game. All three periods were played back to back in order to complete the game before ice conditions became any worse.

Gas Kings Win First Two of Finals

On Saturday, March 3, the Gas Kings began the Battle River Hockey League finals against the Hardisty Stampeders in Hardisty.

The first period began rather slow by both teams, but at 9:43, Hardisty's Mike Kroetsch scored for the Stampeders, assisted by Gary Miller and D. Granger.

At 10:48, Ray Rattray tied it up scoring from Murray Quinton. The Stampeders came back with another goal with only 2:48 left in the period.

Blair Quinton made the only second period score at 9:14 to tie the game up. Ray Rattray and Doug Palmarchuk getting assists. At 6:31 of the third period Murray Quinton gave the Gas Kings the lead for the first time in the game, on a goal from Lee Laskosky.

At 11:25 Hardisty scored again, forcing the game into overtime. After a two minute rest, the first ten minute overtime began and with only 2:39 left on the clock, Gordon Rattray scored the winning goal with assists going to Doug Palmarchuk and Neil Fitzmaurice. Each team received only three minor penalties.

On March the 5th, the Stampeders were in town for the second game in the series. Dwayne Dion opened up the scoring just 1:19 into the first period assisted by Ray Legault and Bob Watkins. At 8:43 Doug Palmarchuk answered for the Gas Kings, scoring from Ray Rattray and Lee Laskosky.

Barry Field moved Viking ahead at 12:04 with Mark Wemp and Ray Rattray assisting to end the first period.

At 2:55 into the second period, Gordon Rattray added another to the Gas King score with Ron Naslund getting the assist. Terry Hendricks then brought the Stampeders within one goal at 7:46, scoring unassisted.

Just 22 seconds into the third period, Gordon Rattray moved the Gas Kings ahead again, scoring from Blair Quinton. A minute later, Gordon scored on a break away to move the Gas Kings ahead by three and making a hat trick for himself.

At 11:07 Gordon scored his fourth for the evening from Kirk McInroy. Barry Field added another for the Gas Kings at 12:49 with Lee Laskosky and Doug Palmarchuk assisting, making the final score 7-2 for Viking.

Viking received 15 minutes in penalties and the Stampeders received 17. A reminder that on Sunday at 2:00 p.m. the Gas Kings will be hosting the Alberta N.H.L. Oldtimers. See you at the game.

Lucky winners of the pool held at the second Hardisty and Viking game were as follows:

First Period - $10 winner - Dot Laibeda, $2 winner Dale Weder, $2 Vince Slavik.

Second Period - $15 Merle Taylor, $3 Lloyd Booth, $3 Ernie Vitek.

Third Period - $30 John Girchmel, $55 Ross Fitzmaurice $5 Kevin Maxwell, and $5 Robert Cannon

Holden High School Team Disqualified

The boys on the Holden School Boys and Mixed Curling Teams were declared ineligible to participate in the Central Eastern Alberta School Athletic Zone Curling playdowns on the weekend of February 23 and 24 because they competed in the Junior Men's Curling playdowns in Viking last month.

Consequently, the County of Beaver was represented in the Mixed Zone Playdowns by the Ryley team, but there were no representatives in the Boy's competition.

You can help keep electricity costs in line.
We don't like rising energy costs any more than you do. But the costs of building and operating additional facilities are escalating, and we must use Alberta's non-renewable resources to generate your electricity.
The more you do to manage energy at home, the more you can save on your electricity bill now — and help to keep future cost increases to a manageable level.
There are many things you can do to keep these costs in line, yet still enjoy a good lifestyle.
Good energy management can be as simple as:
• using a timer for your block heater
• using your frypan as a "mini-oven" for small amounts of cooking.
Generally, small appliances such as broiler ovens, crockpots and toasters use less electricity than your range.
Remember — use what you need — but need what you use!
Conserve. It's worth the energy!

Viking Gas Kings Win B.R.H.L. Trophy

On Saturday, March 10, the Gas Kings had the Hardisty Stampeders in town for the fourth game in the best of seven series. Indications were with the first period ending, that the home team were on the winning way. However, things turned out different. Bob Watkins opened up the scoring at 14:22 for Hardisty with D. Dion and Kevin Whitehead picking up assists. At 17:27, Ray Rattray tied it up, scoring from Doug Palmarchuk and at 19:14 Gordon Rattray scored unassisted to move the Gas Kings ahead.

The second period saw Hardisty hold the Gas Kings scoreless while picking up two goals themselves. At 14:51 Mark Thomson scored from Dwight Granger and Kevin Whitehead. At 17:23 Darren Morrison scored with Dale Walstrom and Garry Bromby assisting.

At the 4:00 minute mark of the third period Garry Bromby moved Hardisty ahead by another and at 11:11 Dwayne Dion made the score 5-2 in favour of the Stampeders.

Gordon Rattray got the Gas Kings moving again at 13:59 scoring from Ron Naslund and Lee Laskosky. However, Kevin Whitehead scored another for Hardisty at 17:52. At 18:47 Blair Quinton scored from Lee Laskosky and Ron Naslund and just 14 seconds later the same line scored again. It looked as if the Gas Kings might be able to tie things up but with just seven seconds left. Bob Watkins put the puck into an empty net making a 7-5 victory for Hardisty and putting the series at 3-1 for Viking.

The fifth, and final, game of the series was hosted by Hardisty on Monday night. This do-or-die situation for Hardisty produced one of the best encounters between the two teams this season.

The Gas Kings started off fast with an early goal by Murray Quinton at 1:34 of the first period. Lee Laskosky put the Gas Kings ahead 2 to 0 about 5 minutes later. The Stampeders replied shortly thereafter with a goal by D. Morrison, but then Neil Fitzmaurice put Viking ahead again by 2 at 14:38 of the first.

The fast skating and close checking didn't let up in the second period as the large crowd was consistently treated to end-to-end excitement. Viking went ahead 4 to 1 at the 3:25 mark of the second period on a goal by Gordie Rattray, but Hardisty again narrowed the gap to 2 goals when G. Miller scored at 10:24.

The Gas Kings pulled ahead by three at the 15:18 mark of the third period when Doug Palomarchuk hit the mark. D. Dion scored for the Hardisty squad with just over two minutes remaining in the game. Hardisty pulled their goal tender with about a minute remaining to try to overcome their two goal deficit. However, the strong checking by the Gas Kings held the Stampeders off the scoreboard to gain a 5 to 3 victory and the Battle River Hockey League Championship trophy.

Following the game, Eugene Waldorf of Daysland, President of the B.R.H.L. presented the trophy to Ron Naslund, captain of the Viking Gas Kings, to the applause and cheers of the large contingent of Viking fans on hand.

President of the Battle River Hockey League, Eugene Waldorf presents the league trophy to Ron Naslund, captain of the Viking Gas Kings, after they won their fourth game in a best of seven final series against the Hardisty Stampeders.

Quality Performances Highlight Beaverhill Players Production

The Beaverhill Players presentation of a three act comedy "George and Margaret" was held at the Regional Arts Centre in Holden on March 8, 9, 10, and 11. The live theatre production was a success.

Diane Luke, Box Office Manager, says well over six hundred people attended the play during the three evening and one Sunday matinee performance. Diane also said she didn't take a close count of people attending, but many were in attendance from points throughout the county, Vegreville and surrounding areas.

The reaction of local people was that the play was just great, certainly something new in our area. A lot of comments were voiced on the quality of the acting and how natural all the performers were.

Holden residents are delighted that this is all happening in their village and welcome the entire county and other areas to come here for future plays.

One of the scenes from "George and Margaret" a three act comedy presented at the Holden Theatre last Thursday, Friday and Saturday evenings and a matinee on Sunday. The cast of players [left to right] Karen Maciuszki, Eric Schanning, George Belcher, Joan Dunham, Earl Davis, Jane Cooper, Clay Schanning and Mary Lou Dalman.

Get Your Licence Plates

The new 1979 vehicle licence tags went on sale Thursday, March 1st at Motor Vehicle Branches and Licence issuing outlets throughout Alberta.

As part of an extended service to the motoring public, office hours have been extended and a licence issuing office is open Saturdays in Edmonton and Calgary from 9:15 A.M. to 5:30 P.M.

A spokesman in the Motor Vehicles Division said that motorists are urged to obtain their 1979 licence tags as soon as possible in order to reduce the "last minute rush and the resulting line ups."

Motorists are reminded to check newspaper advertisements for the addresses of the licence issuing office nearest them. They are also reminded that Treasury Branch Offices which issue licences will have different service hours than the Motor Vehicle outlets.

The new tags are to be placed on the lower left hand side of the rear licence plate and must be attached on or before the April 30th deadline.

Last year there were 1,475 million vehicles registered in Alberta and this is expected to show an increase of about 12 per cent in 1979. Passenger cars, with 846,000 registered, made up the largest portion, followed by 370,000 trucks. there were also 37,500 motorcycles registered last year.

March - Red Cross Month

March belongs to Red Cross. It's the month when branches across Canada reach out and try to tell the people around them the full extent of the work the Red Cross does.

It's no easy task.

Altogether the Canadian Red Cross is almost 800 branches, many different programs and two million volunteers.

It is responsible for recruiting blood donors to ensure a sufficient supply of blood for hospitals.

The Red Cross is safety instruction - so that people can go out and teach others how to teach the safe way to swim or handle a small craft.

It also is the Sickroom Equipment Loan Service -- and thousands of crutches, wheelchairs and walkers loaned out to these who need them every year.

It is programs which help veterans cope with their daily lives, courses instructing teachers of exercise classes for the elderly and home care courses helping people cope with illness in the home.

It is all this, and more, because Red Cross community activities and Red Cross volunteers add up to a symbol of a community caring for others.

Red Cross volunteers come in all shapes, sizes and colours. They live in cities, on farms and in small towns.

If you think you understand why volunteer work for the Red Cross might be satisfying, then you are the type of person the Red Cross needs.

Talk to the people in your local Red Cross. They'll tell you who needs you.

Encourage Cultural Arts

The opening of the Beaver Regional Arts Centre in Holden this Saturday is indeed a major event for residents of the area, for the many levels of government and for the organizations which worked so hard to make this fine facility a reality. A theatre of this nature is extremely rare in rural areas, and those who developed the idea and saw it through to the finish must be highly commended for their efforts.

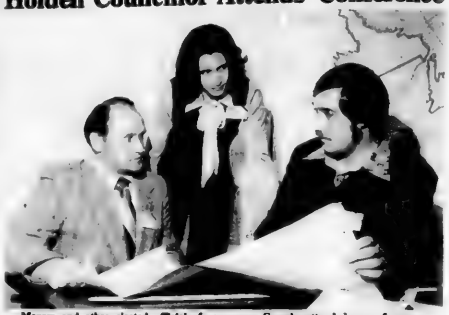
Often today we fail to appreciate the various types of cultural activities which abound amongst area residents because a proper facility for their display is not available. A wealth of talent abounds in this area, talent which will best be appreciated if it can be staged in a facility with the proper atmosphere for both the performers and the audience.

The presentation of "George and Margaret" by the Beaverhill Players in an example of the possibilities which exist in the area. The opportunity for amateur theatre to entertain in such a facility encourages the type of fine performances which were evidenced by those in attendance. Such efforts should be encouraged for it provides those of us in the area with an evening of fine entertainment by people with whom we can relate.

The possible uses of such a facility are numberous. A wealth of musical talent has already become evident in our area. As well, many people are enjoying dancing, public speaking, and creative writing. Perhaps even the public performance of this talent could also be encouraged.

The facility is a reality. Its continued use is imperative. We can encourage its use by becoming involved in a myriad of ways. The many people who worked so hard to bring such a facility to the residents of this area deserve our support, and a hearty "pat-on-the-back" for a job well done.

Holden Councillor Attends Conference



Mayors and other elected officials from across Canada attended a conference conducted by Emergency Planning Canada at the Federal Study Centre, Arnprior, Ontario from Feb. 26 to Mar. 1, 1979. Pictured above from left to right are Mr. E. Ewasiuk, Councillor, Holden, Mrs. V. Meredith, Mayor, Slave Lake, and Mr. G. Werner, Director, Disaster Services, Kilian

Eugene Ewasiuk, Councillor in the County of Beaver, attended a Conference of Mayors and Municipal Officials at the Federal Study Centre in Arnprior, Ontario, from February 25th to March 2nd.

Each year about 30 municipal representatives from across Canada are chosen to attend this study session, which is held under the auspices of Emergency Planning Canada.

The aim of these conferences is to assist municipal officials in development of plans and the implementation of measures to meet emergency situations.

Each conference involves lectures, demonstrations, case studies, planning, operational concepts, films, group discussions and practices designed to emphasize the significance of municipal leadership responsibilities and involvement to meet emergencies and disasters in their communities.

While waiting for a flight out of Ottawa, Eugene took the opportunity to meet with Don Mazankowski, M.P., in Ottawa.

George and Margaret

Critique by G. Zwiggelaar

The program began with a feeble attempt to involve the audience in a patriotic anachronism by requesting they sing "O Canada". Judging from the rather weak singing, the audience felt uncomfortable I therefore advise the Players to discontinue this prelude to their programs in future.

The play, George and Margaret, was competantly produced. The actors did a fine job and I am sure all persons attending Friday evening's performance were well entertained The production did suffer a little from several technical problems which I am certain could be easily corrected in future productions.

The first problem was the result of a poorly securred wall which shook every time the door into the set was closed. This shaking caused several picture on the wall to gradually assume a rather ridiculous angle which was a little distracting.

The second problem concerned the lighting which at times was so bright it hurt the viewer's eyes. The lighting man did lower the intensity after a while during the play but this is not the way to do it. Had the dimmers been pre-set, this problem would never have occurred in the first place.

The play itself was a rather dry humored English comedy which could easily be a bore if the actors were less capable and directed by an incompetant director. However, this was not the case here. I feel all persons involved deserve a pat on the back and all the support the people of our County can give to strengthen the cause of live theatre here.

Quinte W.I. News

There were ten members and one guest attending the last W.I. meeting which was held on Friday, February 23, at 8:00 at the home of Mrs. Alice Hoines.

Thanks go out to Mrs. Holmes as she is a retired member and volunteered to have the meeting at her house when the regular member was unable to host the meeting this month.

The meeting opened with the saying of the W.I. Creed. This was followed by the reading of the minutes of the previous meeting. Correspondence was dealt with, followed by the treasurer's report.

A discussion was held on the old and new business. This included the next card party to be held on Saturday, March 17, as well as preparations for the wedding to be catered to on Saturday, March 10th and a wedding to be held on August 4th.

Discussion followed on the correspondence received, which included letters concerning the Federated Convension, Outdoors Unlittered, a handicraft workshop to be held Wednesday, March 28, and a newsletter from Mrs. Gunn.

Three gifts were then handed out. Mrs. Lois Crouse and Mrs. Angela Johnson received gifts for perfect attendance during 1978 and a gift of appreciation was given to Mrs. Alice Holmes.

Next came roll call and as each name was called, we picked a number for a Valentine made by another member. The draw for the hostess gift was held and Mrs. Angela Johnston was the winner this month.

The evening ended with the reading of two report papers written by Mrs. Lois Crouse and Mrs. Mary Leidl while coffee was being served.

Village of Holden Minutes

Minutes of the special meeting of the Council of the Village of Holden, held on February 27, 1979, in the Village Office.

The meeting was called to order by Mayor Mydske at 7:30 p.m.

Moved that the date of meeting be waived and that the meeting deal with unfinished business from the regular meeting and any new business that may come. Carried.

Discussion took place re sale of village lot [illegible] and Marion Williamson. Moved that the meeting at this time accept what bids were available, unopened and restrictions. Carried.

Moved that the attached accounts for payment in the amount of $2992.91 be paid. Carried.

Moved that the bill to the Ukrainian Catholic Church be cancelled because work was done before the policy was set. Carried.

Moved that letters be written to the Viking and Tofield Hospital Boards requesting them to expand their ambulance services to include Holden. Carried.

Moved that it be policy for the Mayor or Deputy Mayor and Secretary Treasurer to invest surplus funds at the highest interest rates available. Carried.

Moved that a prepayment of business tax [illegible] has been received from Alberta Municipal Affairs Supt. Apartment. Moved that the [illegible] rate be charged [illegible] running to prevent [illegible] authorization by the Village Chairman who will make the [illegible] Carried.

Moved that the [illegible] cheques be signed. Carried.

Moved that the Village of Holden purchase a membership in Outdoors Unlimited. Carried.

Moved that the Council assist the school in their clean up campaign. Carried.

Moved that the [illegible] recommended by the [illegible] Recreation Board be [illegible] Carried.

Moved that the changes in the five year master plan recommended by the Local Recreation Board be approved. Carried.

Clarksby and St. Pierre re mowing cost. Moved that the secretary contact owners of property affected re removal of caveats filed by Grand Trunk Pacific Town and Development Company. Carried.

Podmore Engineering re servicing master plan moved that discussion on this be tabled until the next meeting when Marjorie Hodder would be present. Carried.

Alberta Ambulance Operators Association re 1979 fees.

Beaver Regional Recreation re hall rent: Moved that a letter be written advising that the rent for supper for the opening of the theatre will be $75.00. Carried.

Alberta Lung re subscription to list of official personnel.

Alberta Chamber of Commerce re subscription to the Legislative Report.

Alberta Environment enclosing permit to construct water reservoir and pumphouse.

Alberta Municipal Affairs re debt reduction program. Moved that two Councillors and the secretary be authorized to attend a meeting in Ryley on April 2b, sponsored by Rural Development re the debt reduction program. Carried.

Alberta Labour with comments on plans for the [illegible] units.

Copy of a letter to Maxine and Kylie Planning Association Ltd refusing application for subdivision NE 14-49-16-4 and giving reasons for this.

Marjorie Hodder enclosing copies of agreement [illegible] and giving list prices.

Vegreville [illegible] Unit water reports June [illegible] and 20.

National [illegible] Council re proposed revisions to the Building Code.

Alberta Municipal Financing Corporation re annual meeting.

Alberta [illegible] Services re course March 12.

Alberta [illegible] re diversion ditch for water supply. Moved that the matter be tabled until the next meeting for more information. Carried

Tenders for City owned used equipment

Alberta Agriculture re urban landscape improvement seminars.

Buckwitz Auto recycling attaching agreement. Moved that the Mayor and secretary be authorized to sign an agreement with Buckwitz Auto Recycling. Carried.

Natural Asphalt products for waste treatment.

Portman [illegible] & Associates Ltd. re [illegible] Parks.

Calgary [illegible] Tool re notice of rate hearing.

Alberta Urban Municipalities re convention October 9-12.

Alberta Urban Municipalities Newsletter.

Alberta Urban Municipalities information re [illegible] reduction program.

Local [illegible] ation Board Minutes.

Regional [illegible] ation Board minutes and reports.

Minutes of Beaver Foundation meeting January 8, 1979.

Can Canada really export 1¼ billion bushels of grain a year by 1985?

Here's what's being done to get your grain moving faster.

Rehabilitation of the Prescottville subdivision

Here's what's still needed.

This year and last year Canada exported 20 million tonnes of grain. By 1985 the Canadian Wheat Board believes Canada needs to export 30 million tonnes—or 1¼ billion bushels. That 1¼ billion bushels of grain is *50 per cent more* than the record levels we've been exporting.

Increases that big don't come easy. Can we do it?

There are three concerns: Can farmers grow 1¼ billion bushels? Can the Canadian Wheat Board sell that much? Can our grain handling system get that much grain from the farms to the ships?

The answer to the first two questions is yes. Given quotas to deliver 1¼ billion bushels, prairie farmers will grow it. The Canadian Wheat Board has repeatedly promised that markets of the world are ready to buy as much as we can ship.

The big problem is getting the grain from country elevators to the ships. Right now we don't always get the grain onto ocean vessels in time. Our rail system just isn't good enough, and we need more terminal facilities to serve the growing West Coast markets.

Everyone agrees that rails and West Coast terminal space are the main stumbling blocks to exporting 1¼ billion bushels of grain. After the Prairie Premiers and the Minister Responsible for the Canadian Wheat Board met in Winnipeg in January, they agreed we must form a task force to help Canada reach that target. That target is now just over the horizon because most of the work has been done or is underway.

Problems affect each other

Grain handling companies don't spend money fixing elevators on rail lines that might be abandoned. Railways won't spend money rebuilding or upgrading lines—or buying hopper cars—if they lose money hauling grain.

Much of our branchline rail system needs upgrading so long trains of hopper cars can move fast and safely. It is only through straining the present system to the utmost that we are able to move the record quantities of grain we are moving.

The Government of Canada has put in place a permanent rail network which serves *over 90 per cent* of the prairie farmers. This means elevators on those lines are guaranteed to be served by rail into the next century.

Hundreds of millions of federal government dollars have been spent and *will be* spent to renovate these lines. The Government of Canada is committed to fix up all the branch lines and will ensure the rolling stock is there to move your grain. A lot has been done. But a lot more must be done to move 1¼ billion bushels a year.

Work is also going ahead to make sure that new West Coast terminal facilities, over and above Vancouver, are in place by 1985. Canada cannot afford future tie-ups at Vancouver. Prince Rupert makes a fine alternate port.

Work on ports and terminals

The greatest efforts are being directed to making Pacific Ocean ports able to handle more exports because that is the direction Canada's markets are developing fastest.

- Vancouver. Capacity has increased by 10 million bushels. Altogether, it amounts to a 30 per cent improvement.
- Prince Rupert. A 30 million bushel terminal is being planned.
- Churchill. This port facility has been upgraded at a cost so far of $10.8 million.
- Co-ordinators for grain car allocations have been appointed at both Vancouver and Thunder Bay in order to speed up turnaround time for railway equipment.
- The firms Bouz-Allen and Hamilton and the IBI Group are now studying ways to get better service out of the facilities we now have by finding out how railways, elevator companies and ports and ships can work together in better ways.

Upgrading branch rail lines

Between 1971 and 1978, the Government of Canada put $530,000,000 into subsidies for branch lines. In 1977 and 1978, $100,000,000 was spent upgrading lines. More is coming. $70,000,000 is being spent this year and a further $630,000,000 expenditure is planned. This money will be used just to rebuild branch lines.

Planning *which* lines should get money spent on them became a priority job. The process had to be fast, so the railways and grain handling companies could go about their work and so farmers could make their plans. The process had to be non-political. The process had to permit everyone affected to be heard.

These decisions are still being made, but much has been done.

- 1974. The Federal Government guaranteed that 12,413 miles of branch lines would be protected for service until at least the year 2000.

Once rail lines are declared permanent, money can be spent improving them. There is no better proof that a line is permanent than the expenditure of millions of dollars improving it.

- 1975. The Hall Commission was appointed to look at the rest—about 6,200 miles. The Hall Commission recommended that 1,012 miles be added to the permanent network guaranteed to the next century, and the federal government did this.
- 1975. Meanwhile, the Snavely Commission set to work determining what it actually costs to haul grain by rail to Thunder Bay or Vancouver.
- 1977. The Hall Commission proposed that the future of the remaining 2,344 miles of branch lines be decided by 1980. But many farmers and elevator companies felt this was too long a wait. So, the federal government appointed the Prairie Rail Action Committee (PRAC) to do the job promptly.
- 1978. PRAC recommended that a further 1,044 miles of new and existing branch line track be added to the permanent network guaranteed to the year 2000. PRAC said extensive upgrading should be done to make this track useful, at the expense of the Government of Canada—estimated to cost $106,035,000. This action has put about 80 per cent of all track in the permanent network.

PRAC made one other major recommendation: that some 1,300 miles of track be abandoned. This could affect only 7 per cent of all Wheat Board permit holders.

- 1979. No lines can be abandoned without permission of the Canadian Transport Commission (CTC). It will likely hold hearings for each important line and add still more lines to the permanent network.

To bring the CTC closer to Western Canadians, the Minister of Transport has received agreement from the CTC to set up a Western Arm with Commissioners and offices located in Western Canada.

Rebuilding boxcars

In 1974, the federal government spent $3,400,000 to put 2,400 boxcars in both railways back to work hauling grain. A second program started in 1978: it will cost $7,300,000 and will rehabilitate 2,000 more boxcars. There is a possibility further renovations will be undertaken.

Hopper cars

So far, the Government of Canada has spent $260,000,000 to provide 8,000 hopper cars to haul prairie grain. The Minister of Transport has proposed a federal-provincial task force to examine the need for 10,000 more hopper cars by 1985. The railways need them in order to get 1¼ billion bushels of grain to ports on time as the market grows.

Timely action

If work had not started five years ago, immense amounts of grain would now be stuck on farms, separated from ships by a paralyzed rail system. If money had *not* been spent rebuilding branch lines, buying hopper cars, and expanding terminals at the West Coast, we would have little hope of getting near record amounts of grain out to market as we did in 1978. We would be so far behind we could never meet the 1985 target of 1¼ billion bushels.

How much can we pay for grain transportation?

These are all expensive and important projects that *will not only help farmers, but will strengthen Canada's* economy and return benefits to the taxpayers who put up most of the money.

These are not acts of charity. They are investments in Western Canada which have been carefully studied and recommended on the basis of their long term return to Canada.

More decisions will have to be made leading to more investment of funds. The people affected will be asked for their opinions.

The reward promises to be that Western Canadian farmers will be in a position to grow and sell 50 per cent more grain than they do now. That's good for every farmer and for all Canadians.

What you can do if your closest rail line is proposed for abandonment

As you have seen, identifying the permanent rail network has been a careful process of analyzing each and every line through the Hall Commission, PRAC and the CTC. A lot has changed, however, over the past four years. Elevators have consolidated, grain delivery patterns have changed, and there are other reasons why lines recommended for abandonment could well be retained by the Western Arm of the CTC with proper representation.

You can fight for unprotected branch lines several ways, starting right now. Here is what you can do:

1. Form a local retention committee. Co-operate with other retention committees on the same rail line.
2. Study the reasons why the Hall Commission or PRAC recommended abandonment. You may find an important mistake or you may find the situation has changed.
3. Let the Western Arm of the CTC know you plan to defend a line. It will be alerted that people are interested in saving a line and want a hearing.
4. The Western Arm of the CTC can deny an application for abandonment for five years or so. The Western Arm of the CTC can also recommend to the Minister of Transport that a line should be added to the permanent network, guaranteed into the next century.

Irma School News

Student Teachers

We are very pleased to welcome to our school two students from the University of Alberta who are on their teaching practicum. Miss Pat Middleton and Miss Barbara Nichol will be working with grades 2, 3, 5 and 6 in the next seven weeks. We hope you will enjoy your visit with us as much as we enjoy having you.

Sock Hops

Our regular Friday sock hops are under way again this month with Dwight Larson and Blaine MacMillan providing the disco-style music.

Public Telephone

The public telephone has now been replaced in the auditorium wing, and the hope is that it will now remain there. It would be appreciated if parents would note that the phone is not to be used by students during lesson times, so please do not phone the school requesting your son/daughter to come to the phone at those times.

Outdoor Education

Mr. Allen and his outdoor education class have really made good use of the snow fall last month. With snowshoes generously loaned to our school by C.F.B. Camp Wainwright, our students have become quite proficient in the art. We would like to thank Major Gentiles for his support of our program.

Muk Luk Days were held last week and in spite of the cold, provided an excellent display of talent in outdoor pursuits. Unfortunately our resident photographer did not have any success in recording the event!

Last on their program has been the snow sculptures. In four teams the students elected to make a seal, bear, "Jaws II" and something called a "Chicken". The winning group (who got to take their sculpture home) was Mike Soucy, Patti Jones, Albert Dunbar, David Majcher, Lyndon Iddings, and Colin Lingley, creators of the seal.

Other groups consisted of: Jaws II - Mark Lusk, Lissio Tomlinson, Trent Larson, Stan Boomhower, Robbie Hinton, and Sylvia Rassok; Bear - Leonard Mark, Derrick Poulton Leigh Currie, Kirby Prior, Debbie Pierce and Bobby Connolly; Chicken - Ian Dunbar Martin Boomhower, Vicki Nilson, Trevor MacKay and Daphne Gould.

Chacutenah Manor

Weekend visitors with Mr. and Mrs. W. Guy were Mr. and Mrs. N. Copeland and sons of Lethbridge, as well as Miss Melda Guy and Mr. T. Russell both of Edmonton.

On Saturday afternoon a birthday party was held for five year old Craig Copeland. Other guests present were Mr. and Mrs. M. Minchau and girls and Mrs. Bev Copeland and children Tracy and Trevor.

Mr. A. Larson spent the weekend with relatives at Pardise Valley.

Sunday visitors with Mrs. Cockroft was her sister, Mrs. G. Coultman of Camrose.

Mr. and Mrs. Jameson (nee Heather Guy) of Ladysmith, B. C. have recently become the parents of twins - Shawn and Carla.

Several of the Manor residents are now recovering from a type of flue and heavy colds. Among those affected were Mrs. Cockroft, Mr. and Mrs. Lambert, D. Peveratt, E Guy and A. Larson.

Echo-Rodino Report

The Tuesday night card party at Rodino Hall saw many familiar faces out once again to try their luck at going home with the top prizes.

Ken and Patsy Robinson of Barrhead were visitors to the Robert Hollar home, Patsy travelled on to Calgary with Florence Hollar to see their mother who is at present in hospital.

Les Prosser made a trip to Lac La Biche for a load of lumber.

Home for the weekend were: at the Prosser home were Mr. and Mrs. Mervyn Krull and Laren of Leduc and Lorraine and Douglas Prosser and Morse Molderis of Edmonton; at the Robert Greenwood residence were Mr. and Mrs. Larry Misera and son of Edson; Rita Greenwood visited her parents, Mr. and Mrs. Bruce Greenwood and Bonny Mackowosky and Sandra Paget stayed at the Mackowosky residence.

Saturday night the neighborhood took in the wedding of Shirley Greenwood and Tom Nott in Viking. After the evening wedding, everyone took in the dance and reception at the Viking Community Hall. Congratulations go to Tom and Shirley.

Irma News and Views

Mary Dempsey and friend Mrs. Lillian Graniqua from Wainwright left on Friday, March 9th for a two week bus tour in the U.S.A. which will take them to Disneyland as well as other places of interest.

Bernie and Harry Long arrived home on Saturday, March 10 after a two week bus tour which took them as far south as Orlando, Florida, where they visited the Disneyworld among other places of interest. On their return trip they ran into a blizzard in southern Saskatchewan which held them up for about four hours. On reaching Swift Current they were greeted by the spring like weather that we have enjoyed since March 1st. We are looking forward to seeing the pictures.

The LePage station wagon left Highway 14en Friday evening at about 9:30 p.m., one and a half blocks east of Irma's main street. The car rolled and landed upside down in water in the bottom of the ditch and was badly damaged, the front part of the roof being driven down to the steering wheel. We have been told there was only the driver in the vehicle when the accident occured and we are glad to report no serious injuries were sustained.

The Irma touring students arrived in Edmonton International airport on Friday evening where they were met by a fleet of cars which transported them to their respective homes. On the way home, just west of Viking, what could have been a serious accident was averted when three cars took the ditch to avoid colliding with a car travelling at a high rate of speed in the wrong lane.

We are sorry to hear that Mrs. Thurston Sr. is again in the Wainwright hospital taking treatments. Nellie, as she is known to her intimate friends, will celebrate her 90th birthday on Friday, March 16th. The Irma W.I. is sponsoring open house in the Irma drop-in centre in honor of the occasion from 2:30 to 5:00 p.m. Mrs. Thurston is a life member of the W.I.

Plans have been made by the Irma W.I. for the showing of a film on cancer in women, which will be open to women of all ages. Since cancer is so prevalent today, all women are urged to attend and widen their knowledge concerning this disease and how to detect it. A nurse will show and discuss the film in the Drop-In Centre on March 29th at 2 p.m. Lunch will be served after the film.

Bob Dempsey was home for the weekend from Edmonton where he is taking radium treatments. The treatments will be terminated after this week and three days next week. He keeps in good spirits. John Newton is doing double duty these days taking care of Dempsey's cows as well as his own. Calves are arriving in both herds and for the past ten days the weather has been cooperative.

On Thursday evening, March 8th Irma New Horizons club sponsored a whist drive in the Drop-In Centre, seven tables playing. George Foreman took the prize for the gents high score with a score of 177, Eddie Haugan got the consolation prize with a score of 152. Ladies high went to Mamie Kellar with a score of 175 while Marg Crabb took the consolation with a score of 142. Score cards are being saved and the high score for the series will receive the grand prize.

Saturday, March 10 was an interesting and active day in Irma. The weather being ideal, there was a big turn out for the Elks bonspiel. 16 teams representing Irma, Kinsella, Wainwright and Manniville lodges took part. First prize went to the Jim Hinton rink, second went to the Jerry Mark rink from Kinsella and consolation went to the Ron Prior rink. The evening concluded with a sumptuous banquet in the Legion Hall, catering was by the Royal Purple ladies and was much enjoyed by all present.

Curling teams from Irma competed in the Oldtimers Spiel in Wainwright Saturday, March 10. The Laurence White rink skipped by Cliff Smallwood was second in the third event but the Ole Rassok rink was not on the win list.

On Saturday, March 10th Keith Cornish, the Social Credit candidate in the forthcoming provincial election, and a car load of supporters canvassed the village and put up some posters. Allan Richards, the N.D.P. candidate, and two car loads of supporters also canvassed the village and put up some posters. Charlie Stewart and friends were in the village on Friday.

Minnie and Jim Jackson had as dinner guests on Sunday, March 11, Mickey Galloway and Milford Russell from Wainwright.

On Sunday evening Minnie and Jim Jackson visited with Mary and Bert Armitage near Kinsella. Mary's sister Anne Case from Winnipeg Beach also was there, as well as Sid and Evelyn Shaw from Sedgewick and Evelyn and Wayne Mygland from Killam.

Congratulations are extended to L.L. Guiltner who celebrated his 80th birthday on Saturday, March 10th. The house was filled to capacity all day with daughters, sons and spouses, plus grandchildren and friends. Gilt, as he is known, is a real Irma oldtimer, as he was one of the first people your correspondent became acquainted with when he came to Irma over 50 years ago. We all wish him many happy returns.

Bert Chadell, wife and two children from Airdrie visited with Bert's parents, Mr. and Mrs. Jim Chadell over the weekend and told them that snow was all gone in the Airdrie area and farmers would soon be able to start field work.

Dr. Eamon and Mrs. Cunningham and young son from Viking were dinner guests with Mr. and Mrs. Chadell and Jack on last Monday evening.

Sincere best wishes to Mrs. F. Withall on the celebration of her 75th birthday on March 1st. We wish you many more happy birthdays.

Get well wishes to Alfred Fleming who had the misfortune of burning his foot and was hospitalized for a few days.

Mr. and Mrs. Harold Fuder and Mr. and Mrs. Lorne Fuder motored to Edmonton on Friday to help little Jennifer Bacon celebrate her first birthday.

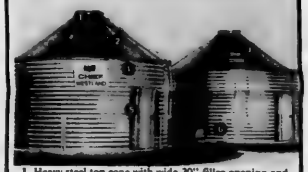
CHIEF/WESTLAND ECONO-BINS



1. Heavy steel top cone with wide 30" filler opening and heavy duty rubber hooks for extra tight seal.
2. Super self-locking roof panels - no trusses or braces needed - strong vertically stressed roofs assemble in minutes, less cost to you. Positive weather tight protection.
3. Hinged hatch opening makes an easy task of inspecting and treating grain.
4. Double-row, high tensile strength 5/16" bolts and sealant washers are used on all vertical seams. Sections are bolted at both hill and valley corrugations for extra holding power and maximum structural strength. 50,000 psi steel used throughout for added strength.
5. The two ring door is die-formed and reinforced for double strength. The sides of the door frame are corrugated to match the wall corrugations for a tight seal. Hinged bulk heads swing in for easy access with gated auger inlet as standard equipment.
6. Heavy duty one ring anchors are furnished for each bottom ring sheet assuring lasting stability.

Town of Viking Council Minutes

A regular meeting of Viking Town Council was held in Council Chambers on the evening of March 7, 1979, at 7:00 p.m.

Present were: Mayor S.A. Hafso, Deputy-Mayor R. Labreche, Councillors Wm R. Taylor, R. Evans, M. Stephenson, K. Midbo and Administrator F. Morwood.

It was noted that there was an error in the February 7, 1979 minutes and that the article under Viking Museum should have read "he attended a meeting of the Viking museum board on February 1" instead of having read "he attended a meeting of the Viking Library Board on Feb. 1".

It was moved that the Administrator send a letter to Inspection and Advisory Services of the Provincial Government informing them of Viking's latest census figures and making sure that the 1979 debenture reducing grant is based on the 1978 census figures compiled by Municipal Planning. The motion carried.

The net balance on Jan. 31, 1979 for the Town of Viking was $97,012.0o Receipts for the month totalled $18,311.53 and disbursements totalled $22,212.42 leaving a net balance on Feb. 28, 1979 of $93,111.17.

It was moved that the financial statement be accepted as read. The motion carried.

It was moved that the accounts be paid with the exception of Dan Dammann out of Killam who should be paid only for what materials have actually been received towards the Main Street Program. The motion carried.

F. Morwood read off a summary of the financial statement for the Town of Viking for 1978. In addition he read the auditors report. It was noted that there is considerable difference between the estimated figures as classified by the Town and the figures shown by the auditor. Though the end results are the same figures the classifications are very different.

It was moved that the Town of Viking invite a representative from Winspear Higgins out to Viking and have him explain the difference in the classifications on the audit. The motion carried.

F. Morwood read the year end financial statement for the Viking Municipal Library to Council.

It was moved that the Viking Municipal Library Statement for 1978 be accepted as read. The motion carried.

F. Morwood reported that Mr. Russell Hanson has applied for a building permit to build a residence on 53rd Avenue. He noted that the Town Housing Committee have looked at the lot and as far as they are concerned it does meet their physical requirements though they were concerned as to whether it meets with the planning boards approval since 53rd Avenue could eventually be zoned commercial.

It was moved that R. Hanson's building permit application be referred to the Town Planning Board for their perusal and that their comments be brought back to council for discussion before a decision is made. The motion carried.

The last water sample was taken on Feb. 19, 1979, showing the standard plate count to be 130 with no coliforms present either faecal or otherwise. Remarks "Satisfactory".

By-law #319 concerning the rezoning of the County of Beaver Bus Garage on lots 4, 5,6, Block 24, Plan 4658O was read before Council. It was moved that proposed by-law #319 be given second reading. The motion carried.

It was moved that by-law #319 be given third reading at this particular meeting of Council. The motion carried unanimously. It was moved that by-law #319 be given third and final reading. The motion carried.

By-law #320 concerning proposed water and sewer rates for the Town of Viking was read befor council. The proposed rates would begin effective April 1, 1979.

It was moved that proposed by-law #320 be given first reading. The motion carried.

It was moved that by-law #32o be given second reading. The motion carried.

It was moved that by-law #320 be given third and final reading. The motion carried.

By-law #321 proposes that all annual property taxes owing to the Town of Viking by residents be due and payable to the Town within thirty days of the date when the tax notices are mailed out.

It was moved that proposed by law #321 be given first reading. The motion carried.

It was moved that by-law #321 be given second reading. The motion carried.

It was moved that by-law #321 be given third and final reading at this particular meeting. The motion carried unanimously.

It was moved that Viking Town Council appoint Wilde, Tetreau and Co. of Vegreville as the new auditors for the Town. The motion carried.

A letter was read to Council from Cpl L.S. Anderson of the Viking detachment of R.C.M.P. stating that financial assistance will not be required from the Town during 1979 towards the staffing of a secretary in the Viking barracks.

It was moved that the Court of Revisions be set for April 18, 1979 at 7:00 p.m. in Viking Council Chambers. Members of the Court of Revision will be Mayor S.A. Hafso, Deputy-Mayor R. Labreche, R. Evans and L. Josephison. The motion carried.

Wm. R. Taylor reported that he has spoken to Ivan Chrapko the town engineer and he has said that the study on the Viking filtration plant will be completed within a [illegible].

Mayor Hafso reported to Council that advertising with two newspapers is a very costly proposition. It was noted by Council that cities do not advertise in two newspapers. A heated debate on Edmonton City council between Alderman Leger and Mayor Purvis has caused the city to switch their advertising business and public notices from the Edmonton Journal to the Edmonton Sun. Council felt that the taxpayer cannot be expected to pay both ways.

It was moved that the Town of Viking advertise through one newspaper for now, namely The Weekly Review. The motion carried.

Brushing and General Cat work Phone 385-3068 or 384-3850

PUBLIC NOTICES

Attention Wheat Board Permit Holders. You are invited to attend a meeting to discuss the feasibility of a class action of Wheat Board permit holders against the C.N. and C.P. railways, arising out of claims by the Canadian Wheat Board that it lost millions of dollars in grain sales in 1977-78 and current crop years as a direct result of railways failure to provide needed equipment and service in accordance with its export delivery schedule. The meeting is to be held at 1:00 p.m., March 21, 1979 in the Londonderry Hotel on 13108 - Fort Road, Edmonton, Alberta. Bring a car load of permit holders. Sponsored by the N.F.U. Local #715 5c

A family dance will be held in Kinsella Memorial Hall on Friday, March 16, at 9:00 p.m. sponsored by the Kinsella Rose Society. Admission $1.00 lunch included. Everyone welcome. 4-5c

IN MEMORIAM

In loving memory of my brother Peter Jossy who passed away March 20, 1977.
From hospital bed to heavenly rest,
God took him home to be His guest.
We lived in hope and prayed in vain,
That he would soon get well again.
But God decided we must part,
He ceased his pain, but broke our hearts,
And while he sleeps in peaceful sleep,
His memory we will always keep.
Always remembered and sadly missed by his sister Mary Slywka and family 5p

In loving memory of Andrew Tkaczyk who passed away Mar. 13, 1974.
There was no time to say goodbye.
The day you went away,
You left us, oh, so suddenly,
And a silent tears still flow,
For what it meant to lose you,
No one will ever know.

Always remembered and sadly missed by sister-in-law Mary, and nieces and nephews.

CARDS OF THANKS

I wish to express our sincere thanks and appreciation for the beautiful cards and letters and treats, your welcome visits, your encouragement and prayers, and all the thoughtful kindnesses shown us and our family during my recent illness and stay in the University Hospital. May God reward each one of you. George Mertz

A hearty thanks is extended to all those kind friends and relatives who made our 40th wedding anniversary such a happy and successful occasion. To all who came to celebrate with us as well as those who could not come but sent gifts and cards and phone calls.

Also for the $66.00 collected for us, and all 10 of the Viking businesses who sponsor the Community Service Systems Group who gave us the beautiful family Bible, thank you so much. For all the gifts, flowers, and all the goodies, as well as for all the good music and special numbers, we thank you.

All the following places were represented: Calgary, Rimbey, Edmonton, Fox Creek, Red Deer, Bluffton, Blackfalls, St. Albert, Leduc, Lamont, Wainwright, Ardrossan, Prince Edward Island, Irma and Viking. Thanks again from the bottom of our hearts.

Village of Holden Minutes

Minutes of the regular meeting of the Council of the Village of Holden, held on February 21, 1979 in the Village Office. Present were: Mayor Shykora, Councillors Giebelhaus, Stambaugh and Daniak and Secretary treasurer Mackay. Others : Henry Keller.

Moved that Council resolve itself into Committee of the whole to receive delegations but exclude public attendance. Carried.

The committe then heard Henry Keller.

Moved that committe of the whole revert back to an open meeting. Carried.

Councillor Daniak entered the meeting at this time.

Moved that council record the receipt of $174.69 in business tax from Henry Keller and $191.73 from Lysolo Motors. Carried unanamously.

Moved appointment of Dodsworth, Day and Possen as auditors for 1979. Carried.

By-law No 1, 1979 for the purpose of constructing a water reservoir and pumphouse was read for the first time on a motion. Carried.

Moved that ratification of action by the mayor and secretary treasurer in proceeding to remove the environmental reserve designated for Block F and for setting up the required park reserve in the amount of $6,995.00. Carried.

Moved that Christine Mackay be authorized to attend local recreation board meetings as Secretary-Treasurer of the Village. Carried.

Moved the appointment of Darin Banack as water bill deliverer, replacing Paul McKinstry. Carried.

Moved that prepayment of frontage Tax be accepted at any time with interest being paid from January 1st. of the year in which prepayment is made, that this be subject to confirmation from the Municipal Inspector and that this fact be advertised. Carried.

Moved that council approve application be Peter and Anne Miyimaka for a permit to construct a residence. Carried.

Mayor Shykora moved that Sather Electric of Daysland be authorized to proceed with wiring as per the bid presented by them. Carried

Members of the Community Hall committee are: Mayor Shykora, Councillors Stambaugh and Daniak, Secretary-Treasurer Mackay, Nick Shibinski and Dave Faryna. This committee are to meet and proceed with renovations.

Moved that the Village Foreman be authorized to do private grading and snow ploughing within the Village if time permits.

Moved the following changes be made in hall policy and rental rates; that all replacement dishes be purchased by the caretaker out of the damage deposit to ensure replacement and uniformity of dishes; and that rates of $50.00 for a supper with no dance and $75.00 for a supper with no dance and a permit be implemented. Carried.

Moved that a letter of thanks be sent to the Ladies of the hall committee for their contributions of time and money to the hall during the past few years. Carried.

Moved that the Royal Purple be paid $25.00 for serving lunch at the disaster services meeting, and that a letter of thanks be forwarded to them. Carried.

Moved that the $50.00 booking deposit paid by the National Farmers Union for the hall on Feb.16, be refunded as the function had to be cancelled because of weather conditions. Carried.

Moved that ratification of action taken by a committee of council requiring that ten chaperones be present at the Feb.17 Teen Dance. Carried.

Moved that council ask the lawyer to draft an agreement to include the following conditions:
1. 10 responsible parents as chaperones.
2. No liquor in the hall.
3. Clean up inside and outside hall.
4. Hours of operation 9:00P.M. to 1:00 A.M.
5. Signatures of chaperones will be required.
6. Undertaking not to engage in any illegal activities and that the above be implemented for the next teen dance. Carried.

Moved that this item be tabled until more information could be provided. Carried.

Office supplies can be purchased as required for approval by council at the next meeting. Costs are to be investigated for replacement of the typewriter.

1. Tofield R.C.M.P. re replacement of the radar gun. Moved that council agree to replace the radar gun at a cost of 1/3 of approximately $800.00. Carried.

2. Accurate Floorcovering re operation of business in Holden. Moved that council have no objection to operation of the business requested providing it conforms to all municipal and provincial laws and regualtions and that the Royal Bank signs are removed forthwith. Carried.

Because there was a lot of correspondence left to deal with, council agreed to hold a special meeting on Tuesday, February 27 to finish the business. Meeting time is 7:30 P.M.

Moved that Council excuse Councillor Lemko from the February 21 meeting due to illness. Carried.

Moved that temporary responsibility assigned as follows: Public Works-Councillor Stambaugh Sanitation & Weeds-Councillor Daniak; Beaver Foundation-Mayor Shykora. Carried.

Moved authorization to purchase a plaque for presentation to the Senior Citizens at the opening of their drop in center on February 24, 1979. Carried.

This meeting adjourned at 11:30 P.M. on a motion by Mayor Shykora.

Holden and District News

Reg and Louise Kaiszny, formerly of Holden, and now residing in Edmonton, are receiving congratulations on the birth of their first born, a son, Roland Lawrence, born March 8, 1979, weighing 7 pounds and 4 ounces. Proud grandmother is Nellie Kaiszny of Holden. This is her first grandchild.

Holden and District Chamber of Commerce held their regular dinner meeting on March 6th. There were about thirty people in attendance. President Kevin Stansbaugh chaired the meeting. Secretary-treasurer, Clay Schoening read the minutes and treasurer's report.

Village Secretary - Christine Mackay introduced the guest speaker - Miss Marjorie Holder, a planning officer with Municipal Affairs. Miss Holder spoke on the proposed General Plan developed for the Village of Holden.

Alfred Sorenson, former village secretary, was presented with a plaque by Mayor Shykora along with best wishes on his retirement. Mayor Shykora thanked Alfred Sorenson for the fine work as village secretary for over eight years.

Also at this meeting a committee was chosen to inquire if the toll free boundaries with Alberta Government Telephones could be extended.

By Anna Shavchook

Bruce and District News

At the Senior Citizen's Whist Drive held on Wednesday, March 7, the following people were winners. The men's and ladie's high score winners were Roy Haugen and Lillian Tenke. The low score winners were Bert Siegel for the men and Anne Oxbuko for the women.

A large number of Bruce and district residents attended the live theatre presentations of "George and Margaret" held in the Beaver Regional Arts Centre in Holden. Judging from the smiles on their faces as they emerged, the performances were much enjoyed.

Bud and Jean Starkey left this weekend for a holiday on the west coast. While there, they will be visiting some of Jean's family.

Remember the Bruce Agricultural Society's Easter Bingo is coming up on April 6th at 8:00 p.m. in the Bruce Community Centre. Tickets go on sale soon.

Gas Kings Host N.H.L. Oldtimers

Members of the Edmonton NHL Old Timers are pictured during their game against the Viking Gas Kings on Sunday. Despite advancing years the skills displayed by the Old Timers made the afternoon highly entertaining for the large crowd in attendance.

Staff Photo

Sunday afternoon, March 11, the Gas Kings hosted the Edmonton Old Timers to a well enjoyed exhibition game. The Old Timers line up included Ray Kanasewich (Detroit), Bob Kanasewich (Edmonton Oil Kings), Lloyd Haddon (Chicago), John Young (Penticton Vikings), Dennis Kassin (Detroit), Bob Cawrse (Detroit), Greg Cameron (Detroit), Lloyd Orris (Winnipeg), Eugene Kanasewich (Harvard), Bob Slinger (Toronto), Gordon Buttrey and Nap Carrier (Forestburg Rockets), and because the goalie was unable to attend, Colin McLaren, of the Gas Kings, filled in for him.

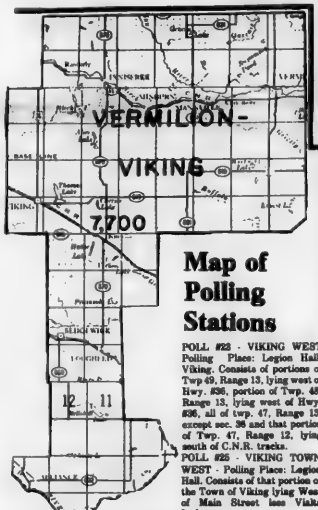
The crowd seemed to enjoy very much the extra antics performed by the Old Timer team and showed both teams their appreciation and support.

Marksmen for the Old Timer team were Ray Kanasewich (3), Dennis Kassin (2), Bob Kanasewich, Bob Solinger (2), Lloyd Haddon, Lloyd Orris, Gordon Buttrey, Greg Cameron, Eugene Kanasewich and Bob Cawrse.

Scoring for the Gas Kings were: Doug Palmarschuk (3), Gordon Rattray (2), Jim Laskosky (2), Kevin McGinkin, Barry Field, Ray Rattray, Neil Palmarchuk and Mark Wemp.

The Gas Kings managed to keep the Old Timers to only a two goal difference and played their first penalty free game all season.

The excitement of a championship victory was displayed when the final buzzer sounded and the Viking Gas Kings had won the 5th game of the N.H.L.L. Championship play-off, in Hardisty on Monday night.



Map of Polling Stations

Do You Know The Bible Says

By Mrs. W. Meyers

O Jerusalem, Jerusalem, which killest the prophets, and stonest them that are sent unto thee; how oft would I have gathered thy children together, as a hen doth gather her brood under her wings, and ye would not! Luke 13:34 and Jer. 31:3. The Lord speaking to Israel. "Yea, I have loved thee with an everlasting love; therefore with loving kindness have I drawn thee".

I am the Lord, neither shall ye profane my Holy Name; but I will be Hallowed among the children of Israel: I am the Lord which hallow you, that brought you out of the land of Egypt, to be your God: I am the Lord. Lev. 22: 32-22. And Jesus set a pattern of prayer for His disciples when He said, Our Father which art in heaven, Hallowed by thy name. Matt. 6:9.

As we study the Bible we find all through the old testament the love God had for Israel. He showed it by many miracles and care over them.

Truly they were His chosen people, and He loved them so much even though they failed Him so much. John 3:16 says, "For God so loved the world" but this also included the Gentiles as well. This includes you and me.

He loves Israel so much that after He gave instructions for their offerings and sacrifices to make sure they would be done so that the people would be in right relationship with God. He said they were to hallow Him and He hallowed them. Isn't that the relationship He wants to have with us? This is possible through Christ, our sacrifice. If we accept Christ as our sacrifice and sin bearer, we are precious in His sight. And as we hallow His Name, He Hallows us as His dear children.

As we see His great love for us does it not melt your heart down? He will bless and warm your heart if you will only draw near to Him, and ask Jesus to come into your heart. Also Christians can experience a new warmth in their lives as they draw near in studying His Word and spend time in communion with Him. Results - they will sing, "How Great Thou Art".

Vialta Lodge News

Sunday afternoon, March 4, we were priviledged to have the Camrose Lutheran Bible Institute choir call and sing for us, which we all enjoyed very much. Many thanks for coming and also to those who arranged their schedule so they could come.

Mrs. Ferguson is visiting with her family at Vegreville for the week.

Mr. Gommeringer left Sunday, March 4, for points in California to visit members of his family.

Mrs. Johnson spent a few days last week in Camrose visiting her sister, who is in hospital there. She also had a visit from her son.

Bingos for March will be held Wednesday the 21st, and our Card Party will be on Tuesday evening, the 27th.

Lillian Bilo of Edmonton visited with her parents Mr. and Mrs. Loveseth.

Calling to see Mrs. Elness Sunday evening were her niece and husband from Vernon B.C. Marie and Walter Atkinson.

Jessie, Elmer and Lyle Swanson, called on Mr. Murray.

Visiting Mr. and Mrs. Theroux were their daughters Irma Soneff of Edmonton and Genon Astley of Irma.

Mr. Gommeringer had his daughter Tilda and family of Newbrooke call on Monday, February 26th, to help celebrate his birthday - Tilda, Norm, Vance, Trevor and Roxanne Dafoe were all here.

Mrs. Rodwell is visiting with members of her family for a week or so, celebrating her birthday which was March 11.

Mrs. Suddaby enjoyed a visit on Wednesday from her daughter, Faith Suddaby, son Foster and little granddaughter from Edmonton.

Our thanks to the Grade One Class and their teachers who came to sing for us on Thursday afternoon. We always look forward to their visits.

Mrs. M. Tuck of Lavoy called on Wednesday and visited with Mrs. Austin, Mrs. Suddaby and Mrs. Rodwell.

Visiting Mrs. Suddaby on Thursday were Marlene Tompson, Clara Hamilton and Violet Duby of Camrose.

Our thanks to the ladies who came to help us quilt on Thursday. We will be quilting again next Thursday.

We are glad to have Mrs. Livingstone home again after being away for nearly three months, visiting with relatives in Sanders, Arizona.

Friday afternoon we were priviledged to have Bob Clark, and Ashley Cooper, accompanied by Stewart McMullen, call and see us for a few minutes while in town.

George English of Two Hills visited with Dutchy on Sunday.

DANCE AND MIDNIGHT SUPPER

Profile: Gerard Wadley

Gerard Wadley was born on May 17, 1945, one of the first babies delivered by Dr. Caldwell when the latter first came to Viking. The youngest of seven children, Gerard took all his schooling in Viking. His father farmed land six miles south, and later ½ mile south, of Viking. Gerard started helping with the harvest at the age of six and can remember some indians camping in their back yard when they passed through at harvest time.

After high shcool, Gerard continued working on the farm and, during the winter worked out. He worked in a garage in Edmonton, and locally, he helped in the building of the nursing home.

Then in 1963, he rented the farm from his father and is still working the same land, having purchased it in 1966. In 1972, a partnership was formed with Ralph Child.

"I feel that most local farmers do not take an active interest in their own businesses," says Gerard. No one can say that about him, though. He has become involved in a lot of farm-oriented organizations, believing that they are a good way for farmers to improve their techniques. He is the Advisor for both the Palliser Wheat Growers and the Western Barley Growers Association. Along with these, he is an active member in the Alberta Rapeseed Growers Association and Unifarm.

Gerard is just as involved in local organizations! As well as being part of the Chamber of Commerce, he is presently holding an officer's position in the Elks Lodge. Two years ago he was Vice-President of the fair committee for the Agricultural Society, and before that, had been on the Hall Committee.

Gerard's main preoccupation is with the youth in Viking. The Tom Thumbs have him as their assistant coach, and he is also on the Minor Hockey Discipline Committee. He also joined the scouting movement in 1966, because he feels there is a need for this type of program for young boys. He started as assistant leader for the Cubs and, after receiving his leadership badge, became the leader. Future plans in this direction include recruiting someone who would be as dedicated as a cub master, though Gerard plans to continue as Cub Master for a while yet.

His concern for the young boys in Viking may stem from the fact that he has two of his own, Gerard and his wife, Ellen May, were married in June of 1967 and have two sons; Darren who is eight, plays for the Tom Thumbs and is a Cub; and Brent, who is two years old.

In what spare time Gerard can manage between his other activities, he enjoys camping, fishing, snowmobiling, hockey, reading war histories, and, as a point of interest, carving diamond willows.

Get well wishes to Mrs. Hutchinson who is a patient in the hospital.

Viking O.O.R.P. News

The regular meeting of Viking O.O.R.P. was held Feb. 6,in the lodge rooms.Being Past Honored Ladies Night, Marge Hanson presided and the other Past Honored Royal Ladies filled the various offices. The meeting opened in the regular manner. Secretary Jean McInroy read the minutes of the February meeting and Doris Arnett presented the treasurer's report. Rita Hill read the highlights of the minutes of the 1978 district meeting held in Chauvin. Joy Place presented a report on the annual meeting of the House Committee.

In reporting on bingo games, it was stated that the sale of baking at the games has been temporarily discontinued. Isabel Jorgenson reported that the Sunshine Committee had made four sick visits during the month of February.

Members were requested to submit resolutions to the next meeting to be approved for presentation at the district meeting in April. It was decided that the Royal Purple would contribute toward the expenses of each of the two Viking students attending the Forum for Young Canadians in Ottawa

At the close of the meeting a delicious lunch was served by Rose Wolosinka and Guerene Hammer.

Midgets Win In Spite of Protest

On Tuesday night the Viking Midgets hosted Sedgewick in the second game of the league semi-finals. The boys led 2-1 after the first period on goals by Scott Taylor and Kirk Maxwell. In the second period the boys outplayed their opposition, rallying for 4 goals to Sedgewick's one. David Darling had a pair, while Ronald Sutter and Kevin Maxwell added singles. The third period saw Viking let up, consequently Sedgewick outscored the boys 4 goals to 2. For Viking it was Kenny Lefsrud and Richard Sutter scoring. At the final buzzer, Viking had defeated Sedgewick 8 to 6 to take the series 2 games straight; but, this second victory was to be short lived.

Viking was to learn that due to an "illegal" referee, the game was protested and after lengthy discussions with the League President, the game was given to Sedgewick. This technicality of protest was that Viking's referee was under the league rule of 17 years of age and due to "everyone" following league rules and not breaking them the "least bit", the game was forfeited to Sedgewick. This set up the stage for the last game which was to be played Friday, March 9.

On Friday evening the Viking boys hosted Sedgewick for their final game. This game was played by strict league rules and saw the use of a neutral referee. Sedgewick scored at 8:30 of the first period and it wasn't until 18:35 that Viking was able to score on the Sedgewick goaltender. This goal came off the stick of Richard Sutter.

Sedgewick scored first again in the second period to take a 2-1 lead. After "peppering" the Sedgewick goalie with shots, the boys finally started to get some pucks past him. At 13:12 Richard Sutter got his second of the game. Then at 16:08 Ronald Sutter scored an unassisted goal. Wayne Selzler rounded out the scoring for the second period with a goal at 17:01. This game the boys a 4-2 lead.

The third period saw the boys totally outplay their opposition, but again the Sedgewick goalie came up with the stops, keeping his teammates in the game. Ronald Sutter got his second goal of the game and then Bob Graham scored with a short from the point to give the boys a comfortable lead. But the boys were to keep scoring and at the 7 minutes mark Bob Graham got his second of the game. Sedgewick scored their only goal of the period shortly after to narrow the gap. Viking replies at 5:32 when Ronald Sutter got his third goal of the game. The remainder of the period was scoreless and when the final buzzer sounded, Viking defeated Sedgewick 8 to 3 to take the series with a "legal" victory. This victory now puts Viking into the finals against Provost which will take place this week.

Viking Pee Wee Team Defeated In Provincials

Viking's provincial Pee Wee team travelled to Gibbons on Friday, March 2nd for their second game against the host team. A number of parents were on hand to witness the 7 to 5 "victory" which advanced the Viking team to the zone final.

On Saturday, March 10th, Athabasca travelled to Viking, following the defeat of the Vegreville team earlier in the week. Although Athabasca had the upper hand right from the opening minutes, the Viking team did a good job of holding them off during the first period. The second period saw the powerful opposition tally a number of goals. By the end of the game there was no doubt which team had the power, the control, and the honor of representing the zone. Viking was defeated by a score of 15 - 5.

On Monday night the Viking Purple team continued league play, meeting with Sedgewick at the Carena. Sedgewick got the opening and only goal of the first period. Eight goals were scored in the second period with Viking scoring 6 and 2 going to the visiting team.

In the third, Sedgewick closed the gap for a short time, scoring three. Viking, not to be out done, scored another 4 goals with their 10th goal going into an empty net with only 15 seconds remaining on the clock.

Scoring Summary: Krips 3 goals, Wincsura 2 goals and 2 assists, Lawes 3 goals and 1 assist, Clouston 1 goal and 3 assists, Anton 1 goal and 2 assists, Tkacyuk 2 assists and Ash 1 assist.

Viking Purple, having held their first place standing in the Battle River Hockey League, will host the League Tournament on Saturday at the Viking Carena.

At the moment, Viking Purple, Lougheed, and Forestburg are assured of their participation in the league tournament. The league president, Wayne Clouston, will be contacting the teams late in the week to advise which teams will be participating, the times and the game schedule.

Tom Thumbs Defeat Killam

The Viking Tom Thumbs played host to the young team from Killam in exhibition play on Saturday. The game getting underway at noon found a couple of fairly evenly matched teams battling it out.

With coach Joe Voltner constantly "coaching" his players, the Viking team once again played well. Their efforts brought them another win. The final score of the game was 6 to 3 in Viking's favor. Scoring for the Viking team were Jason Clouston with 4 goals, and Tammy Maxwell and Orin Maxwell with one goal each.

Bruce Busy Bees

A regular 4-H meeting was held on Wednesday, March the 7th. The roll call was "An Interesting Fact About Mexico".

All 4-H members decided to change our meeting times. Meetings which were previously held every second Monday will now be held on Wednesday evenings.

It was decided to serve lunch at Louis Holden's Auction Sale on May 12th.

The cooking projects were Guacamole and Tamale Pie. Both recipes were Mexican dishes.

Two demonstrations were held on peanuts. The titles of the demonstrations were: "How do they Grow?" and "How can they be Used?". Lunch was served and recreation was held.

Kinsella Wins County Trophy

The Kinsella Men's Basketball team defeated Tofield in the best out of three games series in the second game held in Tofield last Thursday. The Kinsella team took the series two games straight and win take home the County Championship for the third consecutive year. The team: [front row - left to right] Carter Oakes, Larry Baumgartner, Les Henderson, Jack Welsh, Eldon Gile. [back row - left to right] Glen Welsh, John Bobyak, Hank Welsh, Ralph Hansen and Lee Francis Staff Photo

Viking Mites Win League Tournament

On Saturday, March 10th, Killam being league champions, hosted the Battle River Minor Hockey Mite Division tournament. Three towns were represented in addition to the host town. These were Viking, Dayaland and Forestburg.

In the first game between Killam and the third place finishers, Dayaland, Killam again showed why they finished at the top of the league by defeating the Dayaland team 18 to nothing.

In the second game between the second place team - Viking, and the 4th place team - Forestburg, Viking managed a hard fought 6-3 victory to advance to the final against the powerful Killam team. Scoring for Viking were: J. Place -2, C. Clouston 2, C. Siermachesky 1, and S. Winter 1 goals.

The final game turned out to be a "barn-burner". Killam opened the scoring quickly and held a 3-1 lead after the first period. The second period proved to be Killam's also and it ended at 5-2 for the host team.

The third period started out slowly with Killam seemingly content to look for breaks and protect their three goal lead. They were unable to score early and with only 11 minutes left in the game Viking found the net behind the Killam goalie. From that point on the roof caved in on Killam. Before the end of the game, Viking shooters had notched up four more goals and with outstanding goal tending by Kenny Zemanek and superb defensive work by the blue line corps they shut Killam's scoring off completely for the rest of the period. The 7 to 5 victory for Viking gave them the tournament trophy which they proudly displayed for everyone on their victory lap of the rink.

Scoring for Viking were: S. Winter 4 goals, C. Clouston 1 goal, 4 assists, C. Siermachesky 1 goal, D. Anton 1 goal, J. Place 2 assists, D. Taylor 2 assists.

Irma Tom Thumbs Win Two

Irma Tom Thumbs played Wainwright "A" and "B" Tom Thumbs. Irma outscored Wainwright in both games, first game 2 - 1 and the second game 3 - 2. Goals for Irma were scored by Leslie Cressy 3, Stacy Larsen and David Larsen one goal each. The team [back row - left to right] Coach Phillip Larsen, Sheldon Archibald, Shannon Archibald, Jody Fenton, Lennie Larsen, Jason Costall, David Larsen, Leslie Cressy, Stacey Larsen, Gene Lahens, and Coach Wayne Gwinn. [Front row - left to right] Troy Ramjoe, Perry Chouest, Bobbie Williams, Donald Lahens, Ronnie Teeter, Ronnie King, Darren Larsen, Glen Gwinn, Dwayne White, Trevor Copeland. [Missing from photo is Greg McKay]

Kinsella Elks Lodge

On March 6, the Kinsella Degree Team motored to Hardisty and worked with the newly formed Wainwright Patrol Team to initiate six new members into the Hardisty Lodge.

The regular meeting of the Kinsella Elks Lodge was held on March 8th, with two officers absent and twenty-five members present. D.D.G.E.R. Frank Goddard made his official visit at this time, and brought along six Wainwright members, all of whom were very well received.

Six members of the Viking Lodge were also in attendance. E. R. Heinz Grube presented the Travelling Gavel to E.R. Harlan Foulkes. The gavel is in the form of a club to beat the HAIR off any Black Angus cattle or their herd masters.

Brother Bert M. Hill presented a picture of the Kinsella Degree Team. Brother Cliff Overbo accepted on behalf of the Kinsella Lodge.

Viking I.G.A. Destroyed by Fire

A spectacular blaze which broke out at approximately 10:35 p.m. on Monday evening totally destroyed the Viking I.G.A. in a matter of hours.

Rita Barker, from her home directly across the street from the I.G.A., detected the fire and turned in the alarm. Firemen responded quickly, as did Northwestern Utilities' Russ Brower who shut off the gas supply to the building. The power supply was also disconnected by Calgary Power at about 11:45 p.m. A total of 18 volunteer firemen, aided by others in attendance, fought the blaze until about 2:30 a.m. when the blaze was brought under control.

Originally, the fire was limited to the front-end portion of the building, but efforts to contain it there were unsuccessful and the entire building became engulfed in flames.

Although the cause of the fire has not been officially determined, those involved felt the probable cause to be linked to problems with the chimney portion of the overhead furnace at the front of the building. The furnace provided a ready supply of fuel and, combined with items such as barbecue starter, windshield washer antifreeze and aerosol cans, the fire spread rapidly through the I.G.A. building. Once the fire was brought under control at 2:30 a.m., three firefighters remained at the scene to water-down any hot spots which appeared throughout the night and Tuesday morning.

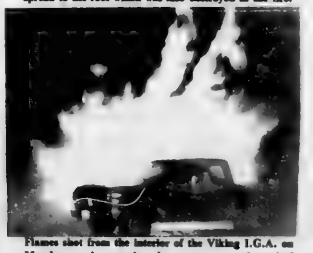
A new Ford Supercab owned by Dick Cottrell of Viking which was parked at the front of the building received extensive damage to the side of the vehicle closest to the blaze. Numerous other vehicles parked on the lot were removed without damage.

A spokesman for Horne and Pitfield estimated the loss of the building and contents to be over one-quarter of a million dollars. The spokesman also stated that, although it was much too early to give details, Viking residents would not be without the services of an I.G.A. food store for long.

All that remained of the Viking I.G.A. on Tuesday morning was a burned-out shell. Contents of the store were totally destroyed in the spectacular all-night blaze.

He noted that, previous to the fire, plans were laid for the expansion of the existing store. These plans will now be incorporated into the new structure which is to be erected. Although completion of the new building could not be expected for at least four months, Horne and Pitfield are already investigating the possibilities of a temporary store set-up to serve the area in about two or three weeks time.

The fire totally engulfed the interior of the I.G.A. and spread to the roof which was also destroyed in the fire.



Flames shot from the interior of the Viking I.G.A. on Monday evening causing damage to a truck parked immediately in front of the building. Staff Photo

Insurance Coverage for Farmers

A pilot program of insurance coverage for hay and pasture crops will be implemented in the new 1979-80 crop insurance year says Alberta Agriculture Minister Marvin Moore.

The plan, in which farmers will pay premiums for less than half the actual cost of the insurance, is intended to protect livestock producers against production losses and the resulting high cost of obtaining replacement feed supplies in times of shortage.

All administrative costs of the Hay and Pasture Insurance program will be borne by the Provincial Government, says the Agriculture Minister, with the Federal Government chipping in one-half of the farmers' premium costs.

This year the pilot project will be centered in the counties of Red Deer, Lacombe, Ponoka, Stettler and Paintearth. Coverage will be extended to other areas in subsequent years if sufficient interest is shown, says Mr. Moore. The deadline for insurance applications from farmers in these areas in April 30.

Depending on their location producers can obtain up to $60 per acre on good perennial hay and pasture crops under the program.

The new plan is also intended to provide protection against feed shortage caused by the single hazard of drought. While excessive moisture at cutting time can also result in loss of quality, said the Agriculture Minister, it seldom results in lack of production or feed shortages.

Don Mazankowski, Member of Parliament, cuts the ribbon and officially declares the Beaver Regional Arts and Culture Centre in Hoklan "Open". Holding the ribbon are M.L.A. John Batiuk [right] and George Baker [left], Administrator of Beaver Regional Recreation and Parks Board. The official opening was held on Saturday evening, March 17, 1979. Staff Photo

Successful Heart Campaign

Now that February, the "heart month" is past, the time has come to close the books of the Viking canvass for the Alberta Heart Foundation.

For those of you who so willingly donated your time to knock on doors, we thank you. And to all of you who so cheerfully contributed funds, thank you.

The total amount collected was nine hundred and twenty-five dollars and ten cents. ($925.10). Certainly a sum which can be put to good use.

Donations are always gratefully accepted by the Foundation. You may send your contribution to the "Alberta Heart Foundation, 10235 - 124 Street, Suite #208, Edmonton, Alberta T5N-1P9", or take it into the local Treasury Branch where you will be given a receipt for income tax purposes.

Rural Living - A Positive Aspect

This past weekend we travelled to Calgary for a visit with friends and relatives and to "enjoy" the city lights for a couple of days. The excursion afforded us the opportunity to have a wide and varied choice of entertainment. However the two days spent there did not seem worth the time spent.

The major drawback which we experienced during our stay was the overwhelming plethora of people and vehicles. Everyone in the city seemed to be every place that we were headed or were patronizing. The extremely fast pace of people, both on foot and in their automobiles, was a constant distraction from any possible enjoyment. The impatience of drivers at traffic lights, the darting from lane to lane on the major thoroughfares, and the excessive speed displayed by some drivers were nerve wracking. As well, the crowds at shopping centres and stores with the constant hustle and bustle detracted from any possibility of an enjoyable afternoon.

The only positive aspect seemed to be the visits with people in their homes, away from the fast pace of the outdoor world.

We in the rural areas are fortunate to be without this high pace of living. The stress factors which can build up in the individual with constant habitation in a city environment must be tremendous. Here we, as individuals, can gain a sense of identity from those around us. We can openly greet people on our streets whether we know them or not. We have a kinship afforded to us by our choice of the rural life style.

This type of lifestyle, this open comaraderie between community members, is something that we should encourage. We should work to promote our rural lifestyle by presenting a warm, friendly, and sincere image to everyone who lives and visits here.

Viking Town Council Minutes

Continued from last week

R. Evans presented a Business License Survey to Council in which he had broken down a number of business license by-law systems for Council to study. As Mr. Evans pointed out the different types of these by-laws differ drastically thus allowing for little continuity or uniformity of design for the Town to follow. Mayor Hafso asked for the General Government Committee to make its recommendations regarding this issue and Mr. Evans replied that they will need more time because of the complexity of the problem.

Guest, Danny Laidl, appeared before Council to discuss the Town lease arrangements concerning its half-section east of Viking. He suggested that the Town draw up a five year lease as of April 1, 1979 which would include consideration that the Town can develop as needed. He noted that he would like to plant a crop this summer and that he would need to know in advance what the Town would be needing for development and that of course he was in agreement that the lease would have to be subject to deletions. Mayor Hafso replied that in this day and age five years was far too long and that the Town would only consider taking it one year at a time. No one knows just how the development of this property is going to occur. He suggested that the Town Administrator and himself come up with a lease agreement by April 1, 1979.

An application form for the Major Cultural and Recreation Facility Development Grant was presented to Council on behalf of the Viking Curling Club for town approval.

It was moved that the Town of Viking approve the application for the above Recreation Facility Grant The motion carried.

It was reported to Council that the town equipment and machinery is very dirty and unkept but that the town men have no way of cleaning it other than by hand. It was suggested that the Town look into the possibility of purchasing a steam cleaning unit. Council suggested that councillor Taylor look into prices and report back at the next meeting.

Mayor Hafso told Council that the Town would also do well to look into the price of a large portable pump for pumping drinking water up into the reservoir from the "ketch basin". The Town has rented a pump every spring from Edmonton and the rental charges are extremely high. Councillors Taylor and Stephenson will look into this and report back to council.

F. Morwood reported to Council that the Town should be charging for thawing out service lines. The town men are being called out at all hours of the day or night. It would appear that in nearly all cases where the sewers are frozen that there is food or some kind of material in the line which should not have been flushed down the toilet in the first place. The Town men are finding diapers, heavy paper towelling and all kinds of other materials which lodge on the lines and then naturally with the deep frost this year, the lines are freezing where these materials are blocking the line. If the water does not flow it will freeze under these conditions. Councillors Taylor and Stephenson will look into this situation and make their recommendations on this subject at the next regular meeting.

It was moved that the Town of Viking donate $2,000.00 to the Viking Caravan Committee of the Viking Agricultural Society as requested for 1979. The motion carried.

A letter was read to Council from Bill Mattinson of the Viking Chamber of Commerce requesting information on Christmas Lights for Main Street. He also requested that the Town of Viking include staffing for the Tourist Information Booth in their application to the government for a Summer Temporary Employment Program for 1979.

Some information on Christmas Lights is on file at the Town Office and provisions will be made for the inclusion of an extra student for staffing the tourist booth in the grant application.

A letter was read to Council from D.W. Mellor, Vice-Pres. of Finance for Horne and Pitfield Foods Ltd., containing a formal offer to purchase Lot 30, Block 11, Plan 1174W from the Town of Viking for $12,000 also included was a cheque for $1,200.00 to be used as a down payment and conditions were listed. As Council have previously settled on this price, the Administrator was instructed to write a letter of acceptance on the conditions that they get clear title only if they agree to pay for the title transfer themselves.

A letter was read to Council from the Tofield Municipal Library Board, concerning the setting up of a County Library Board. Mayor Hafso noted that the Viking Library Board is looking into this.

It was moved that the Town of Viking abstain from pursuing a mosquito program for 1979. The motion carried.

The above motion was made after considerable discussion that mosquito programs have cost in the past and that there have been no recognizable benefits derived. Wind and wet weather have a large influence on movement of mosquito bodies and these two factors are very unpredictable.

A letter was read to Council from Hon. Hugh Horner, Minister of Transportation stating that the Town of Viking will be getting a grant of two dollars per capita in April of each year beginning in 1979 and continuing each year until April, 1985. These funds will be available for the transportation services of senior citizens, the disabled, and the handicapped. These services may take the form of capital equipment such as handibuses or regular bus facilities for senior citizens or for the subsidization of taxi or bus transportation

F. Morwood reported to Council that Paul Hyshka's service lines have been freezing up for years. He suggested that the Town attempt to rectify the situation this coming summer. Council noted that it could be looked at when the Town is putting the services into Block 3b behind Vialta Lodge.

F. Morwood reported to council that he has written B.E.L. Autobody as directed by Council informing them that their vehicles and equipment, being stored on the street and blocking the sidewalk, must be kept by their building. There have been numerous complaints that the sidewalk is blocked and not shovelled. Businesses must keep their sidewalks clear of snow and the R.C.M.P. have been asked to watch for vehicles blocking sidewalks.

A letter was read to council from Hon. Hugh Horner, Minister of Transportation stating that the Town of Viking's application for the 1979 Streets Assistance Program has been approved.

It was moved that the meeting adjourn. The motion carried.

BEAVER MOTORS IN HOLDEN

Would Like To Introduce

Larry Kraus

AUTOMOTIVE AND DIESEL MECHANIC

Who Has Joined Their Staff

He has behind him 14 years experience as an mechanic and diesel mechanic.

Brent Sutter - Most Dedicated Player on Red Deer Rustler Team

Brent Sutter, fifth son of Louis and Grace Sutter of Viking, won four awards presented by the Red Deer Rustlers of the Alberta Junior Hockey League. In his second year with the Red Deer club, Brent led the team in scoring with 48 goals and 48 assists. This total placed him in sixth spot in scoring in the Alberta Junior Hockey League.

Brent was placed on the Second All-Star team of the A.J.H.L. at right wing even though his year was spent playing the centre spot. This award was determined by votes of all A.J.H.L. teams.

The Red Deer fans voted Brent the Most Popular Player award, while the Red Deer press named him the Most Valuable Player on the team. As well, the players and management of the Rustlers awarded him the Most Dedicated Player honor.

The Lethbridge Broncos of the Western Hockey League have asked Brent to be at training camp for the 1979-80 season, but Brent is undecided if he will accept the offer as he wants to complete his grade 12 education. He is taking two courses under the guidance of the Viking School since his return from Red Deer this past week.

Vialta Lodge

We were all glad to have Mrs. Gibson return home Sunday after spending five weeks in the University hospital in Edmonton.

Roy, Louisa Mueller and Lorna of Vancouver called at the Lodge.

Mr. Murray left us Saturday to make his home at Parkland, we all wish him the best in his new home. He spent almost nine years with us.

Mr. and Mrs. Olaf Sorenson of Edmonton were down to see Mother Sorenson on Sunday.

Visiting Mrs. Pedersen on Tuesday, March 13th, were members of her family from Barrhead. Roy Pedersen, Ervin and Eileen Pederson and Cathy & Jennifer Pederson from Morinville to help her celebrate her birthday.

Mrs. Austin celebrated her birthday on Wednesday and had her son and daughter in law, Phil & Ida Austin of Ranfurly in to see her.

Myrna Mackey, Kari & Jamie of Killam visited with Mrs. Elness and Mrs. D'Arcy.

We were so pleased to have the Grade two pupils and their teachers call on Thursday afternoon and sing for you. Many thanks, call again.

Mrs. McNally has been visiting with members of her family in Edmonton the past week.

Mrs. Rodwell returned home Wednesday after spending a week in Mannville with her family, and celebrating her birthday last Sunday with them

Did you get Unemployment Insurance in 1978?

If so, you have probably received a tax information slip (T4U) in the mail. You need it for your tax return.

If the slip hasn't arrived, you can apply in person...

If you didn't get a T4U, go to your local Canada Employment Centre (Unemployment Insurance or Manpower Services). Ask for a request card to apply for duplicates. Give the completed card, with some identification (like a credit card or driver's license), to the information counter clerk. The clerk will certify and send it off for you. You'll get your duplicate slip in time to file your tax return.

or by mail...

Phone or write your local Canada Employment Centre (Unemployment Insurance or Manpower Services). Ask them to send you a request card to apply for a duplicate. Complete the card and mail it to the address on it, along with a photocopy of identification (something with your name, like a credit card or driver's license). Please don't send original identification documents. You'll get a duplicate in the mail in time for filing your tax return.

If the slip has arrived...

If you did get a T4U but need a replacement for any reason, use the request card as described above.

If the slip has arrived but you need more information...

If you did get a T4U and still need an itemized statement, use the request card as described above. However, in this case, send identification only if your address now is different from the one on your T4U.

The Canadian Human Rights Act requires us to restrict access to personal information about you. This is why we must ask you for identification.

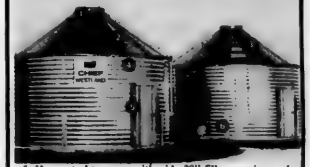
CHIEF/WESTLAND ECONO-BINS



1. Heavy steel top cone with wide 30" filler opening and heavy duty rubber hooks for extra tight seal.
2. Super self-locking roof panels - no trusses or braces needed - strong vertically stressed roofs assemble in minutes, less cost to you. Positive weather tight protection.
3. Hinged hatch opening makes an easy task of inspecting and treating grain.
4. Double-row, high tensile strength 5/16" bolts and sealant washers are used on all vertical seams. Sections are bolted at both hill and valley corrugations for extra holding power and maximum structural strength. 50,000 psi steel used throughout for added strength.
5. The two ring door is die-formed and reinforced for double strength. The sides of the door frame are corrugated to match the wall corrugations for a tight seal. Hinged bulk heads swing in for easy access with gated auger inlet as standard equipment.
6. Heavy duty one ring anchors are furnished for each bottom ring sheet assuring lasting stability.

Irma U.C.W. News

The regular meeting of the Irma U.C.W. was held in the church parlor on Tuesday, Feb. 27 at 8 p.m. with eleven members and one visitor present.

Our vice president, Mrs. Kay Olmstad, in the absence of our president, Mrs. Edith Wilson, conducted the meeting. We opened by all repeating "The Prayer Purpose".

Mrs. Helen Smallwood led in devotions. Mrs. Kay Olmstad was in charge of the program.

Our bazaar convenor, Mrs. May Dempsey, reported on materials for quilts bought and the progress of our quilting bees. She reported seven quilts completed.

World Day of Prayer was discussed and a leader chosen.

We were reminded that our New To You Sale is Saturday, April 28th; all used clothing and articles for the Sale to be brought to the church by Wednesday, April 25th for sorting and pricing.

Mrs. Georgina Enger moved we adjourn. We closed with the "Theme Prayer".

A delicious lunch was served by Mrs. Mary Dempsey and Mrs. Allie Bacon.

The next meeting is our Annual Friendship meeting on Tuesday, March 27th at 8 p.m. Everyone welcome.

Echo-Rodino Report

Congratulations to the Viking Gas Kings on their win last Monday night over the Hardisty Stampeders from your fans in this area.

Rita Greenwood of Edmonton spent the weekend visiting her parents, Mr. and Mrs. Bruce Greenwood.

Mary Ann Holt took in the Open House at NAIT in Edmonton Friday along with her Irma school pals from grade 8 and 9. Now to pick a career out of all those available.

Josephine's cousin Doctor Mann and wife spent several days visiting at the Holt residence. Dr. Mann is setting up a Dentist Office in Viking in the near future which will be a very welcome business to all.

Glen Greenwood of Edmonton dropped in for Sunday supper at the Bruce Greenwood residence.

Several families took in the Maple Lodge St. Patrick Dance in Viking. A real lively time was had by all.

Joe Holt helped the Irma Midget hockey team win over the Amisk boys Sunday night to win the trophy for the league. This now puts them in the finals.

Rosegarland W.I. News

Fourteen members and one visitor attended the regular meeting of the Rosegarland W.I.held at the home of Annie Andrukow, Tues. March 13. Because it was close to St. Patrick's Day, all ethnic jokes related for roll call, were attributed to the Irish.

Erline Suddaby and Versa Ellison were named as delegates to the Upcoming Constituency Conference in April.

Irene Hafso and Margaret Hill volunteered to attend the W.I.Handicraft Workshop in Irma on March 28.

Twenty-five dollars was voted towards the Senior Citizens Handicraft Competition at the Viking Agricultural Fair.

Ten dollars is to be donated to the expenses of two students who will be attending the Forum for Young Albertans in May.

A decision was made that one dollar per member per meeting be the new fee to cover annual membership fees, tea money, birthday draws, etc. The Pennies For Friendship draw would not be included in this.

In the educational section of W.I. work, three reports were prepared and read at the meeting. Verna Ellison read a very interesting paper entitled "How Cultures are Developed." Her paper demonstrated a great deal of research on all aspects of living and environmental aspects that go toward shaping the cultures of various ethnic groups.

Irene Hafso gave a timely paper on the United Nations "International Year of the Child. She zeroed in on the rights of children in the third world. To clean pure water, something we take for granted in our affluent nations. This is one of the goals of the United Nations that is also being strongly supported by all women's groups of the Associated Country women of the World.

In her Health and Home Economics Paper, Mable Kryzanowski chose to write on "Bread and Iron". She brought out some rather interesting information on the possible consequences of the iron additive in flour. It has been found by a doctor in Sweden that iron added to flour can be harmful to some people. It has been known to cause liver ailments, diabetes, heart failure, and even sudden death. Men are more prone than women, another very interesting thought.

The next meeting is to be held at the home of Christine Klein on Tues. April 3 at 6 p.m.

Hostesses: Verna Ellison and Irene Hafso.

Points of interest about the Guaranteed Interest Annuity

If you're looking for a flexible, no risk way to accumulate money for retirement income, our Guaranteed Interest Annuity could be the answer.

Its rate of interest is guaranteed for a five-year period. The money is automatically reinvested every five years. And, interest earned is sheltered from taxation until the GIA is surrendered or resolved as income, whether or not the GIA is registered.

For more points of interest on the GIA give me a call.

Bruce News

Joan and Ken Stambaugh who were the lucky winners of The Weekly Review trip to Las Vegas recently returned from their holiday and reported a most enjoyable time. While in Las Vegas they made a trip to the Hoover Dam and Disneyland. The Stambaughs would like to thank Lane Carrington and Dickson Morris of the Weekly Review and also John Pullen of Thor Agencies who arranged the trip for them.

The Bruce Senior Citizens held their regular monthly meeting on Tuesday, March 13. President Tom Dwyer reports that a quilt will be raffled and the draw will be made in April. The Seniors will also be attending a dance at Kinsella on the 16th. At the whist drive held on March 14 prizes went to high scorers Margaret Christensen and Bud Hammarmsaas; while the consolation prizes were won by Lillian Siegel and Dan Temke.

Debbie and Donnie Heber and small son were visiting family and friends here this week. Debbie and Donnie live in Onoway where they operate the Onoway Hotel.

Annie and Rudy Koppel are receiving congratulations on becoming grandparents for the first time. Debbies and Stanley Koppel of Stettler became the proud parents of a son, Christopher John, on March 6.

Don't forget the Bruce Agricultural Society Bingo on April 6, at 8:00 p.m. in the Community Centre.

A Family Fun Bonspiel is currently underway. This will likely be the last curling event of the season.

Viking Tom Thumbs Win Trophy

The Viking Tom Thumbs, having been defeated in the A final in four seperate tournaments, came home with a trophy in hand on Saturday.

Joe Voltner and his team travelled to Two Hills on Saturday, March 17, to enter their fifth tournament of the season.

The team played their first game against Smoky Lake. They played hard and won this game 4-1. Following this win, they met with the host team. Two Hills defeated the Viking team by a score of 6-4, and gave them the "A" Trophy.

As there were only three teams entered in the tournament, Viking was once again on the ice against Smoky Lake. This game was to determine the "B" trophy winners. Although somewhat tired and rather doubtful of their chances at winning, Viking gave their best and came home with a win to end the season.

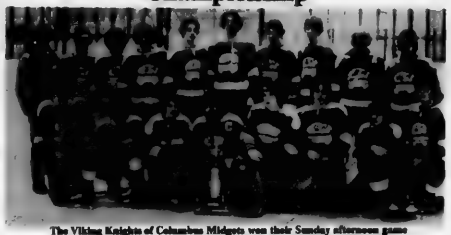
Viking Midgets Win League Championship



The Viking Knights of Columbus Midgets won their Sunday afternoon game against Provost. This game was their third straight win in a "best of five" series which secured the 5-M Midget Hockey Championship. Members of the team include [front row - left to right] Brian Vinek, David Darling, Darrell Mallick, Kenny Lefarud, Scott Brower, Darrell O'Neill, Scott Taylor and Kevin Maxwell. [Back row - left to right] Coach Gary Woloshinko, Kirk Maxwell, Allan Evans, Richard Lefarud, Richard Sutter, Raymond Thengs, Ronald Sutter, Wayne Erickson, Bob Graham and Wayne Sehler.

On Thursday night, the boys travelled to Provost for their second game of the series. Viking pulled ahead with two quick goals, these by Allan Evans at 2:48 and an unassisted goal by Kenny Lefarud at 8:14. Richard and Ronald Sutter drew assists on the first goal. Provost caught the boys making a few mistakes in their end and capitalized with three quick goals to take the lead at the end of the period.

The second period saw the boys outplay Provost and in the process they outscored Provost 4 goals to none. Richard Sutter got an unassisted goal at 9:15. Then David Darling got a goal at 13:19. Scott Taylor drew an assist. At 18:23 Wayne Sehler scored on a nice setup by Allan Evans and Richard Sutter. Ronald Sutter scored right after with Richard Sutter assisting.

The third period saw Provost take a rash of penalties, and the boys capitalized with 4 goals. David Darling got his second goal at 2:40. Scott Taylor assisted. Then at 5:37 Darrell O'Neil scored an unassisted powerplay goal. David Darling got his third goal of the game at 8:30 with Bob Graham assisting. This also was scored while Provost was shorthanded. The boys capitalized on another powerplay opportunity when Scott Taylor scored at 14:02 with Kevin Maxwell drawing an assist. The remainder of the period saw the guys just protect the lead and at the sound of the final buzzer the boys defeated Provost 10-3 for their second victory.

Sunday afternoon saw the Viking team host the Provost club for the third game of the series. The first period saw both teams play close checking hockey. Viking managed the only goal of the period when Allan Evans scored at 3:39. Richard and Ronald Sutter drew assists.

The second period saw both teams forget about hockey and instead try to see if they could fill the penalty box. Finally, amongst the penalties, the boys found time to score a few goals. Ronald Sutter scored with Raymond Thengs assisting, then Ken Fraser replied with a goal for Provost. It wasn't until 17:27 that the boys scored again when Richard Sutter got an unassisted goal. The period ended with the boys holding a 3-1 lead.

The third period saw both teams resort to playing hockey which resulted in four goals being scored. Richard Sutter got his second of the game at 2:38, then Allan Evans scored at 8:33. Ronald Sutter assisted on both goals. Provost replied with their only goal of the period when Marv Seiben scored. Bob Graham scored the final goal of the period at 12:10 with Scott Taylor assisting. The Viking boys ran into a few penalties later on in the period, but they held Provost from scoring and when the final buzzer sounded the Viking team defeated Provost 6-2 to win the league championship. The last time the Viking Midgets won the league was in 1973-74.

After Sunday's game Richard Sutter of Viking was presented with a trophy for the Top Scorer in the 5-M Midget League. Brother Ronald received a trophy as second highest scorer. Viking goaltenders, Scott Brower and Darrell Malick received a trophy for being the Top Goaltenders in the Midget League. Then, on behalf of the Viking Midget team, Captain Kenny Lefarud accepted the League Trophy.

FED UP WITH SECOND GUESSERS?

Ever had your car suffer from trouble that nobody seemed to be able to correct? And you had to wait until the trouble eventually caused your car to break down and you needed a tow?

If you drive a GM car, you can greatly reduce the possibility of that kind of trouble happening. Just bring it home to the experts for GM Service. At WILLMARK MOTORS we have factory-trained technicians. Specialists who really know what they're talking about when it comes to GM cars. And trucks. And when it comes to replacing parts, we can supply you with quality GM Parts.

At WILLMARK MOTORS we listen to you and your car's problem.

Viking Midgets Zone 2 Champions

The Viking Midgets advanced to the Provincial Playoffs with two victories over Marwayne during the past week. The first game was held in Viking on Tuesday evening.

Marwayne came out skating and checking and scored the first goal at 7:47. At 14:27 Marwayne scored again to give them a 2 goal lead. It wasn't until 16:31 that the local boys got on the score board. This goal came off the stack of Wayne Sehler. Ronald and Richard Sutter assisted.

The second period saw both teams trade goals with Viking scoring at 6:04. Richard Sutter got the goal with Ronald Sutter and Richard Lefarud assisting. Marwayne replied with a goal at 14:27.

The third period saw the boys get loose from the close checking and in turn score 3 goals to Marwayne's one. Ronald Sutter scored at 8:17 with assists going to Allan Evans and Richard Sutter. Then at 9:30, Allan Evans scored with Ronald and Richard Sutter assisting. Marwayne got a goal at 14:29, but Richard Sutter scored an unassisted goal at 16:29 to put Viking ahead 5-4. The boys held on and when the final buzzer sounded, Viking defeated Marwayne and took a one goal lead into the second and deciding game which was to be played at Dewberry.

On Friday night, the boys travelled to Dewberry for the final game. This turned out to be a very good game with both teams playing end to end hockey. Viking jumped out with 2 quick goals, these both scored by Richard Sutter. Ronald Sutter, Kenny Lefarud and Allan Evans drew assists. With the quick lead, Viking let up checking and skating and Marwayne took advantage of this, replying with two goals less than a minute apart. B. Ring and K. Hobbs scored for Marwayne. Richard Sutter scored his third goal with just one second remaining the first period to give Viking a 3-2 lead.

Marwayne got the only goal of the second period when K. Boyd scored on an unassisted goal at 15:07. The boys had a few chances, but they couldn't beat the Marwayne goalie.

The third period saw Marwayne dominate in the early going and at 3:11 they scored the go-ahead goal. This was to be Marwayne's last goal as the Viking boys took control and with hard checking, they scored three unanswered goals. Richard Sutter got his fourth of the game at 5:12 with brother Ronald assisting. Then at 9:08 Allan Evans scored with Richard Sutter, who had a five point night, assisting. Ronald Sutter rounded out the scoring with an unassisted goal at 12:54. The remaining 7 minutes were scoreless and when the buzzer sounded, the boys defeated Marwayne 6-4, and won the right to go to Grimshaw to take part in a tournament which will decide the Alberta Midget "C" Provincial Champions.

The boys' first game is Friday night, March 30 when they take on the Rimbey Midgets.

Mr. and Mrs. Jim Sinclair of Viking hold their $100,000 cheque which they won in the Western Express Lottery, drawn Wednesday, March 21, 1979. This lucky win comes at a time when the Sinclairs and their children are in the process of moving to Wetaskiwin.

R.C.M.P. Step Up Vehicle Checks

Large numbers of vehicles travel Alberta's streets and highways while equipped with faulty or inoperative equipment. This condition becomes most noticeable at this time of year because hazardous winter driving conditions take their toll of vehicle equipment. There seems to be a reluctance on the part of many motorists to voluntarily repair or replace such equipment. Starting April 1st., and continuing through to the end of the month, the R.C.M.P. will step up the program to stop motor vehicles and do a thorough equipment check.

These checks are designed to help emphasize April as Traffic Safety Month and its theme of "Prevention is the Cure".

Written warning or prosecution summonses will be issued if violations are found. Should violations on a vehicle be excessive, provisions exist to have the vehicle removed from the road until it is repaired.

The R.C.M.P. will also be paying special attention to driving offences such as failing to signal lane changes or turns, improper parking of vehicles on the highway, drinking drivers and other liquor related offences.

"Vehicle Check" will be in effect until the end of April, 1979. Motor Vehicle operators are encouraged to avoid prosecution by checking their vehicles equipment such as horn, lights, windshield wipers, brakes, glass, turn indicators etc., and replacing or repairing defective parts.

Motorists are also encouraged to keep safe driving practices always in mind; to drive courteously, and in that way avoid accident or prosecution.

The only objectives of the R.C.M.P. are to reduce the accident rate in Alberta and to save lives. We are asking for everyone's cooperation.

Contract Awarded for Senior Citizens Residence

The contract for the Village of Holden's Senior Citizens' residence was awarded last week to an Edmonton firm.

The one-storey residence will consist of eight one-bedroom units and is being located three blocks off main street. The site is owned by Alberta Housing Corporation, who also designed the residence.

Handy Andy Construction Limited of Edmonton submitted a bid of $263,886, the lowest of seven tenders for the self-contained residence.

Work on the Senior Citizen residence is to get started in April of this year and completion of the construction is scheduled for November.

Alberta Housing Corporation is responsible for the project's capital cost. It will be filing an application with Central Mortgage and Housing Corporation for a rental subsidy towards the residence's operating deficit.

After the residence is completed, it will be turned over to the Village of Holden for management.

Farmers are busy keeping tabs on their stock as calving is well underway throughout the area. These spring calves are part of the herd belonging to C. and W. Farms of Viking.
Staff Photo

Class Action Filed Against C.N. and C.P.

National Farmers Union President, James Mayne, announced today that the response from producers to the proposed class action against C.N. and C.P. Rail has been very positive. Two hundred producers attending an informational meeting at the Londonderry Hotel in Edmonton today will now fan out into the rural areas to solicit further support for this action.

Preliminary research indicates that the loss of sale to producers in the 1977 - 78 and the current crop years amount to 3.1 million tonnes of grain with a value in excess of [illegible] dollars.

Producers are being pressured to revise the Crow's Nest Rate and the purpose of this action is to prove that the railways have a legal responsibility to provide adequate rolling stock, facilities and service in the movement of grain, and secondly to establish that the railways are responsible for the losses accruing to producers by their lack of performance.

The decision to proceed with the action will be taken by the executive of the National Farmer's Union at their next meeting within three weeks.

What Better Heritage?

It seems to have definitely arrived. Spring, that is. Once again we are able to enjoy the outdoors with some semblance of warmth. As well we can enjoy the mud and the water running throughout the area.

The only sad part about Spring is that this dark brown, muddy water is going to eventually arrive in the drinking glasses, sinks, tubs, and cooking pots of many residents in the area. We get to "enjoy" the reality of being able to smell, see (very "clearly") and taste the water which we drink.

This is a problem which many areas of Alberta have to tolerate. Either the storage facilities are inadequate to allow for proper settlement or the treatment facilities are inadequate to properly clean the water. Some of the blame for these situations can possibly rest at the feet of the municipal governments which failed to plan properly for the future or to maintain their water treatment facilities in top condition and staff them with trained personnel.

However, we must accept the fact that the installation of a proper water supply is extremely costly. Municipal governments do not have the necessary funds to "bankroll" adequately such construction. But what better use could be made of the Alberta Heritage Trust Fund?

The Trust Fund was supposedly established to provide a better future for Albertans. What could be more important than guaranteeing them an adequate, decent supply of water. The Provincial Government is loaning money to other provinces for development, and is investing in huge oil sands projects with the "giants" of the oil industry.

The Conservatives made campaign promises which totalled into the hundreds of millions of dollars to be funded by oil and gas revenues. If they truly want to provide a proper future for Albertans, let them put these dollars to work to provide some of the basics of life.

The Pencil Box

My Nemesis

Elsie Carruthers was my nemesis, my cross and usually my downfall. As a child of the 20's she haunted my every moment!

"How nice she looks" my Mother would murmur, eyeing my less than immaculate clothing. Or "Elsie doesn't mind going to dancing lessons." "Good for her", I would mutter, as I was dragged to the hall where we received our weekly dose of deportment and the dance.

While our respective parents chatted together, Elsie would daintily float her way through the fox trots, waltzes, rhumbas and tangos. Meanwhile I would stumble and plod my way through the same dances.

It was always the same. Elsie did everything well, and was always being held up to me as a shining example.

Elsie doesn't seem to get as grubby as you do, dear.

Elsie does her homework as soon as she comes home from school.

Elsie doesn't lose her gloves. Elsie doesn't drop her collection in church.

My mother's voice went on and on!

I often tacked a P.S. onto my prayers. "Please let Elsie move away, to the other side of the world if possible!"

But Elsie and her family stayed on and on.

Each year the City Fathers invited the young people of the district to a party, and our parents insisted that we attend whether we wanted to or not.

One party that I will never forget was the year the King and Queen were guests. There was great excitement when we were told that the children would march past the royal carriage before the party began.

As so often happens during an English winter, the weather was cold and wet. The grass where we had to walk was very slippery and full of big puddles.

Mother was full of foreboding before we started the march. "For goodness sakes, don't fall into a puddle, and watch where you are going, and try to march nicely". I suspect she spoke with very little hope of her wishes being carried out.

The weather couldn't dampen our spirits, and cheer after cheer rang out as our King and Queen arrived in the royal coach. The local band began playing, and the long line of children began marching across in front of the coach.

Elsie was in front of me, and reaching the middle of the puddle directly in front of the royal coach, she turned to face the royal couple. My eyes popped out of my head as I wondered what she was going to do.

Standing in water over her shoes, Elsie dropped a perfect curtsey to the royal couple in the coach. My eyes popped even wider, as I watched her turn smartly back into line, and step hastily to catch up with the girl in front of her. Fate, at long last, was waiting for Elsie! As she turned, her feet slipped on the waterlogged ground, and Elsie landed on her face in the middle of the puddle.

All past scorns were vindicated, I beamed on her as I helped her regain her feet. I smiled for the rest of the day, all through the party and all the way home afterwards.

It would be a long time before Elsie was held up to me as a shining example.

By Mary Lancaster

Letters to the Editor

Dear Sir:

We are organizing a Kinsella School Reunion to be held July 20 and 21, 1979 for all who attended between the years of 1948 and 1958. The response to our initial letter has been tremendous, and we are looking forward to an exciting and successful reunion weekend.

I would like to remind those who have forgotten to reply to please call me at 336-2250, or write us at Box 867, Viking, as soon as possible in order to receive your pre-registration letter.

Thank you. Dianne Dobry,
Secretary Organizing Comm
Kinsella School Reunion '17

Echo-Rodino Report

Ken Husband of Bassano visited the Prosser home most of this week.

Emil Thibert flew Friday to Winnipeg to spend the spring break with his mother. Accompanying him on the trip is his sister from Hardisty.

Mike Prosser is spending spring break in Edmonton taking a Red Cross Leadership course for swimming instruction.

Over the weekend, Mr. and Mrs. Les Prosser and family took in the graduation of their daughter Loretta at the U of A in Edmonton. Congratulations Loretta on your becoming a full fledged nurse.

Mr. and Mrs. Bob Williams spent a day shopping in the city.

Vialta Lodge News

Our sympathy goes to the family of Mrs. E. Hutchinson who passed away at the Viking Hospital. Mrs. Hutchinson made her home with us for several years before moving to Parkland Nursing Home.

Mrs. Rodwell, Mrs. A. Suddaby, Mrs. R. Rattray and Mrs. L. Evans motored to Ranfurly, Saturday, to attend Mrs. Hutchinson's funeral.

The ladies from the Irma Royal Purple came to help us celebrate birthdays for the month on March 19th. The entertainment and lunch was enjoyed by all at the Lodge and we thank these ladies for their kindness. Those having birthdays this month were: Mr. Loveseth, Mrs. Rodwell, Mr. Gibson, Mrs. Pederson, Mrs. Austin, Mr. Dillane, Mrs. Livingston and Mrs. Savage.

Mr. Dillane is back home after spending an extended holiday in Calgary and Oberlin, Kansas and Chula Vista, Indio and San Diego, California.

Visiting Mr. Cotter this past week were June Milland, Betty and Kay Cotter.

Bill and Sheila Kilford and George, Carole, Brad and Patrick Oslund of Sherwood Park came to visit Max Hoyland.

Lil and Eddie Jameson of Vernon, B.C. called in to see Dad Masson.

Gwen Hooper called on Mrs. Phena Evans.

Visiting Mrs. Sorenson were Marian and Olaf Sorenson and Lillian and Neil Fitzmaurice.

Robin and Shelly Prosser of Wainwright called on Grandpa Taylor.

Also visiting at Vialta were Mel Mackey, and Rudolf and Louisa Undin.

We will be quitting on Thursday, March 29th, see you here at Vialta.

Fine Performances Highlight Ice Show

Emily Thomas (left) and Brent Siermachesky were Ice Queen and Ice King for "Fantasy on Ice" which was staged by the Viking Figure Skating Club on Saturday and Sunday, March 24 and 25. Staff Photo

Novelty numbers highlighted the Viking Figure Skating Club's 1979 Ice Show. Fantasy on Ice was presented by members of the Viking Figure Skating Club, the Viking and Holden Community Band and complimented by the performance of numerous local skaters.

The band opened the show with O'Canada lead by Dennis Watson accompanied by the Viking Holden Community Band. Dennis Watson contributed his talents throughout the program.

The 1979 Queen - Emily Thomas and Brent Siermacheski were crowned by retiring Queen Cheryl Antos and her attendants Valerie Selzler and Gwenda Bauer. The Learn to Skate and Beginner skaters formed the King's Court and witnessed the Coronation.

Solo performances were skated by Valerie Selzler, 1978 Gold Graduate, Melanie Mattinson (1977) and Anna Mae Garvie (1979) Gold Graduates. Nellie Cikaluk, instructor for 1979, skated her solo performance to the accompaniment of the band.

The program offered a wide variety - from the sparkle and sequins of glamour to the fantasy of flowers, performed by the Preliminary and Bronze skaters with Wendy Darling capturing the audience with her solo interpretation of the bee. The senior skaters included precision and dance in their program.

Miss Cheryl Antos and Miss Angela Mattinson skated two fine numbers including disco and space.

The club was pleased to have their own "Golden Oldies" in the persons of Mr. and Mrs. Bill Taylor who received a most warm reception from the audience. The combination of talent, music and timing all blended well to produce exceptional comedy in the presentation by Umpire-Rod Krips, and baseball players Bobby Ash and Calvin Krips. In the closing number the Queen and her Court, dressed in night attire were led by the King's Jester and offered a visual "Thank You" to the crowd. During their second appearance in both shows Cheryl and Angela made trophy presentations for the closing of the season. Skating awards were presented to Francis Wincznra - Eldest Skater, Sara Watson - Youngest Skater and Janet Voltner - Best Sponsored.

For the first time since the awarding of "Skating Awards" an outsider was given the dubious honor of making the selection. The girls were judged on attitude, cooperation, effort, practice time and achievement over the year.

The Senior Skater for 1979 was Miss Sandra Graham. She achieved her Beginner Power and Power I certificate on the A.R.S.A. Power Program and her Bronze Medal in the A.R.S.A. Figure Program. Another first, was "Tie" points for Junior Skaters. This honor was shared by Miss Lynette Leisrud and Miss Jeanette Klein.

One of the highlights of the show was Viking's Super Heros. This group is to be commended for their performance and superb costuming. Included in the group were two members of the V.F.S.C. with the others being enthusiastic skaters of the community. Mike Hoffman lead the team as Superman, Gwenda Bauer - Cat Woman, Yogi Miskew - Bat-

Continued from Page 4

man, Sheily Wadley - Wonder Woman, Brian Vitek - Spiderman, Joseph Wincznra - The Incredible Hulk, Kevin Delaney Rock Star and bringing up the rear was Graham Wilkie as the Joker.

At the end of the program on Sunday, the King and Queen presented Nellie Cikaluk and Shirley Voltner with appreciation gifts from the skaters. Irene Graham presented Shirley Voltner with a trophy in appreciation from the parents of the figure skaters.

Acting as very capable M.C. was once again Carl Baumgartner. Show directing and choreography - by Shirley Voltner with Everett Norris music director, and co-director of the show. Dennis Watson took charge of the tape music. Joe Voltner was once again in control of the props. Norma Bauer, Ella Wincznra and Shirley Voltner were in charge of hats and costumes. Doug Brower and Richard Leisrud were in charge of, and did a very commendable job handling the lighting, despite the restrictions of the facilities.

A note of gratitude is extended to the School's Drama department and to Parkland Nursing Home for the loan of the electrical and prop materials needed.

Joanne Wincznra, Melanie Mattinson, Cheryl Antos, Valerie Selzler, and Angela Mattinson are all past members of the Viking Figure Skating Club and are to be recognized for the tremendous contribution they made to the enjoyment of the show.

Cheryl Antos (left) and Angela Mattinson performed a "Disco Daze Duet" at the "Fantasy on Ice" production on Saturday and Sunday. Staff Photo

Pioneer Portrait

by Carol Maxwell

John and Irene Ziegler

The Zieglers are of pioneer stock, each a child of parents who were among the early Alberta settlers.

John was born to a farming family in Spruce Grove - his father had taken a homestead sixteen miles west of Edmonton.

They farmed in this vicinity until 1914, when they purchased a section north west of Vegreville. In 1918 he was recruited by the Royal Northwest Mounted Police for service. Being of German descent and speaking the language prevented seeing active service on the continent. Instead, he served in a forestry division in a lumber camp in Scotland. After receiving his discharge in 1919 he returned home to farm and later bought land of his own.

Irene is a native of Manitoba. Her family came to Vegreville in 1910, her father was a butcher for four years and she received her schooling in town until they took up farming. The Vegreville of that time was a central distributing centre for northeastern points. Mail was carried by stage the sixty miles cross-country to St. Paul and any livestock or goods bought or sold were channelled through the railroad depot.

Irene completed her public schooling at a country school, then took some high schooling before attending Vermilion School of Agriculture where she earned her diploma.

The Ziegler - Cunningham union occured in 1927 and they began their married life in a converted granary, after a simple wedding in Edmonton.

A belated honeymoon came the following year, an enjoyable break, probably much appreciated in retrospect as the depression set in. Three daughters were born to the Zieglers, all of whom graduated from V.S.A.

The Zieglers themselves make no special claims to fame, but feel well satisfied with the life style they have led. They were very active in the United Church serving in the Sunday School for many years and they were members of the Legion and F.W.U.A., respectively.

Mrs. Ziegler speaks somewhat wistfully of a past which saw more closely knit communities, with strong family units as their base. Fewer organizations made fewer demands on a person's time and there was not the tendency to become over-involved outside the home.

Mr. and Mrs. Ziegler retired to Vialta Lodge, but they maintain a trailer at the farm of one of their daughters and there they do some gardening and odd jobs in the summer. It speaks highly for Vialta Lodge that they have chosen it for their retirement home, as Mrs. Ziegler served as matron of the same in Vegreville for a time and in that capacity, visited the lodges in a number of other centres. By comparison, they chose Vialta!

Kinsella Rose Seniors

The Kinsella Rose Senior Citizens' Club held their meeting on Wednesday, March 14 with 20 members present.

The secretary read a letter from Colleen Walker. Bruce Davis reported on getting a pool table and shuffleboard. Olga Overbo reported on sending a card to Mrs. Whidden who is in hospital at Camrose. Jack McKie reported on getting wiring done for a refrigerator and stove.

Pearl Brown is to arrange for insurance. It was decided to write for the "Heritage" magazine. Jack McKie donated a "clip" for papers. Ed Evans congratulated committee members on their purchases.

Barbara Davis suggested we purchase some varathane to refinish the tables and chairs and will call a work-bee.

Tommy Harray moved we adjourn at 9:30 p.m. A social evening followed with lunch being served.

The next meeting will be on Wednesday, March 28, our social evening. Hope to see more members our then.

Town of Viking

OFFICE OF THE MUNICIPAL ADMINISTRATOR

NOTICE

All residents wishing to appeal their land of building assessments must register their appeal with the Town Office by April 9, 1979.

If any appeals are received prior to or on this date then the Court of Revision will be held in Viking Council Chambers on the evening of April 18, 1979 at 7:00 p.m.

John Draganiuk Laid to Rest

Funeral services were held for John Draganiuk on March 16, 1979. He passed away on March 13 after a short illness.

John was born in Austria on March 9, 1910 and in May of the same year his family immigrated to Alberta. They settled on a homestead at Edward, just east of Smoky Lake. A few years later they moved to Norma and in 1928 they settled north or Viking.

In 1936 he was united in marriage to Nancy Machuk and one daughter was born to them.

In 1946 they moved from Viking to Vermilion where they operated the Voss Cafe and in 1949 they opened the Hiway Cafe in Vegreville. In 1961 he sold his business and took up his career in carpentry work for which many people will remember him. In 1968 the family moved to Edmonton and in 1983 moved back to Viking where he lived until his passing. These last few years were spent on an acreage north of town where he took a real interest in gardening and enjoyed fishing whenever the opportunity arose.

He leaves to mourn his passing his wife Nancy; one daughter Vickie and son-in-law Russel and six grandchildren. One brother Alex of Viking and two sisters, Jean (Gawreluck) of Edmonton and Annie (Mocahuk) of Waskatanesu. He was predeceased by his Father and Mother, three brothers and one sister.

Funeral services were held on March 16 at the Ukrainian Greek Orthodox Church of St. Vladmir in Vegreville, Rev. Puk officiating. Tony Konkohus, Leonard Draganiuk, Kenneth Draganiuk, Chris Sloboda, and Victor Sloboda were pallbears. Interment was in the Ranfurly cemetery.

Floral Tributes were from the family; the Draganiuk family, Alex and Eva, Micheal and Vicki, Ken and Brenda, Gloria and Wayne, Leonard and Brenda and Ernie, Annie Mocahuk, Jean Gawreluck, Ed and Dorothy Bandura, Mr. and Mrs. Metro Makowichuk, Mike and Jean Goshko and family, Pat and Johnny Gawreluk, Cebulak family, David and Joan Arychuk and family, Paul and Sophie Kresanowski, Bill and Kay Machuk and family, Mr. and Mrs. Wm. Hrushka, Jack and Rose Gresiuk and Sam, Frank and Olga Kowalski, Bruce and Marianne Appleby, Bill, Gerry and Morgan Jones, Mike and Ann Knapp and family, Ed and Mary Yakimovich and family, Mary, Anne, Jerrie, Feral and Jean Matieu.

Flowers to the house were from Mike and Olga Semeniuk, David and Joan Arychuk and family, Dale and Joanne Lauber, Maurice and Joyce Desjarlais, and Ernie and Kathy Sloboda and family.

Homesickness

By Onesimus

A modern group has recently made popular some words of Psalm 137, which begins, "By the waters of Babylon, there we sat down and wept when we remembered Zion". The Jewish Exiles in a strange land were bemoaning their captivity under Nebuchadnezzar, king of Babylon and suffering the mockery of their tormentors, "Sing us one of the songs of Zion". These people had suffered loss and exile because they had refused to obey the voice of God as He spoke by His Prophets, notably Jeremiah and Isaiah. Having realized their sad condition and admitted it, they now suffered the cruellest of sicknesses, homesickness; "How shall we sing the Lord's song in a strange land?" How could they feel at peace and have joy when in captivity, away from home?

Homesickness has been expressed in a variety of ways by poets and the like. An Australian poet lamented living in London's fog and grime with, "O Land of gold and burning blue, I'm crying like a child for You".

Mordecai Richler described some homesick and "lost" Canadians abroad in one of his short stories. They came together in their misery with all their problems and anxieties and organized a ball game!

The English poet Robert Browning living abroad says, "O to be in England, now that April's there" and Rupert Brooke pictures his Grantchester with a loving longing. Whereever the exile from his native land may find himself, he will cry out for the old familiar things of the dear homeland, "far across the sea".

The Christian sometimes feels the very same. He sees himself as a stranger and foreigner in this world and yearns for his homeland, the place His Father has prepared for him.

As the Letter to the Hebrews says, "They (Christians) desire a better country, that is a heavenly one. Therefore God . . has prepared for them a city." The foundation of this city is God Himself. The Christian feels he wants to be gone to Heaven where he will feel really at home at last! He also realizes that, "Here (on this earth) we have no continuing city, but we seek the city which is to come".

So, as the Apostle Paul puts it, "We do not lose heart. Though our outer nature is wasting away, our inner nature is being renewed every day". Our experiences in this life are preparing us for "an eternal weight of glory beyond all comparison, because we look not to the things which are seen, but to the things that are unseen; for the things that are unseen are eternal." 2 Corinthians 4, 16-18.

One day all homesickness will be done away with as we arrive safe home where the righteous shine in their Everlasting Father's House, Heaven itself.

Do You Know The Bible Says

By Mrs. W. Meyers

Work out your own salvation with fear and trembling. For it is God which worketh in you both to will and to do of His good pleasure. Phil. 2:12B and 13. "I will entitle this I'm afraid of God", and the Lord heard them respond something like this, "You're not afraid of God, are you? I'd believe in that kind of God". But yes, I am afraid of God, and I'm not ashamed to admit it.

I'm also afraid of water. That doesn't mean I don't love to fish and paddle in the water on a hot day, I do. But, I don't ever want to forget of the life-taking power of the river, lake or ocean. In the same way, I fear electricity, gasoline, and high ladders while I'm working with them.

To assume only their beliefs without recognizing their dangers would be foolish. Then too, in a more personal way, I also fear my dad. I love him and do not for a moment question his good intentions. But I don't kid myself either. As much as I know he loves me and is concerned for me, I respect his authority as my father and employer, and I fear the corrective measures he'd take if I embarrassed either my earthly or my heavenly families.

So, yes, I fear God in the sense that I reverence Him and stand in awe of His holiness. And because I do, I love Him and want to draw close to Him. It is my desire to love what He loves and hate what He hates. I want to live my whole life with the realization that He deserves more fear than anyone or anything. Satan and people can destroy the body. But God will one day be "a consuming fire" to all persons and all acts that are contrary to Him. Matt 10:28 says, and fear not them which kill the body, but are not able to kill the soul: but rather fear Him which is able to destroy both soul and body in hell. So, I'm convinced that only as I know enough to fear Him do I know enough to love Him. And only as that love developes will it dispel all unnecessary fear. Fear God and you will have nothing else to fear.

Kinsella News

Jack and Jean McKie visited her brother and his wife in the tiny settlement of Chateh, on the Assumption Indian reserve. Cliff is the principal of the school there. ,They report plenty of snow, at least three feet, but the Mackenzie Highway is very good.

Congratulations to Mr. and Mrs. Jerry Olsen (nee Lana Helm) whose wedding took place on Saturday, March 24. Many relatives and friends attended the reception and dance held in the Kinsella Hall.

Wilfred and Edith Hughes, now residing in Lacombe, spent the weekend in the district visiting relatives and friends.

Wildlife Film to be Shown

"Wilderness Alberta" a Wildlife film will be shown in the Viking School Gym on April 3rd at 7:30 p.m.

"Wilderness Alberta" was filmed by Albert Karvonen, a Canadian from the province of Alberta. His photographs have earned him the recognition of the Ministers of Northern Affairs and the Secretary of State for the contribution he has made to the National Collection of nature photographs.

In the 1977 Festival, his film "Wilderness Alberta" won special recognition for wildlife photography.

In the lakeside forest, about 100 miles N.E. of Edmonton, Alberta Karvonen and his family have a cabin, and it is from this retreat that Karvonen begins his film on the wildlife of two habitats of Alberta, that of the boreal forest and of the alpine life zone.

Finnish-Canadian style, on cross-country skis, the Karvonens enter the boreal forest where in winter hardy species like the great grey owl, flying squirrel, great horned owl, mink and weasel struggle to survive the harshest of seasons. When the snow disappears on the valley's ridge, on ancient and traditional dancing grounds, the sharp-tailed grouse begin their courtship ritual which is one of the most fascinating in nature. In the woods, the ruffed grouse displays and struts in a magnificent solitary performance beautifully filmed by Karvonen.

The forest is also the habitat of an abundance of flowers, berries and fungi, and provides the nesting sites of such species as the pileated woodpecker, long-eared owl, Cooper's hawk and hummingbird. It is also witness to a variety of predator-prey interrelationships which Karvonen considers.

The second portion of his program is of the mountain wilderness of two great national parks of Alberta, Banff and Jasper. Here in a landscape cut and formed by the Rocky Mountains which jut across Alberta's southern border, the Karvonens backpack to the high country.

This is an alpine world of mountain peaks, streams and glaciers. It is the native environment of many colorful flowers and of such numerous species as the pika, marmot, moose and deer. And it also provides Karvonen the opportunity to find examples of adaptation such as the ptarmigan, dipper, finch and Clarke's nutcracker.

Light Horse Club Meets

On March 15th, most of the 4-H members gathered out at Gary McClement's farm for a project meeting.

Wanda Robinson started the evening off at 7:30 and all of the members answered to "Why I joined 4-H" for the roll call. Twenty-one members were present, including a few adults.

Gary had four horses in his shed ready and waiting to be saddled. Marilyn Ash and Wanda Robinson decided to show the rest of the members how to saddle a horse. After the horse was saddled, Gary McClements commented on the manner in which they did the saddling. His main comment concerned the speed in which the girls saddled the horse.

The rest of the members practiced saddling and unsaddling the horses. After this was accomplished, getting on and off the horse was next on the agenda.

The meeting was adjourned at 9:15. The Club will hold their next meeting on April 7th. Members are reminded to hand in their Queen Tickets, to Colleen on April 2nd. Also if the members have sold the tickets before April 2nd, please hand them in now.

Variety of Door Prizes Given Away Both Days

Kindergarten Korner

As usual, the kindergarten is a busy spot. The students are learning about other lands and are being entertained with parents and others coming to speak on China, Spain, Holland and other countries. A hearty thank you to all that take the time to come and share another country with our children.

Mrs. Jenny Lefsrud is becoming a well known figure in our kindergarten. Her talk last fall on pioneers thrilled many a young dreamer. Since then she has come two days to show her slides of South America. The slides were enjoyed by all the students.

In February, the Home Economist took time and came twice a week for four weeks to speak on nutrition. Many foods were sampled. The students went home speaking of yogurt, fruits, breads and insisting on three glasses of milk daily. If we all followed our children's instructions we would all be eating properly.

The Health Nurse visited the classes in March for two days with each of the groups. The biggest subject to come home was "Germs".

On March 13 and 14, we took our first outing from the school. Under the guidance of Rod Kripa we toured the hospital up and down. This was a worthwhile trip as it showed the students that hospitals are not places to be afraid of. The tour ended with cookies and juice. Thanks are extended to Mr. Kripa for his assistance. By the way, we are invited to tour the new hospital in the future. We anticipate more field trips after spring break when the weather is nicer and the streets drier.

KINDERGARTEN MEETING

On February 21st, a regular monthly meeting was held. Due to cold weather the turn out was very poor and we had such an exceptional speaker, Donna Meienko. She is the Speech Therapist from Vegreville and was extremely interesting.

On March 21, an election meeting was held. Many enthused parents of the 1979 - 80 kindergarten students arrived to elect a new executive for the coming term. The application for the grant for kindergarten has to be in by April, so the meeting had to be held earlier than usual. Kindergarten is not part of the school system. It is run by a grant. After regular business was completed, members of the immediate executive told of field trips and noon supervision. We are proud to say that this year we have had very good success with our noon supervision, having "a parent there every day. All parents are to be commented for their great support.

Mr. Watson and Mrs. Gahr spoke on kindergarten in general. Parents were invited to drop into the kindergarten room at any time.

Orientation day was set up for May 11th, between the hours of 9:00 - 3:30. Parents are invited to visit the kindergarten room and to meet their teacher, Mrs. Gahr. This is strictly a visit not a whole day of school.

The election of officers followed with results as shown: President - Donna Bilodeau, Vice-President, Ellen Lefsrud, Secretary - treasurer, Karen Coulombe. Eight persons volunteered to sit on the L.A.C. This is the Local Advisory Committee. All these people work together to plan meetings, help with outings, problems if they arise, telephoning, and help the Kindergarten to run smoothly.

The meeting adjourned with the serving of a delicious lunch and cold coffee. Dawn Hodgins

Parkland Nursing Home

A big welcome to our new residents - Mr. Frank Murray and Mr. John Angus and Mr. Stan Zemanek.

Mr. Murray enjoyed a visit with Robert and Vinny Witton of Kelowna, B.C.

Pearl Angus, Mabel Robson and Peggy Richmond called on Mr. Angus, Mrs. Blasser and Charlie Auburn.

Mr. and Mrs. Arthur Siter of Holden visited with Mr. Ritland, Mr. Laube, Mrs. Pasnak, Mrs. Tchir, Mr. Lund and Mrs. Haeberle.

Elizabeth and Clarney Horinek were in to visit with Mrs. Gabriel, Mrs. Clegg and Mr. Murray.

Visiting with Mom Pasnak, Mrs. Tchir and Mr. Ritaland were John and Emily Tkaczyk.

Mr. Kendrick enjoyed an afternoon visit with Charlie and Dorothy, Lane and Grace and Blaine Davidson all of Sedgewick.

Glen and Pat Rabby and family of Sherwood Park called on Great Grandma Block and Great Grandpa Zemanek.

J. E. Auburn, Susie Auburn, Ruth and Allan Auburn called on their friends - Charlie Auburn, Jack Angus, Barb Blasser and Mae Pryor.

Mrs. Pryor also enjoyed a visit with May and Carl Andersen.

Zerah and Heather Candlish of Daysland drove over for a visit with Mr. Clegg.

Mr. Ritland had many visitors on Sunday. They included Bertha Nohr, Lawrence Ritland, Lorraine Borwick, and Louis Holden.

A big thanks to Mr. and Mrs. Arychuk for donating fresh farm eggs to the home. It was most kind of you.

Greetings to our friends in hospital - Mrs. Gabriel and Mrs. Lundberg. Get well soon.

The residents and staff of Parkland extend their sympathy to the Hutchinson family on the passing of their mother Mrs. Elizabeth Hutchinson.

Our Strawberry Tea will be held on Tuesday, May 1st., from 2:30 until 4:00. Raffle Tickets are available at the Home or from staff members. First prize is an afghan and second prize is a hooked cushion.

Holden Old Timers Win B Event

Holden Old Timers were presented with a large trophy and purse of money at the Daysland Commercial Tournament. Their first game was held Saturday, March 10 when Holden lost 2 to 7 to Hardisty. Goals were scored by Bruce Kawaliuk and Homer Herbert. This put the team in the B Event.

The second game was held Thursday, March 15 when Holden won 4-3 against Strome in over-time play. Goals were scored by Bruce Kawaliuk, Homer Herbert, Gordon Pak and Derrick Burden.

The third and final game was against Rosalind, on Sunday, March 18. Holden won 4-2 and goals were scored by Homer Herbert, Bruce Kawaliuk and Derrick Burden with 2 goals. The tournament was spread out over an entire week because of poor ice conditions. With warm weather Daysland's natural ice was melting. All players found it difficult to skate because of slush and water on the ice. However, the Holden community and village were proud of the Old Timers Hockey team as this is the second trophy and tournament the team have won this spring.

In other Holden happenings, the Beaver Arts Centre were delighted at the record crowd attending on March 22 to see the clown trio. This was a family night and many senior citizens as well as many children attended. The little children were delighted with the performances of the clowns especially Bim who had some candy in his pockets. Maria was Boom, and Bon was Jan, thus making this an Ounounian Family clown trio.

By Anna Shavchook

Bruce and District News

The curling season concluded with a potluck supper on Wednesday, March 21. Following the feast the youngsters skated on the curling ice while some of the adults amused themselves by playing cards.

Myrna and Buster Curtis and Annemarie and Eddie Fornal left by car for Reno, Nevada. They expect to be gone for a week or two.

Doena McKinney spent a few days with friends in Calgary.

Jill and Brian Starky of Keremeos, B.C. are the parents of a son, 7 lbs. 7 oz., born at Penticton, B.C. on March 21. Proud grandfather is Mr. B.B. Starky.

Don't forget the Easter Bingo on April 6th at 8 o'clock in the Community Centre.

Ted Kalita is working at Uranium City with Ed Lecknar.

Lucy Sinclair, a former resident of this community, was the lucky winner of $100,000 in the March 21 Winaday draw. Congratulations Lucy!

Shell helps you grow.

Beats all others cold.

Shell's amazing Extrema* grease was put through a number of severely punishing field tests. Extreme heat, extreme high pressures, and even in water and road salt.

In one test this remarkable new grease beat out a competitive product seven to one - one lubrication with Extrema lasted seven times longer than the other grease.

Put our new Extrema to the test for your lubrication needs. You will be amazed by its performance.

*Reg TM

Order early and save.

It pays to order early from your Shell agent. 2.2¢ per litre (10¢ per gallon) off the regular price when you order 110 litres (25 gallons) or more of Shell Rotella T, Shell Rotella S, Shell Rotella, Shell Rimula CT, Shell Donax, Shell Spirax HD, Shell Farm Hydraulic Oil, Shell MP Grease, Shell Darina AX or Shell Extrema before May 31, 1979. And you also cash in when you pay cash on delivery, an additional 2.2¢ per litre (10¢ per gallon) for all orders delivered before May 31, 1979. Please note, 1 kilogram of grease equals 1 litre of oil (10 lbs equals 1 gallon) for the discount to apply.

So order soon, put your money down promptly and cash in. Call your Shell agent today.

One for all.

This may be the only tractor fluid you'll need to service the transmission, final drive, hydraulic system and wet brakes on your equipment. And that's well worth asking your Shell agent about. Not only will it make your maintenance tasks a lot easier, but it'll help cut down on your inventory problems. Shell Donax TDL is also available for low temperature applications. So put one of the best oils in its field to work in yours. Shell Donax TD*.

(If your warranty is still in effect, please consult your owner's manual or your Shell agent.)

*Reg TM

Takes the pressure.

When the pressure's on, it's a good idea to put Shell Spirax* HD in. This multi-purpose heavy duty lubricant is recommended for transmissions, differentials and steering gear boxes in cars, trucks and farm equipment where an extreme pressure type gear oil is specified. So get the gear oil that won't let you down when the pressure's on. Shell Spirax HD. Available in SAE grades 75W, 80W/90 and 140.

*Reg TM

Universal oil for simplified maintenance.

The only oil you need to keep mixed fleets on the job.

Shell Rotella* T is a high-quality Shell engine oil that gives full warranty protection. It meets warranty and service requirements for most gasoline cars, light trucks and diesel engines from Allis Chalmers to White.

Available in SAE grades 10W, 20W/20, 30, 40 and multigrades 10W30 and 15W40. You'll find Shell Rotella T can make your servicing a little easier.

*Reg TM

For the fuel and lubricants you need to help get things started and keep things moving, call your Shell agent today.

Kinsella W. I.

The Kinsella, W.I. held their March meeting in the church basement, that being our quilting day. We had 11 members and two visitors, Mrs. Olga Overbo and Mrs. Alma Enger from Irma.

The quilt will be ready for our Conference in April at Wainwright. This quilt will be raffled in the near future.

A few members will be going to the Workshop in Irma on Wednesday, March 28. Each member gave $1.00 towards the Resolves Homestead Fund.

We discussed the International year of the Child and decided to give a donation towards furnishings or supplies for the Childrens' Room at the new Hospital. "Pennies for Friendship" realized $5.50.

Muriel Rawlak will be acting-secretary for the summer as our secretary will be away. Betty Oakes will be our delegate for the W.I. Conference at Wainwright. We also arranged for entertainment.

We will be having a program of films at our July meeting. Films will be "The Peace Garden" and "The Hoodless Homestead".

The meeting came to a close and lunch was served.

Irma Fish and Game Dinner a Resounding Success

The Annual Fish and Game wild meat dinner which was to have been held on Friday, March 2nd, had to be postponed. It was held in the High School Auditorium on Friday the 16th. Approximately two hundred folks enjoyed the gourmet meal. Ole Rasack gave the "come and get it" signal at about 6:05 p.m. The array of exotic dishes which were set out almost defies adequate description.

To mention a few of this dishes: roast of beef, prepared by Milt Fahner and cooked by Rod McNeill. This was tender and juicy and most flavourful. There was moose stew, moose sausage, buffalo, badger and beaver stew, roast wild goose, duck, pheasant, grouse and partridge. Along with these dishes were were also tempted by elk and deer, salmon, white fish, potatoes in their many forms as well as a wide variety of salads, ice cream and chocolate cookies. Coffee and kool-aid by the gallon put the finishing touches on the meal.

When all had eaten, President, Len Skori welcomed those on hand and called Milt Fahner to present the 1977 and 1978 trophies. This he did with his usual easy humor.

The following is a list of trophy winners for 1977. Trout - Charlie Allen; Pickerel - Bradley Hill; jackfish - K.B. Lingley; Pheasant - Praised; Canada Goose - D. Coffin; Greenhead Mallard - B. Allen.

1978 trophy winners included the following: Canada Goose - Howard Jackson; Elk - Garry Archibald; Non-typical Horns - Dave Prior; Mule Deer Buck - L. Skori; Whitetail Buck - Ted Hill; Pickerel - E.R. Jackson.

After presentations Len Skori called on Gordon Hollinger to introduce the speaker for the evening, Russell Thornbury. This Gordon did with aplomb. Russ a resident of the St. Albert area is Outdoor editor the the Edmonton Journal. He is also a free lance writer for various outdoor magazines. He writes music, and is an independent producer of records. In addition to these activities he also owns and operates Canada West Sports Fishing Tours. Gordon read a letter, presumed to have been received by Ole Rasack from his mother in Norway. It was of course comedy and much enjoyed.

Russ Thornbury, a native of Texas proved a most interesting personality with not a trace of the Texas drawl. He told us that while living in Los Angeles, ten years ago, he took a two week trip to Alberta and immediately fell in love with our azure blue skies and clean air so decided to make his home here.

Russ is a sports fisherman and hunter who hunts with both his rifle and his camera. His slide presentation covered hunting and fishing from the King Ranch in Texas to the mountains in the far north on the Alberta B.C. boundary, where he and his kid brother had landed a 35 pound lake trout in Amethyst Lake. He commented that his brother had never landed more than a 12 inch fish back in Texas, but could get a lake trout here with almost every cast. Russ also said that Alberta has the best fishing and the best fish on the American continent.

The slide presentation lasted for almost two hours in which time the audience remained captive by their enchanting speaker. He used Lingley's amplifier which was the best we have ever heard in the Auditorium.

Oh, I almost forgot to mention that Jimmie and Mrs. Lingley entertained with music and song while people were gathering and were much appreciated even if not applauded.

It was a truly great evening and the Irma Fish and Game members and all who contributed to the evening's enjoyment deserve great credit and can rest assured that their efforts were fully appreciated.

By Jim Jackson

Irma New Horizons Club

On Saturday evening, March 17th, about thirty people enjoyed bingo in the Drop-in Centre. This was sponsored by the Irma New Horizon's Club.

Following is a list of the winners: Jean Burton, Jack Clisdell, Alice Lightbody, Agnes Larson, Evelyn White, Emma Mark, Jack McKay, Edith Cockroft, Hazel Orachoski. Some of the above won on more than one occasion. Hazel Orachoski also won the blackout which was for $20.00. Hazel then donated $3.00 for a straight bingo which was won by her daughter-in-law, Peggy.

The next bingo has been tentatively set for the evening of March 29th. Please watch for posters. Irma New Horizon's policy is to not clash with the arrangements of any other organization and definitely not to compete with the Irma Legion.

The Irma New Horizons Club's first shipment of newspapers to the Paperecycle plant was made on Wednesday, March 21.

They were loaded on Ron Dempsey's big truck Tuesday afternoon and delivered by Ron and Jim Jackson the next day. They weighed 5700 pounds and at $1.25 per cwt. came to $71.25.

We would like to thank all who donated the papers, but owe special thanks to Ron Dempsey who so kindly did the hauling free grazie. Thanks Ron.

We still have on hand a pile of magazines which we hope to get delivered at a later date. Please continue to bring all your papers and store them in Jackson's garage. There may not be much immediate profit in collecting papers, but we must remember than every ton saved and recycled saves 17 trees from destruction.

Irma News and Views

Mr. and Mrs. Harold Fuder accompanied Nathan Fuder to Ft. McMurray to visit the Warren Fuder family. They reported about 4 inches of snow fell there on Saturday.

Congratulations and best wishes to Albert and Patty Cook on the birth of their daughter Shyla Leigh, 8 lbs. 2 oz. on March 22.

Get well wishes are extended to little Jennifer Bacon who underwent surgery Thursday. Reports are she is home already and adjusting very well to the cast on her leg.

On Thursday evening, March 22, six tables of whist were played in the Irma Drop-In Centre. High score prize for gents went to Donald Gunn and consolation prize to George Foreman. Georgina Enger got ladies high score, while Mamie Kellar got the consolation.

Lorna, Eddie and Jim Jackson took in the Horse Auction sale at Stettler on Thursday, March 22. The crowd at this sale was terrific. It could be referred to as an overflow crowd, as the auction building was jammed to capacity while there were scores of people outside around the corrals. There were horses of every description, from Shetland ponies to heavy draughts, and plenty of very smart looking saddle horses, mostly quarter horses. Bidding was brisk and some good prices were realized.

Meals-On-Wheels has become a reality in Irma finally with six seniors receiving a hot meal every Tuesday and Friday. The meals are prepared in the Hotel kitchen and are ready for delivery at 11:30 a.m. sharp and are delivered by volunteers.

A capacity class of seniors attended the Yoga session in the Drop-In Centre on Friday, March 23rd, conducted by Mrs. Mary Maguire of Wainwright.

The horse sale at the Wainwright Auction Mart on Saturday, March 24th was well attended; many people from Irma were in attendance.

We are sorry to report that Gunnar Larson who had just returned home after a term in Viking hospital, had to be taken back to hospital again on Saturday. However, he was feeling fairly comfortable when visited on Sunday afternoon.

There will be bingo in the Irma Drop-In Centre on Friday evening, March 30th at 8 p.m. Everybody welcome. The draw will be made for the raffle, for the afghan, set of bowls, and bath towels at the conclusion of the bingo.

Minnie and Jim Jackson have just received the news of the arrival at Sundre hospital on Saturday evening of a new great granddaughter, Angela Dawn, who weighed in at 5 lbs. 13 oz., born to Kevin and Lois Holmes, a sister for Chad.

On Monday evening, March 26th, about 50 members of Strawberry Plains community gathered at the splendid new home of Margaret and Doug Empter to welcome them to our community, to see the inside of their recently completed home, and to visit and enjoy each others' company. Some games were played, but visiting and socializing were the main objectives. A delicious lunch was served by the ladies.

By Jim Jackson

Buffalo Coulee W.I. Meet

The Buffalo Coulee W.I. had their February meeting on Monday, Feb. 19 because of the very cold weather on their regular day. Eight members gathered at the home of Diane Prior to pack cookies for shut-ins and hear the report of the two delegates - Mrs. Marney Barss and Mrs. Frances, who attended the District 2 Conference in Edmonton.

The meeting decided to donate to the Irma new time clock and also to the new P.A. system for the Irma Arena.

The club was very pleased to welcome Jean Ferguson back as a member.

After the meeting 24 boxes of Valentine Cookies were packed for friends and loved ones.

The March meeting was held at the home of Mrs. Trevor Jones with nine members present.

Under correspondence we had two letters. One asking us to help with the Cancer Tea and Sale to be held in Irma on April 7th to raise money to win the war against Cancer.

The other one told us about the Handicraft Workshop which is to be on March 28th. This is to take place in the Irma United Church from 9:00 a.m. until 3:15 p.m. with courses in beadwork and ethnic cooking in the morning hours. After the pot luck lunch at noon we will be able to participate in Batik or Macrame.

Although this is sponsored by the W.I. you don't have to be a member to attend on Wednesday, March 28th, so why not come out and enjoy yourself for a day.

We were told about the Wainwright Constituency Conference which is coming up on April 9th, in the Wainwright Curling Rink. Have you gals got your handicraft done this winter so we can have a good show on April 9th? All the members were able to see the pictorial history book which our club sent to Olds last year. This will be on display at Wainwright on April 9th.

A committee was formed to see about catering to a wedding this summer. The International Year of the Child committee is thinking of getting books for the very young at school.

Marion Lukens won the hostess draw, while Frances Prosser won the contest. Anne served a very nice lunch and everyone enjoyed a visit over the tea cups.

Our next meeting will be on April 19th at Mrs. Bob Lukens. Roll Call will be a verse of poetry, quotation or original poetry.

Barbara Fleming

Strawberry Plains W.I. Meet

Seven members were present for the March meeting at the home of Mrs. Geo. King. One member was absent, and there were no visitors. The meeting was called to order with repitition of the creed.

Minutes were read and adopted. The Treasurer's report was given by Bernie Long; this was received and approved.

Business arising out of the minutes: The date of the Workshop on March 28th in the Irma United Church from 9 a.m. to 3 p.m. Also the Cancer Film on March 29th, sponsored by the Irma W.I. to be held in the afternoon at 2 p.m. in the Drop-In centre. Keep these dates in mind and please attend

Roll Call - Irish Superstitions

The members had gathered up several which were interesting.

Donations were given to the Adelaid Hoodless Homestead Fund, also to the Band Aiders. Playground equipment was tabled to a future date when more details would be available.

Correspondence was dealt with, and a donation was given to the Red Cross.

Social services reported that everyone was still in good health and that a card be sent to Mr. Stack. We understand he has had his eye operation.

The raffle was won by Bernie Long. Handicraft Convenor still has some work on hand to be done.

New Business: Cancer Tea coming up on April 7th in the Legion Hall.

Betty Passtor gave her report as to what Strawberry Plains had to do towards the Wainwright Constituency Conference helping Rose Willow host the Conference on April 9th. Betty Passtor is the delegate. Minnie Jackson to be in charge of the guest book.

Pennies for friendship - pay 3 pennies if you went shopping today.

Plans were made to visit Mr. and Mrs. Doug Empter on Monday evening in their new home for a social evening and welcome them into our district. The meeting adjourned and we visited around the table while enjoying a delicious lunch.

Next meeting, April 18th at the home of Mrs. Ted Hill, hostess will be Doreen. Lorna will bring the raffle. Roll Call - Bring an Easter recipe or idea.

Irma and District Chamber Report

The Irma Chamber held their regular supper meeting at the hotel on Tuesday March 13, with fourteen members present.

It has been decided and agreed upon with the Irma School that they shall build a float for parades representing the Irma and District Chamber of Commerce.

Mr. Leonard Jones and Mr. Keith Currie were present on behalf of the Irma Curling club. A committee consisting of Mr. Gary Archibald, Mr. Ron Thurston, representing the Chamber, and Mr. Ron Dempsey representing the Recreation Board was set up to attend the municipal meeting in Wainwright. Their purpose being to see if there is a possibility of attaining a grant for the construction of a new curling rink. The Chamber, is fully supporting the curling club.

The Chamber moved they give their written support to the O.O.R.P. for application of a grant from the government for building a playground at the fairgrounds.

A donation of $25.00 for the Red Cross was made to the O.O.R.P.

The Chamber also decided to donate $100 to the Irma Figure Skating Club in support of the new P.A. system they have just acquired for the arena.

At a joint meeting on March 11th, with the executive of the Agricultural Society a time schedule for work shifts was drawn up for Irma Daze which is being held on Saturday, August 4th and Monday, August 6th. The Chamber of Commerce, Ag. Society, and the Rec. Board will guarantee $2,500.00 for upgrading ball diamonds. With this in mind and the cooperation of the weather man, young sports enthusiasts can look forward to some good entertainment.

It was decided the Chamber should present a plaque to members leaving or retiring from the Irma and District Chamber of Commerce, that have been members for 15 or more years and have held office at least once.

The Chamber is pleased to welcome a new member, Mr. Ernie Jacobson, Irma's Cargill Grain agent.

Irma News and Views

Intended For Last Week

Visiting with Lorna and Eddie Jackson over the weekend were son Bob and his wife Geraldine as well as nephews Bruce, Neil and John Jackson from Edmonton and Sherwood Park respectively.

Pam and Denis Fahner have arrived home after an enjoyable eight day holiday in Jamaica. Pam says the weather was delightful and the country very beautiful with many varieties of fruit ripening. Fresh vegetables were also plentiful.

Eileen and Ted Prior have returned home safely after spending three weeks with their daughter Isabel at James Park, New Brunswick.

Alfie Fleming Jr. is home from Mannville hospital where he spent some time following treatment on his foot which was the result of a never scald.

Mrs. Mary Maquire from Wainwright put fifteen seniors through the paces on Friday, March 16th, during the hours of 10:00 to 11:30. Some of the exercises get slightly more exercises get slightly more difficult as time goes on but all who enjoy the classes and that they feel better as a result. We also have a lot of laughs.

Gunar Larson is still in the Viking hospital recovering from a bout of the flu. If he is sufficiently recovered, he expects to undergo a minor operation.

Chris Russell, Isabel Fenton and Minnie Jackson left by bus on Wednesday morning on a trip to attend the Orange Grand Lodge sessions which are being held in Calgary. They returned by bus on Saturday evening reporting no snow until they reached Wetaskiwin on their homeward journey.

Clara Lou and Claire Lukens have arrived home from Smithers, B.C. where they spent some time getting acquainted with their new golden haired grandson Kirby Kjell who was born to Denis and Lind Lou Erickson on Monday February 26th in Smither's hospital, a brother for Jodie. They report mother and baby doing well.

The Open House which was arranged by the Irma W.I. to be held in the Drop-In centre on Friday March 16th in honor of Mrs. Nellie Thurston's 90th birthday was cancelled as Nellie was not well enough to be present. She is still in Wainwright hospital and not feeling at all well.

Visiting briefly with Allie Bacon on Monday, March 12, were her old friends Ken and Lorna McDonald who were enroute to their home at Richard, Saskatchewan, following a visit in Calgary and Wetaskiwin.

Village of Irma Minutes

Correspondence was received from Advanced Education and Manpower concerning the 1979 S.T.E.P. program. Moved that an application for eight students be submitted to continue with similar projects as undertaken in previous years. Carried.

M. D. Wainwright No. 61 Committee member - Mr. Smallwood presented a revised proposal for the subdivision of Pt. S.W. 34-45-9-W4th. As proposed the subdivision will provide four residential parcels on the south end of the property. The remaining area will be retained for yard area by the Municipal District. The area in question will require re-zoning from urban reserve to residential. It was moved that Council has no objection to the proposed subdivision.

Correspondence was received from the Wainwright Hospital Board requesting Council representation at a meeting to discuss means of purchasing a new ambulance. Moved that the mayor and Councillor Littlewood be appointed to meet with he Board as requested. Carried.

Correspondence was received from the Department of Labour. Gas Inspection Branch advising that installation of the propane filling station depot must be brought up to standards as set out under the appropriate Act. Gulf Oil Canada Ltd., has been notified of the required upgrading.

Moved that the firm McKinnon and Ford be re-appointed to conduct an audit of the Village books and records for the year 1979.

Moved that an Annual Meeting of the rate payers be held only upon the submission of a petition as set out in the provisions of the Municipal Government Act. Carried unanimously.

Moved that the minutes from the Planning committee meeting held on January 16, 1979 be received and filed. Carried.

The following directives were submitted in the form of a petition. Signatures were not witnessed nor was there an accompanying affidavit as required for a valid petition.

1. Statement that a list of rate payers do not agree with Council's decision to purchase additional land at the fairgrounds. 31 electors.

2. Statement that a list of rate payers do not agree with Council's decision relating to the increase in the Municipal Administrator's salary. 28 electors.

3. Statement that a list of rate payers feel that they should have a voice in the decisions made when spending Government Grants designated for street improvements. 35 electors.

Moved that the statements in the form of petitions be received as a directive and filed. Carried.

The Department of Labour, Pressure Vessels Branch advises that the old steamer unit shall not be operated by persons other than those with qualifying steam certificates and further that a complete pressure test prior to its being used, it was decided to contact the appropriate suppliers for a unit that does not require certification of the operator. Moved that the Municipal Administrator contact suppliers and request a demonstration of a steamer unit that does not require certification of the operator.

Moved that the regular meetings of Council be held at the hour of 7:00 p.m. rather than 7:30 p.m.

Continued from last week

Chacutenah Manor

Mrs. R. Charron of Camrose and Mrs. S. Banks of Round Hill were Thursday visitors with their parents, Mr. and Mrs. Lambert.

Mr. Larry Hooper of Calgary was a recent visitor with his parents, Mr. and Mrs. Hooper.

We are happy to see Mr. Lambert about again after his bout with pneumonia.

Young Bob Burke of Spruce Grove is visiting his grandmother, Mrs. Cockrell.

Several Manor residents are taking Meals On Wheels twice weekly. This is a project sponsored by the P.S.S. and Mr. Jackson is at present the volunteer driver.

Irma 4-H Food Report

The sixth 4-H Food business meeting was held on March 21 at the home of Stella Glasgow.

Gloria Fuder led the pledge. Afterwards we talked about going to the circus and having a highway cleanup. We also discussed some old business.

On March 11th, the 4-H Food group had a skating party. The next meeting is on April 25.

For Their Sake And Yours

Do Not Disturb!

Wildlife are extremely sensitive. Particularly young wildlife.

How you respond to wildlife could affect their safety and yours.

Here are a few tips:

- enjoy wildlife from a distance ... only
- never handle or disturb wildlife
- do not feed wildlife ... ever — they need special diets for their survival
- be especially careful not to disturb fish when spawning — they could abandon their spawning grounds
- when visiting Alberta's wildlands, leave nothing behind that could harm wildlife — pop can rings, glass, garbage, plastic bags

If you suspect an animal has been abandoned or injured, report the situation and approximate location to your local fish and wildlife officer. He'll make sure it's well taken care of.

CARDS OF THANKS

We, the family of John Draganiuk, wish to express our most grateful thanks to all who had any part in making our sorrow a little easier.

Special thanks to Bernie and Mrs. D. Tkaczyk for the gentleness they used in bringing our loved one in to the hospital. Thank you to Father John Adamyk for coming when we called him. Special thanks to the doctors and staff of the Viking General Hospital for the care and consideration show to him and to all of us. Your kindness is priceless.

A special thanks to the bus drivers who so kindly took over our bus routes. Thanks to Earl and Rose Kjelland and Ronaghan's Funeral Services Ltd. Your words of comfort and the coffee were very much appreciated. Thank you to the pall-bearers for paying this final tribute to him. To Rose and Jack a very special thanks. When the Lord spoke of love, He spoke of you.

And, to all who took time to send a card, or make a phone call or send some baking over to us; to those who offered their help in any way and to those who offered prayers for our loved one during his illness and for us after his passing, we give thanks from a deeply grateful heart. We will always have a special place for you in our hearts. Our wish for you is this: "May the Lord bless and keep you. The Lord make His face to shine upon you and be gracious to you. And May the Lord lift us His countenance upon you and give you Peace". God Bless you all.

Nancy Draganiuk, Russel and Vickie, Donna, Debbie, Chris, Victor, Dee-Ann and Dori-Lyn Sloboda 7p

The Holden 4-H Beef Club would like to thank all those who attended the Pancake supper on March 23, 1979. Craig Semotiuk was the winner of the pocket calculator. 7c

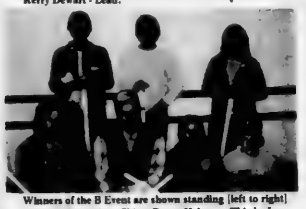
Fun 'Spiel Held at Bruce

Winners of the A Event are shown standing (left to right) Dennis Chrystian - Skip, Harvey Christian - Second, Marie Chrystian - Lead. Missing from the photo is Isabelle Lund - Third. Placing second was the Dewart rink who are seated (left to right) Neil Dewart - Skip, Gerald Dewart - Third, Kevin Dewart - Second and Kerry Dewart - Lead.



Winners of the B Event are shown standing (left to right) Rodney Tkaczyk - Skip, Doug Heber - Third, Jean Tkaczyk - Second and Ricky Tkaczyk - Lead. They defeated the Field rink who are seated in front (left to right) Hank Field - Skip, Vicky Field - Third, Kim Malowany - Second and Dean Malowany - Lead.

Some of the rocks didn't make the house, some in-turns ended up as out-turns by the time they reached the hog line and experienced skips were defeated by once-a-year curlers!

This was all part of the annual Bruce Family Fun Bonspiel which was held last week.

Twenty rinks entered the bonspiel and the curlers ranged in age from seven to seventy.

Irma Minor Hockey

The Irma Minor Hockey season is fast coming to a close. On Saturday, March 31, our last hockey day, all teams will play a home game starting at 10 a.m. with the Mites, followed by Tom Thumbs, Pee Wee, Bantam, Midget and Juvenile teams.

Each game will be allowed 2 hours, no more. It looks like a busy exciting day.

To further wind up the season, the annual banquet will be held on Wednesday, April 4 at 6:30 p.m. in the school gym. Minor Hockey will be supplying hot roast beef and gravy and pop and coffee. Any family willing to supply a large pot of hot mashed potatoes, please phone Mary Newton.

Each family is asked to bring one main dish of vegetables, salad or buns, only one or the other, and one pie per family as well as their own plates and cutlery. All minor hockey players and their parents are welcome.

Irma Holds Mixed Bonspiel

The Irma Curling Club held a successful mixed bonspiel on March 15, 16, 17, and 18 with twenty four rinks from Irma, Edmonton, Hardisty, Wainwright and Lougheed participating.

First Event Winners : Butch Fischer rink from Irma with Third - Marion Fischer, Second - Doug Fischer and Lead Tracy Fischer.

Second place went to the N. Murray rink from Edmonton, with R. Guiltner capturing third. Fourth went to the D. Orzeski rink of Irma.

Second Event winners were the Don Lukens team from Irma with Brenda Lukens - Third, Stan Lukall - Second and Brenda Costall throwing lead rocks.

Second place went to the J. Routledge rink from Lougheed while third and fourth place finishers were Irma rinks. K. Coffin placed third and H. Haun placed fourth.

Third Event winners were the Brent Fischer rink of Irma. Completing his team were Sherrie Fischer - Third, Ralph Bell - Second and Peggy Smallwood - Third.

Bob Lukens of Hardisty placed second with F. Smith of Wainwright placing third. Mel Pomeroy's rink of Irma took the fourth place.

COUNTY OF BEAVER

FIRE PERMITS

The period between April first and October thirty-first of each year is declared a fire season. Any person lighting a fire, (other than an outdoor campfire for cooking and warming purposes which is never left unattended) is required to obtain a fire permit. In the County of Beaver, fire permits are obtainable (no charge) from each County Council member or the Agricultural Fieldman. Failure to obtain a fire permit or other contreventions of the Forest and Prairie Protection Act could result in a fine of up to $300.00 or to 90 days imprisonment or both.

FIRE IS A SERIOUS MATTER
TREAT IT WISELY

The Cheryl Hafso rink of Viking captured the Third Event in the Viking Ladies Open Bonspiel. Completing the team were Doris Festo - Third, Linda Berthig - Second and Shannon Place - Lead. Staff Photo

Minor Hockey Banquet Date Changed

A meeting of the Viking Minor Hockey executive was held on Wednesday, March 21.

A change of date for the Annual Minor Hockey Banquet was decided. It will now be held on Sunday, April 29 at 2:00 p.m. in the Community Hall.

The raffle draw, according to regulations set by the Alberta Gaming and License Control Board, will be made on Sunday, April 15. All raffle tickets, sold or unsold, must be turned-in to Diann Clouston no later than Thursday, April 13 due to the Easter Holiday. Your co-operation is imperative.

Correspondence was received from Zone Chairman John Kelly noting Viking's dissatisfaction over not being chosen to host the Midget "C" Provincial Tournament. In his letter, Mr. Kelly indicated that such would not be the case should Viking again bid to host a Provincial tournament in the future.

A letter was received from the Fair Committee of the Viking and District Agricultural Society. As this year has been designated the "Year of the Child", they requested the participation of the Association in setting-up a display for Fair Day. It was agreed that Minor Hockey will set-up a display with that theme in mind.

IGA Thank You IGA

We sincerely thank everyone who helped during the recent loss of our business in a fire; a special thanks to the Viking Fire Department, R.C.M.P. Constable Bilodeau and his wife Donna, Pearl and Percy Wilkie. Your thoughts and efforts were very much appreciated.

Viking Midgets Win Provincial "C" Championship

The 1978-79 hockey season came to a triumphant end as the Viking Midgets wrapped up the season by winning the Alberta Provincial Midget "C" Championship.

The Viking Midgets travelled to Grimshaw for a three day tournament which would see one team emerge as the champions. This tournament consisted of eight teams from all over Alberta and was split into two divisions.

The Viking boys were in Division I and their first opposition was a team from Rimby.

In this game Viking defeated Rimbey by a score of 6 to 4. Scoring for Viking were Richard Sutter with four goals while Kenny Lefarud and Allan Evans added singles. Ronald Sutter picked up 4 assists while Allan Evans collected 3. Richard Sutter and Bob Graham got singles.

Saturday morning found the boys taking on the Drayton Valley team in what turned out to be a one-sided victory. When the final buzzer sounded, Viking had defeated Drayton Valley by a score of 17 to 2. Top getter was Ronald Sutter with 2 goals and 6 assists. Allan Evans was next with 5 goals and 2 assists, while Scott Taylor had 1 goal and 4 assists. Richard Sutter picked up 2 goals and 2 assists. Bob Graham scored once and assisted on 2 others. Kevin Maxwell also had a pair of goals while singles went to Kenny Lefarud, David Darling, Richard Lefarud and Darrell O'Neil. David Darling and Kirk Maxwell also had one assist each.

Sunday afternoon saw the boys take on their old provincial rivals, the Grimshaw Midgets. In a very fast and exciting game, Viking had to overcome a 6-3 Grimshaw lead. The Viking boys scored four times in the third period to defeat Grimshaw by a score of 7-6. Ronald Sutter scored twice, while David Darling, Kevin Maxwell, Raymond Thengs, Allan Evans and Richard Sutter added singles. Richard Sutter's goal was scored with just 12 seconds left on the clock to give Viking the victory. Assists went to Ronald Sutter with 2. Scott Taylor, Allan Evans, Richard Sutter, Scott Brower, Bob Graham and David Darling each had 1 assist in the game. This close victory moved Viking into the final against the winner of Division II of the tournament.

Sunday evening found the boys go up against the Valleyview team. Again this was a very good fast game with the boys leading 6-3 before the Valleyview team tied it up. This sent the teams into overtime play. In the 10 minute overtime period the boys scored two quick goals, but Valleyview replied shortly after to narrow the gap to one goal. With less than one minute left and the faceoff in Viking's end,

Continued on Page 2

1978-79 Provincial Midget "C" Champions - The Viking Knights of Columbus Midgets, following their victory at the Grimshaw tournament held last weekend. Pictured are: Front Row [left to right] Scott Brower, Allan Evans, Kenny Lefarud, Bob Graham, Darrel Malick, Darrel O'Neill, Second Row [left to right] Bob Evans - Assistant, Scott Taylor, Ronald Sutter, Raymond Thengs, Wayne Erickson, Brian Vitek, Wayne Schiler and Coach - Garry Weinstein. Back Row [left to right] Kevin Maxwell, Richard Sutter, Kirk Maxwell, Richard Lefarud and David Darling. Due to the similarity of the Viking and Grimshaw uniforms the team are pictured in uniforms of a lighter color, which they were requested to wear. Congratulations are extended to the provincial winners from the people of Viking and surrounding districts.

Annual Talent Night Enjoyed

On Saturday evening, March 31, Viking and District residents enjoyed an excellent selection of talent at the Viking Agricultural Society Annual Talent Show.

It is always a delight to see that such a wide variety of talent exists in this rural community of ours. It was a pleasure to hear and see Leona Cottrell, a delightful young vocalist and Laureen Gireyre, with her giant accordion, for this assures us that there are talented young musicians in our midsts to carry on the art of entertaining in years to come.

A talent show in Viking just wouldn't be complete without appearances by some of the Mattinson family. Pauline gave a delicate performance of an old folk song, accompanying herself on a dulcimer. Then she and Tom harmonized to an old spiritual tune. "The Ghost Riders in the Sky", which became a reality as Tom and his guitar proclaimed the appearance of the thundering mirage that served as a warning to erring cowboys. He then followed up with a gentle version of "Jesus was a Carpenter". Bill, the congenial master of ceremonies for the evening, also sang a combination of songs about "the blues" in life, which though we all have some, don't last long and soon are replaced with a smile.

Victor Dawson led us on a musical romp through the 'merry old English countryside' as his song from Cornwall painted a musical picture of the lads and lassies dancing about the green.

Dennis Watson sang a tremendous rendition of "If I Were a Rich Man" from "Fiddler on the Roof". Then the comedy team of Watson and Dawson delighted the audience with an English folk tune about an arrogant sea captain and a roguish sailor who enjoyed bringing the captain gossip about about his daughter. The sailor, Mr. D. of course, portrayed impish delight as he stamped his feet with glee at the tales he had to tell.

Other adult soloists during the evening included Bob Williams with a John Denver special "Grandma's Feather Bed" and a touching composition of his own. Natalie Rourke sang "One Day At A Time" and then Bill Mattinson joined her in a beautiful duet of "Be Not Afraid". Pam and Brenda Rauser sang a tender duet entitled "Feelings".

The only piano solo of the evening was a lovely flowing rendition of "Evergreen" by Andrea Toverud. Lillian Anderson played 2 lively old time waltzes on her accordian.

The elocutionists of our area were well represented and showed a delightful use of words and originality. Eric Davis entertained with two of his own compositions about such varied topics as "Chocolate Pudding" and "My Pet Ox". Clayton Rauser's story took is with him on an exciting excursion through the countryside as he, his mom and sister-in-law were led a merry chase by an elusive trio of sheep. Margaret Ruzicka's pantomime about a housewife opening her first bank account was a really cute 'run down' on how confusing 'big business' can appear to a novice in the financial world. Linda Erickson gave an amusing account about T.V. commercials and how we are all affected by them.

A favorite of young and old, Lisa, was back with us this year. Everyone enjoyed the clever puppet act so professionally presented by Jim Ruzicka.

This year's talent show was thoroughly enjoyed and was "the best show we've ever had." On behalf of the Viking Agricultural Society, thanks are extended to all the contestants, to accompanist Mrs. Watson, and to M.C. Bill, who's enthusiasm keeps the talent show going both on stage and as a yearly event.

Contributed by Ellen Loveseth

Natalie Rurka entertained the people with two beautiful solos, accompanied by M.C. Bill Mattinson on guitar at the Talent Show held on Saturday. Staff Photo

It is a Pity

The federal election campaign now underway will undoubtedly provide a great deal of food for thought for the electors of Canada. During the announcement of the May 22 election, Prime Minister Trudeau roughly laid out the issues upon which the Liberals will fight the election. Shortly thereafter, the Progressive Conservatives and New Democrats did likewise. However, as the campaigning progresses, many of the issues on each side will take on greater importance as the parties strive for votes.

The fact which should be recognized by all electors during any campaign is that the major objective of each political party is to gain "power". Without power, a political party is forced to work from the opposition side of parliament, thereby allowing the majority of their efforts to be spend in scrutiny and criticism. The opposition parties seldom get any of their legislation passed Parliament.

This is not to say that the Opposition's role is not important. It is very, very important. But to those within the opposition political parties, the major purpose underlying their policies and actions is to gain power. As well, they keep, hopefully, the interests of the nation in mind at all times.

This desire for political power is what causes politicians to "promise" all sorts of "goodies" during election campaigns. They also examine the reactions of the electorate to various issues, criticisms and campaign styles to win votes. It is not an easy exercise at any time. The possibility of defeat is nearly always there.

Yet this "fight" which they undertake is what then leads them to support those who supported them, once they have attained power. The stories are innumerable of improvements being carried out in ridings which have elected government members while ridings which have elected opposition members get few benefits. We must accept that these things will happen as the name of the political game is to get elected. Attaining votes by either promising or providing improvements to the electorate is the game plan.

This election should be most interesting because the likelihood exists that a minority government will be formed after May 22. This possibility, as determined by political analysts, means that the fight for the support of the electorate will be even more intense than usual in many parts of Canada. We in Alberta may miss much of the excitement due to our traditional voting behavior. It is a pity.

Dr. George Mager delivers an inspiring opening speech to the teachers during the March Central East Teacher's Convention.

Viking Midgets — Continued From Page 1

Captain of the Viking Midgets, Kenny Lefsrud accepts the Alberta Amateur Hockey Association Provincial Midget "C" Trophy on behalf of his team mates.

Following the final game of the provincial championship an "All Star Team" was chosen. Kenny Lefsrud was chosen on right defence. Ronald Sutter, pictured above, was selected as centre. Both players received trophies in recognition of the outstanding ability displayed during the tournament.

Valleyview pulled their goalie in favor of an extra attacker. Richard Sutter blocked a shot from the point and took the puck, scoring into the empty net, giving Viking a commanding two goal lead. With 20 seconds left on the clock the boys held Valleyview and when the final buzzer sounded they had defeated Valleyview 9 - 7. This victory gave the boys their "Provincial Midget 'C' Championship".

Scoring for Viking was Ronald Sutter and Richard Sutter with three goals each. Allan Evans and Roymond Theags and Scott Taylor picked up singles. Assists went to Richard Sutter with 3, while Ronald had 2. Bob Graham, David Darling and Kenny Lefsrud each got 1.

After the game, an All Star Team was chosen with Viking placing two players on the team. Kenny Lefsrud made it on right defence and Ronald Sutter was chosen for centre.

Stars Chosen for the games are as follows: Game One - Richard and Allen got second stars. Game Two - Allan Evans got first star. Game Three - Ronald Sutter got first star. Game Four - Ronald Sutter got first star.

Workshops to be Held

Three equine studies workshops will be held at Lakeland College's campus in Vermilion in May as a follow-up to the College's first three-month Horse Husbandry and Equitation Program, currently being held.

Dressage, May 2-4, will feature Bonnie Stockall (nee Bonnello) well known international grand prix rider who hails from Edmonton. Bonnie has taught several dressage courses for Lakeland College. This workshop will accomodate beginner and advanced riders.

The second workshop, May 8 to 11, will emphasize training a horse from a colt onward in this course on reining and working cow horses.

Dave Manning, who is known throughout western Canada for his work in training cow horses will teach this course.

A horse packing course, May 14-18, will feature a three day semi-wilderness pack trip.

Allen Earle, a Lakeland College instructor who has extensive experience in working horses in the Rocky Mountains, will orientate students in horse packing for two days and then lead them on the trip.

Other equitation courses coming up in the near future include Horse Hoof Care, July 7-14 and Horsemanship, July 15-21. Both are a part of Lakeland College's third annual summer program, Summer '79, also to be at Vermilion Campus.

The next three-month Horse Husbandry and Equitation programs are slated for September 4 to November 23, 1979 and February 11 to May 2, 1980.

Further information on any of these courses can be obtained by contacting the Registrar, Lakeland College, Vermilion Campus, Vermilion, TOB 4MO.

Viking to Host Arts & Music Festival

On this Sixth Annual Arts and Music Festival, we the committee take great pleasure in inviting all the citizens of the Counties of Beaver, Minburn and Wainwright to participate in our Festival to be held April 20, 21 and 22, 1979.

This is the second year that we have extended an invitation to individuals outside of the County of Beaver. It is also the second time that all the exhibits will be held under one roof with the performances also. Through the kind invitation of the residents of Viking, the Festival will be held in the Viking School.

Everyone is invited and welcome to take part. Students in schools, children, adults; male and female, no matter what your age may be.

We look forward to seeing you in Viking on April 20, 21 and 22nd, 1979.

All entries (for Crafts, Arts, etc.) must be received by April 14, 1979 at all points of registration. These points are:

Lucky Dollar Store	Kinsella
Viking Town Office	Viking
Koppel's General Store	Bruce
Deloore	Holden
Regional Rec. Office	Ryley
Hearthstone	Tofield
Lindbrook Store	Lindbrook

The Creative Writing deadline was April 1, 1979. No entries will be accepted after the deadline date!

During the adjudicating of the Music, Speech, Drama, Dancing, Bands, Vocalists, etc. complete quiet is requested from all spectators.

If you did not receive a Syllabus, phone 663-3720 or check at your closest point of registration.

All displays and activities will take place within the school. Rooms will be assigned and marked. Host or Hostesses will be in attendance.

Friday, April 20
7:00 Judging Arts and Crafts
7:30 Choirs, Chorus, Voice, and drama

Saturday, April 21
9:00 Piano adjudication
1:00 p.m. Bands & Instruments
3:00 p.m. Speech Arts
1 - 5 p.m. Viewing of arts, crafts

Sunday, April 22
1:30 - 4:30 Viewing of Displays
2:00 p.m. Concert of Finalists, School Gym

Brenda Rauser Receives Scholarship

Brenda Rauser received word this week from the U of A Department of Extention that she had received the Constance McFarland Art Scholarship, valued at $100.

Brenda has attended evening art classes for several years and is presently being instructed by Gisele Feisburg at the Lakeland College course, sponsored by the local art club.

Alteen Distributors Ltd.
KONGSKILDE Suction Blower
- The Most Efficient LOW COST Suction Grain Blower. See it and compare!
- KONGSKILDE makes grain augers, shovels and brooms obsolete. Takes the backache out of moving grain.
- KONGSKILDE offers dust-free operation. And that's important because prolonged exposure to grain dust can cause permanent health damage.
- KONGSKILDE doesn't damage kernels. Grain rides gently in a blanket of air, horizontally, vertically and around corners.
- Capacities of approximately 800 to 1000 bushels per hour with only 50 hp. required.

Viking, Alberta

Parkland Nursing Home

Fred Cotter was in to see his friends one day last week.

Mrs. D. Andruckon and girls of Edmonton, Olive Good and Shelley Lusk of Holden called on Lars Ritland.

Mr. and Mrs. Jim Knudson of Irma visited with Gail Gustafson.

Tony, Janie and Scott Woxny called on Pearl Kowaliak.

Mrs. Laube was in to see her husband Adolph Laube.

Mrs. Irene MacGregor of Holden visited with Mr. Laube and Lars Ritland.

Ben and Victoria Pasnak called on Mary Pasnak.

Maurice Cumming had a nice visit with Mr. Kelly.

Frank Murray had a nice visit with Joan Meakins.

Mrs. Pasnak visited with her daughter Emily and grandson Ronnie. They also visited with Mrs. Tehir and Lars Ritland.

Ronnie Voltner of Viking visited with Mr. Zemanek.

Honey Curtis and Mabel Robson of Strome called on Charlie Auburn, Jack Angus, Barbara Blaeser and others last Saturday.

Shauns-Lee and Dean Myers visited with Grandma Gieseler.

Joan and Gordon Meakins called on Frank Murray.

Dave and Dorothy Good of Edmonton visited with Lars Ritland on Sunday.

Welcome to Mr. Sven Hagon who is a guest here now.

Last Friday we had our monthly birthday party. Celebrating birthdays were Mr. Laube, Tina Klatt, Peter McAllister and Olive Willens. The ladies of the Quinte W.I. served a lovely lunch and brought the Swinging Beavers Square Dance Club for entertainment. There was many a toe tapping that afternoon and much appreciated by everyone. Thank you for coming.

The Homemaker

By Diane Luke, D.H.E.

READY, SET — SPROUT!

Do you feel it is time to try a new, fresh vegetable to add zest to your meals? You can grow your own bean sprouts! Sprouting is the latest "craze", hard on the heels of granola, wheat germ and whole wheat bread.

Why bother sprouting beans? There are so many good reasons. They are tasty, versatile and a very rich source of Vitamin C and the B vitamins.

Bean sprouts are also a fairly good source of Vitamin A. One cup of mung bean sprouts only has 21 calories. Some sprouts are slightly higher in calories but in comparison to nutrient content, a good dietary choice.

Another good reason to grow your own sprouts is cost. One quarter cup of dry beans yields 2 cups of sprouts enough for four servings. The beans can be purchased at some grocery and health food stores.

You will find all the necessary equipment in your kitchen. Plastic, enamel, or glass containers work best. (Quart size sealer jars are good). You will also need a loosely woven scrap of fabric, cheesecloth, or a J-cloth works well. Mung beans or alfalfa beans make the best sprouts.

Procedure to sprout beans: Start with ¼ cup beans. Wash and drain well through a sieve. Place in open container and cover top with cloth. Secure cloth to the opening with string or an elastic. Pour warm water through the cloth to cover the beans. Drain this water off through the cloth. Place container on side in warm, dark place. Twice daily for about 3 or 4 days rinse beans and drain, leaving just enough moisture to sprout. When the sprouts are about one inch in length (after 3 or 4 days) let them sit in the sun for an afternoon. This will increase the chlorophyll content and give the beans a greener color.

The sprouts can be used right away or kept in the fridge in a sealed plastic for up to ten days.

Bean sprouts can be used in raw sandwiches in place of lettuce, in a salad or as a side vegetable. Try them with your family this winter.

'79 Book of Homes

Before you take your first step to building or buying a home, take a good look at our best seller — the 1979 Revelstoke Homes Brochure. You'll find 40 popular home plans to choose from and all the information you'll need to make our home your home. Mail the attached coupon to your nearest Revelstoke Homes Representative to receive your free copy of the '79 Homes Brochure.

The Madison

FORTY YEARS Alberta

Harry Child Passes

Harry Child passed away after a lengthy illness in the Red Deer General Hospital on March 13th at the age of 80 years.

Harry was born in Calverly, England on October 4, 1908 to William and Ann Child. The Child family came to Canada in 1904 taking up a homestead north of Killam.

He was married in 1924 to Mary Emmaline (Mae) Small, and to this marriage there were two daughters, (Eileen) Mrs. Lloyd Connelly of Red Deer, (Gwen) Mrs. Ian Daniel of Edson, and one son Ralph of Viking.

In 1942 the family moved to the Viking area just east of town and in 1950 they moved to town still carrying on some farming.

In 1961 his beloved wife Mae passed away.

In 1964 he had a slight heart attack and retired from farming taking up residence in the Vialta Lodge as well as on his own.

He remarried in 1968 thus moving to Moose Jaw where he resided until the passing of his wife Alice in 1978. He returned to Alberta, taking up residence with his daughter Eileen in Red Deer.

While living in Viking, Harry was very active in the community. He was one of the founding directors of the Viking Co-op store and service station, and acted as Chairman of the Board for a long period of time. He was also chairman of the Viking Hospital Board for a number of years. He was warden of the Viking Anglican Church, a long time secretary treasurer of the Lakeview Telephone Company, as well as lending a helping hand in numerous other community affairs.

While living in Moose Jaw he became interested in building toys for children as a pastime. This blossomed into a very unique hobby that became his pride and joy, the building of authentic scale sized replicas of covered wagons. He won prizes at the Royal Winter Fair and the Moose Jaw Fair, as well as having one replica presented to the Lt. Governor of Saskatchewan and another to John Diefenbaker.

Harry was the last of the original Child family.

Funeral services were held from the Viking United Church on March 17 with the Rev. J. Bennett and the Ven. Arch Deacon Cole officiating. Interment was made in the Viking Cemetery and Ronaghan's Funeral Home was in charge of the arrangements.

Mrs. Ila Sorenson presided at the organ and hymns sung were "In the Garden", "Take My Life", and "Let It Be". The choir sang "Beyond The Sunset".

Left to mourn his loss are daughters Eileen and Gwen, and son Ralph, 9 grandchildren, 10 great-grandchildren and many nieces and nephews.

Flowers were from the Family, Gerard and Dolly and boys, Roger and Addie Labreche, Bill and Tina and Jerry, Maurice and Flo and boys, Alex and Liz and family, Jim and Elsie White, Gabriel and Olga and family, Lou and Molly Ruzicka, Jean and Harry Miskew, Isabella Jorgenson, Bill, Lisa and Michael, the Van Buskirk family, Wes, Laura, Dwight and Brian, Betty and Eric Brostrom, Joan and Rick, Judy and Ken, Pat and Randy and Rick.

Echo-Rodino Report

Bruce and Yvonne Greenwood accompanied Mr. and Mrs. Wes Bauer and family to Edmonton to take in the Farm and Ranch Show. Brent Hollar was also there looking over all the new farm implements.

Teresa and Yvonne Greenwood travelled to Edmonton during the week on business.

This was Spring Break Week for the school children, but some did not enjoy it as the Mumps and Measles were making their rounds.

Bradley Day of Wainwright, Rose Couture of Edmonton, Mr. and Mrs. Mervyn Krull of Leduc, Lorraine and Douglas Prosser and Morse Malderis of Edmonton were weekend visitors at the Prosser residence.

Ray Johnston had his son Donald and daughter Lori of Edmonton spend the Spring Break with him.

Saturday evening found the Rodino Hall alive with people dressed for hard times as a large crowd filled the hall for supper and the lively dance that followed. Costumes were judged and the winners were: Old Time - Mr. and Mrs. Arnold Anderson, Comical - Linda Prosser and Rodger Sharkey, Hard Time - Ronnie Nash and Heather Gillard, Booby Prize - Louis Petras and Muriel Taylor. It was nice to see so many dressed up as this is what makes these dances a success.

Emil Thibert returned home from Winnipeg on Sunday where he spent this week of holidays.

Bruce and District News

Ellen Doris and Ruth Dwyer attended a workshop sponsored by the Irma Women's Institute. Ellen attended a demonstration on beadwork while Ruth got some instruction in macrame. Then, both ladies participated in some ethnic cooking and sampling. Both ladies found the day enjoyable and informative.

The Bruce Senior Citizens are still holding Wednesday night card parties. Last Wednesday evening winners were: Ruth Dwyer and Ed Marcinkaski while consolation prizes went to Annie Ozubko and Bert Siegel.

The Bruce Senior Citizens will be holding a bake sale prior to the Easter Ham Bingo in the Community Centre on Friday, April 6th. The bake sale will begin at 7:30 p.m. and the Bingo will follow at 8. As usual there will be 15 games of bingo plus a door prize on advance ticket sales. Tickets are now available at any of the business places in Bruce.

Visitors to Bruce on the weekend included Arch Kelm of Fort McMurray, Paul Hansen of Calgary and Shirley, Bruce and Robbie McMorran of Edmonton.

Many school children took advantage of spring break to be spoiled by their grandparents. Cory McMullen of Leduc was a visitor at the McMullen home. Laurie and Patrick Harris of Sherwood Park spent a couple of days with the Stambaughs. Marsha McDiarmid of Edmonton visited Grandma and Grandpa Minors and Krista and Kent Dewart of Sherwood Park were at the Fredericks.

By Bea Fredericks.

Swinging Beavers News

The Swinging Beavers Club have been busy this last while.

It was decided to make square dance dresses and shirts for all the club, green color and trimmed in brown. Ten or so ladies met at the Bruce centre and had a day of cutting, measuring and sewing. Hopefully they will complete them all by April 28 to attend the Jamboree being held in Wainwright.

Besides our regular Monday dances, we had invitations from other clubs to attend their dances. Several of the club went to Hairy Hill on March 22 and reported having a very nice time. On March 28, Doris and Clem Nadon, Edmonton called our regular dance; they came by bus and brought about 40 dancers with them. They arrived early and the group demonstrated many round dances, which were a pleasure to watch.

At 8:30 p.m., square dancing started, with the group from Edmonton plus our people having ten squares on the floor most of the evening. Everyone enjoyed the evening and proved that "Square Dancing is Fun".

A delicious lunch was served at 11 p.m., after which the wagon master of the Edmonton group gathered his bus load for the trip home, and I trust a safe one. It was lovely to have such a large group of visitors. We also had dancers from St. Paul and Wainwright.

On Friday afternoon, we have been asked to entertain at the Parkland Nursing Home.

Hope to see you all at our regular dance on Monday, April 2.

$4750.00

N.F.U. Discusses Class Action Against C.N. and C.P.

Local 715 of the National Farmers Union held their monthly meeting at the Holden Masonic Hall on Tuesday, March 27. Since Secretary-Treasurer Art Gibson was unable to attend, the minutes of the last meeting were not available. Milton MacGregor volunteered to record the minutes of the meeting.

Vincent Hrabec stated that four young people are participating in the youth seminar to be held March 30th, 30st and April 1st at the Londonderry Hotel in Edmonton. It was agreed that the local pay $25.00 per participant attending the seminar.

The proposed class action against the C.N. and C.P. Railway companies was discussed. Means for seeking financial support from interested prairie grain producers was debated. Irving Bablitz, District Director for District Six suggested that collecting funds for the action take second priority to membership recruitment. It was moved and seconded that a committee be struck for the purpose of monitoring the distribution of the form letters and collecting of funds for the class action.

Irving Bablitz then gave a report on Pat Mooney's speech about Private Plant Breeder's Rights. Pat Mooney, who is a researcher for the Saskatchewan Council for International Co-operation spoke at the N.F.U. District Six convention on February 27th.

Plant Breeders Rights legislation would give patent rights to companies who produce new plant varieties. The companies would be able to collect royalties and control the marketing of their new seed discoveries.

In time Plant Breeders Rights will give the private corporate sector control over which seeds will be available to producers. That will give the private transnational sector control over food production from the planting of seeds to the production of agricultural chemicals and farm machinery to food processing, packaging and retailing. Vertical integration will be complete and they will have complete control over the entire food industry.

Private Plant Breeders Rights means government funded institutions will do all the expensive and time consuming leg work, while the seed firms would develop the final stages of the seed for market. And that is where the profits are.

It was then announced that this year, the Region #7 Convention is going to be held in Vegreville June 28th and 29th.

The meeting was adjourned. Coffee and doughnuts were then served.

Holden Grade Seven Science pupils, Samantha Chrystian and Leanne Kraus, dissecting earth worms.

Holden and District News

The Holden Brownies and Girl Guides will hold their annual strawberry shortcake tea on April 7th, from 2 until 4 p.m. at the Masonic Hall.

The Holden Senior Citizens are holding a white elephant sale on April 9th, at the Senior Citizen's Drop-In Centre beginning at 1 p.m.

Committees for the Holden and District Chamber of Commerce were chosen at the last meeting and are as follows: A.G.T. Survey - Nick Lashoski, Municipal General Plan Committee - W. Hallett and Dennis Shavchook, Public Relations Promotions - Marg Hallett.

CARDS OF THANKS

As many of you already know I have resigned as President of the Viking Figure Skating Club and I would like to thank all of those people who have made this past three years memorable ones.

To single our every person who has supported me would make this very lengthy. I'd like to say that without the help of Ella Wieczorek who was there without fail whether it was a winter or summer project, I'd not have faired so well. Nor, without Norma Bell's help, creative talents and moral support got me over many a troubled spot. As I've said this list could go on and on with help from people like Dennis Watson, Carl Baumgartner, Everett Norris and the parents of the skaters who have all contributed to the success of this club. My husband Joe could well have been the recipient of all the gifts and trophies I've received. At the times when there was no physical work for him to do, he was my advisor, planner and even my sounding board.

A special thank you is extended to the Junior and Senior instructors over the past three years.

To my wonderful skaters, thank you. It's a small world but the English language is known to be very restricted. To all of you good luck in the future. Shirley Voltner

Beaverhill Players would like to thank all those who attended their play, "George and Margaret" and made it such a success. Also to those who had so many nice congratulations and comments to make. This helps to let us know how you feel and gives the necessary encouragement to carry on and do better for the next one. Thank you.

To all those who turned out to the rehearsals, those who did so much work on stage areas, those who ushered, front of house, and anyone else who gave us the helping hand to do any and all the work that needed to be done. A big thank you to all.

Beaverhill Players and
Regional Arts Society

The Viking Curling Club would like to express their appreciation to the following people and businesses who donated towards the prizes for the Ladies Open Bonspiel; Viking Hotel, Viking Meats, Beraldos Beauty Lounge, Viking Insurance and Travel Agency, Co-op Service Centre, Bank of Montreal, Maxwell's Men's and Children's Wear, John Hunter, Garry's Auto., Farmer's Meats, Willmark Motors, Globe Footwear, Viking I.G.A., I.D.A. Pharmacy, Kelly's Hardware, Mel Amundsen, Keith McLaren Viking Restaurant, Runicks Trucking, Doug Weeks, The Weekly Review, Viking Confectionary, Jean's Flowers, Ann's Barber Shop, Joan's Western Wear and Viking Giftware and Jewellery.

Also thank you to all the out of town rinks and our own members who worked so hard to make this another successful curling season.

CARDS OF THANKS

Our families would like to thank everyone for their kindness shown in our recent reavement in the loss of our father and grandfather, Harry CHILD.

A special thanks to Rev. J. Bennett, the Ven. Arch Deacon Coles, Mrs. Ila Sorensen - organist, United Church Choir, Honorary pallbearers, pallbearers, Ronaghans Funeral Home and the ladies that served lunch after the service. To the folks that sent flowers, cards and brought food to the house, and especially to our friends that did the little extra things that needed doing.

It is with a great deal of appreciation and thought that we thank you all.

Eileen and Lloyd Connelly and family; Gwen and Ian Daniel and family; Ralph and Lois Child

I wish to thank my friends and neighbors for the get well cards I received while in Royal Alex Hospital. Also the Buffalo W.I. for the nice basket of fruit of all those who dropped in to see me after I came home. These kindnesses help so much to your recovery. Thanks again. James Citadel

I wish to express my sincere thanks to my family and all my friends for their cards, gifts, flowers, chocolates, etc., during my ten week stay in the hospital. It certainly made the long days shorter. Many, many thanks.

Sincerely, Murial Chamberlain

Pop, coffee and doughnuts were served after the bingo.
Club Reporter — Clayton Rauser

Congratulations

Are Extended to

GEORGE RITCHIE of RITCHIE AGENCIES

on the Opening of his Business in Viking

George Ritchie, successor to Mr. Bill Pobuda of Pobuda Agencies, has recently moved his family to Viking and is now looking forward to meeting and serving the residents of Viking and surrounding district through Ritchie Agencies.

Over the past fifteen years, George's employment has been linked to the livestock and agriculture industry, with an Edmonton base. He has spent the past 12 months attaining schooling and credentials pertinent to the fields of insurance and real estate.

George, his wife Sheila, and three children, Trevor, Todd, and Tannis, are now living in Viking, having purchased a home in the newly developed northwest section of town. They moved during the spring break with the two boys starting classes at Viking on Monday morning.

The family bring with them a keen interest in sports - Sheila being an active curler and the boys quite handy with hockey sticks. George curls, has played ball, and questioned as to whether we had a golf course.

Ritchie Agencies will provide service in the fields of real estate and insurance, as well as meeting your Red Rann oil needs. George extends an invitation to drop in and get acquainted and hopes to be of continued service to all former customers of Pobuda Agencies.

The following members of the Viking Business Community Welcome George and his family.

W.I. Conference Held at Irma

On March 28th, the Women's Institutes of the Wainwright Constituency held a Handicraft Workshop in the Irma United Church. Mrs. Kellar was in charge of registration which began at 9 a.m.

At 9:45 Mrs. Gunn, Constituency Convenor welcomed all those present. Mrs. Gunn then introduced Mrs. Frances Prosser, Handicraft Convenor for the Wainwright Constituency.

Mrs. Prosser outlined the programme for the day and she also told of many inquiries she had heard about obtaining entertainment material such as short skits. The following addresses were given in this regard. The Cultural Affairs Department, Government of Alberta, 11th Floor C.N. Tower, Edmonton, Alberta. The Department of Extension, University of Alberta, 82 Avenue and 112 Street. Department of Christian Education, Canadian Council of Churches. The Huer Publishing Co. P.O. 248, Cedar Rapids, Iowa.

The baking list for the conference was then discussed. It was moved by Muriel Rawluk, seconded by Lorna Jackson the list to be the same as last year.

At this time the ladies divided into two groups, some to do beadwork and some for batik. Mrs. Gladys Holt instructor for the beadwork, brought along a good supply of materials and with the assistance of Mrs. Mildred Bridgeman and had the ladies making necklaces. Mrs. Holt also brought along a good display of beadwork that she had done.

Barbara Grannigan, Home Economist, instructed the batik class. Samples of Batik were displayed then everyone made their own sample from the materials supplied by Mrs. Granigan. Crayon work was also shown and discussed.

Following these classes Mrs. Enger conducted a session on how to read and interpret crochet patterns. This proved a very worthy topic, and many ladies felt they could now go home and follow patterns much more easily.

At noon a delicious Pot Luck dinner was enjoyed. The Irma Women's Institute did much of the extra work, serving, dishwashing etc. This was much appreciated by all.

Two groups were again formed for the afternoon classes. Judith Marshall, Home Economist from Lloydminster demonstrated the art of macrame. Materials were provided and the ladies all made samples while learning various knots and procedures.

Barbara Grannigan conducted the Ethnic Cooking Class. Recipes were distributed and several Mexican and Chinese dishes were prepared by the ladies. Mrs. Grannigan brought along an electric tropa cooker. All the ladies tried this and were enthusiastic. The results of the class were sampled and enjoyed. Three loaves of quick breads were then displayed. Mrs. Grannigan told what is looked for when loaves or quick breads are judged and explained the good and bad points of those displayed.

The theme of the day was Happy Hands. This proved very appropriate for the 50 ladies who enjoyed the day.

At the close of the Workshop, Mrs. Prosser thanked everyone for helping with special thanks given to Barbara Fleming, assistant Handicraft Convenor for the work she did for the Workshop. At this time gifts of appreciation were given to Barbara Grannigan, Mrs. Holt, Mrs. Enger and Judith Marshall.

Mrs. Gunn Constituency Convenor thanked Mrs. Prosser and Mrs. Fleming for all their work in helping prepare the Workshop. A small gift of appreciation was presented to each.

Chacutenah Manor

Get well wishes are extended to Mrs. J. Lambert who is presently a patient in the Wainwright Hospital. Her daughter and son-in-law, Mr. and Mrs. R. Charron of Camrose, visited her on Friday, returned to the Manor and spent the night with Mr. Lambert.

Mrs. H. Cockrell is at Spruce Grove for a two-week stay at the home of her daughter, Mrs. G. Burke.

Mrs. McLean is visiting her niece, Mrs. C. McCleary at Camrose.

Recent visitors with Mr. and Mrs. Hooper were their daughter and her husband, Mr. and Mrs. Semple of Wainwright.

Ladies from the Royal Purple Lodge entertained us on Wednesday evening. Mrs. G.R. Guitner opened the program with a few introductory remarks. Mrs. R. Lovig who had accompanied twenty-seven High School pupils on the New World Educational (Mediterranean) Cruise, gave us a comprehensive and amusing account of that trip. Happy Birthday was sung to Art Larson. The ladies served a nice lunch, complete with birthday cake which had been nicely decorated by Mrs. Soucey.

Mr. Harry Riley, on behalf of the Manor family thanked the ladies for a pleasant and entertaining evening.

Mrs. McRoberts accompanied Mr. and Mrs. Dick McRoberts to Calgary where they spent the weekend with Mr. and Mrs. D. Klein (nee Sheila McRoberts).

"Windsor, that's our recommendation

If you want barley that's similar to Galt and Klondike in yield and quality, plus has resistance to leaf scald (especially adapted to Zone 3), you will recognize Windsor as the king of the feed barley varieties.

We do: that's why you can buy Windsor at The Pool."

Irma News and Views

The final yoga session was held in the Irma Drop-In Centre on Friday evening, March 31st. 31 Seniors and others took part and the following is a list of the winners. Peggy Orscheski, Edith Cockroft, Evelyn White, Agnes Larson, J. Jackson, Evelyn White, Agnes Lars and Ed Haugan, Annie Milne, Ed Haugan, Lewis Littlewood, Clara Adamson, Kitty McNeil, Dora Barber and Minnie Jackson, Bob Burks and Agnes Larson, | Roy Burton. The blackout for $20.00 was divided between Jack Ballentine and Gordon Herder. Watch for posters announcing the date of the next bingo.

Congratulations to Mr. and Mrs. Dennis Erickson on the arrival of a son on February 26th - Kirby Kjell, a brother for Teena. Proud grandparents are Mr. and Mrs. Ralph Erickson and Mr. and Mrs. Clair Lukens of Irma.

Joyce Fowell from Calgary visited with Mr. and Mrs. Clair Lukens and Mrs. Clair Prior.

Norman Bartholow from Sundre has been visiting with his grandparents, Minnie and Jim Jackson, as well as his sister Joyce, uncle Arthur, Marilyn and family, and uncle and aunt Eddie, Lorna and Howard.

The month of March, which came in like a lamb, was more or less lamblike until the last few days when we got some snow and some really chilly winds. The wind from the east which is a bad wind (as the old Irishwoman said - no matter what direction it comes from) is always chilly, or as a Canadian was heard to say, "It's a lazy wind". It's too lazy to go around a person so it goes right through.

We are glad to see Gunnar Larson home again and looking hale and hearty after his stay in Viking hospital, a minor operation and a second trip to Viking last weekend.

Mary Lambert was taken to Wainwright hospital during the week feeling not at all wekk. John Lambert has been under the weather too and made several trips to see the doctor in Wainwright, but was not hospitalized. He's batching at the moment.

George Foreman has been under the weather for some time with a touch of the flu which has been so prevalent in the district for the past several weeks. He visited Dr. Moffat at Viking during the week where he discovered that his blood pressure was higher than normal. The prescription which the doctor gave him has improved his condition considerably and he is feeling much better.

Fay Pedel is in the University hospital and expects to be there for several weeks or at least until after the baby arrives. The best wishes of the community are extended to Fay for a happy ending to her hospitalization.

Profile: Gwen Seip

One lady with an impressive track record when it comes to banking, is Gwen Seip of Irma.

Gwen is the new manager of the Bank of Montreal's Irma branch. She is part of a pilot project in that it is the first time a woman has been put in charge of a rural bank branch. Gwen says there are six or eight lady bank managers in the urban centers of Edmonton and Calgary but as far as she knows, she is the first in a rural community.

She was born in Edmonton but was raised Sedgewick where her parents had a farm. After completing high school in Sedgwick, she "went banking".

Gwen began her banking career in the Toronto Dominion Bank in Red Deer in October of 1961, where she worked for two years. In December, 1963 she started at the Royal Bank in Red Deer, a job that lasted for almost six years. She was also married during this time and gave up working when she gave birth to a girl.

After the birth of her daughter in 1969, Gwen returned to banking again, this time in the Bank of Montreal in Red Deer. In September, 1971, she transferred to Yellowknife and, in 1973, to Edmonton where she filled the position of Administration Manager. She kept the same position when she was transferred to Calgary in 1975.

In 1977, Gwen had to move again, not only from Calgary to Ponoka, but also up to the position of Accounts Manager. This was another pilot project in that no woman had filled that position in the area before her. In January of this year, she was given the job of Branch Manager at Irma.

When asked how she liked all the moving, Gwen replied light heartedly "Join the Bank of Montreal and see Alberta."

Now that she is settled in at Irma, she hopes to have some time for summer sports, like water skiing, reading and collecting stamps. She also has her hands full raising her nine year old daughter single handedly.

Gwen may not have lived in Irma very long but she is already the Secretary-Treasurer for the Chamber of Commerce. She also hopes to be able to get out and meet some Irma residents when it warms up.

Do You Know The Bible Says

By Mrs. W. Myers

For as I passed by, and beheld your devotions, I found an alter with this inscription, TO THE UNKNOWN GOD. Whom therefore ye ignorantly worship Him, declare I unto you. Act. 17: 23

This scripture fits the situations in many people's lives today. They believe in God as a real Spiritual being, the creator of the universe, the Father of Jesus Christ, and also they believe that Jesus was born las manger, and was crucified, rose from the dead and ascended back to heaven. All these things are true and thousands are found at church on Sunday mornings worshipping such a God, though they have never personally and intimately become acquainted.

To them, He truly is THE UNKNOWN GOD. Unless we see Him as the One who abhors sin but loves the sinner enough to send heaven's best to redeem the sinners, and go to Him in true repentance of our sin, and accept Jesus Christ as our very own personal Saviour, we are only falsely worshipping THE UNKNOWN GOD.

As a child unborn, as yet we do not know our father, but after we are born into the family it isn't long until we know our father and our brethern; so it is the same in the Spiritual realm. If we haven't been born into the family of God we cannot know God as our Father, nor can we call Him our Father. That new birth is the experience all true worshippers must have to begin with.

St. Paul was a worshipper of God, and he hated anyone who made themselves equal with God or claimed to be sent from God. Therefore God had to bring him to his knees on the road to Damascus, (Acts 9) to show him that he was rejecting the Very Son of God that could make his worship genuine, and that God would no longer by THE UNKNOWN GOD to him.

St. Paul writes of communications with the people of Athens in Acts 17: 15-34.

In verses 27-29 Paul explains how they must seek the Lord Jesus and find in Him that we are the offspring of Jesus Himself when we desire Him to come into our hearts. He makes the unknown God to become a very real personal Lord whom all who possess Him experience His closeness, through every day of their lives, and a blessed Hope for eternal Joy with Him when life is finished here.

Weekly Inspirational Corner

Jesus saith unto her, Thy brother shall rise again.

Martha saith unto Him, I know that he shall rise again in the resurrection at the last day.

Jesus saith unto her, I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live:

And whosoever liveth and believeth in me shall never die. Believest thou this?

She saith unto Him, Yea, Lord: I believe that thou art the Christ, the Son of God, which should come into the world.

St. John 3: 23-27

COUNTY OF BEAVER

FIRE PERMITS

The period between April first and October thirty-first of each year is declared a fire season. Any person lighting a fire, (other than an outdoor campfire for cooking and warming purposes which is never left unattended) is required to obtain a fire permit. In the County of Beaver, fire permits are obtainable (no charge) from each County Council member or the Agricultural Fieldman. Failure to obtain a fire permit or other contreventions of the Forest and Prairie Protection Act could result in a fine of up to $300.00 or to 90 days imprisonment or both.

FIRE IS A SERIOUS MATTER TREAT IT WISELY

Poor Money Management

From A Series of Articles by Alberta Consumer & Corporate Affairs

Calgary Actor, Graham McPherson, is not getting much sleep these days to make a point — that wise money management help reduce family tension.

Poor money management can lead to family tension. Al Park, Supervisor of Family Finance Counselling for Alberta Consumer and Corporate Affairs relates the following story to illustrate the pitfalls of poor money management. This is a typical case history.

"You really can't blame Bill and Marie for feuding. They have backed themselves into a corner with their spending. So now they're taking it out on each other. Such a pity really. Because Bill and Marie started out so well; a happy couple with secure jobs and a bright future.

But Bill's "CB" hobby has placed a real strain on their finances. He's always buying an extra speaker or power unit. Marie, too, has made her mark in most of the downtown boutiques. Sometimes, it seems they're competing with each other to see who can spend the most. Right now Marie's ahead in the race. And although Bill's not far behind, he's starting to feel an inner desperation and he's blaming her for everything."

Money is one of the major emotional battlegrounds of marriage. Not surprisingly, family tensions often develop when the monthly paycheque doesn't cover all the desires of both partners. And then the arguing starts.

Couples often argue about money because it is less threatening than dealing with underlying and unresolved differences of opinion that exist in the marriage. It's frightening to recognize these basic differences. This in turn makes it difficult to make family decisions in such a way that they meet both value systems. But if the couple don't talk about their clashing goals and value systems, family tensions won't be resolved.

Al Park, Supervisor of the Family Financial Counselling Program at Consumer and Corporate Affairs, suggests qualified counselling would probably be Bill and Marie's first step towards ironing out some of their domestic problems. If your situation sounds similar, try to work out some of the issues together. Thinking and talking and planning with your partner is very important. Many couples are guilty of not talking about money until a problem arises. By then it's too late to agree on realistic goals and budgets.

If you don't know how to start this discussion about financial goals, Al Park recommends trying this little "test". Write your answer to the following questions on a piece of paper, have your partner do the same, then compare answers. Ready? Here goes. What are the three financial goals that you would like to achieve

A) Within the next year?
B) Within the next five years?
C) Within the next 20 years?

Discuss your choices with your partner. Were your answers identical? Were you surprised by your partner's answers? Why did you make the choices you did? Can your partner answer the same question?

If you really listen to your spouse and if you do want to do what's best for your entire family, you should be able to come to a joint decision about financial goals for the future. Make sure your neighbours get their rest, so work on this together.

Financial difficulties are often not a question of dollars and cents but of attitudes and skills. Learning wise money-management skills might be the solution. It's all in a booklet you can send for. Just ask for "Before You Go Under - A Self-help Financial Management Guide", available from Alberta consumer and Corporate Affairs, Post Office Box 1616, Edmonton, Alberta T5J 2N9.

Irma Figure Skating Club Presents "A Cosmic Fantasy"

At the beginning of the Irma Ice Show "A Cosmic Fantasy" the club crowned the 1979 Queen. Pictured [left to right] are 2nd runner up - Miss Beverly Bell escorted by Bob Allen, 1st runner up - Miss Lori Prior escorted by Brian Burr and Queen - Miss Darlene Lockhart escorted by Kevin MacKay.

Despite the cold windy weather, a large crowd was on hand to witness "A Cosmic Fantasy" presented by some 95 members of the Irma Figure Skating Club. Mr. Erling Nilson was very capably acting as M.C. for the evening.

The program began with O Canada following this was one of the special features of the evening - the crowning of the Carnival Queen. This year's Queen was Miss Darlene Lockhart and runners up were Miss Lori Prior and Miss Beverly Bell. The girls all worked hard and the club appreciates their every effort which made this part of our ice show the success it was.

Mrs Evelyn Larson and Mrs. Solveig Raanok spent a great deal of time organizing our Queen contestants and without this devotion of time and help this event would not have been possible.

The first number: Robot Drill featuring a duet by Dawn Kellar and Carrie Lein, was much enjoyed. The next four numbers were presented by our youngest skaters. The Sun Goddess, a solo skated by Miss Rhonda Lovig followed. The tenth number presented a mini-finale that featured the majority of our youngest skaters.

In the second half of the program the crowd enjoyed a disco and rock'n'roll number by the older girls. Another feature was the presentation of "Man in The Moon" a solo by Miss Shauna Skori with younger girls portraying moon patrol.

Colossus Omega, a solo by Miss Charlene Lindmark with Omega's troops featured our senior skaters. Each and everyone of our skaters from beginners to seniors put on a fine show and it is certainly hoped that they will continue.

Our producer and director, Mrs. Janet Inkster deserves a great deal of credit for the work and time she has spent organizing the show. With the help of many parents sewing costumes, setting up props and lighting, and all the jobs too numerous to mention, the show was produced as scheduled. A job well done.

Mrs. Mary Newton did an excellent job of organizing the installation of the new P.A. System before the ice show.

The 1978-79 executive: Directors - Jean Smith, Nina Keller, Bev Copeland and Linda Minchau. Secretary - Carol Creasy. Treasurer - Stella Glasgow. Club Professional - Mrs. Dee White. Junior Club Professionals - Heather Barss, Jeannie King and Gail Orcheski. Miss Faye Lein - helper with the pre-schoolers.

Last Friday, the Viking 4-H Light Horse Club gathered at the Cikaluk farm for a project meeting. The members spent the first while learning and discussing how to handle their horses and the last half of the afternoon utilizing those skills in races, contests and general practice. It was the first time the club had been able to gather together with their horses. Shown above is one member as she tries the figure eight. Staff Photo

Viking Rink Wins Texaco Challenge

The Doug Dobry rink of Viking captured the Texaco Challenge Cup at the Alberta Farmer's Texaco Bonspiel final playdown held in Grande Prairie on the weekend of March 24th. Pictured are the team [from left to right] Skip - Doug Dobry, Third - Gordie Maxwell, Second - Donald Hailes, and Lead - Vera Hailes.

Following the winning of the Viking Texaco Farmer's Bonspiel in late February, the Doug Dobry rink of Viking advanced to the Alberta Finals held in Grande Prairie on the weekend of March 24th.

In a tense, exacting game the Dobry rink over came their opponents - the Henke rink from Westlock, to bring home the Texaco Challenge Cup.

They defeated the Henke rink 5-4 in ten ends of play.

Both rinks played almost flawlessly, each making fine and sometimes incredible shots that kept the crowds cheering. Dobry picked up one point in the first end. Henke came back and scored singles in the second and third. Not to be outdone, Dobry scored three in the fourth end then lost one in the fifth and scored another in the sixth end.

At this point it was 5-3 in favor of the Viking rink. Henke picked up another point in the eighth end, with the teams blanking the seventh. After blanking the ninth end, both skips had to have optimum curling from their teammates and were not let down. After the lead, second and third shots were made, Henke remained with one rock biting the 12 foot circle.

Henke's first rock drew to the back of the four foot only to have Dobry freeze his rock against it to become shot rock. At this point Henke had quite a difficult shot and just barely missed it by bumping a guard. Dobry did not have to throw his last rock.

Successful Talent Show Held At Irma

The Irma School Senior Band, directed by Mr. Dan Nash provided the music for the Irma Home and School Variety Show on Friday night. Staff Photo

On Friday, April 6th, the Irma Home and School Association held a Variety Show at the Irma School.

The purpose of the program was to raise money for a new sound system for the stage. M.C. for the evening was Mr. Jack MacKay who introduced all of the participants.

The first act of the evening was a family act consisting of the four Skori sisters. They sang the songs "Try a Little Kindness" and "Shepherd of Love" very delightfully.

They were followed by the Junior Band who played three songs "Mash", "Battle Hymn of the Republic" and "Royal March".

Next on the program were modern square dances by "Charlie's Angels" and "Gave Gordons".

Following the square dancers Jim Lingley and his wife sang two songs to the accompaniment of guitars.

A short skit called "Lady in Pain" was presented. It was a humorous rendition of a woman who was being operated on by a would-be doctor. Members of the cast consisted of Charlie Allen, Claudia Williams, Marguerite Burr and Josie Holt.

Monica Chavarria, dressed in a bright yellow dress, danced a quick Mexican dance for the audience.

Next on the program was the duet of Irene Tomlinson and Debbie Charist.

Mrs. Lillian Anderson played two lively tunes on her accordian. She played San Antonio Rose and Missouri Waltz.

Following the above act was Bob Williams who sang "I'm a Believer" and a tune he wrote himself called "If They're Done Right by You".

Vicky Nilson, accompanied by C. Erickson on the piano and the beautiful song "You Needed Me.

The finale of the evening was the performance of the Senior Band who played "You're The One I Want", and I Don't Know How to Love Him" and "Trumpetendia" featuring Brian Burr.

The performance of the band brought the very enjoyable evening to a close. Mrs. Josie Holt, head of the program committee would like to thank those who performed and also those people who attended.

The Grand Prize of $1,000 at the 1979 Viking Lion's Windfall Dinner was shared by Lawrence Tevered [centre left] and Earl Hessler [centre right]. Making the presentations are [left] Bev Munro, M.C. for the evening and [right] John Baumgartner, President of the Viking Lions Club. Staff Photo

Family Home Purchase Program Implemented by Government

Tom Chambers, Minister of Housing and Public Works, announced that the government has implemented the new Alberta Family Home Purchase Program. Effective immediately the Alberta Home Mortgage Corporation administered program will provide mortage financing and subsidies to assist low and middle income Alberta families with the purchase of their own home.

Both builders who wish to construct homes on a speculative basis and individual home owner applicants are eligible for financing. Home owner applicants may purchase an existing home, engage a builder to construct their home or if qualified, act as their own general contractor for the construction of their home.

Subsidies to families are based on income and can be a maximum of $219 per month. This subsidy translates to an effective mortgage interest rate of less than 4 1/4 percent. In order to be eligible for a subsidy, families must have resided in Alberta for two out of the last five years.

Both new and existing homes are eligible for financing under the Alberta Family Home Purchase Program. The total cost of an existing home cannot exceed $52,000 while the maximum price for a new home ranges from $52,000 to $62,000 depending on the lot price. Down payment required may be as low as 5 percent of the purchase price.

The maximum mortgage available under the program is $57,000 and the maximum size of the home allowable is 1184 sq. ft. (110 square metres) for a bungalow, bi-level or split level or 1507 sq. ft. (140 square metres) for a two-storey. Families who qualify will have an adjusted income of $21,000 or less. In adjusting gross income up to a $4,000 deduction is granted for the wages of a working spouse and $300 will be permitted as a deduction for each dependent child.

In addition to possibly receiving regular subsidy first time home owners who obtain financing for new modest homes under the Alberta Family Purchase Program, will be eligible for an additional monthly subsidy of $20. The Starter Home Owner Subsidy will run for a 30 month period.

In addition maximum income limits have been raised to provide for a more broadly based program.

Previously the maximum allowable price for an existing home under the Direct Lending Program was $44,000. The increase in this maximum to $52,000 under the Alberta Family Home Purchase Program will allow purchasers of existing townhouse condominiums and modestly priced duplex and single family homes to obtain financing and subsidies through Alberta Home Mortgage Corporation.

For example a family with an annual income of $13,000 could purchase an existing home for $52,000 with a down payment of $2,600 and obtain a mortgage for $49,400. Assuming property taxes are appropriately $600 per year, the normal interest, principal and tax payment on this home would be $496 per month. However, this family is eligible for a monthly subsidy of $149 so they will only have to pay $347 per month for their home.

We Need Day Care

Beginning next week, some businesses in Viking will be opening from Monday to Friday, instead of from Tuesday to Saturday. Other business people have indicated that they may open their businesses from Monday to Saturday. The increased length of opening for the businesses in Viking should create an increased demand for people to work in these establishments.

Presently in Viking there is a large number of women who work. Many of these women have children of pre-school age. At this time, these women, if they desire to work, are forced to put their children in the care of a babysitter at a fixed daily rate. In some instances, these babysitters supply little more than a "sitting" service, while in others, the babysitters work with the children to aid in the child's education. With the possible increase in the demand for employees in some businesses in Viking, and the desire by some women with children to work, should we not be working towards providing a proper day-care facility for the people in the area?

The number of women moving into the work force is increasing. As well, the number of single parent families is also on the rise. There is a large number of children presently placed with private babysitters. With more job openings in Viking, this number is likely to increase. There should be enough pre-school children in the area to warrant the development of a day-care program in Viking.

With government funding available for such facilities, local authorities should endeavor to spearhead a movement towards the development of day-care. At the least, they should make available to those who do work on such a project, all of the resources of the Town which will aid in the development of a day-care program.

The development of a day-care program, with qualified personnel, will aid in the development of the child. As well, it will provide for a consistent level of "babysitting" and an assured place for the child to be taken.

A day-care program is also the type of thing that aids in attracting businesses and industries to rural areas for it provides for proper and consistent pre-school child care.

The merits of such a program in this day and age far out weigh the demerits. All that is needed is a united effort by the political and business leaders and the concerned parents of the community to develop a day-care program. We should get at it!

Theatre Unique to Present "Godspell" at Holden

The musical theatrical company is rehearsing six nights for the production of "Godspell".

Director Chuck Brewer said the 11-member cast had been rehearsing since January and so far Fort McMurray's first major musical theatre production is flowing without any hitches.

This production will be coming to the County of Beaver, Regional Arts Centre on May 6th, 1979 with the performance scheduled for 2:00 p.m.

By the time opening night comes around the production will have been in the making for more than a year. It would be a dream realised, said Mr. Brewer.

Musically the performance should be excellent, he said. Musical director Murray Campbell wrote a complete overture for the production and will prepare seven musicians to provide the necessary accompaniment for the singers.

The 11 member cast held a dance workshop last weekend under the guidance of Jill MacDonald.

Miss MacDonald is the part owner and operator of the Edmonton Arts Centre and has her own dance group which operates under the name of Synergy.

She said Fort Ft. McMurray's Theatre Unique would be a regular stop-off for her over the next few months as she helps with the choreography of the musical production.

While she is not in town, local dancer Roberta Walker would handle the group, she said.

Ms. MacDonald said because none of the actors were dancers they would have to work, but the eagerness and drive they displayed should be a strong factor in their favor.

The cast has finished three complete dances, but there are many more to work on. In April she plans to move to Fort Mc. Murray until the production is over and help the dancers full time.

"We have only just begun", she said.

If there is anything lacking in the presentation of "Godspell" it is the lack of theatrical expertise on the part of the crew and the director.

To combat that factor, Mr. Brewer said he would beg, borrow or steal the best people he could find in order to help make "Godspell" a great production.

That is why Ms. MacDonald and executive producer for CBC Edmonton - Mark Schoenberg had been contacted to help the local actors and director find their way.

Keep May 6th, in mind and don't miss out on this fine performance which will be presented at the Regional Arts Centre in Holden at 2:00 p.m.

Village of Holden Minutes

The regular meeting of the Council of the Village of Holden were held on March 21, 1979 in the Village Office.

Don Allan, representative of the Tofield Hospital Board reported that Councils request for the Hospital Board Minutes had been turned down due to the confidential nature of the minutes. He was requested to see if the business portion of the minutes could be forwarded

A proposal is to be drawn up for ambulance service to include Tofield, Holden, Bruce, Viking and the County of Beaver District residents.

Marjorie Holder discussed with Council changes in the General Plan that were suggested at the March Chamber of Commerce Meeting. Copies of the proposed plan will be distributed in April with the public meeting being held on May 16, 1979.

Moved that the sale of lots B & C Block 25 be subject to the following conditions: that the purchaser absorb the costs of subdividing and surveying to allow for a 20 foot lane that aligns with the lane in Block F, and that the dimensions of these lots be as follows: B-85 X 140 approximately; Lot C-82 X 140 approximately (less corner cut-off). Carried.

Moved that Council approve in principle the proposed tentative plan for Subdivision of part of Block G, provided the uses are commercial along 50 Street and residential in the remaining portion with the following conditions being met:
1. That the plan be redrawn to insure that all residential lots meet the minimum requirement of 6,000 Square feet (lot B).
2. That Council will undertake to amend the zoning by-law to reflect the uses shown.
3. That it will be a requirement of subdivision that the developer will enter into a developers agreement. Carried.

Moved that Podmore Engineering be requested to give an estimate on the following additional items related to the servicing master plan:
1. staging of future developments.
2. servicing standards (see page 8 of plan)
3. standard developers agreement including street construction
4. help in establishing off-site levies.
5. areas for dry industries (see page 17 of plan)
6. standards for street construction
Carried.

Moved that the matter of the diversion ditch be referred to the lawyer and the engineer. Carried.

Due to time and amount of business left, Council agreed to hold a special meeting on Monday, March 26, 1979 at 7:30 P.M.

Moved that Council record approval of the teen club agreement deleting the section under #7 "on the streets, sidewalks and alleys adjoining the hall" in consultation with the lawyer. Carried.

The agreement is to be signed by the Mayor or Deputy Mayor and Secretary Treasurer and a representative of the Teen Club prior to office closing the Friday before each dance.

Moved ratification of the action of the Hall renovation committee in authorizing Bray Mechanical to do the plumbing work at the hall at a price of $2,699.00. Carried.

Mayor Shykora moved the meeting adjourn at 11:55 P.M. Carried.

Viking Girl Receives Scholarship

Donna Sloboda of Viking was the recent recipient of an Alberta Wheat Pool scholarship for high academic achievement. She is presently completing a one year course in Early Childhood Development at Lakeland College in Vermilion. The award was made on Saturday March 31, at the College during Awards Night.

Holden and District News

Patricia Linda Hrybida was honored at a bridal shower held on Saturday, April 7th at the Holden Legion Hall. A large number of ladies came to honor Patricia. Bingo games, speeches, dressing of the bride to be in pyjamas and lunch were much enjoyed by the ladies. Later Patricia thanked the ladies for coming and for the lovely gifts. Patricia Hrybida and Randall Thomas MacDonald will be married in Holden on May 5, 1979. By Anna Shavchook

Committee Required for Home Care Program

Did you know---That the Provincial Government is providing funds to set up and maintain a home-care program for senior citizens and any others who need extra help at home so they may remain at home and out of hospitals or Nursing Homes and Lodges as long as possible.

In order for Viking to participate and get their share of the funding, we must set up an operating committee! A meeting will be held in the Court Room of the Viking Civic Building, on Wednesday, April 18th at 7:30 p.m. All citizens are welcome --- Please plan to attend so that we can explain the service and set up the committee.

Representatives to the Central Home Management Committee in Vegreville are Mr. J.H. Reddick and Dr. A.E. Caldwell.

Viking Recreation Board Meets

A regular meeting of the Viking Recreation Board was held on April 3. Vern Hafso called the meeting to order with Robin Bittorf, Jim Jepson, Phyllis Lefsrud, Georgina Nordstrom, Ross Brower, Lea Josephson and Brenda Weichnik present.

The minutes of the February 20 meeting were adopted as printed. Business arising from the minutes was as follows:

Tennis Program - Arena management has not had a meeting or given us a definite answer as to the use of the Arena for our tennis program. Vern Hafso is to contact the Arena Management for a meeting. A "Learn to Play Tennis" clinic is to be held here in the future.

Summer Leadership Program - It was stated that we have reserved two workers for a summer playground program.

The committee drawn up to put together propaganda for recreation sites in Viking presented their proposals and a scale drawing of a recreation site with all facilities in one area - namely the Viking Centennial Recreation Park and the reclaimed sewage lagoon. It was moved that we present these proposals to council.

A letter from Assoc. of Recreation Facility Personnel with attached membership application form was presented. It was decided we would not join at this time because we as yet have no facility personnel.

A letter was received from Jim Singbeil, Regional Rec. Consultant with information and application for grants available in this "The International Year of the Child".

Also received was a letter from the Town of Tofield stating that they will not approve or consider the 1979 Budget of the Beaver Regional Recreation and Parks Board until a detailed audited statement has been provided for 1978 and all funds relating to the 3 mill program since it was established.

A discussion followed on the upcoming Minor Ball season. It was decided to advertise in the local paper for coaches and volunteer helpers. Also to advertise for volunteers to help with the Tennis Program. Interested people are asked to attend our next meeting to be held on April 24th. The meeting was adjourned.

Echo-Rodino Report

Missed from last week's news was the following item: Mr. and Mrs. Glen Greenwood of Edmonton and Len Neefe of Viking were Sunday visitors to the Bruce Greenwood residence.

Bruce and Yvonne Greenwood, along with Teresa and Harold were shopping in Camrose and returned home with a car for Teresa and a motorbike for Harold.

Wednesday night the hockey players for the Irma teams from this area, attended their annual banquet. Robbie Williams received a hockey record book for his years efforts and Shannon Hollar a trophy. Shane Hollar was very pleased at being presented with the Most Valuable Player trophy. Shane had just arrived home the day before the banquet, after spending several days in the hospital, recovering from the blow of a puck which he received during the game on Saturday night. Parents attending the banquet were Mr. and Mrs. Phil Holt and Mr. and Mrs. Bob Williams.

Mr. and Mrs. Wes Bauer took in a day of shopping in Edmonton last Friday. While they were away, several of the neighborhood women, with mops in hand, took over the house and did Christine's Spring Cleaning. Many hands made the job easy.

Mr. and Mrs. Phil Holt took their daughter Mary Ann and her friend Lynette Barrs to the Rodeo in Edmonton last Thursday night.

Mr. and Mrs. Mike Mackowoski attended a wedding in Looma over the weekend.

Mr. and Mrs. Errovl Beckett and girls of Wetaskiwin were Sunday visitors to the Bauer home.

Viking O.O.R.P. Meeting

The regular meeting of Viking O.O.R.P. was held in the lodge rooms April 3 with twenty members present.

Plans were finalized for the District meeting to be held in the Community Hall April 22. As our lodge is to be responsible for the seating of officers, a practice will be held in the hall April 19, at eight o'clock. It is hoped that as many members as possible will attend.

It was reported that the bingo jackpot is now up to one thousand dollars, and the number drawn will increase by one each week until the money is won.

Lydia Hanson, for the nominating committee presented a slate of officers for the coming term. Moved by Myrtle Ronaghan, seconded by Martha Holmes that we approve the nomination of the officers numerated. Carried.

Donations were voted to the Viking Brownies, and to the Elks' Purple Cross fund for deaf detection.

The attendance prize, brought by H.R.L.Helen Piscia was won by Joyce Nasland.

1980 Chevrolet Citation

The first Chevy of the 80's has so much to offer. Small outside with its sleek, aerodynamic design, it's big inside, seats 5 adults. Citation is sporty, swift and smooth. The front-wheel drive gives you good traction in rain, snow and mud. Choose from 2-door coupe, 2-door club coupe, 2-door hatchback coupe or 4-door hatchback sedan. Standard 4-cylinder engine or optional V6. Come in and see Citation for yourself. Test drive one soon.

Chevrolet

See the first front-wheel drive cars of the 80's with the Chevrolet & Oldsmobile names behind them.

Oldsmobile class, good looks, luxury and engineering, that's Omega. Small outside but with just about the space and comfort of a mid-size Oldsmobile inside. The front-wheel drive with transverse-mounted engine gives you more traction and stability. Step up to the 1980 Omega. Sized for the times. You'll know when you see it and when you test drive it.

Village of Holden Council Minutes

Special Meeting Minutes of the special meeting of the Council of the Village of Holden, held on March 26, 1979 in the Village Office.

The meeting was called to order by Deputy Mayor Giebelhaus at 7:25 P.M.

Moved that notice of meeting be waived and that the meeting deal with unfinished business from the March 21 regular meeting and any other business arising since that time. Carried.

The Financial Statement for 1978 has been received from the auditors. Copies of the simplified version to be sent to tax payers were distributed to Councillors.

Moved that a decision whether or not to pay damages to the Panak house resulting from water thawing will be made when an estimate of damages has been submitted. Carried.

Moved that when water is not left running as requested by the Village Foreman after water has been thawed, the homeowner will be responsible for the cost of thawing the second time. Carried.

Councillor Lemko was named as alternative representative on the Regional Recreation Board.

Moved authorization to transfer $541.15 from the Holden Minor Sports Association to the Village account to be used by the local recreation board for leadership, coaching clinics, etc., with a separate accounting of this being kept. carried.

Moved that the Mayor, Deputy Mayor and Secretary treasurer be authorized to invest frontage tax prepayments to obtain an interest rate of at least 9.75%. Carried.

Bruce Budd attended the meeting at this time questioning the fact he had been asked to look after surveying and surveying costs on Lots B & C Block 25. Moved that the secretary phone Municipal Affairs Planning re responsibility for surveying of Village property. Carried.

A request for rental of a pump by Viking was cancelled as the pump is not required.

Moved authorization to purchase an IBM Selectric Typewriter with correcting tape from Camrose Stationery at a cost of $985.00. Carried.

Moved that application be made to Alberta Environment for land reclamation at the nuisance grounds. Carried.

By-law No. 2 1979 being a bylaw empowering the Mayor and the Secretary Treasurer to execute an agreement between the Village and the Minister of the Environment relating to reclamation of the nuisance grounds.

Moved that By-law No. 2 1979 be read for the first time. Carried.

Moved that By-law No. 2 1979 be read for the second time. Carried.

Moved that the third reading of By-law No. 2 1979 be proceeded with. Carried unanimously.

Moved that By-law No. 2 1979 be read for the third and final time. Carried unanimously.

Moved that Council accept the land sale agreement as recommended by the Village Solicitor and that the necessary forms be printed Carried.

Moved that Councillors fees be paid from October 16 to March 26 inclusive. Carried.

Letters received: (Editor's note - major items only)

Moved that Council agree to lease lot 1 block 22 to the Holden and District Agricultural Society for the purpose of parking for one year at $1.00, to be reviewed annually. Carried.

Moved approval of the request by the local recreation board to hire two S.T.E.P. students with the recreation board assisting with application and job description. Carried.

Moved that the local Recreation Board budget of $5000.00 for 1979 be approved. Carried.

Alberta Municipal Affairs copy of a letter to the Director of Surveys enclosing a registerable instrument for Subdivision of Block F.

Copy of a letter from Remo St. Pierre re restrictive covenant on Block F. (letter to Municipal Affairs Planning).

Alberta Municipal Affairs re ambulance service questionnaire.

Alberta Environment re scrap metal removal by dealers.

Alberta Labour re mechanical requirements for Senior Citizens Apartments.

Local authorities board acknowledging receipt of By-law 1 1979 application.

Calgary Power Ltd. re rate increases.

Alberta Transportation enclosing a cheque for $53,580.00 representing the grant in full under the street assistance program.

Podmore Engineering enclosing a report on soil condition at the water reservoir site.

Podmore Engineering enclosing a letter from Border Paving re the 1978 Curb and Gutter and Paving Program and a copy of the reply to Border Paving. Copies of letters from Podmore Engineering to various departments and companies re the water reservoir and pumphouse.

Oleksby and St. Pierre attaching a copy of the Village of Ryley By-law to control traffic. Moved that this by-law be read by Councillors for discussion at the next meeting. Carried.

Dodsworth, Dey, Fossen and Barr accepting appointment as auditors for 1979.

Letters from Viking and Tofield Hospital Boards stating the request for ambulance service would be discussed at their next regular board meetings.

Mayor of Red Deer commending our Mayor on his address to the Chamber of Commerce in April 1978 and offering copies of by-laws and reports.

J.R. Campbell and Associates re trash burning.

Moved that Council agree with the Chamber of Commerce Promotion Committee suggestion to list residential and commercial land with Real Estate Companies to attract future growth and development, with funding coming from Rural Development and possibly with other methods of advertising being used as well. Carried.

Holden Senior Citizens Club Stating they will not apply for the grant under the Major Cultural Recreation Facilities Program.

Alberta Housing Corporation re building standards for mechanical requirements in self-contained units.

Oleksby and St. Pierre re Caveat on Block 1.

Alberta Disaster Services re advanced rescue course.

County of Beaver No. 9 re the possibility of paying debt on major facilities out of money received from the debt reduction program. Moved that Council agree to meet with the County of Beaver re this. Carried.

Alberta Labour re bathrooms for the handicapped not being required at the hall.

Copy of a letter from Dodsworth, Dey, Fossen and Barr to Alberta Municipal Affairs with comments on the financial statement inspection.

Moved the meeting adjourn at 10:00 p.m. Carried.

Bruce News

The Bruce Agricultural Society board members met for their regular monthly meeting on Tuesday, April 3 with all members in attendance. Discussion took place on the possibility of hiring a student for the summer. The annual Midsummer Social is planned for June 23.

The Easter Ham Bingo held on Friday, April 6th, was very well attended. Winners of the hams were as follows: Archie Trach, Joyce Stokowski, Audrey Jober, Morris Erickson, Jeanette Dewart, Annie Heisler, Mrs. Mokoski, Irvin Berkholtz, Bert Olson, Mary Gardecki, Jessie Cwihula, Archie Trach, Hazel Merner, Linda Lusk and Darcy Babilis. The Mini-Bonanza which amounted to $80 was won by Lorna Koppel and the door prize was taken home by Katie Misyk.

Hank Field won the quilt raffled by the Bruce Senior Citizens.

Myrna Tkaczyk is a patient in the Viking hospital. Best wishes for a speedy recovery.

The Bruce Senior Citizens held their regular card party again this week. Winners were Sigrud Erickson and Bud Hammermaster while the consolation prizes went to Mary Stogvra and Tom Dwyer.

The guest speaker for the evening was Mr. Helmet P. Entrup, Farmers' Advocate of Alberta who was introduced by Marg Hallet.

The Farmers' Advocate is an important office for anyone in the farming industry. Mr. Entrup advises, handles and assists farmers with such things as disputes, oil company leases, insurance claims, water rights and many other areas of interest to farmers.

Mr. Entrup spoke on farmers problems and land rights and mentioned that the purpose of his office was to protect the interest of the individual farmer or group of farmers. Mr. Entrup was appointed as the first Farmers' Advocate for the province of Alberta on January 2nd, 1978 and holds that position today.

Also at this Chamber meeting, suggestions were made by chamber members as to how to promote the Village of Holden and to encourage new businesses to establish here, such as an electrician.

Willian Hallett spoke on the proposed Municipal Plan for the Village of Holden. He made suggestions and proposed changes to the plan to be made to the Village Council.

Melvin Haas gave a report on the A.G.T. Survey. Marg Hallet gave a report on Public Relations and Promotion. Several other business matters ended the chamber meeting.

Bruce 4-H Girls Club

On Friday, March 30th, the Bruce Busy Bees held a meeting. The roll call was "My Favourite Subject".

All business was discussed. The Bruce Busy Bees are going to be selling drinks and cupcakes at the Bingo on April 6th at 8:00 p.m. Also, the 4-H members plan to clean six miles of the highway on Highway Clean-Up Day which will be held on Saturday, May 5th.

Our 4-H Achievement Day will be held on May 2nd, at 7:30 p.m. in the Bruce School.

Before lunch, a 4-H member talked to us on ways to use vegetable water. Lunch was served and recreation followed.

A short business meeting was held on Wednesday, April 4th. The roll call was "A Quality You'd Like in a Friend"

The cooking projects were: stewed dried fruit and orange french toast.

We want to thank the people who attended the Bingo for supporting us by buying our cupcakes and coffee.

Irma Minor Hockey Banquet Held

On Wednesday evening, April 4th, Minor Hockey held their annual banquet in the school gymnasium to wind up the season. Close to 300 people sat down to a delicious roast beef meal.

Mr. John Newton called on a few dignitaries to speak on behalf of the village and organizations that have some connection with Minor Hockey in Irma.

Coaches Phillip Larson and Wayne Gwinn asked the Tom Thumbs to come on to the stage where each player received a hockey record book for the fine showing they had made. Leslie Creasy was named the most valuable player, but was unable to be there as he had the measles.

The Mites, coached by John Ganie and Lawrence Kellar were called up and each boy received a small trophy in recognition of his efforts. Randy Ganie was selected as most valuable player.

This year the Irma Pee Wees joined with the Wainwright team for some games. First we saw the Irma Pee Wees coached by Charlie Soucy and Richard Glover. Each player was presented a pennant. Dave Shabada of Wainwright presented a plaque to John Newton to be placed in the Irma Arena thanking Irma Minor Hockey for their co-operation.

The Irma-Wainwright "B" team was called up on stage followed by the Irma-Wainwright "C" team.

Jerry Mark and Bert Smith, coaches for the Irma Bantams presented their team. Most valuable Bantam was Shane Hollar. The Lady Bing trophy went to Gordon Mark while Mr. Bud McNeill presented the Irma Restaurant trophy for most improved player of the year. Martin Boombower, also a victim of the measles, was not present so his father Mr. Dave Boomhower accepted the trophy on his behalf.

The Midget team was coached by Brian Burr, Erling Nilson and Eddie Jackson. Mr. Ole Nissen presented the Lady Bing trophy to Howard Jackson. Bradley Hill was runner up. Following this, Mr. Eddie Jackson paid tribute to Mr. George Clarke who generously gave his time to referee many of our Midget games and would not accept remuneration. a gift was presented to him with our thanks.

Irma Minor Hockey had a very successful season financially. As a comparatively small amount of money was spent on uniforms and equipment this season, we anticipate we will have to spend a considerable amount the next season.

The new time clock is a big improvement and represents a fair investment. The total cost of the clock plus installation materials, plexiglass etc. was $5,474.27. Donations came to $3,466.00 leaving Minor Hockey with the remainder of $2,008.27 to pay.

The Minor Hockey executive wishes to thank the workers, drivers etc. for their cooperation. Mrs. Phillip Larson was given a vote of thanks for purchasing booth supplies and John and Betty Ganie for looking after the cash box.

Irma News and Views

The auction sale for Mrs. Elva Spring on Wednesday, April 4th, was well attended in spite of the weather. Bidding was brisk and all lots were disposed of at satisfactory prices.

The Whist Drive in the Irma Drop-In Centre on Thursday, was attended by 28 seniors and friends. Six tables were played with Louise Prosser receiving ladies first prize with a score of 146. Jim Burton got the consolation prize while gents first went to Ludwig Satre with a score of 146. Donald Gunn took the consolation. Lunch and socializing completed an enjoyable evening.

Beverly and Albert Jackson from Edmonton spent the weekend in and around Irma visiting amongst others, Albert's Mom and Dad, brothers Eddie, Arthur and families as well as Bev's brother Ray Lewis and family.

Albert and Bev have recently returned from a five week trip to Arizona, Las Vegas etc. On the way down they had the misfortune to completely wreck their new three-quarter ton truck. They were both knocked out when the truck went out of control on a patch of black ice and went over the guard rail.

They are both enthusiastic about the kindness of everyone, road patrol, police, towing service etc. They got a new Chev truck with every option but were horrified when crossing the border on the way home. They had to pay $2,300 before they were allowed to bring their new truck across the border.

Open house in honor of Irene Hill on the occasion of her 80th birthday will be held on Friday, April 13th at the Irma Drop-In Centre from 2:30 until 5 p.m. No gifts please.

Noreen Jackson arrived home from Winnipeg by train on Sunday afternoon for a ten day visit with her mother and father and other relations. Noreen was unable to visit during the Christmas holiday due to business demands in her photo studio - "The Sun Studio" located in Winnipeg.

Mary Dempsey and her friend, Lilly Grannigan of Wainwright have returned from their two week bus tour in the States. They report having enjoyed favorable weather for the tour with the exception of a few misty mornings.

Lorna Jackson is busy enumerating in preparation for the Federal Election on May 22. She is responsible for the Village of Irma south of 51st Avenue. Margaret Archibald takes from 51st Avenue north.

By Jim Jackson

Irma New Horizons Club

The Irma New Horizons club held their monthly meeting in the Drop-In Centre on Wednesday the 4th. President Jackson called the meeting to order at 2:10 p.m. Due to the absence of the secretary Alma Enger (who is visiting her son and family in Arizona) Edith Wilson was appointed to the position for this meeting.

Minutes of the March meeting and the treasurer's report were dealt with, as well as the reports of the committees.

Marion Fischer on behalf of the recreation board, gave a comprehensive report on a variety of tours and the costs of same, which are available to senior citizens. These varied from one day to twenty-seven days in duration.

Marion promised to give all possible assistance if and when a decision was made to go on a tour. She was given a hearty vote of thanks.

A committee was elected to make arrangements to invite the Wainwright seniors to visit us and to decide the form of reception to be held for them.

The business meeting adjourned and whist, scrabble and lunch were enjoyed.

Irma W.I. Notes

The April meeting of the Irma W.I. was held at Mrs. Peggy Fleming's home with fourteen members present.

President Kay welcomed all on such a cold and windy day.

Plans were finalized for the Wainwright Constituency Conference on April 9th. Mrs. Jenny Barber is the delegate. The baking and handicraft lists were circulated and filled out.

A donation of $25 was given to the Irma school for the new P.A. system in appreciation for Mr. Charles Allan and his outdoor classes annual town clean-up program.

Donations were also made to the Red Cross Association, Multiple Sclerosis Association and the Salvation Army.

All members are asked to bring an article, wrapped for auction, to our next meeting. The proceeds of the auction are to go to Pennies for Friendship.

We will be packing parcels for U.S.C. in the fall so save some of your good used clothing. We will also make soap for this project.

Mrs. Kay Fahner gave her paper on Health and Home Economics. She spoke about throat and mouth infections and the importance of having them properly treated. She also gave hints on grocery shopping.

The raffle donated by A. Enger was won by M. Dempsey. The May meeting will be held at the home of Mrs. Elsie Satre with Mrs. A. Dootson and Mrs. G. Enger hostesses. Mrs. C. Ballentine will supply the raffle. Roll call is to be answered by telling about an article in "Home and Country".

Irma Students Participate At Festival

Once again piano students of Mrs. Lillian Copeland travelled to the Provost Festival to find out what the outcome of their hard work would be.

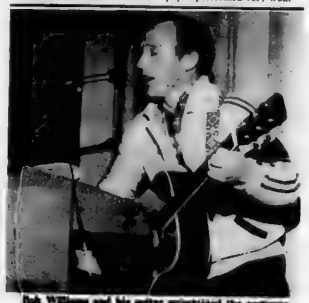
On Wednesday, March 28, the vocal duet by Irene Tomlinson and Debbie Charest shared honors with another singing group.

Thursday, March 29 saw Leonard Larson, who received a B and Kerri Larson and Deana Prior playing in their various classes.

On Friday, March 30, Blake Prior received a B for his rendition of Coronation. The Larson Trio with Kerri, Trent and Leonard received a gold seal certificate.

On Friday afternoon others entered were Alena Ho who received second in her class, Shelly Jones, Ronaye Le Page, Kerri Larson, Robyn Le Page, Diane Fleming, Leanne Creasy, Erin Le Page, Leslie Creasy, receiving second, Jacques Prior and Brook Jamison.

Mrs. Copeland said all of the pupils performed very well.



Bob Williams and his guitar entertained the audience with "I'm a Believer" followed up by an original composition, during Irma's Home and School Variety Show on Friday night. Staff Photo

Fifteen cars of the east bound C.N. Freight Train derailed about 4 miles west of Holden on Sunday at approximately noon. C.N. officials speculate the derailment was caused by a "hot-box". Staff Photo

Irma Supporters Attend N.D.P. Meeting

A number of supporters from Irma attended an enthusiastic N.D.P. meeting in the Oldtimers Hall in Wainwright, Tuesday evening, April 3, at 8:00 p.m.

Purpose of the meeting was to review and evaluate the results of the recent provincial election as well as to meet and become acquainted with Roger Melibrandt the N.D.P. candidate for the Crowfoot Constituency.

The meeting was called to order by the president of the Wainwright Provincial Constituency Association, Wes Connelly. Wes called on Allan Richards the unsuccessful N.D.P. candidate in the provincial election who gave a brief review of the campaign and an assessment of the results.

He then introduced the N.D.P. candidate for Crowfoot, Roger Melbrandt whose address was interesting and informative. He said that he was born and raised in Manitoba and for the past six years has been teaching at the Camrose Lutheran College.

In discussing plans for contesting the federal election, he said it was his opinion that door to door canvassing was the best way to propagate the N.D.P. philosophy, which is to establish an equal society where few would have too much and none would have too little.

He introduced his campaign manager, Richard Burke who spoke briefly.

Lunch was served after which arrangements were made to hold a pot luck supper in Edgerton on Friday evening, April 27th, at which Mr. and Mrs. Fritz Alwood will be guests of honor. Grant Notley will speak. A full slate of officers for the Wainwright Constituency was elected.

ALBERTA POOL

The Homemaker

By Diane Luke, D.H.E.

Marian Williams D.H.E. in Vermilion passes on this information to help with your spring cleaning.

Modern housekeeping has certainly changed from Grandmother's day. Grandmother mixed her own furniture polish with turpentine and lindseed oil, ground her oven cleaner, made her own "rag" mop and bound together her feather broom. After all that - she really went to work to clean the house.

Compare this to our time when we just stop at the store and purchase the polishes and equipment we need. However there is a lot to learn from Grandmother's methods and other home remedies. We too, have many common cleaning supplies in our home if we only knew it.

Vinegar is one home solution that has a variety of uses in cleaning:

Fabric Softener - 1 c. white vinegar in the final rinse will soften and brighten clothing.

Window Cleaner - 1 c. white vinegar to 1 quart of water will clean and sparkle windows.

Dry newspaper does a good job of polishing. Full strength vinegar will dissolve lime scales from kettles, irons, steam curlers, humidifier pads; heat the vinegar through the appliance and rinse well with clear water.

Whitens Porcelain - yellowed porcelain such as stove top or fridge can be restored to white if washed with hot vinegar.

Spot remover for Dishwasher - 1 - 6 ounces of vinegar (depending on hardness of water) added to final rinse cycle will help remove spots from dishes.

Paint Brush Cleaner - simmer hardened paint brush in full strength vinegar; remove softened paint with a wire comb or brush.

Hair Rinse - 1/2 c. white vinegar added to rinse water will lighten you hair.

Food Odor Remover - Wipe cooking utensils, cutting boards or your hands with vinegar to remove strong odors (such as onion or fish) then rinse in soapy water.

Prevent Cooking Odors - Boil white vinegar on the stove while cooking.

Quinte W.I. News

There were ten members and one guest present at the last Quinte W.I. meeting. This meeting was held on Friday, March 23, at 8:00 p.m. at the home of Mrs. Lillian Evans.

The meeting was opened with the repeating of the W.I. Creed. The reading of the minutes of the last meeting, the reading of correspondence received and the treasurer's report followed.

A discussion of old business was held, which included the Constituency Conference slated for April 9th. Mrs. Lois Crouse was voted to attend as our delegate.

The Federated Conversion and the entertainment for the residents of the nursing home was held next.

On March 30, as our contribution to the entertainment of the folks at the nursing home, we had square dancers come in and we served cake and ice cream to the residents.

A discussion of new business was then held. Items discussed were our next card party which was held on Saturday, April 7th in the Youth Centre. This was the last card party for the season and the catering for the Gas company of April 3rd, 4th and 5th were also discussed.

Correspondence consisting of a letter from the fair board and also a letter from the school were dealt with.

The visiting committee of Cleora Darling and Betty Dennett gave their report and a new visiting committee of Catherine Evans and Lillian Evans was then appointed.

Lillian Evans then presented a paper on agriculture entitled "Transplanting House Plants". This was very interesting to the members.

Roll call brought out some humor as each member not wearing green had to tell an Irish joke.

The draw for the hostess gift was held with Mrs. Alice Hoines the winner this month.

Betty Dennett adjourned the meeting with coffee and lunch following.

"Mission Possible"

The Golden Valley Lutheran Sunday School of Viking, Alta. held their third annual "Mission Possible" program on Sunday April 1st at 10:30 a.m. Their emphasis this year was Canadian Missions. As their special project they adopted the Sunday School of Central Mission Church of Northeast Edmonton for a day.

An invitation was sent to Central Church to have someone attend the program. We were happy to welcome Carl Hoybak, Sunday School Supt., his wife Lenore and their 3 children. Carl gave a resume of their newly organized congregation and their plans for the erection of a new church.

Since Mission Possible is a Sunday School effort, the morning service was a service for the children who took part in the program. It consisted of songs by the Sunday School under the direction of Alvin Sorenson with his guitar, an instrumental number by the high school girls and a song duet by Leona and Andrea Cottrell.

Because it was the young peoples day, Pastor Tim Johnson asked the congregation to be children for a day as he presented his message in a children's story. The theme he chose was "Fires Burning". He said that people from all walks of life will take time from a busy schedule to help put out a fire. When we see the fires of need in people's lives, we don't have to be professional firemen - we are all firemen--missionaries and pastors applying the Gospel to these needs. He interspersed his story with the song "Fires Burning" that involved everyone as it progressed to give added meaning to his message.

Following the Service, eight year old Leanne Lefsrud extended an invitation to the congregation to stay for dinner in the Educational Unit. She said quote "Won't you help our Sunday School help another Sunday School?"

Display areas had been set up, each featuring a Canadian Mission. The first emphasized Hastings Lake Bible Camp. The Mission of Community Service display was alive with possibilities for serving our own community -- hospital visits -- programs and visits at Vialta Lodge -- Parkland Nursing Home -- s...ut-ins -- write letters -- errands -- car rides -- take a meal to a person living alone -- remember birthdays -- be a pillar of strength to people who are hurting inside.

The third display featured other missions such as LAMP, Wings To The North, setting up new congregations and zeroing on materials for the operation of a Sunday School. This was the thrust of support that the Golden Valley Sunday School projected for Mission Possible '79. People were generous in their special offering during the noon hour. Darcy Lefsrud on behalf of the local Sunday School presented a cheque for three hundred and seventy one dollars to the little Hoybak girl for her Sunday School at Central Mission Church in Edmonton.

The real purpose of the "Mission Possible" program is to give the Sunday School Children an opportunity to experience in a very real way that the Gospel isn't just a happening in church but can be a part of everyday living. Caring is sharing.

Irene Toverud

Chacutenah Manor

Visiting with Mr. and Mrs. Lambert for a few days last week was their son George from Sydney, B.C.

Get well wishes to Mr. D. Everatt who is presently a patient in the Viking hospital.

The Bible Study Fellowship group met at the home of Mrs. McRoberts on Tuesday morning with Mrs. Clisdell as leader.

Mr. Art Larson spent the weekend with friends at Paradise Valley.

Sunday visitors with Mr. and Mrs. Lambert were Mrs. Aileen Prosser and Mrs. Myggland, both of Wainwright.

Visiting with Mr. and Mrs. W. Guy on this past weekend were Mrs. Anne Guy and sons Dale and Leonard and Mr. and Mrs. Rod Woodruff and son Kenny. Visiting the previous weekend was Miss Melda Guy of Edmonton.

Do You Know The Bible Says

By Mrs. W. Myers

God is faithful, by whom ye were called unto the fellowship of His Son. 1 Cor. 1:9. Sweet Fellowship. There is no fellowship like fellowship with Jesus. There is no tie like the Christian tie that binds.

I began to meditate upon the word "fellowship" because the term is in constant use among believers. We must clearly understand just what the word implies. The basic meaning of the word is that of "sharing together, a joint interest, or a common participation".

A further definition carries with it the idea of "a partnership or society in which common interests are realized".

Fellowship in the Biblical sense, however, is even more specific. In the use of the phrase "of His Son", Paul says that fellowship centers upon the truth of Christ's person and work. It is formed by Him, it belongs to Him, and it exists for Him. It is a condition created by God. We read that the early Christians "continued steadfastly in the apostles' doctrine and fellowship" (Acts 2:42). They were a fraternity of believers in an alien culture. They did not "join" the body of Christ, but were "added to the church" by the Lord Himself. Praising God and having favor with all the people. Acts 2:47.

How blessed it is to be in this company, this fellowship where Christ is the head and we are members of His body. John Bunyan said "Christians are like different flowers in a garden that have upon each of them the dew of Heaven, which being shaken with the wind, they let fall their dew at each others roots, whereby they are jointly nourished and become nourished of each other." There is no fellowship like fellowship in Jesus!

Those who are drawn to Christ will surely be drawn to each other. Also the presence of Christ in a heart and life makes that person interested and concerned for those who have never experienced the joy of knowing Christ.

Those having problems are advised first to seek Him and accept Him, and than seek our a mature Christian for help and advice. Learn God's way out.

JOINT LENTEN SERVICES 1979

April 11 United Church with all clergy to share in the service

Ethel Dewar Laid to Rest

Ethel Mildred Dewar passed away on Thursday, April 5, 1979 at the Wainwright General Hospital, at the age of 89 years.

Ethel Dewar was born at Viking, Alberta on February 10, 1910. Funeral services were conducted on Saturday, April 7, 1979 at the Grace United Church, Wainwright. Reverend Tom Bray officiated. Mrs. Betty Foley was organist. Hymns sung were "The Old Rugged Cross" and "Lead Kindly Light".

Pallbearers were nephews: Marvin Dewart, Brian Beamish, Bill Handy, Robbie Dewart, Gerald Dewart and Raymond Handy.

Honorary pallbearers included Keith Christopherson, Cliff Deyell, Edgar Campbell, Marcel Touchette, Dolph Teasdale and Willie Anderson.

Following the ceremony at Grace United Church, in Wainwright, Ethel Dewar was laid to rest at the Viking Cemetery.

CARDS OF THANKS

CARD OF THANKS

We wish to express our sincere thanks to all our relatives, friends and neighbors for their acts of kindness that were offered through many messages of sympathy, floral tributes and donations during the loss of our beloved wife, mother and grandmother - Ethel Dewar. Special thanks to Dr. Murray, Dr. Forester, nurses and staff of the Wainwright General Hospital for their kindness and care while Ethel was in their care. We would like to thank the ladies of Viking thank the ladies of U.C.W. Unit 1, the ladies of the Oldtimers Association and the ladies of the Viking United Church for their kindness in supplying lunches. We would also like to thank Reverend Tom Bray, Reverend Jim Bennet and the pallbearers for their kindness and assistance. Your thoughtfulness was greatly appreciated and will always be remembered. Mallie, Cliff, Karen and family 9p

High School Badminton Winners

Viking School was well represented in the badminton tournament with Boys Singles being captured by Rod Arychuk [left] while Kevin Merta [centre] and John Marcinkowski [right] were winners of the Boys Doubles.

The high school badminton came and once again ended on April 4th in the Viking Gym for the season. Under the coaching of Mr. D. Gillies players where: Rod Arychuck, Allan Evans, Karen Overbo, Darlene Laskosky, Kevin Merta, John Marcinkoski, Chris Sloboda, Allan Thompson, Brenda Rauser, Janice Otto, Gloria Zarskie, Suzanne Ghar, Glen McGinitie and Connie Slavik. Results for the tournament were:

boys singles
first - Rod Arychuck, Viking
2nd - W. Kamarnisky, Holden
girls singles:
first - Sandra Danilak, Ryley
second - Michele Blais, Holden
boys doubles:
first - Kevin Merta and John Marcinkoski, Viking
second - Chris Sloboda and Allan Thompson, Viking
girls doubles:
first - Betty Kawalilak and Dianne Flynn, Holden
second - Gloria Zarskie and Brenda Rauser, Viking
mixed doubles:
first - Wayne Ogrodnik and Leanne Rurka, Holden
second - Barry Reinhard and Brenda Peters, Tofield

With Viking winning four places, they will advance to the regionals in Sedgewick.

Winners of the Girls Doubles Event at the County of Beaver High School Tournament were Betty Kawalilak [pictured] and Dianne Flynn from Holden.
Staff Photo

Sandra Danilak of Ryley School was the winner of the Girls Singles in the County Badminton Tournament held on Wednesday, April 4, at the Viking School.
Staff Photo

Holden students Wayne Ogrodnick [right] and Leanne Rurka won the Mixed Doubles in the County Badminton competitions.

Suction Blower
KONGSKILDE
- The Most Efficient LOW COST Suction Grain Blower. See it and compare!
- KONGSKILDE makes grain augers, shovels and brooms obsolete. Takes the backache out of moving grain
- KONGSKILDE offers dust-free operation. And that's important because prolonged exposure to grain dust can cause permanent health damage.
- KONGSKILDE doesn't damage kernels. Grain rides gently in a blanket of air, horizontally, vertically and around corners
- Capacities of approximately 800 to 1000 bushels per hour with only 50 hp. required.

Take it easy:
No More Shovelling!
No More Dust!

Junior High Badminton Team Wins County Tournament

On April 7th the County of Beaver Junior High Badminton Tournament was held with Tofield as host town.

Teams from Holden, Ryley, Tofield and Viking provided the action. Each of the participating towns had one team from grades seven, eight, and nine. Each team consisted of girls and boys singles and girls and boys doubles and a mixed doubles team.

The end results found Viking with quite a lead over the other competitors, having secured nine out of the 15 possible events.

Players taking home the trophies for Viking included: Grade Seven - Dianne Maxwell, Girls Singles; Rocky Hanson and Debbie Sevcik - Mixed Doubles. Grade Eight - Norma Babiitz - Girls Singles and Billy Hanson - Boys Singles with Eugene Miskew and Elaine Rozmahel winners of the Mixed Singles. Grade Nine - Tracy Midbo - Girls Singles with Michael Hoffman - Boys Singles. Don Hudson and Scott Brower brought home the Boys Doubles trophy while Richard Lefsrud and Donna Jakubec were awarded the trophy for the Mixed Doubles event.

Congratulations are extended to all students who participated in the County tournament.

Beats all others cold.
EXTREPLIA
Shell's amazing Extrema* grease was put through a number of winter punishing field tests. Extreme heat, extreme high pressures, and even in water and road salt.
In one test this remarkable new grease beat out a competitive product seven to one - the lubrication with Extrema lasted seven times longer than the other grease.
Put our new Extrema to the test for your lubrication needs. You will be amazed by its performance.
Order early and save.
It pays to order early from your Shell agent. 2.2¢ per litre (10¢ per gallon) off the regular price when you order 100 litres (22 gallons) or more of Shell Rotella T, Shell Rotella S, Shell Rotella, Shell Rimula CT, Shell Donax, Shell Spirax HD, Shell Farm Hydraulic Oil, Shell MP Grease, Shell Darina AX or Shell Extrema before May 31, 1979. And you also get in on the savings each order over 100 litres, at additional 2.2¢ per litre (10¢ per gallon) for all orders placed from May 31 to June 30, 1979. Please note: 1 kilogram of grease equals 1 litre of oil (10 litres equal 1 gallon) for the discount to apply.
So see or come, put your money down promptly and cash in on all your shell agent today.

Fair to Salute Year of The Child

The Viking Fair committee has chosen "International Year of the Child" as the theme for this years fair. Our fair day has been set for Thursday, August 9, 1979.

Viking Fair has activities for every age group. We have classes for beef and dairy cattle; light and heavy horses; grains; horticulture; home economics; fine and miscellaneous arts; a complete section for senior citizens and a section for juniors 16 and under. There is also a pet show for the children, a horse pulling competition and a parade. This is a community effort with all volunteer help. Any profit that is realized goes to the Viking Agricultural Society for maintenance of the arena and community hall.

To commemorate "International Year of the Child" our fair catalogue will bear the IYC logo and full details of IYC. We hope that the 700 families in our area which receive the catalogue will save it as a souvenir of our community's tribute to IYC. This year we plan to have a trophy in each junior section to especially commemorate "International Year of the Child."

To make our fair truly an IYC project we have enlisted the help of the youth groups in our community and surrounding area. C.G.I.T., Brownies, Cubs and Scouts, Beavers 4-H Dairy Club, 4H Horse Club, Wildlife Club, Figure Skating Club, Naval Cadets, United Church Sunday School, Lutheran Church Sunday School, Catholic Church Sunday School, Missionary Alliance Sunday School, 4-H Beef Club, 4-H Clothing Club Bruce, Minor Hockey Assoc., Luther League, Youth Group, Kinsella.

Each of these groups will be making a booth display in the hall for fair day. Some of them will feature the type of projects their specific club is engaged in; others will use themes involving children in other parts fo the world and some are using the monthly guides of IYC as themes. Each group will decide for themselves how to best depict what IYC means to them. The response from these youth groups has been tremendous and we are looking forward to an interesting assortment of displays. The displays will be judged by a committee not involved with the groups or fair committee, and cash prizes of $100.00, $50.00 and $25.00 will be awarded on fair day. We feel that this project will benefit our children by them being able to play a personal role in the celebration of IYC 1979.

The Fair Committee will again be sponsoring the "Promote Viking, Fair" competition amongst the business places in town. The IYC theme of our fair should provide some ideas for interesting window displays There will be an entry form in the fair catalogue.

Following is a list of Viking Fair Committee executive and directors for 1979.

Viking Fair Committee Executive - President, Bill Place; 1st Vice-President, Gary McClements; 2nd Vice-President, Norman Withers; Secretary, Dawn Brower; Treasurer Jeanie Bird with Pat Ruzicka, Ass't.; Directors (1st) and Assistants (2nd) - Field Crops, Kevin Fenton and Jim Veenstra; Horticulture, Phyllis Lefsrud and Mabel Kryzanowski; Cooking, Dora Haeberle, Irene Findlay; Needlework, Cheryl Hafso, Diane Dobry; Sr. Activities, Elsie Heslop, Verna Ellison; Jr. Activities, Marion Zelinski, Sindy Piwowar; Light Horses, Kevin Leidl, Muriel Hill; Draft Horses, Stan Zemanek; Frank Sevcik; Beef Cattle, Merrie Erickson and Gordon Rattray; Dairy Cattle, Norman Withers; Parade, Eugene Ruzicka, and Dan Lefsrud; Entertainment, Tom Mattinson, Elmer Loveseth; Novelty Pat Show, Marion Cottrell; Publicity - Ellen Loveseth.

Ribbons and Trophies - Evelyn Lang; School Activities, Irene Hafso and Ann Wilmer; Gate Admissions, Jack Roddick Entries, Pat McClements, and John McIntosh; Misc. and Fine Arts, Bev Cormack and Betty Klein; Concession - Maple Lodge Community Centre; Pancake Breakfast, Myrtle Ronaghan; Barbeque - Food, Pat Erickson, Meat, Knights of Columbus; Horse Pull, Henry Ruzicka and Eric Erickson; Junior Directors - Brian Vitek, Billy Sevcik, Johnny Ruzicka, Kevin Maxwell, Willy Getobed.

Lucky winner in the $500 Cash Draw sponsored by the Viking Minor Hockey Association was Mrs. Del Anderson of Viking. Pictured is John Austen, President of Minor Hockey and Tammy Maxwell who drew the winning ticket. Staff Photo

County Students Successful at Regional Science Fair

The County of Beaver students were a great success at the Annual Regional Science Fair. It was held at M.E. LaZerte High School, Edmonton, on the 6th and 7th of April.

Although there was bus trouble on the way to the city the students only arrived one-half hour late. Friday was the day of judging and the students returned home very late at night. Saturday was the day when results were given. Much happiness was seen on the faces then.

The awards ceremony was started at about 4:00 p.m. and lasted until about 5:00 p.m.

Terry Micklich of Holden got an Honourable Mention for the Canadian Institute of Food Science and Technology Award. Terry's project was entitled: Growth of Molds. David Wesley of Viking got top Honourable Mention for the Agrologists Agriculture Award. His project was entitled: Seed Germination and Plant Growth. Next was the 3rd place prize for Sindy Piwowar of Viking. Sindy's project was entitled: Weather World. The last prize for Beaver was an Honourable Mention for Debbie Petruk and Jeannette Tkaczyk of Viking. Their project was entitled: How Nitrogen, Phosphorus and Potassium Affect the Growth of a Maturing Plant.

We would like to congratulate all participants of the Regional Science Fair, and express our appreciation to all the teachers who helped make our participation possible.

A special thanks goes to Mr. Ron Erickson for his time and patience with us.

Barley Growers Present Resolution

The Western Barley Growers Association views the recent quota restrictions placed on feed grains by the Canadian Wheat Board as supply management and as having a very detrimental effect on barley marketing.

The quotas on non-board feed grains restricts the cash flow of the producer and forces the farmer who is located some distance from the feeding industry, to sell some of his barley at a depressed price.

The trucking industry stands to benefit the most from the quota on non-board feed grains, as they did with the removal of switching privileges at the primary elevators. The farmer must by-pass the elevator system in order to market enough grain to pay some of today's high operating costs.

The quotas on non-board feed grains are very harmful to the Winnipeg Futures Market. The futures pricing mechanism can not work effectively in a system where deliveries are restricted.

Western Barley Growers feel that it is not the amount nor the way in which non-board feed grains enter the system that is the problem. The problem is the marketing philosophy of the Canadian Wheat Board, along with the handling and transportation tie-ups the grain industry is experiencing. The Canadian Wheat Board would rather put restrictions at the producer level, than tackle the real problems of marketing, handling and transportation.

The Western Barley Growers Association 1979 Convention unanimously endorsed several resolutions aimed at improved movement and marketing of barley. Resolution No. 11 is quoted here as it is the one most closely associated with the ammounced quota restrictions.

WHEREAS The Canadian Wheat Board has discontinued its use of the Winnipeg Futures Market and; WHEREAS Barley seems to be of secondary importance to the Canadian Wheat Board, and; WHEREAS the current Canadian Wheat Board policies have encouraged a thriving off shore market in Canadian Barley at the expense of all Canadians and; WHEREAS Canada has lost Barley sales due to buyer's inability to bedge, BE IT RESOLVED TO (a) Press the Canadian Wheat Board to return to the Winnipeg Barley Futures Market. (b) Allow the private grain trade to make export sales from a future base as it would have a keen and primary grain trade to make export sales from a futures base as it would have a keen and primary interest in exporting barley. (c) Ask that barley quotas be adjusted and change the system so that western users of barley are not disadvantaged as they are at present, and in short - encourage all sales of barley that are possible, whether domestic or overseas.

"Day Care" Meeting Scheduled

Since 1979 has been proclaimed "The International Year of the Child" attention has been directed towards developing a project aimed at producing lasting benefits for children in our community.

With this theme in mind, the Viking Catholic Women's League, in conjunction with the former Day Care Committee are attempting to reactivate interest and support in establishing a Day Care Service in our community for the Viking area.

In order to determine the "Need", for this service, it is necessary to ascertain the number of people interested. The organizing and success of a Day Care Unit, in Viking, totally depends upon support from community members. A questionnaire has been prepared and distributed through the school. It is hoped that you will take an active interest in the organizing of a Day Care Unit, with the first step being the completion and return of the questionnaire, which may be returned to the school or left at the following businesses: Viking Giftware, Kelly's Hardware, or the Viking Co-op - not later than April 20th.

A general meeting has been scheduled for April 24th at 8:00 p.m. in the Catholic Church basement. For further information contact Dani Sheets, Billy Lou Laskosky or Marie Rushton.

The Link Between Home and School

On April 6, the Irma Home and School Association sponsored a talent night with the objective of both providing entertainment for people in the community and raising money for the acquisition of a sound system for the gymnasium. This was only one of the many activities which this Association sponsors during the year in their efforts to improve the quality of education which their children receive.

The efforts of the people in the Irma Home and School Association are to be highly commended. An organization such as this can work to improve the educational facilities, to provide funds for educational activities, and to act as a liaison between the "school" and the parents. This last function is the most important.

Very often, parents know little of what actually occurs within the school which their children attend. An organization such as "Home and School" provides a connecting link from the school to the parents, and vice versa, thereby allowing for an exchange of information and ideas. The scope of such an organization can include "political" action if the efforts of those in charge of the "formal" aspect of a child's education fail to provide the type of education which parents desire.

The amount of time which our children spend in school is substantial. We should be concerned about their schooling and want to take some type of active part in it. An organization of parents and teachers is one possibility for providing both the parents and teachers with a vehicle for the exchange of what is, what should be, and what can be in terms of the educational process.

The establishment of such an organization does have some potential drawbacks, e.g. the possibility of the meetings turning into nothing but "complaint" sessions. However, with proper management and extensive participation, the efforts of such a group can overcome any potential drawbacks and be a positive force in a community. Such is the case of the Irma Home and School Association. Perhaps other towns in the area should follow their example.

Letters to the Editor

Dear Editor:

The Lenten services just finished for another year have, in my opinion, continued to fulfill an important spiritual need for Viking and District Communities. The Ministerial Body should be specially thanked for continuing the services and my impression is that a lot of people hope that these - and similar "special occasion" services of worship and meditation will continue. Let's hope so.

As an interested observer and listener to public opinion, I would like to offer these remarks. What ever happened to the excellent "Choral" Lenten Services I recall were a feature of the Lenten Services 'program' several years ago? There used to be a "lessons and music" approach in the last of the services and this gave individual members of the Churches and Community to contribute along with the clergy in a spoken or singing capacity. There were combined church choirs too, and I recall with pleasure the varied and relevant contribution they made to the general worship.

I am certain - I know - several people in your readership area would like a response to the question and observations my letter raises. Surely, apathy is not the reason or trouble?

Yours truly,
J. le Mesurier

Beaver Regional Recreation Minutes

The regular meeting of the Beaver Regional Recreation and Parks Department was held on March 28, 1979.

Mr. Marvin Tomashavsky, Chairman, called the meeting to order at 7:50 p.m.

The minutes of the February 28, 1979 regular meeting were reviewed.

Moved that the minutes of the February 28, 1979 regular meeting be adopted as presented. Carried.

The accounts for the month of March were presented in printed form and reviewed by Mr. G. Baker. Moved that the accounts for the month of March be accepted and paid. Carried.

Moved that this board refer the letter from the Town of Tofield to the Management Committee. Carried.

The correspondence for March 1979 was presented in printed form and reviewed by Mr. G. Baker.

Discussion was held over the Grant payments for Project Cooperation that were sent out to the eight communities. George Baker explained how these were divided up.

Mr. Baker also presented a letter that he had received from Mr. John Blades requesting to work under the Recreation Board this summer; running backpacking courses, etc. Mr. Baker explained just what Mr. Blades had in mind. Discussion was held briefly.

Moved that the correspondence for the month of March 1979 be accepted and filed. Carried.

Verbal Board Members reports:
HOLDEN - Babysitting course finished up and was successful. Mixed Bonspiel ongoing presently. They have completed their revisions of the five year Master Plan for 1979. Presently starting organization of summer programs, mainly baseball and the wading pool. Have made application to the town council to have two S.T.E.P. students this summer. The Council accepted this application. The Holden Theatre opening was held on March 17th and was a big success.

RYLEY - Skating rink has been closed. This week the Family Curling is going on in the Curling Rink. The ice will be take out after this. The Swimming Pool should be opening agin in the first or second week in April; as soon as they have all their staff. Have made application for 2 students under the S.T.E.P. program for the summer. Meeting was held two weeks ago to discuss the Umbrella concept of Recreation. Future expansion is hoped for.

TOFIELD - Dance School concert will be held shortly with about 100 people taking part. Executive has been formed for baseball for the summer. The Recreation Board has done some surveys in the community on recreation. Specifically: Tennis, Archery and also swimming lessons where they pick the children up at the school and take them to swimming. They are looking to open up a recreation information office in Tofield. Have applied for five S.T.E.P. students for the summer. The hall has been redecorated with the meeting room looking very good. Devonian Foundation - applied last fall for $29,000 to improve the entrance into town, and also to fix up the streets, etc. Two new areas have been designated as park areas for the new developments coming in. Agricultural Society are busy planning for their annual fair. Hockey and curling will be winding up soon.

KINSELLA - The winter courses are pretty well finished. Dicing is still going on, but with a low attendance. Senior Citizens have finished equipping their rooms in the school. They now have a pool table, shuffle boards, a fridge, stove, also tables and chairs. The Senior Citizens are also planning a school reunion some time this summer; possibly at the end of July.

VIKING - Ladies curling bonspiel wound up last week. Men won a trophy at the Grande Prairie bonspiel. A curling wind up meeting will be held this Friday. Disco Dance is going on very well, with about 40 registered. Recreation Board is in the process of recommending annexation of Viking. They are planning for recreation facilities, like playgrounds, etc. over the next 25 years. Senior hockey team won the Battle River Hockey League. They are hoping to set up a Tennis Program for the summer. The courts should be ready by the middle of April. Also wish to hold a clinic on tennis along with the program.

BRUCE - Curling ended with a pot luck supper for the family which went over well. Senior Citizens are planning to hold a dance in the near future. Boys baseball is being organized now for the summer.

Moved that the Verbal Board Members Reports be accepted as presented. Carried.

The Administrator's Report was presented in printed form and read by Mr. Baker. Mr. Baker explained that he had a revenue from the Bim Bom Boom program that was held in the Theatre, and where did the Board want this money to be placed.

Moved to place revenue from Bim Bom Boom in bank account and to keep a record of what is put in. Carried.

A discussion was also held over the winter games, and who can enter into these and what the regulations are governing this.

Mr. Baker also questioned the board on whether or not he should go ahead and advertise for summer staff.

Moved that this matter be referred to the Management Committee. Carried.

Discussion was also held over the way that the Summer Camp program was run last year.

Moved that the Administrator's Report be accepted as presented. Carried.

The Policy Committee did not meet, so have nothing further to report, excepting the Policy on the fees for printing materials that were sent out in the mail to the Board.

Moved that the meeting be adjourned. Carried.

Dentist To Open Office

Eight year old Stephen Hoyland is among the first patients to try out the new dental facilities of Dr. Richard Mann, who is now practicing dentistry in Viking.
Staff Photo

Dr. Richard Mann graduated from Manchester University in 1964, following which he was employed for six months in a dental hospital in Manchester. He later travelled to Norway where he spent three years working in the school dental service in Bergen.

Later he became a partner in a Group Practice in England after which he came to Canada. His first Canadian position was at Kitimat, B.C. as an associate. Following this, he made the move to Viking where he is setting up practice in the Medical Clinic.

Dr. Mann advises that he now has all his equipment and is more or less ready to begin his practice. He has announced Monday, April 23 as office opening date.

Recreation Board Meets

The Beaver Regional Recreation and Parks Board hope that you all had a very nice Easter weekend and holiday. We know that the weather did not cooperate too well, making it pretty well impossible to do any camping with your family. But, Spring should be here soon we hope, or more like jumping right into summer.

Last time we reported to you we outlined a program of wilderness hiking and trips for the summer months. These trips and courses would be instructed by Mr. John Blades who has been taking several courses this past winter at the University of Calgary to make himself knowledgeable and aware of what is to be done when you go on these kind of trips, especially if you venture into the mountains.

Mr. Blades has been into our office and discussed the plans for this type of program and to progress further with them we need to hear from you as the citizens of the County of Beaver. So to get your name on the lists and more details, get in touch with Mr. John Blades of Tofield 662-4945 or the Beaver Regional Recreation and Parks Office at 663-3730.

Another program you may be interested in for the summer is a family camping trip, where you and the family can take the trailer or tent, and camp out at Camp Lake for three to four days and do several kinds of crafts, sports, canoeing, sing songs, or walks along the lake shore. These kinds of experiences can be interesting and the whole family would be together. If you or anyone in your family are interested, get in touch with us.

For all the rural community associations, it is time for you to be thinking of whether or not your group wants to have the travelling playground visit your area this summer. Discuss it and send in your information now so that plans can be arranged to fit you into the schedule. Don't wait too long.

What other programs would you like to see planned for during the summer months?

Keep in mind that the play "Godspell" will be held at the Regional Arts Centre for only one performance, Sunday afternoon at 2:00 p.m. on May 6th. There are only 300 seats so we would recommend that you get your tickets early. Do not be disappointed as some were for the Bim Bom Boom Show.

Godspell is a musical based upon the gospel according to St. Mathew and will be in bright colors and will include a seven piece band for the back up music. The band will be right on the stage behind the players.

You as the audience will also be a part of certain parts of the play so join the audience for a new kind of experience in the play "Godspell" at the Regional Arts Centre. Ticket outlets for any program: that the Beaver Regional Arts Centre brings into the County will be available at the following places. Tofield and District - Hearthstone; Lindbrook and District - Lindbrook Store; Ryley and District - Wood's Hardware and the Regional Recreation and Parks Office; Holden and District - Deleon's Trading Store and the Royal Bank of Canada; Bruce and District - Bruce Hardware Store; Viking and District - Viking Drug Mart; Kinsella and District - Lucky Dollar Store; Vegreville - European Music Store.

"An Evening of Comedy" at Viking School

"An Evening of Comedy", consisting of two short skits and one two act play, will be presented in the Viking School gymnasium on May 1 at 8 p.m. The program, under the direction of Gertjan Zwiggelaar, Viking School art and drama teacher, has been in rehearsal for a number of weeks now. As well, a number of students have been involved in producing the sets which the program requires.

The two skits will be presented by the grades 8 and 9 drama classes. The play, entitled "The Very Great Grandson" of Sherlock Holmes", will be presented by the School Drama Club.

Advance tickets are now available from the grade 8 drama students and from members of the Drama Club. Prices are $2.50 for adults and $1.50 for students, with pre-school children being admitted free.

The students have been working hard to prepare for the production and it promises to be an evening of entertainment well worth attending.

Guiltless Leisure

Have you ever experienced that enshrouding feeling of guilt when occupied with some hobby or job that completely satisfied your every being? How many times have you said to yourself I should be cleaning the basement instead of gardening but just don't feel like it.

Let us take a closer look at this guilt that bothers one's conscience. It may stem from many things; an overly industrious parent, a certain racial background, or even our environment. For in this rather cold part of the world the greatest portion of our lovely summer months is spent in preparation for the seemingly endless winter days to come. Also we are still actually a very young nation, a little wet behind the ears perhaps, but expanding vigorously while experiencing a few growing pains here and there.

The pioneering days of working constantly to survive are not that far behind us. We must remember that Europe and Asia have had centuries in which to establish their long respected and revered cultural arts. However, do not be impatient. The emphasis placed on sports and religion in Canada is also a necessity in the development of a full, well rounded life.

So the next time you feel the driving urge to create something, be it sewing a colorful quilt that is going to bring gaiety and foster imagination into a child's bedroom, remodeling an attic that has long lain dormant and cluttered because of a procrastinating husband, and last, but by no means least, the elusive and frustrating art of putting your thoughts on paper, be it in the printed form or the equally elusive drawn expression, do it. It has been proven by the medical profession that everyone needs an escape from endless, routine tasks. In our new and more affluent society having a hobby of some kind provides the creators with a sense of achievement as well as adding zest and interest to their lives. One cannot live by bread alone. Therefore, the next time you find yourself apologizing for a messy house because you were out in the sun planting tulips or even reading a good novel remember we only live once so why feel guilty over enjoying a little leisure.

Can that be my better half home for supper already? I feel very guilty. From previous experience I suggest putting baked potatoes and a meat casserole in the oven before going on a creative binge.

P.S. - After reading this article a few members of my family bluntly accused me of being a female chauvinist. Looking about me I see I must agree with them. In the corner stands an exquisite diamond-willow carved by my husband, on the bookcase a wrought iron, completely original, candlestick holder made by Lance, and last but not least Clayton's intended cream jug which serves the purpose of an ideal ashtray.

So gentlemen, my apologies. The above applies to you as well.

The Homemaker

By Diane Luke, D.H.E.

"When nutritious foods are enjoyable, what's good for you takes care of itself", says Carmen Moreau-Vena, a food consultant with Agriculture Canada.

Eating should be a pleasant, natural event. Nutrition, whether for the toddler or an older person, is a matter of *how much* of what foods you eat during the whole day. "If a small child seems obviously happier on five meals a day than on three there's no harm in the two additional snacks," says Moreau-Vena.

"Each child is an individual and his or her appetite varies from day to day. And don't be alarmed if, at the age of 18 months or two years, your small child appears to eat less. He or she is gaining much more slowly than during the first year. Appetite also decreases as other activities become more important."

According to Moreau-Vena, food is one of the first things to give a child a feeling of control over parents; throwing food or refusing to eat may be ways of showing independance. The best advice from the experts is don't fuss. Don't worry if it happens only occasionally. A healthy child won't starve. But, remove the food after a reasonable length of time and let him or her wait until the next meal. Never force, punish or bribe a child to finish everything on the plate.

It's best not to use desserts or sweet snacks as a reward. Not only do most of these high concentrations of sweet or sticky foods cling to the teeth, providing a breeding ground for acid-forming bacteria which cause tooth decay, but may also condition the child to think of sweet, empty-calorie foods as nutritionally or socially superior.

"There is nothing wrong with snacks for children," continues Moreau-Vena, "just be sure that they're nutritious. They don't necessarily entail elaborate preparation either. Having a youngster in the house does not mean that you've become a short-order cook on a fifteen hour shift."

A morning snack could be more filling in case of skimpy breakfasts, but not too much to spoil appetites for lunch. Try fruit juice plus crackers topped with cheese, cream cheese or peanut butter; raisin bread; crunchy granola; occasionally cookies with dried fruit, whole grains, nuts and seeds.

The afternoon snack can be more substantial because of the longer break between lunch and dinner. Serve milkshakes or blender drinks with sherbet, ice cream, milk or fruit; fruit kabobs with cubes of apples, bananas and cheddar or brick cheese on toothpicks; graham crackers with cream cheese or ice cream; quickbreads - bran muffins, applesauce bars, oatmeal bread.

Bruce Stampede Assoc. Sponsors Queen Contest

Four delightful young ladies are competing for the title of Bruce Stampede Queen for 1979. The 1978 Queen - Tammy Miciak of Sherwood Park will be on hand at midnight on July 28 to congratulate and crown the new Queen. The girls are selling tickets on a cash draw - first prize is $500, second $200 and third $100.

MICHELE BLAIS

Michele who is 15 years old and a grade 10 student at Holden, lives on a farm just west of Bruce. She is interested in sports - badminton, volleyball, beaketball and fastball. Michele also enjoys music and riding her motor bike. When she completes her grade 12 she would like to become a computer analyst.

RHONDA HAZELOOP

Rhonda lives on a farm near Ohaton. She completed her grade 12 in January and is presently employed at the Camrose Veterinary Centre. Rhonda's main interests are rodeo, horses, barrel racing and country music. She belongs to the F.C.A. and this year plans to compete in the barrel racing at some of the smaller rodeos. She is actively involved in the Ohaton 4-H and hopes to continue her education at Vermilion College.

BETTY LOU LAING

Betty-Lou attends Holden School where she is taking grade 10. She is 15 years old and enjoys farm life. Betty-Lou is a member of the Bruce Busy Bees 4-H Club and her hobbies include reading, handicrafts and riding horses. Her ambition is to become a veterinarian.

JANE ROBERTSON

Jane is 14 years old and attends Daysland School. She is fond of swimming, dancing and sports of all kinds. After she completes her grade 12, she hopes to become a nurse or a social worker.

Holden and District News

Miss June Clark a resident of Holden for many years will be moving to reside with her family at Dawson Creek. June was active in several clubs in our village.

She will be greatly missed by the folks here. June sold her home to a young couple from the Holden district, Mr. and Mrs. Raymond Korbyl. An auction sale, consisting of June's household effects will be held on Thursday, April 19.

Holden ambulance drivers responded quickly to the home of Mrs. Annie Laube on Wednesday, April 11, when Mrs. Laube became very ill. She was taken to Tofield hospital. The Laube family are happy to say their mother is now feeling better following several days of rest in the hospital.

Mrs. Starko became ill on April 9th and was taken to the Viking hospital. She is reported to be much better.

Pearl and Wilfred Tkaczyk of Holden are receiving congratulations on the birth of their third daughter, Melanie Julie, born on April 9 weighing 8 pounds, 4 ounces at the Tofield hospital. Debbie and Crystal are anxious for her arrival at their home.

Bruce and District News

The Bruce Senior Citizens invite everyone to enjoy an evening of dancing with them on Friday, April 27, at the Community Centre. The Jim Davis orchestra will be providing the music and dancing will begin at 8:30. Admission will be $2.50 per person and children under 14 will be admitted free. Lunch will also be provided.

The winners at the last Senior Citizen's card party were Vivian Benson and Ernie Doris while consolation prizes went to Mary Stogryn and L. Kolodychuk. The card parties are held each Wednesday evening beginning at 8:00 p.m.

Connie and Dwayne Marcinkoski have a baby daughter who was born at the Vegreville General Hospital on April 8. Cherie Katherine weighed 8 lbs. 10 oz. and is a sister for Bruce and a granddaughter for Hazel and Bob Bruce. Congratulations.

At the annual meeting of the Community Centre Board on Tuesday night it was decided by those present that the Stampede Association should be asked to take over the operation of the Community Centre. For the first year the Centre was operated by a joint board with members from the Agricultural Society and the Stampede Association. With the aid of government grants and donations from both organizations, a kitchen has been built and equipped and rental rates have been set; thus the operation should be much simpler in the future. Stampede Association members will meet on Thursday, April 26 at 7:30 p.m. in the Community Centre to discuss the proposal.

Rod Kripe and Jack Roddick of Viking were in Bruce on Wednesday evening, April 11 to discuss the plans for the new Viking Hospital. Unfortunately the attendance at the meeting was poor but those who were there thought the presentation most informative. The meeting had been scheduled on two previous occasions but inclement weather had forced postponement.

Isabelle and Marvin Lund journeyed to Red Deer to spend the Easter weekend with their son Arnold and his family.

Spending the Easter weekend with Annie and Rudy Koppel were Debbie, Stanley and Christopher Koppel from Stettler and Candise Koppel from Camrose. Candise will be leaving shortly for a two week tour with the Camrose Lutheran College Choir Chorus. The Choir will perform at various centres in Alberta and British Columbia.

We're A Concrete Business!

When there's work to be done . . . we don't use guesswork . . . we plan each job exactly, expertly. If you have a cement job you want done right . . . call us!

APRIL 21st, 1979

Viking Elk Member Wins Tory Shield

Bert M. Hill - Historian Viking Elks Lodge #83 holding the Tory Shield which he received for his history book, at the District #14 Annual meeting. Staff Photo

The annual Elks District #14 meeting was held in Kinsella on Wednesday, April 11th, 1979.

This very interesting meeting was attended by Bros. Jack Fountain, Shea Arnett, B.P. Hill, H. Grube and B.M. Hill from the Viking lodge as well as members from Holden, Irma, Wainwright, Edgerton Chauvin and Hardisty.

Viking Historian B.M. Hill entered the competition for the Tory Shield which is awarded for the best history book compiled by historians in District #14 for the current year.

After a lot of deliberation the judges decided that Viking's book placed over that entered by Wainwright and Irma.

Historian Bert M. Hill was then presented with the Tory Shield for his history book. This is the third consecutive year that Bert has brought the award back to the Viking Lodge. The Shield presentation was handled by Bro. Lyle Grealand of Holden.

GOOD NEWS PARTY LINE

April 26 - Kindergarten meeting. Viking School Library at 8:00 p.m. - Guest Speaker: Health Nurse.

The Viking High School Students Union cordially invite the members of the community to attend their Annual Spring Prom '79 at the Viking School.

PUT IT HERE
CALL OR WRITE THE EDITOR OF THIS PAPER TO INCLUDE GOOD ITEMS OF EVENTS HAS HAPPENED YOU WANT TO SHARE. COURTESY AGT

Thursday night was a memorable night as the swimming lessons came to an end. The badges were the highlight of the evening as they were handed out to 41 adults who had taken lessons the last ten weeks.

A real feeling of accomplishment filled the air around the pool. Many thanks goes to our very able instructor - Ellen Lefsrud who had ever lasting patience and to the Prossers who let the use of their pool be open to lessons and practices. Without these people a good many of us would still be [illegible] instead of swimmers.

Harold, and Teresa Greenwood travelled to Edmonton to visit with their sister Rita and take in the car show.

Leonard Greenwood, Dean Mackowoski and Eric Garvie also took in a day at the Edmonton Car Show.

Mr. and Mrs. Lawrence Baur and family of Three Hills visited with the Bauer family over the Easter weekend.

Other visitors in the area were: Mr. and Mrs. Larry Misera and son of Edson to the Robert Greenwood home. Mr. and Mrs. Marvyn Krull and Karen of Leduc, Lorraine and Douglas Prosser and Merne Malderis of Edmonton visited the Prosser residence. Mr. and Mrs. Dave Mannington and family of Calgary and the Jerry Goertzen family of Fox Creek filled the Williams home.

Mr. and Mrs. Norman Hollar of Edmonton were Easter weekend visitors in the neighborhood.

Mr. and Mrs. Jesse Hollar of Edmonton were Easter weekend visitors in the area.

Heather Holt of Calgary visited with Mary Ann Holt for the weekend until her father, Mac Holt and grandmother picked her up on Sunday.

Mrs. Doris Coles and Mrs. Ross Shippy of Wetaskiwin spent the weekend at Harriette Faulkner's. Harriet's daughter Gladys Davis and children Lee Ann, Cody and Zane of Niton were also Easter weekend visitors.

Sunday visitors to the Faulkner home were: Mr. and Mrs. Stan Whitehead and family, Mr. and Mrs. Brian White and family and Mr. and Mrs. Phil Hogg and family.

Knitting Seminar Held

On Monday, April 9, 1979, Myrtle Ronaghan, Ila Sorenson Caroline Zaraki and Wilma Erickson motored to Innisfree to take advantage of an invitation to the first North Eastern Alberta Knitting Machine Seminar, hosted by Frank and Willy Lichak of Innisfree.

Upon arrival at the Innisfree Community Hall, we feasted our eyes on the products of creativity from machine knitters from the Vermilion and Innisfree areas, and had the opportunity to add our own items to the display as well. Many different types of articles were on display, such as ponchos, shawls, baby dresses, cushions, summer tops, jackets etc. Books applicable to machine knitting, as well as many varieties of imported yarns were on display and could be ordered from Willy Lichak. These yarns also work up beautifully in handknit and crochet. Samples may be viewed at Wilma Erickson's and orders may be placed with same.

The Seminar began with the demonstration of the Jumbo knitter, useful for making bedspreads, rugs, drapes, etc., followed by the demonstration of unusual techniques on the regular knitting machine. We had the opportunity to study and admire pictures of a fashion show of machine knits, executed by professionals from the States, Japan, etc.

At lunch time the registrants were treated to a most delectable meal and then spent time sharing ideas, socializing, drawing for door prizes and evaluating summer tops entered in a contest. This was won by Wilma Erickson.

Those invested were: [Front Row - left to right] Rodney Gustafson, Dale Newby, Eddie Jackson, Ronnie Jackson and David Andreasen. [Back Row - left. to right] Timmy Bennet, Jason Krige, Bradley Hodgins, Robert Gustafson, Ryan Jepsen and Mike McIsaac. A number of parents were on hand to participate in the ceremony Staff Photo

Vialta Lodge News

Our sincere sympathy is extended to the Mazankowski family in the loss of their father and grandfather, Mr. Mazankowski spent two and a half years with us before making his home at the Vegreville Nursing Home.

Mrs. Ash spent a few days last week with her daughter Rhea and family at Stettler. During the weekend she had Art, Peggy, Carrie-Lee and Timothy Ash of Calgary call on her. Also visiting was Diana Erickson of Bruce.

Hugo and Ellen Heilesen of Ryley called on Friday to visit with their mother, Mrs. Pedersen.

Ralf and Inga Jacobson visited with Mrs. Isabelle D'Arcy last week. On Sunday, Mrs. Mel Mackey of Killam picked Mrs. D'Arcy up and took her out for the day.

Mrs. Rodwell had her son and family from Calgary calling on her - Gene and Diana and boys.

Mrs. Suddaby had her daughter Islay Arntsen of Edmonton call on her on Sunday and take her out for dinner.

Mr. and Mrs. Frank Crabb of Irma visited Mr. Masson on Sunday afternoon.

Mrs. Astley of Irma called on Sunday and took her Mother and Dad, Mr. and Mrs. Theroux home with her for a few days.

Mrs. Helen Pallott of Lethbridge was visiting Mr. Cotter on Saturday.

Jean and Arlene Kuzyk of Vegreville called to see Mrs. Austin on Saturday.

Donna Girczyc and little son of Calgary called to see Grandma McNally.

Mr. and Mrs. W. Helgeland and Don of Camrose visited Mother Reger on Saturday.

Mr. and Mrs. N. Ebeltoft and Christine called to see Elmer Johnson and Mrs. Elness.

Visiting Mrs. Elness this week were Doris Likness of Irma, Jack and Norma Lymer of Edmonton, Leona Snider of Hinton and Ruth Likness.

Mr. and Mrs. Ziegler went to Olds on Saturday to attend their grandson's wedding.

Mrs. Ferguson is visiting with relatives in Vegreville.

Mrs. Savage spent the weekend with her daughter and family in Bruce.

Mr. and Mrs. George Smith of Edmonton called on Sunday to see their uncle, Joe Beechell.

Mrs. Weder had members of her family call on Saturday to help her celebrate a birthday.

Mr. and Mrs. Jos Dunbar called and entertained on Saturday evening.

Other guests out on Sunday with their families were Dutchy, Mrs. Johnson, Mrs. McNally, Mr. Gommesringer, Mr. Nordstrom, Mr. Cotter, Mrs. Evans - all enjoyed themselves very much.

Our card party will be held on Tuesday, April 24th and quilting will be on Thursday, the 26th.

"...some are born great, some achieve greatness, and some have greatness thrust upon them." William Shakespeare

We're looking for young people in Alberta who have achieved greatness.

Right now, you're probably thinking of a certain young person or group of young people in your community. Their courage, initiative, selflessness, or responsibility makes you feel proud to know them. They are an inspiration to all of us — the kind of young people who foster hope and joy in others. And who won Alberta Junior Citizens of the Year Awards.

Help us recognize them! Nominate someone between the ages of six and eighteen for an award this year. Winners receive Canada Savings Bonds as well as Alberta Junior Citizens of the Year Awards. And they receive the greatest reward of all for their contribution to the community — appreciation! From *all* Albertans.

The deadline for nominations is June 30, 1979. Send in your nomination now. Send the coupon below to the editor of this newspaper.

CALGARY POWER

PONTIACS AND BUICKS LIKE NEVER BEFORE.

The remarkable front-wheel-drive 1980 Pontiacs and Buicks are here!

Pontiac's 1980 Phoenix and Buick's 1980 Skylark are new. Totally new! Neat and handsome to look at. Smooth and quiet to ride in. With lots of room for five people.

Part of this spaciousness is accounted for by mounting the engine transversely, requiring less space...and by front-wheel drive, minimizing the need for a large floor hump or tunnel in the passenger area.

Front-wheel drive pays off in other ways. With the heaviest part of the car, the engine, right over the driving wheels, and with the driving wheels also doing the steering, a car is well-equipped to handle the hazards of wet roads, muddy shoulders and snowy driveways.

Front-wheel drive is a grabber

MacPherson strut front suspension helps give the car the feel of a big-car ride, while rack-and-pinion steering offers the driver quick, decisive control when rapping through traffic or slipping into a parking spot.

WHAT ABOUT FUEL ECONOMY?

It is excellent! A new 4-cylinder Phoenix or Skylark with optional automatic transmission has fuel consumption/economy estimates of 9.1 litres per 100 km (comparative rating)*. This means much better fuel economy than a comparably-equipped 6-cylinder 1979 model... and better power-to-weight ratio. For example, a new 4-cylinder Phoenix/Skylark, with automatic transmission, will accelerate from 0 to 100 KPH as quickly as its comparably equipped '79 6-cylinder predecessor.

They all share a standard 2.5 litre 4-cylinder engine with floor-mounted 4-speed manual transmission. Optional are a 2.8 litre V6 and automatic transmission.

PONTIAC PHOENIX offers four models: a Phoenix 2-door Coupe and a 5-door Hatchback Sedan, both with luxury LJ versions. A sporty SJ package is available on the Phoenix Coupe and Hatchback Sedan.

1980's Grand Opening

The 5-door Hatchback Sedan's optional "security panel" covers the trunk area and lifts out easily so the rear seat can be folded down (standard on the LJ Hatchback).

BUICK SKYLARK offers distinctive 2-door Coupes and 4-door Sedans in three series: Skylark, Skylark Sport and Skylark Limited.

Whether buying or leasing, see your Pontiac-Buick dealer for a test drive. The 1980's are here!

*Based on Transport Canada approved test methods. These fuel consumption/economy figures are estimates which may be subject to revision. The actual results you get will vary depending on the type of driving you do, your driving habits, your car's condition and optional equipment.

Some of the equipment shown or mentioned is optional at extra cost.

YOU'RE PROTECTED

- New vehicle warranty 12 months/20,000 kilometers
- 3-yr. perforation from corrosion warranty
- Available Continuous Protection Plan.

1980 Chevrolet Citation

The first Chevy of the 80's has so much to offer. Small outside with its sleek, aerodynamic design, it's big inside, seats 5 adults. Citation is sporty, swift and smooth. The front-wheel drive gives you good traction in rain, snow and mud. Choose from 2-door coupe, 2-door club coupe, 2-door hatchback coupe or 4-door hatchback sedan. Standard 4-cylinder engine or optional V6. Come in and see Citation for yourself. Test drive one soon.

See the first front-wheel drive cars of the 80's with the Chevrolet & Oldsmobile names behind them.

Oldsmobile class, good looks, luxury and engineering, that's Omega. Small outside but with just about the space and comfort of a mid-size Oldsmobile inside. The front-wheel drive with transverse-mounted engine gives you more traction and stability. Step up to the 1980 Omega. Sized for the times. You'll know when you see it and when you test drive it.

Progressive Farming

James B. MacKay
Dist. Agriculturist

Bill Brass - Ass't.
Dist. Agriculturist

Alberta farmers will be wise to consider growing salt tolerant crops this year if present conditions do no improve in the very near future, says Larry Gareau, forage crops specialist with Alberta Agriculture.

He explains that both soil salinity and alkalinity become more severe under drought conditions. He recommends seeding such areas to a forage mixture because the different species in the mixture will vary widely in the amount of salt they can tolerate, as does the salt content in different parts of a saline area. The species in the mixture which can adapt best to a specific soil condition will be those that become established.

SALT TOLERANT CROPS

Dr. T. Lawrence of the federal research station at Swift Current, Sask. says Orbit tall wheat Revenue slender wheat grass and Yukon or Polara sweet clover are the most salt tolerant crops available today. They will provide pasture or hay, control wild barley and help prevent saline areas expanding by providing a permanent cover.

Dr. Lawrence recommends the following forage mixture for saline soils that are not subject to more than 10-14 days flooding - 3 pounds of Sawki or Mayak Russian Wild rye grass, one pound of sweet clover and 2 pounds of Rambler or Roamer alfalfa per acre. Saline areas subject to two to five weeks of spring flooding should be seeded to 3 pounds of Frontier or Castor reed canary grass, 4 pounds of Carlton brome grass, 8 pounds of Orbit tall wheat grass, 3 pounds of Revenue Slender wheat grass, one pound of Sweet Clover and one pound of Rambler alfalfa per acre.

Dr. Lawrence says forage crops grown in saline soils should be seeded in rows of 6 to 12 inches apart and no deeper than one inch. Although the seedlings may not emerge for a considerable length of time in a dry year, seeding should be done as soon as possible in the spring so that the seed can take advantage of favourable growing conditions if they occur.

The Alberta Agricultural Development Corporation

Your Alberta Agriculture Financial Counselling Service

Since 1972 the Corporation has authorized over $650 million in loans and guarantees. Under our various programs we have helped 35,000 Albertans.

We offer financial counselling which could help you obtain the best financing available for your farm or agri-business.

Along with Alberta Agriculture's district agriculturists, agricultural economists, and other farm advisors we provide complete counselling on management problems of farmers and agri-businesses.

Let us provide you with financial service.

Irma L.A. Report

At the April meeting of the Irma L.A., although many mothers were unable to attend, a great deal of business was taken care of. A donation of $100 was sent to the Royal Purple who are making their annual appeal on behalf of the Red Cross. The Brownies would like to thank the Strawberry Plains W.I. and the Irma L.O.B.A. for their donation to our organization. Those present at the meeting were very happy with the turn out at our Pancake Supper and would like to thank those who made it such a great success.

The Brownies will again be out on the morning of May 5th selling their Brownie Cookies. It was decided that the Brownies would again hold their annual Come and Go Tupper Tea. It will be on May 5th at the Cub Hall from 2 p.m. until 4 p.m. This year there will also be a craft table.

Would all Brownies and their Mothers please plan to be at the Cub Hall on Wednesday, May 2nd, at 7:00 p.m. to make crafts for our table at the tea. The Brownies still have some pens for sale for those who are interested. Memorial Donations Irma L.A. were received from Mr. and Mrs. Wm. Guy in memory of Mr. Ellsworth Allen, Mrs. Elizabeth Fisher, Mr. Jim Paul, Mr. Ed. Elford, Mr. Bill McFarland and Miss Vera Mikkelson.

Remember May 5th as it is Cookie Day and the Come and Go Tupper Tea.

Shower Honors Miss Linda Crabb

A good crowd was in attendance at the Alliance church on Wednesday, April 11, for a bridal shower given in honor of Miss Linda Crabb.

An interesting program of quizzes and special number was introduced by Miss G. Astley. Solos were sung by Shawna Skori and Edith Ford and a number entitled "Gordon Younker Had A Farm" by the Alliance Junior Choir were enjoyed very much by all.

During the singing of the final song, a group of young "farmers and farmerettes" brought in the gifts in a wagon and milk pails. After all the gifts had been opened and admired, Linda very graciously thanked everyone.

Irma and District Chamber Report

On Tuesday, April 10th, the Irma Chamber had their regular monthly meeting. The float for the parade will not be built by the school, but some of the displays will be cut out by the shop classes.

The International Year of the Child will be the theme

Sonny Archibald reported that the Royal Purple, Elks, Strawberry Plains W.I., Kinsmen and Chamber of Commerce together are applying for a provincial grant of $2,000 for the purpose of constructing a playground at the fairgrounds. They will be notified in June as to whether or not the application is approved.

The committee attending the municipal meeting in Walsworth felt that we would not likely get a grant for the proposed new curling rink. This shall be further investigated.

The Irma Kinsmen Club has made a pledge of $5,000 for three years in support of the construction of the new curling rink.

Suppers for our meetings have been increased to $4.00 with 50 cents set aside in a fund for new membership suppers.

Mr. Eric Eisner attended the Chamber meeting for the last time and is being presented with a plaque for his five years of service.

Irma News and Views

Visitors with Lorna and Eddie Jackson over the Easter weekend were Noreen and her boyfriend Norman Martin, from Winnipeg. Also Rick Hammond and Phyllis from Winnipeg were visiting, along with Bob Jackson and wife Geraldine, Charlie Jackson and girlfriend Careline from Czar, and Neil Jackson.

Minnie and Jim Jackson and George Foreman were dinner guests at Lorna and Eddie Jackson's home on Easter Sunday and had a nice visit with the family.

Dick and Elsie McRoberts left on Wednesday for a two week trip to Australia where they plan to visit with Mr. and Mrs. Spinaze. Elsie is also looking forward to meeting a pen pal with whom she has corresponded for many years.

Norris and Shirley Tomlinson and children visited with his mother and other relations over the Easter weekend. Shirley said that her parents Mr. and Mrs. Stan Brown sent their best regards to all their Irma friends and are hoping to visit Irma when the weather is nice.

Grace Archibald is presently holidaying with her daughter Irene and husband Walter Lanvin and family at Chilliwack, B.C.

Francis and Mrs. Withall from Edmonton were amongst the former Irmaites who visited relations over the Easter weekend.

The annual meeting of Grattan R.E.A. is being held in the Irma Legion Hall at 7:30 p.m. on April 25th, all members are requested to attend.

Amongst the visitors to the Long Ranch over the Easter weekend were Miss Dianna Long from Olds and Mr. and Mrs. M. Wilde from Edmonton.

Randy, Margo and Nickie Long were in Edmonton over the holiday.

Garth and Phyllis Tomlinson and son Ronnie from Whitecourt visited with Garth's mother, Elma Tominson and other relations and friends during Easter.

The home of Alice and Bruce Willerton was the scene of a Tominson family reunion when Alice's mother, brothers, spouses and families gathered there on Easter Sunday.

During Secretaries Week say 'THANK YOU' with flowers.

April 23 to 27 is National Secretaries' Week. And it's a very special week. You see, this is the time to take the time to say "thank you" for everything your secretary has done for you over the past year. How many times has she ironed out the little details that could have ruined your day? How many times has she screened your calls so you could concentrate on more important matters?

Yes, the secretary is the person a businessperson has to rely on to take care of and organize an endless stream of information. And occasionally we forget just how important a secretary is. Sometimes we even forget to say thank you for a job well done.

This is your chance to let her know that you really do appreciate her talent and ability. One of the nicest and most sincere ways to say "thank you" is to send flowers. And we'd like to help you say it in a way that is as individual as your secretary. Just tell us your secretary's likes and dislikes . . . we'll arrange a bouquet to suit her personality.

We're your local Flowers Canada — Alberta shop. And remember, we're also a Better Buy Alberta member.

Moved that the Municipal Administrator and Council members if possible attend. Carried.

Correspondence was received from the Provincial Planning Board setting out conditions for the proposed subdivision Part Lit "A" Plan 772 1861. Moved that conditions as set out be approved, excepting Clause b which requires a 10 ft. buffer strip for Lot 27. Carried. As an alternative to the buffer it was recommended that development of the said parcel be restricted to office type developments.

Correspondence was received from Mr. Paul Mercer together with copies of the proposed Village Plan. Council members are requested to review the plan and comment at the next regular meeting. Moved that this matter be dealt with at the next regular meeting.

The Municipal Administrator advised that Mr. Fred Jack has requested that necessary action be taken to fill and drain the area in front of his business. Moved that the matter be referred to the Foreman for action. Carried.

Correspondence was received from United Grain Growers Limited and the Alberta Wheat Pool expressing interest in obtaining water and sewer services for lease site properties. Shell Canada Limited has also expressed interest in this matter. Moved that E.P. E.C. Consulting Western Ltd. be contacted for a preliminary cost estimate. Carried.

Moved that the offer by Rick Lapeirre to purchase the curling rink site for the sum of $33,335. be accepted. Carried.

By-law No. 494; This By-law has been prepared to authorize the Village Council to enter into an agreement with the Department of the Environment for debt retirement on the sewage treatment facility. Moved that By-law No. 494 pass its first reading. Carried. Moved that By-law No. 494 pass its second reading. Carried. Moved that By-law No. 494 be presented for third reading. Carried. Moved that By-law No. 494 pass its third reading. Carried.

Correspondence was received from Mr. R.R. Minchau requesting water and sewer services be supplied at Pt. N.E. 28-45-9-W4th. The Village By-law requires that services shall not be supplied to property outside the village limits. Moved that upon preparation of a registerable plan of subdivision and annexation into the village that the requested services will be provided. Carried.

There being no further business before Council the meeting was declared adjourned.

Bill Giroux

As representative for Mutual Life of Canada in Viking and surrounding district, I would like to invite you to contact me personally or by phone if there is any way I may assist you with your life insurance requirements.

District 14 Elks Hold Annual Meeting at Kinsella

The annual district meeting of the District 14 B.P.O. Elks was held at Kinsella on April 11 and opened by Kinsella Lodge at 8:05 p.m.

District Deputy Grand Exalted Ruler Brother Frank Goddard was very capably introduced and did a commendable job of chairing the meeting.

We were honored with a visitor from Grand Lodge - Past Grand Exalted Ruler Brother Nick Kuzyk of Vegreville and Provincial Association members: First Vice-President, Brother Bob Manning of Delbourne; Past President Brother Chris Marfleet of Sundre; Past President, Brother Colin Fraser of Leduc and Chairman of Patrols, Brother Rog Abel of Red Deer.

Other visitors introduced were D.D.G.E.R. District #7, Brother Gordon Hill of Red Deer, Past D.D.G.E.R., Brother Nichol Jackson of Sundre, three visitors from Vegreville and three visitors from Killam.

Members attending from District 14 were six Past D.D.G.E.R.'s, 7 Exalted Rulers six members from the Chauvin Lodge, 17 members from the Wainwright Lodge, nineteen members from the Hardisty Lodge, 6 members from the Viking Lodge, four members from the Edgerton Lodge, two members from Irma Lodge, 22 members from Kinsella Lodge, and five members from Holden Lodge for a total of 95 members and visitors present.

Brother Cliff Overbo of Kinsella was appointed recording secretary.

Competitions were held with trophies given as follows: Rituralistic trophy going to Kinsella Purple Cross trophy going to Chauvin for contributing $5.20 per member to the Purple Cross Fund, History Book shield won by Viking and visitation trophy won by Wainwright with 4136 points.

A motion was made that a joint ad for District #14 B.P.O.E. and District #4 O.O.R.P. will be put in the Grand Lodge Convention Booklet.

Wainwright Lodge volunteered to host the 1980 District Curling Playdowns.

Hosts for the next annual District Meeting to be held April 9, 1980 will be Chauvin Lodge.

D.D.G.E.R. Brother Frank Goddard was re-elected to a second term in office.

In memory of Past D.D.G.E.R. Ole Cheram, Hardisty Lodge donated a plaque to District 14 for annual competition for the lodge with the largest increase in Lodge membership. Although the competition hadn't started, it was passed by all members present that Hardisty Lodge have the honor of putting their name first on the plaque. They had the largest increase in membership for 1978-79.

Under Good of the Order, a number of the V.I.P.'s addressed the meeting with many words of wisdom.

— Did you hear about the little girl who asked her mother "How do buffalo make love?"

Her mother replied, "How should I know - your father is an Elk!"

The meeting was closed by Kinsella Lodge at 11:45 p.m. after which the Wainwright Patrol Team put on a performance and were given a standing ovation for their efforts.

A delicious cold plate supper was served by the Kinsella O.O.R.P.

Submitted by Publicity Director, Wayne King

Irma Girl Wins Awards

Noreen Jackson, owner of Sun Studio in Winnipeg, eldest daughter of Eddie and Lorna Jackson of Irma was awarded 4 Merit Awards for her photography in the portrait, wedding and animal categories. The awards were presented at the recent Professional Photographer's of Manitoba 1979 Convention held in Winnipeg. Each member is allowed only 5 entries per competition. Noreen is the youngest member of the Professional Photographer's Association of Manitoba. The award-winning portraits will be on display through-out Western Canada.

Irma U.C.W

The Irma U.C.W. held their Annual Friendship meeting on Tuesday evening, March 27th commencing at 8:00 p.m. There were 13 members and 37 visitors present.

We had a very short business meeting. Our President, Mrs. Wilson, asked us to keep in mind our New-to-You Sale which is being held on Saturday, April 28th; also to please remember to have all sale articles in no later than Wednesday, April 25.

We had a short program, during which Mrs. Doris Likness and Mrs. Orril Darling showed slides and gave a resume of their trip to the Holy land.

Our evening closed with a delicious lunch served by Mrs. Kay Clumstad, Mrs. Peggy Smallwood and Mrs. Dorcas Coffin.

CARDS OF THANKS

I sincerely thank all my neighbors and friends who helped in any way to arrange everything for my sale on April 4th. A special thanks to Arnold Lien, and also to Sharon L.C.W. who served lunch. It was all deeply appreciated.
Elva Spring

We wish to express our thanks to all those who helped during our time of sorrow. A special thanks to the pall bearers, Rev. Bennett who officiated at the interment, all those who sent cards, flowers and donations, those who brought food to the house, the choir and organist, Monaghan's Funeral Home, the women who served lunch and a special thanks to the men who helped at the grave site on such a cold day.
Mrs. Grace Lysgaard
and family

CARD OF THANKS

We wish to express our appreciation to our many Irma friends whose cards and warm wishes helped us in celebrating a very special 60th Wedding Anniversary on March 31, 1979
Mac and Marg MacMillan 10c

CARD OF THANKS

We wish to extend our sincere thanks to all our friends and relatives who made our 40th Wedding Anniversary such a wonderful happy occasion. A special thank you to our family who arranged and did so much to make this occasion such a success and to those that brought goodies for lunch. Thank you for the gifts and the many beautiful cards. We shall get something with the money we recieved which will always be cherished. Many thanks to those who came to be with us from Nanaimo, B.C., Port Alberni, B.C., Edmonton, Camrose, Killam, Sedgewick, Metiskc, Wainwright, Irma and Holden as well as our friends and relatives in Viking, especially Pastor and Mrs. Jacob Stoles from Camrose. Pastor Stoles performed our marriage ceremony 40 years ago.
God Bless you all.

Speaker to Visit Viking United Church

Dr. Helen Huston, medical missionary to Amp Pipal, Nepal will be coming to the Viking United Church on Sunday evening, April 22, at 8:00 p.m. An invitation is extended to all to attend and share her experiences.

Dr. Huston was born in Alberta and graduated from the University of Alberta. She interned at the Royal Alexandra Hospital, Edmonton, and at the Vancouver General Hospital.

In 1953 she went to India as a medical missionary where she served for over five years. In 1955 Dr. Huston was loaned to the United Mission to Nepal for three months. Following furlough in 1958-60 she returned to work full time in Nepal.

Dr. Huston worked in the large Shanta Bhawan Hospital in Kathmunda for one and a half years and is now in the Gorkha project at Amp Pipal. This small centre serves the local people through agriculture, education and medicine. A move was made from the dispensary to the partially finished hospital in March 1969. The hospital is now finished. An active community health project is being carried on in the surrounding mountain villages. Dr. Huston works 5,000 feet up with everything she needs from drugs to scalpels, sutures and diapers, being carried there on foot. This is a nine hour trek up steep trails. Even her patients come to her the same route. One ten year old boy with a broken hip was jolted for three days along mountain paths in a basket on a man's back to get his to the hospital.

Dr. Helen, as she is widely known, first learned of such needy people at a C.G.I.T. camp in Alberta and decided then and there to be a medical missionary.

Good Friday? By Onesimus

Psalm 10 begins with the words, "Why do You stand afar off, O Lord? Why do You hide Yourself in times of trouble?" Psalm 22 begins thus, "My God, My God, why have You forsaken me? Why are You so far from helping me, from the words of my groaning?"

Both Psalms are poems of suffering. In time of trouble, when the suffering person feels (perhaps justifiably, in his experience) cut off by God or ignored by Him, a state of disaster follows. The sufferer is often, too often, ready to blame God, or demand that He offer some form of explanation for personal suffering.

That great man Job experienced dreadful misery and pain but he learned as all do eventually, that suffering is part of our lives. Job also realized that faith in the Creator and Sustainer of this universe eventually brings about some understanding as to why we suffer. God revealed this to him in a spectacular way as the Bible tells us.

We often hear the question, "Why do the innocent suffer?" - especially when young babies die of rare diseases, or babies are born deformed, or whenever a seemingly 'senseless' suffering or death is part of our immediate human experience.

"My God, My God, why have You forsaken me?" were the very words that Jesus uttered on the Cross as He was dying. He was an innocent person "who did no wrong, neither was there any guile in him"; who was condemned to death after two of the most immoral and illegal trials perhaps in the history of the whole legal world! An innocent person indeed, the Son of God, the Saviour, the One Who was sinless and perfect in every way - He uttered these words from Psalm 22. What does it all mean?

Firstly, He was addressing God, His Father. Jesus is His Only Begotten Son. Jesus existed with the Father before anything came into existence. John's Gospel says there was no' ing made or created unless Jesus was the Maker. Jesus knew what complete union with God the Father meant! On the Cross He was experiencing for the first and only time, abandonment by God.

Secondly, He was experiencing separation from God because of us! "Your sins have separated You from God"; "All we like sheep have gone stray", say the prophets, so when Jesus was dying on the cross, He was experiencing the hell which all those endure forever who reject God in this life. Jesus was taking with Him to the Cross, all the sin, wickedness, guilt and misery of human beings which cut us off from a total and free communion with God, our Creator.

As He further experienced God's punishment for our sin, Jesus understood the 'hell' that humans experience through ignorance of God's Love and offers of help; the 'hell' of death without hope; the 'hell' of senseless, hopeless suffering - the fruits of sin.

Thirdly, when all His suffering was complete on our behalf, Jesus said, "It is finished. Father, into Thy Hands I commit My Spirit". This clearly underlines beyond argument that Jesus went to the Cross to endure these sufferings on our behalf, and to satisfy for us, as our substitute, the demands of a holy and righteous God, who because of His Holy Love, must punish sin and wickedness.

So, Good Friday is a day for rejoicing! Our Lord has paid our penalty, suffering in His Own Body on the Cross. He has conquered the power and gained the final victory over sin. Above all on Easter Sunday, He rose from the dead, gaining also for us the victory over the greatest enemy of all, death. We rejoice in so wonderful a salvation!

Do You Know The Bible Says

By Mrs. W. Myers

"AND HE THAT TAKETH NOT HIS CROSS AND FOLLOWETH AFTER ME, IS NOT WORTHY OF ME." Matt 10:38. Voluntary or Mandatory cross bearing?

Cross bearing has many times been defined as a must-do responsibility. It can be a pleasant duty, or it can be a drudgery, depending on our attitude. At this Easter season which reminds us of both the death and resurrection of Jesus and of which volumes have been written, some angles have been missed concerning our own connection. Many of us miss seeing our part today.

In Matt 27:23 Simon was standing nearby with the rest of the spectators when Jesus was brought after His trial to bear His cross to the hill where He was to be crucified. He was compelled to help Jesus carry His cross.

Jesus said, "if any man will come after Me, let him deny himself, and take up his cross, and follow me." Matt 16:24. Jesus' definition is - a cross is something we assume voluntarily; it calls for death to self. It entails suffering for the sake of Christ; it involves putting love for the Saviour before our own pleasure; it means bringing Glory to God, not seeking the applause of men. When we deny self, we are abandoning Satan's weapon, because self is the greatest hinderance in a Christian's service for God.

SELF involves the desires and appetities of the body and mind and all the things of this world that offer pleasantness for the body.

How could Christ have carried the Cross in the strength of His human body? No more than we could carry it by ourselves. So He still helps us to carry our cross for Him. He is our brother in the God-Head, and is the same yesterday, today, and forever. He wants us to be more than seatwarmers at Church. He came to earth to fulfill a mission, and He has a mission for everyone who have accepted Him into their heart. Are we worthy of Him or not??

Town of Viking

OFFICE OF THE MUNICIPAL ADMINISTRATOR

NOTICE

Mobile Home Owners

Section 226 of Municipal Government Act provides that no owner shall occupy a mobile unit in Viking unless he is the holder of a subsisting licence issued by the municipality. Owners of mobile units shall apply for a license within 14 days of its being occupied within a municipality. Mobile licenses for 1979 must be paid to the municipality by May 14, 1979, or arrangements made to prepay license fees on a month basis. License fees payable for less than a full year are to be calculated on a pro-rated daily basis.

Mazankowski on Campaign Trail

Stressing the importance of the new areas to the Vegreville Constituency, Don Mazankowski, encumbent Member of Parliament, has wasted no time in striking out on the campaign trail.

He launched his campaign in the community of Chauvin and his travels have taken him to Edgerton, Wainwright, Irma, and Lloydminster.

His Message: "After 11 years of economic drift and division it is time to get Canada together again. The Conservatives under Joe Clark would restore confidence in the economy and faith in the government stimulating economic growth by building upon our natural strength and freeing the enterprising spirit of Canadians. We would restore a new sense of direction so that the potential of this great country and all of its citizens can be realized. its citizens can be realized."

Stressing that more than a decade of mismanagement has seen government spending soar out of control, Mazankowski promised that "under Clark, parliament would once again gain control of the public purse and thereby reduce wasteful extravagant expenditure".

This week Mazankowski travells to Elk Point, Lloydberg, Heinsberg, Frog Lake, Spuilnow, Vermilion - Maanville where he will address the Chamber of Commerce - concluding the week's activities in Waskatinau.

We're the Neighborhood Professionals."

Viking Water Study Presented To Council

At a special Town Council meeting on April 18, Cicon Engineering of Edmonton presented their study on a water supply for Viking. The report reviews the present water system, discusses projected populations and required system capacities in the future, and then provides three alternative proposals which should provide an adequate water supply for a population of 5000 people in Viking.

Ivan and Ron Chrapko of Cicon Engineering presented the report to Council. Ivan Chrapko stated that a study of "wells" in the area showed that no "well" system in the immediate area could supply the Town with the required volume of water. For a projected population of 5000, the required volume would be 350 imperial gallons per minute. He also noted that wells in the area have high soda and Glaubers salt (sulphates) content. Glaubers salts have negative effects on people with stomach problems). These findings by Cicon are very similar to the findings of a water study completed for the Town in 1969.

The Cicon study also included possible aquifers (a water bearing stratum of permeable rock, sand or gravel). Of three such areas determined, only one in the Camp Lake area could possibly supply the required volume of 350 imperial gallons per minute. The negative aspect to tapping an aquifer is that it is difficult to determine its life span.

The third type of water supply studied by Cicon was surface water. The engineers felt that surface water was the best bet because supply could be more readily guaranteed over the long term. Three areas were chosen as possible supplies for the Town.

The possible supply areas are located in the Iron Creek area, in the Camp Lake area, and in the Hattie Lake area. All three areas would require the construction of an underground water pipeline several miles long.

Studies in the quality of the water in these three areas will be undertaken within the next six weeks to determine the type of treatment required. In dealing with water treatment, the report recommended the construction of a new water treatment facility. The present plant has a capacity of serving a population of 1200 persons, and could be upgraded to serve 1800 people.

As forecasts call for a population of 3000, Cicon feels that a facility to serve this population should be installed. Also, some upgrading of treated water storage should be undertaken.

The estimated total cost for the three alternative proposals, each of which would completely upgrade the system for a population of 3000, ranges from $2.1 million to $2.5 million. Of this cost, the Town would be required to pay from $410,000 to $497,000. The remainder of the debt would be covered by government grants and cost-sharing.

Council expressed some concerns over the high costs and the necessity of planning for 5000, or even 3000. Some councillors felt that the equipment for the system would need to be replaced by the time the population of Viking reached 3000.

A decision on a new water system is not likely in the immediate future as the Alberta Department of the Environment is presently undertaking a study on underground water within a 20 mile radius of Viking, which is expected to be completed in June or July. Council also is desirous to learn the results of Cicon studies into the quality of the water in the three alternative supply basins.

New Treflan Granular Plant For Ft. Saskatchewan

On a 40 acre site just across the river from Fort Saskatchewan, 15 miles northeast of Edmonton, Elanco Products has started construction of a new agricultural chemicals plant, initially for the manufacture of a new formulation of granular Treflan. This formulation is the first of the products to have been developed and tested at the Elanco Research Farm near Miami, Manitoba. Treflan granular, an effective and widely used broad spectrum herbicide for the control of annual grasses and broadleaf weeds in oilseed crops, has seen a growing demand since first marketed in 1977.

In making this announcement in Edmonton on April 19, Malcolm Fruin, President, Eli Lilly and Co. (Canada) Ltd., explained that "The acceptance of Treflan in granular form by oilseed crop growers all across the West has become so great, that a strategically located, high capacity production plant is now required. This new Alberta facility is to be in full production by November 1st. And, while initial production is scheduled to meet current anticipated demand, reserve production capability can double plant output when needed."

Bicyclists Beware!

One of the first signs of spring is the dramatic increase in the number of bicyclists on the roads, according to Alberta Transportation's Safety Branch Director, Don Kuchinski.

However, there can be a tragic aspect involved as last year in Alberta there were nine fatal bicycle accidents and numerous non-fatal crashes involving bicyclists.

Kuchinski added, "Safety Branch records show that in all of the fatal bicycle accidents the bicyclists' actions were a major contributing factor to those crashes." Including the non-fatal crashes about 66 per cent of all accidents involving bicycles were the fault of the bicyclist.

"A person on a bicycle is much harder for motorists to see than other vehicles," commented Kuchinski. This means bicyclists should take extra care to be visible to motorists and motorists should be extra vigilant during bicycling season."

"Cyclists too often are at fault in the area of yielding the right of way to motor vehicles. In a crash between a bicycle and a motor vehicle, the bicyclist always loses," he said.

Kuchinski also emphasized that bicyclists must observe and obey all the rules of the road, and that they should be particularly wary of squeezing in between motor vehicles and the curb, especially at intersections.

Alberta's 4-H Clubs to Clean Roadsides

The Alberta Transportation will team up with the province's 520 4H Clubs and Junior Forest Wardens to clean up some 9,000 km of primary highways on Saturday May 5th, Henry Kroeger, minister of transportation said.

The 4H Council of Alberta will co-ordinate the 4H and Junior Forest Warden Clubs in picking up garbage along both sides of the highways, each Club being responsible for a maximum of 16 km of primary highway. Alberta Transportation's regional crews will provide the bags and trucks necessary to haul away the garbage.

"For safety reasons, the program will not involve medians of four-lane highways or interchange loops," Mr. Kroeger said, "and we will urge all motorists travelling primary highways on Saturday, May 5th, to exercise extreme caution."

A Senseless Act

On the Easter weekend, a young lady drove to Viking to visit with her mother. While visiting, she parked her car behind her mother's residence. Some time during Saturday night, "someone" punctured all four tires on the vehicle. She reported the incident to the police but, as in most cases of vandalism, the local detachment could not find the guilty person or persons.

Acts such as these will continue to be extremely difficult to solve unless we, the residents of the rural communities, work with the police. We cannot expect the police to be everywhere at once and to make our communities totally safe from such acts. They have a wide range of responsibilities and a large area to cover.

What we must do is take part in helping them to stop this type of crime before it occurs or to find the guilty parties once it has occurred. By being concerned about the happenings in our communities, and by being concerned about the property of others, we can work together to make it very difficult for "vandals" to carry out their foolish and destructive acts.

Stories have reached this desk about people seeing crimes of vandalism being committed, yet doing nothing about it. These people say that it does no good to get involved because the courts seldom find guilt in crimes of this type or else deal very leniently with the offenders. This has been true in the past and may continue in the future.

But in a free, democratic society we cannot become complacent. If the courts are not doing the job which we, the citizens, feel they should be doing, we must work to correct the situation. By not reporting suspicious activities or actual acts of vandalism to the police, we are condoning delinquent behavior. Involvement is the key to the success of a free society.

Let's work together to stop this type of senseless act from occuring in our communities.

E. Loveseth Guest Speaker at Beaver District Annual Meeting

Mr. Einar Loveseth, President of the Alberta Rapeseed Association addressed the Beaver District Annual Meeting, giving a brief history of the tiny seed that has been traced back to 2000 B.C. It was first used as a lubricant and now it's developed into a fine cooking oil.

Alberta now has five crushing plants in Lethbridge, Lloydminster, Sexsmith, Red Deer and Fort Saskatchewan. A total of 32,000,000 bushels was crushed last year. The Alberta Rapeseed Association works closely with the crushing plants making sure that there will be supply for crushing.

He warned the farmers of the high risk of storing rapeseed, if it isn't dry enough. Careful watch and checking of bins for heating is very important. If a farmer had a bin of 6000 dollar bills, he'd check it morning, noon and night but when it's grain, he seems to forget the value of it.

The Association is in the process of changing the name of rapeseed to Canola. After a lot of research the double zero varieties are free from erusic acid and they wish to get the consumer oriented to using the new name.

Mr. Loveseth told the farmers there was a great need for qualified testers of rapeseed in Alberta. There are only 20 qualified testers now. One person is only capable of testing 3 or 4 batches of grain in one day. They were sending a telex to Mr. Whelan and Mr. Dallas Schmidt, alerting them to the need of getting people trained for this job.

If this year's crop is favorable then Torch and Midas varieties may be de-licensed next year.

Region 6 Director, Mr. John Slavik commended Mr. S. Mc. Mullen for holding successful election forums in Viking and Holden. The Region 6 Convention will be held on June 13th at the Vegreville Legion Hall. Mr. Howard Falkenberg, President of Unifarm and Mrs. Vera Rude, Vice-President for Women of Unifarm will be in attendance. All locals should be electing their delegates.

He encouraged farmers to take out subscriptions to the Prairie Agricultural Machinery Institute. These are evaluation reports of tests made on different machines, as to durability, manufacture, ease of operation, capacity, operator safety features, cost and discussion of mechanical problems. Comparison reports are given on 3 or 4 different models of combines, tractors, etc. The objectives are to improve design and aid in selection of agricultural machinery. For further information contact Pami, c/o LCC Campus in Lethbridge, Alberta. T1K 1L6.

Mrs. Olga Manderson, the Director for Region 6 Women of Unifarm reported on her year's work in the region and as Executive Member for the province. Study for locals this year is the "International Year of the Child." Highly recommended for study use is a book called, "Admittance Restructed - the Child As A Citizen in Canada." It covers 5 areas: 1. The child's need for economic support; 2. Health care; 3. Protection; 4. Education; and 5. Needs of the Native Child.

A new approach to teaching children is being spear-headed at the G.W. Dawes Community Center at Red Deer, where grades 1 to 8 are taught. The school is available for the use of the parents and community. Children use the gym after school and are kept off the streets. Emphasis is put on that each child learn responsibility for what he or she does. The Principal of the school felt that humanity came first before knowledge.

Women of Unifarm present Dr. Irene Pariby scholarships at the three Agricultural Colleges in Alberta and Mrs. Manderson was happy to present Miss Alana Bellingham of Vermilion her award of $100.00 at Lakeland College.

There will be three Teen Camps at Goldeye this year, so as to give young people an opportunity to participate. Brochures will be coming out in the near future.

A guide to Probate Procedure put out by the Alberta Bureau is intended to help the person who has no formal legal training and who is named in a will to be executrix or executor of that will. It clarifies legal terms, where to get forms, duties of executor and etc.

A new slate of officers were elected for this year. They are District Chairman Joe Laarhuis, Tofield; Vice Chairman Don Hulthoim, Holden; Board Members Helen Hraber, New Borstwhy; Herb Sware, Tofield; Paul Chrystian, Holden, Alfred Hogstead, Iron Creek; Merle McMullen, Viking; Paul Michiesh, Holden; Garry Manderson of Ryley; Stewart McMullen, Bruce; Women of Unifarm Representative, Ellen Loveseth, Viking; Alternate Women of Unifarm Representative, Lilla Ash, Viking; Secretary Treasurer, Olga Manderson, Ryley.

Mr. Joe Laarhuis thanked the retiring chairman Stewart McMullen for his contribution of time and energy to bettering the farming industry through Unifarm and its objectives.

Bruce Busy Bees

On Thursday, April 19th a regular meeting of the Bruce Busy Bees was held. Roll call was answered by "Listing a Goal that We Achieved".

Two demonstrations were held. The older group of girls demonstrated the folding of napkins and the younger girls showed the correct way to set a table.

Our final cooking project was to cook Fruit Crumble and prepare an Orange-Banana shake.

The winners in the recent 4-H raffle at the Easter Bingo were as follows: 1st prize - a cushion, was won by Mrs. Zelda Giebelhaus. 2nd prize - an apron, was won by Mrs. Joyce Lawes. 3rd prize - a cake, was won by Lynn Kraus.

A discussion followed regarding the serving of lunch at Louis Holden's Auction Sale. Also, everyone is welcome to attend our Achievement Day on May 2nd at 7:30 in the Bruce School. The meeting concluded with lunch and recreation.

Viking Town Council Minutes

A regular meeting of Viking Town Council was held in Council Chambers on the evening of April 4, 1979

The meeting was called to order at 7:00 P.M. by Mayor Hallvo

It was moved that the minutes of the special meeting of March 7, 1979 be accepted as read. The motion carried.

It was noted that the March 7, 1979 regular council minutes re garding the Business License Study were worded incorrectly. The last sentence should be changed to read "Mr. Evans replied that Council should have a separate meeting just to discuss and settle this issue".

It was moved that the March 7, 1979 regular meeting of council be accepted as corrected above. The motion carried.

It was moved that the minutes of the March 12, 1979 special meeting be accepted as read. The motion carried.

It was moved that the minutes of the special meeting of March 22, 1979 be accepted as read. The motion carried.

F. Morwood reported that the February 27, 1979 water analysis taken at the Elite Cafe showed the standard plate count to be 350 and that there are 11 coliforms per 100 ml. of sample. Remarks: Standard Plate Count and Total Coliforms are hight. Source of Sample (point of sampling) may have some bearing on bacteriological results. Water analysis taken March 19, 1979 at Elite Cafe showed standard plate count 280. Total coliforms nil. Remarks: Satisfactory. Water analysis taken March 19, 1979 at Town Office showed standard plate count 370. Total coliforms nil. Remarks: Standard plate count is a bit high.

Mr. Doug Thornton of Cicon Engineers appeared before Council and reported the following:

A. costs of running gravity or forced sewer lines to Golka home.

B. levels of sewers and manholes in relation to road grades in Rozmahel subdivision.

C. levels of weir and culvert of Town water ditch under hospital road.

D. application for water license for Town of Viking.

It was moved that the Town of Viking meet with Cicon Engineers on the evening of April 18, 1979 at 7:30 p.m. to discuss the filtration plant as well as paving for 1979. The motion carried.

It was moved that the Town of Viking reapply to annex the Town's half section. The motion carried.

Proposed By-law #322, under the Municipal Government Act authorizes the Town of Viking to purchase Lots 1, 2 in Block 13 of Plan 1174W for municipal purposes.

It was moved that By-law #322 be given 1st reading. Motion carried.

It was moved that By-law #322 be given second reading. Motion carried

It was moved that By-law #322 be given third and final reading at this particular meeting. The motion carried unanimously.

It was moved that By-law #322 be given 3rd reading. Motion carried.

F. Morwood read a letter to Council from Yewchuk Engineering of Edmonton showing mechanical drawings for the proposed sanitary, storm and water services re: New Viking General Hospital.

It was moved that the Town of Viking approve the specifications as drawn with the exception that Yewchuk Engineering incorporate a fire hydrant into the service line running to the hospital from 7th Avenue.

A letter was read to Council from Wilde, Tetreau and Co. chartered accountants out of Vegreville accepting the appointment as auditors for the Town of Viking.

Building Permits - Lad Vitek to construct residence with attached garage at 9th Avenue and 50th Street. Ken Koch to construct residence on Lot 4 in Block 45 of Plan 1174W. Council approved this plan only on the condition that Mr. Koch locate his house on the east side of the lot rather than the west side as previously planned. There is a town easement on the west boundary for the Town sewer line. Doris Fouts to upgrade the present house by constructing a new porch and replacing the existing siding with new siding. Ed Ruzicka to construct garage (double width) north of his existing home

Mr. J. Antos wishes to move an existing house, from Pragiue, to Viking. R. Labreche reported to Council that the building committee have taken note of the house and find it satisfactory for relocating to Viking. However the relocation cannot be done until a building permit has been acquired from the Town Office

M. Stephenson reported to Council that most frozen service lines are plugged from foreign materials dumped into them. He noted that this situation can easily be avoided if people are more careful in watching what they dump down their toilets

It was moved that the Town of Viking charge $20.00 per call and $20 per hour to free plugged sewer lines. The motion carried.

F. McDonald reported to Council that Mr. Adam Schmidt has informed the Town that he will not be doing the gas and plumbing inspections for the Town any more. The existing gas and plumbing inspection by-laws must be rescinded and letters must be written to Alta. Labour requesting the provincial government to take over these services.

It was moved that the Town of Viking rescind By-law #71. Motion carried.

F. Morwood read a copy of a letter to the Beaver Regional Recreation and Parks Board from the Town of Tofield serving notice of its intention to withdraw from the Regional Recreation Agreement unless a detailed audited statement has been provided for the year 1978 and all funds relating to the 3 mill program have been spent correctly. Mr. Morwood then read a letter to the Town of Viking from Mr. George Baker of the Regional Recreation and Parks Dept. requesting that all municipal councils wanting a new audit to be taken at additional costs, bring a written reply to the next Reg. Brd. Meeting.

A third letter was read to Council from the Reg. Rec. and Parks Dept. dated Apr.2, 1979 showing principal and interest paid out of the 3 mill program towards Viking's $70,000 recreation facility loan established in 1974. This loan was established through the Viking and District Agricultural Society and was to be used for the Carena and the Viking Community Hall. A fourth letter dated Apr. 3, 1979 was read to Council from the Beaver Reg. Rec. and Parks Brd. and Management Committee calling a meeting for Wed., April 11, 1979 at 7:00 p.m. in the Ryley Legion Hall for Town, Villages and County Councillors as well as Reg. Rec. and Parks Brd. and Management Committee members. This meeting will review the 1979 audited statement in a more detailed or itemized situation.

Plans were also submitted by L. Josephson to Council from the Viking Recreation Board. These were a suggested layout for a recreation facility for the Town and are to be submitted to the next Planning Board meeting.

It was moved that the Ole Lokken house on 52 Ave., two lots east of the Town pump, not be allowed to be sold for further residential use unless water and sewer services are run into the house from the mains. The motion carried.

Council instructed the Administrator to write the executor of the estate and inform him of Council's ruling.

M. Stephenson reported that the Town men would like to drive the Councillors' vehicles and have the Councillors drive the Town vehicles for a day just to find out what kind of shape the town trucks are in. Council feels that one ½ ton and a 1 ton are needed right away. Councillor Taylor will look into the possibilities of purchase or lease-purchase and will get quotes from all of the local dealers and report back to Council.

It was moved that this Regular Meeting be continued on April 10. Motion carried.

Regular Meeting continued

Wm. R. Taylor reported to Council that he will see that the local truck dealers are all given the specs required by the Town regarding two new trucks so that all will be given a chance to quote on their supply.

It was moved that a committee of M. Stephenson and Wm. R. Taylor be formed to procure two trucks for the Town of Viking. The motion carried.

It was moved that the Town of Viking write Viking Cartage about their trailers being dollied up on 53 Ave. and that the Town write Ruzicka Trucking about horse trailers being dollied-up on Town streets. Councillor Taylor also noted that the Town can expect the R.C.M.P. to enforce the Highway Traffic Act regarding the parking of trucks in Town. He will ask Cpl. Lyle Anderson to attend the next council meeting to discuss this.

It was moved that the Town write A.G.T. and complain about the large number of crossed lines and interruptions in the phone lines while calls are being made

A letter was received by Council from Robert Cross, Secretary-treasurer of the County of Beaver suggesting that the 3 mill levy for Regional Recreation Capital Projects be used to pay off the balance of the capital debt owing on the major facilities thereby cutting out the interest costs. Council instructed the Administrator to write and express interest only in the suggestion.

A letter was received by Council from Mr. Ivan D. Stewart, Housing Officer for Alta. Housing Corp. requiring the approval of the Beaver Foundations' participating municipalities for the construction of a senior citizens' lodge in the village of Holden. Council tabled this letter until next council meeting

It was moved that the rent on the Town's Fitchall Residence be raised to $180 per month effective June 1, 1979.

It was moved that the Town of Viking approach Calgary Power to situate a street light on the east end of Block 36 which is presently being subdivided for two residential lots

It was moved that Viking Council meet May 9 at 7:00 p.m. for a special business license meeting

It was moved that the Town of Viking proceed with the subdivision of a residential lot west of the existing Elks Playground on 57 Ave.

It was moved that the Town of Viking block off the south end of Main Street south of 51 Ave. so that motorists will not be able to make u-turns in the vacant lot east of the Texaco Service Station

It was moved that the Town of Viking install four-way stop signs for 52 and 53 Avenues where they intersect Main Street.

Wm. R. Taylor reported to Council that he has been pricing steam and water cleaners for cleaning town equipment. He reported on the benefits of each system and said he felt the steam cleaner would be more suitable for cleaning grease and oil than a water pressure system.

It was moved that the Town of Viking purchase a Model 526 Steam Cleaning with accessories.

L. Josephson told Council that its time they considered planting some trees around the town office Councillor Evans will talk to Ron Erickson and find out if he would consider a school or summer project in which he could get some of the local students to help him.

A letter was read to council from Mr. Ross Lyle, V.P. of Place Farm Equipment informing them that his driveways and the front of his premises have been blocked on numerous occasions by Viking Cartage trailers and trucks. He noted that these violations are in clear contravention of the Alta. Highway Traffic Act and he requested that the Town take proper action. As previously mentioned in these minutes, a letter will be written to Viking Cartage by the Town and the Town can expect the R.C.M.P. to enforce the Highway Traffic Act

A letter was read to Council from the Vegreville branch of A.G.T. asking what streets are to be ripped up and rebuilt this coming summer. No information is available at this time.

Shown above are local exhibits in the Oil Painting Class of the 6th Annual Beaver Regional Arts Festival.

A fine display of crafts were exhibited at the recent Arts and Music Festival. Staff Photo

Almost 100,000 Alberta families had their Holiday Passports stamped last year.

Make this your year to Stamp Around Alberta

The Bells of Edmonton spent three weeks stamping around Alberta. They found Alberta hospitality amazing: "You always had somebody to give you a little bit of a hand." Ann, Ben and son Harold also found collectors' items and renewed friendships with relatives they hadn't seen in years. And they now have their proud set of medallions. But they're not the only ones eager to tell everyone about the fun.

How will you get in on this year's excitement? Do an auto tour? Join some of the 75th Birthday celebrations of many of our towns? See the more remote parts of your province? Whatever your way, this year is the time to get stamping — and get the six tourism zone stamps in your passport for your bronze* medallion or the ten for your silver*, or all fourteen for your complete set.

STAMP AROUND ALBERTA

Join the nearly 100,000 Alberta families with fresh stories to tell. Plan now to Stamp Around Alberta for your vacation or on weekends. Watch for the monthly Calendar-of-Events advertisements in your daily newspaper and save them. And there'll be much more to hear and see and read about.

If you haven't already got one, send for your Travel Alberta Holiday Passport and complete Stamp Around Alberta kit, including the 1979 Stamp Locations and Events lists. Just write Travel Alberta, Dept. 310, Box 2500, Edmonton T5J 2Z4.

Don't miss the fun.

The Pencil Box

Sudden Fury

By Jennie Bird

The silvery mounds of cumulous clouds rose high in the south-western sky on the evening of July 11, 1970, as, for the third successive night, another electric storm seemed on the way.

The summer had been perfect in our central Alberta community, warm days, refreshing showers, interspersed only occasionally with violent little wind or thunder storms. Cattle luxuriated on lush green pastures, wheat field waved invitingly in the breeze, and rapeseed crops were just beginning to burst into seas of violent yellow.

In town the green lawns, blooming flowers and tree-lined boulevards bespoke of our love for a community proud of its prosperous appearance and sense of well-being. To complete the picture, a large paving program was almost complete, promising clean streets for years to come.

As my husband and I leisurely enjoyed our evening meal, thankful for the promised relaxation of the weekend now begun, we watched the gathering clouds and contemplated the beauty of our view of the countryside from our new home on the west side of town. Seeing the threatening storm seemed headed our way, we decided to drive the five blocks to the store for the extra groceries necessary for the two day holiday.

Faint rumblings of thunder were audible as I pushed the grocery cart up the aisles of the store and I was almost through the check out counter when my husband rushed up, urging me along. "Hurry it up," he said. "This storm is going to be a big one, and we're right in the middle"

Grabbing our purchases, we rushed out to fight out way against a gale of wind and large splats of rain, to the car. Debri filled the air. Boxes, papers, leaves and boards flew before the violence of a wind such as I in my life time had never witnessed.

One flick of the starter, and the car was off down the prematurely darkened street, but in less than two blocks we could go no further. A wall of white blotted out all vison beyond the hood of the car. Hail, the size of golf balls, pelted the vehicle. The window cracked, chips appeared in the windshield. Darkness surrounded us as though night had suddenly fallen. Frozen in horror, we sat as the deafening noise drummed at our ears, ice pounded metal, tree branches whipped across the hood, and the car rocked as a boat on the waves.

How long we sat seemed an eternity (varying reports later said it was between fifteen and twenty minutes duration) before daylight finally began to show once more. Miraculously all the glass had held and we were still alive. Carefully we made our way through broken trees and a torrent of water, back to our own yard.

Disregarding the Niagara of rain which still emptied from the sky, we ran from the car into the house. The floor was awash! As our horrified eyes surveyed the scene,I rushed further into the room, only to lose my footing on the globular chunks of ice covering the kitchen floor. Our house was a shambles! The picture window on the south had held, but the double windows on the west had not only broken, the wood surrounding the glass was chewed to splinters. Rain now pelted through the gaping five foot hole. A bank of hail stones two feet deep blocked the doors of the built-in china cabinet in our dining area. Mud dripped from the ceiling and leaves and bits of what had been the daily paper stuck to the wet walls. The living room was saturated and crumbs of glass glistened in its pile surface. Tiny particles of glass were also imbedded in the walls and ceiling, any wood surfaces were badly gouged and even the arborite topped table was chipped.

Bringing a large scoop shovel and two pails from the basement, we began a cleanup that, in many houses, was to last for days throughout the town. My husband filled the pails with the shovel and I emptied them in the sink, keeping the hot water running to melt the ice, in order that the glass could be picked out.

The power was out. The kitchen clock was stopped at 7:30. After a time, night overtook our mop up efforts and wondering how other people were faring, we decided to drive around town. Low areas were flooded, as storm sewers clogged with ice and debri, were unable to cope with the flow of water. In a basement suite, the kitchen canisters floated about at window level, as though looking for the cupboard from which they had risen. Construction tractor sat like battleships in a sea of mud. Trees gleamed whitely in the car light, entirely stripped of bark and leaves. A car sat up to its windows in water, its occupants wading waste deep through the ice muck, the remainder of the distance across.

The roof of the new tire shop blocked railroad avenue, the main entrance into town. Main street was littered with boards and every imagineable type of material. Half of the roof of the lumber yard rested in front of the Treasury Branch bank, and a six by four of undetermined length was driven through the brick wall of that new building. Another one protruded from the rear window of a car. The false front of a small, old shop was ripped away, revealing an attic rull of antique furniture. Chaos met the eye from all angles. We returned home to bed.

A cataclysm of nature such as this has a deep and moving effect on one, one that is hard hard to define. We realize with startling clarity, our very helplessness. Our great scientific advances are as nothing before the powerful natural elements which control our existence.

Sleep evaded us. We tossed and turned throughout the night.

As morning dawned, the sun rose brightly on a denuded landscape. Walking about the yard, we began gathering the bits of glass and shingles that were everywhere. Most of the garden was a pool of water on which a few shelled peas floated disconsolately. The shrubs had disappeared, the grass pounded into the earth, the rape-field across the road looked like summer-fallow, and the trees, as though some giant rabbit had gnawed their bark right to the log.

Many sounds, that are such a part of our daily lives we scarcely realize their presence, became noticeable now by their absence. The rustling of leaves, when there are no leaves left to rustle; the murmuring of corn stalks when no sign of corn remains; no sparrows twittering bird-land gossip; no robins to bid us "Cheer up"; not even a gopher to squeal in his playful morning romp. All was quiet.

Deathly quiet, as though the very earth was awe-struck by the devastation that had befallen.

By mutual consent, we made our way to the church. Some west windows had been broken so, arming ourselves with buckets and mops, we began upstairs in the ministers study, gathering broken glass and wiping up water that was still in pools on the floor. We proceeded downstairs to the basement where some puddles still remained on the floor from the over-taxes sewers. No further inside damage had been done there.

A chastened congregation gathered for the morning service. Some saw the storm as God's punishment for a proud society, but to most of us, the speed of the on-slaughts, the marvel that no human lives were lost, and the utter raging fury of that half hour of storm, enhanced our humility as we realized the great and awful power of our Creator and futility of man.

For almost a week following, a putrid smell, not unlike raw sewage, pervaded the area. Rank green crops that had been pounded to pulp, rotted on the ground. I suppose too, the remains of mice, gophers and birds, caught in the fury, added to the unpleasant odor. Gradually we returned to our regular routines, but those of us who experienced that storm will never feel quite the same complacency about the natural gifts with which we are so generously bestowed.

Viking Hospital Auxiliary
MEETING
THURSDAY, APRIL 26

2:30 p.m. in the Viking Hospital Board Room

Presentation and installation of newly-formed executive will take place

With the forthcoming of the new Viking Hospital, exciting and stimulating times are ahead for the new Auxiliary. All interested ladies are invited to attend this meeting.

Annual Alberta W.I. Conference Held

Lillian Copeland of Irma, standing third from left, poses with other delegates at the 50th anniversary of the Home and School Association held in Banff.

The weekend of April 5, 6, and 7th saw the gathering of delegates at Banff Center for the Annual Convention of the Alberta Federation of Home and School Associations. This year was a dual celebration, as it is the International Year of the Child and also, The Alberta Home and School is 80 years old. Delegates to this Convention from the Irma Home and School were Mr. and Mrs. Tom Copeland.

President Janet Anderson of Calgary and Vice-President Joyce Westerlund of Ester, were returned to office by acclamation. Ten resolutions, six emergency resolutions and four motions of support were presented.

Some of the resolutions were as follows:

1) School Board Autonomy - Chauvin Home and School. Therefore Be it Resolved: that the Alberta Federation of Home and School strongly urge the Alberta Department of Education to introduce legislation requiring School Boards to publicize notices of motion and hold public meetings prior to making decisions that have to do with school closure.

Further, Be it Resolved: that the Department of Education introduce legislation that will provide for appeal procedures for rate payers. Passed 93-4

2) Canadian Content in the Curriculum - Youngstown Home and School. Therefore Be it Resolved: that the Alberta Federation of Home and School Associations wish to commend the Minister and the Department of Education of Alberta for their emphasis of Canadian studies into their Social Studies Curriculum, increasing it from the present 25% to approximately 50% Passed 98-0

3) Daily Patriotic Exercises - Board of Directors. Whereas: Article 152 of the School Act reads- "A board may prescribe patriotic exercises and instructions for pupils in its schools."

Therefore Be it Resolved: that the Alberta Federation of the Home and School Associations request The Minister of Education for Alberta to instruct all School Boards and Districts to observe and take part in Daily Patriotic exercises. Passed 89-12

4) Curriculum Policies Board - Board of Directors. Therefore Be it Resolved: that the Minister of Education and Alberta Education review the formation of the Curriculum Policy Board with a view to indicate that one of the members-at-large shall henceforth be a member of the Alberta Federation of Home and School Associations, and that this member be appointed by the Alberta Home and School Federation and its members. Passed 96-0

5) Sex Education Classes - Board of Directors. Therefore Be it Resolved: that another option be added so that wherever Contraceptives may be shown and/or discussed in sex education classes, another course may be available for children of parents who wish to have their children excused from these classes.

Further Be it Resolved: that the option still be available for students to not take any sex education classes if this is the wish of the parents and the names of the instructors be supplied to parents ahead of time and, Further Be it Resolved: that our request be directed to Alberta Education and thus to all School Boards in Alberta, and Further Be it Resolved: that this resolution be directed to the Canadian Home and School and Parent-Teacher Federation for implementation in all of the provinces. Passed 81-17

6) Passing School Buses Loading and/or Unloading Passengers - Kathryn Home and School. Therefore Be it Resolved: that the maximum fine for passing a stopped school bus with flashing lights should be raised to $500.00 for a first offence. Passed 101-0

The Banff Center will also be the scene for the Canadian Home and School spring convention, at the end of May.

by Lillian F. Copeland.

Kinsella News

Recent visitors with Helga and Allan Barker were their daughter Kris and son from Qualicum Beach, B.C. also Jamie, wife Peggy and two sons from Didsbury, Brian and Ros from Edmonton and Allan's sister Alice and husband Doug from Ponoka.

Richard and Penny Davis visited with Bruce and Barbara Davis last weekend.

Visiting with Mrs. Kostereva for a few days were her daughter Jenny Kjorlien and two sons from Mayerthorpe.

Gladys Hintz from Edmonton spent the weekend with her daughter Jackie Pederson. While here she attended the 25th Anniversary party for the Nina Chapter #118 Order of the Eastern Star of which she was a member 25 years ago.

Also attending this event was Mrs. Winogene Carpenter of Lethbridge who spent some time renewing acquaintances in our district.

Fifteen members from the local Lodge attended the Royal Purple District meeting held in Viking on Sunday afternoon, April 22.

A reminder that members of the Kinsella W.I. will be canvassing the district collecting for the Canadian Cancer Society in the near future.

Welcome back to Clarence and Anne Kjorlien who have returned home after spending a very enjoyable winter in Texas.

Verna Walker from Edmonton visited with Gordon, Pat and family over the weekend.

Irma Pioneer Honored

Mrs. Irene Hill one of Irma's pioneer ladies was honored on her 80th birthday - April 13th. An Open House was held in the Irma Drop-In Centre from 2:30 until 5:00 p.m.

This was arranged and catered to by her family. Irene was surrounded by her daughters, sons and grandchildren and a host of friends and neighbors and looked much younger than her 80 years.

It was a friendly and enjoyable occasion. A special guest, Mrs. Mary Carter from Wainwright was in attendance. Mary was a life-long friend of Irene's and had celebrated her 80th birthday a few days previous.

She sat beside Mrs. Hill and together they graciously accepted congratulations and good wishes from their friends.

Several flowering plants and bouquets of cut flowers decorated the table on which the birthday cake was displayed. The cake was baked by her daughter Aletha and tastefully decorated by Stella Glasgow.

Following the open house, Irene and all members of the Hill family were entertained to a delicious dinner at the home of Muriel and Ivor Thurston.

Kinsella Rose Seniors

A regular meeting of the Kinsella Rose Seniors was called to order at 8:15 with twelve members present.

Members have been busy with a work bee which got the tables sanded off and some finishing done on them. As well we painted the table Bruce gave the Club.

We made arrangements for our Card Party on Wednesday, April 25th at 8 p.m. Following the meeting, everyone enjoyed visiting and games for the rest of the evening.

We held another meeting to discuss purchasing curtains. A committee will look after same. We accepted a color T.V. from Mr. and Mrs. Gordon Lancaster following which another few items of business were attended to.

Clarence and Anne Kjorlien joined us again for a short while before taking off again. They reported having a lovely winter in Texas.

Kinsella W.I. News

Our meeting opened at 8:15 p.m. with ten members and two visitors present.

Mrs. Betty Oakes, who was our Delegate, gave a very good report of our Conference held in Wainwright.

Irene Findlay introduced Mrs. Plaxier who is our Provincial President.

Bruce and Kinsella tied for the Handicraft Trophy this year. Irene Findlay read her paper on Citizenship and Education - the paper on "Cults" how people, especially our young people can be so easily led into something they will regret.

It was agreed that we will send one Delegate to the Olds Convention in May. Our May meeting will be in the afternoon. We will have the Home Economist attend. She will explain all the facts about pant patterns.

Roll Call was "Fashion Your Easter Bonnet" Everyone who did not make a bonnet paid a 25 cent fine.

The meeting came to a close with the singing of God Save the Queen. A delicious lunch was served by Irene Findlay and Nellie Tessman.

Wainwright Constituency W.I. Conference

The sixtieth annual conference of the Wainwright Constituency of Alberta Women's Institute was held in the Banquet room of the Curling Club, Wainwright, on Monday, April 9, 1979 with Mrs. D.H. Gunn, Constituency Convener, Irma, presiding. Mrs. G. Wilson, Irma was secretary for the day, and Mrs. W. Parsons also of Irma was pianist.

Mrs. Plaizier, Peace River, Provincial president for Alberta Women's Institutes, and Mrs. Aileen Kritzinger, Stony Plain, District II Director were in attendance.

Registration began at 9 a.m. and showed a total of 78 women present. Theme was "Let us Take Time for All Things". Flag salute, O Canada, the Creed, and a minute of silence for departed members were observed before greetings from the town of Wainwright were brought by Mr. E. Walker who presented buffalo key rings to members.

Mrs. M. Zajic, Rosewillow welcomed members, and Mrs. Heather Barss, Buffalo Coulee replied.

Business of the morning included minutes of the 1978 conference, and reports by the Educational Convenors. Mrs. Erline Suddaby of Viking introduced Mrs. Kritzinger who spoke on Parliamentary Procedure. She pointed out that a treasurer's report should not be moved and seconded--only the annual report. She illustrated her points with a humorous skit entitled "The Gossip Garden W.I." A lively discussion period followed, clearing up many doubts for members.

A panel of delegates replied to questions on branch activities, the results of which gave a concise outline of the many activities carried out by Women's Institute members whose motto is "For Home and Country". A rise in membership was noted during the past year.

Before adjourning for lunch, a "Pennies For Friendship" march was held, resulting in $59.71 for the Associated Country Women of the World. A bountiful lunch was then served by the hostess branches--Rosewillow and Strawberry Plains.

Promptly at 1:15, Mrs. Kritzinger introduced Mrs. Gunn, who reported on her activities and presented the financial report. An increase in membership and the reorganization of Alberta Busy Beavers Girls' Club were highlights of the year.

Mrs. Irene Findlay, Kinsella, then introduced Mrs. Plaizier who first of all presented "housekeeping" information so that members will appreciate how the provincial dues are spent, and understand the need for a proposed rise in Provincial dues to be voted upon at Provincial Convention in Olds. Other points brought up were on homes, marriage and family. "Marriage has not gone underground in spite of a high percentage of failure. It has to be worked at--a good marriage just does not happen. We don't ask enough of our children--they learn as they achieve" she stated. Mrs. Plaizier's message was applauded.

Mrs. Debbie Orscheski, Kinsella, played her guitar and sang two songs.

Report on Alberta Busy Beaver's Girls' Club was given by Mrs. Ann Jones, one of the supervisors. The Achievement Day for this group is May 6 in Albert School.

Reports from the Nominating committee were then given. Mrs. B. Granigan, District Home Economist, Wainwright, gave words of praise and criticism of the various exhibits in handwork and baking. Mrs. F. Prosser read the results of the judging, as follows:

Handicraft: 1. Strawberry Plains, 2. Irma, 3. Tie-Kinsella and Rosewillow

Baking: 1. Kinsella, 2. Irma, 3. Strawberry Plains, Buffalo Coulee and Quite

Over 70: 1. Shady Cove, 2. Rosewillow, Rosegarland

Mrs. Barbara Fleming presented the trophies and thanked all who had competed.

The Pictorial History of Alberta Farmers in Action was shown. This was the work of Buffalo Coulee members who used pictures from Strawberry Plains and Irma. It was decided that the book become the property of Buffalo Coulee until such time as a library can be opened in Irma, when it will be donated there.

Conference decided to hold another Handicraft workshop in 1980.

Door prize was won by Mrs. Doris Foe, Viking, while the raffle was won by Mrs. Teesman, Kinsella.

Courtesy report was ably given by Mrs. G. Eager, Irma. Kinsella and Quinte offered to be hostesses at the 1980 conference.

Irma New Horizons Club

The sixth and last of a series of Whist Drives were played in the Irma Drop-In Centre on Thursday evening, April 19th, with 6 tables being played.

Winners for the evening were Helen Small wood - ladies high score and Georgie Eager - consolation. Archie Cook received mens high while George Foreman received the consolation. After lunch the prizes were presented. This was followed by the presentation of the two grand prizes. All the score cards for the series were kept and totals added. The winners were Barbara Froland for the ladies and her dad, Bob Hanson took the mens grand prize. It was "All In The Family".

Edith Cockroft presented the prizes and thanked everyone who had supported the New Horizons club by their presence at our whist drives.

On Wednesday afternoon, April 18th, Irma New Horizons members enjoyed a pleasant time playing whist, scrabble etc. Six tables played whist with prize winners being Mildred Smith - ladies high and Peggy Fleming - low. Mens high went to Ludwig Saire and low was awarded to Fred Clumstad. After lunch the prizes were handed out. Gertrude Matthews received the prize for scrabble while Peggy Fleming took consolation. The prizes for the afternoon were supplied by Grace Archibald.

Irma News and Views

Sunday afternoon a big fire and heavy ball of smoke was seen ascending in the vacinity of the Irma curling rink. Come Monday morning and a closer view revealed that the curling rink was in fact in the process of being demolished (with the exception of the office portion). Much of the east end had been burned.

The demolition being carried out by the curling club members. The property is sold and according to the conditions of sale, the site has to be cleared by May 1st.

Eddie and Lorna and Howard Jackson spent Sunday, April 22nd (Ukrainian Easter) with Mr. and Mrs. Dan Czar and family at Warwick.

There is still plenty of room for paper of all kinds in the Jackson's garage and it is never locked. Please remember that every ton of paper recycled saves seventeen trees.

Easter holiday visitors at the home of Mr. and Mrs. Tom Copeland were their son Wilfred and Sue Hardy from Edmonton. Nikki Graves and Ann Tomlinson from Calgary and Mr. and Mrs. Dan Applin from Marengo, Saskatchewan were also guests.

Minnie Jackson and Christine Russell left by bus on Wednesday morning, April 18th to attend the Orange Grand Lodge sessions of British Columbia, which are held at Princeton on April 19, 20 and 21. They plan on getting home on Sunday or Monday.

Born to Mr. and Mrs. Brian Riebl (nee Donna Hill) at an Edmonton hospital, a daughter. She arrived on April 16th weighing 5 pounds and 7 and one-half ounces. Kiley Diane and mother are both doing well.

Parkland Nursing Home

Kim Trydal, Jeanette and Mabel Robson called on Mr. Angus and Mr. Auburn.

Mr. Murray enjoyed a visit with Ellen and Kelly Levinsky of Edmonton and Joan Meakins of Viking.

Mrs. Kawaliak had many visitors over the holidays; Joe and Kay of Holden, Bob and Peter of Edmonton, Terry Lindgren of Sherwood Park, the Nolans, L. Stambaugh and Helen Kawaliak, all from Edmonton. She was also visited by Lorna Voltner of Tofield, Chairmane from Forestburg, and Anne Galenza of Camrose.

Calling on Mrs. Gustafson were Robert and Rodney Gustafson and Ellen Izzard.

Anne, Armand and Dave Cartwright drove out from Edmonton to visit with Mother Cartwright.

Mrs. Ward spent Easter Sunday visiting her family - Ross Ward, Mr. and Mrs. Dennis Teed and family.

Calling on Mrs. Tchir and Mrs. Pasnak were Ann and Nick Tkaczyk of Edmonton, Irene and Myron Pasnak of Holden, Olga Skoluey and Dianne Pasnak.

Mrs. Pasnak spent Easter Sunday at the home of Emily and John Tkaczyk.

Mr. Kindrich was visited by Charlie and Dorothy Lane and Lois Fisher.

Mr. Ritland had an afternoon visit with A.K. Gibson and Olive Good.

Otto and Joyce Lund from Edmonton called on Chester Lund.

Visiting with Barbara Blaeser were Ted and Marie Zwack of Camrose.

Other visitors to the home included Olivia Wolbeck, Rose Lousch, Mary McLean, Tillie Makar, Helen Bobyak and Rose Sowinski.

Thank you to Harry and Jean Miskew for the lovely Easter lily.

Our Strawberry Tea will be held on Tuesday, May 1, from 2:30 to 4:00. In addition to the tea, there will be a raffle and a bake sale. See you then.

The 25th Wedding Anniversity celebration of Lillian and Bert Hill of Viking was held in Bruce on Saturday April 21st. — Staff Photo

Vialta Lodge News

Our sympathy is extended to Mrs. Johnson in the loss of her sister, Mrs. Marvin Lokken of Camrose, who passed away Sunday, April 22.

Mr. Ziegler returned home Sunday after spending a week in Olds. His daughter Marguerite Winter and friend Lee Younger accompanied him to visit with Mrs. Ziegler for the day.

Visiting Mrs. D'Arcy were Ethel Couturier and Alf and Adeline Chadderton. Mrs. D'Arcy also visited friends in Sedgewick for a few days.

Renata Johnson of New Westminster, B.C. visited Mr. Elmer Johnson.

Gwen Hooper called in to see her mother, Mrs. Phena Evans.

Get well wishes go to Mrs. Sheets and Mrs. Pederson, both who are patients in the Viking Hospital.

Also visiting at the Lodge were Mary McLean of Wainwright, Helen Bobyak of Kinsella, Mrs. R. Sowinski and Tillie Makar of Viking.

IN MEMORIUM

IN MEMORIAM

In loving memory of our dear husband, father and grandfather, John O. Tkaczyk, who passed away April 27, 1978.
Our hearts still ache with sadness,
And secret tears still flow,
What it meant to lose you
No one will ever know.
When we are sad and lonely,
And everything goes wrong,
We seem to hear you whisper,
"Cheer up and carry on".
Each time we see your picture,
You seem to smile and say,
"Don't cry I'm only sleeping,
We'll meet again someday".
Dear God please take a message
To our loved one up above,
Tell him how much we love him
And give him all our love.
Always remembered and sadly missed by wife Mary, sons and daughters and grandchildren and great grandchildren. — 11p

Expecting?

Lamaze can make the birth of your child an easier and more exciting experience.

In recognition of the United Nation's declaration of 1979 as International Year of the Child, Lakeland College will offer Lamaze classes in prepared childbirth.

The first of these classes, taught by Miro and Ruth Kwasnica, starts February 21 at Lakeland College's Lloydminster office, 4420 - 50 Ave.

Lamaze techniques in breathing, concentration and relaxation have been found invaluable by millions of parents in giving birth to healthy babies.

Couples start class in the last three months of their pregnancy. Husbands are taught to coach their wives through labor and delivery.

It is an exciting shared experience for parents-to-be, and gives the new baby the best possible start.

Lamaze couples are often able to avoid the use of drugs during labor, which provides both mother and baby with the best milieu in which to accomplish delivery.

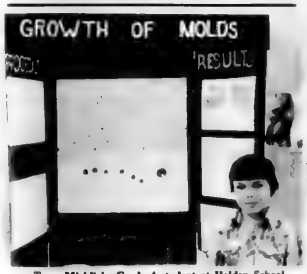
Lamaze couples often report labors with brighter, more alert babies.

It is a technique used for many years in Europe, particularly in France and Russia. It came to the United States in the mid-fifties, and has snowballed in popularity.

The Lamaze courses will consist of films showing Lamaze-trained couples in labor and delivery, and information about pregnancy and parenting.

Participants should wear comfortable clothes for exercises.

Further information on this course can be obtained by contacting Lakeland College, 4420 - 50 Ave., Lloydminster, Alta.



Terry Micklich, Grade 4 student at Holden School, was the recipient of a first-prize ribbon and a trophy for his science project at the County Science Fair held recently in Ryley.

The above photo was taken at the M.E.LaZerte School in Edmonton, scene of the Edmonton Regional Science Fair where Terry received Honorable Mention for his project.

Holden News

There have been many changes in residence in the Village of Holden. We welcome Stuart and Theresa Dobson and their two children, aged 7 and 9 years. The family arrived from Calgary following Stuart's appointment to the position of assistant manager at the Alberta Wheat Pool elevator.

Mrs. Karbyl and family have been in the process of purchasing the Johnston home. This was at one time the residence of Mr. and Mrs. Bruce Budd.

Anne and Peter Milimaka, selling their farm, are moving to the former residence of Mrs. Sroka. They will reside there until their new home is ready later this year.

Kevin and Darlene Stambaugh purchased two lots south of the Holden playgrounds and have plans of building a new home this year.

Another welcome sight is the work crew that has begun work on the Eight Unit Senior Citizen Apartment.

The play "Godspell" will be presented in the Regional Arts Centre at Holden on May 6th at 2 p.m. The play is being presented by the Theatre Unique of Fort McMurray.

Holden Beavers Hockey Club Annual Pork Barbecue, Dance and T.V. Stereo Draw on Saturday, April 28th, 1979, at the Holden Community Hall. A Social Hour will be held, beginning at 6:30 p.m. Supper to follow at 7:30 with a dance beginning thereafter. Admission is $6.00 per person. Everyone is welcome.

Bruce and District News

Marian and Stan Pooler of Kelowna, B.C. were visiting at the David Laing home. While here they visited Stan's sister, Grace Gormley who is a patient in the Daysland Hospital.

Florence Savage, who makes her home at Vialta Lodge in Viking, spent the Easter weekend at the Irven Frederick's home visiting with her daughter and family.

Engmar Benson is still a patient in the Viking Hospital. Friends report that he is feeling much better.

Joan and Ken Stambaugh made a trip to Calgary and Banff on the Easter weekend.

Carol and Dale Knieval of Slave Lake were visiting Carol's parents, Annie and Rudy Koppel on the weekend. Carol and Dale had spent the Easter weekend in Las Vegas.

Edith and Walter Frederick from California and Marie and Merlin Cabush of Edmonton were visiting Walter and Merlin's cousins, Lillian Teske, Gladys Dorin and Irven and Grant Fredericks.

My apologies for giving the wrong date for the Stampede Association meeting. The meeting was held with a good turnout so I assume my incorrect information did no damage. Members voted in favour of taking responsibility for the Community Centre. The vote was taken by secret ballot and there was only one vote against. The big event takes place this year on Sunday, July 29.

On Saturday, Lynne and Randy Stefaniyn visited with Lynne's parents Evelyn and Harold Hissett. Randy left on Sunday morning for Houston, Texas where he will spend a few days on business.

Don't forget the Bruce Senior Citizens are holding a dance in the Community Centre at 8:30 p.m. on Friday, April 27. What's more you can bring along the whole family and these children under 14 years will be admitted free. Admission is $2.50 per person.

Angelo Santucci, member of the Edmonton Eskimos, was guest speaker at the 1978-79 Beaverhill Hockey League Awards Presentation Banquet, held in Holden on April 21, 1979. Staff Photo

Dan Daniels of Ryley receives the trophy for the most Perseverant Player in the Beaverhill Hockey League. The trophy was presented by Len Stauffer.

Beats all others cold.

Shell's amazing Extrema* grease was put through a number of severely punishing field tests. Extreme heat, extreme high pressures, and even in water and road salt.

In one test this remarkable new grease beat out a competitive product seven to one - one lubrication with Extrema lasted seven times longer than the other grease.

Put our new Extrema to the test for your lubrication needs. You will be amazed by its performance.

Viking Minor Hockey Holds Year-End Banquet

Players, coaches, executive and parents of the Viking Minor Hockey Association gathered at the Viking Community Hall on Sunday, April 29th, for their annual year-end banquet.

President, John Antos, welcomed the group and then called on Ross Brower to say grace, following which everyone enjoyed the meal prepared by the mothers.

The meal completed, Lyle Anderson, Secretary-Treasurer, presented a brief financial statement for the year. Greeting from the Town of Viking were relayed by Len Josephison in the absence of Mayor Hafso.

The president then called on Tom Thumb coach, Joe Voltner and his assistant, Gerard Wadley. The team assembled on stage and were presented with team and individual photos while Gerard delivered a personal comment related to each player's performance over the season.

Robin Naslund - captain and Corey Biddlecomb - assistant, presented appreciation trophies to Joe and Gerard.

John Matinson, of the Viking Elks congratulated the teams, the coaches and the parents for the work done for our youth through the Viking Minor Hockey Association.

The Mites, with their coach Wayne Clouston giving a summary of their year, received their photos next. Stan Zemanek assisted with the presentations. Mark Taylor who had assisted during the latter half of the season was absent. Jason Place - captain for the Mites, presented Wayne with a trophy.

Danny Thomas assumed coaching responsibilities in the latter part of the season, and brought a note of humor to the banquet as he "told it like it was" as he introduced his team. Presentations of appreciation trophies were made to Ed Majeski and Danny Thomas by the Pee Wee Green team.

John Antos and Harry Rauser followed next with the Pee Wee Purple team. Photo presentations complete; Gary Vitek and Darren Wincura thanked the coaches and made their presentations.

Wayne Clouston, president of the Battle River Minor Hockey League, presented individual trophies to each member of the team in recognition for having won the league.

Ross Lyle, spokesman for the Legion, congratulated the teams and wished them success in future years.

Maurice Erickson and Leo Josephison called on their team. Hartley Arychuk, absent at the time, assisted with the Bantam team during the year. Each player was presented with their photos followed by Graham Wilkie and Mike Hoffman presenting appreciation awards to their coaches.

The Viking Knights of Columbus were represented by Pres Winter who commended the coaches, players and in general the accomplishments of Minor Hockey.

The Viking Midgets, the one team that really needs no introduction, were called to the stage. The team and their coaches were congratulated on their tremendous season. Following the presentation of photos, Bob Evans presented "Viking" pins to each member of the team. Kenny Lefsrud and Bob Graham in turn, took the mike and expressed the teams gratitude for having had excellent support and coaching during the year. In addition the team gave Garry and Bob plaques commemorating their provincial championship.

"Sportsmanship" trophies were again donated to one player on each team. These trophies were donated by the Viking R.C.M.P. detachment and presented by Corporal Lyle Anderson. The following were selected by members of the sponsor groups, to receive the award. Tom Thumbs - Miss Tammy Maxwell; Mites - Cory Clouston, Pee Wees - Troy Hilliker and Michael McLean, Santans - Darren Josephison and Midgets - Richard Lefsrud.

Dick Morris, head of referees for Viking Minor Hockey, took the mike and called on Lyle, Louise and Shannon Anderson, presenting them with a gift of appreciation for their work with the association over the past four years.

Receiving "Sportsmanship Awards" for the 1978-79 hockey season were; [back row, left to right] Richard Lefsrud, Darin Josephison, Michael McLean, and [front row, left to right] Tammy Maxwell and Cory Clouston. The individual trophies, donated by the Viking R.C.M.P. Detachment, were presented by Corporal Lyle Anderson [right]. Staff Photo

Pedal Pushers Underway In Viking

The Pedal Pusher Safety Course, sponsored by the Viking C.W.L., has been well attended as is evident from the number of young cyclists pictured above.

A tremendous registration of 67 students from Kindergarten to grade six in the Pedal Pusher Safety Course indicates that the young people in Viking area are interested in their own safety and are doing something about it.

The course is being sponsored by the Ladies of the Viking Catholic Women's League as a project for the International Year of the Child. The registration fee is $1.25 per child - $1.00 being charged to cyclists and 25 cents sponsored by the C.W.L. as well as organizing of the course, lecture sessions and implementing assistance offered by parents.

Many cyclists in the club have already developed good techniques and are gaining additional cycling skills and knowledge through Pedal Pushers.

The course will continue until Friday, May 4th, culminating with an evaluation of riding skills learned during the course.

Preventive Social Services A Possibility In Viking

This being International Year of the Child, the Viking C.W.L. at their March meeting decided to again pursue some form of Child Care Services for our area.

A meeting between the former Day Care Committee and C.W.L. representatives concluded that the best method of obtaining this goal would be to set up a Preventive Social Services Program. Through a meeting with consultants in Edmonton it was decided to hold a general meeting on April 24th for the public, and inviting member of Town Council, Home Care representatives, Recreation Board, County Councillors and local church organizations.

The consultant for this area, Mrs. Evelyn Nelson, was guest speaker and informed those in attendance of the purpose of a Preventive Social Services Program and what it could do for our community as well as methods of obtaining these services. She explained that it would be necessary that a municipal government sign a contract with P.S.S., hire a director, provide this person with office facilities and set up a board of directors who would work in conjunction with the director and P.S.S.

The Director, preferably would be a local person who is aware of community needs. Once attained, the Preventive Social Services program can assist individuals and community groups in organizing informal self help services. Funded projects which require financial support to meet deficit costs, are funded on a ratio of 80 percent provincial and 20 percent municipal.

The programs and services given assistance by Preventive Social Services are provided to all age groups. These can be related to health education, social welfare, community development, social planning and even economic development.

The P.S.S. program depends largely upon community involvement; clubs, organizations, or individuals volunteering time and effort in determining what needs are to be met and how. Some example programs are: family life education, senior citizen drop-in, meals on wheels, pre-school programs, youth programs, homemaker services, etc.

With the Home Care Program now in our area, P.S.S. can be very complimentary in working hand in hand with the medical needs by providing handy man services, meals on wheels, friendly visitors, etc.

Preventive Social Services can also be very closely related to recreation, as it is a very necessary aspect of social well being.

A need for many of the programs available was proven by the attendance of over 80 people at the meeting. Due to the response of those attending it was decided a brief be submitted to Town Council as soon as possible by the committee.

A Bureaucracy Strikes Again

The sign pictured above can be found on the door of the Alberta Liquor Control Board store in Viking. As noted in the picture, the store is presently open six days per week. In May, the store days will be shortened to five per week, a Tuesday to Saturday opening.

Paul Schorak of the A.L.C.B. in Edmonton informed me that the cut-back in hours is strictly economic. He noted that about 5 years ago the operational week was lengthened from 5 days to 6 days. He said that the Monday opening was found to be not warranted due to staff utilization and staff costs.

I questioned Mr. Schorak whether or not the A.L.C.B. considered the changes in Viking before the decision to close Mondays was made. He said that the only basis for the decision was cost factors.

Here lies the point. At a time when some business in Viking are opening from Monday to Saturday in hopes of providing better service to the people in the area, our Provincial government cuts back their hours of operation. The costs to these local businesses will increase and for a period, business profits will likely drop. Yet these businesses are attempting to make Viking a more viable business and shopping centre.

The question here in no way revolves around the nature of the government business. The only factor is that a bureaucratic decision was made to cut back service to the people within the Viking trading area at a time when some members of the business community are attempting to expand this service. The more businesses that are open on Mondays, the better the opportunities for the shopping public.

Mr. Schorak said that the A.L.C.B is very interested in the public's reaction to these decisions and invited me to put my concerns in a letter. I will be doing just that. The Viking Chamber of Commerce and the Viking Town Council should undertake to stop this action by the A.L.C.B. As well, each and every businessman and shopper who is concerned about the cutback in service to our community should also let the A.L.C.B. know their concerns. The individual to whom all letters should be directed is:

Mr. J.S. Kennerd
Director of Stores
Alberta Liquor Control Board 12360 - 142 Street
Edmonton, Alberta T5L 2H1

We should let Mr. Kennerd know about our concern. We should let our M.L.A. know about this matter. The least we can do is help the local business people by not letting the A.L.C.B. (a multi-million dollar profit business) cut back service without a fight. It's time the government departments began looking into the communities which will be affected by their decisions before the decisions are made.

Proxy Voting Service Offered

The proxy voting rules have been broadened to include more electors in Canada's 31st Federal Election on May 22.

Proxy voting allows another qualified elector to cast your ballot for you if you will be absent and unable to vote on ordinary polling day, or at an advance poll or in the office of the Returning Officer for your district.

To vote by proxy, you must take steps to appoint another elector, called a proxy voter, to vote in your place.

You will qualify for this kind of voting if you fall in any of these three categories:

1. a fisherman, mariner, prospector, trapper, member of an air crew, forestry crew or topographical survey crew.

2. you have a medical doctor's certificate indicating you are ill or physically disabled.

3. you are a full-time student, away from home during an academic term, and have a statement from the registrar of your educational institution in Canada.

Proxy voting has been permitted in previous general elections. But amendments to election law recently have extended to air, forestry and topographical survey crews, and to trappers, the proxy voting privilege.

Both your name and that of your proxy voter must be on the same voter's list.

Either you or your proxy voter must present official application for a proxy certificate to the Returning Officer of your district, as soon as possible after the voters' list is posted -- but not later than Friday, May 18th. An application form is available from the Returning Officer.

If you are applying to vote by proxy because of illness or because you are physically incapacitated, you must have a certificate from a legally qualified medical doctor on the doctor's letterhead paper (containing the doctor's address and phone number) stating that the doctor personally has seen you.

An elector may act as proxy for one other elector but the names of both must be on the same list of electors in the same polling division. The proxy voter can cast his own vote on election day as he casts the proxy vote.

Those who expect to be absent from home on election day normally will vote if possible at an advance poll or at the office of the Returning Officer.

Advance polls are open 12 noon to 8 p.m. on Saturday, May 12th, Monday, May 14th and Tuesday May 15th. Persons of advanced age, who are disabled or ill, or have reason to believe they will be unable to vote on election day are the main categories that qualify for advanced voting, provided their names are on the voter's list.

If you will be unable to vote in an advance poll or on normal election day, you may vote in the office of your district's Returning Officer -- from 12 noon to 6 p.m. and from 7 p.m. to 9 p.m. -- on any day starting Monday, May 7th and ending May 18th, except Sundays and advance polling days.

Village of Holden Minutes

The regular meeting minutes of the Regular Meeting of the Council of the Village of Holden was held on April 18, 1979 in the Village Office.

Present were: Mayor Shykora. Councillors Giebelhaus, Lemke, Danilak and Stambaugh and Secretary treasurer Mackay.

On behalf of the Viking Minor Hockey Association, Dick Morris [right] presents a gift of appreciation to Lyle and Louise Anderson at the Viking Minor Hockey Banquet held on Sunday. Staff Photo

Congratulations, Andy!

Andy Russell wins Canadian Outdoorsman award.

It's no surprise to those who know him when Andy Russell wins another award. Andy was recently named Canadian Outdoorsman of the Year for his efforts in conservation, at a meeting of the Canadian and U.S. National Wildlife Federations.

Calgary Power salutes Alberta's popular writer, photographer, conservationist and award winner!

Andy is the voice of OUR ALBERTA HERITAGE, a series of historical vignettes about Alberta's people and places, that has been presented by Calgary Power for the past eighteen years on radio stations throughout Alberta.

Among the many honors bestowed on Andy are Honorary Doctorates of Law from the Universities of Lethbridge and Calgary; the Julian Crandell Award for Conservation; fellowship in the Explorers Club of New York; and the Order of Canada, our nation's highest civilian honor.

CALGARY POWER

Kindergarten Korner

The monthly meeting of the Viking kindergarten was held Thursday, April 26.

The guest speaker was Jan McLavin, community health nurse.

We have finally started our field trips. With the more spring-like weather, it is nicer to take the little ones uptown to the various points of interest. Last Wednesday and Thursday the students visited the Bank of Montreal. Both days had an excellent tour - led by Mrs. Morris. They saw computers at work, $1000.00 bills and even a gold bar. The tour ended with cookies and pop. Thank you to Mr. Kampuis and the staff at the bank for allowing us to visit.

Parent participation for field trips has been fantastic Keep up the good work. There will be more field trips in the next few weeks.

The first week in April we started "grads" at school. Each student planted a bulb in a container. The growth rate is tremendous. They will be ready for the flower beds before the rest of us are ready to put them there.

A record?? We are quite proud of the fact that we have had a parent for noon supervision every day. This shows us that parents are truly interested in their children.

ORIENTATION DAY - May 11 from 9:00 to 3:30. Parents of next year's kindergarten class are invited to bring their child and visit the kindergarten room and meet their teacher, Mrs. Gahr. This is just a visit - not a whole day affair - as the regular class will also be in attendance. You will be able to see some of the activities that they are busy at. Please turn out as it does alleviate some of your child's anxieties about going to school.

Kinsella O.O.R.P.

The regular meeting of the Kinsella O.O.R.P. was held on Tuesday, April 24th with H.R.L. Yvonne Greenwood in the chair.

The lodge was pleased to welcome five visitors from the Irma O.O.R.P.

The minutes of the last meeting were read and the financial report was given by the treasurer.

Communications consisted of letters from Supreme Lodge secretary Gladys Worthington, the C.M.I.S., Lady Marjorie Oracheski and a thank you note from the Helms.

Lady Barbara Fandrick reported for the nominating committee and the following slate of officers were elected for the new term: H.R.L. yvonne Rawluk; P.H.R.L. Yvonne Greenwood; Assoc. Royal Lady - Shirley Oracheski; Loyal Lady - Jean Smith; Lecturing Lady - Lori Sparry; Secretary - Frances Overbo; Treasurer - Hilma Garvie; 3 yr. Trustee - Evelyn Mark; 2 yr. Trustee - Betty Oakes; Chaplain - Barbara Pandrick; Conductress - Marjorie Oracheski; Inner Guard - Mymma Fulton; Outer Guard - Phyllis King; Pianist - Hjordis Armitage; Application Form Committee - Helga Barker, Betty Holt and Muriel Rawluk.

A special meeting will be held on May 13th with installation of officers to be on May 29. This is due to the Federal election which is on our regular meeting date.

The lodge voted to cater to a wedding banquet on July 7th. This is to be handled by Group One.

Entertainment and lunch is being planned for Viking Lodge on Royal Purple Day, which is to be on Wednesday, June 6. It would be appreciated having any members who are free that afternoon, turn out.

It was moved that we donate to the Deaf Detection in the same amount as last year.

A lovely lunch was served by Ladies Jean Smith, Marilyn Lockhart and Shirley Oracheski.

Kinsella News

While spending a few days in Edmonton last week, Jack and Jean McKie visited with Mr. and Mrs. Carl Snogard and Mrs. Simmons.

Being involved in the Apprenticeship Programs are the following - Carter Oakes is attending Vermilion College in the field of mechanics and Bill Daugherty is at N.A.I.T. studying electricity; Eugene Minchau has completed his course taken at S.A.I.T. in Calgary in Metal Fabrication and is now employed in Edmonton. Dale Pederson is back at work after eight weeks at N.A.I.T.

Annie Overbo, from Burnaby B.C., spent a short time visiting her friends and relatives in the community.

John Daugherty enjoyed the weekend in Banff where he attended the Annual Masonic Conference.

Good wishes and a speedy recovery are extended to Pearl Brown who is confined in the Viking Hospital.

Echo-Rodino Report

Lady Luck was on hand as Christina Bauer won at Bingo and Esther Mackowski won $25.00 on the Wiss-day draw.

The men of the neighborhood spent a day at the Rodino Hall fixing the kitchen area so it can be put to better use.

Yvonne Greenwood attended the Royal Purple Convention in Viking on Sunday. Wes and Christina Bauer made a business trip to Edmonton.

Harold and Yvonne Greenwood stayed overnight with Rita in Edmonton where they were shopping for a couple of days.

The ladies of the community met at the hall with scrub brush and bucket and did up the spring cleaning chores.

Friday night the wind up dance for the square dancers was held and those who had been taking lessons were presented with Square Dance Diplomas. Several couples from the Bruce Square Dance Club were on hand to show us how it is really done.

Weekend guests at the Prosser home were Mr. and Mrs. Mervyn Krull and Karen of Leduc, Lorraine and Douglas of Edmonton, Mors Maideria of Edmonton and Mr. and Mrs. Bill Taylor and son of Lloydminster.

Swimming lessons for the children came to an end Saturday with the final tests for the swimmers. The Prosser home will now seem very quiet with all the swimming ended.

The Williams family took in the Mattinson-Marko wedding in Viking on Saturday. Stephanie made a very pretty flower girl for the bride.

Weekend visitors to the Williams home were: Clarence Hunter and Kathy Heggie of Edmonton and Keith and Lou Blakeney of Edmonton.

Mr. and Mrs. Allan Sauers have taken a holiday and motored to Calgary for a visit.

Maxine Torrance had a pleasant surprise one day this week as her nephew from Port Alberni popped in.

Andrew Erickson and Martha Holmes agree that the music is fine as they begin an old-time waltz at the dance sponsored by the Bruce Senior Citizens on April 27 at the Community Centre.

Holden and District News

At a recent annual meeting of the Bruce District of Unifarm several Holden residents were elected.

Don Hulthoim, a dedicated community member, was elected as Vice-President.

Elected as Board members were Helen Hrabec for the New Borschiw Distict and Paul Chrystian of Holden.

The play "Godspell" will be presented in the Regional Arts Centre in Holden on May 6th at 2:00 p.m. There are advance tickets available at Dolson's Trading Centre and the Royal Bank. This production is a musical based upon the gospel according to St. Matthew. The play is being presented by the Theatre Unique a group from Ft. McMurray.

At the recent Holden Drainage Council election, Nick Laskoski won easily over his opponent, Walter Williams.

A very happy young man, Andy Chamberlain, holds his trophies after being voted as most valuable player on the Holden Beavers hockey team. Andy also received the trophy for top scorer in the club. Other recipients of trophies were Ray Miller - Rookie of the Year, Greg Komarnisky - Most Improved Player, Laurie Rotski - Most Perseverant Player, Gord Komarnisky - Most Dedicated Player, Ken Rose - Best Defenseman, and Jack O'Brien - Most Sportsmanlike.

Holden 4-H Club News

A regular meeting of the Holden 4-H Beef Club was held on Thursday, April 26.

Joint Achievement Day plans with the Ryley Beef Club were discussed. Achievement Day will be held on June 6th, with weigh-in at 9 o'clock and show time set for 10 a.m. in Holden. The sale of the calves will be held in Ryley at 3:00 p.m.

Dale Lutz gave an informative talk on grooming of the calf.

Allan Zwierschke spoke to club members on the various points of grooming, clipping and showing calves. He was thanked for speaking and attending by Tracy Lutz.

Brian Hejnar has been chosen from the Holden Beef Club to be one of the fifteen 4-H members from the County of Beaver to participate in an exchange trip with 4-H members from Ontario. The exchange will take place during the latter part of July.

At the close of the meeting, 4-H T-Shirts were handed out to all members of the club.

Irma News and Views

Get well wishes to Mr. M. Reitan who is a patient in the Viking Hospital.

Mr. and Mrs. Warren Fuder and Mr. and Mrs. Donald McCutcheon spent the weekend at the home of Mr. and Mrs. Harold Fuder. On Saturday, Warren and Don attended the Lions Club Seminar in Wainwright and their wives joined them in the evening for the banquet.

Kevin and Lois Holmes and their two children from Sundre visited with Lois' grandparents, Minnie and Jim Jackson and her sister Joyce Bartholow over the weekend and left for home on Sunday forenoon.

Alma Enger is visiting at the west coast - Chilliwack, Abbotsford, Vancouver, etc. - and is expected back home to Irma by Wednesday, May 2.

Lorne and Eddie Jackson had their sons Bob and Charlie, Bob's wife Geraldine and Charlie's girl friend Caroline Csar, as well as Neil Jackson from Edmonton, home for the weekend.

Minnie and Jim Jackson visited with Alma and Joe Harding on Sunday, and found them both keeping in good form.

Martin Creasy is presently having treatment in Wainwright Hospital, suffering from a infection, and nursing a sore leg as a result of an accident. While chasing cattle, his horse slipped on ice and fell, breaking a small bone in his foot. However, he is coming along nicely and expects to be home soon.

Elsie and Dick McRoberts arrived home after a two week trip to Australia. Along with others, they visited Mr. and Mrs. Spinaze, with whom they spent four enjoyable days. The Spinaze's wished to be remembered to all their friends in and around Irma. They have many happy memories of their stay in Irma and other points in Alberta.

Arthur Pedel is happy to have his wife Fay and daughter Amanda Fay home from hospital in Edmonton where Mandy was born several weeks ago. Mother and baby are coming along nicely and becoming really acquainted.

Everyone is happy and enjoying the milder weather which heralds the coming of spring. However the wind continues to blow, now from the east, now from the west, north-west, etc., and it still seems cool in spite of the warm sunshine. Due to the warm sun and sharp winds, the land is drying rapidly. Some farmers have already started working on the land.

Chacutenah Manor News

Get well wishes to Mrs. Simmermon who at present is a patient in the Viking Hospital.

Supper guests with Mrs. Cockroft on Tuesday were her sister, Mrs. Elsie Coultman, her niece Mrs. C. Emmett and her grandniece Leanne Emmett. Also visiting were her daughter and son-in-law, Mr. and Mrs. A. Larson. The special occasion being Mrs. Cockroft's birthday.

A regular birthday and social evening was held in the lounge on Wednesday, with Mr. and Mrs. Lambert and Mrs. McRoberts as host and hostesses. The program opened with a sing-song led by Mrs. Craig with Mrs. Nissen at the piano. Mrs. Lambert conducted a "Name the Flower" contest in which Mrs. Craig, Mrs. Matthews and Allan Larson were the prize winners.

Our new projector, operated by Harry Riley was brought into use. Two interesting films the Islanders and the White Ship were shown. Mrs. Craig contributed two entertaining readings.

During the serving of lunch "Happy Birthday" was sung to Mrs. Cockroft who cut and passed the cake which had been beautifully decorated by Mrs. Soucy.

Mrs. Clumstad on behalf of the guests thanked the manor folk for a pleasant evening.

Couple Honored at N.D.P. Dinner

A dinner honoring Fritz and Lola Alwood, sponsored by Wainwright N.D.P., was held in Edgerton Agricultural Hall on Friday evening, April 27th.

The evening got under way by the singing of the national anthem with Lorna Jackson at the piano. Jim Jackson asked the blessing.

All present then enjoyed a delicious pot luck banquet, supplied by the ladies of the N.D.P. During supper Alan Richard introduced the head table guests, Mr. and Mrs. Fritz Alwood, their son Lyle and his wife Ester, their daughter Lou and husband Ralph Wilkinson.

The speaker for the evening was Grant Notley, Alberta N.D.P. leader and M.L.A. for Spirit River Fairview. James Kenney, Federal N.D.P. candidate for Vegreville constituency was present and Mr. and Mrs. Roger Hildebrandt of Edmonton drove Grant Notley to the meeting. There were approximately 90 present to enjoy the excellent meal for which Glen Valleau proposed a hearty vote of thanks to those responsible.

Alan Richards, the capable M.C. for the evening and recent N.D.P. candidate in the Wainwright constituency, thanked the people for their support and introduced all the members of the executive who were present. Alan then called on Gary Luciow to introduce James Kenney from St. Paul, Alberta, where he is school teacher.

Mr. Kenney outlined briefly the New Democratic platform for the coming federal election.

Mr. Richard then gave a brief life history of Mr. and Mrs. Alwood and presented them each with a gift and called on their son Lyle to propose a toast to his parents. They responded very capably to a standing ovation.

Wes Connelly introduced the speaker of the evening, Grant Notley, who gave a resume of the recent provincial election and the many problems of crucial interest to Albertans and to all Canadians. He pointed out the attacks being leveled at universal health care, mentioning the light put on by T.C. Douglas and the C.C.F. Government of Saskatchewan to have medicare implemented, the first pre paid medicare program in North America. He also discussed such items as The Heritage Savings Trust Fund, Petro-Can, the lumber industry, education and social services, etc. At the conclusion of his talk, Grant answered a number of questions.

Wes Connelly moved a vote of thanks to Grant, which was carried in the usual manner. Chairman Richards brought the meeting to a close with a few remarks. Thus ended an enjoyable and informative evening.

Wild Oats Cost Prairie Farmers One Billion Dollars Annually

A thief is loose in western Canada that the police can do nothing about. The great grain robber' steals $1 billion out of grain growers' hip pockets annually.

The great grain robber, better known as wild oats, is the prairie farmer's number weed problem. Wild oats steal sunlight, moisture and soil nutrients from grain and oilseed crops which inturn robs the farmer of top yields.

But the pilfering does not end there. Producers must pay the dockage fees and transportation costs through to the coast for the wild oats harvested with their crop. In 1959, about 5.2 million bushels of wild oats found their way into Canadian terminals. In the past 20 years, that figure has skyrocketed to 30 million bushels. These costs are not even included in the $1 billion figure.

The uncalculated costs and losses from wild oats are high. J. C. Brown, Canadian Wheat Board market development director, says wild oats hurt Canadian grain growers on the export market.

Japan discounts Canadian barley prices relative to Australian barley which contains no wild oats. The wheat board reduces wild oat contamination by half in their cleaning operations "but cleaning costs are high" says Mr. Brown.

Every major purchasing agent in barley "would rather not have wild oats." If Canadian producers could get rid of this weed problem, it would help long range development of seed grain export markets, says Mr. Brown.

However, the more researchers work to eliminate wild oats, the more they come to realize that wild oats will never be eradicated from the prairies. Last year, about 17.5 million acres were treated against the weed, more than ever before, yet it remained the worst plague to farmers. Average yield losses due to wild oat infestation range between 25 to 50 percent.

It is the individual farmer who must suffer the losses. With an infestation of 100 wild oats per square yard in wheat, a normal infestation, the farmer stands to lose $29.70 per acre.

The old saying "you have to spend money to make money" was never truer than when applied to the western farmer and his wild oat problem. The only effective wild oat control is with chemicals.

A pre-emergent herbicide such as Avadex BW would cost about $7.00 per acre. Last year, the farmer using herbicide control would have had an additional profit potential of $22.70 per acre.

Pre-emergent herbicide treatment is recommended to remove the wild oats before they begin competing with the young, unestablished crop. Wild oats treated post-emergent still can potentially dent crop yields.

Avadex BW herbicide is available inboth liquid and granular forms for wild oat control in rapeseed, wheat, barley, flax, sugarbeets, mustard and dry peas.

Farmers can not afford to cut back on wild oat control even for one year, say Dr. Frank Eady, Product Development Manager for Monsanto Canada Limited. The wild oat is an extremely adaptable plant and the nature of the plant means that a mild infestation one year could turn into a serious problem the next.

"Wild oats have a remarkable capacity to spread or reinfest fields, with each wild oat plant producing 150 to 300 seeds," says Dr. Eady. "Any prairie farmer who has had wild oats in his field can be assured that he has wild oat seeds in the ground just waiting for the right conditions to germinate and grow to compete with his crop for light, soil nutrients and moisture."

Wild oat seeds can lay dormant in the soil for up to eight years waiting for the right growing conditions. The key to wild oat control is an ongoing program to prevent reinfestation. Many prairie farmers now consider wild oat control a regular farm management program for healthy crops, yield and profits

Irma 4-H Food Club Report

On April 25th the 4-H Food Club had their seventh meeting. This meeting was held at the home of Stella Glasgow.

Our Achievement Day will be held at the Legion Hall on May 16th at 3:30.

The O.O.R.P. were campaigning for the Red Cross and we made a donation of $5.00 towards this cause.

On April 28, we took a tour of the Archives Museum in Edmonton followed up by a meal at MacDonald's. The trip was completed with a stop at the Game Farm, before returning home.

Letterheads say a lot about a company. When you can't make a call in person, you have to rely on your stationery to project the impression you want. We specialize in modern design.
Your Letterhead Is You
The Weekly Review

"In Times Like These"

By Onesimus

You hear Romans 8, verse 28 quoted as an encouragement to people who are going through difficulties, and trials and facing disappointments. The verse says, "All things work together for good to those who love God, to those who are called according to His Purpose". The statement relates to Christians, "the called", as God Himself has intended; so that if "God be for us, who can be against us?" (Romans 8, verse 31).

When it comes to experiencing difficulties and uncertainties about one's immediate or long-term future, it becomes an intense personal experience proving the truth that all things are working together for good! How can "all things" be good when "all things" are troublesome, wearying and depressing even! How can a Christian see the goodness and careful love of God at such time? Well the fact is, Christians do prove that God is working our His Purpose for us in every event and happening in our lives. We need to wait patiently on the Lord and He will resolve it all to His Glory and our personal benefit in every way. We are not left without hope!

This is what James says in his letter to some Christian friends who were going through persecutions for their faith and general difficulties in their personal and church lives: "Count it all joy, my brethren, when you meet various trials, for you know that the testing of your faith produces stead fastness. Let steadfastness have its full effect, so that you may be "perfect" and complete, lacking in nothing. If anyone lacks wisdom, let him ask God, Who gives to all men generously, without reproach, and it will be given him."

Trials and difficulties are for the strengthening of our faith and dependence on God is the key to our understanding of the purpose of these things.

Later on, James says, "Happy is the man who endures trial, for when he has stood the test, he will receive the crown of life which God has promised to those who love Him". He then explains that God does not cause us to be tempted but that we are tempted and entices through desire which leads to sin and death. We can see the "every good and perfect gift is from above, coming down from the Father of lights . . ."

Our natures are such that we would prefer to go our own way, "do our own thing" as the popular description is today - and complain and grumble when things seem to work out against us.

James' letter gives us all the understanding we need at such times in our experience. We need further to realise the great conclusion of Paul's discussion in Romans 8; "For I am persuaded . . . that nothing is able to separate us from the Love of God in Christ Jesus, Our Lord".

We can, through faith in Him at all times and in every experience, be "more than conquerors through Him Who loves us" and gave Himself that we might be His People.

It is by the Grace of God we are saved through faith - as Ephesians 2 puts it - and more than that - we are, "His Workmanship, created in Christ Jesus for good works, which God has prepared beforehand that we should walk in them". At times like these we live in, we need such a Saviour and Lord!

Do You Know The Bible Says

By Mrs. W. Myers

And working together with Him "we entreat also that ye receive not the grace of God in vain. 2 Cor. 6:1, co-workers with God". What a title to be heirs of God, and joint heirs with Christ, as well as workers together with Him.

A joint account with Christ, and yet the unsaved think the Christians life is dull and drab with no joy or happiness. Some Christians are such because at some time they have seen their need to become a child of God. They may read their Bible, pray, go to church occasionally and reverence God, but they have never presented their bodies to the Lord as a spiritual sacrifice for His service among the people whom they are involved, or the needy, or the many duties there are in the local visible church and Sunday school.

Yes, some of the duties are menial but nevertheless must be done by someone. In studying about the tabernacle in the wilderness journeys everyone had his or her work to do. When they decided to move, it all went very smoothly and as we say today, many hands make light work.

When we are workers together with God, it is a joy to be His feet, His hands, and His mouthpiece. It is not only a Sunday responsibility but all through the week - daily, hourly and whenever an opportunity presents it self. To be able to help someone in need is a real joy and satisfaction.

God chose twelve apostles to teach and train and have as his daily companions during his three year period here on earth, but we are exorted through the scriptures to be His workers, so a Christian's life is not just a life of profession, but a life of possession of Him first and then a commitment and service for Him.

May God help us to see that responsibility comes with salvation and commitment.

Native Range Improvement Program

This is an incentive program to develope land for hay or pasture purposes. You can borrow up to $6,000 for up to 5 years, and get an incentive rebate of $70 per $1,000 borrowed each year for 5 years. NOTE: that even if you pay off the loan before the 5 years are up, you can still claim the rebate for 5 years, as long as the land is still in hay or pasture. The loan covers brushing and piling, breaking, fencing, spiling, breaking, fencing, seed and seeding, and draining. Companies are eligible for $6,000 for the first member and $3,000 for each additional member to a maximum of $12,000. Apply at your local D.A. office.

SHELTERBELT TREE PROGRAM - want some trees for shelterbelt planting on your farm or acreage? If so, you must apply this year in order to receive trees next year. There is no charge for these trees. Application forms should be available at our office in the beginning of June.

WATER WELL RECOVERY PROGRAM - if you feel your farm water well has been damaged by either seismic activity or oil well drilling near you, and can't get a satisfactory settlement by negotiating with the company involved, you can apply under the Water Well Recovery Program. You will receive assistance to repair your old well, dig a new one, or to develope an alternate water source.

SHEEP PRODUCER'S INCENTIVE PROGRAM - this is a rebate program of 140 per thousand borrowed for up to 5 years on money borrowed for breeding stock equipment and construction of new facilities. Maximum loan the rebate is paid on is $40,000.

DAIRY DEVELOPMENT PROGRAM - this is an incentive program similar to N.R.I.P. Yearly rebates are made on loans up to $12,000 for an individual. Eligible projects are such things as building new dairy facilities and purchasing quotas.

GREEN CERTIFICATE FARM TRAINING PROGRAM - this is an on-the job training program for young people who want practical training for a farming career. It involves working with experienced farmers, taking some courses at agricultural colleges, and taking part in other programs that will be of benefit to them. Interested individuals should contact me for more information.

MARKET GARDEN DEVELOPMENT PROGRAM - the assistance is in the form of a development grant for the purchase of seed, fertilizer, equipment, etc. The grant payment is up to maximum of $500 for a minimum of two acres of vegetable and or fruit production required for eligibility. A producing unit can only receive this form of assistance for a maximum of two years. a producer having received one year's grant assistance from the previous Vegetable Incentive Program would be eligible for only one year's assistance from this program. Potatoe acreage is not eligible.

Hospital Auxiliary Organized In Viking

A Hospital Auxiliary was organized on Thursday, April 26th at a meeting held at the Viking Hospital.

Mrs. Jewell Hafso called the meeting to order and declared it a duly constituted meeting.

Mrs. Eileen Cunningham reported from the nominating committee and the following slate of officers were installed: President - Mrs. Edna Roddick, Vice President - Mrs. Pauline Watson, Secretary - Mrs. Olga Cumming, Treasurer - Mrs. Pat Ruzicka.

President, Mrs. Edna Roddick chaired the remainder of the meeting. It was agreed that we meet the first Thursday of each month at 8 p.m. Our next meeting is to be held on Thursday, May 3rd, at 8 p.m. in the Council Chambers of the Civic Centre (Town Office).

Sod turning for the new hospital will be held soon and the following volunteered to arrange for lunch - Gladys Roddick, Eileen Cunningham, Myrtle Ronaghan and Jewell Hafso.

Everyone is invited to attend and join to help with the Hospital and community.

Annual Meeting
of the
Viking & District Co-op Assoc.

IN MEMORIUM

TKACZYK - In loving memory of our dear husband, father and grandfather, John, who passed away April 27, 1978.

One long and lonely year has passed.
Since our great sorrow fell;
The shock we received that day,
No one can ever tell.
God gave us strength to meet it,
And courage to bear the blow,
But what it meant to lose you,
No one will ever know.
It's a lonely life without you,
And sad has been the way,
For life at home is not the same,
Since you were called away.
You bade no one a last farewell,
You said good-bye to none
A dear heart has ceased to beat,
And suddenly you were gone,
Loved and always remembered by his loving wife Mary and all the grandchildren and your children.

26p

The Pencil Box

Hobby Painting

By Jennie Lefsrud

Have you ever said, wistfully "I wish I could paint a picture?"

Whenever anyone says this to me, I always feel like answering, "Why don't you try? What are you afraid of?"

Almost always they will answer, "oh, I couldn't; I would not know where to begin," and they stop right there.

At the present time, with all the emphasis we have on training for leisure; with recreational activities countless; hobby groups large and small; and painting classes everywhere, including in Viking, there is really no excuse for not trying to paint if you are interested in this sort of thing.

Amateur painting is the fastest growing of all such hobbies mainly because there are so many fields to explore, so many mediums to work in, and the expense can be minimal. Pencils, crayons, pastels, pen and ink, and a drawing pad are not expensive. Even water colors, oil paints or acrylics need not break the budget if you buy just the basics at first.

So - what you like to paint? There are several categories!

STILL LIFE. This means objects around your home, such as pitchers, bowls, mugs, vases, shiny kettles reflecting objects near them such as fruits, vegetables, flowers or plants. Just look around, choose 3 or 4, arrange them as attractively as you can, and go ahead.

These things do not interest you? This is just the beginning. There really has to be a phase where one learns to master the tools of the trade. Also, one must learn to see the object to be drawn or painted. Is it mainly round, square, oblong or triangular? These are basic shapes in nature, and most things fit into one, or a combination of these forms.

LANDSCAPES. What can you see from your window? Or, if you drive a car, you can pick up a friend, and take your sketch book and explore the countryside.

Before you go any further, take a piece of scrap paper; draw several oblong squares 2 by 3 inches long, and try to fit your scene into these various ways until you are satisfied with the placement. Remember - you are creating a painting - not making a snapshot which includes everything in sight. Move things around!

PORTRAITS. Fine! Begin by making pencil sketches of your children, or spouse, or anyone else who will sit still long enough for you to catch a likeness.

If you still want to experience on your own, you can find quantities of art books in city shops and department stores. Ask the sales clerk to assist you, that is their job. Also, visit art galleries, and attend local art shows. Art galleries are not occult, out-of-this-world places where only 'initiates might enter. Just walk in, and look around. You will find the attendant only too pleased to tell you what is on display.

You might find some modern art puzzling, even shocking; but, you may also come out having sensed a new dimension to life, and hopefully, be stimulated to explore this vast, fascinating and challenging world of painting. If you catch the bug, it will give you a lifetime of rich adventure and enjoyment.

Lefsrud Sales and Service
would like to announce that they are handling the Bolens line of lawn and garden tractors and equipment.

Progressive Farming

NO-TILL SEEDING

Have you thought of planting your crop directing into the seed bed with no previous tillage? If you are concerned about adequate spring moisture, this might be an idea.

Doug Penny, soils specialist with Alberta Agriculture agrees with the principle of no-till seeding on farms where weeds can be economically controlled with herbicides and where the soil (light brown) is usually short of moisture even in a normal year. No-till seeding is also recommended for areas where soil erosion is a [illegible] especially in a dry year, [illegible] types of seed grain [illegible] cereals in stubble, [illegible] if previous crop residues [illegible] properly managed.

Scientists at the federal research station at Lethbridge have been studying the performance of several commercial seed drills [illegible] still fallow and stubble fields, have found seed placement was adequate [illegible] fields with up to 3,300 pounds of wheat stubble straw per acre. There [illegible] the amount of trash would be from a 35 bushel per acre wheat crop.

According to the Lethbridge scientist, trash was satisfactorily cleared with the hoe openers on a hoe drill when the straw was less than one foot long and uniformly spread over the field. Double and triple disc press drills also did a satisfactory job of seeding when they were able to cut through surface trash. In these cases crop yields were at least equal to those from plots seeded with a hoe drill. When there were differences between yields from hoe drills and disc press drills, they were mainly due to the presence of wild oats. The hoe drill tended to foster the germination of more wild oats than the press disc drills because of the tillage action of the hoe openers. This reduced yield compared with yields from the disc press drills, despite the use of herbicides.

According to the findings at Lethbridge, weed numbers were lower than under conventional tillage conditions and weed control was not usually necessary after a few years of no-till seeding. The research showed that, despite some difficulties in weed control and in seeding, spring wheat yields from no-till stubble fields average four bushels per acre more than yields from conventionally seeded stubble fields (2 cultivations). Shallower seeding depths and better soil moisture conditions were given credit for the higher yields from no-till seeding.

Viking Girl Wins Essay Contest For County

"Family Safety and the Child" was selected as the theme for the 1979 Rural Safety Essay Competition, sponsored by the Alberta Safety Council.

Mrs. Lois Hole, Chairman of the Rural Safety Essay Committee advises that this year's theme is in keeping with International Year of the Child and the contest places particular emphasis on safety of the child within our farm and rural community.

Approximately 42,400 pupils, representing 53 school jurisdictions, wrote essays this year. The winner from the County of Beaver for grades 5 and 6 was Rhonda Koppel of Viking.

Judging was first undertaken at classroom level, best essays were then forwarded to Superintendents at each school jurisdiction, and the best of them were then sent to the Alberta Safety Council. Final selection and provincial winners were chosen by a panel of teachers from the Correspondence School Branch in Edmonton.

Rhonda Koppel's essay is printed below.

"There are lots of safety rules I could have written about, but I've chosen TRACTOR SAFETY because my family has had an accident on tractors that could have been a disaster.

It was a couple of years ago. The bull had broken the pasture fence and was in our cultivated field. A neighbor phoned us and when Mom got off the phone, she told me to tell Dad the bull was out.

Dad was outside in the garage working, and when I told him, he was so mad I thought he was going to explode. He came inside to get my big brother Terry. They went outside and got in the tractor and left. They had to take the tractor because in a cultivated field they would have got stuck in another vehicle.

The field was big and the bull could run almost anywhere. Dad let Terry out of the tractor. After chasing the bull for awhile, Dad told Terry to stand in the northern part of the field. Dad chased and chased the bull with the tractor, but the bull always got away.

Terry was laying down because he had walked so long. When Dad came, Terry had shut his eyes and didn't see the tractor, and

Dad was too mad to notice. The tractor ran over Terry's leg and he was rushed to the hospital. It ended up that Terry had broken his leg and cracked it in some other places, too.

Mom and Dad visited him in the hospital. I wished I could go too, but I was too young.

One day in the evening when I had nothing to do I made a list on "Tractor Safety", because I was lonely. This is what I wrote:

1. Only the driver should ride on the tractor
2. Wear a seat belt when riding in a tractor
3. And especially keep your mind on driving.

When Terry got out of the hospital, he had a cast on, but I was sure glad to have him back."

Charlene Kenney

The Homemaker

The time has come to leave the County of Beaver. I have accepted the position of Regional Clothing and Textile Specialist with headquarters in Airdrie. I look forward to the new position but I know I'll miss my friends in this County.

I would like to say some special thank yous. The staff at the County of Beaver have really been helpful ... and a special thank you to Laurie Weatherall and George Baker for all their assistance through the years. The County of Beaver Further Education Council has some really special people on it, both past and present ...thank you. The nurses at the Holden sub-office of the Vegreville Health Unit have been so encouraging, thank you. I must not forget the several stenorgraphers we have had. Each one managed to learn to read my writing....thank you.

I'm sure you'll give the next home economist lots of assistance and encouragement. Meanwhile, Janice will forward any problems to the Regional Home Economist.

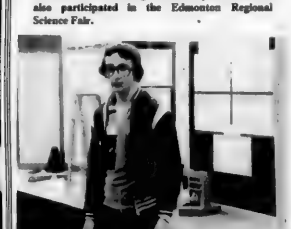
While I was home over Easter my mom and I tried this recipe. She got it from Ruth Fremes "What's Cooking" television program. For all you ladies who have told me you like my mom's recipes best, here it is.

Chicken Liver Stroganoff
Two servings
12 chicken livers cut in half and fried in chopped onions.
1 1/2 cups sliced mushrooms or well drained canned. sprinkle of paprika.
Fry 2 or 3 minutes; then sprinkle with a little salt. Serve over rice with parsley on it.

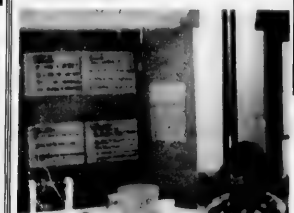
Arrange peas around the outside. Put liver in the centre. SAUCE: 1 Tablespoon flour, 1 cup plain yogurt. Heat in pan liver was fried in then pour over rice and liver.

Diane Lake
District Home Economist

The Holden Junior High students pictured below also participated in the Edmonton Regional Science Fair.



Wayne Marko, Grade 8. "Changing Mechanical Energy Into Heat"



Randy Paszak, Grade 8. "Are Tools and Instruments Valuable to Man?"

An Evening of Comedy

An Evening of Comedy was enjoyed by approximately 350 people in the Viking School Gymnasium on May 1st. Judging from the enthusiastic applause, the audience was well entertained.

The evening began with a brief introduction and welcome by the show's producer, director, Gertjan Zwiggelaar who handles the art and drama program in the Junior High school. Gertjan also wrote two of the plays performed.

Following the introduction, members of the Drama Nine class presented a farce called, "The Weightlifter" in which Bib Bud, the world's strongest man, lifts a heavy weight with the aid of a bicycle pump manned by his able assistant Bruce. The Weightlifter was followed by a humorous look at a dog show by the Drama Eight class.

Two more short skits preceded the performance of the Drama Club's production. These skits were entitled "The Robbery" and "One Day at a Bus Stop".

The Viking Drama Club's production, "The Very Great Grandson of Sherlock Holmes" completed the evening of comedy. This hilarious play was a typical "who dun it" with plenty of absurd characters that kept the audience in stitches.

Sherwood Holmes the great grandson of Sherlock Holmes became a private investigator in order to continue receiving a sizeable trust fund set up by his illustrious ancestor. Sherwood is informed of a murder threat to Harris Crumley, famed Ana Wordies champion, by Crumley's scullery maid, Meg Baker. After some cajoling by Holme's assistant Dr. Watson, the great grandson of the original Watson, Holmes accepts the case. While he is investigating at the Crumley mansion, Harris Crumley is mysteriously snuffed out. From then on Sherwood bumbles and stumbles his way to the surprise discovery and apprehension of the murderer.

Sherwood becomes a successful and famous detective like his great grandfather Sherlock.

The play is spiced with many hilarious dialogues and slap-stick comedy routines which makes it a very suitable piece of family entertainment. However it is not a suitable play for very young pre-schoolers who tend to get bored and inconsolate for the audience and players.

Scene changes were handled quickly and efficiently by the Stage Crew. These fellows deserve a hand for they did a splendid job.

The Very Great Grandson will play in the Beaver Regional Arts Centre in Holden on Wednesday, June 6, at 7:30 p.m. Tickets will be available soon.

"The Very Great Grandson of Sherlock Holmes" was performed by the Viking School Drama Club in the school gymnasium on Tuesday, May 1st. The cast consisted of [left to right] Carol Gefka, Brenda Rauser, Barry Kolenosky, Victor Skobenko, Louise Petruskey, Faye Oakes, Melanie Foote, Sandra Hegsted, Jackie Vlask, Daryl Molnyk, and Elaine Vlask.

Staff Photo

Laughlin Land Not For Sale

VIKING TOWN COUNCIL HIGHLIGHTS

At the Viking Town Council meeting of May 2, Frank Morwood, Municipal Administrator, reported that the Royal Trust Company has informed him that the Laughlin estate land east of Viking is not for sale at this time.

The Town had approached Royal Trust, as executors of the Laughlin estate, to net a price on the land so that the Town could proceed with development. Alberta Housing Corporation previously indicated to Council that they would be prepared to work with Council in the purchase of the land for land-banking.

Dan Wiggins of Royal Trust informed Mr. Morwood that their decision had been reached due to legislation regarding capital gains taxation.

Following this information by Mr. Morwood, Council discussed the possibility of starting expropriation proceedings. However, Council rejected this move at this time and will be approaching Mr. Jack Laughlin, a beneficiary to the estate, to determine if he will reconsider his present position with regards to the land.

Other Council business included their rejection of support for the resolution concerning a senior citizens' lodge for Holden. Presently Vialta Lodge in Viking has only 44 of 61 beds occupied and experienced an operational defecit of $30,981 for 1978. Council felt that another lodge was not necessary in the area and that the community of Holden could not support a facility of this nature.

Council had previously supported the construction of self-contained units for senior citizens in Holden and felt that this would be adequate in view of the increased defecit that would be experienced by the members of the Beaver Foundation.

Council also passed a motion to support the communities in the area in their attempt to promote a Preventive Social Services program for the eastern half of the County of Beaver. This was in response to the P.S.S. meeting held in Viking on April 24.

A final highlight of the meeting dealt with the decision by Council to block off the lot at the south end of Main Street. This lot is presently used by motorists to make U-turns.

Council will place steel pipes every 3 feet to prevent these turns and leave only an alley-way open which will provide access for the proposed trailer dumping station to be located at Bud's Texaco.

Bruce Busy Bees Hold Achievement Day

"Learn to do by doing", the motto of the 4-H Clubs, was clearly visible as one inspected the projects on display in the Bruce Community Centre on Wednesday evening, May 2. Parents, grandparents and friends were on hand to enjoy both the progress and displays planned by the eleven girls who are members of the Bruce Busy Bees 4-H Club.

President Betty-Lou Laing, acting very capably as chairperson, welcomed the guests. After the singing of O'Canada, accompanied by Debbie Lawson at the piano, Leann Kraus led the members in repeating the 4-H creed. The vice president of the club, Phyllis Giebelhaus, then introduced each member and told something about the activities of each person during the year. In keeping with the theme "Good nutrition today for healthy children tomorrow" the group sang two songs ... "Fruito" and the "Nutrient Song".

Club reporter Rhonda Koppel summarized the activities of the past year and Trudy Erickson gave the County delegate's report. An amusing skit entitled "Johnny and the Cake" was presented by Kathy Giebelhaus, Cathy Pratt and Tracy Dewart. Hopefully none of the girls' cooking sessions turned out so disastrously.

Cheryl Giebelhaus had the honor of introducing the judge, Janet Kolisniak who had spent the afternoon evaluating the projects, a very difficult task since all were so well done. Mrs. Kolisniak was generous in her praise of the girls' work; then announced that Kathy and Cheryl Giebelhaus had tied for first place. Since the girls are sisters, she presented the trophy jointly and congratulated them on the effort they had put into their projects. Then Hank Field, on behalf of the Bruce Agricultural Society, presented Rhonda Koppel with the Efficiency Award.

Following the presentations to the winners, Lynn Hebert thanked everyone for coming and making the evening successful. Leaders Paulette Erickson and Audrey Pratt were then called to the stage and presented with gifts as tokens of appreciation for their guidance throughout the year.

After the program, the displays were admired and lunch was enjoyed by all those in attendance.

Saturday Marks Town Planning Open House

The planning committee of the Town of Viking will be holding an Open House on Saturday, May 12, from 10 a.m. until 4 p.m. in the Council Chambers at the Civic Centre.

The Open House will provide the residents of Viking and district with the opportunity to view the work of the planning committee over the past seven months. The nine member committee, along with a representative of the Alberta Municipal Affairs Department, have developed goals and objectives for the future development of Viking based upon public input through the surveys carried out last June.

Alternative land use proposals have also been drawn up and will be available for scrutiny by visitors to the Open House. Various planning committee members will be on hand throughout the day to provide information and answer any questions which the public may have.

The Open House will also include a display on old buildings in Viking which could be preserved as historic sights. As well, a slide presentation on the new airport will be continuously shown throughout the day.

The planning committee is hopeful that as many residents as possible will visit the Open House and express their ideas and concerns about the work of the committee to date. Free coffee and doughnuts will be provided during the Open House on Saturday from 10 a.m. to 4 p.m. in the Council Chamber.

Viking's Future Is At Stake

This Saturday, the residents of the Town of Viking and surrounding area will have the opportunity to study the various goals and objectives which will form the basis for the General Municipal Plan for Viking. This plan is being formulated to provide guidelines for the future development of Viking. The "future" in this case means 20 plus years into the future.

As well this plan, when completed, will provide the Town Council with the guidelines for immediate development of the Town. The planning committee has formulated goals and objectives for Viking's future and also developed some alternative land use plans.

The object of the exercise was to provide the Town with some orderly development. This allows for maintaining the desirable and eliminating the undesirable. It prevents the establishment of noisy, smelly or unsightly businesses in the middle of residential areas. It is a plan which will take years to show actual progress. But it is a plan which is an absolute necessity to our developing communities.

The Open House on Saturday will be the epitome of democracy in action. All residents will have an opportunity to view the alternatives, to question planning committee members and to give their ideas and opinions on Viking's future. Everyone interested in the future of Viking should be there. It is our opportunity to let our concerns be known.

It is important that we get involved. The decisions made by the Town planning committee over the next few months will affect all of us for years to come. Let's take a few minutes on Saturday to attend the Open House. It deals with our future.

Beaver Regional Recreation and Parks Board Hold Meeting

A regular meeting of the Beaver Regional Recreation and Parks Board was held on April 25th, 1979.

Mr. Marvin Tomashavsky, chairman, called the meeting to order at 7:30 p.m.

The minutes of the March 28th, 1979 regular meeting were reviewed.

It was moved that the minutes of the March 28th, 1979 regular meeting be adopted as presented. Carried.

It was moved that discussion of the $4200.00 Policy and clarification of this should be referred to the Management Board. Carried.

The Accounts for the month of April were presented in printed form and reviewed by Mr. G. Baker.

Discussion was held over the bills for advertising and what they consisted of.

It was moved that a small separate write up be given each month with the Accounts for management about the revenue and expenses to date from the theatre.

A discussion was held over the power bill at the Theatre for its one month pay period.

It was moved to authorize Mr. Baker to look into avenues of prospective income through grants to assist in deferring the operational costs of the theatre.

The Board discussed the decision of purchasing a new lock for the Holden school after vandalism occured at one of our programs.

It was moved to send a letter to the Badminton Club letting them know that the Board was not pleased with the breakage of the lock at the school, and that they should pay for the damages. Carried.

Mr. Larry Andrukow presented a small re-cap on a discussion he had with the County over their rental policy for using the Xerox Machines. He mentioned that the County would like to work on a one-third type basis for the rental, and that we would be responsible for our own supply of paper.

It was moved that Mr. Baker determine the present cost of stationary for a year under our present operation and estimate the cost should we utilize the County's facilities. Carried.

It was moved that the discussion on payment of Town and Country Floor Coverings under Capital Facility Grants be tabled until after the Budget discussion this evening. Carried.

It was moved that the accounts for the month of April 1979 be accepted and paid. Carried.

The correspondence for the month of April 1979 were presented in printed form and reviewed by Mr. George Baker.

Mr. Baker also read out a few letters to the Board that he felt required action on the part of the Board members.

It was moved that copies of the April 11th, 1979 special audit meeting be sent to the Regional Recreation Board members. Carried.

Mr. Baker read the minutes that were taken at the special audit meeting held on April 11, 1979 in Ryley.

A letter was presented from the Fire Inspector in regards to some regulations at the Theatre.

It was moved that the Theatre Committee and Mr. Baker meet and find out what the board has to do in order to meet the Fire Regulations. Carried.

A letter was presented from the Village of Holden informing the Board that they could have the Caveat removed for a fee of $5.00 from the property in Holden (the Theatre land)

It was moved that the Holden Lawyer, Mr. Pierre be authorized to remove the Caveat from the Holden Theatre for the cost of $5.00 Carried.

A letter was presented from Mr. and Mrs. Dave Moen, Dance Instructors, with the Board for Tofield Dance Class. They are requessting that they be paid a salary - instead of the contract that they previously signed with us per student.

It was moved that the Board concurr with Mr. Baker's actions on the Dance Instructor's salary discrepancy. Carried.

A letter was presented from the Alberta Energy and Natural Resources. They were informing the Board that this area (Beaverhill) was not as clean as it should have been last summer and that this was contrary to the agreement we have with them.

It was moved that the question of the cleaning up of the Beaverhill area be referred to the Parks Committee. Carried.

It was moved that the letter from the County of Beaver regarding their signing authority be referred to the Management Committee. Carried.

It was moved that the correspondence for the month of April, 1979 be accepted and filed. Carried.

Board Members verbal reports were presented as follows:
Ryley - Swimming Pool opened last week. A full time instructor will be starting the first week of May. Junior Sports - commenced their summer program activities. Recreation Board will meet on Thursday, April 26, 1979 to discuss their Recreation Budget.

Tofield - Swimming students are being bussed into Ryley. Only one group is involved this time, but hopefully in the future there will be two. The dance club will be holding their concert this weekend. Baseball organizations have gone well so far this year. The gun club will be having a show.

Kinsella - Recreation Board will be putting on a Teen Dance on May 5th, and there will be no liquor served at this dance.

Viking - A meeting was held on April 24th, 1979 to set up the Tennis Association. There was a good attendance at this meeting. A Tennis Clinic is being planned for May 19 and 20. They have ordered equipment, etc., for this.

Viking - A Preventive Social Service meeting was also held on April 24th. It included discussion over meals on wheels, program, daycare, and homecare services.

Holden - Minor ball club wants to start up very shortly. The senior citizens will be holding an old time dance this Friday night.

It was moved that the verbal board members reports be accepted as presented. Carried.

It was moved that the Board delete the Edmonton Northlands Calendar from the month's correspondence. Motion lost.

The Administrator's report was presented in printed form and read by Mr. Baker. There was a short discussion over what bookings should be made for the fall in regards to the Theatre productions, workshops etc.

It was moved that the Theatre Committee be involved in the decisions of bookings for the Theatre along with Mr. Baker. Carried.

A discussion was held over the County Wide Survey that might possibly be done this summer by students employed for the recreation department.

It was moved that this discussion over the Survey be referred to the Budget Committee. Carried

The grievance committee's suggestion on sending Mr. Baker to the Faculty of Extension course "The Human Side of Office Management" was discussed.

Audit - the question arose as to whether or not to re-do the Audit or to have the corrections made on the present one. It was moved to instruct our auditor to make corrections and issue us a new audited statement at no extra cost to us. Carried.

A discussion was held over setting up a fund for the Theatre Income.

It was moved that this be referred to the Theatre Committee for their recommendations. Carried.

Summer staff was discussed and how many people need to be hired to carry out the summer work.

It was moved that the question of hiring summer staff be tabled until after the budget. Carried.

Moved that the Administrator's report be accepted as presented. Carried.

The management Committee report on what they had discussed at the April 11th meeting and mentioned that copies of these minutes would be handed out to the board. She mentioned that she was not at all happy with C.F.C.W. Radio being informed of our meeting on April 11th, 1979 and also that they were told what went on that evening. It was also mentioned that our minutes could be open for public inspection after the Board Meeting of April 25th.

The management board will hold a meeting on Tuesday, May 1st, 1979 at 7:00 p.m. in the County Office Building.

It was moved that the Board Workshop question be tabled to the May regular meeting. Carried.

It was moved that this grant program question regarding the bill be referred to the management committee. Carried.

The board now looked at the budget estimate for 1979. They quickly reviewed what they have discussed and changed at the April 19th, 1979 budget meeting. They moved onto the parks budget estimate for this evening.

It was moved that the board authorize the parks committee and Mr. Baker to check out prices for a new lawn mower and present the tenders to the board for the next meeting.

Summer staff were discussed under the budget here. It was moved that the board advertise for two travelling playground students, two permanent playground students and a R.W.E.P. student. Carried.

A discussion was held over the supplies that are downstairs and what should be done with them

It was suggested that the Parks Committee get together with Mr. Baker and come up with a way to dispose of these supplies.

It was moved that Mr. Marvin Giebelhaus alternate on the Theatre committee. Carried.

Kindergarten Korner

On May 2 and 3, the classes visited our Local R.C.M.P. Detachment. The students were extremely interested in the radio, cell, hand cuffs, police car and gun. Thanks are extended to Constable Bilodeau for taking time to show the children around. Also a thank you to the mothers for their help.

May 8th we plan to take the 'big' field trip of the year with a journey to Camrose. We will be stopping at the bakehery, the Sunny Boy feed mill, the museum, the fire station and Smitty's for pancakes.

The Post Office will be the next location in town to be toured. We have this outing planned for May 9 and 10. Following this we will be really pleased to pay a visit to our new dentist on May 15 and 16. Hopefully the weather will stay fit for all of these.

Tentatively there are still several other places to visit. Thank you for all the cooperation we are receiving from the local businesses.

Canada Hospital Day - May 12

Health and Welfare Minister Monique Begin and Canadian Hospitalization President William Kilpatrick in a joint proclamation have urged all hospitals in Canada to adopt "Hospitals are O.K." as their theme for Canada Hospital Day, May 12. The theme celebrates International Year of the Child.

In supporting the theme and purpose of Canada Hospital Day, Mr. Jack Roddick, Chairman, Viking General Hospital and Nursing Home District No. 10 Board, announces the following special events which will take place on Friday, May 11th.

Firstly - students from grades one to six have been asked to draw posters depicting their thoughts on hospitals. These posters will be displayed in Viking General Hospital.

Secondly - the students from grades one to six will tour the hospital Friday morning and afternoon with the Ladies Auxiliary assisting.

Mr. Roddick stated that although a special program is planned for Canada Hospital Day, the hospital's established programs in child health care are continually being expanded and upgraded.

Kinsella News

Brothers Wayne King, H. G. Smith, Bert Smith, Lawrence White, Harlan Fulton, John Bobyak, Jerry Mark and Cliff Overbo were the members of the Kinsella Degree Team, along with H.L.M. Bro Clarence Knorlien, travelled to the Bashaw Elks Lodge on May 2.

This was the fifth time the Degree Team has had the honor of doing the Initiation ceremony together.

Get Well Wishes this week go to Jean McKie who is a patient in the Viking hospital.

Ron Makar is enrolled in S.A.I.T. in Calgary, working on his refrigeration apprenticeship.

Thank you to all those people who donated so generously to the cancer drive conducted recently. Also thanks to the ones who came out to help make the "Teen Dance" a success. These efforts were gratly appreciated by the organizations concerned.

Council In Favor of P.S.S. Program

Viking Town Council are in favor of a Preventive Social Services Program for our area. A brief was submitted at the last Town Council meeting and was accepted in principle.

It was felt that the rural and urban districts surrounding Viking should be invited to par-take in this program should they so desire, as they support many of the service clubs, recreation clubs and utilize the medical and trading "facilities".

These districts could include Bruce, Kinsella, Holden and areas. Of particular interest to these localities, may be extended senior citizen services, youth programs, home care, possible meals on wheels and/or whatever other community services necessary.

A P.S.S. representative will be in attendance at an open meeting in Holden at the school library at 8:00 p.m. on Wednesday, May 9th, to inform and explain the possible benefits to the people in these areas. Anyone interested is urged to attend.

Hospitals Are O.K.

Canada Hospital Day this year will focus its attention on the care of children in hospitals. We are supporting the United Nations program for the International Year of the Child.

The theme this year, "Hospitals are O.K." represents a child's reaction; one that we hope all children will be able to voice. We are sure that hospitals and the communities they serve echo this sentiment.

Our prime concern is the total health of the child, both as a hospital patient and as a healthy individual. We are as concerned with prevention as we are with the cure. Adults talk about changing their lifestyles and many are doing so successfully. But the most effective way to improve the general health of the Canadian is to "get" them when they're young.

We urge you to celebrate International Year of the Child and to support the efforts of the Canadian Hospital Association to make this a year to be remembered of child health care.

DIAL BEFORE YOU DIG. THERE'S A LOT AT STAKE.

If you operate heavy machinery, it's more important than ever that you call your gas company before you break ground.

Because if you don't, you run the very real risk of damaging a gas main and being responsible for an accident which could cost thousands of dollars in damage and downtime. Or cut off the gas supply to an entire community.

Or cause dangerous explosions and loss of life — possibly your own.

So make sure that you call your gas company's Pipe Locator Team **at least 48 hours before you dig.** They'll stake out the alignment of all gas lines in the locality so you can dig in safety.

The service is free. Please use it. There's a lot at stake.

Call our Pipe Locator Team at: 336-4846

Pedal Pusher Program Completed

Friday, May 4th, brought the Pedal Pusher Bicycle Safety Program to a close. Constable Bob Bilodeau delivered the final noon-hour lecture dealing with the "Highway Traffic Act" and its importance to a person operating a bicycle or a motorcycle on the highway.

The concept of 'Safety' had been stressed throughout the course. SAFETY means to be SMART and INTELLIGENT. Smart enough and intelligent enough to be able to do the things we like and want to do without bringing harm to ourselves or to others. In order to lessen the chances of accidents and/or injuries, and to lead to greater enjoyment of cycling, the students were taught the major parts of their bicycles, some minimal care of it, how to use it safely, essential equipment for its safe operation, safety rules and regulations and signals. The students practised these techniques by means of an obstacle course and a designated safety route, complete with road signs.

A mixed group of grade two and three students participated in group precision riding, utilizing a team of 13 riders, which was also successfully completed.

At the Friday afternoon conclusion, R.C.M.P. Constable Bob Bilodeau congratulated each of the students on receiving their certificates on completion of the Bicycle Safety Program.

In order to permit easy identification of the students bicycles, Constables Bilodeau and Calow engraved the parents driver's license numbers on the bicycles. Parents are reminded to keep the following record of their child's bicycle: a. Make of bicycle; b. Type of bicycle; c. Serial number; d. Identity number (operator's driver license no.)

For anyone wishing to have their child's bike engraved the members of the R.C.M.P. have offered to be at the school Wednesday, May 9th at 3:30 p.m.

This course could not have been possible nor as successful if it had not been for many people who assisted throughout the program.

Vialta Lodge News

Mrs. Pederson was so pleased to have her daughter, Mrs. Hollister and a friend from Ryley call to see her on Thursday afternoon. Also calling in were her son and his wife from Barrhead on Saturday afternoon.

Visiting during the week were Mr. Lars Rikland and Mr. Harrison and Mrs. Anderson former guests at the Lodge.

Our thanks to all the ladies who came on Thursday for our quilting party and also to all who brought lunch. We all enjoyed the afternoon.

Visiting Mr. Hoyland on Saturday were his daughter Carol and family of Sherwood Park, George, Carol, Brad and Patrick Ostlund.

Visiting Mrs. Pedersen last Monday were Fay Dake and Fran Dake of Vegreville.

Arnold Knudson called in to see Elmer Johnson.

Violet Pocock of Minburn called on Thursday afternoon and visited with the guests.

Mr. Aliaz returned home Friday after spending a week in Sedgewick with his sister and her husband, Mr. and Mrs. Russell.

Greetings to Mrs. Sheets and Mrs. Hunt who are in the hospital at present.

Mr. and Mrs. Ziegler are spending the summer in their trailer at the farm.

Hospital Auxiliary Meets

The Hospital Auxiliary met in the Viking Town Office Council Chambers on May 3rd, 1979 with Mr. Phil Schell and Mrs. Gail La Haye of Wainwright as the guest speakers.

The two guests presented an informative and interesting talk on Preventive Social Services and answered many questions on the operation of same.

It was agreed that we participate on Hospital Day, May 11th.

It was moved that we join the Regional District. The next meeting of the Regional is to be held in Tofield on Thursday, May 17th.

BASIS OF THE PLAN

Until the recent annexation of the Laughlin estate, land for residential expansion was unavailable. The shortage restricted the Town's potential for present and future expansion. The Town also lacks sufficient land for industrial and secondary commercial developments. The result of the above is an intermixing of land uses, particularly in the residential districts.

Future prospects for the Town indicate a good growth potential. Both private and public investments are anticipated, including a new hospital and courthouse. Continued migration of retired farmers into Viking is also expected. In the longer term, there is the possibility of resource development in the area. Thus it is anticipated that Viking will have gradual increases in population in the immediate future and that growth will be sustained.

To ease the existing development pressure for residential lots and secondary commercial areas and to plan and accommodate long range developments, Council has considered it appropriate to develop a planning framework for the Town as the basis for future development decisions. This framework will be the General Municipal Plan.

The only major secondary industry presently located in Viking is the N.A.D.P cheese factory. Do we need more industry? Where should new industries be located?

This multi-family housing unit is situated in the west end of Viking. Is there a shortage of multi-family dwellings in Viking? If more are built, where should they be located?

GENERAL MUNICIPAL PLAN

The General Municipal Plan will be the primary planning document whose purpose it must be to foster orderly and efficient land use developments in Viking. The overall approach to preparing the plan is one consisting of three steps:

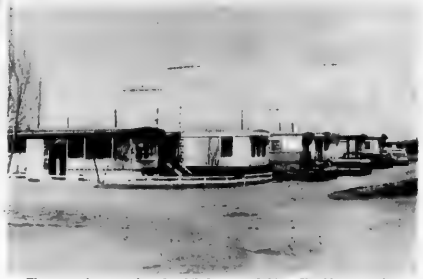
1. Issue Identification
-this step identifies the concerns of the community and the amenities or things which are important to be preserved.

2. Defining Goals and Objectives
-these are the principles upon which the plan is based. They preserve the amenities and resolve the problems identified in the issue identification stage.

3. Policy Formulation
-this consists of the specific means, in both written and mapped form for the achieving of goals and objectives.

PLANNING COMMITTEE

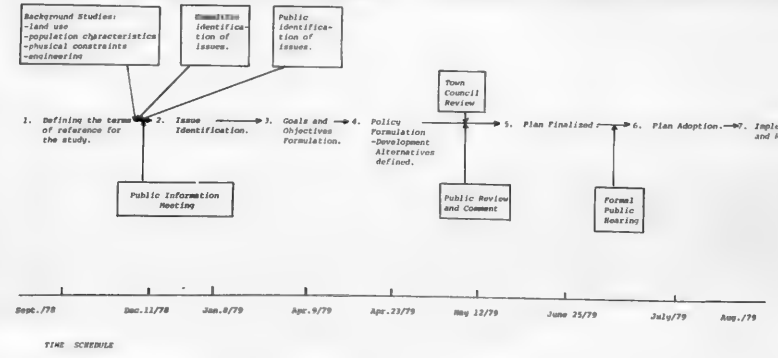
The responsibility for carrying through the planning process to its completion as a General Municipal Plan is that of the planning committee. The committee is comprised of representatives from various groups and the public in Viking and one planning advisor from Municipal Affairs. The committee members are Wil Rushton (Chairman), Ann Wilmer (Secretary), Eileen Brower, Dick Morris, Frank Morwood, Selmer Hafso, Maurice Stephenson, Bob Evans and Bill Taylor. The representative from Municipal Affairs is Boyd Oberhoffner of the Municipal Planning Section.



There are a large number of mobile homes in Viking. Should more mobile home parks be made available? Should mobile homes be integrated with single family and multi-family dwellings?

THE PLANNING PROGRAM

With the general approach established, a planning program was formulated consisting of six stages to the formal plan adoption stage, and an implementation stage as illustrated below. The planning committee has formulated the development alternatives and is now awaiting public review and comments. The public may review the alternatives at the Open House from 10 a.m. to 4 p.m. on May 12 in the Council Chambers at the Civic Centre.



TIME SCHEDULE

Main Street becomes very congested at times. Should parking be restricted on Main Street? How can traffic flow be better controlled?

GOALS AND OBJECTIVES

The second major step is the formulation of goals and objectives. A goal is a generalized statement of an ideal situation. A goal is not measurable - it attempts to answer in a general way 'what should be' in the future. An objective, on the other hand, is a more specific statement of intent of the step or steps involved to achieve the goal. Objectives usually have some measurable standards by which to evaluate their effectiveness.

Over the past two to three months, the planning committee has attempted to resolve the major issues of the plan components by setting goals and objectives for development in Viking. Draft copies of these will be made available at the planning Open House. Briefly though, the goals thus far established for the various plan components are as follows:

-residential: to provide housing at a reasonable cost so that all groups can participate in the market.
to have an attractive and functional residential environment.

-commercial: to preserve the central commercial core as the main business district.
to make the central business district a viable, attractive, and lively place to shop.

-industrial: to diversify industrial development.

-institutional: to ensure the efficient utilization of public and institutional facilities.

-parks and recreation: to provide park and recreation areas and to encourage the development of facilities which will serve the needs of all residents in convenient locations.

-transportation: to provide a safe and efficient transportation network for both vehicular and pedestrian movement.

-utilities and town services: to ensure the provision of safe, economic, and reliable utility systems and town services.

-the environment: to preserve the natural parkland areas and water courses.

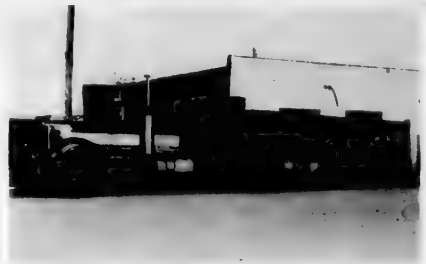
This lot, located across from the Civic Centre, is the future location of the Federal Building. Should this block be retained for government buildings, housing or retail and commercial establishments?

ISSUE IDENTIFICATION

The first major step in the General Municipal Plan process is the identification of community issues. To be comprehensive and long range in nature, the plan must examine a wide range of topics. The general components of the plan and their major issues, as identified by the planning committee in conjunction with public input, are as follows:

-housing: types of housing desirable; density; location
-commercial development: size and form of commercial core; appearance of downtown; intermixing of commercial uses
-industrial development: type of industry; location of industry
-parks, recreation and open space: location and allocation; public accessibility; facilities
-transportation: street design; separation of traffic; parking
-environment: preservation of natural parkland and water courses
-fringe developments: recreational use of Lake Thomas; golf course preservation; airport

This public parking lot is located next to the Civic Centre. It is seldom used. Are more public parking lots needed throughout the Town?



Truck parking is a problem in Viking. How can this problem be minimized?

The south end of Main Street is the future sight of an expanded public park.

POLICY FORMULATION

The third major step in the planning program is formulating policies. This is presently the stage the planning committee is at. Development alternatives were defined to resolve major land use issues. These will be presented at the Open House.

The major features of the development alternatives include the shape of the commercial core, location of various commercial developments, location of public and institutional facilities, location and density of residential developments, and expanded recreation areas. In addition, there will be a display recognizing the potential historic buildings to be preserved. Planning committee members will be present to discuss and point out the features and differences of the alternatives and to answer any questions that may arise.

Drama Club To Present Play

The Play "The Very Great Grandson of Sherlock Holmes" will be presented at the Hidden Arts Centre. The play was written by Bill Majeski and published by the Dramatic Publishing Company.

The play will be performed by the Viking Drama Club directed by Gertjan Zwioggelaar. It is a farce in two acts that takes a funny look at the traditional "who done it".

Sherwood Holmes the great grandson of Sherlock Great Grandson of Sherlock Holmes has become a detective like his famous ancestor in order to carry on the family tradition, but especially because he receives a sizeable trust fund from the estate of Sherlock. For so doing, Sherwood is summoned to the mansion of Harris Crumbley, international Ava Wordies champion by Cris Swillery, maid, Meg Baker because she claims the receipt of a threat against Crumbley's life. While Sherwood with his trusted aide, Dr. Watson investigate Crumbley is mysteriously murdered under their very noses.

From then on the investigation turns into a wonderfully funny spoof as Sherwood bumbles his way to the discovery of the dastardly killer.

The play is very entertaining and has a cast of talented young actors who will certainly tickle your funny bones.

Viking O.O.R.P. Install Officers

On May 1, D.D. Dorothy Kreuzer and her assistants, Ladies Goodrich and Fenzau presided at the installation of officers for Viking O.O.R.P. The slate for the 1979-80 term is as follows:

Honored Royal Lady
Myrtle Tiedemann
Associate Royal Lady
Marge Hanson
Loyal Lady
Pauline Watson
Lecturing Lady
Shirley McLean
Secretary
Jean McInroy
Treasurer
Joan Fountain
[illegible]
Essie Pratt
Chaplain
Catherine Evans
Historian
Martha Haines
Inner Guard
Dale Richards
Outer Guard
Doris Arnett
Pianist
Vivian Gares
Trustees
Joy Place, Lydia Hanson and Grace Sutter.

Several brother Elks also attended and extended congratulations and good wishes for another successful year. Lunch was served by Lydia Hanson and Isabelle Jorgenson. The next meeting will be held on May 16.

Viking Beavers Report

The Viking Beavers have been keeping busy visiting various points in town.

On Wednesday, April 25, we walked over and toured the local R.C.M.P. Detachment.

It was quite a thrill for the boys to enter the cell and to see all the various instruments that the R.C.M.P. use such as the radar gun, the breathaliser, the radios etc. All the Beavers were fingerprinted and then they sat in the police car. Thanks are extended to Corporal Lyle Anderson for showing us the station.

On May 2nd we walked to the other end of our complex and entered the fire station.

Gordon Draper and Bert Hill explained some aspects of the hall and then the fire engine. All the boys took a couple of turns running the water hose.

Then, they were entertained by "Sparky" Hill. Thank you to the fire chief and "Sparky" for showing us the fire station.

On May 9th, we plan to visit the Bank of Montreal. The Beavers program will continue until near the end of June. Possibly, it will end sooner if more of our regular boys don't start attending again.

Echo-Rodino Report

Josephine Holt's brother Jos Mac Saville and wife of Councile, Saskatchewan, popped in for a surprise visit.

Doreen, Donna and Mike Prosser took in the Sheep and Goat Sale at Stony Plain over the weekend.

Rita Greenwood of Edmonton and Theresa Greenwood of Camrose were weekend guests at the Bruce Greenwood home.

Several ladies took in the Achievement Day the Buay Beavers held at Albert Community Centre on Sunday. Display, tables held the work of the girls to be judged and viewed by the people attending. Doreen Prosser was honored by acting as one of the judges.

Ball gloves have taken the place of skates at the Holt and Hollar homes but with this weather staying so cold they may have to wear gloves on both hands.

Mr. and Mrs. Wes Bauer and family accompanied Mr. and Mrs. Marshall Miskew on a fishing trip into the Wainwright area on Sunday.

Mr. and Mrs. Allan Faulkner and Mr. and Mrs. Doug Falkner of Wetaskiwin were Sunday visitors to the home of Harriett Faulkner.

Your Donations Are Used Wisely

One hundred ($100.00) dollars, given to the Canadian Red Cross Society, is spent as follows:

Blood Donor Recruitment, $23.74; Youth and First Aid, $9.61; Veterans' Services, $7.63; Assistance International Domestic, $8.41; Water Safety and Small Craft Services, $30.54; Campaign and Branch Organization, $8.00; Administration, $7.79 International, $12.92; and Miscellaneous, $0.26.

The response of the people of Viking and district to the recent Red Cross Canvass, conducted by the Viking Order of the Royal Purple, is much appreciated. The proceeds of the campaign totalled $1067.90.

Chris and Bob Voss and son; Mary Kay and Jerry Dudek, Monica Dudek and Shelly and Bruce Hosier - all above of Chicago, Illinois; Edmonton Co-op Staff, Edmonton. 13c

ANNOUNCEMENT

ANNOUNCEMENT

Mrs. Evelyn Huseby and Mr. and Mrs. Melvin Amundson invite you to share in the ceremony uniting their children, Brenda and Dale, on Saturday, May 19, 1979 at five thirty o'clock at the Golden Valley Lutheran Church, Viking, Alberta. Open House at 7:00. Dance to follow at Viking Community Centre. Friends and relatives, please consider this your personal invitation. 12-14p

INVITATION

The family of Alex and Hulda Smallwood are holding an Open House from 8:00 tp 10:00 p.m. with a dance to follow, all to be held in the Irma Legion Hall, on May 12, 1979.

This is in honor of their 25th anniversary. Please consider this your personal invitation to join us in this celebration. No gifts please. Everyone welcome 12-13c

ANNOUNCEMENT

Viking Cemetery Clean Up

The first clean-up day of the year for the Viking Cemetery will be held on Monday, May 28th, 1979 at 10:00 a.m. Please bring your hedge clippers, rakes, trimmers, etc., and a bag lunch. If it rains the clean-up will be postponed until June 4th. We hope to see a good turn out of Viking and area residents. Memorial donations for the Cemetery may be left at the Town Office on weekdays.

Viking Cemetery Committee 12-15c

ANNOUNCEMENT

The family of Jack and donna Simmons invite friends and neighbors to their 25th Wedding Anniversary, May 19 in Kinsella Hall. Open House from 7-9, dance until one. No. Gifts Please. 13-14p

SUMMER TIME EMPLOYMENT

- One person over 18 years with college or university for a supervisor of all summer programs and planning them
- Two students for the summer travelling program
- Four students for the two permanent playgrounds

Summer part-time staff will be required for the work to be done in the parks. And these will be students who want to work. The vacancies to be filled are not decided as yet. If interested, apply now and not later than May 19, 1979.

All staff hired for the playgrounds will be required to attend a four day training period during the first week of July.

Some of the hired will work under the S.T.E.P. program if it is approved for this summer.

Irma News and Views

We are glad to report that Jim Clisdell is home again after a brief stay in Viking Hospital. We were told that he may have to visit the eye specialist in Edmonton periodically for some time.

Art Gwinn, who spent several weeks in Viking Hospital has also arrived home, feeling much better. We have heard that he is on a strict diet for the time being.

George Foreman went to see the Doctor in Viking on Thursday May 3rd, and was put in the hospital to have his knee drained. He is still there at the present time.

Georgina Enger spent a few days in the Wainwright hospital, but returned home on Saturday.

Winnie Riley spent few days in Wainwright hospital but got home over the weekend but returned to the hospital for further treatment on Sunday evening.

Charlie Jackson has quit his job in Edmonton and is home and planning on helping his Dad put the crops in before having a few weeks holiday in Winnipeg and points east.

Neil Jackson from Edmonton was in Irma for the graduation at the high school on Friday evening. He spent the week end with his Uncle Eddie and Aunt Lorna.

The weather has been most exasperating. Cold, colder and coldest. The wind from the east never seems to let up, everyday we hope the next one will get better, but alas, its the same or worse. Nevertheless, many farmers are on the land cultivating and a few even seeding. We have been told that Kings at Fabyan had over 700 acres of wheat seeded by the weekend.

Eddie Jackson and Bob Dempsey attended the Auction Market at Killam on Thursday. Bob bought a bunch of yearling steers. While in Killam they called at the hospital and visited with Eddies Uncle George Jackson from Sedgewick, who is being treated there.

Coleen and Al Gulka and son Peter, from Kitimat, B.C. spent a few days last week with Coleen's parents Phyllis and Jimmie Craig.

No mail to, or from Ireland for over three months as Joe Harding of Sedgewick was surprised last week when he had a letter from his sister in Tipperary. It happened this way: a friend visiting Paris took the letter with him from Ireland and mailed it in Paris.

Gordon and Sherry Daring (nee Ledell) and two children from Winterburn, visited over the weekend with Gordon's mother, Orrell Darling.

Quinte W.I. News

There were nine members and one visitor at the last Quinte W.I. meeting which was held on April 26th at the home of Mrs. Doris Fee.

The meeting was started off with the reading of the W.I. Creed. Following this the reading of the secretary and the treasurers reports were given.

Lois Crouse gave a report of the Constituency Conference held in Wainwright. Lois went to the conference as a delegate from our institute. The theme for the conference this year was "Take time for all Things".

Doris Fee won the door prize at the conference. Lois also reported on the point standings in the handicraft and baking sections of the conference. Kinsella and our own club will be hosting the conference in 1980.

We then discussed further plans for catering to the wedding in June. We also discussed sending a delegate to the convention in Olds but this matter was tabled until a later date. The resolutions for the convention at Olds were discussed and voted on.

Roll call brought some reminiscing as we told of "Something I Remember from My First Year at School". The evening was then closed with coffee and lunch.

Irma New Horizons

The usual monthly business meeting of the Irma New Horizons Club was held in the Drop-In Centre on Wednesday, May 2. The meeting was called to order at 2 p.m. The minutes of the last business meeting were read and dealt with and accepted.

The treasurer's report and reports from the committees were given and accepted.

The committee appointed to contact the Wainwright seniors reported that arrangements had been made to host approximately 25 members from Wainwright on the evening of Wednesday May 9th at 7:30 p.m. for a social evening. The lunch committee is to take care of catering.

At the conclusion of the business meeting whist was enjoyed followed by lunch and a social time.

The winners at whist are as follows. Gents first went to Jimmie Jackson while Ladies first went to Minnie Jackson (All in the Family again). Bob Hanson received the Gents consolation while the Ladies went to Mable Lovig. The prizes were donated by Peggy Fleming.

Chacutenah Manor

Mrs. H. Riley is receiving treatment in Wainwright Hospital. We wish her a good recovery.

The Anglican Women's Group met at the home of Mrs. Cockroft on Thursday.

Yoga exercises are being conducted in the Lounge on Monday and Friday beginning at 10:00 p.m.

Mrs. G. Coultman of Camrose spent the weekend with her sister Mrs. Cockroft.

Mrs. R. Grower--nee Edith Jones--visited with friends in the Manor on Saturday and spent the night with Mr. McRoberts.

Due to the courtesy of Mr. Wayne Bennett of the Wainwright Taxi Service, six carloads of Senior Citizens from the Battle River Lodge enjoyed an outing on Sunday afternoon. They visited at the Manor briefly and then went in the Irma Hotel for tea.

Our thanks to the members of the Students' Union for the two beautiful floral arrangements they presented to us.

Stage Band Performs in Alberta Festival

The Viking Holden Community Stage Band performed in the 72 Annual Kiwanis Music Festival at the Jubilee Auditorium in Edmonton on Sunday evening. Staff Photo

The Viking - Holden Community Stage Band participated in the 72 Annual Kiwanis Music Festival on Sunday May 6.

The 25 students and adults from the Viking area placed second in the Northern Alberta Open Stage Band category.

Under the able directorship of Mr. Everett Norris, the band played Rock Around the Clock, Traces and Free Spirit.

The experience of playing on the main stage of the Jubilee Auditorium was obviously a real thrill and the rural musicians elicited a very warm response from the predominantly urban audience. The spectators from Viking couldn't help but marvel at the tremendous strides taken in the area of music in their community in the last 8 months.

Bruce News

Winners at the Senior Citizens card party on Wednesday night were Lillian Siegel and Hank Olthuizen. Consolation prizes went to Bert Siegel and Trenton Christenson.

Gladys Brady, along with her husband and daughter from Rocky Mountain House, visited at the home of Glady's parents, Stella and Ole Fodness.

Jean and Irving Babitz took a break from the unsettled weather and journeyed to Kelowna where they attended the official opening of Sambo's Pancake House which was recently purchased by the Zacharuk brothers.

Donna McFadyen visited briefly in Bruce on Friday. Donna has just completed her third year at the University of Alberta and for the past five weeks has been practice teaching in a Grade One classroom at Rimbey.

Members of the Bruce Women's Institute met at the home of Gladys Kadatz on the afternoon of May 3. To mark the year of the child a donation will be made to the Foster Parents Plan of Canada.

Anne Motkoski who was the representative to the Constituency Conference at Wainwright, gave an interesting report on the events of the day.

Paul Chrystian will be the caretaker for the cemetery.

Holden

Linda and Darvya Sen of Holden are receiving congratulations for the birth of their first born child, a son, born April 25th at the Royal Alexandra Hospital in Edmonton, weight - 9 lbs., 4 oz. - named John Levi.

The Holden High School Prom - The Promise of Spring held on Friday, May 4th, 1979 at the Holden School Gym was a great success. A record crowd attended. The School Gym was beautifully decorated. Music was provided by the Travellers. A delicious lunch was served.

Every little helps!

Conserving electricity now can make a big difference to our electrical future.

Conservation doesn't mean lowering your lifestyle. It means *good energy management*. Use what you need – but need what you use!

Why? For one thing, we have to use Alberta's non-renewable resources to generate your electricity. For another, the costs of building and operating additional facilities are escalating.

The more you do to manage energy at home, the more you can save on your electricity bill now. And the more you'll help keep future cost increases to a manageable level.

Our Energy Management Action Kit is full of ideas. Send for it and make the switch to energy management now.

Every little helps! Many ways to conserve electricity are little ways. You'll find just a few of them listed here.

Four ways you can help.

1. Turning off lights when not needed *does* save electricity.
2. Small appliances generally use less electricity than larger ones. For small amounts of cooking, use your frypan as a "mini-oven".
3. Wash only full loads in your dishwasher.
4. Plan your energy day to avoid using major appliances during the 5-7 p.m. "peak load" period.

Conserve. It's worth the energy!

CALGARY POWER

A.O.C. Representative Speaks at Holden Chamber Meeting

The Holden and District Chamber of Commerce held their regular monthly meeting on May 1st, 1979 with eighteen present.

President Kevin Stambaugh chaired the meeting and Clay Schaning read the minutes of the April 3rd meeting.

The guest speaker Fred Larson from the Alberta Opportunity Company was introduced by Reg Dolson.

Mr. Larson joined the Alberta Opportunity Company as General Manager of Business Development in March of 1974. The Alberta Opportunity Company could assist if you are starting a new business, expanding your present business, buying an existing business in a small community and if you can't get the financing you need from conventional lending institutions. The head office is in the Provincial Building, Ponoka, Alberta.

The A.O.C. is not a replacement for banks or other financial institutions, but provides money where conventional financing is not readily available, particularly for small businesses in small communities.

Financing is in the form of loans, or guarantees of loans which are repayable with interest and no grants are given. To be eligible the business must be operating for a profit. Businesses which are not eligible are suppliers of residential housing other than tourist accomodation, primary agricultural producers, and businesses which are able to obtain financing on reasonable terms from conventional institutions or which are not able to demonstrate reasonable capability to repay the loan. Repayment terms can extend up to 15 years and charges are one per cent per year for guarantees, in addition to the interest charged by the prime lender (bank or Treasury Branch).

At this Chamber meeting William Hallett gave a report on the Chamber of Commerce gate signs which will be available on sale by chamber members at $12.00 each.

The Chamber of Commerce supper was prepared and served by the Ladies of the Royal Purple.

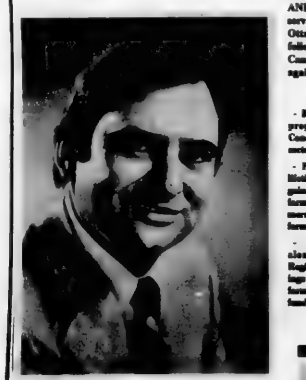
DON MAZANKOWSKI SAYS;

"LET'S GIVE THE FUTURE A CHANCE"

"After a decade of drift and division we must enter the 1980's with new direction and new leadership. We must concentrate upon the things that unite us and upon our natural strengths - such as agriculture and resources. We must once again emphasize and reward individual initiative and ownership. Canada can once again become a nation of believers, with people and not governments doing the building.

Let's give the future a chance."

DON MAZANKOWSKI AND A Progressive Conservative government in Ottawa will carry out the following programs to get Canada working together again.



AGRICULTURE

- Restore agriculture to its proper role as one of Canada's most vital economic sectors.

- Provide for a once-in-a-lifetime exemption of capital gains tax on the sale of farmland by bona fide farmers to help save the family farm.

- Implement a program along the line of the Registered Retirement Savings Plan which will allow a farmer to put money into a fund tax free in the good years which can be drawn on in poor years.

- Establish an Agricultural Products Export Development Division to seek out and develop new export markets for Canadian agricultural products.

- Implement a Beef Import Law, stimulate the operations of the Anti-Dumping Tribunal and establish a Fair Trade Tariff policy with our trading partners to protect producers from unfair import competition.

GRAIN HANDLING

- Expand grain handling capacity in Canada by 50% by 1985.

- Immediate development of the Port of Prince Rupert and increased utilization of the Ports of Vancouver and Churchill.

- Appoint an interim Grain Transport Controller to oversee and direct the operation of the system.

- Take steps to improve labour-management relations.

ENERGY

- Work towards making Canada self-sufficient in energy by 1990.

- Immediately develop the heavy oil reserves in the Lloydminster, Vermilion and Wainwright areas as a key part of Canada's energy strategy.

- Provide tax incentives and other encouragements to get super heavy oil upgrading plants under construction as soon as possible.

HOME OWNERSHIP

- Allow Canadians to deduct from taxable income up to $5000 per year in residential mortgage interest costs and up to $1000 for municipal property taxes.

ECONOMY

- Cut personal income taxes by an average of $300 per taxpayer.

- Abolish capital gains tax on the shares of publicly traded Canadian companies and index other capital gains to account for inflation.

- Provide a $5000 tax credit for investments in small Canadian businesses.

- Cut back on government spending, red tape, and eliminate waste of taxpayer's dollars.

- Abolish the government's costly Metric Commission and make metric conversion voluntary.

- Allow for inflation in inventory accounting.

Possible Disaster Averted at Ryley

A possible disaster was averted at Ryley on Sunday when a tractor-trailer unit loaded with anhydrous ammonia was prevented from rolling over and possibly spilling open. Quick work by the Ryley Fire Department and area residents prevented the near disaster.

Randy Ness, first area resident on the scene, reported that the tractor-trailer unit failed to properly negotiate the approach from Highway #14 into Andrukow Farm Sales. The left rear set of wheels on the trailer went into the ditch causing the trailer to lean precariously towards the ditch. Mr. Ness stated that the driver was in an excited state when he arrived on the scene, and the driver was already suited up in emergency safety mask and gear.

Mr. Ness notified the fire department which responded within minutes with Neil Reid taking effective control of the on site organization of men and equipment. Winds were light and variable at the time, causing concern that if the tank were to roll and rupture, the highly lethal gas would blow towards the Town and cause many deaths.

In order to remove the potential hazard; Elaine Lysle moved the large tow truck owned by the County of Beaver onto the scene, a line was attached to the tank in order to stabilize it during attempts to move it back onto the road. With some careful manoeuvering, the tanker was removed from its precarious position and the possible disaster was averted.

Mr. Ness stated that the possibility existed that Ryley would have to be evacuated. The extremely poisonous nature of anhydrous ammonia even led to considering contacting Alberta Disaster Services. Mr. Ness reported that the disaster was averted due to the "cool heads" displayed by the residents of the Ryley area.

Extensive damage was caused to the above vehicle, owned by George Lancaster, during an early morning accident on May 9th. The accident occurred one mile south on the Sedgewick road with only minor injuries being sustained by one of the passengers.

Staff Photo

Teachers Accept 2 Year Contract

In a series of meetings, held on May 9, the member teachers of the Elk Island School Authorities Association have ratified a memorandum of agreement.

By a vote of 82 percent, the teachers have accepted a two year contract. The contract represents a wages and benefits increase of 8.5 to 8.75 percent in the first year and 8 percent in the second year.

The Elk Island School Authorities Association includes teachers from the Counties of Beaver, Flagstaff, Lamont and Minburn; and the School Divisions of Provost, Wainwright and the School District of Devon

Contract for New Hospital Awarded

Mr. Jack Roddick, Chairman of the Viking General Hospital and Nursing Home District Board #10, announced on Tuesday, May 8, the new 32 bed hospital has been contract for the new 32 bed hospital has been awarded to Bergman Structures Limited of Edmonton.

The Letter of Intent for a contract price of $3,530,212. was delivered to Bergman Structures Limited on May 8, 1979, authorizing the contractor to proceed with work immediately.

The following data relates to the contract price of $3,530,212.00 (A.) Cost per square foot - $114.19

(B) Cost per bed $110,088.37

(C.) Architect's fees - not included in construction cost $288,125.00

(D.) Equipment purchases - not included in construction cost $319,000.00

These costs include everything except site costs and site improvement costs which are a local responsibility of approximately $185,000. The building should be ready to take over by the Board of Trustees in the fall of 1980.

An official sod turning ceremony will be held at the construction site Monday, May 28, 1979 at 2:00 p.m. with the residents of the Viking General Hospital and Nursing Home District #10 cordially invited to attend.

The total cost for a completed facility and site will total approx. $4,281,340.00

C.N. To Remove Station Agent

The agent presently staffing the C.N. station in Viking will be transfer...ed in the near future. Kent McDonald of the C.N. in Edmonton stated that the expected date of removal of the agent will be sometime near the end of June.

Since the passenger service on the C.N. line will be handled by VIA Rail Canada in the near future, responsibility for all passenger service will come under the jurisdiction of VIA Rail. Mr. McDonald said that express service will still be offered to the Viking area, but that all inquiries will be handled by Edmonton. As well, tickets for passenger service and all other C.N. services will be handled by Edmonton through the use of the various "Zenith" numbers listed in the telephone book.

The C.N. spokesman also noted that express service will be handled by either local carriers or C.N. express trucks, with local delivery being handled by a local company.

The present building is expected to be retained for a year or two with VIA Rail being responsible for its replacement if they deem it necessary. VIA Rail must maintain a passenger stop in locations which presently have them. As Viking presently is designated as a passenger stop, this service will be maintained.

Mr. McDonald said that he could not see the present building being for sale in the near future.

Home Health Care for Area

The Co-ordinated Home Care Program, which is available now through the Vegreville Health Unit, will allow residents with certain health care needs to receive services in their own homes, rather than in institutions. By identifying home and family supports available within communities and arranging for appropriate medical services, people can often be assisted to remain in or return to their own home while ill or recuperating.

The purpose of Co-ordinated Home Care is to eliminate the need for a person to individually seek out all the helping agencies in a community when least able to do so. Basically, the goals are to provide nursing, physiotherapy, occupational therapy, and/or respiratory therapy at home under a doctor's supervision.

We hope to maintain continuity of care and fill in "gaps" between levels of care without duplicating services. In some cases the program might help by relieving undue strain on family members who are giving care.

Some health services that can be provided are dressings, injections, catheter care, rehabilitation training, exercises, supervision and teaching of a wide range of treatment activities. The nurse or therapist involves the patient and family in learning how to maintain proper care between visits.

In many cases, home support is essential in enabling someone to remain at home. Help with light and heavy housekeeping, personal grooming, provision of nutritious meals, shovelling walks, cutting grass, minor repairs, telephone check ups or someone to visit regularly often makes the difference between independence and hospitalization.

Anyone living in the Vegreville Health Unit area is eligible for Home Health Care if his/her doctor consents and prescribes the care, if the person has Alberta Health Care Insurance, if needed medical and support services are available, and if care can be given properly at home. Ask at the Health Unit if interested.

It is very important in home health care to recognize that the ability of the Health Unit to deliver a variety of health services in the home is mainly related to the variety of support services in the community. Are resources lacking?

Where resources are few, perhaps we can help stimulate development. If any individual or community group is interested in finding out more information regarding Home Care, in organizing services, in sharing information about existing services, or in identifying personal or homemaker needs for care and support, please call the Vegreville Health Unit at 632-3391 and talk to Gloria Lerland, Home Care Co-ordinator, or Maxine Omahen, Volunteer Program Organizer. HELP US HELP YOU!

Les Iles D'Or, a French Folk Dancing group from St. Paul, who will steal your heart away with their performance, will be appearing at the Holden Arts Centre on May 27. They will present a variety of folk dances that should be very interesting.

We Must Get Out and Vote

Tuesday, May 22, marks voting day across Canada. We should all be thankful that we do have a voting day on which we are able to make a free choice as to which individual will provide us with the best government. Many people throughout the world do not enjoy a luxury such as this. Many countries have dictatorial governments which do not allow the people to make a choice or a "free" choice as to who should be in government.

Often in this country we hear complaints about government. Some of them are warranted and some of them are not. However, the one opportunity we do have is to remove the political representatives if we feel they are not doing an adequate or proper job. This is our major advantage over people in other countries who have dictatorship. They may complain about their government just as we do, but the only way they can remove a particular group from power is by use of force. This is a sad situation and one which we can avoid by showing politicians that we are concerned with what they do. We show them by voting.

Many people believe that their single vote is meaningless, that it is only one in several thousand and won't affect the election result. The major flaw in the argument is that if everyone used that excuse for not voting, then we wouldn't need a vote at all in Canada. By not voting we lend credence to the argument that Canadians don't care who governs. If we don't care, then why have elections? Why not simply accept someone, perhaps anyone, as a dictator?

But with dictatorship comes loss of freedoms. With democracy comes more freedoms, by not voting we are not supporting our basis of democracy - the right to free elections. Let's show our support of the basic system by making an intelligent choice for a political candidate next Tuesday. We must get out and vote. It is our most sacred responsibility as members of a democracy.

Letters to the Editor

Dear Editor:

Education Minister Dave King recently stated that sex education should not be taught in the schools. This set off a flurry of responses on radio, T.V. and in the papers that has entertained us for weeks. While many people - students and teachers among them -- have been loud and quick in their denunciation of Mr. King the main reason for supporting sex education in the schools is that "nobody else is doing it". This certainly seems to be true but we believe that there are other steps we can take, and better ones, before the school needs to take over.

Let me say what we believe: First, that sex education should be taught, not caught. Young people need to learn about human sexuality honestly, with proper language and complete information, in a caring and concerned atmosphere. This means NOT on the playground, in the shower-room, or learning it as one high school boy lightly put it, "from the girls."

Second, we believe that parents are the ones who should be teaching their own children. Wow! How are we supposed to do that? Sure its hard but the family is the only group that is small and personal enough to deal with intimate, personal matters.

Third, we believe that organized programs of sex education should be aimed at helping parents do this important job by giving them the tools and by helping with the tough job of communicating with teenagers.

Fourth, we believe that sexuality affects the whole person and should be dealt with in a way that allows for discussion and effective sharing of values and morals.

Lastly we believe that this is not simply an issue to entertain us and to promote lots of wind but something that demands attention and action.

Therefore, we are suggesting an alternative program of sex education. It is something we have talked long about and are moving to implement. Perhaps now is the ripe time to make people aware of our plans. Our program would bring parents together for a series of evening sessions at which we would look at the tools (pamphlets, books, films, lectures) that are available to share basic physiological information with kids. Parents can also practise the actual interview with their kids and become more comfortable with talking about sex before actually meeting them. Some people may never be comfortable talking about sex but your child's health and education is probably worth some sweat. A vital part of the program would be clarification of parent's values and attitudes towards sex and how these also can be shared with young people. All this is directed towards two sessions where parents sit down with their child and together do their "Birds 'n' Bees Work". This parent-to -child meeting is the goal of all the other sessions. Young people are expecting and wanting this and we want to give parents the tools and the courage to do it.

So far, "we" means the Vikin and District Ministerial Association and we plan to enlist the help and support of our congregations.

This is the place that we see for the church: helping parents to be good parents. We feel that we have a unique opportunity to assist because sexuality is far more than facts in a book and "plumbing". It is a matter of desires and stroog emotions, of values and morals. These are things which we can also help parents clarify for themselves and share with their children. We definitely do not intend this to be only for our members but as a program put on by the churches for the benefit of the entire community.

We suggest this approach because we believe in its strengths: parents assisted to be the key sex educators, and church participation that considers the whole person. It will take time and effort to make this program happen and we need support.

Do you like the idea? Does it answer any of the problems with sex education? If you like what we suggest please let us know. Buttonhole your pastor or priest on the street and fill his ear. Grab one of us in the Post Office and speak your mind. Better yet, call up and offer to help. We feel it is important but we won't waste time on what people don't want. Its not a waste of time, is it? Let us know.

The Viking and District Ministerial Association

Dear Sir:

The weekend of May 4 to 7, 1979, saw twenty one leaders of Brownies, Guides and Rangers in Viking at the Northwestern Staff House, attending the Maple Leaf training seminar of Girl Guides of Canada, Alberta Council. Four trainers assisted them in their endeavours.

Thanks to the fantastic food provided by Jennie Bird ably aided by Kit Carrington, we were royally fed. Every coffee break saw fresh cookies or muffins awaiting us. We fell on them exclaiming "I never eat between meals" and ate the lot. Every meal was a feast.

The weekend was a great success, due in no small measure to our cheerful cooks. They were somewhat surprised by our silence one evening when we had a monk's supper, but luckily we had only planned for the silence to last until desert, when the babble of voices broke out as usual.

Viking, I trust you app reciate these two cheery ladies. We certainly did.

Yours Sincerely,
Helen M. Perry (Mrs.)
Calgary, Alberta

Stamp Around Alberta Program Expanded

"With the success of the 1978 Stamp Around Alberta campaign, this year's program promises to be even better," J.A. "Boomer" Adair, Minister of Tourism and small business said today. This month marks the campaign's first anniversary.

This year the Stamp Around Alberta campaign has been expanded to include the province of British Columbia, Adair said. Travel Alberta counsellors are currently processing over 2100 B.C. inquiries, with the peak of the campaign planned for early May. B.C. accounts for thirty per cent of all traffic to Alberta by non-residents.

Four specific Alberta vacation experiences will be actively promoted in conjunction with the Stamp Around Alberta campaign for the first time. Trail-riding, guest ranches, fly-in fishing camps, and country (farm) vacations will be advertised as high quality vacation experiences available in Alberta, the minister said.

"Dial Alberta".

The toll-free number which is (1-800-222-6501) will be promoted on billboards and on city buses throughout Alberta. The "Dial Alberta" service will be available from nine to nine, seven days a week, May 1st to October 15, 1979.

As well, members of the Travel Industry Association of Alberta are participating in greater numbers than before, the minister noted. The number of business establishments where the traveling public can have their holiday passports stamped has increased from 900 in 1978 to over 1200 this year.

Several major firms including I.G.A. Stores, Imperial Oil, Alberta Grocers, and Ponderosa Steak Houses have also incorporated the campaign into their own promotions.

"The private sector's participation is most welcome, and I look forward to greater co-operation in the future," Adair said.

'I'm pleased that more and more Albertans are acquiring themselves with events, attractions, and areas throughout all fourteen travel zones in the province," the minister said.

"Stamp Around Alberta" is a three year, four season campaign ending in Alberta's Diamond Jubilee year, 1980. Almost 2000 Albertans collected the entire series of simulated bronze, silver, and gold medallions. More than 7,000 persons have collected a portion of the set to date.

The key component of the Stamp Around Alberta campaign is a striking navy blue passport. Participants have their passports stamped in each of the fourteen travel zones in Alberta.

Persons who collect six zone stamps are eligible for bronze medallion, while those who travel to ten and fourteen zones respectively are eligible for silver and gold medallions from Travel Alberta.

Rhonda Keppel received the Efficiency Award from Hank Field, representative of the Bruce Agricultural Society, at the Bruce Busy Bees 4-H Club achievement night.

Kinsella Rose Seniors

A recent meeting of the Kinsella Rose Senior Citizens club was called to order by the president at 8:15 p.m. with ten members present.

A report on the Card Party was given by the secretary. A very good turn out was reported. It is hoped that the club will hold another one in June.

A committee member reported that the drapes have been ordered. Soon the men can get to work on fixing rods.

Ed Evans moved that we discontinue our Monday evening openings as there is not enough interest at this time.

The Camp Lake project was voted down as it would be too much work for the club.

Ed Evans has inquired into the matter of the tables that had not been delivered. It seems the order had been lost in transit, so had to be reordered and it is expected that we will have them by the end of May.

The Kinsella Recreation Board approached the senior's club in the matter of having a lunch booth available on Saturday, July 28th when the Kinsella School Home Coming registration takes place at the school. All members were in favor of this, but it is hoped that we will have more members at the next meeting in order that a committee can be formed to get this organized.

Materials for crafts are to be talked about at our next meeting. One member will bring a quilt block to get ideas. The meeting closed and coffee was served. A Social Evening will be held on Wednesday, May 23.

KINSELLA NEWS

Congratulations to Mr. and Mrs. Carl Nordstrom (nee Marlene Oakes) of Beaumont, on the birth of a son, a little brother for Chad.

Our wishes for a speedy recovery go out to Mrs. Bobyak who is presently a patient in the Viking General Hospital.

A camper trailer behind the Ekeloff residence in Viking was destroyed when a welding spark from the neighboring business started some grass on fire. Staff Photo

The Homemaker

Do we have a major source of Vitamin C? The chances are nine out of 10 Albertans would answer citrus fruits. Of course, a few jokers would reply - Vitamin C pills. However, both groups would be wrong. Albertans get Vitamin C from many sources, and most are produced right here in Canada.

Our recommended daily intake of Vitamin C is 30 mg. It isn't hard to maintain that level. One serving of vitaminized apply juice will meet our daily allowance. So will one serving of fresh tomatoes and green peppers or broccoli or cooked spinach strawberries, and brusse! sprouts.

We grow all these products in Alberta. They're the best sources of Vitamin C we have. But many more foods will also supply a substantial amount of Vitamin C. Single servings of rutabagas, asparagus, cabbage or baked potatoes will supply half of our recommended daily intake. Even boiled potatoes will supply a quarter as will squash, parsnips, or bisseberries.

Being a little over or under the daily recommended Vitamin 'C' level gives little cause for worry. But, a sustained shortage can lead to gum diseases while severe deprivation could bring on scurvy.

Besides preventing disease, ascorbic acid has other uses, too. It maintains blood vessel strength and carries hydrogen within the body. It forms part of our blood, helps absorb and deposit iron and develops internal connective tissues. Vitamin C aids us in resisting infections and increases our capability to heal wounds. It's an important vitamin, and we should keep an eye on our regular intake.

Since Vitamin C is perishable, fresh fruits and vegetables should be handled with care. Used fresh they're best. Cooking will reduce the Vitamin C level, but if you do cook fresh vegetables, remove them while they're still tender crisp to retain as many vitamins as possible.

It's also important to care for fruit juices. One protective measure is to place them in covered containers to stop oxidisation.

Take care in preserving the Vitamin C content of all fruits and vegetables. And remember - many home-grown products we eat every day give us large amounts of this important vitamin. Citrus fruits aren't the only thing with Vitamin C, you know.

DIAL BEFORE YOU DIG. THERE'S A LOT AT STAKE.

If you operate heavy machinery, it's more important than ever that you call your gas company before you break ground.

Because if you don't, you run the very real risk of damaging a gas main and being responsible for an accident which could cost thousands of dollars in damage and downtime. Or cut off the gas supply to an entire community.

Or cause dangerous explosions and loss of life — possibly your own.

So make sure that you call your gas company's Pipe Locator Team at least 48 hours before you dig. They'll stake out the alignment of all gas lines in the locality so you can dig in safety.

The service is free. Please use it. There's a lot at stake.

Call our Pipe Locator Team at: 336-4846

Viking 4-H Light Horse Club

Seventeen 4-H Light Horse Club members gathered in the club room on May 3rd at 8:00 p.m. for another meeting.

Old business was discussed. Exchange trips to Ontario and Prince George were brought up. Bruce Bridgeman informed the members that were interested in participating in the exchange program, what was necessary for registration.

Highway Clean Up was set for May 5th. Members were to meet at the Club room at 8:30. The president then informed the members that the club is to clean the ditches ten miles south on Highway 888. Everyone was in favor of having a weiner roast after the cleaning was completed. The lunch committee was in charge of lunch.

The joint Achievement day with the 4- H Beef and 4-H Dairy clubs was then discussed.

John Resicka and Linda Erickson are to organize a display of some sort for June 11th.

The members decided to have a trail ride on July 2nd and 3rd. Archie Nearing, Bruce Bridgeman, Wanda Robinson, Veronica Sevelk and Patti Ash are to plan the trail ride.

Meetings will now start at 8:00 p.m. instead of 7:00 p.m. during the spring.

The meeting was ended at 8:45 p.m. Members are reminded that the next meeting will be on May 17 at 8:00 p.m.

Several months ago there was a picture in the paper showing the construction of a new bulk plant for Ryley Motors. Tank installation and piping had since then been completed but due to a high water table this spring, two of the tanks "floated" up out of the ground causing considerable damage.

Staff Photo

Bruce Girl Chosen

Marie Chrystian is one of one hundred young people chosen to attend the week-long Forum for Young Albertans, a program aimed at developing an understanding of political events in the province. Marie left on Saturday for Calgary where she will stay at the University of Calgary until Tuesday. The remainder of the week will be spent at the University of Alberta where the group will be addressed by various speakers including Bob Clark, leader of the official opposition and Grant Notley, N.D.P. leader. The highlight of the week will be dinner with the local M.L.A. John Batiuk.

Holden School News

Evelyn Kozmensky, a grade four pupil at Holden School, is shown above with a letter of congratulations from Alberta Dental Health. As well as being chosen one of the winners in her age group, Evelyn received a cheque for $25.00 as winner in the poster contest.

Students of Mrs. Hallett's class at Holden were awarded a third prize in competition for Junior Rhythm Band and Junior Choir in the Vegreville Music Day held May 2, 1979. Shown here is half the group that took part.

Notes On Boats

The boat safety check is an educational and preventive program aimed at Alberta's boating population. The check is a joint project of the R.C.M.P., the Canadian Red Cross Society and the Royal Life Saving Society. Its first objective is to reduce the number of Alberta deaths caused by boating accidents.

The second is to make the public aware of equipment requirements. This year, boats will be checked for safety equipment in shopping centre parking lots before the regular season begins.

During the season, checks will be made at recreational lakes and rivers across the province. There will also be displays, along with distributed information on regulations, equipment and safety features required by law in Alberta. A public service campaign will also be conducted through the media.

Over the past few years several things have happened to give rise to the boat safety check: A marked increase in population and a growing interest in health, exercise and outdoor activity. This climate resulted in a steady increase in the licensing of boats each year until now we have well over 100,000 boats on Alberta's lakes and rivers every summer.

In 1977, work was begun by a newly established section of the R.C.M.P. This small section called the migratory birds/Canada Shipping Act Section, was charged with promoting inland water safety and enforcing the small vessel regulations of Canada's Shipping Act. They patrolled lakes and rivers, and attended special boating attractions, such as the World Marathon Great Canadian Smokey River Race. As a result of 1977's operation, the R.C.M.P. and the Canadian Red Cross Society joined together for educating Alberta's boating population to both legal regulations and safety precautions.

Thanks to the combined efforts of the two organizations, by the end of that summer the number of properly equipped boaters had increased dramatically.

For the summer of 1979, the program has been expanded and improved. Another organization, The Royal Life Saving Society Canada has joined the boat safety check.

Irma Babysitters Graduate

An Alberta Safety Council Babysitters Safety Course was held in Irma during the month of April. It was held in the Irma High School and was sponsored by the Irma Kinsmen Club.

Nineteen students registered for the course and included boys and girls between the ages of 10 and 15 years. Only those students 12 years and older were allowed to graduate.

The course consisted of six sessions, the first of which covered Ethics of Babysitting and was instructed by the course leader, Marj Gulliver. The second was Child Care, instructed by Pat Burton. The First Aid Session was taught by Sherrilee Fischer, with help from Gary Ezings of Wainwright, a St. John's Ambulance First Aid Instructor.

Fire Safety was explained by Irma Fire Chief Clair Price and the fifth session on Safety was given by Marj Pelton. A sixth session was held for the written examination and a pass mark of 70% was expected for the course.

The students purchased workbooks for $1.50 and 10% of their mark was given for these workbooks.

Of the nineteen registered students, 15 students passed the examination, 2 of whom were too young to graduate. There were three failures and one students who could not complete the course due to illness.

It was a most rewarding learning experience for all involved and a great big thank you is extended to the Irma Kinsmen Club for sponsoring such a worthwhile community project. Also, thanks go to all the instructors who taught sessions, Mr. Mitten and the Irma high school for allowing us to hold sessions at the school, and special thanks to Pat Burton whose enthusiasm and assistance with the course made it all so much fun.

It is now up to the parents who employ these students to help them put into practice that they have learned. Answer all their questions and I'm sure that when you leave your children, you'll feel satisfied they are being cared for by the very best sitters you could find.

It is hoped this course can be continued every year for those students who wish to take it and for those children who need the care of informed sitters.

The Irma students that received their babysitting certificate were [back row, left to right] Darlene Wignarve, Kirby Prior, Pamt Jones, Michael Searcy, Leighn Glasgow, Leila Glasgow; [second row, left to right] Vicky Nilsen, Rhonda Withnell, Tracy Fisher, Robert Pelton; [front row] Roxy Culbert and Darcy Lemieux.

Irma New Horizons Host Wainwright Seniors

On Wednesday evening May 9, 48 seniors from Wainright arrived at Irma Dop-In Centre in response to an invitation tendered some weeks ago to come and spend a social evening with our club members.

The meeting opened with O' Canada. Jim Jackson welcomed the visitors and said he hoped they would enjoy the short but interesting program arranged for their entertainment. He also reminded them that Irma had for many years regarded Wainwright as its most promising suburb.

To start the program, a mixed chorus of about 16 sang two numbers. Next was a skit entitled "Rocking Chair Blues" which was enjoyed and applauded. An instrumental duet by Olive Jones and Eric Prior, playing old time tunes got everyone toe tapping.

J. Jackson recited "The Shooting of Dan Magrew" by Robert Service. A skit by three ladies entitled "Mrs. Murphy isn't Home" was really funny.

Peggy Fleming sang "Alberta Rose". It was just lovely and was loudly applauded. The next was a sing song conducted by Georgina Enger in which everyone took part. Kate McLean gave a humorous recitation in her usual inimitable manner.

The Rev. Gordon Wilson gave an accordary solo and song. Next was a skit "Arry and 'Arriet" which provoked much laughter.

Ole and Audrey Nissen gave an instrumental duet.

The program concluded with "The Queen". Then with everyone joining hands in a circle which had several mini circles in its construction, "Auld Lang Syne" was sung, led by Georgina Enger.

Lunch was then served. Every Irma member present was given a number to pin on, and the Wainwright people also got corresponding numbers. The Irmaites were told to seek out their partners and have lunch with them. In this way, people became acquainted and a very pleasant time was spent visiting and socializing.

Mr. Oliphant expressed thanks on behalf of the Wainwright members and said he hoped they could entertain the Irma members sometime in the near future.

Great credit is due the members of the chorus and Georgina Enger who was in charge. Thanks also to the ladies of the lunch committee for the delicious lunch.

Irma Chamber Discusses Irma Daze

The regular monthly meeting of the Irma and District Chamber of Commerce was held Tuesday, May 8. Mr. Erling Nilsen was present to give a report on the progress of plans for the fastball tournament to be held on August 4, 5, and 6. (Irma Daze). He reported that with the interest shown, it should prove to be a good tournament. To date approximately 32 teams have replied.

Mr. Francis Withall of Ad Art designed a new sign for the building at the fairgrounds built by the Chamber in 1978.

Mr. Gary Archibald has been in touch with Captain Crawshay, British Laison Officer and has been able to arrange to have the Kings own Royal Border Regiment Band in the Irma Daze parade. And it is hoped that they will be able to play on the fairgrounds.

August is fast approaching so start thinking about your parade entries!

Students Graduate

Graduating from Irma High School on May 4, were the following students: Lyle Barss, Beverly Ball, Darlene Burns, Brian Burr, Douglas Burton, Albert Copseland, Bonnie Dunbar, Donna Frye, Jeannie King, Roger King, Charles Lawson, Glen Lingley, Darlene Lockhart, Kevin MacKay, Christine Lightbody, Fay Nissen Elaine Oracheski, Gail Oracheski, Thomas Parsons and Raymond Tomlinson.

After welcoming remarks by Chairman C.E. Allen, and the Invocation by Rev. Wilson, Principal R. Mitton introduced each graduand.

The program consisted of the Valedictory Address by Gail Oracheski and Doug Burton; the "Class Will" by Ray Tomlinson and Albert Copseland; the "Class Prophecy" by Jeannie King and Bev Ball; remarks on the "International Year of the Child" by Tom Parsons.

Music included the Processional "Tomorrow" and "Candle on the Water" by the School Band, conducted by Mr. Dan Nash; and two vocal duets by Misses Kathy Lawson and Wendy Burr - "To Sir With Love" and "Do You Know Where You're Going To?"

A special presentation to our popular and hard-working Vice-Principal Charlie Allen for his 25 years in the Wainwright School Division was given by Trustee Mr. Donald Lukens. Also a presentation to our little Mexican student Monica Chavarria who has been in the Grade 12 class this year.

The program ended with an excellent presentation by guest speaker, Mr. Keith Cornish, a former teacher at Irma School.

Lunch followed and the Spring Prom began to the music of Saturday Night Special.

A special thanks to everyone for their hard work in making yet another "Grad" so successful - especially Mrs. Lovig and the Home Ec class for the lunch, and the Grade Elevens for the beautifully decorated auditorium.

Village of Irma Council Minutes

The Irma Village Council met in regular meeting in the Irma Village Office on Tuesday, May 1, 1979 at the hour of 7:00 p.m.

Present were Councillors Barber, Dempsey, Jackson, Larson and Littlewood and the Municipal Administrator D.D. Creasy. Mayor Larson in the chair.

Moved that the minutes from the April 1979 regular meeting be adopted as written. Carried.

Moved that the accounts for the month of April 1979 be approved for payment. Carried.

The financial statement for the month ending April 30, 1979 reads as follows: Net balance end of previous month $12,983.39 - Receipts for the month $11,731.65 - Trust Fun (Curling Club) $3,333.50 - Disbursements for the month - $9,273.71 Net balance April 30, 1979 $12,087.83 Moved that the financial statement be accepted. Carried.

Moved that correspondence from Disaster Services regarding cost sharing of emergency equipment be received and filed. Carried.

Correspondence was received from Mr. P. Schell, Administrator Wainwright General Hospital outlining proposed revision of rates for ambulance service.

Moved that the proposed revised rate schedule be accepted. Carried.

Moved that correspondence from Recreation Parks and Wildlife relating to scheduled events be received. Carried.

Correspondence was received from Bearder Paving Ltd., regarding Asphalt products for streets and roads together with a current price list. Moved that the said firm be contacted for additional information. Carried.

Moved that correspondence from J. K. Campbell and Associated Ltd., regarding incineration of garbage be received and filed. Carried.

Moved that correspondence from Unicipal Affairs relating to the metric conversion and measurements in new subdivisions be received and filed. Carried.

Moved that the minutes from the Wainwright School Division #32 Board meeting be received and filed. Carried.

Correspondence was received from the Year of the Child Committee requesting financial assistance to sponsor disabled children at Camp Ho Ho Ha. Moved that this request be not granted. Carried.

Moved that correspondence received from the Minburn Vermilion Health Unit relating to water samples be received and filed. Carried.

Moved that the minutes from the Chauvinah Manor Board meeting be received and filed. Carried.

Moved that the minutes from the Irma Recreation Area Council meeting be received and filed. Carried.

Correspondence was received from Current Planning outlining a proposed subdivision application by Mr. James Barber, Lot 12, Plan 3618 e.t. This subdivision would provide three residential lots. Moved that Council has no objection to the proposed subdivision. Carried.

Correspondence was received from Employment and Immigration Canada advising that Council's application under the Young Canada Works Program did not receive approval.

Moved that this correspondence be received and filed. Carried.

Moved that correspondence from EPEC Consulting Western Ltd., relating to development of the new subdivision be received and filed. Carried.

The following Building Permit Applications were received: Mr. E. Jacobson - new dwelling, Lot 1, Block F, Plan 782-0564; Mr. J. Burton - new dwelling, Lot 4, Block 17, Plan 6068 H.W.; Mr. R.A. Mitton - new dwelling, Lot 5-A Block E. Plan 792 1087; Mr. W. Littlewood - renovations to dwelling, Lot 3, Block 20, Plan 30 K.S. Mr. J. E. Balkenius - renovations to dwelling Lot 5, Block 10, Plan 4726 H.W. The Applications have been approved by Permit Officer, Mr. A.C. Milne. Moved that Building Permits as presented be approved. Carried.

Moved that the Municipal Administrator and Council members if possible, attend the Zone 5 meeting of the Alberta Urban Municipalities Association, in Camrose on Wednesday, May 2, 1979. Carried.

Moved that Business License application as submitted by Mr. Coffin be approved Carried.

Moved that the Municipal Administrator be authorized to attend the A.U.M.A. Refresher Course for Administrators in Banff, June 6th to 9th. Carried.

Mr. Robert Jones was present at this time to discuss conditions at the nuisance grounds. He asked that steps be taken to control paper and refuse from blowing into his field and to prevent fires spreading from the site onto his property. Council advised that arrangements have been made to clean the site and that a new pit will be excavated as soon as the frost goes out.

Moved that a meeting of the Planning Committee be held on Monday, May 14, 1979, at 11:30 a.m. to deal with the general plan and drafting of zone maps. Carried.

Moved that Current Planning be requested to prepare an outline plan for Lot G. Plan 1560 W. Carried. This land has been designated for industrial use.

Moved that Alberta Housing Corporation be requested to assist Council with the servicing and development of Lot G. 1560 W. for industrial use. Carried.

Moved that Alberta Transportation be approached to proceed with the next stage of development on Secondary Road No. 881. Carried.

Moved that the benefits as set out under the Alberta Urban Municipalities be extended to Council members. Carried.

Moved that the Dental Benefits be added to the Policy of Employment of the Village. Carried.

The preceeding concludes business before Council at this time. Moved that the meeting adjourn. Carried.

Another new sign has been erected along Highway 14 on the east side of Irma. Staff Photo

Mazankowski Campaign in Final Stretch

Progressive Conservative candidate for Vegreville Constituency, M.P. Don Mazankowski, spent another active week campaigning and has an extremely busy schedule planned for the last week of the election campaign.

After returning Thursday from a three day trip to Saskatchewan, where he campaigned on behalf of Conservative Candidates throughout the province, Mr. Mazankowski did some mainstreeting in Lloydminster.

He discussed the heavy oil industry, which is of great importance to many residents of that city. Mr. Mazankowski outlined Conservative energy policies, which would place development of the heavy oil reserves as a key factor in Canada's energy strategy. The immediate construction of heavy oil upgrading plants would be a priority. This would be achieved by providing the necessary incentives and tax policies to allow the plants to be established.

Mr. Mazankowski noted that up until now the Federal Government has been unable to come up with the tax structure necessary to get heavy oil upgraders underway. He pointed out that even the Chairman of Petro Canada, the federal government's own oil company has said that government inaction and confrontation is all that is in the way of major heavy oil developments.

Mr. Mazankowski attended a reception in Lloydminster Thursday evening and proceeded to Vermilion early on Friday.

In Vermilion, the Conservative Candidate, who has represented Vegreville Constituency for eleven years, took part in an all-candidates forum at J.R. Reboon High School. He was extremely impressed at the way the students arranged and ran the forum and said later that it was young people, such as these, who will build Canada's future if they are given a chance.

Friday evening, Mr. Mazankowski attended a coffee party at the Senior Citizen Drop-In Centre in Lamont. He told the gathering that a Progressive Conservative Government would end the unfair and unjust discrimination against women under 65 who now lose their pensions, if their husbands die. He also detailed the Conservatives commitment to fight inflation through control of government spending since it is the elderly and those on fixed incomes, who suffer the most when prices rise.

Mr. Mazankowski said that pensions would be increased to keep them in line with spiraling costs of food, shelter and clothing. It was the Progressive Conservative Party which originally introduced the concept of indexing old age pensions to cushion the impact of inflation upon senior citizens.

On Saturday, Mr. Mazankowski attended coffee parties in Derwent, Myrnam and Two Hills. He took Sunday to catch up on mail and run the forum and said later that it was young people, such as these, who will build Canada's future if they are given a chance.

Friday evening, Mr. Mazankowski attended a coffee party at the Senior Citizen Drop-In Centre in Lamont. He told the gathering that a Progressive Conservative Government would end the unfair and unjust discrimination against women under 65 who now lose their pensions, if their husbands die. He also detailed the Conservatives commitment to fight inflation through control of government spending since it is the elderly and those on fixed incomes, who suffer the most when prices rise.

Mr. Mazankowski said that pensions would be increased to keep them in line with spiraling costs of food, shelter and clothing. It was the Progressive Conservative Party which originally introduced the concept of indexing old age pensions to cushion the impact of inflation upon senior citizens.

In the final week of the campaign before voting day on May 22, Mr. Mazankowski will be visiting the communities of Ashmont, St. Paul, Marwayne, Islay, Kitscoty, Lloydminster, Wainwright, Edgerton, McLaughlin, Paradise Valley, Viking, Tofield, Holden, Ryley, Round Hill and Andrew.

Mr. Mazankowski has covered thousands of miles throughout the Constituency since the election was called in March and will be campaigning hard right up to May 21.

Irma News and Views

Meg Dunbar is a patient in Viking hospital, being taken there on Sunday (Mothers Day) by daughter-in-law, Anne, and neighbor Chris Lou Lukens.

George Foreman is home from Viking hospital after spending the best part of a week getting treatment on his right knee.

The weather has finally warmed up and most farmers are busy on the land, many of them seeding. The newly seeded and finished fields look really nice.

We have been told by people get out and around earlier than some of us that there is frost almost every night.

Eddie and Lorna Jackson took Eddie's mother and dad, and also Dolly Hearn from Hardisty (who was visiting with Minnie and Jim) to dinner at the Steak ouse in Wainwright in honor of Mother's Day. They were surprised to meet friends from Sedgewick, Lougheed, Hardisty and Viking, who were also honoring mothers at the Steak House.

Mary and Bert Armitage from Kinsella visited briefly with Minnie and Jim Jackson on Monday evening, May 14. Mary had been visiting her father, Tom Shaw, who is a patient in Wainwright Hospital.

Weekend visitors at the home of Mr. and Mrs. Tom Copeland for Albert's graduation were Mr. and Mrs. Max Walker of Dawson Creek, B.C.; Mrs. Mary Skjei, of Estonia, Sask.; Mr. and Mrs. Orry Nicholson of Kindersley, Sask.; Mr. and Mrs. John Copeland of Fort McMurray, Alta.; Miss Susan Hardy and Miss Julie Steiven of Edmonton; and Mr. and Mrs. Daniel Applin of Maraego, Saskatchewan.

Combine Clinic Held in Regina

Simple combine adjustments that can save farmers as much as $8.10 per acre will be among the subjects covered in a combine clinic in Regina, sponsored by the Palliser Wheat Growers Association.

The clinic features author and combine expert Ray Stueckle and will be held in Exhibition Auditorium at the Western Canada Farm Progress Show. The clinic begins at 9:00 a.m. on Friday, June 22 and should finish by about 3:00 p.m.

The author has been featured at hundreds of such clinicans across the United States and Canada, and farmers who have followed the guidelines by Stueckle at the clinic and in his book "Combine Settings for Better Harvesting", report profitable results.

Years of experience in the field working with many different types of combines and a variety of crops have given the man a unique knowledge of combine performance. A background in farming has given Stueckle an interest in sharing his money-saving ideas with farmers.

Walker loss, uneven header fed, unthreshed heads, damaged kernels, uneven air on the sieves are some of the problems Stueckle can cure through simple guidelines for adjustment of virtually any make or model of combine in operation today.

Fabric Fires

When you think of fire protection, don't forget about fabric fires. All fabrics and textile articles will burn to a greater or lesser degree, under the right circumstances.

The Canadian government does set standards to make sure that the clothing and fabric you buy does not burn too fast. However, a certain amount of self protection is also important especially when considering children's clothing or clothing for the elderly.

Choose fabrics carefully, keeping the following facts in mind: - lighter weight fabrics tend to burn faster than heavier weight fabrics, - fabrics with a raised pile surface tend to burn faster than smooth (remember this when buying fabrics for children's sleepwear), - open weave fabrics burn faster than tightly woven fabrics.

The fibre content of cloth by also affects the speed at which it will burn. Cotton, rayon, linen, acetate, and triacetate all tend to ignite very easily. They also burn very quickly. Nylon, polyester, and acrylic do not ignite easily - however, once ignited, they tend to drip which can cause severe burns.

Although the flammability of children's manufactured sleepwear is controlled and regulated in Canada - fabrics are not.

Holden News

Evelyn Komarnisky of Holden was declared one of the winners in a poster contest which was sponsored by Alberta Dental Health. Evelyn received a cheque in the amount of $35.00 for the winning poster contest.

Holden winners at the 1979 Regional Arts and Music Festival were: Joyce Lutz - piano, Tetsu Tsukamoto - piano, Lynn Giebelhaus - piano, Dean Jeffery - photography - color and acrylics, C.H. Schaning - photography, Audrey Steinwand - water colors, Mary Lou Dolson - pottery and pinch pottery, Audrey Steinwand - lapidary, Loretta Steinwand - sketching.

The Holden 4-H Club Achievement Day will be held in conjunction with the Ryley Beef Club this spring. Achievement Day will be held on Wednesday, June 6th, with weigh-in to take place at 9 a.m. Show time is set for 10 a.m. Sale of the calves will be held in the afternoon at 3:00 p.m.

Collette and Dennis Zowtuk of Holden are receiving congratulations on the birth, born, a daughter - Alexandra Dawn, born May 1, at the Vegreville General Hospital. The baby girl weighed 6 pounds and 4 ounces. A new grandchild for Mr. and Mrs. John Chamulke and Mr. and Mrs. Mike Zowtuk, all of Holden.

Could You Survive?

Should you fall overboard could you survive? The time to find out what you would do is now, and not when the emergency happens. By thinking ahead you will be in a better position later to survive an immersion into water.

The first item to remember is a life jacket or personal flotation device. Always wear your life jacket. Should you fall overboard on a river, don't try to stand in the current. Float downstream feet first until you can reach the shore. This avoids hitting your head on rocks or wedging your feet between rocks.

On a lake, should you stay with a capsized boat or swim to shore? This depends on circumstances such as water temperature. The boat will not sink, but it may not be seen. Cold water quickly robs the body of heat, causing a condition known as Hypothermia and eventually death.

It is often better to keep heavy clothes on in cold water to prevent heat loss. Should you fall overboard with heavy clothes do not panic. Even with hip waders on you will not sink provided you stay calm. Air is trapped in clothing which gives you buoyancy. Next time you are at a lake try this in the shallow water and practice staying afloat.

There are no easy answers on what to do in every case of immersion. It is strongly suggested that you plan ahead before you go boating. Please contact your nearest Red Cross Office for details on the next water safety program in your area.

Holden Reunion

A reunion of the 1968 to 1971 Grad Class from Holden High School is being held in Holden on August 18, 1979.

We would like to remind all the people who have not yet obtained their tickets to please do so. Tickets are $12.00 per person, spouses and escorts are invited.

Please make cheque payable to Holden Reunion c/o Judy Olsen, Box 971, Devon, Alberta. We would appreciate all replies to be in by June 15, 1979.

SUMMER TIME EMPLOYMENT

- One person over 18 years with college or university for a supervisor of all summer programs and planning them
- Two students for the summer travelling program
- Four students for the two permanent playgrounds

Summer part-time staff will be required for the work to be done in the parks. And those will be students who want to work. The vacancies to be filled are not decided as yet. If interested, apply now and not later than May 19, 1979.

All staff hired for the playgrounds will be required to attend a four day training period during the first week of July.

Some of the hired will work under the S.T.E.P. program if it is approved for this summer.

County of Beaver No. 9
Box 5 Ryley, Alta. T0B 4A0

Waterfowl Crop Damage Program

A new five year program recently announced by the federal government will provide Alberta farmers with compensation for crop losses caused by migratory waterfowl.

The program also includes damage prevention projects to minimize losses to farmers in the future.

Agriculture Canada will administer the 3 million dollar compensation program while the Canadian Wildlife Service of Environment Canada will be responsible for the 1.3 million dollar damage prevention program.

Damage by waterfowl, particularly mallard and pintail ducks, affects about one per cent of total production on the prairies in an average year. But migratory birds tend to concentrate in certain areas, and crop damage in these areas can be substantial.

The increase in funding under the new program will cover all legitimate claims in most years.

Compensation to farmers with waterfowl damage to their crops will continue to be based on crop values up to $60 per acre.

The damage prevention part of the program will be aimed at reducing the problem by managing sites where the most waterfowl damage occurs. These areas will be run as permanent wildlife areas. They are mostly located in and around wetlands and other desirable habitats for waterfowl. Lure crops and feed will be made available to attract birds from farmers' fields.

Parkland Nursing Home News

Jean and Gordon Meakins were in to see Frank Murray last Monday.

Mr. Zemanek had a nice visit with Jo-Anne Vitek.

Jim and Agnes Knudson visited with his sister Gail Gustafson on Tuesday.

Mabel and Ray Sarsein called on her mother, Gail Gustafson one day last week.

Joe Beschell from the lodge visited with a few of his friends here last Thursday.

Lars Ritland had many visitors on Saturday - A.L. Gibson, Lawrence Ritland, Bertha Nohr and Lorraine Borwek of Edmonton and Mr. and Mrs. Eugene Dandak of Leduc.

Mrs. Pearl Lawrin was in to see her sister Mary Pasnak. Also in to see Mrs. Pasnak were Emily and John Tkaczyk.

Mrs. Clara Swanson had her daughters Mildred Dunlop and Stella Streit and granddaughter Janice Majean visit with her on Mother's Day.

Isabella Jorgenson took Willie for a ride in the country on Sunday.

Esther MacLaren called on Lars Ritland.

Holly, Heather and Joyce Teed of Holden visited with their grandmother Mrs. Ward.

Thanks to Mr. Watson for coming over to help us get our movie underway last Thursday. The movie was Alberta Sunshine and much enjoyed by everyone.

Thanks to all who have brought over magazines this past while. They are much appreciated.

Beats all others cold.

MAZANKOWSKI, Don

Progressive Conservative

ON MAY 22, VOTE

P C

Published by the Official Agent for Don Mazankowski, Box 70, Vegreville, Alberta.

Mazankowski on Campaign Trail

Progressive Conservative candidate of Vegreville Constituency, M.P. Don Mazankowski, spent an active week on the campaign trail.

He started off Monday in Tofield where he did some mainstreeting and visited the Senior Citizens' Home. Next stop was Ryley where he also did some mainstreeting and talking to residents about the election. On Monday evening Mr. Mazankowski attended the annual Kinsmen Steak Fry in Vermilion which he has either attended or supported every year it has been held. He was given the honor of drawing the final five names out of the drum in the grand prize elimination draw.

The M.P. visited the Highland Produce egg-processing plant in Two Hills on Tuesday morning. He noted that it was the owner-operated small businessmen such as Highland which have built Canada and which are the backbone of our country. Mr. Mazankowski outlined Conservative proposals to help the small businessman such as reduced red tape and a $5000 small business investment tax credit.

In the afternoon, the M.P. visited the Frog Lake Indian Reserve and the Fishing Lake Metis Colony, both new to his constituency in this election. He discussed Indian and Metis problems with the residents and pointed out the amazing accomplishments of the Saddle Lake Reserve in the eleven years he had represented it. He hoped similar achievements could be made by the people of Frog Lake and Fishing Lake.

A public meeting was held in the Elk Point Senior Citizens Drop-In Centre in the evening, in addressing the gathering, Mr. Mazankowski stressed the rich heritage of the Elk Point region and its great potential in the field of tourism. He promised to work hard with the citizens of the area to develop that potential.

Mr. Mazankowski was the guest speaker at the Vermilion Chamber of Commerce luncheon held on Wednesday. He dealt with the economy and Canada's vast potential which are the key issues in the election. Specifically in the agricultural sector, he noted the new priority given agriculture by the current government. He expressed his and the Conservative Party's deep concern at the high level of food imported into Canada, over 25%, at the problems in the grain handling and transportation system, and at the unfair treatment which producers have been given over the last decade. Some of the solutions which he and the Conservative Party have promised include expanding the capacity of the grain handling and transportation system by 50% by 1985, allowing a once-in-a-lifetime exemption from capital gains tax on the sale of farm land by bona fide farmers, implementing a Beef Import Law to protect producers from unfair import competition, and establishing a program along the lines of the Registered Retirement Savings Plan which would let farmers put money into a fund tax-free in the good years and draw on the fund in poor years.

Mr. Mazankowski also outlined the Progressive Conservative commitment to designate the Yellowhead as the nation's second Trans-Canada Highway. This would involve the setting up of Federal-Provincial cost sharing programs to upgrade the Yellowhead to a first class modern highway.

The remainder of Wednesday and all day Thursday were spent by Mr. Mazankowski in Wainwright going door to door in the residential areas and mainstreeting. Many of the people he met were interested in the Conservative proposal to allow up to $5000 per year in mortgage interest payments and up to $1000 in municipal property taxes to be deducted from income for income tax purposes.

Thursday at noon, Mr. Mazankowski addressed the Wainwright Chamber of Commerce where he outlined the Conservative commitment to the immediate development of the heavy oil reserves in the Wainwright, Lloydminster and Vermilion areas. He also outlined the Party's defence policy which would include a substantial re-equipment program, an increase in personnel, and a strengthening of Canada's commitment to NATO and NORAD.

On leaving Wainwright, Mr. Mazankowski went directly to Edmonton airport for a weekend of campaigning in British Columbia.

Viking Students Tour Hospital

Two hundred and thirty-four students from the Viking Elementary classes toured the Viking General Hospital on Friday, May 11th.

With the newly formed Ladies Auxiliary conducting the tour, the students from grades one to six were shown through the entire hospital. Included in the tour was a trip to the basement where a model of the new hospital was on display. The tour concluded with students enjoying juice and cookies, served by the Auxiliary.

Posters drawn by the students, depicting their thoughts on hospitals have been on display at the hospital and have brought a lot of enjoyment to the patients.

These posters will go on display at the Viking Community Hall on Monday, May 28th.

This date has been set for the official sod turning ceremony at the site of the new hospital. Coffee and doughnuts will then be served at the hall.

Staff, management, auxiliary and patients all enjoyed the students' visit and look forward to conducting a tour through the new hospital facilities next year.

Plans Set for Alberta Chamber Annual Meeting

Beginning on Sunday afternoon, June 10, Red Deer will be for two days Alberta's centre of chamber of commerce activity.

Business and community leadership from scores of Alberta communities large and small - from Calgary and Edmonton, Manville and Mayerthorpe - will use the Alberta Chamber's 41st annual meeting both to finalize joint policies for the ensuing twelve months and to share experience in order to make each Chamber's work more effective. As well as workshops on Agriculture, Tourism and Tax sharing, it has now been announced that there will also be workshops examining the Heritage Savings Trust Fund, Chambers' financing techniques and the role of Education in preparing students for the job market.

The Red Deer Chamber, hosts to the meeting, will be represented by outgoing President ed Makarenko and President-elect Rob Webb.

The senior officers of the Alberta Chamber, for its part, are President Walt B. Dingle, retired petroleum executive; and President-elect Reiny Lehr, well-known cattle rancher.

Holden Wins County Track Meet

On Wednesday, May 16, the County high schools held their annual track meet in Viking with some 160 athletes competing. In spite of the "dampen" put on by the weather, the proceedings ran fairly smoothly and finished on time (which must be something of a record for a track meet).

Speaking of records, thirteen were broken in different events, with perhaps the most spectacular being the Senior Girls' Jackie Mewis of Tofield slicing 1:49.5 minutes from the 1500 m. mark to a new standard of 6:02.5 minutes, and Leanne Rurka's 28.16 m. javelin toss on behalf of the Holden team. In Intermediate Boys, Rod Arychuk of Viking shattered the 400 m. record, dropping it 9.8 seconds to 57.2 seconds. Viking's Karen Overbo set or helped to set records in 3 of the 4 events she entered, and just missed another by .6 seconds.

Final results for the day (using a 5-3-2-1 points system for first to fourth place finishes) saw Holden capture over all honors with 282 points, followed by Tofield with 148, Ryley with 124, and Viking with 104. Holden also entered the greatest number of participants with 55, followed by Ryley with 47, Tofield with 36, and Viking with 21.

All high school classes were cancelled in Viking for the day so that teachers Randy Ness, Don Gillies, Fred Nordstrom, Chou Poa, Ping Pon, Olive Zwierschke and Dick Morris could assist Meet Director Jim Jepson in running the competitions.

Teachers Brian Aubrey and Brian O'Toole from Tofield, Andre Nimchuk and Robert Lysko from Ryley, and Charlie Mathews and Lyle Andrusky from Holden, who accompanied their respective teams to Viking, also ably assisted in making the meet the success that it was.

Thanks to the teachers, and to the small handful of Viking High School students who sacrificed their "holiday" in order to lend a helping hand. The meet was generally well enjoyed. Thanks again!

Reported by Jim Jepson

Allen Andrukow of Ryley captured first place in the Junior Boys High Jump event of the County track meet with a height of 1.52 metres. Staff Photo

CFB Cold Lake To Hold Silver Jubilee Airshow

Canadian Forces Base Cold Lake will commemorate 25 years of operation with a Silver Jubilee Celebration on Saturday, the 16th of June. The celebration will feature the largest military airshow in Western Canada for 1979.

The Base Commander, Col. Les Price, extends his personal invitation to everyone to join us on this historic occasion, with a special welcome to those citizens of Alberta and Saskatchewan, in areas surrounding the base, who have for 25 years, strongly supported CFB Cold Lake.

Gates will open to the public at 9:00 a.m. on Saturday, June 16. Ground exhibits will include photo displays of past and present activities at CFB Cold Lake, a gymnastic and karate display, and a static display of aircraft.

The Silver Jubilee Airshow will commence at 2:00 p.m. and feature the red, white and blue Tutor jets of 431 Air Demonstration Squadron and "The Snowbirds", who this year will be performing before some 3 million people at 60 airshows from coast to coast in Canada, and from Yellowknife to Reno, Nevada.

Cold Lake's own 417, 419, and 434 Squadrons will be performing with their CF104 and CF5 aircraft, along with other Canadian military guest units such as the Dragonflies helicopter team from Portage, and the Skyhawks parachute demonstration team from Edmonton. Several aircraft from the United States forces and the Royal Air Force have been invited, such as the F14, F15, F16, F18, F111, Buccaneer, and the B52 bomber, among others.

Well known civilian talents will include Al Pelzer, with his Stardust Too, and Al Seitz and his Pitts Special. A touch of nostalgia will be added by the Western Warbirds and an F86 Sabre.

CFB Cold Lake is known as "The Home of Fighter Weapons". The bulk of Canadian fighter aviation and fighter pilot training is focused here, has been for the past 25 years, and is anticipated to be in the future, as Canada acquires its new Fighter Aircraft. It has an intense and proud past that will be suitably commemorated at the Jubilee Airshow.

People from all parts of Canada make up the history of CFB Cold Lake and many will return to commemorate its Silver Jubilee. There will be something for everyone. For the former base resident, a Jubilee Reunion, to renew old acquaintances and refresh old memories. For the aviation buff, an exhibition/airshow, to fulfill the most enthusiastic spirit. For the family, a rewarding, full-day outing, that everyone will enjoy.

Although motel accommodation will be limited, there are numerous camp sites available in the local area. Gateway Aviation plans on scheduling extra shuttle flights between Edmonton and CFB Cold Lake, and should be contacted for this purpose.

We are looking forward to having you join us in the celebration of our Silver Jubilee.

Export Contracts Available To Hog Producers

The Alberta Pork Producers Marketing Board has an immediate export contract opportunity available for producer commitment of hogs.

Contract terms are 20 months, starting June 1979 with a base price of $61.50 per cwt. dressed - basis barley $1.40 per bushel and supplement at $16.50 per cwt.

The producer delivery hog price, as established by a cost of production formula, will vary throughout the contract according to monthly feed price changes.

As in previous hog contracts, this offer provides for the adjustment of the base price for feed each delivery month throughout the 20 month period, according to a four month moving average price of Alberta feed costs. This price adjustment compensates contract producers for their average feed costs during the hog feeding period and provides for a fixed return on all non-food costs during the life of the contract.

For a contract commitment form or more details, Alberta hog producers are to contact the Pork Board personnel at any Pork Board Marketing Terminal or the Board Sales Office. This is a limited time offer. Producers will be accepted on a first come first served basis.

A three-quarter ton truck owned and operated by a Sherwood Park resident overturned on Highway 14, approximately 4 miles west of Bruce. The accident was caused by a blow-out which resulted in the truck taking the ditch and overturning, completely demolishing the 11 ft. camper. Fortunately there were no injuries as all the passengers were riding in the truck.

Good-bye Creamed Chicken

"I had a dream the other night that every volunteer in this country, disillusioned with the lack of compassion, had set sail for another country.

As I stood smiling on the pier, I shouted "Good-bye creamed chicken. Good-bye, phone committees. So long, disease-of-the-month. No more saving old egg cartons. No more getting out of the vote. Au revoir, playground duty, bake sales and three hour meetings."

As the boat got smaller and they could no longer hear my shouts, I reflected, "Serves them right, a bunch of yes people. All they had to do was put their tongue firmly against the roof of their mouth and make an O sound. Nnannoooooo. Nnannoooo. No!NO!It would certainly have spared them a lot of grief. Oh well, who needs them!

The hospital was quiet as I passed it. Rooms were void of books, flowers and voices. The childrens wings held no clowns - no laughter. The reception desk was vacant.

The home for the aged was like a tomb. The blind listened for a voice that never came. The infirm were imprisioned by wheels on a chair that never moved. Food grew cold on trays that never reach the mouths of the hungry.

All the social agencies had closed their doors, unable to implement their programs of scouting, recreation, drug control, Big Sisters, Big Brothers, YWCA, YMCA, the retarded, the crippled, the lonely and abandoned.

The health agencies had a sign in the window, "Cures for Cancer, Muscular Dystrophy, Birth Defects, Multiple Sclerosis, Emphysema, Sickle Cell Anemia, Kidney Disorders, Heart Diseases, Etc., have been cancelled due to lack of interest".

The schools were strangely quiet with no field trips no volunteer aides on the playgrounds or in the classrooms, as were the colleges where scholarships and financial support were no more.

The flowers on church altars withered and died. Children in day nurseries lifted their arms but there was no one to hold them in love. Alcoholics cried in despair, but no one answered and the poor had no recourse for health care or legal aid.

But the saddest part of the journey was the community hall which was dark and would remain that way. So were the museums that had been built and stocked by volunteers with art treasures of our times.

I fought in my sleep to regain a glimpse of the ship of volunteers just one more time. It was to be my last glimpse of civilization - as we were meant to be."

The preceeding editorial was provided by Muriel Owshko, Volunteer Program Organizer of the Vegreville Health Unit on behalf of the efforts being made by the people of the area on behalf of Preventive Social Services.

Village of Holden Council Minutes

Following are the minutes of the regular meeting of the Council of the Village of Holden, held on May 16, 1979 in the Village Office.

The meeting was called to order by Mayor Shykora at 7:30 p.m.

It was moved by Councillor Glebelhaus that the minutes of the April 18, regular meeting be adopted as printed. Carried.

Moved by Councillor Lemko that the minutes of the April 26 special meeting be adopted as printed. Carried.

Moved by Councillor Stambaugh that the minutes of the May 9 special meeting be adopted as printed. Carried.

Moved by Councillor Danilak that the minutes of the May 10 special meeting be adopted as printed. Carried.

Moved by Mayor Shykora that payment of accounts in the amount of $4,214.65 be approved. Carried.

Councillor Danilak moved acceptance of the Monthly Cash Statement as presented. Carried.

By-law No. 1, 1979 being a by-law for the purpose of construction of a water reservoir and pumphouse.

Moved by Councillor Stambaugh that By-law No. 1-1979 be read for a second time. Carried.

Moved by Councillor Glebelhaus that By-law No. 1-1979 be read for the third and final time. Carried.

Councillor Danilak moved approval of the Building Permit Application by Nick Shihinski to construct a garage. Carried.

Councillor Lemko moved approval of the Building Permit Application by Kevin and Darlene Stambaugh to construct a residence. Carried. Councillor Stambaugh abstained from discussion and voting.

Moved by Councillor Glebelhaus that the 1979 Budget Estimates be approved. Carried.

Moved by Mayor Shykora that By-law No. 4-1979 being a by-law to authorize the several rates of taxation be read for the first time. Carried.

Moved by Councillor Danilak that By-law No. 4-1979 be read for the second time. Carried.

Moved by Councillor Glebelhaus that third reading of By-law No. 4-1979 be proceeded with. Carried unanimously.

Moved by Councillor Lemko that By-law No. 4-1979 be read for the third time. Carried.

Moved by Councillor Stambaugh that the 1979 membership fees in Rural Development Project #4 in the amount of $350.00 be paid. Carried.

As this meeting constituted the Public Meeting for the General Plan comments were heard from Ron Chetney requesting a change in zoning for lots immediately west of his business property and Mr. Chetney was present to discuss this.

Moved by Mayor Shykora that the land use designated on the plan be changed to reflect commercial use for the 90 feet of property immediately west of Central Farm Service and Supply. Carried.

By-law No. 3-1979 being a by-law for the purpose of adopting the Village of Holden General Plan was read for the second time on a motion made by Councillor Glebelhaus. Carried. Councillor Lemko moved third and final reading of by-law No. 3-1979. Carried.

Correspondence was received regarding Holden and District Agricultural Society the water line and entrance to parking area. It was moved by Councillor Danilak that a 2 inch water line be installed to the property line. Carried. Councillor Lemko agreed to look after entrance to the parking area.

Other correspondence included: Alberta Municipal Affairs re: debt reduction program. Alberta Disaster Services re: Municipal Disaster Services Program Management Course - June 19-21. The Workers Compensation Board Merit Rebate of $266.24. Western Archrib order acknowledgement for beam at hall. Board of Education minutes of May 8 meeting. Verd-a-ray Industries re: reducing energy costs. Battle River Tourist Association re: winter brochure. Hudac Alberta Council Newsletter. Metric Commission fifth report. Pardee Equipment re: backhoes.

It was moved by Councillor Stambaugh that Barbara MacDonnell from Current Planning be authorized to begin preparation of a land use by-law for presentation at the June 20 meeting. Carried.

Moved by Councillor Glebelhaus that the current system of auditing books of the Beaver Regional Recreation and Parks Department be maintained. Carried.

Moved by Councillor Danilak that four signs prohibiting truck travel be purchased and placed to restrict truck travel on 50th avenue once paving is completed. Carried.

Councillor Lemko moved that Pedmore Engineering Ltd., be authorized to proceed with plans for paving and curb and gutter on 49th avenue between 48 street and 50 street, subject to approval of the Neighborhood Improvement Program Grant. Carried.

Councillor Stambaugh moved that the Cadets be authorized to put up necessary hardware to hang the bell and sign on the south wall of the Community Hall and that this be done in consultation with the carpenters. Carried.

Councillor Stambaugh moved the meeting adjourn

AGT To Charge Interest

Effective August 1, 1979 AGT will be charging late paying customers 1½ per cent interest per month on overdue telephone accounts greater than $50.00.

The interest charge will affect fewer than six per cent of AGT's customers. Of 783,000 telephone accounts billed every month, approximately 45,000 accounts are paid late. However, three-quarters of these overdue accounts represent most of the dollars owing.

The Public Utilities Board recently gave AGT approval to charge interest on overdue accounts, a policy practised by all Canadian telephone companies, except Saskatchewan Telecommunications. AGT customers will receive notification of the interest charge in May and June.

Telephone accounts are due when they are rendered and should be paid within a month of the billing date. This allows ample time for payment to be received by AGT before interest charges will be calculated and added to bills over $50.00. The computerized billing system has been designed to handle special situations; for example, exempting customers of the interest charge if there is a mail strike.

The 1½ per cent interest charge could conceivably provide an additional $2 million in revenue or not one cent, depending on whether customers choose to pay their bills on time.

Other utilities are charging higher rates, as are many oil companies and department stores, although they have different minimum limits ranging from $10 to $75.

Another change of policy also affects deposits which some customers are required to pay. AGT will pay interest on security deposits at a rate of 8 per cent annually. The interest will be applied monthly.

Viking O.O.R.P. Meets

The meeting of Viking O.O.R.P., held May 16 with H.R.L. Tiedemann presiding, opened with the regular ritual and floor work. Routine business and reports were attended to. P.H.R.L. Piscia installed Martha Hoines and Joan Fountain into the offices of historian and treasurer.

H.R.L. Tiedemann named her standing committees for the ensuing term. Plans were made to visit Parkland Nursing Home on June 4th as our participation in Royal Purple Day.

The 1979 convention, to be held in Saskatoon, was discussed and delegates Tiedemann, Garos, Piscia, Hill, and Evans nominated, with Marge Hanson as alternate delegate.

The attendance prize was won by Margaret Maxwell. P.H.R.L. Piscia then announced the names of members having perfect and near-perfect attendance during her term in office. The prizes drawn for these went to Jean McIlravy and Dora Hasherie.

After closing, lunch was served by Rita Hill and Marge Hanson.

Work Experience Part of School Program

Work Experience is employment undertaken by a student as an integral part of a planned school program which is under the cooperative supervision of a teacher-coordinator and the employer. Students avail themselves to work experience for a number of reasons, some being career exploration, experience as a facilitating device for obtaining employment, or high school credits.

A "hands on" approach to integrating the subjects a student studies at school with the challenges of the working world is the unique contribution which this program brings to the educational scene. Although students are not remunerated in real terms, all other aspects of the program reflect an actual work atmosphere with demands on the student in terms of punctuality, attendance, production, decorum and cooperation.

In addition, students are expected to maintain records of duties performed and hours worked which is graded along with the initial proposal, the final report and periodic reports on job performance by the employers, all of which are combined in a final evaluation of the student's performance.

Presently, 23 students are involved in work experience stations in Viking. These include the following:

Bank of Montreal
Carrington's Gulf
Esso Fertiliser
Farmers Meat Market
Globe Footwear
Greensleeves
IDA Drug Store
Kelly's Hardware
Lefebvre's Sales and Service
Maxwell's Men's and Children's Wear
Quinton Construction
Sunny Days
Viking and District Co-op
Viking Drug Mart
Viking Giftware and Jewellery
Viking Hospital
Viking Meat Market
Viking School

DIAL BEFORE YOU DIG. THERE'S A LOT AT STAKE.

If you operate heavy machinery, it's more important than ever that you call your gas company before you break ground.

Because if you don't, you run the very real risk of damaging a gas main and being responsible for an accident which could cost thousands of dollars in damage and downtime. Or cut off the gas supply to an entire community.

Or cause dangerous explosions and loss of life — possibly your own.

So make sure that you call your gas company's Pipe Locator Team at least 48 hours before you dig. They'll stake out the alignment of all gas lines in the locality so you can dig in safety.

The service is free. Please use it. There's a lot at stake.

Call our Pipe Locator Team at: 334-4046

Irma News and Views

Four tables of whist were enjoyed in the Irma Drop-In Centre on Wednesday afternoon, May 16th, also one table of scrabble. The ladies high scorer was Dorcas Coffin, while the low went to Dolly Hearn - a sister from Hardisty. Jim Jackson was the lucky winner of gents high score. The consolation went to Gordon Wilson. Elsie Satre won the prize for scrabble.

Lunch was enjoyed and a pleasant time was enjoyed visiting. Prizes were donated by Bob Hanson.

Mammie Keilar has arrived home after visiting with relatives and friends in Victoria and other points in B.C. for several weeks. She enjoyed the blooming flowers.

Gertrude Matthews has arrived home after visiting at the west coast with her daughter Marjorie, Mr. and Mrs. Jim McDuff and family.

Billy Lawson arrived home on the 20th after visiting with relatives and friends in his native England for a month. Bill reports a late spring in the old country and commented on the comfort from electric blankets in homes not having central heating. Yes, Billy, we can agree.

Charlie Jackson drove his new pick-up to Winnipeg last week, intending to spend a short holiday with his sisters Noreen and Phyllis and brother-in-law Rick Hammond. They hoped to see the hockey games between the Edmonton Oilers and the Winnipeg Jets. Among those who flew down for the games were Charlie's girlfriend, Caroline Csar and his cousin Neil Jackson.

Charlie plans to be back home early this week at which time he will assist his Dad on the farm...at least until the rocks are all picked and the crop is in the ground.

Emory Darling, wife Connie and two children visited Emory's mother Orril over the weekend. They left on Sunday afternoon and drove to Provost for a visit with Connie's parents.

An invitation has been extended by Viking Hospital Board and Auxiliary to the residents of Irma and especially to the ladies, to attend the sod turning ceremonies at Viking at 2 p.m. on Monday, May 28th.

We are sorry to report that Margaret Dunbar is again a patient in Viking Hospital. Her neighbor Clara Lou Lukens took her up on Friday morning.

John and Ellen Armitage and Joe Harding from Sedgewick visited with Mary and Bob Dempsey on Thursday evening. Later Ellen and John drove to Wainwright and had a brief visit with Ellen's Dad, Mr. Tom Shaw who is a patient in the Wainwright Hospital.

Mrs. Thurston Sr. is a patient in the Wainwright Municipal Hospital and has been there since Friday last. We are glad to report that today (Monday) she is much improved.

Minnie and Jim Jackson drove to Hardisty on Sunday and picked up Dolly Hearn and visited with George and Muriel Jackson and Alma and Joe Harding in Sedgewick.

Steve Hlymka one time resident of Irma passed away on Friday, May 18 at Vernon, B.C. The funeral took place at Pleasant Valley Cemetery on Tuesday, May 22. Donations in lieu of flowers may be made to the Canadian Cancer Society.

Irma W.I. News

The regular meeting of the Irma Women's Institute, held at the home of Mrs. Elsie Satre, was attended by fifteen members. The report of the April Tea for Cancer, a joint effort of the Buffalo Coulee, Irma, and Strawberry Plains Women's Institutes, was well attended and realized a good amount for the Cancer Fund. Thanks to all those who attended and who gave donations to the Fund.

Mrs. Peggy Fleming will be the official delegate to the Provincial Conference at Olds, with Mrs. E. Wilson as alternate. They are to take with them a donation to the Pot o' Gold for the Alberta W.I Girls' Clubs.

Literature concerning inadequate sentences for juvenile crimes was discussed, resulting in the opinion that offenders should be made aware of the seriousness of their offences and that some community service should be made part of their sentences.

The Irma W.I owns a wheel chair and a pair of crutches. These are available to the public, free of charge, on a loan basis. To make these more easily accessible, they are being stored in the New Horizons Drop-In Centre. If anyone in the community wishes to make use of these items, they may contact Mrs. Kay Fahner or any member of the Institute, or Mr. J. Jackson of the New Horizons Club.

Mrs. Edith Wilson became auctioneer of the day and auctioned, amidst much merriment, wrapped articles which the members had brought. The proceeds were earmarked for Pennies For Friendship. Following Mrs. Jennie Barber's report on the Wainwright Constituency Conference, a delicious lunch was served by the hostesses, Mrs. E. Satre and Mrs. A. Dootson.

The Friendship meeting on June 7 will be held in the United Church, when the programme committee will be in charge of the programme. All visitors are cordially invited. Hostesses are those members whose surnames begin with the letters A to L, and roll call will be answered by giving a plant or gardening hint.

Rosegarland W.I.

The regular meeting of Rosegarland W.I. was held at the home of Erline Suddaby on the beautiful spring evening of Tuesday, May 9th.

Sixteen members and two visitors answered the roll call of "Name a person who has done something for Women's Institute". This brought out the names of women who have worked faithfully at the grass roots level up to those who have served on executive positions at Constituency, Provincial and National level. Interesting to note Erline served as Constituency Convenor, Elizabeth Lefarud served as District Director and Jenny Lefarud was Provincial President to name a few. Also mentioned was the lady who started it all, Adelaide Hoodless.

Gleanings from the business part are as follows: Margaret Hill was named as delegate to attend the Provincial Convention to be held at Olds beginning on May 30.

The change in fee structure at the Provincial level was discussed. This will be a pertinent question at the upcoming Convention.

Plans were made for entertaining at Parkland Nursing Home on May 25th.

Merle Woolmer reported on the Constituency Conference that was held in Irma on April 9th.

The next meeting is to be held at the home of Rose Gizoski on Tuesday, June 12 at 8 p.m.

Irma School News

ORIENTATION EVENING

For all present grade nine students and parents we invite you to our orientation evening on Thursday, 31st of May

This evening is designed to provide you with information concerning the high school programs, choices, regulations and philosophy. Students, with teachers and parents help, will be expected to plan their three year high school program, and within the next 3 - 4 days, to return their registration for courses in grade 10.

It is important that you attend this orientation evening.

IN-SERVICE DAY

On June 1st, the staff of Irma School will be holding In-Service Professional Development Day. Consequently the school will be closed on this day.

SPORTS DAY

Our Track and Field meet this year will be quite different and more exciting as we will be joining Chauvin and Edgerton in a joint sports day. This will be held on the 30th of May and is only for Junior-Senior High School students.

Please note that school will NOT be closed. Those students who wish to participate in the sports day at Chauvin will do so, and there will be normal timetable for all other students.

The Elementary Sports Day will be held in the afternoon of Thursday, the 31st of May, and we welcome all spectators. This event will be run on a participation and team basis, with no individual awards. Each student will receive an award depending on what his team achieves.

BAND WORKSHOP AND CONCERT

With bands from New Norway and Wainwright High School joining the Irma School band, some 120 students participated in an excellent workshop last Wednesday.

The workshop was held in the Irma Arena which enabled the school leaders, Mr. Nash, Mr. Martinson and Miss Lasch to either work individually with band sections or as a massed band. With the concert in the evening, it was a long day for all the students, most of whom were "Tuckered Out" by nightfall.

There was an excellent turnout to the concert which provided tremendous variety. Each of the three bands performed separately, the highlight being the massed band at the end. Although they had only the one day to practice together, they were excellent.

Our thanks and congratulations go to all the students, and their leaders, who made this exciting event possible. We look forward to more of this kind of event next year.

DRAMA NIGHT

Set aside tomorrow night, Thursday, 24th of May, to come to our Drama Night. Mr. Allen and his Drama 10 class have prepared the full-length comedy, "Up the Down Staircase". The performance begins at 7:30 p.m. in the auditorium. The School Band will be playing during the intervals.

HOME AND SCHOOL

Just a reminder that we will be meeting this Monday the 28th of May in the Home Economics Room at 8:00 p.m. Hope to see you then.

Strawberry Plains W.I. Meet

Nine members were present for the May meeting at the home of Mrs. John Paszter Sr. and one visitor present. The meeting was called to order by Betty and she welcomed Hazel Veres the visitor.

The creed was repeated in unison. Minutes of the last meeting were read and approved. The treasurer gave her report which was accepted.

It was decided to leave the cutting of the brush at a certain corner until a future date.

Betty Paszter and Minnie Jackson are attending the Provincial Women's Institute Conference at Olds College from May 28th to the 31st. Betty will be the voting delegate.

Correspondence was dealt with. A receipt was received from the Cross Cancer Institute for $141.66 which was taken in at the Cancer Tea sponsored by the three local W.I. branches.

The handicraft report was then given by Aletha, some work was turned in and more taken out.

The Social Services committee reported that cards had been sent to two while they were in hospital, visited and given fruit after returning home. Doreen Hill gave a report of the most interesting parts from Federated News.

Hazel Veres had on display some bead work which she had done and this was very beautiful.

Roll Call was an exchange of plants or seeds. Pennies for Friendship - Pay 10 cents if you had not cleaned house that day. Donations were given to the 4-H Beef Club, also the 4-H Food Club.

Our meeting closed in the usual menner. A delicious lunch was served by Betty with Eva and children joining in. The next meeting will be at the home of Mrs. Jimmie Jackson on June 20th. Visitors are welcome.

Irma United Church Women Meet

The regular meeting of the Irma U.C.W. was held Tuesday evening, April 24, at 8:00 p.m. with Mrs. Edith Wilson presiding. She welcomed all present and read a short reading on "our needs" after which we repeated "The Prayer Purpose" in unison.

Mrs. Wilson led in devotions. The Scripture reading was from John 20: 11 -18. Her topic was "What is Life after Death". She closed with prayer, after which we sang three verses of "Jesus Shall Reign".

Mrs. Jenny Barber gave the Program, reading from the Book "All Women of the Bible". This chapter dealt with 'Miriam', sister of Moses. A short question period followed.

Plans were discussed as regards "New-to-You Sale". It was moved that we invite Mrs. Irene Findlay to our next meeting.

Mrs. M. Fischer gave us a very enlightening report on the Conference held in Edmonton.

There were 10 members and 2 visitors present. Our next meeting will be on May 29th at 8:00 p.m. Our guest speaker will be Mrs. Irene Findlay, Area 2 Vice-President, St. Paul Presbyterial. Everyone most welcome.

Echo-Rodino Report

Nerine Hunter travelled to Calgary where she will spend sometime with her daughter Goldie and her family. Nerine is going to accompany the Mannington family on a weekend trip to Vernon, B.C.

Yvonne Greenwood spent a day shopping in Camrose and visiting her daughter Teresa.

Maxine Torence spent a few days in Lloydminster helping her daughter Trudy plan her forthcoming wedding.

Ken Husband of Bassano visited the Prosser residence for a few days.

Wes and Christina Bauer and family tried out the new camper over the weekend when they accompanied Wes's brother and his family on a fishing trip to Moose Lake.

Teresa and Rita Greenwood were weekend visitors to the Bruce Greenwood residence. Also visiting there were Wyonne, Lance and Justin Weich and Doug White of Wide Water.

The new rotovator purchased by Barry Knudsiion of Ryley was demonstrated last Friday to interested parties. Total value of the machine is close to one hundred thousand dollars. Barry plans to work the machine throughout the surrounding area.
Staff Photo

Viking Kindergarten Korner

On May 8 we took a field trip to Camrose. Twelve mothers with nerves of steel loaded 38 students and Mrs. Gahr on the bus at 9:20. Our driver, Arlene Majeski, headed us out for a full day of activities.

The first stop was the Camrose Hatchery. Here we all got to see baby chicks, turkeys and ducks. Each got a turn to hold a soft little baby chick.

Next we walked over to the Sunny Boy Flour Mills. The groups toured and saw how wheat was turned into flour and cereal. We saw the bagging process. Each came home with a small box of Sunny Boy Cereal.

We stopped at the lobby of their local arena for our lunch. After a quick lunch, we walked over to the Museum. It was surprising how interested the little ones were in things from the past. The Museum is an excellent stop for young and old alike.

Hurrying on from here, we drove to the Camrose Fire Station. Here we had an excellent tour of the fire station, shown about by their Fire Chief. After explaining the engines, the Chief invited the students to do some climbing. All were thrilled to be able to climb all over the big red engines. Then the assistant made a mountain of bubbles and all ran through and played in them. We all sat down and watched cartoons next.

Our final stop was Smities Pancake House. Here we were served a delicious plate of six miniature pancakes and pop. The moms calmed their nerves with coffee. All was compliments of Smities.

Then we loaded our gang on board and headed for home, arriving - exhausted - around 5:00 to eagerly waiting parents. It was a most interesting and successful tour.

Thanks to Mrs. Majeski for driving us. Also to the moms who took the day off to help supervise - B. Wiechnik, E. Lawes, P. Nearing, P. Hoffman, K. Coulombe, L. Kidd, C. Maxwell, B. Morken, S. McBride, E. Lang, G. Nordstrom and D. Hodgins.

On May 9 and 10 the classes visited the Post Office. Many were able to find their P.O. boxes behind the scenes. Thank you to Mr. Wilmer and also to the moms who walked to the Post Office.

Our final meeting for the year was held on May 16 at the library.

Orientation was held on May 11 with about one half of the new students visiting kindergarten.

On May 15 and 16 the children visited the dentist. This was a very worthwhile stop as it helps assure the students that the dentist is there to help.

We are still planning a couple more field trips. Our wind-up picnic will be held on June 15 at the campsite west of Viking. All parents are invited to join us for a picnic - wiener roast.

Farmers' Market

At the Farmers' Market Annual meeting, it was decided to reopen the Market on Thursday, June 7. It will be open on a weekly basis on Thursdays at 3:00 p.m.

Last year's demand indicates we need more suppliers for corn, raspberries, saskatoons, early potatoes, beets and carrots.

We are planning a promotional afternoon to say thank you to previous stallholders and also to encourage new ones. Come out and join us for pie and coffee. For further information contact:

Beware of Potential Poisons

With the arrival of spring we begin to look at our gardens, and start clean up operations, preparatory to starting our real gardening efforts.

The Home Safety Committee of the Alberta Safety Council recommends that this is a good time to take stock of any leftover weed killers and pesticides which may have been stored over winter.

Children will be playing outdoors and running in and out of garages and storage sheds. Be sure that all potential poisons are placed on high shelves, out of their reach to prevent possible damage to eyes and face, or better still, in locked cupboards.

Spray guns should always be rinsed after use to avoid leaving small amounts of pesticides which children might spray on each other. The results could be tragic. Never store leftovers in soft drink bottles -- this is an invitation to drink.

Do not leave seeds around where toddlers can get at them. In this age group everything goes into the mouth, and some seeds are poisonous -- for example sweet peas.

Be sure that potentially dangerous tools are stored out of reach of children -- this includes pruning shears, hedge trimmers, all electrical tools. Check ladders before using them to be sure they have not been damaged and will safely bear your weight. Remember that rakes lying on the ground with teeth up are potential hazards to feet, face and head.

Beats all others cold.

Shell's amazing Extrema grease was put through a rigorous four-month performance test. Extrema beat other high performance lubricants with Extra Life.

Do not let this premium grease be all out of stock! Our product is so much better, lubrication with Extrema lasts seven times longer than the other greases.

Put our new Extrema to the test for your lubrication needs. You will be amazed by its performance.

Order early and save.

It pays to grease early from our Shell agent. 2.5¢ per litre (10¢ per gallon) off the regular price when you order 1,000 litres (gallons) or more of Shell Rotella T, Shell Rotella S, Shell Rotella, Shell Rimula CT, Shell Donax, Shell Spirax HD, Shell Farm Hydraulic Oil, Shell MP Grease, Shell Darina AX or Shell Extrema before May 31, 1979. And you also cash in when you put each such litre or gallon in your tank. 2.5¢ per litre (10¢ per gallon) for all such products sold by June 30, 1979. Plus more. Like earn 4 green stamps for every litre (16 green stamps for every gallon) you buy. Plus 4 green stamps for every litre (16 green stamps for every gallon) you apply.

MURRAY QUINTON - 336-3284

Feed Grains Market Analysis

The Alberta price of barley in 1978-79 has largely been determined by the ability of the system to move grain to export markets. While West Coast barley prices ranged around $110 per tonne for most of 1978-79, off-board barley traded in the $80 to $85 per tonne area over the same period.

This sharp discount resulted largely from barley's lack of access to export markets. Thus off-board barley prices in Western Canada became a function of carryover stock levels in the Western Canadian market rather than being related to international feed grain stocks and prices.

The 1977-78 Canadian crop year ended with the largest barley carryover in history. The 5.336 mil. tonne carryover represented enough barley for an additional 6 months of consumption. Even though Canadian farmers reduced barley production in 1978, total supply still exceeded that of 1977-78.

Higher exports and higher domestic consumption in 1978-79 seem likely and may result in a small reduction in carryover at the end of the current crop year. Forecasting barley carryover at the end of the forthcoming crop year.

Statistics Canada's March planting intentions survey indicated that Canadian farmers intend to cut barley planting in 1979 by 18%. With yields similar to those of last year, production would be 8.8 mil. tonnes, leading to a total supply of 14 mil. tonnes.

Consumption likely will approximate 10.7 mil. tonnes including exports of around 4 mil. tonnes. Carryover at the end of the 1978-79 crop year then, would be around 3.3 mil. tonnes.

Such a carryover would allow enough barley for about 16 weeks additional consumption which is almost identical to that of 1976-77, when non-board barley prices in Alberta averaged about $73.50 per tonne ($1.80 per bus.). Thus it seems probable that off-board prices will average around the same levels as those of 1976-77, provided that export performance does not vary greatly from that assumed above.

Family Life For Older Albertans

The October-December 1978 issue of the Quarterly Statistical Review of the Department of Social Services and Community Health has an article on the living arrangements of persons 65 years of age and over in the province of Alberta. The article examines the living arrangements data from the 1971 Census and the 1976 Census showing changes during this five year period.

The majority of older persons live in family situations. In 1976, 46.9 percent of the elderly were living with a spouse and 16.3 percent were living in an extended family, while 25.3 percent were living alone and 13.4 percent in a non-family (institutional, boarding house) situation. During the five year period, there was a slight increase in the proportion of seniors with spouse as well as a slight increase of those living alone.

The percentage of those in an extended family situation dropped and there was no change in the proportion of those living in non-family situations. Among the "older elderly", those 75 years of age and over, 24.4 percent were in a non-family situation, an increase from 22.6 percent in 1971.

The article contains tables which show living arrangements by age, sex, urban-rural and marital status. The discussion considers the implications of the data for planning and makes suggestions for the encouragement of family life and support for older persons in Alberta.

Progressive Farming

Bill Brass - Asst. Dist. Agriculturist

James B. MacKay Dist. Agriculturist

This year the Summer Farm Employment program will be in effect.

Regulations and guidelines will be similar to last year's except the minimum age for application will be at least 15 years and if under 18 years, the applicant must have written parental consent.

Program Objective

The objective of the STEP Summer Farm Employment Program is to provide farm work experience for Alberta youth during the summer months commencing July 3 through August 31.

Who Qualifies

Any Alberta farmer is eligible to employ one youth under the Summer Farm Employment Program provided the employee is not a member of his immediate family (i.e. son, daughter, brother, sister, grandchild or wife). Each applicant for employment must also have been a resident of Alberta for the past six months and legally entitled to work in Canada (citizen, landed immigrant or visitor with work permit). All employees must attend the farm safety seminar as provided by Alberta Agriculture. As well, all employees must be employed for a continuous period of at least two weeks.

How It Works

1. Applications and contracts can be obtained at either the local District Agriculturist's Office or the Canada Farm Labour Pool Office.

2. The completed documents must be mailed to the Canada Farm Labour Pool office in Vegreville.

3. Due to budget restrictions, applications will be dealt with in a first come, first served basis, with priority being given to those farmers who did not participate in the Summer Farm Employment Program last year.

4. Wages for the employee will be negotiated between the youth and the farmer but in all cases must be a minimum of $400 per month. When an employee works overtime, he shall be compensated at no less than the Provincial minimum wage which, as of March 1, 1977, is for those 18 years and is $3.00/hr. for those under 18 years.

5. The farmer shall provide suitable room and board at no cost to the employee.

6. The Government will be responsible for paying one-half of the employee's monthly salary up to a maximum of $300 (whichever is least), and the employer's contributions to C.P.P. and U.I.C.

7. A monthly time sheet will be completed accordingly at the end of each calendar month, signed by both the farmer and the employee and submitted to the local Labour Pool Office on the last working day of the month. The farmer's share of the employee's wage shall be submitted with the time sheet. Failure to do so will result in a delay of payment to the employee.

8. The Government of Alberta will pay, on behalf of all employees, the necessary Workmen's Compensation Board premium in order to have all workers covered by the benefits of W.C.B. The employees will be responsible for the payment of their own Alberta Health Care Insurance premiums, unless already covered under their parents' contract.

Work Experience

The farmer shall make every reasonable effort to provide the employee with a variety of farm tasks and experiences in order to make him as familiar as possible with farming operations.

If you have any questions regarding this program, contact your local District Agriculturist at Box 200, Ryley or phone 663-3555.

Alberta Contributes To Canada Days In Paris

Alberta Culture is sponsoring a major display of the arts and cultural heritage of Alberta during Canada Days in Paris. The display is being held in conjunction with UNESCO's Paris conference that runs from May 11 to May 25.

The display illustrates a variety of performing arts, visual arts, cultural heritage and literary arts activities representative of lifestyles in Alberta. Two groups of touring Alberta artists will also be on hand. The One-Third Ninth Trio will present a major concert program on May 17 and the Broken Knife Dancers from the Sarcee reserve will perform May 23.

CN Looking for "Near Miss" Drivers

Originated by the CN Prairie Region, the program is aimed at discouraging dare-devil motorists who attempt to beat trains at crossing. Having obtained the number, it is reported by the train crew to the dispatcher. Information is then passed to CN or local police for follow-up action.

During the past two years CN reports about 25 near misses, two of which have involved school buses. While no charges were laid, officials believe that personal contact with the offender through CN or local police can go a long way in preventing a repetition of the reckless action.

As a matter of interest, to ease the concern that will be felt by parents, the incidents relating to school buses were reported to the appropriate school authorities.

With the summer driving season approaching and more drivers can be expected to be driving more miles, vehicle-owners should remind all drivers - especially the younger ones - to pay special attention at level crossings.

Most of the reported incidents have occurred at level crossing where flashing lights were operating, but ignored.

The federal government has proposed a commission for investigating transportation accidents . This "near miss" program may well be able to provide some input.

Holden and District News

Dorothea and Charles Mathers of Holden are receiving congratulations on the birth of their third child, a baby girl, Kyla Marie is her name. She weighed 8 pounds and 3 ounces and was born in Camrose. A sister for their daughters and son.

Each year in Holden, the Holden Lodge of the Order of the Royal Purple presents a scholarship award to a student on Graduation Exercises Day. This year, Barbara Schultz is eligible to receive the 1979 O.O.R.P. award. Barbara will be presented with the award at the Graduation Exercises on May 26.

Mr. and Mrs. David Danilak of Edmonton, formerly of Holden, are receiving congratulations on the birth of a son named Randy Sean, weighing 9 lbs., 13 oz. Randy was born on Mother's Day, a new grandson for Mr. and Mrs. Matt Heifrich and Mrs. Bill Danilak, all of Holden.

Les Bios D'Or, French Folk Dancers, will appear at the Beaver Regional Arts Centre at Holden on Sunday evening, May 27 at 7:30 p.m. Tickets are available at Dolson's Trading is Holden.

The Holden Sports Day will be held on June 8 this year. Sports Day will begin with the usual activities - breakfast, parade, children's activities, ball games, barbecue, dance in the evening. More detailed items on the activities will be published in later issues.

CARDS OF THANKS

We would like to take this opportunity to thank all those who so willingly helped our girls to organize and implement such an evening that made our 25th Anniversary such a happy one.
We also wish to express our sincere thanks to those who came to help us celebrate, along with their good wishes. We thank also those who were unable to attend for their remembrances by cards, telegrams, telephone calls, etc.

Sincerely
Alex and Helen Smallwood

I would, at this time, like to express my sincere thanks to all those who thought of me during my stay in the Charles Camsell Hospital with cards, flowers, plants, gifts, etc. At a time like that, it is appreciated very much and really gives one a lift. Thank you.

Helen J. Smallwood

I wish to extend my sincere thanks to the Doctors, Nurses, and entire Staff of the Viking Hospital for the care and kindness given to me while a patient there. Thank you, too, to my family and friends for their visits, gifts, cards, and food to the house.

Jean McKie

The Order of Royal Purple would like to thank all those who donated so generously to the recent Red Cross canvas. Special thanks to the Junior Red Cross who gave part of their profits from their tea. The quota for Irma and area was $350 and we exceeded this by more than $200. Thanks again to each and everyone.

Red cross Committee for Royal Purple

CARDS OF THANKS

A grateful thank you to the doctors, nurses and staff of the Viking hospital for their kindness and care while I was a patient there.

Also a sincere thank you to all my relatives and friends who visited me and sent cards and flowers.

Mabel Reitan

I wish to express thanks to all those who patronized the Viking Confectionery while I was owner/manager. I also hope you will extend the same support to the new owner. Thanks again.

Olga Smith

I would like to thank the doctors and nursing staff of the Viking Hospital for their care and kindness while I was a patient. Also thanks to my friends and relatives for their cards and visits.

Gladys Holt

St. Albert To Host Alberta Games

It may not be of 'loaves and fishes' magnitude, but each year a notable event takes place in Alberta.

From August 2 to 6, St. Albert will host the '79 Alberta Summer Games. Each year, alternating winter and summer, the Alberta Games encourage amateur athletes aged 13 and older to compete in selected sports. Competition isn't the Games' only purpose. Its primary goal is to offer Albertans the chance to increase their level of physical fitness thru level of fitness through

With the addition this year of a cultural program called Festival '79, Albertans will be able to share their ethnic heritage through exhibits, displays and performances in the arts and crafts.

In each of the eight provincial zones there is one volunteer zone co-ordinator backed up by a zone committee consisting of sports representatives, local recreation board members, Kinsmen, senior citizens and other volunteers. They co-ordinate playoffs among the 100,000 athletes expected to try out at the grass-roots level.

One hundred thousand athletes and eight zone co-ordinators make for a ratio of 12,500 to one. That's notable, particularly since co-ordination of playoff information and publicity is developed outside the eight zone co-ordinators' full-time jobs. Time is definitely a problem.

Co-ordinators deny any involvement with things miraculous: "The job is basically keeping your nose to the grindstone and your ear to the telephone". They're quick to point out that nothing could be achieved without the hard work of their zone volunteers.

Do zone co-ordinators work miracles or merely work hard? The final judgement of their efforts will take place August 2 to 6 in St. Albert.

Viking Co-op Holds Annual Meeting

The 31st annual meeting of the Viking and District Co-operative Association was held at the Co-op Service Centre on Monday, May 7 at 7:30 p.m.

In attendance was Len Ferguson, F.C.L. District Director, who brought greetings on behalf of F.C.L. and gave a brief report on the annual convention held in Saskatoon in February.

Also in attendance was M.J. McGeein, business consultant of the Activities Branch (Dept. of Consumer and Corporate Affairs). He spoke briefly on the responsibility of each Co-op member as co-owner to sell co-op to his neighbour.

President Al Toverud presented his report of the year's operation of the store and Service Centre. Following this he read the annual financial statement.

Retiring officers were Alf Toverud and Bob Wesley who had served two 3 year terms, and Ken Child, who had served one 3 year term.

In the election of officers, the following were elected: Ken Child, Bert Hill from the country, and Jack Carrington.

The meeting adjourned with the drawing of two door prizes, Sandra Hoffman and Bob Wesley were the winners. Coffee and doughnuts were served.

Immediately following the annual meeting, a brief organizational meeting of the directors convened to elect a President and Vice President. This resulted in the following executive:
President - Greg Ruzicka
Vice Pres. - Ken Child
Directors - Anne Naslund, Leo Stewart, Bert Hill, Mike Krysanowski and Jack Carrington.

New Viking Hospital Officially Underway

The sod-turning to signal the official start of construction of the new Viking General Hospital was held on Monday at 2 p.m. a large crowd gathered to witness this important event.

The Community Stage Band opened the program with "O Canada", sung by Mr. Dennis Watson. Reverend J. Bennett provided the invocation.

Hospital Board Chairman, Jack Roddick welcomed those in attendance and introduced the official party. The official party included Hospital Board members Al Wilmer, Roger Lobrecht, Hjordis Armitage and Gabe Brisard, Hospital Administrator Rod Kriga, chief of Medical Staff Dr. A. E. Caldwell, Reverend J. E. Bennett, M.P. Don Mazankowski, M.L.A. Tom Lysons, Architect Jan Valikunas, Ron Christoffer of the Department of Hospitals and Medical Care and Ralph Corbett and Jim Gervais of Bergman Structures, general contractors for the new hospital.

Mr. Roddick then introduced M.L.A. Tom Lysons who thanked the Hospital Board for their work on the project. He brought greetings from the Premier and the Honorable Dave Russell, Minister of Hospitals and Medical Care.

M.P. Don Mazankowski was then introduced by Mr. Roddick. Mr. Mazankowski noted that the old hospital was where he was born and where he later met his present wife who was nursing there. He stated that the old hospital has served the community well and that the staff had done a superb job in spite of trying circumstances. He said that the new hospital will probably be the finest facility in Alberta and he saluted all who had contributed to making it a reality.

Mr. Roddick then introduced Dr. A. E. Caldwell, Chief of Medical Staff of the Viking Municipal Hospital. Dr. Caldwell stated that after a 10 year wait, it was nice to have the go-ahead on the new hospital. He said that it is badly needed and that despite the efforts of the Hospital Board, there have been considerable problems with rain, cold, heat and wind in the old hospital for some time.

Dr. Caldwell noted some of the many features of the new hospital. He stated that the co-operation within the hospital since he arrived 35 years ago has been tremendous and he expects this will continue. He expressed his appreciation to the Provincial government, the Hospital Board, and Mr. Rod Kripa for their hard work on the project.

Mr. Roddick then called on M.L.A. Lysons and M.P. Mazankowski who ably handled the official sod-turning. Dr. Caldwell and Mr. Roddick then combined to plant a tree which Mr. and Mrs. Roddick have donated to the new hospital. Dr. Caldwell earlier remarked that the tree was a symbol of the growth in the community and surrounding area.

Mr. Roddick then thanked everyone for coming out to the ceremony on such a windy day, and gave special thanks to the Community Stage Band for providing the music for the occasion. He concluded the ceremony by inviting everyone to assemble in the Community Hall for coffee which was provided by the Hospital Auxiliary.

Official sod-turning ceremonies marked the beginning of construction of the new Viking General Hospital facility. Taking part in the ceremony on Monday, May 28th, were M.P. Don Mazankowski [left] M.L.A. Tom Lysons [right] and Hospital Board Chairman Jack Roddick of Viking. Staff Photo

Les Bles d'Or Visit Holden

About fifty people of all ages attended the Beaver Regional Arts Centre on Sunday to enjoy the presentation of Les Bles d'Or (Golden Wheat), a dance company from St. Paul, Alberta. The company comprises 22 people, including 16 dancers and has been in existence for about five years to promote French Canadian folk dancing. M. Laurier Joly explained to the audience how the company had visited France besides touring in various parts of Quebec, Alberta and the Northwest Territories, and how the Canadian Government had selected Les Bles d'Or to represent Canada in France in a cultural competition.

The presentation was in four parts of tableaux. The first one presented a selection of dances such as would have been performed in sedate and possibly elderly gatherings. I especially enjoyed the grace of "Le Brandy", a type of last dance, "before we say goodbye". This dance-(as were several performed) is unchanged from the early Colonial days of the 17th Century. The tableau emphasized the dances and work patterns of a bygone age. The second tableaux was a very lively contrast to the first. Very colorful clothing, spoon and ton/heel tapping music and dance rhythms descriptive of young people having a lot of fun. The dance, "Le Competition", invited to decide who danced better - the boys or the girls! (The boys were very lively)

After an interval, the third tableau was presented. A feature of this performance was the vocal accompaniment, which was recorded (as was all the accompanying music) and the singing added an extra verve to the dancing. There were several solo, duet and trio selections showing off the special skills of Hubert Landry (who instructs the company in the Gigue skill of dancing) and Suzanne Foisy.

The last tableau was even livelier still, and the audience responded with long and enthusiastic applause to "Le Capitaine" - "grab a partner or you will have to dance in front of everybody" and "La Jarretiere", a very lively and athletic 'sword' dance which showed very clearly the agility and skill that this young group of dancers have developed. Lise Hoiston is the artistic director of Les Bles d'Or and she is to be warmly congratulated along with the company for producing an hour and a half's very enjoyable entertainment. We hope they will return ... "Mercy beaucoup mes amis et retournez encore." Victor Dawson

Jack Roddick, Hospital Board Chairman, [left] and Dr. A.E. Caldwell following the official tree planting ceremony at Viking's new hospital site. Elementary School students pictured in the background attended the ceremony. Staff Photo

Highway Hay Cutting Permits Available

Permits to cut hay on primary highway rights-of-way can now be obtained from Alberta Transportation district offices, Transportation Minister, Henry Kroeger announced today.

Until June 15, landowners whose property adjoins the rights-of-way will be given priority in obtaining permits to cut the portions next to their land. After that date permits will be issued on a first come first served basis.

There is a substantial amount of good quality hay available on highway rights-of-way throughout the province, and Mr. Kroeger encouraged farmers to take advantage of these permits which are issued without charge.

Permits are available at Alberta Transportation district offices in Athabasca, Calgary, Edmonton, Edson, Grande Prairie, Hanna, High Level, High Prairie, Lac La Biche, Lethbridge, Medicine Hat, Peace River, Red Deer, Stettler and Vermilion.

Efforts Bear Fruit

The sod-turning for the new hospital on Monday afternoon signalled the official start to Viking's new medical facility. This facility was mentioned in a letter written by the Social Credit Government in 1965, which proposed a new hospital for 1969 or 70. Those people who worked long and hard hours, days, months and years on the acquisition of a new facility can take pride in the fact that their efforts were fruitful. However "overdue" a new hospital is to serve the people of the Viking area, it would not be started without the efforts of many area residents.

At times it seems that governments wait until a building has fallen down around those working in it, or a road can no longer be driven on before they take action. Thanks to the efforts of people who are willing to "pressure" the government into taking some positive action, we have a new hospital now being constructed.

When dealing with governments, organized, intelligent efforts can bring results. The proof was displayed on Monday afternoon.

Minority Government Can Be Better

The election of May 22 resulted in the election of 135 Progressive Conservative candidates to the House of Commons. This left them seven seats short of a majority position in parliament, yet allows them to form the government side of the House with a minority position.

The election of a minority government can be a good thing for Canada. Joe Clark stated that he intends to operate as though he had a majority position. This is simply political rhetoric. In order for any legislation to pass through the House of Commons, the Conservatives must achieve the support of fifty per cent of those members who vote on each bill. Therefore he must either gain support from one of the other parties, or encourage them to abstain from voting on a particular bill.

The position of a minority government causes it to secure the support of the other parties. Because of this fact, legislation on many, if not most, occasions is written so that it will gain the approval of at least one other party. Thus the interests of the other parties in the House are considered at various times.

This situation allows for the policies, interests and ideas of more than one party to be incorporated into legislation. Thus a better cross-section of political opinion is allowed to be heard before the bill is written, and considered in the final draft.

It is highly unlikely that this minority government will be defeated for any reason for at least a year. The political parties realize that elections too close together can create a volatile electorate which will bolt party preferences for the slightest reason. Therefore Canadian residents should get an opportunity to adequately assess the Progressive Conservatives in action.

But remember, they cannot, and will not, act in total isolation from the other parties as is possible with a majority of seats. Thus more voices will be effectively heard, making our government more representative of the people of Canada.

Letter To The Editor

Dear Sir:

Now that the election is over and it's business as usual throughout the country, I would like to state an opinion on the manner in which the elections are being run. This opinion is shared by a number of people besides myself who feel it should be clarified before the next election rolls around.

The secret ballot is a wonderful thing and I wouldn't want that changed in any way.

Most of us are accustomed to the fact that the identity of the Deputy-Returning Officer and the Poll Clerk at each poll is kept secret until the "Big Day". (in some cases this secrecy includes the Enumerator also); but now even the location of the polls seems to have joined this "hush hush" realm.

Surely it wouldn't be too much to ask that when a poll is moved to a new location, a notice to that effect be placed in the local newspapers by someone.

I wonder how many farmers for example didn't vote because they stayed in the field as late as possible then hurried off to their usually polling place, only to find it had been moved elsewhere.

There should be more information at the local level

On April 21, twenty-one Holden Mite hockey players and seven winners of the Holden and District Agricultural Association Skate-A-Thon, with their parents gathered at the Holden Complex for a pot-luck supper. This brought a very enjoyable hockey season to its conclusion.

Trophies, donated by Paul Malowany, were presented to each hockey player.

The parents and players presented Dennis Teed, coach, with a plaque and extended thanks for the time and effort he devoted to the team during the year.

Don Hultholm, President of the Holden and District Agricultural Society, presented the winners of the Skate-A-Thon which was held in February, with their trophies.

Irma News and Views

On Wednesday, May 23, Minnie and Jim Jackson accompanied their granddaughter Joyce Bartholow to Bowden, Alberta where they had dinner with Joyce's sister Marlene and family before moving on to spend a few days with Joyce's parents, Isabel and Chester Bartholow at Sundre.

On Thursday, Jim went on a fishing trip into the foothills with his grandson Jim and friend Dave Richardson. They fished in the Clearwater River, Limestone Creek, Burnstick Lake and other locations and finally got stuck for two hours on a mountain trail, in spite of having a four-wheel drive. Finally in a beaver dam, they hooked one trout. The mosquitos were innumerable and hungry. The scenery was delightful.

Bruce Jackson and his fiancee Pamela Marie Ord from Winterburn, visited with granddad, Jim Jackson and also with Eddie and Lorna on Sunday.

George and Muriel Jackson from Sedgewick visited with George's brother Jim. They also visited at the home of Eddie and Lorna on Sunday afternoon.

A regular meeting of the Irma New Horizons will be held on Wednesday, June 6. Irma O.O.R.P. ladies will present a short programme before serving lunch. The ladies hope a good number of members will be on hand and suggest that each member bring a friend.

Minnie Jackson remained at Sundre on Saturday when Jim and granddaughter Joyce returned to Irma. Minnie plans on attending the W.I. conference which is being held at Olds College on Monday, May 28th and carries on for several days. Others from the Irma area will also attend the conference.

We are glad to report that Mrs. Margaret Dunbar came home from the Viking hospital on Friday last, feeling much improved.

Much seeding has been done during the past week. Some farmers have completed seeding with early sown crops up.

Fred Chumstad returned on Sunday from visiting his brother who is quite ill in the Grande Prairie hospital. His brother makes his home at Beaver Lodge.

Miss Laurel and Sharon Firkus and Ken Beer of Calgary spent the long weekend at the home of Mr. and Mrs. Clair Lukens.

Irma O.O.R.P. News

The regular monthly meeting of the Irma Order of the Royal Purple was held on Tuesday, May 15, with H.R.L. Coreen Larson in the chair.

As this was Installation Night we had a short business meeting commencing at 7:30 p.m. The minutes were read and approved and the Treasurer's report was accepted.

Reports were given by the committees. Darlene Lovig reported that the books had been audited and Irma Guy reported that the Red Cross canvass had netted $555.00

For Purple Cross Day on June 6th. Our members will entertain the Senior Citizens at the Drop-In centre.

Installation was ably carried out by Supreme Installing Officer Lady Dorothy Kroxier from Hardisty Lodge and ably assisted by Lady Powell and installing Chaplain Lady Szoke, both of Hardisty and installing Secretary Edith Cockroft, installing Pianist Bro. Ole Nissen and our Bro. Elks Patrol Team. They are all to be commended for a job well done.

We offer congratulations to our new slate of officers for the ensuing year which is as follows:

Honored Royal Lady — Darlene Lovig
Past Honored Royal Lady — Coreen Larson
Associate Royal Lady — Irma Guy
Loyal Lady — Marion Fischer
Lecturing Lady — Ruby Taylor
Secretary — Ruth Archibald
Treasurer — Bev Copeland
Chaplain — Marge Gulitner
Conductress — Olive Jones
Historian — Stella Glasgow
Inner Guard — Dianne Prior
Outer Guard — Judy Lemieux
Pianist — Gayle Soucy
Three Year Trustee — Margaret Archibald

Thanks were extended by D.D. Kroxier for her gift and corsage. As well, our new H.R.L. Darlene Loving extended thanks for her corsage and trust we place in her. Coreen Larson expressed thanks for the support given her in the past and a special thanks to the ladies who so willingly filled in for her.

Bro. Soucy conveyed thanks for the invitation to attend. He also made mention of their Dine and Dance to be held at the Albert Community Hall on June 2. An enjoyable hour was then spent over the tea cups.

Home Care Program for Irma

The number of Alberta citizens in the Senior bracket is increasing very rapidly. With a little extra help and encouragement many are able to function in their own home and eliminate the need for extra auxiliary hospitals and nursing homes.

The government is making increasing amounts of money available for Home Nursing and Support services to encourage this trend.

At the same time it is hoped to increase help for the handicapped citizen and to generally shorten periods of hospitalization after surgery or delivery.

What is Home Care? Home Care consists of visits to the home by a Registered Nurse, to provide nursing care. The nurse is under the direction of the client's personal physician. The nurse is also required to supervise other needs is required, such as physiotherapy, homemakers, meals-on-wheels and volunteers for friendly visiting.

Who pays for Home Care? The Home Care Nurse is provided under Alberta Health Care so if you have a Health Care Card you are eligible. Support services, homemakers, chore service and meals on wheels are free of charge for the first two weeks, then a charge is made according to a sliding scale. If the client is receiving nursing care the fee will be slightly less.

The service in this area is supervised by Mr. Reg. Urbanowski, a very capable Occupational Therapist. The Home Care Nurse for the Irma District is Mrs. Joy Patterson and may be reached for further information at 754-2162

Chacutenah Manor News

Mrs. R. Simmermon was a guest at the wedding of her granddaughter, Miss Jocelyn Smith and Mr. M. Kergow which was held in the Trinity United Church, Edmonton, on May 12. The young couple will reside in Calgary.

On Mother's Day, the Simmermon family held a reunion at a breakfast party, held in the Mayfair Inn, Edmonton. Present were Mrs. Simmermon of Irma, Mrs. Vera Moyer of Long Sault, Mrs. Leeanne Friday of Ottawa, Mr. and Mrs. Bob Simmermon and family of Calgary, Mr. and Mrs. Don Simmermon and family of Edmonton, Mrs. Lois Jack of Irma and Mr. Sparrow and family of Saskatoon.

Mrs. G. Burke and son Bobby of Spruce Grove spent the weekend with her mother, Mrs. Cockroft.

Mrs. T. Ell of Bow Island who has been visiting her daughter, Mrs. J. Kirkman was a recent visitor with Mrs. McLean.

Mr. and Mrs. J. Lambert spent the weekend at Round Hill. On Sunday they attended the confirmation ceremony, held in the Lutheran Church, at which their grandson, Brian Banks was confirmed.

Mrs. McRoberts spent a week in Edmonton at the home of her daughter Mrs. S. Taylor.

Our monthly social evening was held in the lounge on Wednesday. An added attraction was the attendance of the Busy Beavers Girls Club from the Albert District. Mrs. Cockroft, as hostess, welcomed the visitors.

The program was as follows: Several instrumental numbers with Haakon Larson on his violin and Mrs. W. Guy chording. We thoroughly enjoyed this.

The local Irma Brownie Pack have made a quilt commemorating the International Year of the Child. These quilts will be sent to the Unitarian Service Committee. The quilt on the left held by Tracy Ford has the names of each Brownie on it. Tracey Hinchcoe, Kelly Glasgow and Patricia Selg held the quilt made by Mrs. Stella Glasgow which will also be sent to the U.S.C. Front - Rhonda Beamhower, Heather White, Dinna Minchen and Tracy Lesinsky.

A skit, featuring International Year of the Child, was presented by the Busy Beavers with each performer dressed to represent a different country. A fitting closing to this little play was in the singing by the group of "It's a Small World After All". Later, the girls presented each adult in attendance with a hand made paper rose. Material for the skit was prepared by Lynette Hayes and commentator for the evening was Mrs. J. Haras.

An entertaining "Person, Place or Thing" mixer was conducted by Mrs. Cockroft in which Mrs. J. Baras was the winner.

Mrs. McLean's contribution of two readings and a piano duet by Dianne Fleming and Donna Pierce were well applauded.

A beautiful lunch was served by the mothers of the girls. A sincere thank you is extended to the girls and their leaders and mothers for an enjoyable evening.

Irma Home and School News

The regular monthly meeting of the Irma Home and School was held on May 28 with eighteen parents and teachers present.

Mr. Mitton gave a report on the new P.A. system the Home and School acquired for the gymnasium. There are still a few bugs that have to be worked out but it is working satisfactorily at present.

Thanks to the Home and School, most everyone will benefit from this much needed improvement in our gym.

Upcoming school events include: May 30 - Junior and Senior track meet in Chauvin, May 31 - afternoon Elementary track and field day. May 31 - evening - Drama presentation. June 7 Robbie Glasgow Memorial Ball Tournament. June 14 - Fashion Show. June 16 - Retirement honoring Mrs. Kay Clumstad.

Doreen Hill gave a list of the new executive for the 1979 - 80 season. They are as follows: President - Della Nilson, Vice-President - Jack MacKay, Secretary - Faye Lien, Treasurer - Carol Creasy, Historian - Vera McKay, Librarian Rep - Lorna Jackson, Publicity Rep - Lynda Jones, Program Committee - Jean Larson, Judy Fenton, Eva Paxtor, Lunch Committee - Lilly Erickson, sonja Skori and Lillian Copeland.

Elsie McRoberts made a motion that the Home and School have a bakeless bake sale. This will be on June 15 and your children will be bringing notices home from school. Any donations to this sale will be most gratefully appreciated.

Everyone enjoyed coffee while listening to a speech given on tape by Dr. Chase, President of Medicine Hat College.

P.S.S. For Irma

The Co-ordinated Home Care Program will contract with Preventive Social Services to provide support services. The services which we have developed and are available at this time are: Homemaker Service, Meals-On-Wheels and Chore Services - home help and handyman.

Irma's Meals-On-Wheels program was started in early March. The meals are being provided two days a week - on Tuesdays and Fridays.

The Irma Hotel Restaurant has agreed to provide the meals for the program on an experimental basis.

Meals are being delivered by volunteer drivers with Mrs. Alma Enger being the co-ordinator of drivers and the contact person in Irma.

Thanks to Mrs. enger, all volunteer drivers and Mr. Kirkman for making this program possible.

Energy Eater Beaters

MICROSAVING TIPS

- Use the microwave thermometer or temperature probe to prevent overcooking.
- Cover vegetables and casseroles to retain steam. It helps foods cook faster.
- Distribute food evenly in shallow baking dishes. It will cook faster than in deep ones.

For more electricks for use with your appliances, send for the ENERGY CONSERVING COOKBOOK, Box 1900, Calgary, Alberta T2P 2M1

CALGARY POWER

Introducing today's broadleaf herbicide: new Shell Blagal.

This is the broadleaf herbicide you need to control the broadleaves that 2,4-D's have been leaving behind in your crop.

It's also the one you need to get complete control of broadleaves. Because new **Blagal** was specially developed to control today's problem broadleaves. Like thistles, chick weed, hempnettles, corn spurry and buckwheat. It's safe on cereal crops grown in rotation. And it's effective. So make sure new Blagal's working for you.

Irma 4-H Report

Dianne Smith opened the meeting with the 4-H pledge. As the meeting got under way, Bert asked the members if any were interested in raising pheasants, but only a couple were interested.

This year our club decided it was not necessary to make new signs, but those who wish to can.

Our club tour was held on April 7th, followed by a meeting at the Archibald's. The calves are looking very good.

Doug Fischer opened the meeting. Under new business, Bert told us about the Vermilion Fair and a few members were interested in showing their calves.

Our annual highway clean up was held on May 12, with club members cleaning ten miles of highway, from the Jarrow road to the Fenton Ranch corner.

Our next meeting was held at Newtons at 2 p.m. on Sunday, the 27th with Al Fenton doing an excellent grooming and showmanship demonstration. I am sure the younger members as well as the senior members learned a lot.

Our achievement day is to be held on June 13th in the Irma Arena. Weigh-in will be at 8:30 p.m. with judging starting at 11 p.m.

The yearling heifers will be shown followed by the two year olds with calves at foot.

The senior steers will be shown first and then the juniors. The sale will begin at 3 p.m. Everyone welcome.

Club Reporter
Karen Newton

On Thursday morning, May 24, the Irma Kindergarten Class paid a visit to the Bank of Montreal. Pictured is Mrs. Gayle Soucy putting bank stickers on their jackets while Bank Manager Mrs. Gwen Seip looks on. The children enjoyed their tour and were amazed by all the money in the vault. Not many the age of five have had a chance to hold $2,000.00 in their hands.

Operation Identification

In an effort to reduce theft of materials and property from businesses Alberta Solicitor General, in co-operation with the R.C.M.P. and municipal police forces, has launched a commercial aspect of the operation identification program called Operation Provident.

The law enforcement division of the Solicitor General's Department has provided special Operation Identification posters and decals to police departments who are responsible for coordinating the program with in their jurisdiction.

Last year more than $9 million worth of materials and goods were stolen from businesses in Alberta. Construction sites and open warehouse storage areas are often targets for thieves.

A law enforcement spokesman said that proper marking of property discourages thefts as the goods are then more difficult to dispose of and the marking also assists police investigations of stolen property.

Under the program evey business in Alberta that becomes involved will be assigned a number to be marked or engraved on all their property. These are registered with municipal police forces and also the R.C.M.P., who allot blocks of numbers to police departments throughout Alberta. Once a number has been assigned to a business and its property marked a police department anywhere in the world will be able to locate the owner.

A spokesman in the Solicitor General's department said that the initial response from the business community has been overwhelming.

Citizens are also reminded of the Operation Identification program for property in their homes and are urged to contact their local police departments to have their possessions properly marked.

The Pencil Box

A TRIP TO KELOWNA BY CANADIAN NORTHERN

We are having fine weather in Alberta. I decided to spend a week with my son Foster in Kelowna B.C. and go by train to view the beautiful scenery west of Edmonton to Edson and to Jasper when it would be getting dark. I never tire of evergreens as I grew up in North Dakota and Saskatchewan where you enjoy the far-off horizon.

I went to the station to make arrangements for the train to stop and get a day recliner seat. The agent said, "You better get your ticket and leave your luggage the day before as there is no Night-man and I will not be here until eight in the morning. The train arrives at 4:15 in the morning. "I packed my suitcase and sent it to the station." Paid for a one way ticket. No reclining chair available. Mr Harrison at the lodge said, "You're not going to walk down to the station at that hour in the morning. Give me a call and I'll drive you down." I borrowed Mr. Colter's alarm clock and set it for three A.M.

I awakened when the alarm rang, drank a glass of milk. Made my room tidy and myself carefully groomed. Hung the black bag of fruit and lunch over my shoulder. Called Mr. Harrison and placed the alarm clock on Mr. Cotter's breakfast table.

In a twinkling I heard the motor start and hurried from the Lodge into the morning air of a glorious morning. We were away to the station early. The waiting room was comfortable but silent, not a sound or move anywhere. Finally the seats seemed hard. I got up and walked the floor, looked and listened. No sound. No train, no lights in the east. I ate a banana and repeated the nursery rhymns that I remembered from childhood when I heard a rumble. There was a light in the east. I grabbed my luggage, stepped out on the platform to watch a tiny freight train go by.

At eight a voice from the wicket called, "Ha, ha, you missed the train." I answered, "No, it hasn't come yet." He phoned and said, "It will not be here until nine fifteen. Run over to the restaurant and get your breakfast."

I boarded the train at 9:15 that morning. It stopped one hour at Edmonton and a half hour at Edson. The train was off schedule and it pulled to the siding to let other trains pass. The night closed in. Passengers were uneasy and noisy. No one could rest and the train clashed on throught the night, reaching Kamloops at 2 a.m. The bus for Kelowna had gone. I asked the agent about the bus. He said, "You wouldn't expect the bus to wait until this time? Sit down and we'll take care of you." I got a cup of hot cocoa and sat down, comfortable but not in mind.

Soon I felt a tap on my shoulder. "Your taxi is ready." The agent called us to the wicket. "There will be someone looking for you at Kelowna. We better give them a call. Have you the number?" Soon I heard Foster's voice. "Yes, we just got back from the bus depot." The agent replied. "We'll take care of your mother and she will be in Kelowna at 12:30." He gave the taxi driver a pink card and gave some to me.

The taxi took me to the Stockmen's Hotel where a girl showed me to a large room with a phone and she said "I'll call you at seven. Come down for breakfast." The room was nicely furnished. In the bath there were towels and perfumery soap I thought of Uncle Josh of old photograph days when he went to New York as a farmer's delegate., and smelt the perfumery soap in his bath room. "Oh how I wished it was Saturday night." Well I enjoyed it all, 'though Friday and slept in the comfortable bed until the phone rang at seven.

I went to the breakfast room with my suit case and ate a breakfast of cereal and toast, took a twenty dollar bill from my purse to pay for room and meal. The girl at the office said, "You don't have to pay. Sign this." I signed a slip of paper stating I had slept and breakfasted at the Stockman's Hotel.

Three cheers for The Canadian Northern. They paid for all my inconveniences caused by the late train. I was an old woman over eighty, travelling alone landed in a strange town in a strange province and treated like a queen by the people of the C.N. Who could ask for better service?

The girls phoned the taxi. I gave him the pink card. The bus was on time and I was soon on my way to Kelowna on a beautiful day and watched the lakes, hills and trees go by. We stopped at Vernon for lunch, the north end of the Okanagan Lake and I stepped from the bus at Kelowna to find Foster waiting. I was tired but enjoyed my new experience in travelling.

I spent a week viewing the country and shopping in the many shops and I went to Edmonton by plane and back to Viking by bus.

By Amy Suddaby

New Crop Development Fund Project Approved

Agriculture Minister Eugene Whelan announced on May 16th that the New Crop Development Fund is assisting a project to study the effect of fertilizer on yield and protein content of selected winter and spring wheats grown on the Prairies

The project involves two parallel studies with wheat farmers in Saskatchewan and Alberta participating. One study will analyze yield and protein response of winter wheat to fertilizer. The second will examine the response of utility and hard red wheats to fertilizer.

The winter wheat study involves seven farmers growing two varieties of winter wheat-Norstar and either Sundance or Winalta. The spring wheat study will involve 30 farmers growing Glenlea and a variety of hard red spring wheat of the farmers' choice.

All wheat varieties will be grown on summerfallow and stubble fields as near to each other as possible. The fields will be fertilized at soil - test - recommendation levels for the summerfallow plots and with an additional 30 per cent for stubble plots.

The project, being carried out by the Palliser Wheat Growers' Association, of Regina, Sask., will receive $39,967 from the Agriculture Canada fund. The payment represents one-half of the cost of the project, which is designed to increase knowledge of protein and yield relationships for winter and spring wheats at different levels of fertilization in the major soil zones. The information will help farmers make decisions concerning production and management of the various wheats.

Echo-Rodino Report

The Bob Williams family travelled to a campsite south on highway 21 where they met the Mannington family of Calgary for the weekend. Nerine Hunter returned home with them from her holiday in Calgary and B.C.

Mr. and Mrs. Wes Bauer and family, Mr. and Mrs. Robert Greenwood and Lori and Mr. and Mrs. Bruce Greenwood and Harold travelled to Blackfoot to take in the wedding dance of Mr. and Mrs. Glen McAllister of Lloydminster.

Tom, Maxine and Kelly spent the weekend in Lloydminster to attend the wedding of Trudy, Maxine's daughter. Betty Greenwood also accompanied them.

Maxine has her granddaughter Tanya spending a couple of weeks with her.

Mr. and Mrs. George Forester and George's mother Mrs. Forester of Looma, visited with the Mackowsky's over the weekend.

Mr. and Mrs. Sid Pavely of Red Deer returned home after spending two weeks with Mr. and Mrs. Phil Holt.

Saturday the Irma School Auditorium was the scene of a piano recital for Mrs. Copeland's students. Performing from this area was Mary Ann Holt.

"Store-To-Your-Door"

the great new way to purchase carpeting

- Our "Store-To-Your-Door" mobile showroom brings 1600 carpet samples to your front door . . . rich plush and sculptured piles, deep shags, axminsters, hard twists, high loops, kitchen carpet and synthetic grasses.
- Pastel shades, luscious decorator colors, deep dark hues, multi-colors and patterns. There are for instance, 44 different shades and tones of gold in our huge selection. If gold's your choice, there'll be no costly color mistakes if you can try a number of gold shades with your furnishings.
- Large volume warehousing allows us to sell at surprisingly reasonable prices. You are sure to find the floor covering you want in a comfortable price range for your budget.
- There is no extra cost for our "Store-To-Your-Door" service . . . and there's no obligation for the privilege of looking at these floor coverings in your home.
- EXPERT INSTALLATION. Your new floor covering will be installed by our well trained and long experienced installation crews . . . real professionals in their field. Their work is fully guaranteed. But if you wish to do the work yourself, we'll deliver your carpet ready for installation.

Town & Country Floor Coverings

Create the inviting allure of spaciousness and elegance with this carpet. It's luxuriant and deep and at a $4.00 a sq. yd. saving.

OMBRE —a 34 oz. nylon carpet on jute back. A subtle sculptured cut and loop carpet for your living room. We have it in 14 different colours.

The reason it is priced so low is that we made a special buy of over 2500 sq. yds. Regularly this carpet would sell for $22.95 sq. yd. but because we bought such a big order we can sell it to you for only $18.95 sq. yd.

AND WE GUARANTEE THAT THIS IS THE LOWEST PRICE IN ALL OF ALBERTA. If you find the same carpet somewhere else for a lower price within the next year, we will refund you the difference.

$18.95 sq. yd.

Bruce Square Dance News

During the most of April, the Swinging Beaver Club was busy. We were fortunate to have a number of visitors to our April dances. They came from Clandonald, St. Paul, Wainwright and Edmonton. Our wind-up dance was April 23. The 1978-79 season has been very successful and we look forward to our next year's program.

The slate of officers remained the same, with the exception of the lunch convenor, Sandra Petrie and Donna Brooks offered to take over that job.

We had several invitations to the wind-up dances from the different clubs. On April 21, 26 of our group travelled to Stettler to their closing dance. We had a marvelous time and we all enjoyed visiting with Mary and Bob Guevin, who are settled in that area.

On April 28, the Wainwright Square Dance Club hosted the end of the season Jamboree, and are to be congratulated on a well organized afternoon and evening, which also included a sumptuous banquet. John Ross, square dance caller from Cold Lake was a very capable M.C. for the occasion. There were eight callers during the afternoon and evening. Approximately 250 people attended. With the many clubs represented from the surrounding areas, and most of them having club colors, it was a very colorful gathering and a very enjoyable afternoon and evening.

On April 30th, our club was invited to entertain at the Bethany Nursing Home in Camrose. Twenty eight dancers and our caller Allan Zwierschke arrived about 7:30 p.m. and danced until 9 p.m. The staff served us a lovely lunch after the dancing and we visited with some of the people living in the home.

From the nursing home we followed the leader and ended up at Peter and Ona Vandersluis' home in Camrose. A surprise birthday party had been arranged for our President Brian Westmancoat. We square danced on the lawn then gathered in the house and Ona served a most delicious supper. It was a lovely evening.

The committee had been busy on our schedule for next year, also planning to decorate a float to enter in the various parades around the area.

We hope to have as good a season as last year in 1979-80. Will see you all there [illegible] Fall.

1979 Holden Graduation Held

Graduation exercises were held in honor of 30 grade twelve students on the evening of Saturday, May 26th. The 1979 Holden Graduands were [Back Row, left to right] Marcel Zeeuuk, Leonard Kowalilak, Neil Dewart, Harvey Hanchuk, Neil Shihinski, Alden Steinwyn, Kevin McCloy, Ken Mackenzie, Wayne Ogrodnick; [Centre Row, left to right] Wade Komarnisky, Elaine Halabut, Sharon Foster, Leanne Rurka, Cathy Lemke, Holly Teed, Betty Kawalilak, Debbie Kolm, Bernadette Jober, David Tkaczyk; [Front Row, left to right] Karen Chupka, Lois Leaheski, Barbara Schultz, Sonia Yarema, Diane Pranek, Nancy Chamberlain, Diane Flynn, Tina Malick, and Teresa Marko. Missing from the picture are Garry Shimko and Roger Skyba.

With the theme of "New Horizons", Holden High School held their 1979 Graduation Exercises on Saturday evening the 26th of May.

Vincent Hrabec began the proceedings by introducing himself as the Master of Ceremonies and requesting that the Rev. J. McKinstry of the Evangelical Church say grace.

A toast to the Queen was made by Karen Chupka, after which Councillor J. E. Stambaugh brought greetings from the Village of Holden. The assembly was then served a splendid meal by the ladies of the Royal Purple.

After dinner the following toasts were made: To the Board of Education - Wade Komarnisky. Reply - Nestor Semotiuk. To the Parents - Leanne Rurka. Reply - John Rurka. To the Teachers - Wayne Ogrodnick. Reply - Lyle Andrusky. To the Graduands - Beatrice Fredericks. Reply - Holly Teed.

The banquet being thus ended, the proceedings now centered on the Graduation Exercises. Tetsu Tsukamoto provided entertainment on the piano, whilst the crowd assembled to await the entry of the Graduands. The Processional, to the song "New Horizons", by the Moody Blues, was announced by Chairman Oleh Skykora, and the Graduands made their entrance, walking down centre-hall and assembling on stage.

Valerie Steinwand, accompanied by Tetsu Tsukamoto on the piano sang "O Canada" and Rev. J. McKinstry provided the invocation.

Head table guests were introduced by chairman Shykora and the theme poem "Life is a Road" by Joan Kerber was read by Teresa Marko. Entertainment was then provided by Valerie Steinwand, again accompanied by Tetsu Tsukamoto on the piano.

Elizabeth Kawalilak was invited to deliver the Valedictory address. This was followed by the main address of the evening by guest speaker Joseph Fornal, a Holden Senior High School Teacher.

Before the awards ceremony, further entertainment was provided by the Rev. David Moddie and Garry Vergette, with a medley of Fold and Blue-Grass music on the guitar and banjo.

Awards were then presented as follows: County of Beaver Award to the 1979 Graduating Class - two framed art prints presented by Nestor Semotiuk to Teresa Marko. The prints will be hung in the Holden School.

Matriculation Awards: By the Alberta Teacher Association Beaver Local to the student with the highest marks in the Matriculation Programme - presented by Lyle Andrusky to Elizabeth Kawalilak, with an average of 89 percent. A presentation was made by the Order of the Royal Purple to the student with the second highest marks in the Matriculation Programme - presented by Eleanor Ogrenski to Barbara Schultz, with an average of 79 percent.

General Student Awards: By community organizations comprising of Holden and District Agricultural Society Holden and District Chamber of Commerce; Holden High School Students' Union; National Farmers Union; Royal Canadian Legion Holden #56; to the student with the highest average marks in the General Programme - presented by Anne Motkoski to Neil Shihinaki with an average of 71 percent.

Award For the Student who Contributed Most to School Spirit: By the B.P.O Elks presented by Ben Lutz jointly to Elizabeth Kawalilak and Leanne Rurka.

Award For Outstanding Citizenship: By the Holden High School Reunion Classes 1950-60. The presentation was handled by Calvin Story to Bernadette Jober.

Supervisor of Instruction for the County of Beaver #9, Don Kondrat, then addressed the Graduands. The Graduands introduced themselves, and their future plans, to the Assembly before receiving Scrolls, from Principal Oleh Shykora, and Plaques from Vincent Hrabec, President of the Students' Union.

A very successful evening was then brought to a close with the singing of "God Save the Queen".

Nina Chapter Celebrates 25th Anniversary

Viking United Church Education Centre was filled to capacity on the evening of April 30th when Viking's Nina Chapter of Eastern Star celebrated the 25th Anniversary of its institution.

Tables were tastefully decorated with flower arrangements. Ionic Chapter of Tofield and Connaught Lodge of Viking presented Nina Chapter with bouquets.

The Viking Chapter Order of Eastern Star was instituted on February 20, 1954 and was given the name Nina in memory of Mrs. Nina Rollans who had been a dedicated member of Tofield Order of Eastern Star and was interested in having a chapter formed in Viking.

All former members of Nina Chapter had been invited and several were present. Members of Connaught Lodge and their wives were in attendance. There were 14 chapters from surrounding areas represented at the function.

A short but lively programme followed. In a very impressive ceremony, a candle was lighted for each matron and patron who had presided over the past twenty five years. The Charter members were honoured with twenty-five year pins. They were Edith Burnham, Edna Roddick, Jack Roddick, Wm. Comisarow, Sophie Comisarow, Cassie McIntyre, Lloyd McIntyre and Myrtle (Loades) Monaghan.

Candlelighting Ceremony at the 25th Anniversary of the Order of the Eastern Star - Standing [left to right] Mrs. Hilda Gilpin, Mrs. Dorothy Caldwell, Mrs Mildred Robinson, Mrs. Thelma Hansen and Mrs. Polly Large.

Worthy Matron and Worthy Patron, Mr. and Mrs. Ken Bird, welcomed the guests. Mr. Bill Comisarow proposed a toast to Nina Chapter and reminisced about the cold winter rides to Sedgewick and Killam to meetings before our Chapter was organized. Edna Roddick graciously responded.

Mr. Bert Large brought greetings from Connaught. Mrs. Comisarow, our first Worthy Matron, spoke briefly on the privilege of serving in the highest office within our chapter.

Numerous guests brought congratulations and good wishes from their home chapters and expressed delight at being included on this memorable occasion.

The highlight of the programme was the delightful music provided throughout the evening by Mrs. Louis Merta on her electric organ.

Nina Chapter members arranged a bountiful lunch table centred with a large fruit platter and birthday cake, flanked by bouquets of flowers. The cake, make and attractively decorated by Mrs. Larry Merta, featured our symbolic star and 25th Anniversary record. The fruit plate was the artistic work of Mrs. Myrtle Ronaghan.

Mrs. A. Burnham and Mrs. M. Robinson poured. A fine fellowship hour brought the evening to a close, during which old acquaintances were renewed and pleasantries exchanged.

Boat Safety Check

There is a myth presently with us which states that water skiers have the right of way over all other vessels. The rules of right of ways on water apply to water skiers as well as other boaters. Simply stated, you must yield to any vessel in your danger zone (the right) and any non-powered vessel. Water skiers must have an observer in the ski boat and cannot water ski from 1 hour after sunset to sunrise. It is recommended that in congested water, the observer carry a red flag which is held up when the skier falls. This signals other boats that there is a skier in the water.

Another flag to watch for is the diver flag. This flag is red in color and has a white diagonal. This indicates a diver is below and all boats should keep clear.

Did You Know?

The County of Beaver has a Further Education office located in the County Office in Ryley?

We offer information on all types of correspondence courses plus requirements for many types of Employment Opportunities.

We also have a special catalogue for people who have not completed their Education but would like to seek training in such fields as Auto Body Mechanic, Aviation, Construction Technology etc. Several Courses may be completed in one year or less such as Accounting, Bookkeeper, etc.

If you are interested in obtaining any information on Adult Education, please phone the County of Beaver 663-3730 Tues. or Thurs. 10 am - 4pm.

M.L.A. Report

It has been some time since my last report to you. On April 26th I had open heart surgery to correct a blockage. The operation was called a triple by-pass. My recovery has been good, although for a time my activities will be restricted.

The 19th Alberta Legislature opened for its first session on May 24th. The Lieutenant-Governor, The Honorable Ralph G. Steinhauer, delivered the speech from the throne. The main thrust of the throne speech was dealing with programs as put forward during the election campaign.

The six priorities are as follows:

Economic Development - Continuing to provide job opportunities to Albertans through a vigorous policy of economic growth and development. a new Department of Economic Development to coordinate and promote initiative and enterprise in business, transportation and agricultural processing - will maintain and strengthen Alberta's leadership in advancing Canada's economic expansion.

Hospitals - Alberta's significant commitment to hospital construction, amounting to present and forecast expenditures of over $750 million for hospitals and nursing homes, will be maintained and further substantial appropriations of funds will be recommended during this Session of the Legislature. The objective is a multi-year plan to respond, on a staged basis, to needs and up-grading requirements throughout the province.

Handicapped Citizens - The interest and concern of Albertans for needs of our handicapped citizens will be reflected and re-emphasized through the expansion of existing programs and by the introduction of a number of new approaches, sustaining Alberta's position at the forefront in Canada in services for the handicapped.

Agriculture - The importance of agriculture as one of Alberta's two base industries will be reflected by further actions to advance interests of Alberta farmers in both domestic and export markets. Particular attention will be paid to the vital concern of the inadequate grain handling and transportation system in Canada.

Housing - In recognition of the continued housing needs for Albertans in our expanding province, substantial funds will be requested from the Assembly to support important new initiatives under the Alberta Family Home Purchase Program and other key programs.

The year 1979 has special significance throughout the world as it marks the Twentieth Anniversary of the United Nations Declaration of the Rights of the Child. In keeping with the spirit of the resolution of the United Nations General Assembly declaring 1979 the International Year of the Child, my government will make a number of proposals in education and other areas for special programs to bring significant benefits to children in the province.

Education - The program includes: Expansion of the Learning Disabilities Fund.

Implementation of the School Building Quality Restoration Program.

- Improvement in services at the Alberta School for the Deaf.

- A junior high school component added to the Educational Opportunity Fund for programs aimed at improving attendance and reducing drop-out rates.

- A new program unit to enhance significantly the assistance available for dependent handicapped and multi-handicapped children.

Initial steps to plan a facility designed for multi-handicapped deaf and blind children.

- Extended small school jurisdiction grants to assure greater equalization of educational opportunity in school jurisdiction with fewer than 1,500 students.

Hospitals and Medical Care - Construction is continuing on three major health care referral centres financed through the Alberta Heritage Savings Trust Fund.

The Alberta Health Sciences Centre in Edmonton, which will provide the related functions of patient care, health research, health education, will be completed [illegible].

The Calgary Children's Hospital, specializing in diagnostic assessment and treatment of children will be completed by the summer of 1980.

The Southern Alberta Cancer Centre and Auxiliary Specialty Services Facility, to include cancer treatment and diagnostic services, auxiliary hospital beds, provincial laboratory, nuclear medicine, diagnostic radiology and support services, is scheduled for completion in early 1981.

Funds have also been made available from the Alberta Heritage Savings Trust Fund for special cancer and heart research programs in Edmonton and Calgary. The programs include evaluation, catheterization laboratories, out-patient rehabilitation, cardiovascular surgery, pediatric cardiology, and intensive care units for coronary patients.

The government's pledge to provide to municipalities a $500.00 per capita grant for debt retirement will be implemented as soon as possible in the session.

The throne speech re-emphasized the importance of the Apprenticeship and Trade Certification program. Over 3,400 people graduated with journeyman status in 26 trade areas in 1978.

Registered apprentices last year totalled almost 20,000 with over 7,000 new entrants.

A similar number of new apprentices is expected in 1979. To allow greater opportunity for those interested in this program, the decentralization of apprenticeship training locations commenced in 1978, will continue this year.

If you wish to contact me, my phone number in Edmonton will be 429-4631. Please phone person to person, collect.

Tom Lyons
M.L.A.

"Know Before You Go"

Alberta Recreation and Parks and Travel Alberta have joined forces this summer in a program to relay park information to park users.

Information on Alberta's 53 Provincial Parks will be as near as your phone with the new "Know Before You Go" information service.

Those intending to travel to one of the Provincial Parks need only phone the toll-free "Stamp Around Alberta" number, which is 1-800-222-6501. Through this call they can obtain camping and picnic area occupancy expectations, park and road conditions and what special events are expected at their favorite park

The "Know Before You Go" phone line will be in operation 9 a.m. to 9 p.m. daily, May 17 to October 15.

Viking School Robbed

A break-in at the Viking School during the early morning hours of Thursday, May 24, netted thieves roughly $500 in cash and cheques from two locations in the building.

The thieves apparently gained entry through a window in a room in the Junior High wing of the school. By forcing the lock on the office doors, the thieves entered the main office area. Once inside the office, the drawer in a filing cabinet containing school money was pried open and a number of cheques and a large amount of cash was taken. The thieves also broke into a filing cabinet in the art room which netted them a small amount of money.

Damage during the break-in was confined to the filing cabinets. The limited activities of the thieves have led police to suspect that the thieves had prior knowledge of the money. Corporal Byron McKenzie of the Identification Section of the R.C.M.P. "dusted" the area for prints and was successful in finding matching prints on both cabinets. Local members of the R.C.M.P. are continuing their investigation.

Following the break-in at the Viking School, Cpl. Byron Simpson of St. Paul Detachment, dusts for fingerprints. Cpl. Lyle Anderson of Viking assisted.

Wilson Singers at Final Concert

June 14th offers a rare occasion for Viking and community to witness a fine musical production entitled "A Musical Fantasy".

The Bob Wilson Singers (Rosalind High School Chorale) will be special guest artists. This talented singing group is in its fourth year and have been provincial contenders for the past three years.

This is an award winning choir of high calibre as evidence by their many tours, concerts and recordings. Recently the choir completed a workshop for the Central East Teachers' Convention in March of this year.

The director, Robert Wilson, is agraduate of the University of Montana and has sung and played professionally in the United States and overseas for six years before coming to Rosalind.

Also on the show will be performances by the Viking School Elementary Choir, Grades seven, eight & nine bands, Viking-Holden Community Stage Band, Timothy Bridge - featuring Leander Kroetsch and the Flagstaff Community Band.

A special highlight of the evening will be a drum duel between Doug Grovet of Galahad and Larry Pederson of Ryley.

A Music Fantasy is scheduled for the Viking Community Hall on June 14th at 8:00 p.m.

Plastic Mulches for Vegetables

Polyethylene plastic, either clear or black, is used as a mulch by some home garden vegetable growers to conserve moisture and to promote more rapid plant growth in areas of Alberta that have heavy soils, cool temperatures, a short growing season or a low rainfall.

According to Alberta Agriculture's horticultural specialist, Chris Campbell, the black plastic is more durable than the clear plastic and has the added advantage of controlling weed growth, but the clear plastic is more effective for increasing soil temperatures. A thickness of 1.5 to 2 mil should be satisfactory for either the black or the clear plastic. The width will depend upon the width between the rows and whether or not total ground cover is desired. Polyethylene plastic comes in widths of 18 inches and wider.

Mr. Campbell says plastic mulches can be used before seeding or transplanting, after seeding but before the seeds have emerged and after transplanting.

When used before seeding or transplanting, the plastic is laid along the row, holes are cut at the desired intervals and the seeds or transplants are inserted into the soil through holes.

When used after seeding, but before the seedlings emerge, the plastic is placed over the seeded row and diagonal slits are made at desired intervals over the buried seeds.

When clear plastic it is possible to lay it over a seeded row and to cut the slits when the seedlings emerge. The slits should be made as soon as the seedlings emerge to prevent them from being damaged by too much heat.

When using any type of plastic mulch, it is very important to anchor the edges and ends of the plastic with a good covering of soil to prevent it from being lifted by the wind. It should be left in place until the crop has been harvested at which time it may be taken up for use another year. It should never be cultivated into the soil.

Class of '79 Honored in Viking

Viking School Graduating Class of 1979 - [Front Row - left to right] Anita Thomas, Theresa Plec, Ruth MacDonald, Delores Sevcik, Sharen Kadatz, Becky Arychuk, Jule Makar, Linda Gehr, Brenda Sauers, and Debbie Mazsakowski. [Back Row - left to right] Barry Kolenosky, Rod Mattineau, Bill Gibb, Doyle Winczura, Darrel Maxwell, Daryl Meinyk, Bill McLean, Rod Arychuk, Reg Stefanisyzn, Gordon Otto, Dean Maxwell, Curtis Wilkie, Randy Brewer, Eric Garvie and Gordon McKie. Missing from the photo is Sharon Rollinson.
Staff Photo

Graduation ceremonies at the Viking School were held on Saturday, May 26, in the Community Hall. Forty grade twelve students participated in the evening's activities which signified their completion of requirements for a High School Diploma.

The activities began with a banquet at 6 p.m. with Mr. Fred Nordstrom acting as M.C. Mr. Nordstrom introduced the head table which included Pastor and Mrs. Larry Koop, Mr. and Mrs. Ken Midbo, Mr. and Mrs. Julius Hanson, Mrs. Fred Nordstrom, Mr. and Mrs. Dennis Watson, Mrs. Hjordis Armitage and Mr. and Mrs. Dickson Morris.

Upon completion of the meal, Mr. Nordstrom led a toast to the Queen. Reg Stefanisyzn, President of the Graduating Class, proposed a toast to the Board of Education of the County of Beaver. This was replied to by Councillor Gordon Maxwell.

Doyle Winczura then made a toast to the teachers, both past and present which was replied to by Vice-Principal Earl Kindley. Next, Randy Brower proposed a toast to the parents of the Graduands. Mrs. Ileen Brower replied to the toast on behalf of all of the parents.

The final toast of the banquet was made by Mr. Jim Jepson to the Graduation Class of '79. This toast was replied to by Karen Overbo. Mr. Nordstrom concluded the banquet section of the graduation ceremonies.

The graduation exercises got underway shortly after 8 p.m. M.C. Dick Morris announced the Processional and all graduands moved onto the stage to music provided by the Community Stage Band. Following "O Canada" the Invocation was delivered by Pastor Koop.

Mr. Dennis Watson next provided the Principal's Message, followed by Deputy Mayor Ken Midbo bringing greetings from the Town of Viking. Mrs. Hjordis Armitage represented the Board of Education of the County of Beaver and, after a short address, presented a painting by Gertjan Zwiggelaar to Class President Reg Stefanisyzn on behalf of the Board.

Brenda Rauser and Bill Gibb, class historians, provided highlights of the 12 years which these graduands had spent in Viking School. Marilyn Ruzicka then provided the Valedictorian's Address which noted the many influences in the lives of the grads during their first school years.

The Future Plans of the Graduands were given by Sally Loveseth and Daryl Meinyk. This was followed by the singing of "Do You Know Where You're Going To?, the theme of the graduation, by Pam and Brenda Rauser, accompanied at the piano by Andrea Toverud.

The M.C. then introduced the Guest Speaker for the evening, Mrs. Marjorie Hanson, former junior high school teacher of the graduands. Mrs. Hanson emphasized the importance of people setting goals throughout their lives.

Following Mrs. Hanson's address, Mr. Dennis Watson read out the name of each graduand and Mr. Earl Kindley presented each student with a certificate of graduation. The exercises concluded with the singing of "God Save the Queen".

Following the exercises, a graduation dance with music by the "Strumalongs" was enjoyed by a large number of graduands, parents and friends.

The "Gethsemane" Experience

By Onesimus

The week leading up the Crucifixion of Jesus was a very busy one. All of Jewish society seemed to be fascinated by Jesus - from His enemies, the priests and pharisees, to the many ordinary people. If you read Mark's Gospel, chapters 11 to 15, you get a feeling of breathlessness as you try to take in the amount of work of healing, teaching and preaching that our Lord accomplished during that short period of time.

The most striking few hours, I have found, in that busy week were those that Jesus spent in the Garden of Gethsemane when He was almost totally alone and at His "lowest". He was contemplating the upcoming crucifixion and the horror of the realisation that He was at last coming to such an experience, almost overwhelmed Him. "Father, is it wheimed Him. "Father, if it be possible, take this Cup from Me". He understood what awful physical and spiritual agony He would be going through and how He would be enduring it all, alone.

His disciples tried to understand - perhaps! They fell asleep as Jesus was praying for them and enduring His Agony alone! "Could you not watch with Me, on you not watch with Me, one brief Hour?" Even human friendship and understanding were failing Him in His hour of need!

At times in our lives we experience unpleasant and unhappy periods of discouragement, illness, loneliness and the like. Nobody seems to care or understand why we are in such sad conditions and it might seem that other people think of us as someone to avoid. If as Christians we decide to take a certain position or point of view, or if we seem to be 'unsociable' because our way of life is not that of the majority, we can experience a sense of rejection by our fellow humans. At such times a person may feel insecure, possible unloved and uncared for, so that any show of interest or concern is like finding an oasis in the Sahara Desert of life.

Our Lord would dearly have loved any human companionship during His dark Gethsemane experience. As His sweat appeared "as great drops of blood", an angel came and supported Him in His Agony, which Him in His Agony, while His Disciples slept in their tired-ness. Jesus shows us His True Humanity in this and all He endured and experienced, while He live on this earth, "for us and our salvation".

If we call ourselves Christian, or even imagine we might be, we should remember His Agony and torment on our behalf, and then look at His Teaching concerning other people in similar unfortunate positions of misery. Matthew's Gospel, chapter 25, has much of our Lord's Teaching on our responsibilities at such times and I will be dealing with some aspects of this next time.

Former Viking Resident Passes

Mrs. Perry Dillane, a one time resident of Viking, passed away May 22, 1979 at Oberlin, Kansas. Funeral services were held at the Lutheran Church, Oberlin, Kansas on May 26, 1979.

She is survived by her lowing husband, Perry, 3 daughters and one son, as well as 12 grandchildren and 7 great grandchildren.

The Dillane's met and were united in marriage during the troubled years of World War I. The Dillane's settled in the Viking area where Mrs. Dillane, as a "war bride" happily adjusted to the many unaccustomed tasks of pioneer life.

Mrs. Dillane lived here until the family moved to San Diego, California.

Be Careful With your Ideals

A psychologist has written about what he calls the I-F-D sequence--from Idealism to Frustration to Demoralization. That, he says, is the almost inevitable consequence of embracing great ideals and then failing to express them in practical ways.

Idealism, of course, is one of our most valuable moral resources. God help us when we no longer embrace great ideals! God save us when our young men and young women no longer have visions of better things ahead!

But some idealism does lead to frustration and demoralization and can land a person in the bogs of cynicism, which generally comes when one's ideals go sour.

There are two main varieties of idealism. One can be called "authentic 'idealism." this kind motivates creative action, stimulates effort, inspires commitment and compassion.

But there is another kind, the kind discussed by the English psychiatrist, Anthony Storr, in his book, "The Integrity of Personality." Dr. Storr says that many of us indulge in what he calls "phantom ideals," ideals which "arouse our ardour without affecting our behaviour." It is these phantom ideals that trigger the I-F-D mechanism and lead us into disillusionment and cynicism.

Ideals which are not geared to life's realities are silly things, pretentious things, fruitless things--mere phantoms. The late Lionel Trilling, a New York literary critic, said this of the English author, Matthew Arnold: "He steered his course both by the compass and by the stars." The fulfilled life depends on both the stars of idealism and the compass of practicality.

Glancing back throught the long corridors of history, the late Arnold Toynbee, the great historian, expressed a fundamental principle of life in these words: "Apathy can only be overcome by enthusiasm, and enthusiasm can only be aroused by two things: first, an ideal which takes the imagination by storm, and second, a definite intelligible plan for carrying that ideal into practice."

Our ideals have authenticity only to the extent that we strive and struggle to be very practical about them.

Dale Amundson of Viking and Brenda Hlushy of Daysland were united in marriage at the Golden Valley Lutheran Church, Viking on Saturday, May 19th, 1979. **Photo Courtesy Wesley Photos**

Do You Know The Bible Says

Acts 9:11

For, behold he prayeth. De people know that you are a person of prayer? Our prayer life proves our dependence upon God. If we are self reliant we are not dependent upon God. The scripture says, seek first the kingdom of God, meaning all things that concern us in our daily lives. It also says, Commit thy ways unto the Lord, and lean not on thine own understanding. Too many prayers are said to impress men, to exalt self. True prayer is first of all a recognition that we owe everything to God. This is the element of worship. Secondly there should be an expression of gratitude to God for His blessings. This is the element of praise. Only after this comes the element of petition. Many people pray only when they find themselves in desperate circumstances, petitioning God for help. These are selfish give-me's. One who makes prayer a daily habit in their lives will naturally seek Him in desperate times as well as times when everything is going well. Yesterday a lady laid her purse down in an Edmonton store where literally 100's of people were filing by counters looking at merchandise that was on sale. She didn't miss it until she was on the next floor up. Her heart was stabbed with grief as she noticed she didn't have it,as it contained $80.00. She breathed a prayer to God in real ernestness and went back to where she had been. It wasn't there, but the cashier asked her if she had lost her purse-then told her it was in the lost and found department. She thanked God right there for answered prayer.

Parkland Nursing Home News

Greetings to Mrs. Clegg and Mrs. Overby..both are patients in the hospital.

Fred Cotter and Emma Reger from Viskta walked over to visit with their many friends.

Honey Curtis and Mabel Robson of Stromo called on Mr. Angus and Mr. Auburn.

Calling on Mr. Kendrick were Charlie and Dorothy Lane from Sedgewick.

Mrs. Pryor enjoyed a visit with Mrs. Charles McCorvien and Suanne and Mrs. Vivian Wilkinson all of Edmonton.

Mr. Murray had a surprise visit from Margaret Scott-Stuchmer of Leduc and Jenny Scott - Elliot of Sherwood Park.

Mrs. Annie Tchir, Dianne and Irene Pasnak from Holden called on Pearl Tchir, Mary Pasnak and Pearl Kawaliuk.

Mr. Ritland visited with Ernie and Olive Good of Holden, the Danilak family from Leduc and Dave, Dorothy and Colby Good of Edmonton.

The Hrdlicka family from Daysland visited with grandpa Hrdlicka.

Visiting with Mrs. Mae Pryor were her friends May and Carl Marie of Edmonton.

Mr. Finsemore had an afternoon visit with Edna and Eleanor McLachlan.

Miss Klatt visited with Mr. and Mrs. R. Berndt and family from Edmonton.

Mr. and Mrs. Peter Swansen of Penticton called on mother Swanson.

Calling on Mr. Angus were Albert and Mary Schick of Burnstall, Saskatchewan.

Mr. Murray enjoyed a chat with Jean and Gordon Meakins.

On May 20, the Lutheran Sunday School class treated us with songs. Thank you very much.

The Rosegariand W.I. hosted our May birthday party. For the entertainment the grade one class sang a few songs and played some tunes on their records. A big thank you to the W.I. members, Mrs. Irene Hafso, Mr. Norris and especially the kids. We all enjoyed it. those celebrating birthdays in May were Serudia Lundberg, Alice Overby, John Earp and Billy Boksan.

On Monday a few of us braved the cold wind to attend the sod turning ceremony. We have been watching all the construction activities from our rooms and are looking forward to opening day.

Mrs. Ward spent the weekend in Holden at her daughter's home and attended the graduation of her granddaughter.

Everyone at Parkland wishes to say "good-bye" to Mrs. Gabriel who is presently in the hospital.

A big thanks to everyone who has donated magazines.

Last Thursday we had two movies - "The Railroader" with Buster Keaton which was very amusing and "I Know an Old Lady Who Swallowed a Fly", which brought a few chuckles. Everyone looks forward to Thursday afternoons - movie day.

Help Your Child Learn - In The Kitchen

The rolling pin is a good two-handled activity. Let the children crush the graham wafers in a paper bag, and make a graham cracker crust.

Cookie cutters of circles, squares, and triangles furnish an excellent lesson in form perception.

Other various movements - hulling strawberries, snapping beans, peeling potatoes and carrots, stirring, beating, slicing, grating, etc.

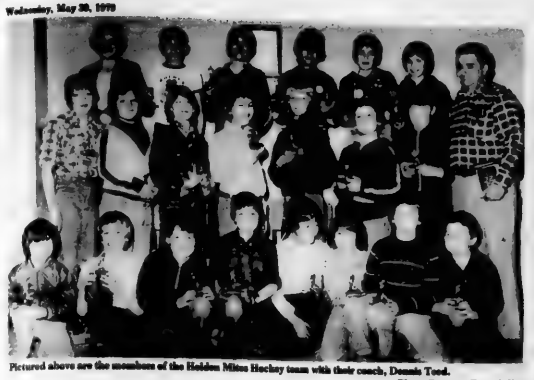
Pouring - practice with beans or rice and graduate to liquids.

Language development with such terms as hulling, dicing, stirring, beating, greasy, liquid, lukewarm, etc.

Developing awareness of sequence, order and system can be done in the kitchen. (Teach a recipe and divide in steps.) Attention span is greater for a child making fudge, and repetition is not necessary in the things taught.

Elementary lesson in chemistry and physics - water boils, ice melts, yeast rises, etc.

(Taken from C.A.C.L.D. newsletter)



Pictured above are the members of the Holden Minor Hockey team with their coach, Dennis Tood.

Holden Beef Club Holds Field Day

The Holden 4-H Beef club held a field day with a market steer judging practice at the farm of Walter Lutz in the afternoon of May 20. Following a short meeting at which Achievement Day plans were finalized, Allan Zwiewchuk spoke to members about judging and demonstrated some grooming tips. Members then judged the class of four market steers and gave oral and written reasons. The afternoon concluded with a weiner roast and picnic lunch for members and the rest of their families. Achievement Day and Sale will be on Wednesday, June 6. Weigh-in will be at 9:00 a.m. at the Holden Complex with the show and judging to follow. Inter-club show will be at 2:00 p.m. in Ryley, with the sale of calves from both clubs to begin around 3:00 p.m. in Ryley.

If the day should be wet and rainy, all events will be held in the Holden Complex. The public is invited to attend the day's events and bidders and buyers are always appreciated.

In Monday's ball game at Holden, the Holden Keggers won 10 to 0 against Ryley.

Holden & District Sports Day on Friday, June 8, Farmers' Day. The day will begin with breakfast from 7 to 9 a.m. Senior baseball begins at 10 a.m. with teams from Lougheed, Daysland, Sedgewick, Bawlf, Holden and Stromo. Senior Mens Fastball will have six teams participating and there will also be Women's Fastball.

Parade starts 10 a.m. Line up for judging at 10 a.m. at school grounds. Entries are to go to Bill Hallet, office 688-3797 or at home, 688-3656. Concession open at grounds (ladies please bring pies). Midway, Tractor Rodeo, childrens' races, and horseshoe tournament at the grounds in the afternoon.

Beef barbecue serving starts 4:30 at Community Hall. Dance at Community Hall at 9:00 p.m., music by the Polka Tones.

Bruce and District News

Paulette and Merrin Erickson attended a dinner and dance at the Mayfair Golf and Country Club on Friday, May 25. They were guests of Lieutenant-Governor and Mrs. Steinhauer at the final invitational function for the North ern Alberta Farm Families for 1978. As this happened to be the night that the M.L.A.'s were honoring the retirement of the Hon. Hansere, the Ericksons got to meet a great many people and thoroughly enjoyed the evening.

The Bruce Girls played their opening game in Bruce on Wednesday night. The boys played a good game except for the third inning when Ryley scored 11 runs and put the game out of reach. The final score was 19 - 7 for Ryley. Scoring runs for Bruce were Joseph Wincurs - 2, Ian Erickson -2, Curtis Waters -2, and Dennis Laing-1. Thanks to Doug Heber for acting as umpire. Weather permitting, the next game will be held on Wednesday, May 30, at Bruce at 7 p.m.

Mr. and Mrs. Jerry Beston and son Michael of Vancouver visited with Jerry's uncle and aunt, Jim and Jean Tkaczyk.

The Hissett family were in Pincher Creek on the long weekend to attend the wedding of Harold's niece: Tracy Hissett was one of the bridesmaids.

Annie and Rudy Kaysel joined the rest of their family to spend the long weekend in Slave Lake with their daughter and son-in-law, Carol and Dale Kidwell.

Doris and Don McLeod were here from Calgary for the long weekend and to visit with Doris's mother Lois Fredericks. Mrs. Fredericks has also been enjoying a week long visit from her twin sister Luvie Gray of Kitscoty.

Six young people were confirmed by Pastor Heinemann at the Immanuel Lutheran Church on Sunday afternoon. Norma Babbitz, Cathy Pratt, Ian Erickson, Grant Laube, Keith Laube and Donald Laing became church members and took their first communion.

Helen, John and Marcia Kulba visited friends in Bruce on Sunday. Dr. Kulba was principal of Bruce School for several years but is now employed by the Department of Education and makes his home in Edmonton.

Jo and Paul Osinchuk of Edmonton were here to attend grandson Ian Erickson's confirmation. Marg and Clarney Osinchuk and children and Mickey Osinchuk were also here for the special day.

Holden High School graduation exercises were held in the Holden Community Hall on Saturday, May 26. Among the thirty young people honored were Neil Dewart, Diane Flynn, Sharon Foster, Debrah Kolm and Kenneth Motkoski. Congratulations.

The WEEKLY REVIEW

Serving the People from Ryley to Irma
Published every Wednesday at Viking, Alberta

WEDNESDAY, JUNE 6, 1979 Volume 2 No. 17

Councillor John Lemke, Holden's "Highways Minister", cuts the ribbon opening new pavement. Holding the ribbon are Deputy-Mayor Marvin Gieselhuse and Mayor Olah Skyberg. Residents of the newly-paved 50th Avenue, looking on with approval, are [left to right] John Peake, Christine Mackay, Peter Ogonoski and Debby Lawson.

Holden to Hold Annual Sports Day

In conjunction with the rural tradition of celebrating "Farmers' Day, the Holden and District Agricultural Society will be holding their annual Sports Day on Friday, June 8th.

The days events will open with a hearty farm style breakfast beginning at 7:00 a.m. and continuing through until 9:30. Following breakfast, everyone will be treated to the annual parade which is scheduled to begin at 10:30. This year's parade has a number of interesting entries.

In the afternoon baseball fans will see a lot of action at the diamond. Baseball teams entered in the afternoon tournament include Lougheed, Daysland, Sedgewick, Bawlf, Viking, Stromo and Holden.

In addition to the baseball entries a number of fastball teams will also be playing. These include Bruce, Mundare, Pedula and two teams from Ryley. A number of women's fastball games will also be played.

A hearty beef barbeque will be too tempting to pass up. Serving begins at 4:30 at the Community Hall.

Other attractions during the day include a tractor pulling contest, races for the children and a horseshoe tournament.

Dancing to the lively tunes provided by the Polka Tones will conclude the day.

Irma 4-H Food Club Holds Achievement Day

On May 23 we had our 4-H Food achievement day. After school we took our projects to be judged. After we had a supper at which there were about 85 people, both family and friends, who attended.

After supper the judges made some comments on the food and project books. Kirby Prior and Darlene Wigmore presented gifts to the judges for their help. Mary Newton and Stella Glasgow presented Unit I with ribbons and trophies.

The winners from Unit I were Randy Gaine for his project and Unit I book to Floris Fuller. Each member from Unit I got a certificate and gold seal to stick on it.

Unit II trophy winners were Rhonda Lovig, project and Darren Costall, book.

Unit III project winner was Kirby Prior and book winner was Robbie Pelton.

Unit IV winners were Leila Glasgow, project and Sherry Littlewood, book.

In the Self Determined project, there were three people in it: Leigha Glasgow Blaine McMillan, Kim Olson and each received plaques.

There were trophies for selling the most almonds and Robbie Pelton and Darren Costall received the trophies.

Then Leila Glasgow presented gifts to Mary and Stella for their help and work in the club. Blaine McMillan thanked Stella for the use of her home and help. Sherry Littlewood gave Mrs. Lovig a gift for the use of the Home Ec room.

Kim Olson then gave a speech on activities of the club in the past year. A piano solo by Tracy Copeland then followed. Martin Bomhower gave a speech about the Christmas party, and Diana Soucy gave a piano solo. A piano duet by Leigha Glasgow and Sherry Littlewood was enjoyed, followed by Robbie Pelton who gave a report on our trip to the Provincial Archives.

A little play done by Darren Costall, Randy Wigmore and Stanley Boomhower. Leigha and Leila Glasgow sang a few songs, accompanied by Mrs. Copeland. Kirby Prior gave a speech on our trip to the game farm.

Mary Newton said she enjoyed the year with us.

Reported by Patti Jones

Police Investigate Break-ins

In the early morning hours of Monday, June 4th, a series of break-ins occurred in the Village of Holden and the Town of Tofield.

Tofield R.C.M.P. detachment are investigating the break-ins at the premises of Beaver Motors and the U.F.A. Co-op in Holden as well as the U.F.A. Co-op in Tofield.

From results of the investigations it would appear that the wrong doers were probably transient amateurs travelling along Highway 14. The R.C.M.P. "Ident Crew" were called into the investigation.

Losses sustained by the businesses in question amounted to only cigarettes and small amounts of change.

The R.C.M.P. are pleased that local businesses are not keeping any large sums of money in their business premises overnight. This hopefully will discourage further break-ins.

The Viking Fire Department was called out to the Tom O'Neill farm last Wednesday when the chicken coop caught fire. A neighbor noticed the fire, which is believed to have started from faulty brooder lamp wiring, and alerted Mrs. O'Neill. However, the building and its inhabitants were destroyed, despite the quick response of the local firemen.
Staff Photo

Holden Youth Joins Cruise

A four year member of the Holden Sea Cadets Corps was recently rewarded by the opportunity to join a cruise on a Canadian Armed Forces naval vessel.

Eric Schaning, 16, of Holden, was chosen with 29 other Canadian sea cadets to take part in a training exercise in the Pacific Ocean on board three Destroyer Escorts - H.M.C.S. MacKenzie, H.M.C.S. Saskatchewan and H.M.C.S. Yukon.

Leaving Esquimalt, B.C. the ships sailed south at a distance of two hundred and fifty miles off the coast, docking first at San Diego. The cadets were allowed day passes there and enjoyed the hot weather and sightseeing (including a trip to Disneyland).

Going on to Sacramento, the cadets had another four day stop-over before leaving on the return voyage to Esquimalt, which lasted five days at sea.

Radar plotting, engine room duty, and wheelhouse duty were among the many nautical procedures taught the cadets while at sea. They were on duty each day from 8 a.m. until 4 p.m. besides another four hours shift during the evening or night, and also had study time allotted them to keep up with their school work.

A new and exciting experience, Eric said the cruise was definitely the highlight of his cadet career.

4-H Achievement Day - June 11

Viking 4-H Beef, Dairy and Horse Clubs are holding a joint 4-H Day and Achievement. The idea is to promote fellowship and the 4-H movement.

The day will commence at 9:30 a.m. During the day the 4-H er's will be judging and showing their club projects. The following program is what each club has scheduled for the day.

9:30 a.m. Calves are being weighed in.
10:00 a.m. Judging of the Dairies.
2:00 p.m. Sale of calves.
7:00 p.m. Banquet and presentations.

DAIRY CLUB
9:30 a.m. Project animals on display.
10:00 a.m. 4-H members judging competition.
11:00 a.m. to 2:00 p.m. Judging and showing of projects.
7:00 p.m. Banquet and presentations.

LIGHT HORSE
9:30 a.m. - Display of tack and possibly a demonstration during the day.

We as 4-H er's take this opportunity to invite you the public to view our projects and results of our show and sale to be held on Monday, June 11th in the Viking Caress.

Don't Just Complain - Do Something!

One of the truly valuable aspects of the newspaper business is the realization that sometimes the issues raised through the newspaper can cause things to happen and changes to be made. At times it is due to the efforts of the newspaper staff, while at other times, it is due to the efforts of readers who are concerned enough to act. This newspaper is a vehicle through which issues can be raised and debated. This is part of its reason for existance.

But what if people will not raise issues? What if they don't want to get involved? This is a problem we are faced with from time to time. People in the communities approach us to "complain" about this problem or that. We don't mind this. In fact, we appreciate it for it keeps us in touch with what is happening in the communities and what concerns our readers.

The thing we do mind is that so few people who complain are willing to take any other action. Many of their ideas are valuable for the betterment of their community. Yet they want "us" to raise the issue. They don't want to "get involved". Yet involvement is the only way to improve a situation.

This newspaper can be used as a sounding-board for issues. We will raise those things which we want to raise. But we must get other people, those who may be directly affected by an issue, to raise it through the paper. "Letters to the Editor" are read. They do get the message across.

Don't let an issue die as a complaint over a cup of coffee. Take the time to write us a letter about what concerns you. These actions will be more valuable than complaints.

Attention Readers

Effective June 1, 1979, The Weekly Review has changed its printing time from Tuesday evening to Wednesday morning. Due to this change, The Weekly Review will not reach the post office in Viking until early Wednesday afternoon.

This change in our printing time will only affect those subscribers who pick up their mail at the Viking Post Office. All other subscribers' issues will continue to leave the Viking Post Office on Wednesday evening.

A deadline of 9 a.m. on Tuesdays has been established for all classified advertising and articles which readers wish to have included in each week's issue. We cannot guarantee that classified ads and articles received after this time will be included in that week's issue.

The office of The Weekly Review will be open from Monday to Friday from 8:30 a.m. to 12 noon and from 1:00 p.m. until 5:00 p.m. If you wish to contact us at times other than these, please call 336-3234 (Lane) or 336-4735 (Dick).

Letters to the Editor

Dear Sir:

This letter is in reply to last week's letter from a Concerned Canadian.

There is no secrecy concerning the Deputy Returning Officer and/or the Poll Clerk. Their names are not advertised; but then, why should they be? Their job begins at 9:00 a.m. on election day and ends at 8:00 p.m. on the same day. They are there for the purpose of making sure "All who are entitled to vote, do so."

Your enumerator's name is not advertised either. Once again, why should it be? The enumerator's job is to make a list of all the eligible voters in their polling division. The enumerator may (and I quote from the Enumerator's Handbook) "obtain the information you need either from house-to-house visits or from any other reliable sources." If you had not met your enumerator, it was probably because of a number of reasons.

Such as: 1. You may not have been at home at the time of enumeration.

2. Your enumerator knew who you were and could supply the correct names and addresses of the eligible voters in your residence.

3. Where necessary, a friend, neighbor, or relative could give needed information.

4. If your enumerator knows your name, but not your address, then a telephone call is all that is needed.

Either way you may not have met your enumerator, but you were counted.

As to the location of the Polls: they were never secret. In public places across Canada, "Notice of a Grant of Poll" was posted in Viking, this was the post office; and every Poll in the Electorial District of Vegreville and its location was posted in English and French so that any Concerned Canadian could read it. It did not matter where you lived, all you had to do was go to your nearest Post Office and read "Notice of a Grant of Poll". If an elector did not do this, it did no good to contact the enumerator, because, the enumerator was not informed where the poll was to be held. Also it is not the duty of the Deputy Returning Officer to contact everyone and tell them where to vote. On the contrary, it is the duty of every Concerned Canadian to determine the whereabouts of their Poll.

As a point of interest, in the Viking Legion Hall, there were five polls. Four of these polls were either town or town and country. The fifth poll was entirely rural. In other words, farmers, who one Concerned Canadian stated, were too busy in the field to find out where to vote and then go to vote. If this was the case, why is it that those very same men and women had an 80% turnout in voting in that poll? That is 5% better than the national average. It seems that the Concerned Canadian who wrote to you last week, Mr. Editor, is an isolated example of a "not" very Concerned Canadian.

A Former Deputy Returning Officer

Dear Editor:

A history of Olds, Alberta is planned as a 75th anniversary project. The town was incorporated in 1906. The book is to cover the period from the beginning of settlement to 1980 and will cover the town and the surrounding community as it relates to the town.

Former residents of the area can have a part in this exciting project by sending along bits of history, anecdotes, human interest stories both humorous and sad, and pictures that tell a story. Pictures will be well cared for and returned. Dates of events and of pictures are very important. An explanatory little should appear on the back of each picture.

Material submitted should be readable but not necessarily typed. It should contain the facts but need not be ready for print, as it will be edited. It may not be possible to use all the material but help will be acknowledged in the book.

Names and addresses of former residents of the area or their descendants are wanted.

Material as well as names and addresses should be sent to: OLDS HISTORY, Box 189, Olds, Alberta. T0M 1P0

Thank You.

Recreation News

ON STAGE TONIGHT

"On Stage Tonight" presented by the Beaverhill Players will include two one act plays and the Tofield Choir.

The first play "The Ugly Duckling" is a one act play by A.A. Milne - with kind permission of Samuel French, Canada.

The play is a one act comedy, of a king in any Country, and in bright colors, of the coat of arms. The scene is the Throne Room of the Palace discussing the marriage of the daughter, Princess Camilla, who is not so beautiful.

There are one or two reasons to marry off their daughter to Prince Simon who has been travelling in many countries. They wish to make sure that she does marry the Prince without him actually seeing her first.

The second play "From Five to Five-thirty" is another one act comedy, by Philip Johnson and by kind permission of Samuel French, Ltd.

The play happens in the sitting room of Mrs. Treetops little semi-detached village, on the afternoon of a summer day, a suburb of a manufacturing town.

The play is about a woman who has been a mother to three daughters who are married, and somewhat snobs in the community.

They do not like the way their mother is behaving in her old age since her husband passed away.

The three daughters have made arrangements to meet at the mother's residence and in their discussions hope to persuade her to go into a retirement home for the balance of her sunset years.

She has plans to move away and leave the community her daughters live in and live by herself and not return to visit them.

Following the plays, the Tofield United Choir will sing "Joseph's Amazing Technicolor Coat".

Profile: Beryl Pullen

(Mrs.) Beryl Pullen, although now confined to a wheel chair and unable to take part in her numerous previous activities, is a very interesting person to visit and talk to.

She was born in Edmonton but lived on a farm near Namao with nine brothers and sisters. After the completion of Grade Eleven studies, she started work at Mike's News Stand in Edmonton, a job that lasted for three years. It was here that she met, and in 1943, married H. Jack Pullen, who was then in the Air Force.

Soon after their marriage, Beryl and her new husband moved east to Clinton, Ontario where they made their home for four years.

A move back to Edmonton saw Jack starting a new job at a pharmacist's and Beryl busy bringing up their three energetic boys. John, a local Viking businessman, is the eldest of the three sons with Bob, now a resident of Calgary, being second, and Ken, partner with John in Thor Agencies, being the youngest.

The Pullen family moved to Viking in 1965. Beryl helped Jack run their drug-store on the corner, being clerk and helping with the paper work. She says that she really enjoyed meeting and talking to the people who came into the store.

Beryl was also involved in the Royal Purple, Eastern Star Lodge, U.C.W., and was a member of the United Church, right up until about 1969! Then her life changed suddenly and, in some aspects, disastrously. Multiple Sclerosis stopped Beryl from enjoying her golf, curling, badminton and water skiing any longer. And as the meeting halls and churches all have steps, her attendance at community organizations stopped.

Yet Beryl says she is used to the slower pace now. She keeps busy knitting, doing macrame and any other type of hand work she can. She feels she is lucky to have her husband and sons who take such good care of her and often has visits with her grandchildren.

She no longer misses the meetings and sports as much as she once did, but she misses the people more.

Beryl Pullen has had to make a terrific adjustment in her lifestyle but she has done it and is a real pleasure to meet.

Former Kinsella Man Jogs For 23 Hour Marathon

At 9:00 p.m. one Friday evening, a lone figure was jogging out along the ice road. No so unusual as a few people are running now that spring is here. But this one didn't come back. Ed Overbo a teacher in Inuvik, spent the next 23½ hours covering the 66 miles to Aklavik.

Having first notified the R.C.M.P. as to his arrival time in Aklavik, Ed ran the first 15 miles with just a few clothes and something to drink. At the end of those fifteen miles, the weather turned for the worst with high winds and blowing snow. Turning back seemed very attractive. However, Ed pressed on.

Now why would a man do such a thing? The sixty-six miles raised over 200 dollars for the Inuvik Christian Assembly Church to send up to 15 students from their teen class to a bible camp in Saskatchewan.

As for companionship, Ed found the road well used right through the night, and expressed thanks to all who offered food and encouragement, especially the cab drivers.

What's next? Having run south on the dempster for 34 miles last year, his sights are set north, planning to walk to Tuk this summer, but taking more time.

Editor's Note: Ed Overbo is the son of Mr. and Mrs. Knut Overbo of Kinsella.

Palliser Expresses Need

(Regina) Palliser Wheat Growers Association has sent a telegram of congratulations to Prime Minister Elect, the Honourable Joe Clark, and expressed the need for decisive action in resolving grain industry problems.

Palliser President, Jim Wright of Rouleau, Saskatchewan stated, "There are a number of issues which we think are of utmost concern to Western farmers--the need for more research, the present attitude of the Canadian Wheat Board in regard to domestic feed grain policy and rail transportation, the protein premium question, the Wester GTC office and the Conservative Government's stand relating to rail rationalization and freight rates."

Mr. Wright continued, "It is time the country got back down to business. We hope that Mr. Clark will move quickly in appointing his Cabinet. We look forward to putting our views before whoever is appointed to the Transportation, Canadian Wheat Board and Agricultural Ministries."

While acknowledging that there could be some difficulty experienced by Mr. Clark's government because of the uncertainty of a minority, the Palliser President urged the new Prime Minister and his government to not allow this situation to impede action in resolving problems currently being experienced by Western farmers.

"This is not the time for playing politics with the livelihood of Western Canadian farmers. We need action now so that our forwarding system can move the 50% increase in grain exports projected for 1985".

Flying Up Ceremonies Part of Mother and Daughter Banquet

On Thursday, May 31, 1979 the Local Association held its Mother and Daughter Banquet. President Lilla Ash welcomed the girls and their mothers. Sandra Graham said grace.

Following this, everyone enjoyed the delicious and varied food of a Pot-Luck Supper. After supper the girls cleared tables and washed the dishes while the mothers held their Annual meeting.

Included in the agenda of the meeting was the election of the 1979-80 term executive. The new executive is as follows: President - Doris Marko, Vice-President - Anne McIsaac, Secretary - Barbara Fandrick, and Treasurer - Lynn Kamphius.

The committee chairmen were also chosen. Next fall, new age grouping comes into effect. Commissioner Sonja Frank outlined the new program. Brownies will be in the 6-9 year age group with Guides 10-12 years and Pathfinders 13-15 years. There will be no Busy Bees.

Following the meeting, the girls organized into their groups. All the Busy Bees buzzed up to Brownies and seven Brownies flew up to Guides. The mothers enjoyed watching these ceremonies and each groups closing exercises. This brought to end another successful year for the girls and their leaders.

Viking Busy Bees "buzzed up" to Brownies at a ceremony on Thursday, May 31st. The girls that moved up are [left to right, front row] Sandy Roddick, Jennifer Kamphuis, Diane Lewes, Lynette Lefebud, and [back row, left to right] Rhoda Pon, Leanne Heisler, Tracey Dennett, Stacey Baumgartner, and Theresa Kidd. Have a Library Summer

Northern Alberta Library Development Services, an agency specially funded by Alberta Culture, Library Services, has organized a small campaign to promote public libraries in north Alberta.

During the summer, from June to the end of August, posters, library bags, and book marks will be available free of charge, to patrons of public libraries in north Alberta. This campaign is aimed at the general public, but particularly at young people. NALDS hopes to promote the library as a place where "you can find the facts, expand your mind, acquire information power, learn a language, check your data, find a hobby, enjoy a literary experience, catch up on the journals, keep track of the past, discover a new lifestyle, plunge into philosophy, plan a leisure program, open up to new ideas."

The Viking Brownies who flew up to Guides at a ceremony last Thursday were [front row, left to right] Sandra Otto, Joanaane Majeski, Lori McIsaac, [back row, left to right] Cathy Kidd, Pammy Orenczuk and Laurie Sevcik Staff Photo

Nothern Alberta Library Development Services was established by Alberta Culture in 1977 with the objective of improving library services throughout the area of Alberta north of Highway 58. Similarly, Southern Alberta Library Services is administered by the Calgary Public Library, and covers the area south of Highway 58.

The services offered by NALDS to participating libraries include workshops for librarians and the supply of books and audio-visual equipment to public libraries. It also provides reference services to small libraries by promoting the toll-free "Zenith Line". This links together several Resource Centres - the Edmonton Public Library, The Grande Prairie Public Library, and the Yellowhead Regional Library - to answer more difficult reference questions which small libraries cannot answer from their own more limited resources.

NALDS also gives public relations support to public libraries in northern Alberta by organizing promotional campaigns such as "Have a Library Summer" and providing promotional materials free of charge to public libraries in the area.

A Legal Lifejacket?

So you just spent $50.00 on a new life jacket. At that price it had better be good. Right? But . . . is it legal? Every boater must have an approved life jacket, personal flotation device or life saving cushion for each person on board. Each device is quite different from the others. As a purchaser you should be aware of these differences, to decide which will best suit your needs.

Lifejackets are designed to keep an unconscious or totally relaxed person floating face upward. They have a tendency to be bulky and uncomfortable to wear; however, they provide the safest flotation because of stability and ability to keep your head out of the water.

Personal flotation devices are designed to keep a conscious person afloat. They are generally lightweight and comfortable to wear. They are not as stable as the lifejacket and do not have the inherent tendency to keep an unconscious person floating face up. Because of the comfort feature it is usually worn while jackets are usually found shoved under seats or in the bow of a boat.

Cushions are designed to be strapped on, used as extra boyancy, or as throwing devices in a rescue. It is not recommended that this type of equipment be used instead of a lifejacket or personal flotation device.

Remember, only Transport Canada approved jackets, personal flotation devices or cushions may be used on board your vessel. United States Coast Guard (U.S.C.G.) approved life jackets are not legal for residents in Canada.

The Pencil Box

Child of the Year

Irene M. Findlay

May 21st was just an ordinary morning for Jackie Pederson until the clock struck eight. The back door opened and in walked two tousle-haired little boys. One was carrying his pillow. Russel Jackson, not yet five years old had walked about a quarter of a mile to the nearest neighbor. He said to Jackie, very matter of factly: "There is smoke in my bedroom."

Jackie for a moment wondered if it was a childish fantasy. There was no smoke coming from the direction of Russel's house. Jackie asked Russel where his older brother Dale and baby sister Heather were.

"I have to go back and get them. Could I stay here while I go get the rest?" he asked.

Then it became very clear to Jackie that he was serious about the whole thing. She phoned in the report of a fire at the Earl Jackson farm, jumped into the car with her son Dale and took off as fast as she could.

Russel was right. The kitchen and the whole house was filled with smoke so thick it was impossible to go in through the doors.

Pam Jackson, who had just returned from taking her husband to the field had someone break the living room window for her. Knowing exactly where the two children were in the burning smoke-filled house, she lost no time in entering to rescue them. Two month old Heather was directly beneath the broken window but came out, miraculously, with only a tiny scratch. Little brother Dale was in his bedroom with the door [illegible] the kitchen closed, which was fortunate for him. Soon the firemen arrived and the fire was under control.

There is a lot of credit that goes to the people who acted so quickly and calmly in preventing what could have been a terrible tragedy. But most of the credit goes to little Russel, who had the presence of mind to alert his nearest neighbor.

Somehow we picture a child as someone who dawdles along, kicking a stone here and there along the road. Perhaps he stops to watch a gopher or rabbit as it crosses in front. But we rarely think of a five year old hurrying along, toting a pillow, leading his brother by the hand. They also had their boots on the wrong feet. That was how it was when Russel went for help.

We salute you Russel Jackson, "Child of the Year" in this, the Year of the Child.

Be Water Wise

The training of Water Safety instructors and Water Safety Leaders is a very important part of the Red Cross water safety service.

Graduates of the Society's Leadership Training courses are not only well-versed teachers - they are examples of sound safety practices and the benefits of knowledge about water. Each graduate passes on his knowledge to several groups of students, swelling the numbers of safety conscious, "water wise" swimmers.

A Water Safety instructor graduate can teach all aspects of swimming and water safety. To become a Water Safety instructor you must be at least 17 years old and have Water Safety Leader certification.

Qualified Water Safety Leaders work with instructors in conducting training classes and in demonstrating swimming styles and resuscitation techniques. They also help patrol beaches, pools and water front areas. To become a Water Safety Leader you must be at least 15 years old and have a Bronze Medallion or equivalent life saving certification.

So whether at the lake or your neighborhood swimming pool, watch for qualified Red Cross Water Safety Leaders and Instructors.

Learn from them. Be Water Wise.

Village of Irma Council Minutes

The Irma Village Council met in Special Meeting in the Irma Village Office on Tuesday May 22, 1979 at the hour of 7:00 p.m.

Present were Councillors, Barber, Dempsey, Jackson, Larson and Littlewood. Municipal Administrator, D.D. Creasy and Mr. Dave Scott from EPEC Consulting Western Ltd.

Mayor Larson presiding.

This meeting had been called to deal with the following items of business:

1. Proposal for upgrading of streets.
2. Resolution authorizing the relocation of the curling rink to the fairgrounds.
3. Appoint Surveyors to proceed with registration of general plan for Block G, Plan 1560 W, as prepared by Current Planning.
4. Upgrading or relocation of the nuisance grounds.

Moved that the agenda setting out business matters to be dealt with be accepted. Carried.

Moved that the Irma Curling Club be authorized to relocate the Curling Rink Building on the Fairgrounds. Site to be determined at date of construction. Carried.

Moved that Chervonick Surveys Ltd. be appointed to proceed with the survey and registration of the General Plan, as prepared by Current Planning, for Block G. Plan 1560 W. Carried.

Moved that no action be taken relating to the proposed relocation of the Garbage Dump at this time. Carried.

As requested by the street committee Mr. Scott presented a proposal for upgrading of the village streets. As proposed the project would provide curbs and hard surfacing of all streets excepting in the new subdivision. There are fairly substantial grants to assist in the proposed program.

Moved that Mr. Scott be authorized to proceed with the necessary preliminary work to establish a firm cost estimate. Carried.

Mr. Scott advised that he has been provided with a copy of the prints setting out proposed development of Lot "A". Plan 772 1881 and outlined some recommendations prior to final approval of the actual plans. Moved that the recommendations as set out be adopted for the proposed plan. Carried.

The forgoing concludes business before the meeting and Mayor Larson declared the meeting adjourned.

Irma News and Views

Several car loads of Irmaites attended the sod turning ceremonies for the new hospital building at Viking on Monday, May 28th.

Albert Jackson from Edmonton visited with Lorna and Eddie on Thursday and visited his Dad on Friday on his way back to the city.

Bessie Olson has been a patient in the Viking hospital for over a week and we hope to see her home and in good health real soon.

A new house is in course of construction just north of the Irma Hotel.

Further north on the west side of the street an imposing two story structure is rapidly nearing completion for the manager of the Cargill Grain, Ernie Jacobson.

The house north of the hotel is being built for Brian Ross.

Phyllis Craig is attending the Eastern Star Grand lodge in Red Deer.

Many farmers in the Irma area are kept busy these days battling the flea beetles which have destroyed many fields or rape, much has had to be reseeded.

The Irma ladies who attended the W.I. conference at Olds College all arrived home safely and report having had a very enjoyable and enlightening time.

Mrs. Nellie Thurston is still a patient in Wainwright Municipal hospital.

Dorothy Bacon is still in Wainwright hospital where she has been a patient for several weeks.

Irma Golf Club News

On Sunday, May 27, Irma Golf Club held their official opening for the coming season, with family golfing for young and old.

We had a good turnout and a nice sunny day. The day was topped off with our usual pot luck supper, with our chef - Milt Fahner doing up the barbeque hamburgers, supplied by the club.

We will be holding this family golfing off and on during the season. Watch for posters as everyone is welcome.

The course is shaping up with the grass turning green and the mowing of the fairways taking place. Our official mower man - Keith Coffin at the wheel.

We have a number of out of town people coming in to golf at the Irma Course.

New flag poles and flags have been installed at the nine holes. Thanks to Annie Milne for supplying the material and making the flags. Also thanks are extended to the ladies who helped paint the numbers on the flags and Charlie Milne for making the new flag poles.

We are pleased to see so many teenagers taking up the game. Your golf dues can be paid to Al Jamieson. Our Men's Open Tournament will be held on Sunday, July 1st.

Local Curler Honored

At the Northern Alberta Curling Association annual meeting and banquet on May 30, Ernie Doris of Bruce was awarded a Certificate of Merit.

The presentation, made by Mr. Oberg of Forestburg, was in recognition of his contribution to the game of curling.

Ernie began his curling career in the old Bruce curling rink in January, 1952, and hasn't missed a season since. His many trophies are an indication of his curling skill.

"BANVEL, added to a tank-mix, subtracts time and labor costs

"Banvel is the perfect partner for a tank-mix. You can use it with Pool 2,4-D amine on wheat and barley crops, and with Pool MCPA K-64 on wheat, barley and oats. And that's going to save you spraying time, fuel, and labour of hauling water and chemicals.

"A Banvel tank-mix will knock out broadleaf weeds, even the tough ones like Canada thistle and the buckwheats. That's the big plus of Banvel as a tank-mix. It helps you get the weeds. In just one pass "You can get Banvel and 2,4-D amine and MCPA K-64 for tank mixing at The Pool now.

Grade Fours Visit Fort Edmonton

On May 18, Grade 4 classes at the Viking School travelled to Edmonton where they toured Fort Edmonton.

On the way to Fort Edmonton the two grade four classes sang songs and talked. Doug Taylor and I got the back seat. After awhile we ate lunch in Edmonton.

We got to the Fort about 11:45 a.m. We stopped to pay our way in. The bus driver stopped the bus and we walked into the Fort. A guide was there to meet us. She told us where the Indians traded. Then the teachers took us to the trading rooms. There we saw some tobacco and some muskrats. Then we looked at some rooms.

We went outside to the Big House and saw pictures and skins. Then we went to the dining room. There was a men's dining room and one for the ladies.

We then went to the cookhouse and sat down by a fireplace. We went to the next room and saw a film about the Fort.

A blacksmith beat some metal for us. Then it was time to go. We went out of the Fort and saw some Indian tents. Then we went to the souvenir shop and bought souvenirs. When we were leaving the Fort, we saw people on a wagon.

On the way home we stopped at a gas station and got some fresh air. Later, we went to McDonalds and ate for an hour. Then we went home.

Simmonds Celebrate 25th Anniversary

On May 19, friends and relatives gathered at an open house in Kinsella Hall to help Jack and Donna Simmonds celebrate their Silver Wedding Anniversary.

After a social hour the M.C. Joe Makar introduced the head table which included the Bride and Groom of May 19, 1954, maid of honor Olive Sweeten and her husband Ed; best man, Harold Hogg and his wife Corrine and the Simmons' children, Melva, Laura and Don.

The evening continued with toasts and messages and entertainment by the two soloists, Faris Atkinson (nee Swallow) of Beaverlodge and Harry Rusk of Edmonton who were thoroughly enjoyed by all.

The guests were then invited to join in the dancing to lively music by the Herlek's orchestra and enjoy the lovely lunch arranged and served by the family.

Out of town guests were from St. Johns, N.F.L., Fort Alberni, Summerland, Golden, B.C., Beaveridge, Grande Prairie, Elnora, Edmonton, Jenner, Vermilion, Sedgewick, Irma and Viking.

We would like to thank our children for the lovely party they arranged for our 25th Anniversary. Thank you also to those who helped with food, decorations, etc. Special thanks to Virginia Rusk for the lovely wedding cake, Joe Makar for being his usually capable self as M.C., Faris and Harry for entertaining us and all who came with their good wishes to help us celebrate. Thank you also to all who sent gifts, flowers, telegrams, and cards.

Sincerely Jack and Donna

Echo-Rodino Report

Ray Johnston visited over night in Edmonton with his friends Mr. and Mrs. Ken Anderson and family.

Mike and Esther Mackowski spent a day in Edmonton shopping and visiting Mike's uncle.

Josephine Holt was once again a lucky winner of $25 on the Winsday draw.

Wes and Christina Bauer took in a day of shopping in Edmonton.

Ray and Muriel Anderson of Edmonton were surprise visitors at the Bruce Greenwood residence when they dropped in for coffee.

The Prosser family climbed aboard their motorhome and travelled with the caravan going down highway 41 this weekend. They camped at Gooseberry Lake where ball games took place and Sunday they travelled to Czar to visit with Mr. and Mrs. Walter Beeton.

Ken and Patsy Robinson of Barrhead were weekend visitors to the Robert Hollar home.

Viking School Grade one students from this area who took in the tour of the Provincial Museum were Darrel Hollar, Lori Greenwood and Shelly Sauers.

Friday Yvonne Greenwood accompanied by her mother, Florence Johnston of Kinsella took in Jay Walker's Jamboree in Camrose. While there they dropped in to see Mr. and Mrs. Dave Greenwood and Theresa Greenwood.

Saturday Mr. and Mrs. Everett Greenwood and family and Mike and Esther Mackowski were shoppers to Camrose. None of these neighbors entered the chicken races which were the highlight of the day.

Do You Know the Bible Says

John 3:17, 18 says, "For God sent not His Son into the world to judge the world; but that the world through Him might be saved. He that believeth on Him is not condemned; but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God."

This is simple and plain; easy to understand, it is the Y in the road, giving each individual a free choice of which way he or she will decide to go. This is the greatest choice anyone ever makes, because it is for time and eternity. It means that we who are already condemned and a slave to Satan can remain in that course and end up a lost soul, separated from God forever, or we can admit that we are lost and condemned to a lost eternity and repent of our sins and accept Jesus who will lead us in the way of light and life everlasting with Him.

When we see how great God's love was for us, and how severe the punishment was on Jesus for our sins, it mellows our resistance and brings a sorrow of our sin and rebelliousness. When we become truly sorry for what our sin did to Jesus who was willing to do it all for us, then we find it easy to turn to Him and accept Him as our sin-bearer and Saviour.

You are perhaps on someone's prayer list right now if you have never turned your life over to Christ. This is how it was with me. This Christian lady was praying for me and she even told me so, but I had no knowledge of God's Salvation and what it was all about, so I went along in the only way I had ever known and God led me through some severe trials until I cried out to Him for help. He heard my prayer and led me to those who could show me in His Word how I could come to Him and be saved. I accepted immediately.

The joy and peace and satisfaction I have found in this way of life far surpasses anything I had experienced previously and the eternal assurance I have that I am ready to meet my Saviour to live with Him for ever. I plead with you to choose this way. More next week.

Presbyterial U.C.W. Notes

St. Paul Presbyterial U.C.W. Spring Executive Meeting was held in Islay on March 29, 1979. President Ruth Gray opened the meeting with the reading of two articles entitled, "Let Us Look Up To God" and "On Loving God".

Delegates were chosen to attend the annual U.C.W. Provincial Conference in Edmonton. We decided to take with us our displays, scrap book, banner and history book.

The treasurer's report by Jean Weeks showed an actual book balance on March 29 of $765.52.

Marian Wallace reported on the Stewardship meeting at Lacombe, the theme being, "To Present the Story of the United Church to the People of Canada". The stewardship program in the magazine "Live Love" is excellent and could be used to advantage in each community, specific projects being chosen and incentive stories used from other U.C.W. literature. The sum of one and one half million dollars ($1,500,000.00) is the approximate commitment for 1979 from Canada.

Two books which were ordered from the Hurricane section had not been received. It was stressed that such matters should be checked and reported to the Post Office as soon as possible and a tracer be placed.

Elsie Jones, under Citizenship and Social Action, will report at a later date on a conference which is putting emphasis on Economics and Unemployment in Canada.

Olive Friesel reported on a project she started, to get young women to state why they are not attending U.C.W. meetings and to give suggestions. She will summarize this project when completed.

Rene Martin gave the dates for the various Camp Whitney groups, fee schedules and rental regulations. Application Forms may be obtained from your minister

It was arranged that Margaret Parkin attend the Service of Constitution for Myrnam as St. Paul Presbyterial's U.C.W. representative and will also attend the Presbyterial meeting at St. Paul.

There will be only one rally this year and it will be held in Vermilion, June 14, 1979. The meeting adjourned with a prayer, coffee and a wish for a safe journey home.

Rejoice Together

The Golden Valley Lutheran Church Women are celebrating their 75th Anniversary with a tea to honor the women who have been long time members. The Anniversary Tea will be held June 8, 1979 at 2:30 p.m. at Golden Valley Lutheran Church. All senior ladies, present members and friends are cordially invited to attend. Please regard this as your personal invitation. — 16-17c

NOTICE

Congratulations to Clarence Orenchuk and Orenchuk stables of Viking for placing second in the semi-final heat of the world championship chicken races held in Canton this past weekend. — 17p

MIDSUMMER SOCIAL

Midsummer Social will be held Saturday, June 23rd at the Bruce Recreation Centre starting at 9:30 p.m. Music by the Music Makers. Admission $6.00 per couple. — 17-19c

INVITATION

The children of Ernie and Annie Sevcik invite all relatives, friends and neighbors to a dance in the honor of their parents' 25th Wedding Anniversary to be held at Prague Hall on June 23rd at 9 p.m. Church at 8 p.m. Prague. No gifts please. — 17-19p

INVITATION

Shirley Thorsteinson and Allen Lalbida wish to invite their friends and relatives to a dance in honor of their marriage on June 23rd, 1979 at Viking Community Hall, 9 p.m. Please consider this your personal invitation. — 17-18p

IN MEMORIUM

IN MEMORIAM

In loving memory of our mother and grandmother, Katie Tkaczyk, who passed away June 11, 1964.

Beautiful memories woven in gold
Those are the memories we tenderly hold
You were our mother with a heart of gold,
So many things have happened mother,
Since you were called away
So many things we could have shared,
Had you been here today
So many times we needed you

How many times we cried,
God saw that you were getting tired,
So he closed his arms around you,
And whispered, Come with Me
God's golden gate did open
Fifteen years ago today
You shared your life with sorrow and tears
Thank you dear mother for those wonderful years.
For all who have a mother
Cherish her with care
You never know what heartache is
Till you see her vacant chair

Ever remembered and sadly missed by your children and grandchildren, Ann, Mike Ozubko and family and grandchildren and Tkaczyk family.

LEGION SPONSORED HOSPITAL EQUIPMENT FUND

In memory of Frank Mazankowski;
from Lumir & Helen Dobry
Mr. and Mrs. Carl Thesys
In memory of Mrs. Jim Ash
Noella Brissard

IN MEMORIAM

In memory of Rhonda Rollinson who passed away June 8, 1975

Four years have passed
Since you left us here,
But in our thoughts
You are always near.
Ever remembered and missed by Eugene, Margaret, Donna and Colleen — 17-19c

D'Arcy — Treasured memories of my dear son Edward, who passed away on June 17, 1978.
One sad and lonely year has passed
Since my great sorrow fell
The shock I received that day
No one can ever tell.
It's lonely here without you
I miss you more each day
For life is not the same for me
Since you were called away
You bade no one a last farewell
Nor even said goodbye
You were gone before we realized
And only God knows why.
Always remembered and sadly missed by Mother

CARDS OF THANKS

We would like to express our appreciation and sincere thanks to the Kinsella Fire Department and neighbors for their prompt and efficient response to the fire in our year. Words cannot express our gratitude.
Joe, Ruth Makar and family

I would like to thank the doctors and staff of the Viking and University Hospitals for their care and kindness while I was a patient. Also thanks to my friends and relatives for their many kind acts and wishes; this is always a great help when you need it.
Selmer Holmes

I would like to express my sincere gratitude to the organizations and relatives that sponsored me on my trip to "The Forum for Young Albertans".
M. Chrystian

ACKNOWLEDGEMENT

Re: Pedal Pushers

Thank yous are extended to all who assisted in making the Pedal Pusher Bicycle Safety Course the tremendous success it was - regardless of the not-so-nice weather.

Thanks to all the mother who assisted as Bicycle Inspectors on Registration Day, as well as to Reg Stefaniuyn, Bill Gibb, Os Rushton, Cst. M. Calow, Kelly Ruzicka and Dolly Wadley.

Also a word of appreciation to Joy Place, Ellen Krips and Kaye Roddick who skillfully coped with the 67 registrations and collection of fees.

Special thanks, also, to Gwen Williams, Gloria Zarski Ellen Krips, and Georgina Nordstrom who acted as instructors for the entire course and gave so freely of their time.

Thank you, too, to Mr. F. Reinhold (County of Beaver) Mr. Dennis Watson, Maddy Place and the teaching staff for their support and assistance in carrying out this project; to Csts. M. Calow and B. Bilodeau of the Viking R.C.M.P., to Mr. Stan Chomik for his extra time in parking buses when we were through.

Last, but most important, congratulations to all 65 students that completed the course! You've all earned more than the crests and certificates you received. Hopefully, the best reward will be that you never meet with any misfortune while riding your bikes and neither you, your parents nor families experience any unhappiness from a cycle accident. Happy Bike Riding!
Viking Catholic Women's League

Vialta Lodge News

Myrna Mackay, Karri and Janice were in to visit Mrs. Elness and Mrs. D'Arcy.

Gwen Hooper called on her mother, Mrs. Phena Evans.

Bob and Sofie Thunell of Camrose visited with Mr. and Mrs. G. Loveseth.

Calling on Mrs. Suddaby were Foster and Sara Suddaby.

Don't forget our Strawberry Tea and Bake Sale, Saturday, June 9 from 2-4 p.m. Tickets are being sold on miniature furniture and a cushion.

Several residents and staff watched the sod turning ceremony for the new Viking Hospital. We are all pleased that this project is underway. We all watch progress from day to day.

Mrs. D'Arcy is spending the week in Edmonton visiting with relatives.

Mrs. Regar is visiting in Camrose with her daughter and family.

Greeting to Mr. Larsen and Mrs. Sheets in the hospital.

Buzz Cotter of Calgary visited with his Dad.

Calling on Mr. Masson were Frank and Irene Crabb and Adelaide Dootson of Irma.

Mrs. Redwell had her son Gene and grandsons of Calgary visiting her Saturday and Sunday.

Milton and Phyllis Hooper of Penticton, B.C. called on Mrs. Evans.

A. Murray of Camrose visited with Mr. Dorin.

Serena Hansen of Vegreville called at the Lodge.

Several of our residents attended the Graduation Exercises at the school on May 26th.

Bingo for the month will be held on Wednesday afternoon, June 20th and Card Party will be June 26th. All are welcome.

Nursing Home News

Welcome home to Mrs. Clegg and Alice Overby. Glad to have you back with us. They had both been in the hospital.

Caroline Kjelland and Rita Hafso stopped in on Tuesday to visit with friends here.

Anne Gaisenz of Camrose visited with her mother Mrs. Kawalilak.

Joan Meakins was in and visited with Mr. Murray.

Mary Hardy and Olive Good called on Lars Ritland, Bill Kelly and Clara Swan son.

Mr. Stan Zemanek had visitors from Manitoba - Mrs. Mary Okanka and Mrs. Ella Green.

Mrs. Fryer had a nice visit with Mabel and Ed Fryer of Daysland.

Charlie Auburn and Barbara Blaeser had a visit with Honey Curtis from Strome.

Mrs. D. Andnickon and girls of Edmonton, Mr. and Mrs. Jim Warawa and Darcy of Redwater visited with Lars Ritland.

Mrs. Blaeser had a nice chat with her sister-in-law Marie Zwack. Also visiting were her nephew Cliff and Mandy Massel of Edmonton.

In to see Mrs. Ward on Sunday were Harry Ward and family of Edmonton.

Maurice Cuinming visited with Bill Kelly and Frank Murray.

Emily and John Tkaczyk called on "Mom" Pasnak.

Mr. and Mrs. Greg Pels called on Grandma Kawililak.

Helmer and Hazel Hasson visited with Lars Ritland

Would like to mention that when we said "goodbye" to Mrs. Gabriel it meant she would not be making her home here with us anymore but would be taking up residence elsewhere.

Bruce News

There have been two unfortunate accidents in the area which have resulted in broken bones. Lisa Hebert is nursing a broken arm while Stewart McMullen's broken ankle is making the spring seeding rather difficult.

Myrna and Buster Curtis were in Calgary on the weekend to attend the wedding of Myrna's niece.

Evelyn, Harold and Tracy Bissett left Monday for a two week holiday in Hartlepool, England where they will visit Harold's uncle and aunt, Mr. and Mrs. Sam Bissett. Myrna Curtis will be looking after the post office while Evelyn is away.

Don't forget the Mid-summer Social sponsored by the Bruce Agricultural Society which will be held in the Recreation Centre on Sat., June 23. Admission will be $5.00 per couple and the music will be provided by the Music Makers from Ranfurly.

The Annual Cemetery Day will be held on Monday, June 18 beginning at 1 p.m. You are asked to bring along your garden tools and as usual the members of the Bruce Women's Institute will be providing coffee.

The Bruce Gulls travelled to Holden for their second game on Monday, May 28. Despite the extremely cold wind, the boys played well. The final score was 24-5 for Bruce. Scoring runs for Bruce were Rodney Tkaczyk (4), Ian Erickson (4), Kevin Dewart (3), Jimmy Stefanik (3), Gordon Mezkoski (2), Joseph Wincsura (3), Kerry Dewart (1), and Grant Laube (1).

On Wednesday, May 30, the boys played against Viking in Bruce. Once again the boys played an excellent game and the final score was 20-5 in favor of Bruce. Scoring runs for Bruce were Rodney Tkaczyk (4), Kevin Dewart (4), Rick Tkaczyk (3), Joseph Wincsura (3), Jimmy Stefanik (1), Curtis Waters (1), Dean Malowany (1), Ian Erickson (1), Donnie Laine (1) and Grant Laube (1).

Wesley Stambaugh received his degree in Civil Engineering at the spring Convocation of the University of Alberta. Wes was not present at the ceremonies as he and his wife Lucille are holidaying in England.

Karen Mezkoski of Bruce will be attending Drumheller Drama School this July. The award was made in conjunction with the Holden High School and Beaver Regional Recreation Board. The best of luck to Karen.

Photo by Dean Jeffrey

Alberta Conference United Church Women Meet in Edmonton

The 17th Annual Meeting of Alberta Conference United Church Women met at Strathearn United Church in Edmonton from April 3 - 5 with more than 100 delegates from as far away as Whitehorse in attendance.

Presiding at the meeting was Mrs. Lois Hole. Special guests included Miss Jessie MacLeod from Toronto; Miss Frances Buckles, retired missionary; Mrs. Connie Manson, Mrs. Marg Waldon provided music and worship resources, as well as leading a time of fellowship which included St. Paul United's Youth Choir on the first evening.

The theme, "To Be Creatively Alive With God", was explored in three sessions led by Ralph Milton and also in small discussion groups. This emphasis was picked up again following the banquet at Grace United Church when the Drama Club from that church presented the play "Will the Real Jesus Christ Please Stand Up".

As the delegates learned what it meant to be "Creatively Alive With God", they shared their stories and their faith; and in turn heard stories of faith in action from the special guests and the Division chairpersons.

Thus enabled, the Executive was installed into office for the coming year; and significantly began its term in the faith sharing act of Communion with the delegates.

Following lunch the meeting was adjourned and those in attendance were sent out to tell their stories and share their faith wherever they might travel.

Beam Built-In Vacuum Systems

CAN BE INSTALLED IN ANY HOME OLD OR NEW

Deluxe 3-outlet kit includes

* Lamb 15134 Motor, 110" water lift

Advanced Authors Workshop

Alberta Culture will sponsor an advanced authors workshop for writers of non-fiction, in Calgary, August 9, 10 and 11. The fee for the workshop is $40.00.

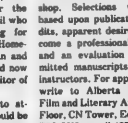
"This unique workshop offers selected students a rare opportunity for intensive, highly professional instruction on an individual basis that's bound to make acceptance easier," remarked John Patrick Gillese Director of the Film and Literary Arts.

Instructors for the course are Paul Grescoe, a veteran magazine journalist, editor of Calgary Magazine and a partner in Pacific West Publications, which has concerns in Vancouver, Calgary, Edmonton and Montreal; and Audrey Grescoe, formerly an editor for the Toronto Globe and Mail who turned to freelancing for such magazines as Homemaker's, The Canadian and The Financial Post and now works as executive editor of Calgary Magazine.

Students wanting to attend the workshop should be prepared to submit a manuscript of between 1000 and 3000 words, and a description of their objectives as a writer.

Only 12-15 students can be accepted for this workshop. Selections will be based upon publication credits, apparent desire to become a professional writer and an evaluation of submitted manuscripts by the instructors. For applications write to Alberta Culture, Film and Literary Arts, 12th Floor, CN Tower, Edmonton T5J OK5 or call 427-2554.

Introducing today's broadleaf herbicide: new Shell Blagal.



This is the broadleaf herbicide you need to control the broadleaves that 2,4-D's have been leaving behind in your crop.

It's also the one you need to get complete control of broadleaves. Because new Blagal was specially developed to control today's problem broadleaves. Like thistles, chick weed, hempnettles, corn spurry and buckwheat. It's safe on cereal crops grown in rotation. And it's effective. So make sure new Blagal's working for you.

Kinsella O.O.R.P. Special Meeting

A special meeting of the Kinsella O.O.R.P. was held on May 15th with H.R.L. Yvonne Greenwood in the chair. The lodge was opened according to ritual.

Minutes of the previous meeting were read and the treasurer's report was given. Correspondence was read from the convention headquarters, Purple Cross Deaf Detection committee and Mildred Greenwood.

To commemorate the International Year of the Child, the lodge decided to make a donation to the Cystic Fibrosis Association.

Donating to the birthday box were Ladies Lori Sparry and Hjordis Armitage.

On Tuesday, May 29th, the new officers of the Kinsella O.O.R.P. were installed by District Deputy Dorothy Crozier and assistant Installing Officer Vera Hendricks of Hardisty. Acting as Installing Secretary, Chaplain and Pianist were Margaret Smith, Shirley Rawhuk, Ruth Makar respectively. Also adding much to the installation were the Kinsella B.P.O.E. Patrol Team. Officers installed were as follows:

H.R.L. Yvonne Rawhuk
P.H.R.L. Yvonne Greenwood
A.R.L. Shirley Oracheski
Loyal Lady — Jean Smith
Lecturing Lady — Lori Sparry
Secretary — Frances Overbo
Treasurer — Hilma Garvie
Chaplain — Barbara Fendrick
Conductress — Marjorie Oracheski
Historian — Virginia Weich
Inner Guard — Mymma Fulton
Outer Guard — Phyllis King
Pianist — Hjordis Armitage
Three Year Trustee — Evelyn Mark
Two Year Trustee — Betty Oakes

H.R.L. Yvonne Rawhuk thanked District Deputy Crozier and her assistant and presented them with small gifts. She expressed gratitude for the trust placed in her and expressed hopes that the Lodge would have a successful year.

P.H.R.L. Yvonne Greenwood, who was presented with her P.H.R.L. pin, thanked the Lodge for the courtesy and co-operation extended to her during her year in office.

Lady Vivian Firkus was presented her sixth year pianist jewel.

Best wishes were extended to the Lodge from the Kinsella Elks and several of the visitors present.

A lovely lunch brought the evening to a close.

Chacutenah Manor

Mrs. McLean is presently a patient in the Viking Hospital. Best wishes to her for a speedy recovery.

Mrs. Cockrell left on Monday to attend the Eastern Star Grand Chapter Session which will be held in Red Deer.

Recent visitors with Mr. and Mrs. Hooper were their son Larry from Calgary and their daughter and her husband Mr. and Mrs. Semple from Wainwright.

Art Larson is visiting with relatives at Paradise Valley.

Mrs. J. Moore of Tofield was a Sunday visitor with her mother, Mrs. McNeoberts.

Mr. and Mrs. J. Lambert are visiting with their family in Round Hill.

Progressive Farming

Bill Brass - Asst. Dist. Agriculturist | **James B. MacKay Dist. Agriculturist**

With the crop season barely underway; we have started receiving inquiries regarding flea beetle damage in emerging rapeseed crops.

Life History and Appearance

Flea beetles is the common name of a variety of small beetles which jump quickly when disturbed. They vary in length from 2 mm to 6 mm and come in a variety of colors and color combinations - shiny black, black with a bluish or bronzy sheen or black with yellow markings.

Life histories vary according to the species, but generally the adults emerge from winter hibernation in April and early May.

They feed on suitable weeds until cultivated food plants emerge from the soil. Eggs are laid either just below the soil surface or around, on, or in selected food plants. Mature flea beetle larvae are whitish, slender, delicate, cylindrical worms about 8 to 4 mm long, with tiny legs and brownish heads. Larvae or most species feed on roots, underground stems, or tubers or plants for 3 or 4 weeks before pupating.

Total development time from egg to adult is 5 to 10 weeks. As fall approaches, adult flea beetles seek sheltered places in which to overwinter, usually in soil, trash cover, grassy headlands, fence rows or waste places.

Food Hosts and Damage

Some species of flea beetles are fairly general feeders, however others confine their attacks to closely related plants, often those in a single plant family. In Alberta, rape is the major crop affected by flea beetles. The most common species is the crucifer flea beetle.

Most damage to rape is done by the overwintered adult beetles just before or soon after the seedlings have emerged from the soil. The beetles generally move into a crop from the margins. Flea beetle feeding damage is characterized by the shot hole appearance of seedling rape leaves. Heavy infestation can destroy a seedling rape crop. Full-grown rape is usually not seriously affected by high numbers of flea beetles but once in a while in the fall, late maturing rape may be attacked by newly emerged adults. Cool, wet weather reduces damage whereas hot dry conditions promote crop damage.

Control

To protect seedling crops in the spring, growers can use an in-furrow application of a recommended granular insecticide along with the seed, or a seed treatment with a recommended insecticidal dust formulation.

These measures are particularly advisable if your area has a recent history of serious flea beetle problems. If these treatments have been omitted, or if they do not protect the seedlings adequately, a recommended foliar spray can be used.

When flea beetle populations are high, more than one foliage treatment may be necessary because of reinfestation of the crop from surrounding areas. It is best to apply foliar sprays when it is warm and sunny and the beetles are active and exposed on the plants and soil.

It is very important that a grower watch his seedling fields for flea beetle attack on a daily basis following germination, as flea beetles can damage crops very quickly as few flea beetles in a field are not necessarily cause for alarm, but if they are numerous on plants and the soil surface, and if holes begin appearing in the cotyledons of most seedlings, it is time for action.

Holden News

Kathy and Brian Pomeruk are proud to announce the birth of their first born child, Shawn Paul, born May 18, 1979, weight 8 pounds and 10 ounces. Proud grandparents are Mr. and Mrs. Robert Bruce and Mr. and Mrs. Harry Pomeruk.

Holden competitors from the County of Beaver have advanced to regional track and field finals. They are Evonne Macahonic who will be competing in two events. In junior girls she placed first in the shot put and was second in discus. Bryan Schultz of Holden recorded the other first. He won the 400 meter race for junior boys.

Betty Lou Laing was fourth in the junior girls 800 meter run. Wendy Konarcone foliage treatment may be necessary because of reinfestation of the crop from surrounding areas. It is best to apply foliar sprays when it is warm and sunny and the beetles are active and exposed on the plants and soil.

Just a reminder to come out and join the fun during Holden's Sports Day, June 8. Breakfast starts at 7:00 with ball games, parade, concession, tractor rodeo, beef barbeque and dance at 9 p.m.

Pressure Cooker Come-Back

"If you have a pressure cooker, use it for all it's worth", says Carmen Moreau-Vens, a food consultant with Agriculture Canada.

With the growing interest in quick yet nutritious meals as well as in energy conservation, the once popular pressure cooker is finding its way back into the kitchen.

Foods prepared in a pressure cooker retain more of their nutrient content and flavor than in most other cooking methods. This is because the cooking time is short and small amount of water is used.

The color of green vegetables is also preserved very well. Less expensive cuts of meat become tender as pressure cooking softens the tough connective tissue in a short time.

A pressure cooker can be a real energy saver, too, particularly for foods normally cooked in the oven. It can also cut energy costs when large quantities of food are prepared or long slow simmering is required (e.g. beans, stews, and soup stock).

A pot roast cooked in the pressure cooker requires less electricity than one cooked in the oven or one the surface element of the range. It's a time saver too for potatoes - they can be cooked with the skins on. When cut in half, they require only 8 to 10 minutes cooking as compared to 30 to 40 minutes boiling.

Most foods cooked with water and boiled, steamed, stewed or braised are suitable for pressure cooking. According to experiments conducted at the Food Advisory Division, dried beans are well adapted to pressure cooking. Navy beans require about two hours simmering on the surface element and only about seven minutes in the pressure cooker. Be sure to add a little oil to prevent foaming in a pressure cooker. Less tender cuts of meat are successfully braised or stewed. Swiss steak needs about 1½ hours in the oven or on the surface element, but only takes about 15 minutes to pressure cook.

Some foods such as applesauce, cranberries, rhubarb, pearl barley, split peas or lentils should not be pressure cooked. These tend to foam, froth or sputter and may even clog the vent pipe of the cooker.

"It's possible to adapt a favorite recipe to pressure cooking but," adds Moreau-Vens, "choose the closest cooking method or recipe to the manufacturer's directions." Cooking time may be reduced by one third to one half the time, depending on the food. Very often, less liquid and seasoning is required in the pressure cooker because there is less moisture loss than by other methods.

The following "Maritime Pot Roast" recipe was developed in the food laboratories of the Food Advisory Division.

Maritime Pot Roast
4 pounds beef pot roast (blade, cross rib, shoulder)
2 tablespoons fat
1 tablespoon salt
1 teaspoon pepper
1 5-ounce jar horseradish
1½ cup water
6 small potatoes, halved
8 medium carrots, halved
8 small onions, peeled

Brown meat in fat. Sprinkle with salt and pepper. Then spread horseradish on meat. Add water. Cover and pressure cook at 15 lbs. pressure for 1 hour. Allow pressure cooker to cool slowly. Add vegetables and cook 3 minutes more. 6 servings.

"Store-To-Your-Door"
the great new way to purchase carpeting

Now you can experiment, compare and select the perfect carpet for your room, right where it will be laid.

P.S.S. Proposal Presented to Viking Town Council

On Tuesday, June 5, at the monthly meeting of the Viking Town Council, the Community Development Committee presented a brief in support of a Preventive Social Services program for Viking.

Representatives of the C.D.C., a group started early in May to co-ordinate the initiation of a P.S.S. Program in Viking, were Marie Rushton, Debbie Fornal and Evelyn Carrington. Also in attendance in support of the C.D.C.'s proposal were Mrs. Sybil Brower and Dr. A. E. Caldwell.

Prior to the presentation of the Brief, Administrator Frank Morwood read a letter from the Viking C.W.L. indicating their support for the C.D.C. proposal, and that the C.W.L. had handed reponsibility for P.S.S. over to the C.D.C.

Marie Rushton introduced the Brief and explained that a P.S.S. program could be involved in several areas. She outlined possible involvement with senior citizens, family life, youth groups, pre-schoolers, alcoholism prevention, child care, and family counselling. The Brief concluded with a proposal that the Town Council "Give serious consideration to the early signing of an agreement with the Provincial government in order to initiate a Preventive Social Services Program, and fully utilize the existing resources and facilities in our area".

Mrs. Rushton informed Council that the operation of the Program would be governed by anadvisory Board which could be established by various methods. She said that each area of the Program would be the responsibility of a group of people interested in a specific program. The over-all administration of the P.S.S. Program would be handed by a full-time director who would be responsible to the Advisory Board.

Mrs. Rushton noted that local volunteers would staff the various programs and that the total Program would be designed to fit the needs of the community.

Debbie Fornal outlined the possibilities of an Extended Home Care program as an example of one possibility. Following this, she explained a tentative budget of $42,500 to initiate the Program. This budget included over-all direction costs

Continued On Page 2

Community Development Committee members [left to right] Evelyn Carrington, Marie Rushton, and Debbie Fornal, presented a brief to Viking Town Council on Tuesday, June 5th. In the background [L. to r.] are Rod Kripe, Dr. A.E. Caldwell, and Mrs. Sybil Brower. Staff Photo

Viking Musicians To Be Featured On T.V.

On Thursday, June 7th, the Viking Stage Band and the Viking Elementary School Choir were auditioned by Mr. J. Benbow a producer with CFRN T.V.

Mr. Benbow has informed the school that there will be a half hour T.V. special to be broadcast on the 29th of December, 1979 probably entitled "A Salute to Viking" The broadcast will feature The Stage Band directed by Mr. Everett Norris and the singing of Arlene Norris and Dennis Wrixon.

The Elementary School Choir are to be included in a "Kids on Camera" show to be broadcast in the Spring of 1980. The recording for these two programmes is to take place on the evening of the 19th of June 1979.

The band is to give its final concert for this season in Viking on Thursday, June 14th, at 8:00 p.m. The evening's programme will contain items by The Stage Band, the Elementary Choir and by visiting performers - The Bob Wilson Singers - The County of Flagstaff Band - Timothy Bridge. Another feature will be the first performance of the Grade One Recorder Ensemble.

Causes for Rapeseed Crop Failures

Grain farmers throughout the County of Beaver have had to contend with a number of problems this spring.

In addition to late seeding the appearance of Flea Beetles in rape crops has caused concern.

Mr. Bill Bass, acting District Agriculturist at the County office in Ryley reports that damage from beetles alone has not been extensive but that combined with other diseases in rape crops this year, there has been a certain amount of re-seeding going on.

If the rape plant has not matured beyond the 4 leaf stage and the crop has become infested with beetles the insects can be controlled by spraying with Furadan, Guthion or Malathion Extreme caution must be shown when using these sprays as they are highly toxic and can be fatal if the farmer becomes over exposed to them. Depending on conditions the results from spraying can quite often be short lived as the beetles move from field to field during hot weather and a field that was just sprayed can be newly infested a day or so later.

Infestation is usually noticed around the edges of the field first as the adult beetles spend the winter in scrub land and along fence lines and migrate into the fields in the spring.

One consolation is that the beetles also feed on various types of weeds when they are in other crops and you will be happy to know that the spring beetle dies off in the later part of June and the second generation does not appear until August.

The agricultural specialists emphasize the fact that one of the main diseases that have resulted in extensive crop damage this spring is known as "damping off" or "root rot". This condition stems from the seeding of untreated grain, which could result in costly losses to the farmer.

Train-Truck Collision Claims Two

The truck in which John, Emily and Ron Tkaczyk were riding last Friday was sliced in half when it was hit by a train at a crossing. The picture shows the damage done to the truck while the inset shows the cab. Staff Photos

A truck-train collision at the level-crossing approximately one mile east of Holden claimed two Holden area residents on Friday evening. John Tkaczyk, 68 years of age and Emily Tkaczyk, 51 years of age, of Holden were killed when their 1978 Ford half-ton was hit broad-side by an east bound C.N.R. train.

A third occupant of the truck, 14 year old Ronald Tkaczyk, was taken to Viking hospital with a broken clavicle, internal injuries and bruises. He is reported in satisfactory condition.

The Tkaczyk vehicle was proceeding south on the secondary road when the three car train (an engine, 1 box car and cabeoe) hit it at the uncontrolled railroad crossing at 8:20 p.m. The crossing contains two sets of tracks and the train was travelling on the main line set of tracks. Allowed speed of a train in this area is 60 miles per hour.

Funeral services for Mr. and Mrs. Tkaczyk were held on Tuesday at St. Gregory's Greek Catholic Church

Tragedy Strikes on Irma Farm

The fire siren sounded at about 11 a.m. on Monday, sending the fire engine out to the farm of Robert Sell, six miles south. It was discovered that Robert had been covered in a cave-in, where he had been excavating for the installation of a water system.

The volunteer firemen were unfortunately too late and he was dead when dug out.

Our sympathies to his family.

A Change is Badly Needed

At last Tuesday's Viking Town Council meeting, the Community Development Committee presented its Brief proposing that a Preventive Social Services program be started in Viking. A great deal of time and effort went into the research for and preparation of the Committee's proposal. They were supported in their efforts, either directly or indirectly, by the R.C.M.P., members of the medical profession, educators, a youth leader, and others in the community.

The presentation was comprehensive and informative. At the end of their presentation, the Committee proposed that Council enter into an agreement with the Province to initiate a P.S.S. program in Viking. And what was the position of Council? Who knows!

This is not the first time I have witnessed the Viking Town Council fail to give any indication to people as to where they stand on an issue. However, in this case, their actions were embarrassing.

At times, the Council seems to forget that they are there to serve the people, and not vice versa. The C.D.C. came well prepared looking for some kind of response, either one way or the other, from Council. What they got was an interrogation by some Councillors with no indication of where Council stood on the issue.

As politicians, they must make a stand on issues if they expect to accomplish anything. Yet fear of taking the blame if a program doesn't work is a reality that politicians must live with.

The least Council could have done was give these people an indication of where they stood on the issue of P.S.S. Council did not attempt to give the Committee direction or help in their endeavours. However, after the meeting, some Councillors felt that P.S.S. was good and would be a reality in the future. But why didn't they tell the Committee this?

The Council is there to serve us, the residents of Viking. Yet, on two occasions during the meeting, the members of the Committee were urged to hurry, as if they were wasting Council's time. On one occasion the Mayor stated "I don't want to rush you but...", and on another he informed a member of the Committee that she had only "two minutes" to answer a question.

This is disgusting!If Council needs more time to deal with business, they should call more meetings. The presentation on Tuesday could be important to the future of Viking. A democracy does not need a Council that plays at "kings" and "subjects". It needs a Council that is going to work "WITH" the people to determine the merits or demerits of programs, and then help them become realities if they are deemed valuable.

I know that some Councillors are aware of this attitude in meetings from time to time, and it bothers them. Let's hope that they take the "bull" by the horns and bring a fresh, open, informative atmosphere to Council meetings. It is badly needed!

Beaver Regional Recreation Minutes

The regular meeting of the Beaver Regional Recreation and Parks Board was called to order on May 30, 1979 at 7:35 p.m.

Letter from Tofield regarding their withdrawing from the Regional Agreement was discussed now, and copies of the letter were handed out.

Moved that we deal with Tofield's letter and change the format of the meeting. Carried.

Discussion was held over some of the suggestions that Tofield had made in their letter to the Board. The members from Tofield were questioned on the reasons why Tofield wished to withdraw from the Regional Agreement.

Moved to receive and file this letter from the Tofield Council. Carried.

At this point Mr. Neville Sokol, guest from Alberta Culture, was introduced and asked to present a small talk on what Alberta Culture is involved in.

Moved to change the Agenda to listen to Mr. Sokol's presentation. Carried.

Mr. Sokol explained how Alberta Culture was involved in the following areas: Performing Arts, Library Services, Film and Literary Arts, Cultural Heritage, Visual Arts, and also the Cultural Facility Development section.

Mr. Marvin Tomashavsky thanked Mr. Sokol for taking the time to come out to speak to the Board and for giving such an informative talk.

Business Arising: The Parks Committee now presented the tenders they had come up with for the purchase of a new riding lawn tractor for the Parks Dept.

Moved to purchase the John Deer Tractor (16 h.p. with 47" mower) at a price of $3,953.13, or the Case Tractor (14 h.p. with 48" mower) at a price of $2,587. for the tractor and $390.00 for the mower. Decision to be made by the Parks Committee. Carried.

Correspondence: The correspondence for the month of May 1979 was presented in printed form and reviewed by Mr. George Baker.

Moved to send a thank you letter to the Holden School for the donation of the flood light to be used at the Regional Arts Centre. Carried.

Moved that the correspondence for the month of May, 1979 be accepted and filed. Carried.

Verbal Board Members Reports: Tofield - Minor ball is going alone fine. The Tennis Club that was in the process of being set up seems to have died out.

Kinsella - Nothing to report this month.

Viking - Nothing to report this month.

Bruce - Ball has started up and doing fine.

Holden - Boys and girls ball has begun. The Recreation Board is working on the playground areas, and upgrading them. Also upgrading the campground, under the M.C.R. Grant.

Ryley - Homecoming Committee is busy with preparations for the homecoming being planned for the last part of July this summer. Swimming classes have started and are coming along well, although they could use a few more participants in the Adult, Mothers and Tots and Bronze Medallion classes.

Baseball and softball slow started up and are going well.

Moved that the Verbal Board Members Reports be accepted as presented. Carried.

The Administrator's Report was presented in printed form and read by Mr. George Baker. There was a short discussion over the hiring of summer staff.

Moved that Mr. Baker be authorized to interview and hire his summer staff. Carried.

Moved that we table the decision on using the Xerox machine to the next meeting. Carried.

Moved that the Administrator's Report be accepted as presented. Carried.

Along with his report, Mr. Baker also presented a write up on the 3 Mil Capital Development Monies spent, dating back to 1974.

Moved that the write up on the 3 Mil Capital Development be included in the minutes. Carried.

Mrs. Hjordis Armitage presented a small report on what had been discussed at the two meetings held in May, and also what had been on the Agendas at those meetings.

She mentioned that there had not been enough people at the second meeting for a quorum, so they looked over the budget estimate, particularly the revenue side, and recommended that it be approved.

Moved to table this report until the next meeting.

Moved to table Clause 1 in the Theatre Committees report to the next meeting with a report on what has been spent in the first five months of operation to be included. Carried.

Mr. Marvin Giebelhaus presented a small report on what the Investigating Committee had looked into and what they had decided.

Wish to have a detailed account of what the expenditures at the Theatre are, so that they know where they are at.

Moved to accept the Investigating Committee's Report as presented. Carried.

Moved to table the workshop question until the next meeting. Carried.

Moved that the $7,500.00 is only a float and not to be used for expenditures. The income from the Centre should cover this by the end of the year. Carried.

Moved to hand out the Budget Estimates for the Councils at tonight's meeting. Carried.

Moved that the following points on the Agenda be tabled until the next meeting:

- Workshops on 5 Year Master Plan for rural associations
- Are local boards reviewing plans for 79?

It was mentioned that the Theatre is in dire need of a new vacuum cleaner.

Moved that the Theatre Committee accept tenders for a new vacuum cleaner for the Theatre. Carried.

A playground workshop is being planned for sometime in June in Holden. It was decided that a date should be set, and then everyone notified when it is planned for.

Moved that Viking set up the meeting night for all the Governing Authorities to meet together to discuss the future of Regional Recreation in the County, and that they let every Authority know when the meeting will be held. Carried.

Mr. Glenn Jones inquired of the Board whether or not he would still be allowed to have a vote on the Board now that Tofield has withdrawn from Regional Recreation.

It was decided that for the present, until everything has been settled, Mr. Jones was welcome to exercise his vote on the Board.

P.S.S. Proposal

Continued from Page 1

of $24,000 and specific program costs of $18,500. The specific programs noted were in the areas of recreation, pre-school, senior citizens and youth.

Under an agreement with the Provincial government 80 percent of the debts incurred by the P.S.S. program will be funded by the Provincial gov't. Thus it was requested that the Town invest a total of $8,500 to start the Program.

Mrs. Rushton indicated that the Committee had several letters of support from individuals in the community. These included Lyle Anderson of the R.C.M.P., Dennis Watson, School Principal, and Brenda Reuser, President of the Viking High School Students Union.

In response to a question from the Mayor, Mrs. Rushton informed Council that the Program would only take in the Town of Viking at this time. Debbie Fornal noted that the need was to get operational, set an example and expand into the rural areas in the future. Discussion followed concerning the possibilities of rural people benefitting without financial input. Mrs. Rushton pointed out that other communities felt that the goodwill generated to rural people would benefit the community as a whole.

Further discussion ensued as to the type of person best suited to be the Director. Included in this discussion was the possibility of including the entire recreation program for the Town of Viking in the P.S.S. Program. This is a definite possibility, and therefore influenced in the type of person to be hired.

Council was also concerned about the lack of "specifics" in the proposal. The Committee noted that the "specifics" are determined once the program is operational.

Dr. Caldwell gave his full support to the efforts of the C.D.C. He also stated that the Council could contact the Town of Two Hills, which has just initiated a P.S.S. Program, for information on establishing the Program.

In conclusion, Mrs. Rushton pointed out that approximately 90 percent of the Province has P.S.S. Programs and is benefitting from the 80 percent deficit funding.

The Mayor thanked the C.D.C. for their presentation and the Council moved on to other business.

DO YOU LIKE . . .

* Setting your own goals?
* Setting your own working hours?
* Setting your own income?

Such opportunities can come with the training program and marketing tools of Century 21.

We have need of additional sales people in Holden, Ryley, Viking and Irma and would like to talk to you.

Viking Resident Passes

Funeral services were held in the Viking United Church, with Rev. Bennett officiating on Saturday, June 9th at 10 a.m. for Mary Hannah Sheets.

Mrs. Sheets passed away in the Viking General Hospital after suffering a lengthy illness.

She was born November 2, 1888 in Hayfield, Derbyshire, England. She received her education there and came to Canada to homestead in the Iron Creek District in 1906 with her mother, to join her father and brothers who had filed homestead claims in 1904.

She married William H. Sheets in Viking on December 10, 1914 and took up residence in Viking where she resided until her passing.

Mrs. Sheets was predeceased by her husband William Hugh in 1947, a son Finlay in 1927, her mother and father, four brothers and one sister.

She leaves to mourn five sons, Wilbert, Stanley, Gordon and Donald of Wainwright and Henry of Viking, three daughters, Laura (Mrs Philip Swift) and Bessie (Mrs. Tom Lentz) of Viking and Annice (Mrs. Jim Sanford) of Quesnel, B.C. Also 26 grandchildren and 22 great grandchildren.

Interment took place at the Viking Cemetery with Rev. Bennett officiating. Pallbearers were her grandsons Allen, Ron, Neil and Larry of Wainwright and Bill Sheets and John Lentz of Viking.

Kinsella and District News

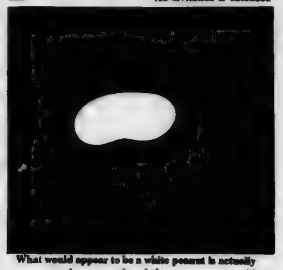
Wednesday, June 6, a number of friends and classmates of Jose Zarama enjoyed a social evening honoring him on his farewell. Jose, an exchange student in Viking High School for the past year has returned to his home country, Columbia, South America. He had been residing at the home of Mr. and Mrs. Clare Findlay, on the University Ranch, in Kinsella. Jose plans to enter the University in Bogota, where he will study medicine.

Mrs. Jamie Barker and sons of Didsbury spent the weekend at the Allen Barker home.

Tommy and Betty Oakes had their daughter Marlene and her sons staying for a few days; a chance to get acquainted with their new grandson Matthew.

John Daugherty had an enjoyable weekend as driver on a field trip for the Viking Wildlife Club stopping at various points in the Banff mountain area.

An invitation is extended from the Women's Institute to come and attend their annual Grandmother's Day, Tuesday, June 19, 2:00 p.m. in the Community Hall.



What would appear to be a white peanut is actually an unusual egg produced by a one year old California Grey hen. The egg was brought into the Review office by Mrs. Betty Holmes who stated that they have a flock of fifty of these chickens at their farm and that this is the first time they have ever found a deformed egg. Recreation News

Summer holidays fast approaching - plans are being made to go away for holidays or just stay home.

Our plans are for the Travelling Playground bus to visit those communities who let us know whether or not they want activities in their community.

Have you replied to our letter? One or two have to date.

Holden - July 16th to 21st
Bruce - July 23rd to 28th
Lindbrook - July 30-Aug. 11th.
Prague - Not this year because of new construction in the hall area.

What about Beaverhill, Spilstead, Kinsella, Koppernick, Peiske, will you be letting us know so we can set the dates? Time is short.

Permanent playgrounds will go this year in the Town of Viking only, under Regional Recreation and Parks

SENIOR CITIZEN groups will all be receiving a letter before June 15, 1979 to ask them for further trip information. If you are interested please phone or write to us now. Where would you like to go and what would you like to do?

Would you like to have a picnic at Camp Lake for a day or two?

These trips are for any Senior Citizen within the County of Beaver, served by the Beaver Regional Recreation and Parks Dept.

How many Senior Citizens would be interested in attending programs in the Regional Arts Centre in Holden but need transportation - if you are, please let us know now so that we can set plans for the 1979/80 season, October to May, 1980.

Performing Arts Tour

These tours are being planned now and programs will be set for each month, with newspaper and possibly radio announcements in August.

Season tickets will go on sale at that time for six to eight concerts in the packet for a reduced rate.

Some artists being looked at are: Felix Pitsak, Connie Kaldor, ½ Ninth, and other of interest.

We will accept names and reservations for seats even now if you wish to call or write.

If you have some ideas on what you would like to hear or see, let us know.

If you citizens are interested in a canoe course, or Summer Family Camping with courses in Canoeing, Crafts of any kind, register now.

We have to have twelve families or up. Archery could be included while you are there.

BICYCLE TOURING - If would like to participate, register your name now during the last of June.

CAMPING - The camping program for 1979 has been cancelled; we need to hear from you who like camping.

Mataven wild oat herbicide.
It's worth more because it delivers more.
Ask for **Mataven** post-emerge and this year, get virtual 100% wild oat control in wheat. More application flexibility. With more crop safety. More wheat yield and less dockage.

Hospital Auxiliary News

The monthly meeting of the Viking Hospital Auxiliary was held in the Council Chambers on Thrusday, June 7.

Guest speakers were Mrs. Valerie Burns and Mrs. Deanna Van Eldik from the Edmonton Chapter of the Canadian Kidney Foundation. They showed slides and gave us an outline of the work being done by kidney transplants and dialysis.

At our next meeting on Thursday, July 5, we will have speakers on Multiple Sclerosis.

A SPECIAL INVITATION TO YOU TO PARTICIPATE IN ALBERTA'S 75TH ANNIVERSARY CELEBRATION
HOMECOMING 1980 ALBERTA CANADA
1980 is Alberta's 75th birthday and the year for the grandest celebration this province has ever seen.
It will be the year for visiting your home town to join in the festivities. For former Albertans to come home. For everyone who wants to come and celebrate with us. Homecoming 1980. It's our party. And who can resist an invitation to a party?
Whom would you like to invite? The Province of Alberta would like to add its invitation to yours. To all the names you send in — friends and family out-of-province, whether or not they were born here. Look for the envelope with the attractive new Homecoming 1980 symbol in your mail during the third week in June.
Send in your lists. And in the fall, the Province of Alberta will send a personal invitation to all those you'd like to have as guests for Alberta's 75th Anniversary celebration.

"Put simply BUCTRIL M hits weeds hard and safely
"It's been our experience here at The Pool that Buctril M effectively kills those problem broadleaf weeds without damaging your wheat, barley, oats or flax. You can count on Buctril M to give total weed kill with total crop safety.
"Buctril M is especially effective on tartary and wild buckwheat, green smartweed, lady's thumb and cow cockle. And Buctril M can be tank mixed with Avenge to give you double the kill power; wild oats and broadleaf weeds.
"Keeping it plain and simple, Buctril M is selective and effective."

Pink Eye in Cattle

Pink eye, the common name for an infectious eye disease in cattle of all ages, can occur at any time of the year, but is most prevalent in the summer when flies and dust aid in its transmission.

Dr. Frank Baker, Alberta Agriculture's beef cattle extension veterinarian, says the discomfort and debilitating effect of pink eye undoubtedly results in considerable loss of milk and meat production in an infected herd.

Occuring in most countries of the world, this disease is caused by a bacterium (Moraxella bovis). Dr. Baker says it is very important to isolate affected animals in the early stages of an outbreak because of the contageous nature of the disease. Early signs include watering of the infected eyes and inflamed eyelids and "whites of the eyes, hence the term pink eye. Pink eye can occur in one or both eyes. As the disease progresses, a cloudiness appears on the eyeball. This cloudiness can vary in color from white to yellow and may rupture, causing blindness.

According to Dr. Baker, when treated early, pink eye usually responds well to antibiotic preparations. He says that ointments and lotions are preferable to powders because the latter often causes irritation. The medication should be applied at least once a day and preferable two or three times a day. Treatment is longer and more difficult when the eyeball has become cloudy or ulcerated. In these cases, veterinarians frequently inject an antibiotic and cortisone under the eyelids.

"The importance of shielding the eye from sunlight," says Dr. Baker, "is part of the treatment that should not be overlooked." It can be done by confining the animal, or animals, indoors or by putting a patch over the affected eye. These are commercial patches, similar to those worn by human beings, on the market, but many cattlemen use a piece of cardboard. It should be large enough to completely cover the eye and be attached to the upper eybrow with "bull cement" (the term used by cowboys for the glue that is used to put the tags on the backs of cattle at auction markets). Although an animal often rubs the patch off in a few days, it usually stays on long enough to help the eye to heal.

Among the factors that make cattle susceptible to pink eye are a deficiency of Vitamin A, dust, flies, strong sunlight, wind, tall grasses and anything else that tends to irritate or injure the eye. Dr. Baker recommends doing everything possible to minimize these conditions. The fact that infected animals can remain carriers for more than a year makes the elimination of pink eye difficult, if not impossible.

WESTERN ENCEPHALITIS - If you intend to vaccinate your horse against western encephalities, now is the time to do it. If you had your horse vaccinated last year, it is time to give him his annual booster.

The director of Alberta Agriculture's veterinary services division, Dr. H.N. Vance, is in favor of vaccinating horses against western encephalitis. "It is far better," he says, "to vaccinate now than to wait until horses start getting sick in mid-summer because there is still no really effective treatment against this disease."

There are a few cases of western encephalitis around almost every year with widespread outbreaks occuring in about one out of every 10 years, according to Dr. Vance.

Western encephalitis is a virus disease that is spread by mosquiten from wild birds to both horses and people. In people the disease is called sleeping sickness. Dr. Vance says its prevalence in any one year depends upon how plentiful the infection is in birds, the size of the mosquito population and a number of other factors.

He advises all horse owners to check with their veterinarian regarding vaccinations and booster shots.

Horse owners are reminded that if you intend to vaccinate your horse against western encephalitis, now is the time to do it.

Vialta Lodge News

Carol and Wilfred Helgeland brought Mom Reger home from Camrose on Saturday, also staying to take in our Strawbery Tea.

Visiting with Mrs. Phena Evans were Joe and Pearl McCollum of Penticton, B.C. and Gwen Hooper of Holden.

George and Jeannette Ferguson and Betty Lowe of Vegreville also Ross and Darlene Fedork of Edmonton called on Mrs. Ferguson.

Other visitors at the Lodge this past week were Phyllis Rabby, Tana Fandrick, Mr. and Mrs. A Sizer, Adina Hammer, Edith Hoskins, Helen Piscia, Nellie Sauers, Mildred Williams, Barbie Fowler, Kathy Weder, sharon and Jessie Kolodychu, Hugo, Ellen and Ryley Dance of Calgary, Emily Owen of San Diego California and Jack and Jean McKie of Kinsella.

Mr. Larson is home again after spending several days in the Viking Hospital.

Our sympathy is extended to the family of Mrs. Mary Sheets at this time. Mrs. Sheets made her home with us for several years. She will be greatly missed by all at the lodge.

The ladies of Kinsella O.O.R.P. came on Wednesday afternoon to help celebrate the birthdays of the month. Everyone enjoyed the entertainment and the delicious lunch. Thank you ladies for coming and spending this time with us. We always enjoy your visits.

Having June birthdays were Mr. A. Dorin and Mrs. Wm. Masson.

Our Strawberry Tea was a great success and we thank all who helped in any way. We were fortunate to have a beautiful day and were pleased to see so many old and new friends. The Raffle was won by Frances Overbo - Miniature Furniture which was donated and constructed by Mr. Palmer Nordstrom. The second draw for a Cushion given by Mrs. Ethel Sarjeant was won by Yvonne Rawluk. Many thanks to everyone.

We now have one new resident, Mr. H. Lockhart. We hope he enjoys his stay with us. Bingo for the month will be held on Wednesday afternoon, June 20th with the Card Party being held on June 26th at 8:00 p.m.

Town of Viking
THANK YOU
The Mayor and Viking Town Council wish to express their sincere appreciation to Mr. Ronald Erickson and those members of the Grade 7 & 8 Viking School Wildlife Club for volunteering their time and services to landscape the grounds at the Viking Civic Centre. They are to be commended for the excellent job that was done.

Viking Lady Wins Literary Award

Mrs. Jenny Bird of Viking recently received a "Certificate of Merit" and an accompanying cheque from the Edmonton Journal for her entry in their 1970 Amateur Writer's Competition.

Jenny, an enthusiastic member of the Viking Creative Writers' Club entered her story entitled "Sudden Fury" in the short nonfiction category and was awarded "fourth" for her entry.

The Edmonton Journal sponsors an Annual Literary Award Competition to encourage the novice writer. Only those who have not won in the competition or in similar competitions are eligible to enter.

Jenny's personal account

Jennie Bird

of the destructive storm which hit Viking on July 11, 1970 was previously printed in the April 25th edition of The Weekly Review.

Pictured are a group of community minded farmers who took time from their busy schedules to haul chute from ranch of Fauquberg to improve the Irma ball diamonds. They are [left to right] Cecil Lockhart, Keith Currie, Hugh Tomlinson, Gerry Mark, Eddie Jackson, Tom Copeland, Cliff Fiirtw, Alf Orschenki, and Sonny Archibald [kneeling]. Another trip is being arranged for June 20 and anyone who is able to go, please phone John Newton or Sonny Archibald.

Irma New Horizons Club Plans Tour

Irma New Horizons Club monthly business meeting was held in the Drop-In on Wednesday, June 6th at 2 p.m. After disposing of the minutes, financial report, etc., came reports of committees, under this heading the four committees reported that arrangements are underway for a one day bus tour to Edmonton Tuesday, June 26th.

The Rec- Board is to supply the bus and it is hoped that at least 35 or 40 members and friends will take advantage of this tour. Those who decide to go should indicate by giving their names to Donald Gunn, Mildred Smith or Dorcas Coffin. The tour is free, the only expense being meals.

The bus can accommodate 42 passengers.

A committee was appointed to arrange for a sign for the Drop-In Centre.

At 3 p.m., the ladies of the Royal Purple arrived and put on a very enjoyable program of musical items and reading, followed by community singing, after which the Royal Purple ladies served a sumptious lunch. Lillian Simmerman expressed thanks and appreciation on behalf of the club for this delightful social evening.

Irma W.I. Notes

The June meeting of the Irma Women's Institute was held at the home of Mrs. Audrey Misen.

Eleven members and two visitors were on hand for the meeting.

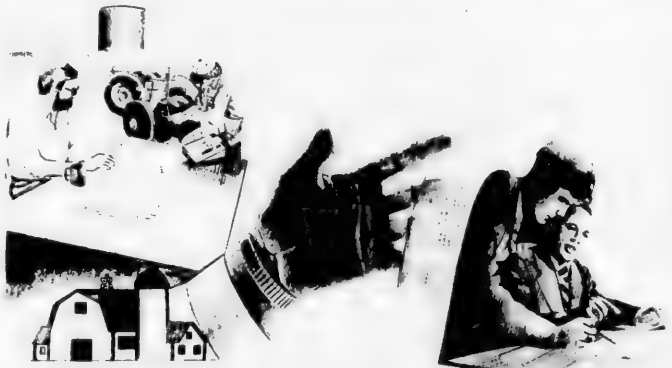
Our Irma W.I. are to help the Irma Eastern Star Lodge with the Trolley cart at the Wainwright Auxiliary Hospital during the month of June. Our members will be responsible for Tuesday June 5 and 19.

A motion was made that we hold another auction in February of 1980. A motion was also made that we hold our annual cemetery clean-up day on Wednesday, June 20. W.I. members will supply lunch. Interested persons please bring mowers, rakes, and clippers. A motion was also made to enter a float in the August 6th Sports Day Parade.

Mrs. Peggy Fleming gave an interesting and informative report on the Provincial Conference at Olds.

Lunch was served by our hostesses Mrs. Alma Eager and Mrs. Jennie Barber. The friendship meeting will be held on July 5 in the Irma United Church.

The program committee will be in charge of the program. Visitors are welcome. Hostesses are members whose surnames begin with the letters A-L. Roll call is your favorite vacation spot and the reason why.



The Alberta Agricultural Development Corporation

Your Alberta Agriculture Financial Counselling Service

Since 1972 the Corporation has authorized over $650 million in loans and guarantees. Under our various programs we have helped 35,000 Albertans.

We offer financial counselling which could help you obtain the best financing available for your farm or agri-business.

Along with Alberta Agriculture's district agriculturists, agricultural economists, and other farm advisors we provide complete counselling on management problems of farmers and agri-businesses.

Let us provide you with financial service.

Irma News and Views

Lance King from Edmonton visited old neighbors and friends in the Irma area last week. A long time resident of the Irma district, Lance now 84 years, enjoys good health and said he really enjoyed his visit and meeting with so many old friends and neighbors.

A sister of Ella Skilles and Elma Tomlinson, Mrs. Anne Brocke a resident of Rosslyn Lodge in Edmonton, passed away at the age of 82 years on May 23, following a brief illness. Following funeral services interment took place in the Ryley cemetery.

Eight ladies from Irma attended the Eastern Star Grand Chapter at Red Deer during the week. They all report having an excellent meeting with over one thousand present. The last day of the gathering the ladies were informed that Red Deer was the coldest place in the province that day with a temperature of 6 degrees.

We are glad to report that Mrs. Nellie Thurston has improved sufficiently to be released from the Wainwright hospital last Friday.

Anne Dunbar's father Mr. Misiek of Grand Prairie passed away suddenly in the Elrond Prairie hospital as the result of a heart attack. Mr. Misiek was in his 79th year. John and Anne attended the funeral last week. John returned home but Anne stayed with her mother for a short while. She is expected to be home early next week.

The C.N.R. crew which has been working on the trestle east of Irma, have almost finished rebuilding the trestle. The old wooden trestle has been replaced by an imposing structure of prestressed concrete and steel. This is really a big improvement in every way. The road through the trestle is now much wider and should be able to accomodate the biggest machines.

Claire Lukens returned by train from a visit with his daughter and son-in-law Linda Lou and Dennis Erickson and family at Smithers, B.C.. He reports attending a baseball tournament at Burns Lake where the team on which his son Ken played won the tournament with a purse of $700.00. We understand that Ken is engaged to be married in August. Best of luck Ken. Irma has always been proud of you.

George Wilson of Marwayne, Alberta is registered at the Irma Motel and is renewing acquaintances in the district. Many were folk that he knew so well in the earlier years. George left here in 1926 for the land of the "Mighty Peace". Since George has seen much of the north country, he farmed in what is known as the Battle River country north of Grimshaw, and is now retired and living in North Star.

Bessie Olson got home from Viking hospital last Friday after a stay of several weeks. She is spending a few days with son Orville and family before moving into her own home in the village.

Orril Darling returned on Saturday, June 2nd from Regina where she had spent almost a week looking after her son's two children while he and his wife went to Whitehorse to house-hunt.

Ruby Taylor, Worthy Matron of Martha Chapter O.E.S., returned from Red Deer, Thursday, June 7, after attending Grand Chapter Session there. She was accompanied by Grace Archibald, Edith Wilson and Orril Darling.

Congratulations to Miss Gwyneth Astly who received her Bachelor of Education degree at Spring Convocation on Monday, May 28. Friends and relatives honored Gwyneth at a smorgasbord on Sunday evening.

Irma Music Students Present Recital

On Saturday, May 26, Mrs. Lillian Copeland presented her recital of the 1978-79 piano students. The family and friends of the young performers were treated to the following selections.

Through the Enchanted Forest	Amy Currie
Three Blind Mice	Dawn Jamison
Let us Chase the Squirrel	Nicole Mitton
Crack the Whip	Jacque Prior
Cherry Pie	Tammy Ronjom and Rhonda Lovig
Little Brown Jug	Alena Ho
The Parade	Brook Jamison
Tune from Haydn E.	LePage
Oh Susanna	Kerri Lovig
The Kangaroo	L. Creasy
Waltz of the Christmas Toys	Amy and Leigh Currie
Prairie Song	Trev Copeland
The Life Guard	Shelly Jones
I've Got Sixpence	L. Creasy
Jingle Bells	Rosaye LePage
American March	K. Larson
Snake Dance	Douglas Larson
My Bonnie - Little Brown Jug	Tammy Ronjom
Good King Wenceslas	Dwayne Hollinger
Robin Redbreast	R. LePage
Jungle Hunt	Leslie and Carol Creasy
The Bluffing Serenade	Tracy Copeland
The Elevator	Diane Soucy
Stand on Tip Toes	Diane Fleming
French Dance	R. Lovig
To A Charming Senorita	Leigh Currie
Shertain' Bread	L. Larson
Over the Hill to Grandmother's House	Deana Prior
Alley Cat	Trent Larson
Waves of the Blue Danube	Sylvia Rausch
Spanish Harp	Blake Prior
Three Friends	Kerri Trent and Leonard Larson
Pirates Are Coming	Linda Tomlinson
Wizard of Oz	L. Larson
"1812 Overture"	M.A. Holt
Blue Mountain Waltz	Irene Tomlinson
Forgotten Melody	M. McKay

Amie Currie presented Mrs. Copeland with a gift of crystal candle holders from her students. Lunch was served by the Brownie L.A. which brought a very enjoyable afternoon to a close. Thank you Mrs. Copeland.

First Viking Cemetery Clean-Up Held

On May 28, 1979 the first clean-up for the year was held at the Viking Cemetery. A group of approximately fifty very hard working energetic people spent the morning cutting out old trees, pruning around headstones and in quite a few areas mowing the grass.

The afternoon found about 15 people remaining and working hard until 3:30. Due to the very large grounds and a few minor set backs not all the work was completed.

It was felt by a few of those who attended that a clean-up should be held just prior to the summer holidays when family and friends will be coming to Viking. So on July 2, 1979 at 10:00 a.m., a second clean-up will be held. Again we ask you to please bring your hedge clippers, rakes, pruners and a big lunch so as to complete the work.

Our sincere thanks to all those who attended our first clean-up and worked so hard to beautify the grounds. We hope that the second session will see as many of you or more. Thank you once again.
Viking Cemetery Committee

New Administrator for Mannville Hospital

Mr. John McLeod, Chairman for the Board of Trustees for the Mannville Municipal Hospital announced to-day that the Selection Committee has accepted the application of Mr. R.W. (Bill) Dainard and is pleased to announce his appointment as Administrator of the Mannville Hospital effective July 1, 1979.

Mr. Dainard has many years of hospital experience. He is presently employed as Administrator of the Canmore Municipal Hospital. Prior to that position he worked as Administrator of the Valleyview General Hospital for five years.

Bill and his wife Kay will be residing in the Village of Mannville with their two sons, ages 13 and 14 years.

On behalf of the Hospital Board, we wish to extend a sincere welcome to the Dainard family to Mannville.

Ryley and Holden 4-H Hold Achievement Day

At the first joint sale of calves of the Ryley and Holden 4-H Beef Clubs held in the Holden complex on June 6th, Tofield Building Supplies paid $1.09 per pound for the Inter-club Champion owned by Sharon Schmidt of the Holden club.

The prize winning animal was a growthy Simmental cross that weighed 1174 pounds.

Karen Magneson of the Ryley club had the Reserve Inter-Club Champion. Kalisi Motors of Tofield paid $1.06 per pound to own the trim 1091 pound Charolais cross steer.

A large crowd of families of the 4-H members, interested spectators and buyers came out of the rain and into the ideal setting of the Holden Complex to watch the various activities of the day.

Mike and Laurie Zowtuk concluded the events at the Complex by auctioning the 25 steers for the Ryley and Holden club members. The average price per pound paid at the sale was 92 cents.

Following the sale a banquet was held in the Ryley Community Hall the same evening with trophies and presentations being made to members for their achievements of the day and throughout the past year.

The Holden 4-H Beef Club concluded their year with a successful Achievement Day which included the presentation to Sharon Schmidt of the Hultholm Family trophy for Inter-Club Grand Champion. She also received the Holden Hotel trophy as Holden Grand Champion and the Beaver Motors trophy for the best rate of gain for her prize-winning steer.

Dale Lutz received the Central Farm Supply trophy for his Reserve Champion steer. Dale also received the Junior Public Speaking trophy presented by Holden Agricultural Society.

The Showmanship trophy was won by Kelly Ann Story She received the trophy donated by United Feeds Limited of Camrose. Grooming was won by Kevin Dewart. Bill Dary presented the trophy to Kevin. Kevin also won the club judging competition and the Holden Frozen Foods trophy.

Brian Hejnar was the winner of the Senior public speaking and was presented the Thor Agencies trophy. Brian also won the Efficiency award and received the H.C. Olson trophy.

Michelle Lutz gave a sometimes amusing report of the year's activities.

Following is a listing of the buyers of the Holden club's calves: Tofield Building Supplies, Lamb Ford Sales of Camrose, O.A. Brown Livestock of Edmonton, Andrukow Farm Sales of Ryley, Camrose and Killam Auction, Morris Erickson of Bruce, Holden Chamber of Commerce, United Feeds of Camrose, Don Danard Livestock of Edmonton and Vern Ronsco of Daysland.

Bruce and District News

Rudy Koppel participated in the Men's Open Golf Tournament in Daysland on Sunday, June 3 where he placed first in Flight 7.

Frances and Pete Misera have been in Edmonton for the past few days staying with their daughter Alice McDairmid.

Evelyn Nolan from Tofield was visiting with her brother Ken Stambaugh and other friends.

Gladys Dorin returned from a ten day visit to Calgary where she was the guest of her sister and brother-in-law Dorie and Don McLeod.

Mary and Bill Flynn recently returned from the Hotelmen's Convention which was held at the Banff Springs Hotel. They report an enjoyable time with good weather.

Broken bones must be contagious. The latest victim is Wayne Thirak who had the misfortune to break his wrist.

Sympathy is extended to Annie Ozubko and Jim Tkaczyk. Their brother John and his wife Emily lost their lives in a tragic train-truck accident just east of Holden on Farmers' Day.

Don't forget Cemetery Day sponsored by the Bruce Women's Institute. It will be held on Monday, June 18th at 1 p.m. Remember to bring your garden tools.

Vermilion River County Teachers on Strike

Last-ditch efforts to reach an agreement between the County of Vermilion River and 122 teachers employed by the County have failed. Final attempts at mediation broke down at 12:30 a.m. Tuesday morning, after five and one half hours of discussion.

As a result, the 12 schools in the County will remain closed on June 5th, and 2,145 students will remain at home. The strike is the first in the County's history.

The sole issue in the dispute is the negotiation of preparation time for teachers. The Board passed a resolution in July 1978, which would have reduced or eliminated the amount of time available during school hours for preparation of lessons and for marking assignments. The Board has refused to discuss changes or elimination of its cutback in preparation time.

"The Board simply refused to negotiate," said Dr. Charles Hyman, representative for the bargaining agent. "There was nothing left to discuss."

No further meetings between the teachers and the Board are scheduled at this time, but further mediation is expected to take place.

Looking For A Job?

The Job Seeker's Handbook, a publication detailing job-search techniques, is now available for distribution to interested groups and individuals according to Jim Horsman, Minister of Alberta Advanced Education and Manpower.

"Alberta may boast the country's lowest unemployment rate but we cannot escape the highly competitive nature of the job market. Preparation and approach often make the difference between success or failure at getting a desired job," Mr. Horsman explained.

Produced by the Career Resources branch of the department, the Handbook covers every aspect of the job search, from defining goals and abilities through to the final interview.

The Job Seekers Handbook is aimed at anyone interested in pursuing a career in any field. It first endeavours to develop a positive attitude in the job seeker. It is not a case of asking for a job but rather trying to sell one's services ...services from which the employer can ultimately make a profit. This attitude is reaffirmed as the reader is led through the various stages necessary to achieve the final objective.

Preparation for the job search involves a self-assessment of interests, abilities and skills in order to identify the unique qualities a person has to offer as well as the type of work best suited to those particular interests.

Once these are determined, the next step is to locate employers who need someone with the same qualifications. How to identify and research potential employers is examined in detail.

Information about oneself is often given in the form of a resume which acts as a promotion piece. It is a device to get a potential employer to take a second look.

The handbook describes how to organize a resume and what information to include. Examples of different types of resumes are given as well as hints on filling out application forms and writing letters of inquiry.

The final stage is the interview ... the most important event in the job search. The Job Seekers Handbook gives helpful advice on how to prepare for and handle the interview.

Copies of The Job Seekers Handbook may be obtained free of charge by writing: Career Resources Branch, Alberta Advanced Education and Manpower, 8th Floor, Devonian Building, East Tower, 11160 Jasper Avenue, Edmonton, Alberta. T5K OL1

Notes on Boating

With the boating season almost upon us, we need only look at our favorite lake to see our waterways becoming more congested every year. Because of this congestion, it is important to know the "rules of the road" on water in order to avoid an accident. There are two basic rules to always remember. First, you must yield to any vessel in your danger zone. The danger zone is that area directly in front and in an arc to the right until just over your right shoulder. Secondly, a powered boat must yield to a non-powered vessel.

There is one exception to the second rule, and that is when a power boat is navigating a narrow channel. In a narrow channel, a powered craft might only be able to safely operate in a certain area. All sailing and non-powered craft should keep as near as possible to the right-hand side, and yield to the powered vessel. The sailing and small craft never cross ahead of a larger craft in a narrow channel.

What types of equipment are required for a boat? In Canada the requirements vary with the boat size. For any vessel under 18 feet, an approved lifejacket, personal flotation device (P.F.D.) or life saving cushion for each person on board is required. You need two paddles or oars as well as a bailing can or manual pump. A fire extinguisher is mandatory on a vessel equipped with an in-board engine, built in fuel tanks or cooking or heating apparatus. If the boat is between 18 feet and 26 feet, then the requirements change slightly.

You must carry an approved lifejacket or P.F.D. for each person, a bailer or manual pump. In lieu of two paddles you can use an anchor and 50' of line and if the boat is power driven then a fire extinguisher is required.

There must be an approved throwing device such as an approved cushion, buoyant heaving line or approved life buoy. In addition, it is recommended that you carry a first aid kit, flashlight and a tool kit. If your motor uses shear pins, then carry extras and know how to change them.

Gas Co-op To Replace Pipe

The Alberta government will pay $15 million to help rural gas co-operatives replace about 4500 kilometres of faulty plastic pipe the government urged co-operatives to use.

Utilities Minister Larry Shaben told the legislature Thursday that the commitment was made last fall to pay 90 percent of the cost of replacing plastic pipe which has sprung leaks for co-ops around the province.

He told Fred Mandeville (SC - Bow Valley) the government made the commitment to ensure the co-ops don't suffer financially because of faulty pipe. The money will be paid over three years and some replacements have begun.

But the minister said he has yet to decide if his department will sue the pipe's producers for damages to attempt to get the $15 million back.

Thirteen gas co-ops have already begun legal action to recover their share of the replacement cost and Mr. Shaben said he will watch developments in those cases before deciding if legal action will be started.

The pipe was not entirely faulty and some co-ops have only had leaks in short sections. Less than half of Alberta's 77 co-ops have had problems with the pipe, Mr. Shaben said outside the house.

The Iron Creek Gas Co-op have 275 miles to do during the 3 year program. They plan to do 120 miles this year in the Viking - Irma area.

Increase In Swimming Deaths

The Canada Safety Council notes an increase of 28% in deaths attributed to swimming accidents in the latest available national drowning statistics. A total of 184 deaths resulted from swimming in 1977 and the Council urges all swimmers to keep this fact in mind and heed basic safety rules.

Learning to swim is the first practical step towards water safety. Inquire about swimming courses in the neighborhood. Even good swimmers know their limitations and don't take risks.

Swimming areas should be chosen carefully. Before wading, swimming or diving in an unfamiliar place find out the depth of the water and whether there are hidden rocks, strong currents or sudden drop-offs.

Observe and obey all warning signs.

Swimmers and non-swimmers alike should never be alone in the water. Swim with a partner, preferably one skilled in life-saving. Non-swimmers should confine bathing to shallow, safe waters. Even a good swimmer should swim reasonably close to shore.

If the water is cool, wade in slowly then splash water onto your body gradually.

Swimming in the dark is dangerous; you can't see or be seen. You can swim after a light snack but swimming after a full meal may cause exhaustion and nausea.

Keep a constant eye on children, even in a wading pool because kids love the water and frequently become reckless. Set a good example by always being safety conscious near a body of water, no matter how small.

Beware of Fad Diets

Past winter blues are a common threat right now. "How on earth will I slip into last year's bathing suit? I have to lose these extra pounds and fast."

Be careful! say the food consultants at Agriculture Canada. Dieting is serious business. Don't be turned on to every bizarre diet that shows the horrendous "before" and beautiful "after" pictures.

No doubt there's great appeal for fad diets. Compared to a sensibly balanced reducing diet, they're a lot more novel and challenging. And they're an easy way out - all your meal planning is done for you.

These fad diets, however, are not as good as they may seem. They often overemphasize one particular food or group of foods. Sometimes the diets are based on valid research findings, but they may be applied out of context.

The grapefruit diet is one such diet. Of course eggs and grapefruit are nutritious foods and should be part of your diet, but they certainly don't hold magical powers that "melt the fat away".

The same holds true for the banana diet which focuses again on two foods; bananas and skim milk. No doubt you'll lost weight - how much banana and skim milk can an average person tolerate in one day?

Other diets eliminate one of the major nutrients like carbohydrate. In time, these diets result in undesirable physiological changes due to a deficiency in essential nutrients.

The idea of a diet is not to lose 10 or 20 pounds overnight but rather two pounds of body fat per week, and to maintain that weight loss. This requires a permanent change in your eating habits. And don't become an obsessive calorie counter. A diet that includes the four food groups every day will be well balanced.

Practical Christian Living By Omnibus

Last time I promised to consider something of the Lord Jesus Christ's teaching on our responsibilities towards people in unfortunate or miserable circumstances. The teaching is to be found in Matthew's Gospel, chapter 25 verses 31 to 46.

The Lord begins, "When the Son of Man comes in His Glory . . He will sit on His Golden Throne. Before Him will be gathered all the nations, and He will separate them one from the other as a shepherd separates the sheep from the goats and He will place the sheep at His right hand, but the goats at the left". This is a clear statement of the fact that Jesus Christ will return personally and visibly to everyone, and that He will come to judge the world.

Jesus goes on to give several of the bases upon which He will judge people. Those who will be blessed and those who will be cursed, the "righteous" and the "unrighteous" respectively, will be judged by what they did in this life with respect to Christ and His expectations for all people.

He said, "I was hungry and you gave Me food; I was thirsty and you gave Me drink; I was a stranger and you welcomed Me; I was naked and you clothed Me; I was sick and you visited Me; I was in prison and you came to Me". Later on He explains to both parties, sheep and goats alike; "As you did (or did not) to one of the least of My brethren, you did it (or did it not) to Me".

All through the history o the Christian Church, we find many examples of people obeying the teaching of Christ to give food and drink, welcome strangers, clothe, visit sick and imprisoned people. In other words, think about, care for, and practically help people in great need. The teaching of the parable of the Good Samaritan is practised in helping and loving our "neighbor", our fellow human being.

One can mention a few outstanding examples: Elizabeth Fry and the Quaker family Howard who visited prisoners and eventually brought about the prison reform; William Booth, the founder of the Salvation Army, whose work is honored throughout the world, and who in his lifetime brought hope and comfort to millions of unfortunate people; Dr. Barnardo who rescued starving and homeless orphan children; Florence Nightingale, the "mother" of the modern hospital service. The list is endless, not even mentioning the many Christians who gladly and willingly answer God's Call to serve others in missionary work or whatever vocation they know God has called them to.

What of us? We too will be judged by our response to the expectations Christ has of us. If ever we have thought of others and come to the need of others in the Name of Christ, we will be rewarded. If we demonstrate practical love for our fellow humans because we are Christians, we shall not lose our promised reward.

We shall hear Him say to us, "Well done, good and faithful servant", and we shall enter Heaven with joy and gladness. If not, we shall be lost forever!

As individuals we need to examine ourselves and our motives in all that we think and do. Are our religious practices, our church-going, our involvement in Society based upon a true desire to glorify God and serve genuinely our fellow humans? Do we function with the motives of love and consideration? James writes in his letter, chapter 1 verse 27; "Religion that is pure and undefiled before God and the Father is this; to visit orphans and widows in their affliction, and to keep oneself unspotted (or unstained) from the world."

Do You Know The Bible Says

Luke 16:13 ... I John 3:14 ... 2 Thess. 1:7-9. God be merciful to me a sinner ... We know that we have passed from death unto life, because we love the brethren. He that loveth not his brother abideth in death ... And to you who are troubled rest with us, when the Lord Jesus shall be revealed from heaven, with His mighty angels.

In flaming fire taking vengeance on them that know not God, and that obey not the gospel of our Lord Jesus Christ: who shall be punished with everlasting destruction from the presence of the Lord, and from the glory of His power.

Acts 16:31 says, Believe in the Lord Jesus Christ and thou shalt be saved. This means we must believe in what He is, who He is, what He has done for us, and what He still will do for those who love and serve Him. also what He will do with those who reject Him.

All who believe and obey all Jesus said are His children and are brethren in Him. No matter what church we belong to. If other churches preach the gospel of Christ they are not more a cult than our own church. Being a church member doesn't make anyone a christian, but only if we see ourselves as sinners, forever lost and separated from God, and repent and turn to Christ for His cleansing.

Be careful how you judge other Christians, remember Paul and Silas, preached God's message and were persecuted by those who thought they were right. Examine your heart in the light of God's word. Don't judge others until you know for certain that you are right with God yourself. Remember IF you are saved, you will love the saved brethren of other churches.

Echo-Rodino Report

Dr. and Mrs. Mann of Viking were last week visitors to the Holt residence accompanying them were Dr. Mann's parents from England who have been enjoying a visit in our country.

Nerine Hunter has now moved back home from Viking. Welcome back Nerine. Mr. and Mrs. Leslie Prosser made a business trip to Edmonton one day this week Returning to the city with them was Douglas Prosser who had been spending the weekend with Grandpa and Grandma.

Mr. and Mrs. Wes Bauer and family took advantage of the long weekend and went with Mr. and Mrs. Brent Hollar and family and took in some fishing in the north country. A good time was had by all with even the youngest of the gang getting a fish.

Mr. and Mrs. Bob Williams traveled to Fox Creek where they took in the Graduation of Dean Goverman. While there they visited with many old friends.

Mr. and Mrs. Barry Holt and family of Calgary were visitors to the Phil Holt residence. They also stopped for a quick visit to the Bruce Greenwood home.

Home for the weekend were Mr. and Mrs. Mervyn Krull of Ledue to the Prosser residence and Teresa Greenwood of Camrose to the Bruce Greenwood residence.

Parkland Nursing Home News

Mrs. Gustafson enjoyed a visit with Jim and Agnes Knudson of Irma.

Hedy Ploc of Viking called on Mr. Semanek.

Miss Klatt had an afternoon visit with her two nieces - Mary and Dora Reister.

Mr. and Mrs. J.A. Haughton of Vancouver stopped at the Home to visit their many friends.

Calling on Mrs. Tchir was her husband Mike and Nick & Ann Tkaczyk of Edmonton.

Mr. and Mrs. Ken Ruse visited with Toole Brenner & Roy Harris.

Mrs. Ward was visited by her son Ross and granddaughter Heather Teed.

Visiting Mrs. Kawalilak were Mr. & Mrs. M. Kawalilak of Vancouver, Ann Galensa of Camrose, Helen Kawalilak & Lucille Stansbaugh of Edmonton & Kathleen Kawaliliak from Holden.

Mr. Kendrick enjoyed a Sunday visit with Gus and Virginia Johnson & Rolland & Kathy VanDewark.

On Wednesday afternoon Lillian Nordstrom took Grammie Haeberle & Dora Cartwright to Killam to visit Mrs. Dumont. Mrs. Dumont is now a resident of the Killam Auxiliary and wished to be remembered to all her friends in Viking.

Monday was Royal Purple Day and the ladies brought cake and ice cream for lunch and entertained us with songs. Thank you very much - its nice to be remembered.

Many of the residents went to Holden for the Sports Day parade. Big thanks to Lillian, Ardis, & Olaf for providing the transportation.

Everyone at Parkland extends their deepest sympathy to Mrs. Pascal on the sudden death of her daughter and son-in-law, Emily and John Tkaczyk.

Informal Meeting Held on Future of Regional Recreation

An informal meeting of the governing authorities of Beaver Regional Recreation met at the Viking Civic Centre on Monday evening. Mayor Selmer Hafso of Viking chaired the informal discussion and stated that the meeting was called to review the recreational set-up in the County. He noted that as the meeting was to be informal and frank, that no decisions would be revealed at the meeting.

Early discussion revolved around Tofield's decision to withdraw from the Regional Recreation agreement and the legalities of such an act. Jack Lampitt of Tofield stated that Tofield had decided to pull out because they were not happy with the dollars returned for Tofield's expenditure on regional recreation. Neil Brody of Tofield stated that legal advice had been sought on their withdrawal and that they had no financial obligations to Regional Recreation after June 1, and that Tofield will meet their financial commitments up to this date.

Bill Taylor questioned if Tofield would operate only on a "town" basis. Mr. Lampitt responded by saying that this was their only area of jurisdiction and couldn't move into the surrounding area as this was County jurisdiction. Mr. Brody stated that the Tofield Council hasn't worked out details yet on their local recreation plans.

Mayor Hafso stated that if regional recreation is disbanded, the area concept should be utilized. Bob Evans of Viking said that he was personally in favor of Viking withdrawing from Regional Recreation, but that he didn't want to cut ties with the rest of the County. He noted that he didn't want to see any area of the County hurt by the abandonment of the Regional Recreation agreement.

Maurice Stephenson queried as to what happens if the County won't administer the 3 mill program for capital expenditures. Bob Cross, Secretary-Treasurer of the County of Beaver, stated that he couldn't see any problem with the County administering the 3 mill program. He noted that the 3 mill program could be paid-off this year, but that a new agreement would have to be drawn up if the program were to continue.

Discussion followed on the Beaver Regional Arts Centre in Holden. County Councillor Hjordis Armitage noted that the Centre is basically paid for and that plans are to have the Centre fund its own operation. Marvin Tomashavsky of Holden explained that the Centre's capital expenditures were covered under the 3 mill program and other government grants.

Len Josephson of Viking felt that the problems in Regional Recreation arose over the funding of the Arts Centre. Discussion ensued as to the responsibility for the expenditure of Regional funds. Reeve Walter Kropielnicki stated that the Recreation Administrator was a Board employee and that the Regional Recreation Board must bear the ultimate responsibility for funding.

Bill Taylor of Viking stated that the Arts Centre is a County thing so everyone was responsible for it. He felt that dollars were being thrown away on Regional

Holden Sports Day Attracts Large Crowd

On Friday, June 8, 1979 Farmer's Day, the Holden and District Agricultural Society sponsored their Annual Sports Day at the Holden Recreation Grounds. As in past years, the days events began with the breakfast at the Recreation Grounds.

The parade which was organized by Bill Hallett started at 10:30 a.m. from the school and ended at the Sports Grounds. Judges, Beatrice Fredericks, Paulette Erickson and Clay Schaning and recorder Helen Tiedemann announced the following winners.

Commercial:
1. Holden Farm and Ranch Centre (1978) Ltd.
2. United Grain Growers
Merit: Satellite Heating
Merit: Beaver Motors Ltd.

Organizations:
1. Holden and District Chamber of Commerce.
1. Holden Brownies
2. Order of the Royal Purple and B.P.O. Elks.
Merit: Holden 4-H Beef Club
Holden and District Agricultural Society and Holden Good Timers Hockey Team

Bikes:
1. Lori Krause
2. Cory Lewis
3. Shelley Lusk
3. Lisa Jeffrey

Novelty:
1. Penny Chomic
2. Seide Children
3. Cindy Chomic

Horses:
Best Dressed Ladies:
1. Anna Voltner
2. Shirley Voltner
3. Judy Bercik
Mens Best Dressed
1. T. Yule
2. John Tkaczyk
3. Lawrence Hurum
14 Years and Under
1. Janet Voltner
2. Mark Laskoski
3. Greg Tkaczyk
Out of Town:
1. Longridge Community
1. Scottish Pipers

Senior baseball, senior men's fastball, women's fastball and minor ball games were played throughout the day.

In senior men's baseball, Dayaland beat Viking; Holden defeated Sirome, Sedgewick defeated Lougheed; Holden defeated Dayaland in the semi-finals and Sedgewich defeated Holden 8-7 in the finals.

In senior men's fastball Ryley defeated the Holden Revise in the first game, then Bruce defeated the Holden Keggers. The final game saw Ryley emerging victorious after defeating the Bruce team.

The ladies game saw the Holden Rockets defeating the Longridge ladies team. In minor baseball, Ryley defeated the Holden Otters in a regular 14 and under boys league game.

Afternoon attractions enjoyed by the children were the midway and childrens parade.

A tractor rodeo was held with the winners being: Women: Jessie Kolodychuk 12 and under - Darcy Shtokal and Dean Komarnisky were tied.

The horseshoe tournament was won by John Stokowski and Elmer Thibodeau, both of Camrose.

The beef barbeque was prepared by John Semotiuk and Lyle Grosland and ladies of the catering committee of the Agricultural Society. The meal was enjoyed at the community hall by a large number of people.

The day concluded with dancing to the music of the Polka Tones at the Holden Community Hall.

Proceeds from the sports day will go towards operation, maintenance and debt retirement of the Holden Complex. The efforts of all those who contributed to making the day a success are greatly appreciated by the Board of Directors of the Holden and District Society.

One of the many outstanding floats in the Ryley Sports Day parade was the Thor Agencies entry which is an exact replica of the Century 21 Playhouse. The replica was constructed by Victor Petruk of Viking who instructs the Industrial Arts Classes at Ryley School.

A Rather Shaky Debut

In its short two and a half weeks as the government of Canada, the Progressive Conservative government has managed to create a turmoil the length and breadth of Canada. Perhaps placing the cause of this turmoil on the Conservatives is unjust. Perhaps it should rest on the shoulders of their leader, Prime Minister Joe Clark.

The policy to move the Canadian embassy from Tel Aviv to Jerusalem is one which Mr. Clark expounded during the campaign in hopes of securring the vote of Jewish Canadians, particularly those living in Ontario. It worked.

However, the full implications of this policy were perhaps not fully thought out. The Arab states in the world still view the control of Jerusalem as an undecided issue, and one that must be negotiated between them and Israel if a lasting peace is to be realized in the Middle East. By Canada moving its Israeli embassy from Tel Aviv to Jerusalem, the Canadian government, in essence, recognizes Jerusalem as the "official" capital of Israel. This "official" recognition is what has the Arabs upset.

Already, business leaders from across Canada have journeyed to Ottawa in hopes of having the Conservatives reconsider this policy. As well, members of the Conservative cabinet, particularly External Affairs Minister Flora MacDonald, have been placed in the hot seat by Arab diplomats, Canadian business leaders, politicians, and the media.

The benefits to Canada of moving the embassy seem negligible. The possible economic consequences appear potentially disastrous to some Canadian businesses, many of which are located in Alberta. The possible loss of lucrative contracts with Arab states, and thus jobs for Canadians, and the possibie economic sanctions by Arab states, e.g. cutting off oil supplies to Eastern Canada, can severely damage Canada's economy. This is tantamount to economic blackmail for international relations. (We seldom, if ever, do anything to upset the Americans.)

Hopefully, Mr. Clark's stand on this policy will be reconsidered. If he changes his stand, Canada will "lose face" on the international scene and our possible role as "peace keepers" in various parts of the world will be weakened. If he maintains his stand, we will very likely lose economically.

Perhaps our "new" Prime Minister should take the time to fully understand his job and the consequences of his policies. So far, his debut has been rather shaky.

Regional Recreation Meeting

Continued from Page 1

Recreation and that these dollars could be better spent in the local areas.

Ray Haveland, Secretary-Treasurer of Ryley, said that if Towns felt that they weren't getting value for their money, then they aren't properly participating.

Larry Andrukow of Ryley wondered what type of local organization would be established to handle the recreation in the towns. Bob Evans stated that recreation could be tied into a P.S.S. program in Viking and that a director could handle both P.S.S. and recreation. He noted that all local funds would then be spent in the immediate area. He felt that co-ordination would be needed with the County to include the area around the Town.

Mr. Tomashavsky questioned if recreation could be included in a P.S.S. program. A member of the public gallery, Marie Rushton, stated that it doesn't come directly under P.S.S. but that P.S.S. involves recreation and there is funding for some programs. Bill Taylor stated that he had talked with the P.S.S. Director for the County of Leduc who said that this type of operation wasn't widespread but that it is being done. The possible establishment of County boundaries for each local recreation area followed. Mr. Josephson suggested that rural people could contribute to a particular local recreation board or pay extra fees for use of facilities. Mr. Kropielnicki noted that this had been tried in Vegreville with their swimming pool and was a disaster. Mr. Josephson then noted the possibility of taxes being designated to go to a specific jurisdiction.

Bob Cross said there were problems with this, but that a County mill rate could be levied and the money distributed to the local boards.

Councillor Gordon Maxwell asked for the position of those in attendance concerning dissolving or staying with Regional Recreation. Ray Haveland felt that the smaller centres can't afford to have local recreation. Marvin Giebelhaus of Holden agreed with this position.

Following several questions on the future of regional recreation, Mr. Kropielnicki said that until people definitely pull out of the Regional Recreation agreement, answers couldn't be provided to many questions. He noted that if the Agreement is abandoned, nobody will be left stranded and that all financial arrangements will be cleared up.

Further discussions ensued on the possible uses of the 3 mill program to continue funding recreation in the local communities. Concern was expressed over an equitable means of distributing funds, but some felt that this could be worked out.

Viking Chamber President Attends Alberta Annual Meeting

Ken Bird, President of the Viking and District Chamber of Commerce attended the Chamber's 41st Annual Meeting held in Red Deer on June 10, 11, and 12.

In addition to attending as a voting delegate, he presented the "resolutions" as drawn up by the Viking Chamber last fall. The resolutions were designed to alleviate future problems concerning the expansion of Hutterite Colonies. The resolutions presented and passed read as follows:

(1) That all levels of government work together along with Hutterite Colony Councils to develop a long term zoning plan to encompass future expansion needs of colonies.

(2) That consideration be given to re-validating the Communal Properties Act with any necessary amendments or deletions - and that the Alberta Bill of Human Rights be reviewed and amended to accomodate this.

These resolutions were well received by rural chambers but larger urban chambers tried hard to shoot them down.

Ken sat in on the round table discussions on agriculture and felt that the Hutterite problem was given considerable coverage. For our particular region it was recommended that concerned farmers take an active part in their local chamber activities, with the hope that the chamber will be able to influence the County Council in zoning by-laws. The Viking President urges the rural population to become active in their chamber and benefit from the "voice of a united group" rather than the sometimes futile efforts of an individual citizen.

Approximately 100 resolutions were presented during the three day affair. Of these, an estimated 75 percent were passed.

Delegates attending elected Alberta Chamber offices for the next twelve months. Re-elected as President was Walt B. Dingle of Calgary. Re-appointed President Elect was Reiny Lehr of Medicine Hat. Peter Jennings of Edmonton was elected first vice-president and Bob Dowling was elected second vice-president. Jerry Wilde, C.A. of Vegreville was voted into a second term as the association's treasurer.

In his report to the Chamber Annual Meeting, President Walt Dingle stressed concern for the limited amount of opposition in the Provincial Government and the need for citizens and the Chamber of Commerce to do homework and bring forth their concerns. He also urged the delegates to continually speak out on new and existing legislature.

Also encouraging the individual chambers to speak out was guest speaker Mr. Cleo Mowers. He delivered a speech entitled "Can You Hear Me?" with the message that he is "reluctantly concerned that we are not communicating any better now than we were 40 years ago".

Reg Stefaniszyn [left] President of the 1979 Viking School Graduating Class presents a cheque to Mr. Everett Norris during "A Music Fantasy". Mr. Norris accepted the cheque on behalf of the Viking School Music Department. Staff Photo

A SPECIAL INVITATION TO YOU TO PARTICIPATE IN ALBERTA'S 75TH ANNIVERSARY CELEBRATION

1980 HOMECOMING ALBERTA CANADA

1980 is Alberta's 75th birthday
and the year for the grandest celebration
this province has ever seen.

It will be the year for visiting
your home town to join in the festivities.
For former Albertans to come home.
For everyone who wants to come
and celebrate with us. Homecoming 1980.
It's our party. And who can resist
an invitation to a party?

Whom would you like to invite?
The Province of Alberta would like to add
its invitation to yours. To all the names you send in
— friends and family out-of-province,
whether or not they were born here.
Look for the envelope with the attractive
new Homecoming 1980 symbol in your mail
during the third week in June.

Send in your lists. And in the fall,
the Province of Alberta will send a personal invitation
to all those you'd like to have as guests
for Alberta's 75th Anniversary celebration.

Irma Couple Celebrates 25th Anniversary

Helen and Alex Smallwood of Irma were the guests of honor at a 25th Wedding Anniversary celebration in Irma on May 12.

The Irma Legion Hall was filled to capacity on May 12, 1979 to honor Mr. and Mrs. Alex Smallwood on the occasion of their 25th Wedding Anniversary.

To the tune of the Wedding March, the bridal couple and their attendants, Mr. and Mrs. Cliff Smallwood were escorted to the head table by their family, Velma, Dorothy, Richard and Jason. Mr. Eddie Jackson, M.C. for the evening, introduced the head table guests and their family.

A short program followed which consisted of a solo "Amazing Grace" by Gordon Hollinger; two poems by Eunice Gulbras, a medley of piano duets and songs by Velma, Dorothy and Jason, reminiscent of the hours of fun they enjoyed together at home; several greetings by close friends; and a presentation to Helen by Marina Hollinger, President of the Sharon L.C.W. Mr. Norman Fluevog, on behalf of the community and friends, presented the Smallwoods with a set of luggage and a gift of money. He spoke of their association as neighbors and wished them many years of health and happiness together.

Alex spoke on their behalf thanking for the gifts, for all the work put into making such a pleasant evening for them and to each one for coming and sharing this happy time with them. Velma also thanked all who had assisted her and Dorothy in planning the happy event. A delicious lunch was served and dancing was enjoyed the rest of the evening.

Prior to the party at the hall, about 55 relatives enjoyed a family supper at Butch and Marion Fischers' home in Alex and Helen's honor. Relatives were there from Calgary, Red Deer, Wainwright, Manville, Innisfree, North Battleford, and Edmonton.

Irma School News

The Read-A-Thon to raise money for Multiple Sclerosis Society was a successful event with over $500 donated by our students activities towards discovering the mystery of sclerosis. A big thank you to all students who participated, and especially to Blake Prior, Heather White, Lyndon Iddings and Jacque Prior who did an exceptional job and were rewarded with a small token of thanks from the Society.

Through the House and School, a book colouring activity was held among the grade two students. Mrs. Copeland arranged for the colouring books to be available and Mrs. Olmsted found the time. The students did such excellent work it was decided to give three small prizes to the best books. Mrs. Prosser judged the books - congratulations to Erin Le Page, Jacque Prior and Krystal Prior.

Mrs. Lovig and her home economics students put on another excellent fashion show this year. The show was well attended and enjoyed by all. We hope to have a picture for next week's issue of the paper.

Final exams are scheduled for next week. Senior high commencing on Monday the 25th and the Junior High on Tuesday, June 26th.

Final marks for all grade 10, 11, and 12 courses will be posted in the school by noon on Friday, June 29th if students wish to check their standings.

Reports and Departmental Transcripts will be mailed hopefully on Friday, June 29th, but certainly no later than Tuesday, July 3rd.

For those students who have library books, text books and money outstanding they WILL NOT receive reports until these obligations are settled.

Irma U.C.W. News

The regular meeting of the U.C.W. was held on Tuesday evening, May 29th with Mrs. Georgina Enger as acting president, in the absence of our president and vice-president.

Mrs. Peggy Smallwood led in devotions, reading from Proverbs 29, verse 23. Her topic was "looking down on others".

Roll call showed 10 members and 2 visitors present.

Mrs. Enger then called on Mrs. Irene Findlay, Area 2 Vice-President for St. Paul Presbyterial U.C.W., to speak to us. Mrs. Findlay first of all reminded us of the Spring Rally being held in Vermilion on June 14th. Her topic was "What is going on with the U.C.W." Her talk was very enlightening. She said we were to think in new directions; new programs are needed and also see if the church needed restructuring.

We then had a group discussion. Our concern - to keep the children in the church.

We closed with our Theme Prayer.

We then were served a delicious lunch by Mrs. Kay Fahner and Mrs. Elsie Pond.

Our next meeting to be held June 26th

Devotions - Mrs. Louisa Prosser; Program - Mrs. Isabel Fenton; Hostesses - Mrs. Edith Wilson and Mrs. Isabel Fenton.

Irma Grade Eight Class Wins Trip

Each year the Irma Home and School offer a trip to the class with the most parents attending Home and School meetings during the year.

The grade eight's with their teacher Miss Lasour left by bus for Edmonton on Friday, June 15th.

Highlights of their trip were visits to the provincial museum and the Muttart Conservatory. Everyone went roller skating which was a first for many. After a stop for supper it was homeward bound, arriving back at approximately 9:00 o'clock. It was a day well spent.

Mrs. Carol Prior, Mrs. Charlotte Lindmark and Mrs Marion Fischer were the mothers accompanying the class on the tour.

Funeral Service Held For Former Viking Resident

Funeral services were held for David Henderson of White Rock, B.C. on June 6, 1979 at Viking, Alberta. Dave had been visiting friends and relatives in the Viking area before he passed away suddenly in Viking General Hospital on June 3, 1979.

David Henderson was born in Wick Caithness, Scotland on October 8, 1906. He was the eldest son in a family of nine children born to James and Jessie Henderson. He took his schooling and black smith trade there before coming to Canada at the age of 18. Dave worked around Edmonton on farms before coming to Viking to continue in the blacksmith trade.

In 1932 he married Marjorie McPherson and to this union four sons and four daughters were born. They farmed in the Viking area for many years until they semi-retired at which time they bought and operated the billiard room in Viking. In April 1962, they retired to Chilliwack, B.C. where they resided for five years before moving to White Rock, B.C. He was interested in all sports and antique collecting.

He leaves to mourn his loving wife Margy; two sons, Bud of Hines Creek, Dale of Edmonton; four daughters, Verla (Bonnett) of Fairview; Karen (Cumming) of Viking; Colleen (Dargets) of Williams Lake; Heather (Beaumont) of White Rock.

Two son in-laws, Don and John; two daughters-in law, Shirley & Elaine; 10 grandchildren; 1 great grandchild; 1 nephew, Sandy & family in Canada. He is also survived by one sister, two brothers and several nieces and nephews in Scotland. He was predeceased by his parents; two sisters; three brothers and his two sons, Ken in 1929 and Ron in 1974.

Funeral services were held at 2:00 p.m. on June 6th at the Viking United Church in Viking with Rev. J.E. Bennett officiating. Ronaghan Funeral Services of Viking was in charge of arrangements. Interment was in the Viking Cemetary with Eric Beddoes of the Daysland Pipe Band leading the funeral procession. Pall bearers were Bill Dyke, Bob Tweedy, Wilfred Leidl, Ray Maxwell, Rod Roddick and Charles Maxwell.

Floral tributes were from the Family: Sandy & Baba & Jenny Henderson; Merlin & Phyllis McIlride; Clarence & Verna Gilbertson; Dennis & Edna White & family; Ron, Margaret, & Darci Gilbertson; Hans Jorgenson; Charlie & Jan Combs; Bob & Mary Lou Gilbertson and family; Bill & Ester Stalker & family; Ron & Carol Shippy and family; Roy & Margaret Maxwell; Reg & Pat; Buster & Lisa Green; Don & Gerde Symes; Frank & Marion Platten & family; Roger & Diane Siermachesky & boys; Gus & Shirley Quattek; Gerald, Diane, Jackie, Colleen & Gerry Bonnett; Lumir & Helen Dobry; Doug, Marge & Tommy Cumming; Charlie & Ella Elliot; Peter & Lynn Fleryn; Merv & Sharon McBride; Jan Martin; Neil & Penny Amundson & family; Brian Peever & family; Leidl families; Fred & Mary Trueman; John, Jenn, Karen & Rose Marie Dyke; Bill & Rose Dyke; Marge & Bob Collins; Maud & Gordon Sturgeon; Dave & Sandy Rainville; Brian & Shiela Waddell; Mr. and Mrs. Bob Merchants.

Donations to the Alberta Heart Foundation were received from: Mr. & Mrs. Everitt Lancaster; Mr. & Mrs. Ed Djos; Mr. & Mrs. George Bonnett; Mr. & Mrs. Terry Bonnett; Mr. & Mrs. Norm Bonnett; Helen Piscis; John & Rena Mae Collins; Stella Syme.

Donations to God's Acre Cemetary Fund from: Mr. and Mrs. Bill Place & family.

Donations to Dayaland Cemetary Fund from: Mr. & Mrs. Eric Beddoes & family.

Bruce and District News

Jean and Carl Johnson have returned to Vancouver after spending couple of weeks visiting with Lillian and Dan Teske.

Senia Babbitt and Bea Fredericks who are replacing Anne Moikoski and Inez Lutz on the Further Education Council, attended their first meeting on Monday night. The next meeting will be held on August 20 to set up fall programs. What are you interested in? Whether it be decoupage, car care, home decorating or witchcraft, if there are eight interested people who are 18 years or over, an honest effort will be made to find an instructor. However you must make your wishes known for as yet no course has been offered in mind-reading.

Circle June 23 on your calendar right now! It's the date of the Midsummer Social sponsored by the Bruce Agricultural Society.

Only three people turned up at the last fire meeting. Remember the date has been changed and meetings are now held on the second Wednesday of each month at 7 p.m.

The Holden primary Special Education class received a grant from the Canadian Commission for the International Year of the Child. This grant has enabled the children in Miss Kleutz's class to go bowling, take swimming lessons and to ride the Greyhound bus to Edmonton, where they spent the day travelling on the LRT and shopping. Pictured above are Rodney Gustafson, Wayne Ball, Michelle Ball, Bonnie Hellekson, Bradley Koppel, and Joey Chrystian.

Quinte W.I. Report

There were ten members and one guest at the last Quinte W.I. meeting. It was held on May 24th at the home of Mrs. Angela Johnston.

The meeting was started off with the reading of the W.I. creed. The Secretary and Treasurer then gave their reports.

Then there was discussion held on the old business which included further preparation discussions for the wedding we catered to on June 2nd and also to find a delegate to go to the federated conference held in Olds, Alberta. Mrs. Doris Fee was elected to be our delegate.

Then the correspondence was read, which included a letter from the Cystic Fibrosis Foundation, a newsletter from Outdoors Unlimited, a letter from two students of Viking School for our donations for their trip, and an invitation from the Shady Cove W.I. to attend their anniversary celebration on June 18th.

Then we discussed the new business. It included our outing in July and 2 weddings to be catered to on the 23rd of June.

Then came roll call which brought a few hillarious minutes as each member gave an account of "Something unusual going to a meeting."

Then Lois Crouse held a contest which was won by Angela Johnston. There were two hostess gifts given away this time. The one for April was won by Doris Fee and the one for May was won by Lillian Arnett.

The meeting was then adjourned by Cleora Darling. The meeting ended with coffee and lunch.

Woodville Social

On Sunday June 10th, a most beautiful day, made for a most enjoyable time for those who turned out to a Woodville Reunion picnic.

The horseshoes were kept busy by the male enthusiasts whilst a few of the young kept themselves entertained with ball games. And the ladies spent the afternoon just relaxing and enjoying each others company.

The community members brought salads of every description and the Kentucky Fried Chicken was catered in from Lloydminster. A few fresh vegetables accompanied the plates, which made for a most delicious meal. Sundies and donuts were devoured by all to make the finishing touches.

A lot of reminising of the Woodville School Reunion held last July 1st was done. It was mentioned there are only a few books left to be sold in various outlets: Viking, Innisfree & Vegreville for those interested in purchasing one.

Main Street Viking

Daryl Penner, son of John and Dorothy Penner of Stettler, was honored recently with a scholastic achievement award at Wm. E. Hay Composite High School's, Color Night, for achieving at least an 80% average in six or more subjects.

Daryl is a matriculation student in grade eleven.

Jackie Stefanik Heads Bruce Family Club

After completing a survey in the area and discovering a total of 85 pre-school and elementary children, some of the mothers have organized the Bruce Family Club. Jackie Stefanik was elected president at the organizational meeting held at the Bruce Recreation Centre on Monday, May 21. The purpose of the club will be to promote activities for this particular group of children.

Other officers are Trish Roulston, vice-president; Mary Hammermaster, secretary; and Marlene Thirsk, treasurer. Evelyn Corliss, Wanda Chomik, Linda Lusk and Sonja Babitz are on the telephoning committee.

The group's first project is already underway. A play center is open each Tuesday morning from 9:30 to 11:30 at the Community Centre. The main objective of this weekly session is to give pre-schoolers a chance to socialize with other children. It is also a pleasant coffee break for the ladies who get an opportunity to share the joys and problems of being moms.

The second project will begin on Thursday, June 14 when fifteen youngsters receive their first instruction in the Pedal Pushers program led by Trish Roulston. Acting as helpers to Trish are Terry Koppel, Sonja Babitz, Marlene Thirsk and Jackie Stefanik.

Bea Fredericks

Shown [left to right] are Brandi Stefanik, Lorne Chomik, Tammi Thirsk and Kevin Lusk who were among the 16 children enjoying a morning of play at the Community Centre in Bruce on Tuesday, June 12.

Tennis Anyone?

Tennis has been much talked about this spring. I'm sure many of you have heard of the lessons we planned, postponed, and now it seems, cancelled. You may almost be tired of all the talk.

Well, I'm happy to say, we now have 2 tennis courts in the Carena, but they are finally here.

What many of you may not know, is that a tennis club has been set up. The executive consists of: President - Robin Bittorf; Vice President - Bill Haire; Secretary-Treasurer - Linda Klontz. No meetings have yet been held, but if you would like to join, please contact any of the above.

As for hours of operation, we are not sure what they'll be, nor have we decided on tennis fees. Please watch this paper for an announcement as to times the courts will be open, and fees for the use of them. We hope to have the courts open this week once or twice, and hope to start on a regular basis next week.

And finally I'd like to thank the people who helped put the courts into the Carena. A big pat on the back to Bill Haire, Kevin McGinitie, Robin Bittorf, Sam and Linda Klontz and Lyle Sheets. Without their effort, Viking would still be without courts. I'd also like to give extra thanks to Bill Haire who supplied one of the tennis nets, and thank you to the Viking Recreation Board who bought the new tennis net.

We hope to be able to organize lessons in the near future.

We hope you'll give these courts your full support to ensure that they'll be around for some time. With lots of support, we hope to be able to push for outdoor courts within the next few years.

Not much more to report for now. We'll see you on the courts.

Bill Giroux

IN MEMORIAL

In loving memory of our dear son and brother, Louis, who passed away June 21, 1975.
Four years ago you went away
So suddenly, no last words to say,
You left the family in pain and sorrow
Not knowing you wouldn't be here tomorrow
No length of time can take away
Our thought of you from day to day
In our hearts the memory is kept
Of one we loved and will never forget.
Our thoughts shall ever wander
To the spot where he is laid
For every remembered and sadly missed by your Mom, Dad, and brother Lowell, and sisters Pearl, Joyce and Ann 19p

CARDS OF THANKS

We wish to express thanks to the men who turned out for "Clean-up Day" at "God's Acre Cemetery". Kinsella on Wed., June 13th. Weather did cooperate and many jobs were accomplished. The bank on the east side of the parking area was graded and seeded to grass. A cement pad was poured for the coal shed; to be built at a later date.

Our thanks to Mrs. Elizabeth Horinek for planting and tending the flower beds, to all who contributed to the cemetery fund by way of monetary donations, material, tools, and voluntary work. Thank you.

Kinsella W.I. Cemetery Committee

CARD OF THANKS
We would like to thank the doctors, nurses and staff of the Viking Hospital for the excellent care that Dixie and Glennda received. Thanks are also extended to our many friends and relatives for their gifts, cards, and visits.
Geoff, Dixie and Glennda Fuder

CARDS OF THANKS

We wish to extend a sincere and heartelt thank you to all our relatives, friends and neighbors for their many acts of kindness, messages and cards of sympathy, beautiful floral tributes to the house and funeral home, donations to the Heart Fund, Kinsella and Dayland Cemetery funds; food brought to the house, and to the ladies who organized and brought the food for the lunch after the service for our dearly beloved husband and father, Dave Henderson

Special thanks to Dr. Caldwell and staff of Viking General Hospital, Rev. J. Bennett, pallbearers, choir, organist and soloists, piper Eric Beddoes, town men for digging the grave, and Earl Kjelland of Ronaghan's Funeral Services. Your kindness was greatly appreciated.

IN MEMORIAM

Mackey - In loving memory of our son, brother, and grandson, Melvin Reed, who passed away on June 21, 1972.
Before the throne of God, Thousands of children stand; Children whose sins are all forgiven.
A holy, happy band
Up there among the throng,
Our little Reed stands,
Waiting for us to join him,
In that holy, happy land.
Ever remembered and sadly missed by Mom, Dad, Shannon, Sisa, Kristen, Harlen, Jamie and Kari, Grandma and Grandpa Harray, Grandma and Grandpa Anderson. 19p

CARDS OF THANKS

We would like to thank our children and all our relatives for the 25th anniversary they put on for us. To the ladies of the Prague C.W.L. who helped with the supper and to everyone who helped in any way we want to thank you from the bottom of our hearts. To Mrs. Betty Oakes for making the beautiful cake and for everyone from near and far who came to make our day one we will never forget. For all the beautiful flowers, gifts and cards we received, we will treasure them always. God Bless You All.
Frank and Hedy Ploc

IN MEMORIAM

DONATIONS TO THE KINSELLA UNITED CHURCH FUND

Viking Farmers' Market Active

The Viking Farmers' Market opened on June 7th for the duration of its regular season.

The following Thursday the turnout was small but thanks to Mr. Norris and his concert the day did turn out to be a successful one.

Residents should keep in mind that the Farmers' Market will be open every Thursday this summer. An extra item of interest to purchasers this year will be our weekly draw. Each purchaser will be entitled to put his or her name in a hat for a draw for a $5.00 voucher. This voucher is to be picked up the following week at the Viking Farmers' Market and is redeemable at any of the tables.

The winner of the draw which was held on June 14th, was Mrs. Lottie Ronmahel of Viking. Mrs. Ronmahel may cash in her voucher at the market on June 21.

Be watching next week's issue of The Weekly Review for our June 21st winner.

Creative Playground Proposed For Viking

A group of concerned citizens of the Town of Viking and surrounding district have met to propose to change our Viking Elementary School playground into a challenging and imaginative adventure into creative play. How are we proposing to do this?

TIRES.....USED TIRES.. ones that have served us well but have outlived their lives on our vehicles but have not outlived their usefulness. They can continue to serve us for many years in the form of a creative playground, composed of .... you guessed it.....tires. Along with these tires there will be a combination of poles for climbing structures and perhaps balance structures, chains for bridges and for swings and ropes to aid in climbing up and down.

To help us with our endeavour we have contacted Mr. Gary Debney of Pere Play Pieces of Calgary, Alberta. Mr. Debney has just completed some 12 Creative Tire Playgrounds and was a former co-worker of William Wiese of Tire Playgrounds Inc. of N.J.

As our consultant, Mr. Debney will design a creative playground which will be subject to approval of both the playground committee and our Board of Education. Upon approval we will set a construction date, count up our tires, inspect and ready them for assembly. The latter will take place in only *ONE DAY*.

On this last Saturday, June 23, two of our committee members travelled to Vegreville to see their creative tire playground and then on to Two Hills to view and learn from the construction of their creative tire playground designed by Mr. Debney.

The community spirit that I'm sure must have been of the "barn raising type" of years gone by, was very evident at the Two Hills school grounds. Men, women, and children were pitching in under Mr. Debney's guidance and expertise to complete construction in just *ONE DAY*. Mr. Debney told us that they started construction at 8:00 a.m. and that he would be leaving a completed playground and heading back to Calgary shortly after 3:00 p.m. that same afternoon.

I must say that it was a grand feeling to see such excitement and togetherness in such a community effort. I know everyone will enjoy seeing the children engaged in many happy hours of play on "their playground".

And so...Viking...we of the playground committee are calling on you to help us pull together and to put up a playground we can proudly say that we built for our children and for the betterment of our community.

Learn more about our proposed project from Thursday, June 28 to Saturday, June 30th at the Viking Co-op Store. There will be a slide presentation about playgrounds with a member of our committee in attendance to chat with you and to listen to your views. See you then.

Carolynne Nordstrom

Alberta Hail and Crop Directors Tour Area

Northeastern Alberta farmers will have the opportunity of expressing their views on crop and hail insurance for farm crops at Open Forum meetings planned by the Alberta Hail and crop Insurance Corporation.

Directors of the Corporation will be touring the northeastern Alberta area and will hold meetings Tuesdays afternoon, July 10 in the Legion Hall, St. Paul, and Wednesday ,forenoon July 11 at the Chateau Dining Hall, 4928 50 Avenue in Vegreville. Meetings will commence at 2 p.m.

Meetings are intended to enable farmers to tell directors how crop insurance and hail insurance can better serve the needs of Alberta farmers. Both written and oral presentations are encouraged from individual farmers, farm organizations and other interested parties. Priority in scheduling presentations will be given to those who forward written briefs to the Corporation's head office, Bag Service 16, Lacombe, Alberta, T0C 1S0, a week prior to the meetings.

This is the first tour of the northeastern part of Alberta by the Corporation's directors. They are hoping there will be a good turnout of interested persons.

Irma Co-op Hold Annual Picnic

Approximately 100 Co-op members and friends enjoyed the warm sunshine and cool refreshing breeze at the annual Co-op picnic at Steffanson's Lake community picnic grounds on Sunday, June 24th.

People began arriving at about 2:30 p.m. There was the usual ball games, horseshoe contests and for some older people, just enjoying the sunshine and visiting.

The manager Milt Fahner, ably assisted by president Lawrence Savage and members of the board and their spouses, put on a real banquet at about 5:30 p.m.

Served buffet style as in former years, there was the usual variety of salads, cold meats, baked beans, buns, hot dogs, coffee and cookies with ice cream and cookies for dessert. After supper there were races for the children and a candy scramble.

Ole Nissen broadcast music from his tape deck which was much appreciated Ole has added much to the enjoyment of this annual outing for many years. Thanks Ole.

We were honored this year by the presence of a lady from Mexico in the person of Mrs. Guadalupe Chavarris from Durango, Mexico whose daughter Monica has been living with Doreen and Irvine Bell for the past year while attending high school in Irma. They plan to leave for their home in Mexico on July 2nd.

Thanks are due to Milt Fahner, Lawrence Savage and the members of the board for the splendid job they did in cleaning up the picnic grounds, picking up the bottles and broken glass and lawn mowing such a large area.

The crowd was smaller than last year owing to many members being away on holidays and others attending the ball tournament at Chauvin. The Irma Tigers were playing there (and incidentally, won their section).

Holden Chamber Salutes Year Of The Child

The Holden and District Chamber of Commerce float saluting the Year of the Child showed first place with the Holden Borealis float, following the judging of entries during the Holden Sports Day.

Canada's 113th Year Will Be Interesting

July 1st marks the one hundred and twelfth birthday of our nation. So far the 112 years have witnessed the building of a wealthy nation which stretches from the Atlantic to the Pacific. These years have experienced events which strengthened the ties between all peoples of Canada as well as events which threatened to tear the nation apart.

The 113th year, which we will soon be entering, could be one of the most important in our history for Premier Leveseque of Quebec has scheduled his infamous "referendum" for next spring. Hopefully all Canadians who feel some pride in our nation will aid in keeping this nation together. Canada is 'all' of us from east to west. Our identity as Canadians lies in our acceptance of the uniqueness of each other while working together. This fact is found right here in our area.

If one segment of our country decides to "break away" from this one nation, how long will it be until the total concept of Canada disintegrates? Many a war has been fought and a peace has been maintained due to the efforts of "all" Canadians. We have worked together to make this nation one of the best in the world. Let's continue that spirit and support the maintenance of one Canada in our 113th year.

These Improvements Need Our Protection

The Main Street Alberta Project, under the sponsorship of the Devonian Foundation, is being evidenced in Viking. To date, a number of attractive planters, benches and garbage cans are in place along 50th Street. People are making use of the benches and garbage cans, and the flowers and trees in the planters have added a special "something" to the look of the main thoroughfare. The efforts of the Viking Chamber of Commerce are to be applauded, and area residents can look forward to further developments through the Project.

It is now up to all of us, young and old, to ensure that these additions to the Town are not damaged or destroyed. We must all shoulder the responsibility to see that the efforts of some to bring better conditions to us all were not in vain.

Fair Committee Receives Grant

The Viking Fair Committee is pleased to announce that we have received a cheque for $1,000.00 from the Alberta IYC (International Year of the Child) committee for our salute to IYC 1979. This money will be used primarily to cover the costs of the special edition of our 1979 IYC commemorative fair catalogue; for prizes being made available to the youth groups taking part in our IYC program in the hall on Fair Day and for promotional work.

Our community can be quite proud of the fact that our project submission was accepted and received favorable comments from the Alberta IYC committee as there were many submissions sent in from across the entire province.

VIKING FAIR QUESTION AND ANSWER TIME:

Do you know that Viking Fair Day is Thursday, August 9, 1979?

It is and Mayor Hafso and Council have graciously proclaimed that day a civic holiday.

Have you received a fair catalogue?

Approximately 300 have been mailed out to former entrants. If you want one they are on display at "Sunny Days" and several other business places.

Have you checked the sections and classes you intend to enter this year?

Better do this right away for some things have changed.

Do you know that the Junior Activities Section is divided into two age groups?

For a fairer competition, we have one set of classes for 13 years and under and another set for the 14 to 17 year age group.

Have you made arrangements to have the cattle you plan to show at the fair tested for brucellosis?

A health certificate must be presented before animals are unloaded from truck.

Do you know that there is a Junior Calf class in both dairy and beef sections this year?

There is, and a special prize is offered in both.

Are the business places in Viking really going to go all out to decorate their premises for Fair Day?

We hope so. The "Promote Viking Fair Contest" is on again this year. Entry is in the Fair Catalogue.

Has your child started to train his or her pet so that it will be easily controlled during the Pet Show?

Plan to do this well in advance, for everyone's safety.

Thinking of entering the parade?

A complete list of prize categories and an entry form are in the fair catalogue.

Have you offered your help to any of the directors. Please do so, we needs lots of volunteers.

Marilyn Rude and Leonard Sorensen were united in marriage on May 26 at Medicine Hat, Alberta. The groom is the eldest son of Otto and Thelma Sorensen of Viking. Marilyn is the daughter of Pastor and Mrs. Milton Rude.

Main Street Viking

Mr. Don Holler of Viking left the residence located at 11913 - 49 Street on the afternoon of May 29 and having driven a considerable distance noticed a ladies purse on the side of the street. He stopped to pick up the purse which contained a number of $50 bills and was able to identify the owner as Mrs. Mary Schutz of 11913 - 50 Street, and was surprised to learn that the owner was a former acquaintance from just north of Sedgewick. Needless to say ,Don was not as surprised or as happy as Mrs. Schutz who had lost her handbag and contents the day before while on a shopping trip.

Residents should keep in mind that the Farmers' Market will be open every Thursday this summer. An extra item of interest will be a weekly draw where each purchaser will be entitled to put his or her name in the draw for a $5.00 voucher.

The winner of the draw held on June 21 was Mrs. Mildred Bridgeman who will redeem her voucher on June 28th.

Mr. and Mrs. George Walton of Masurewa New Zealand were visiting Clarence and Elizabeth Hornek for a few days. They are on a 3 and one half month holiday tour of England, France, Germany, Italy, Switzerland and Canada. They are returning to England and Scotland at the end of July. Mr. and Mrs. Walton are Mrs. Ken Hornek's mother and father.

Hole-In-One Scored

Dave Dorward, President of the Viking Golf Club, made a "hole-in-one" on Tuesday, June 26 on the third hole at the Viking Lakeshore Golf Club. Golfing with Mr. Derward at the time were Ken Bird, Bill Comisarow and John Hafso.

Vialta Lodge News

Greetings to Mrs. Weder and Mrs. Theroux who are at present in the hospital.

Our thanks to the Kinsella W.I. ladies who came and picked up our Guests and took them to the grandmothers tea in Kinsella last Tuesday. All enjoyed the afternoon very much.

Many thanks to the Shady cove W.I. who sent us flowers from their 25th Anniversary.

Mr. Gibson, Mrs. Rodwell and Mr. Cotter attended the Birthday Party on Sunday for Mr. Ritland which was held at the Anglican Hall.

Mr. Albert whitford enjoyed a trip to Billings, Montana with Mr. and Mrs. Freeman Greenwood to visit with his sister there.

Sincere thanks to the Irma alliance Church Girls Choir who came Friday evening and sang for us. We all enjoy your visit very much.

Visiting Mr. Elmer Johnson were Mary and Leroy Finseth, Keith and Doug Finseth, Warren Stauffer and Cheryl Finseth.

Gladys and Lester Severson of Tofield called on Mrs. D'Arcy.

Mr. and Mrs. Wrefred Sandus of Wainwright called to see Mr. Masson.

Visiting Mrs. Ferguson were - Evelyn and Connie Imlay of Great Falls, Montana, Joyce, Lori and Craig McKay of Libby, Montana and Jennette and Elaine Ferguson of Vegreville.

Our thanks to all who came to our Bingos and Card Parties. there will be no Bingos or Card Parties for July and August, so will look forward to seeing you all again in the fall.

Recreation News

1979 Summer Games are from August 2nd to 6th, 1979 at St. Alberta. Playoffs prior to the Summer Games in each zone will be as follows:

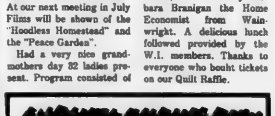
Kinsella W.I. Notes

Meeting opened with 14 members present, this being a short meeting as it was our annual grandmothers day, 5 members attended the 25th anniversary of the Shady Cove W.I. held in the Legion Hall in Viking on Monday June 18th, a very nice afternoon of entertainment At our next meeting in July Films will be shown of the "Foodless Homestead" and the "Peace Garden".

Had a very nice grandmothers day 32 ladies present. Program consisted of Readings by Betty Oakes and Barbara Davis. Music and Solos by Debbie Orcheaki and Jackie Pederson. Program arranged by Gwen Daugherty. Mrs. Suddaby our oldest grandmother from Vialta Lodge drew the lucky ticket on our Quilt Raffle, it was won by Barbara Branigan the Home Economist from Wainwright. A delicious lunch followed provided by the W.I. members. Thanks to everyone who bought tickets on our Quilt Raffle.



Farming is your livelihood. Insure crops against natural hazards with adequate coverage.

Tennis Courts Now Open In Viking

Well, hopefully, by now many of you are aware that the tennis courts are in the Viking Arena, but when are they open?

A schedule has been drawn up and here are the hours we propose to operate the courts: Tuesday from 7:00 p.m. until 9:00 p.m. Thursday from 7:00 p.m. until 9:00 p.m. and on Sunday from 1:00 p.m. until 4:00 p.m.

The evening hours may be extended another hour to 10:00 p.m. if the demand is there for more court time.

Please note the above hours of operation; make a note of them or cut this article out, so you won't forget.

At this time we would also like to inform tennis players of the following: (1) *Everyone MUST bring their OWN tennis racquet. We will not supply racquets.* (2) *Everyone MUST bring their OWN tennis balls. We will not supply tennis balls.*

In addition, we wish to advise the public that there will be a charge for use of the tennis courts. These costs have been determined as follows: *Adults (16 years and up) - 50 cents per day Children (under 16) - 25 cents per day.*

We feel that this nominal fee is fair and it is necessary to cover expenses. Court rules will be posted on the court area or if you have any further questions ask the supervisor.

Don't forget, we need your support for this program to work.

Irma News and Views

There was a good turnout on Wednesday, June 20th for the annual cemetery cleanup. Lawn mowers, grass whips, hedge clippers, rakes and forks were busy all over the place. We were fortunate that the huge black clouds which came up on the north, west and south were gradually going east, and although gave a deluge and left water standing on the land in places, missed the cemetery. The workers escaped with nothing worse than a chilling breeze. The Irma W.I. ladies served a delicious lunch as usual.

Mrs. Nellie Thurston went into Wainwright hospital on Monday, June 25th for a series of x-rays.

Visiting at the homes of Ella Skilles and Elma Tomlinson last Friday were their sister, Martha Hillerud and her daughters, Hazel Paterson of Tofield, Evelyn Moen of Red Deer and Beulah Gobeilhaus of Vegreville.

On June 10th Mrs. Genen Astley had a family dinner to honor her parents, Mr. and Mrs. G. Theroux of Vialta Lodge on their 62nd Wedding Anniversary.

Ella Tomlinson has returned to her home in Irma after visiting son Norris and family. While in Edmonton she watched the Irma Lancers win several ball games. Later she visited son Garth and family at Whitecourt.

Greg Dickinson, who is working for Larry Marks, [illegible] his family out of town to the old Carter farm last week.

Ivor Thurston underwent surgery in the University Hospital on Thursday last.

The Irma New Horizons club members are going on a bus tour to Edmonton on Tuesday, June 26th.

In connection with Meals-On-Wheels, there has been some confusion due to poor communication. Alma Enger is the contact person and any member wishing to cancel a meal is to contact her. She will then contac the hotel management and in that way Alma will be in a position to know who got meals and when.

Bruce Gulls Win 3 of 4

The Bruce Gulls have played 4 games in the last 2 weeks.

On Sunday, June 10 they played an exhibition game against Viking in Prague. It was a warm sunny day and the boys played well. Final score was 15 to 11 for Bruce. Scoring for the Gulls were Rodney Tkaczyk-4, Rick Tkaczyk-3, Grant Laube-2, Kary Dewart-2, Joseph Wincsura-2, Dean Malowany-1, and Gordon Ruzicka 1.

On Tuesday, June 12, Tofield came to Bruce. The boys had to play very hard in order to get a final score of 11-10 for Bruce. Scoring runs for Bruce were Rick Tkaczyk 3, Ian Erickson 2, Rodney Tkaczyk 2, Dean Malowany 1, Joseph Wincsura 1, Donny Laing 1, and Kevin Dewart 1.

On Monday, June 18, Bruce travelled to Tofield. Following a hard day at the track meet, the boys just couldn't get it all together. They lost to Tofield 22-7. Scoring runs for Bruce were Ian Erickson 3, Rick Tkaczyk 1, Rodney Tkaczyk 1, Joseph Wincsura 1, and Gordon Motkoski 1.

On Friday, June 22 the Gulls travelled to Viking. There they received a 9 to 0 thumping, their first skunk of the season.

The boys would like to thank Vernon Pratt and Doug Heber for umpiring their home games. Thanks also to Harold Hissett and the Alberta Wheat Pool for donating hats for the boys to wear.

Paulette Erickson

Bruce News

On Sunday, June 17th, members of the Bruce Busy Bees 4-H Club held their year end party. They rented the Ryley pool for an hour at 5:30 and reported a very good but splashing time was had by all who went in.

Because of the rain, the weiner roast that was planned was held indoors. Everyone's appetite was really good following the swimming so the hot dogs and salads were really enjoyed.

Kindergarten Korner

Another year of kindergarten has ended. This has been a very successful and worthwhile year for all concerned. Under Mrs. Gahr's leadership, the students have learned a great deal.

We had fantastic cooperation from all the parents this year. We missed having a parent for only one noon hour. This shows that parents were truly interested in what their children were doing. All but a few parents helped on field trips.

Once again, thank you to all the businesses who let us see the inside of what they are doing: hospital, Bank of Montreal, Post Office, the R.C.M.P., Treasury Branch, the dentist and Langs.

On June 6 and 7 we toured the Treasury Branch. Thank you to Mr. Coad for showing us around and to the staff for the pop, dixie cups and most of all the frisbee for each student.

On June 15 we held our year end picnic. We started the day with games and a sing-song. At 11:30 we headed to the campsite to roast weiners. A large number of parents joined the students. A grand total of 86 people dined on hot dogs, chocolate milk, ice cream and coffee. The weather cooperated with us to make a successful picnic. After all had run off their steam, the adult supervisors loaded the students onto the bus and headed for Lang's dairy farm. A very interesting tour followed. Thank you to Mr. and Mrs. Lang for showing us your milking system. All enjoyed dixie cups.

Then they headed back to the school to say good-bye until next fall and they met again in grade one.

A hearty thank you to the great group of parents who have worked so diligently to make our kindergarten run so smoothly this year.

Submitted by
Dawn Hodgins

Kinsella News

Mr. and Mrs. Elmer Davis from Edmonton visited with Bruce and Barbara Davis over the weekend.

Strawberry Plains W.I. Meet

Strawberry Plains W.I. regular monthly meeting was held at the home of Mrs. J. Jackson on June 21. It was postponed one day due to the cemetery cleanup day on the 20th. The meeting was late in starting due to some members having prior commitments.

The meeting was called to order at 8:30 p.m. by President Betty Passtor with seven members, four visitors and five children present. Betty welcomed the visitors.

Minutes of the previous meeting were read by the secretary and adopted. Bernie gave the treasurers report, which was received. Business arising from the minutes and correspondence was dealt with. Roll call was answered by paying 3 cents if you didn't do any baking today. Under new business, plans were made for the annual school picnic to be held on Thursday, June 28th. The July meeting to take the form of an outing on the 18th.

September 8th was set as the date for our annual bazaar. Arrangements were made with regards to serving a cold plate dinner in the Legion Hall on Irma Sportday, August 8th.

The August meeting will be at the home of Mrs. Hughie Tomlinson August 15th, Aletha being the hostess, Betty Passtor to supply the raffle, roll call, handicraft for the bazaar. Each child present was given a W.I. cup and saucer. Betty won the raffle, donated by Ethel. Lunch was served and enjoyed during the meeting.

Killam Transit Mix (1977) Ltd.

Unless you worked at least 20 weeks in the past year, these changes could apply to you.

In December 1978, Parliament changed the Unemployment Insurance program. Changes starting July 1 mean that some people will have to work longer before they can qualify for Unemployment Insurance benefits.

Please remember, these UI changes affect only those claims which start on or after July 1, 1979. And, the changes may or may not apply to you. So please read on to see if you are affected.

(You'll find terms such as "Weeks of Work", "Qualifying Period", "Variable Entrance Requirement" (VER), and "Unemployment Rate" marked by an asterisk (*). For easier understanding, see the box "Explaining UI terms" at the end of this message.)

Here are the details of those changes.

Have you worked 20 weeks or more in your Qualifying Period*?

If so, this message does *not* apply to you. For you, the number of weeks you need to qualify for regular UI benefits and for UI illness and maternity benefits, or the one-time benefit at age 65 has not changed.

Are you working for the first time?

To get UI benefits, you will usually need 20 Weeks' Work*, no matter where you live.

An exception to this would be if you were on a training course approved by the Canada Employment and Immigration Commission for at least 14 weeks in the year before your Qualifying Period*. Then you would only need 10 to 14 weeks, depending on the Variable Entrance Requirement* where you live.

Are you starting to work again?

If you're coming back to work after being away a year or more, you'll usually need 20 Weeks of Work* in your Qualifying Period* before you can qualify for UI benefits.

This applies wherever you live.

This 20-week rule won't apply, however, if you were in any of the following situations *for a total of at least 14 weeks* in the year *before* your Qualifying Period*.

These are the situations that count:

1. You were getting temporary worker's disability compensation from a provincial program;
2. You were receiving sick or maternity leave payments;
3. You were out of work because of a labour dispute at your place of work;
4. You were on a Commission-approved training course;
5. You were on UI claim;
6. You were working in insurable employment.

So, for first-time workers and those coming back to work:

A. If you were in any of these six situations for a total of at least 14 weeks in the year *before* your Qualifying Period*, then you need only 10 to 14 Weeks' Work* in the Qualifying Period*, depending on the VER* where you live.

B. If *none* of the six situations fit your case, you will have to have worked at least 20 weeks to qualify for UI benefits.

NOTE: If you are returning to work after being away more than one year, the 20-week rule will normally apply to you.

Did you get UI benefits in the last year?

If you got UI benefits in your Qualifying Period*, there are new rules that may apply to you – unless the Unemployment Rate* in your area is over 11.5 per cent.

1. If a claim you had in the last year has not run out, you may be able to renew it.
2. If yours is classed as a new claim, you will need the usual 10 to 14 Weeks' Work* depending on your local VER*, *plus* up to six "extra" Weeks of Work*. The number of "extra" weeks you'll need depends on how many weeks you got on your previous UI claim. You need one "extra" week (up to a maximum of six) for every week you got over the VER* needed in your area.

Here's an example: You need 12 Weeks' Work* in your region (your local VER*) to qualify for benefits the first time. On your last claim, you drew 15 weeks' benefits before going back to work. Now, you would need the usual 12 weeks, *plus* three "extra" work weeks. (That's the difference between the 12 weeks you needed to work and the 15 weeks of benefits you drew. In total you would need 15 Weeks' Work* to qualify again within one year. The most anyone needs anywhere is 20 weeks of work to qualify.

Again, please remember, when the Unemployment Rate* in your area is over 11.5 per cent, this rule won't apply to you. You'll need only 10 Weeks' Work* to qualify for regular UI benefits.

Other changes have been in effect since January 1979:

- The weekly benefit rate was reduced to 60 per cent of your average insurable earnings (from 66⅔ per cent).
- Most people employed for less than 20 hours a week are no longer covered by UI.
- Higher-income claimants may have to repay part of UI benefits drawn in the 1979 tax year. This will only affect people whose income, including UI benefits, is over $20,670. This will be explained when you get your 1979 tax return.

These things haven't changed:

Just as a review, these points haven't changed:

- You may still get UI illness and maternity benefits and the special benefit paid at age 65 if you've worked 20 weeks in your Qualifying Period*.
- There's still a two-week waiting period before UI benefits start.
- To get regular benefits, you must still be available for and looking for work each day you are on claim.
- You must report any work and earnings while on claim.
- You can be disqualified from getting benefits for up to six weeks if you quit your job voluntarily, you were fired for misconduct, or if you turned down a suitable job offer.
- You can still appeal a decision by UI to deny you benefits.

Explaining UI terms:

***Weeks of Work**
This means weeks of work that are insurable for Unemployment Insurance. Most employment of 20 hours or more a week is insurable.

***Qualifying Period**
What UI calls your Qualifying Period is the 52 weeks before we start your claim. Or if you had a claim in the last year, it's the time since that claim started.

***Variable Entrance Requirement (VER)**
To qualify for Unemployment Insurance benefits, you must have worked from 10 to 14 weeks in insurable employment during your Qualifying Period*. The exact number of weeks depends on the Unemployment Rate* in the economic region where you live. (See below.) If you don't have enough weeks to qualify when you file your claim, we keep your application in the computer file. If the Unemployment Rate* changes so you then have the weeks you need, we will send you a notice.

***Unemployment Rate**
For Unemployment Insurance, the Unemployment Rate used for each of the 48 economic regions of Canada is *not* the current monthly Statistics Canada unemployment rate in each region. It is a three-month average of seasonally-adjusted monthly unemployment rates.

Parkland Nursing Home News

A big welcome to Mr. Rod Henderson, a former resident of Forestburg. We all hope your stay with us will be a happy one.

Mr. and Mrs. Henry Steinwand of Holden called on "Mom" Giesler.

Maurice Cumming from Viking visited with Frank Murray, Tom Berg, Bill Kelly and Lars Ritland.

Mr. Finnemore also enjoyed a visit from Edna and Eleanor McLachlan.

Visiting with Mrs. Pasnak and Mrs. Tchir and stepped in for a chat with Mr. Ritland were Ronnie and Harry Tkaczyk.

Mr. Ritland celebrated his 91st birthday on Sunday and to mark the occasion, his family held open house at the Legion Hall. Many of their friends and relatives dropped by to wish him many happy returns. Everyone at Parkland also extends birthday wishes to Lars.

Myron and Irene Pasnak were in to visit with Mrs. Tchir and Mrs. Pasnak.

Calling on Mrs. Tchir was her husband Mike.

Fern Rabby called on her mother Theresa Block.

Mr. Angus and Mr. Asburn were visited by Jeanette and Mabel Robson and Henry Curtis of Strome.

Mrs. Damer Anderson from Tofield called on all her friends at Parkland.

Irene MacGregor visited with Mrs. Stenzrud, Mr. Ritland and Mr. Laube. Mr. Laube also enjoyed a visit with his wife Anna.

Carl May of Edmonton called on Mrs. Pryor.

Mr. Angus has moved to Camrose and we all hope he is very happy in his new home.

Everyone at Parkland extends sympathy to the family of Mrs. Helga Clever.

A big thanks to Mrs. Brower for touring the residents around the country-side. It is greatly appreciated.

Echo-Rodino Report

Mr. and Mrs. Everett Greenwood are now proud grandparents. Congratulations go out to Tom and Shirley Nott of Innisfree on the birth of a son.

Mr. and Mrs. Phil Holt took advantage of the wet weather and motored to Red Deer where they visited Josephine's Father and brother Frank at Ponoka.

Wes and Christina Bauer travelled to Edmonton to pick up the new club chairs and supplies for our Annual Barbeque at Rodino Hall.

Christina Bauer had the pleasure of travelling to Calgary with Mr. and Mrs. Marshall Miskow to visit relations that are up from California.

Edna Pyke of Viking and Marie Fykas of Ft. McMurray visited with the Les Prosser family.

Josie Holt accompanied Judy Fenton of Irma to the Beef Education Committee Convention at the Edmonton Inn in Edmonton where they had the pleasure of hearing Jim Dawson, Manager of Alberta's Cattle Commission speak. Josie, later this week, helped at the Beef Education booth at the Wainwright Stampede.

Friday was the scene of a work day at Rodino Hall with many of the neighbors and club members turning out with hammers in hand to finish several changes made to the hall. The women brought pot luck dinner and the whole day turned into a picnic.

Mike Mackowski had the pleasure of his uncle and aunt Mr. and Mrs. Pete Topolnicki of Edmonton pop in for a visit.

Theresa Greenwood of Camrose spent the weekend at the home of her parents.

Mr. and Mrs. Norman Douse and son of Roblin, Manitoba, visited the homes of Bruce Greenwood and Ray Johnston.

Bruce and District News

The semi-annual meeting of the Bruce Agricultural Society will be held on Tuesday, June 10 at 8 p.m. in the Recreation Centre. This is an opportunity for the general public to present suggestions so plan to attend!

Susanne and Linda Gahr are leaving this week for Quebec where they will spend a two week holiday as part of a student exchange program.

Visiting with Trish and Bob Roulston is Jim Aiken from Ontario. Jim is Bob's nephew.

The Ron Babilts family from Edmonton were visiting with Ron's parents, Hattie and Lawrence Babilts and with Ron's brother Norman and family.

Ruth and Tom Dwyer journeyed to Ashmont on the weekend.

The travelling Playground is scheduled to be in Bruce, July 23 to 27. Watch for posters giving more details.

Members of the Immanuel Lutheran church honored Pastor Heinemann and his family at a farewell gathering in the Sunday School rooms on Monday, June 18th. Pastor Heinemann has accepted a call to Drayton Valley. The evening began with some games of horseshoe but the weatherman proved uncooperative as usual, so the entertainment was moved indoors. At the close of the evening Norman Babilts, on behalf of the congregation, presented the Heinemanns with a gift. Then lunch was enjoyed by all those present.

There will be swimming lessons for Bruce and district children for two weeks, beginning July 2. Lessons will be held between 3 and 4 p.m. and the bus provided by the Stampede Assoc. will leave Bruce at 2:30 p.m. Please leave names at the Bruce Hardware.

Immanuel Lutheran Church will hold a Vacation Bible School, August 13 to 17. It is necessary that children who plan to attend are pre-registered in order that the necessary materials can be ordered. Phone Jean Babilts at 686-2202.

Holden and District News

Ball games this week in Holden were as follows:
Monday, June 18, Holden Revy's played against Irma winning 17 to 5.
Holden Girls 12 years and under played against Viking winning 25 to 7. Coach was Darren McKibbon.
Holden Boys 10 years and under played against Tofield.
Holden Boys winning score not known. Coach Rob McKibbon game was in Tofield.

Wednesday June 20, Holden Kegger's played against Ryley Tigers winning 9 to 7. In a very good game here Hank Keller hit a home run making this very exciting as all bases were loaded bringing in 4 runs at the beginning of the game but brought most of runs at the last part. A Ryley player also hit a home run.

Lynn Ellen Hinks daughter of Mr. and Mrs. William F. Hinks of South Cooking Lake has been hired by the County of Beaver as a kindergarten teacher for Ryley and Holden.

Mrs. Grace Appleby is retiring from the Holden School teaching staff at the end of the school year June 1979.

Kinsella Rose Seniors

Kinsella Rose Senior Citizens Club held their meeting Wednesday June 13th with 16 members present. Ed Kerr reported bringing the other 5 tables from Edmonton, thanks Ed, also Jack McKie for purchasing the numbers for the tables.

Ivy Meiller reported on the Crafts that were purchased for the Club, hope everyone gets interested, hope to start meeting every Wednesday with one business meeting per month. The Club will cater to the Kinsella School, lunches will be available all day. Had a work Bee Wednesday June 20th put up Curtain Rods and Drapes and a few odd jobs ready for our Card Party June 27th. Meeting adjourned, coffee and a visit followed.

Old Age Pensions Rise This Month

Increases in the Old Age Security pension, Guaranteed Income Supplement and Spouse's Allowance, effective in July 1979, were announced today by Health and Welfare Minister David Crombie.

The basic Old Age Security pension will rise to $174.82 from the present $170.88.

The maximum Guaranteed Income Supplement for a single person, or a married person whose spouse is not a pensioner and is not receiving a Spouse's Allowance, will increase to $143.53 from its current $139.89. Added to the basic pension, this gives a person receiving both the OAS and the maximum GIS a monthly total of $318.35.

The maximum Guaranteed Income Supplement for a married couple, both pensioners, will increase to $119.34 each from $116.32. Added to the basic pension this will give each married pensioner receiving the maximum GIS a total of $294.16 or $588.32 for the couple.

The Guaranteed Income Supplement is paid to pensioners whose income, apart from the Old Age Security pension, is limited. The amount of the supplement varies in relation to income.

The maximum Spouse's Allowance will increase to $294.16 from $288.71. The maximum Spouse's Allowance is made up of an amount equivalent to the basic Old Age Security pension and the maximum GIS at the married rate and is paid to persons between 60 and 65 years of age who are married to OAS pensioners and meet residence requirements. Entitlement to a Spouse's Allowance, and the amount paid, is based on yearly income.

Pictured above are Dorothy Emerson, Creative Playground Planner, and Marvin Tomkowecky, Chairman of the Holden Local Recreation Board accepting cheques on behalf of the Board. John Semeniuk [right], Secretary Treasurer of the Holden Elks Lodge # 296 presented $300 on behalf of the Holden Lodge and Lyle Greenland [left] Past District Deputy of District 14 presented $600 on behalf of the Provincial Elks.

4-H Members To Travel To Ontario

Word was received in early June from Open House Canada that there was now room for one Irma 4-H group to be matched up with a group from eastern Canada. The club's first choices of Nova Scotia and New Brunswick were unable to accomodate us but they did find a group in Ontario willing to participate.

On Sunday, July 8, a group of twenty-eight 4-H members accompanied by two chaperones will leave Wainwright by bus at 9:00 a.m. for the International Airport where they will fly by Air Canada, leaving at 12:45 p.m. and arriving in Toronto at 6:05 p.m.

The club members will return on Monday, July 16 by C.P. Air, leaving Toronto at 9:25 a.m. and arriving in Edmonton at 11:05 a.m. where they will be met by bus and return to Wainwright.

There have been some activities planned for the group while visiting Simcoe County but most of all the 4-H'ers make themselves at home with their host families and take part in their everyday life.

The group from Ontario will return here on Saturday, August 4 and return home on Sunday, August 12. As yet, I don't have their flight time but they also will be met by bus and brought to Wainwright. 4-H members representing the Wainwright District 4-H Council are: from Chauvin: Ruth Chapman, Fern Beatty, Dallas Reinhart, Melanie Swanson, Lawrence Allen, Candice Heisler and Rhonda Morrison. From Edgerton - Kelly Dailyn, Dale Scott, Bernie Tribe, Sharon Trefiak, Joanne Leskow, Glenn Scott, Annette Green and Laree Cochrane. From Wainwright (Multi) Mervin Arneson, Claire Temple and Darcy Nelson and (Greenshields) - Teri Anderson, Marc Rajotte and Dennis Killoran.

From the Irma Clubs, Licia Glasgow, Leigha Glasgow, Sherry Littlewood, Karen Newton, Dianne smith, Sherri Fischer and Ian Currie. Chaperones for this trip are Richard and Stella Glasgow from Irma.

Mr. Charlie Stewart, m.l.a. brought a number of Alberta pins and each member will also receive a 4-H pin from the Council. Each member of the local 4-H group is to take a gift of appreciation to the host family. We hope these young members will enjoy themselves and will be worthy ambassadors of the area and Albertans as a whole.

The Irma club have several more members travelling on a Regional trip. Travelling to the Prince George area of British Columbia are Ellen Reinhart of Chauvin, Shelly Anderson of Wainwright and Blaine MacMillan, Kim Olson and Tracy Fischer of Irma. Two members going to Quebec are Aime and Anita Rajotte of Wainwright.

Bank of Montreal Celebrates 70 Years Of Service In Viking Area

On June 26th, the Bank of Montreal in Viking celebrated 70 years of service in the area. The Bank held an "Open House" serving coffee and donuts, and giving balloons and small gifts to customers.

On display were various articles dating back to the actual establishment of the Bank. It was interesting to compare the bookkeeping system of 1922 to that of today.

Actual service in the Viking area goes back to 1909 with the establishment of the Merchants' Bank of Canada on the present site. A new building was built at a cost of approximately $10M (these bills were on display). In 1922 the Merchants Bank merged with the Bank of Montreal which is still in service today.

The Bank of Montreal in Viking has gone through many changes to become modern and up-to-date. September of 1978 saw the installation of a computor system to serve customers more efficiently. This computor system is linked all across Canada and customers can gain access to their accounts at most branches of the Bank.

The Open House held on Thursday was a great success and the Bank would like to thank all those who attended.

The Viking Branch of the Bank of Montreal celebrated 70 years of service to the residents of the Viking area on Thursday. Members of the present staff [left to right] Sylvia Sofranka, Marie Greer, Toni Lowrie, Bill Kamphuis, Lorraine Morris, Doris Foote, Don Keay, Ruth Llanos and Pat Greenfield. Klondike Days To Salute Agriculture

Salute to a century of agriculture is the theme for the 1979 Klondike Days Exposition to be held July 19th to July 28th at Edmonton Northlands. The theme commemorates 1979 as the one hundredth year of Edmonton Northlands, which began as the Edmonton Agricultural Society in 1879.

Salute to a century of Agriculture will encompass Northlands Pavilion, Northlands Gardens and Century Farm, an acre of land outside Northlands Gardens.

Northlands Gardens will feature a variety of displays relating to the development of agriculture in the Edmonton area. Photographs and artifacts of Edmonton Northlands, machinery and horse and buggy units dating back to the turn of the century will be included. Entertainment in the Northlands Gardens includes sheep shearing demonstrations and the McCaw Show in the afternoon and a variety of ethnic and square dancers in the evening.

The different breeds of horses, cattle, poultry, sheep and swine that have contributed to the development of Alberta's livestock industry, and a blacksmith and wheelwright shop will be on Century Farm.

In Northlands Pavilion, the Alberta Food Processors Association will be displaying and demonstrating food processing operations of Alberta. Fairgoers are invited to come and enjoy full course meals prepared with foods grown and processed in Alberta. Daily entertainment in Northlands Pavilion includes Danny Hopper and Country Spunk, the Noto-Ables and Dr. Pepper's Kea Jon Petting Zoo. The Lion's Club Senior Citizen's Recreation Choir will perform during the afternoon of July 19th and 22nd.

The "Battle" Is Over

The "battle" as some have called it, is finally over. As of June 28, we completed the agreement with D.Weeks and the Viking News (1974) Ltd. to purchase the publishing rights to the Viking News. Since the April 25th issue we have been publishing the Viking News, as this was the date of the transfer of the publishing rights to us. However, the agreement, as prepared by lawyers for the Viking News (1974) Ltd. and D. Weeks, did not reach our lawyer until June 26. The final, completed agreement was not signed until last week.

Because of this fact, we could not provide an explanation of our plans for the Viking News to either the subscribers to the Viking News or the advertisers. Since the "deal" is now complete, we can say that the Viking News will cease to be published within a matter of a few weeks. We will require time to inform subscribers to the Viking News as to our plans, and notify them that any and all subscription time not fulfilled is the sole responsibility of the Viking News (1974) Ltd. and D. Weeks. We only purchased the "publishing rights", while D. Weeks and the Viking News (1974) Ltd. retain responsibility to reimburse all creditors, including subscribers, for transactions prior to April 19, 1979. Due to this fact, subscriptions can not be transferrable between the Viking News and The Weekly Review.

We also require a few weeks to inform the local and national advertisers that The Weekly Review will become the "only" weekly newspaper to be published in Viking.

The Weekly Review will become the local paper because it has proven to have a much larger number of subscribers and is therefore serving more people in the area. At the time of our purchase of the Viking News, The Weekly Review had approximately 60 percent more subscribers than the Viking News. As well, the reputation of the Viking News as a newspaper had been seriously damaged in the minds of many readers and advertisers during the past three to four years.

The former editor of the Viking News, D. Weeks, suggested in an editorial that the Viking News had been here for about 70 years and would be here for another 70 years. We are sorry to say that this long tradition will be coming to an end. The Viking News was once a fine paper which served the people of the area very well. It is only its decline as a newspaper during the last four years that has enabled The Weekly Review to "win the battle". The only way that a "new" paper can defeat an "old" paper is if the "old" paper is not fulfilling its responsibilities to the readers and advertisers. If this is done, and the bills are paid, then the newspaper can continue to serve its readership.

Since February of 1978 when we began publishing, the Viking News and The Weekly Review have both been "printed" outside of Viking. At no time during our existence has either of these papers been printed in Viking. The costs of an adequate press for such a job are prohibitive for one small newspaper. We will continue to print out-of-town as it is the only feasible way of providing the area with a newspaper.

Within a few weeks, The Weekly Review will be the only paper published in Viking. The Viking News will be laid to rest. The "battle" betweeen the two is over. The responsibility for the news in years to come has been passed to The Weekly Review. We sincerely hope and feel that we can fulfill this responsibility.

LET WANT ADS WORK FOR YOU

Goldeye Field Trip A Success

We departed for our trip on June 6 and arrived home on June 10. We started and ended with fourteen students and three supervisors.

On June 6 we got an early start and nearly travelled all day long. Our first environmental study was at the Kananaskis Forest Experimental Station. We met up with poor weather there as it was snowing. We left the Experimental Station and headed towards Ribbon Creek Hostel where we spent the night.

Thursday was a day of great experience. We arrived at Banff and decided to go up the Gondola Lift before dinner. We studied the flora and fauna and geological features of Sulfer Mountain. After doing some hiking around Banff, we went shopping for a while at Banff, had supper; and then we headed towards Mount Eisenhower Youth Hostel where we were to spend the night.

During our early morning activities on Friday we saw an Elk. After our hike we headed towards Lake Louise looking for bears. We didn't see any but what we did see was a moose and a white-tailed deer. Outdoor activities took place at Lake Louise. Goldeye was to be our next stop so we got mobile pretty fast. We arrived at Goldeye at about 7:80 p.m. Our night was spent with luxuries!

The next day outdoor environmental research was done along with orienteering.

No one completed the orienteering course on the first try, so in the evening we did the reverse of the same course. This time the winners were Sindy Piwowar, Debbie Petruk and Mr. Daugherty.

The next day there was an early morning hike and then we departed from Goldeye. On our way home we stopped at Rocky Mountain House Museum, and at Clearnose for supper. We arrived back at Viking at 7:80 on June 10 all sound and safe.

As the students on the trip we would like to thank Mr. Daugherty for a safe bus trip, Miss Milkovich for being a good head cook, and Mr. Erickson who had set up this trip for us.

It's Birthday Time Again

By W. Roger Worth

Like carnival barkers flogging a sideshow, Ottawa flimflam promoters have fanned out across the country cajoling national organizations and the country's media to jump on the "Canada's Birthday" bandwagon.

"The biggest celebration this country has seen in a decade," predicts a press release from the organizers. Among the events: concerts, carnivals, clambakes, fairs, folkfests, flag raisings, plays, pageants, presentations, races, rallies and rodeos.

Someone in the nation's capital, it seems, wants Canadians to be a lot more like their flag-waving American neighbors who pull out all the stops for that country's July 4 holiday.

Roger Worth is Director, Public Affairs, Canadian Federation of Independent Business.

Promoting togetherness and understanding at the national level is an excellent aim, considering the seemingly endless series of regional, cultural and political squabbles upsetting Canadians.

Still, one wonders whether heavy spending on such celebrations is the solution.

This year, for example, Ottawa is kicking in $3.8 million to promote the cause. The Council for Canadian Unity gets $812,000 and the Canadian Folk Arts Council another $443,000.

Even the groups involved in promoting the celebration have apparently been fighting over the available funds.

While there will probably be less soft-soft (and perhaps unnecessary) advertising in 1979, the amount of cash reserved for national – as opposed to local – promotion is extremely high.

The organizers are justifiably big believers in numbers and statistics. They point out that more than 1,500 communities will participate in this year's celebration, up from 900 in 1978.

The major question, though, is whether the millions now being spent nationally would not achieve more "bang for the buck" if the funds were passed directly to local volunteer organizations.

Canada's new Prime Minister Joe Clark has stressed that the real action in the country is at the local level. He also believes strongly in the worth of volunteer activity by Canadians.

By pump priming community celebrations, making extra money available to a broader range of groups (rather than spreading the cash on high priced public relations), Ottawa just might get a lot more Canadians involved.

But that's a suggestion for 1980. For this year, let's settle for a Happy 112th birthday.

BUMPER TALK

Cut Costs With a Clean Air Filter

A clean air filter will save you money and help your car get the best performance from the gasoline you put into it.

A dirty air filter can cut gas mileage by as much as one kilometer per gallon. It may not sound like much, but if you're driving more than 15,000 kilometers per year (9,000 miles) your savings could be substantial.

How Air Filters Work

Your car's engine burns about 10,000 gallons of air for every gallon of fuel it burns. This air passes through the air filter and down to the carburetor where it mixes with the fuel and is vaporized. This mixture is then ignited by the spark plugs in the cylinder chamber thus giving your car power to move.

When dirt and dust particles clog the air filter, this prevents the proper amount of air getting to the carburetor and therefore some gasoline remains unburned. In time, this could result in gas getting into the cylinder in liquid form which may lead to damage to the engine.

To keep your air filter working efficiently, change it twice yearly — each Fall and Spring season preferably. If you live and drive in dusty, sandier areas you may have to change your air filter as often as three or four times a year.

Unlike an oil filter, air filters let you know when they're not working properly. Poor engine performance and lowered fuel economy is one sign of a clogged air filter.

Where To Find Your Filter

Open the hood and look for the air cleaner (it resembles a covered cake pan on top of the engine). In foreign and sports cars there may be more than one air filter. They would look like metal cans lined neatly in a row.

Usually an air cleaner is secured over the carburetor by a wing or butterfly nut. Unscrew it with your fingers and lift off the top. Inside you'll find the air filter, which looks like a honeycomb ring.

Check Its Condition

Check the condition of the filter by holding it up. You should be able to see light through it. If not, tap it on a clean, firm surface. This should loosen some of the dirt. Don't blow through it, however, or you will rupture the delicate filter tissue and this may allow dirt to pass directly into the engine.

If your filter is still too dirty, replace it. If your car has a permanent air filter, follow the owner's manual for cleaning. Most cars today, however, come with paper air filters that are inexpensive to replace. The only information you'll need when buying a new filter is the year of the car, make and model, and engine size.

A Simple Procedure

There's probably no other part on your car that is as easy to clean or replace as the air filter. It is quick to clean, and a new one is generally as inexpensive as $5.00 at most stores. And yet, the advantages of doing this regularly can pay dividends in the form of improved mileage and better gas consumption. Why not check your car's air filter today?

Bumper Talk is a column for automotive do-it-yourselfers, prepared in association with Bumper to Bumper, Canada's largest network of auto parts and accessories stores. Address your questions to Pat Baker in care of this newspaper.

The Homemaker

By Maureen Bauman, D.H.E.

One of the secrets of a satisfying vacation is careful pre-planning. Alberta Consumer and Corporate Affairs suggests some things to consider.

As a general rule, credit should never be used for items that will be consumed before they are paid for, like vacations. Having to scrimp for months afterwards takes the joy out of holiday memories. By using credit, you eventually pay more than anticipated for your holiday, through interest costs. If you do choose to use credit for convenience, plan to pay off the entire amount when the bill comes.

When estimating vacation costs be sure to include *all expenses*, such as: transportation, accommodation, food and drinks, entertainment, laundry, cost of boarding pets, souvenirs, gifts, film for cameras, exchange on foreign currency, gratuities or tips.

After estimating a reasonable budget you can then determine the amount to set aside each month before the trip.

A big part of the vacation is the planning. It is important to search out several sources of information and don't forget to get every family member involved in some way. Happy Holidays!

U.H.T. Milk

A new type of milk is presently being processed by Palm Dairies at their Edmonton plant.

Ultra High Temperature (U.H.T.) milk is treated in such a way that it has a shelf life of 60 days, before opening.

The milk is regular 2% milk that is heated to 142 degrees C for 3 seconds, then aseptically packaged. It can be stored at room temperature, fridgeration is not necessary.

When the milk is to be used, open the container and allow the milk to breathe overnight in the fridge. When thoroughly cooled it is ready to serve. The minute *the container is opened, the* product must be treated as fresh milk.

Nutritionally and flavourwise this milk is very acceptable. No preservatives have been added and it is enriched with Vitamins A & D, similar to regular 2% milk.

This product, ideal for camping, is available at grocery outlets throughout Alberta.

Viking 4-H Lighthorse

The June 21st 4-H Lighthorse meeting was called to order at 8:15 p.m. with 16 members present.

The Boy Scout Club is willing to lend their tents out for the trail ride and in return the 4-H Club will help with building a building in the fall. Carol Taylor Explained to the members about the food supply for the trail ride. Lutz's volunteered to transfer the sleeping bags from the Gymkana Grounds to the Boy Scout camp.

Judges for July ninth was discussed. For grooming Muriel Hill was elected and Tom Mattinson as Ring Master with Mrs. Sevick as M.C.

The Nursing Aid Association will be in charge of the booth at the Gymkana grounds for achievement day.

A motion was made to leave the organizing of the Trail class to the adult committee. Colleen made a motion that the winner's of each class will receive their trophy directly after each class.

Games for the trail ride were discussed. Shelly made a motion to have games after achievement day also.

Everyone is to supply their own food for achievement day.

Rhonda, Lorna, Marilyn and Shelly volunteered to make posters. Linda will put an ad in the newspaper.

Patti Ash is to set up folders for the yearbook. Everyone is to give Patti a picture of their horse.

Manifests were brought up, and the members were told to always have one when transporting their horses.

On August 7 there is a Country evening, and any family going is asked to bring a salad. This outing is to take place in Holden.

Laura Bridgeman volunteered to set up a first aid kit for the trail ride.

Gary McClements then discussed with the members the rules and regulations for showing a horse.

the meeting was adjourned at 9:30 p.m.

SUMMER ENJOYMENT
Marion Cantrell

The 'restless summer malady' will soon be plaguing children and every home will near cries of "we NEVER do anything", and "We NEVER go anywhere". For persons living in Viking and surrounding areas forms of relief are within easy driving distance.

For a mild case, the Ribstones, east of Viking, may be soothing enough. It offers a small dose of history and miles and miles of view in all directions.

If this 'hill-top experience wasn't satisfactory, perhaps a few trips to dip-in-the-deep would help. You may vary this treatment between the indoor pools at Ryley and Killam, or the outdoor grants a cooling swim.

Family picnics often ease the summer stress. Choosing an attractive area such as the Fabian Hills campsite, any number of spots along the Battle River by Alliance, or in the Donalda area, has advantages. The family can work off their excess energy and calories by climbing hills while admiring the scenery!

If you prefer a more developed picnic area, try the Big Knife Provincial Park near Forestburg. It is a lovely cool retreat on a hot summer day. You may also find it particularly soothing on a warm autumn day after the leaves have turned colour.

Our provincial capital provides an endless number of interest centres for families. For the younger children, Storyland Valley Zoo is great. For families who enjoy plants, the Mutitart Conservatory will ease the tensions of any day. And for those interested in the 'heavenly bodies' try the Planetarium, located in Coronation Park.

An interest in animals could lure you to spend a full day at the Alberta Game Farm, east of Edmonton. Perhaps your family will find that wandering through our Canadian history is refreshing. Again within Edmonton city limits, you will find Fort Edmonton, the John Walters Museum, and the Provincial Museum and Archives. West of Edmonton, the Stony Plain Multicultural centre offers varied and interesting displays. an added attraction here is the homesteader kitchen serving home cooked meals in a very homey atmosphere. the Ukranian Village, east of Elk Island Park, acros is on a particular segment of history. and don't forget our own local museum to help pass a few hours of summer, learning about ourpast.

If you need a more lengthy deliverance from the local scene, here are a few more suggestions for a very long day away from home, or perhaps two days.

In the Drumheller Badlands you may travel the dinasaur trail. The sights are many and varied. There also are two museums within Drumheller. One of pioneers and the other of the more ancient times of fossils and reptiles.

If the history of yesteryear invigorates your household, there are at least two more places worth mentioning. The Haana museum allows a very full experience of town life of years ago. Battleford, Saskatchewan will keep you moving through their extensive Fort Battleford North West Mounted Police history, and the large Western Development Museum. Another museum has been established recently in that city. No doubt it would be worth inquiring about.

But perhaps your interests would be better met in a living, action environment. Your greatest summer relief may be found in fishing. If your family has never whiled away a day with a rod, maybe this summer you should give it a try.

HAPPY HOLIDAY !

Henriette Livingstone, age 70 years, and Walter Nordstrom, age 65, exchanged wedding vows on Thursday, June 28th. The wedding ceremony was performed in the Viking United Church with Rev. Jim Bennette pronouncing the happy couple man and wife. A Reception Tea was held at Vista Lodge where the newly weds have both resided for the past two years. Staff Photo

Irma New Horizons Tour Edmonton

Irma New Horizons Club members enjoyed a bus tour to Edmonton on Tuesday, June 26th. At 9 a.m. sharp 41 senior citizens climbed on the Bill Beechdholt's bus, which after a pleasant two hours trip, arrived at Strathcona Place, Edmonton. Here, our tour committee had made arrangements for lunch, for which tables were already laid when we arrived. Rev. Gordon Wilson asked the blessing.

Following lunch, we were taken on a tour of the building, where we saw the work room and some of the products produced in state of construction. These included wood work, ceramics etc.

We were then taken to Fort Edmonton which proved to be very interesting. Here, we scattered all over the place, some had been there before and knew what they wished to see and where to go. Others enjoyed what they could in the time available.

The 1865 Street with its board sidewalks, old stores, churches, carpenter and blacksmith shops, old dwellings, as they were one hundred years ago brought immeasurable enjoyment. Some, on the other hand viewed the old fort, which I was told is very interesting and which I shall have to see at another time.

At 4 p.m. we again boarded the bus, and when Donald Gunn was satisfied that none were missing, we took off through the heavy 4 p.m. traffic. Arriving at Fuller's Restaurant on 82 Avenue, we all went in and had lunch (attracted no doubt by the 10 per cent discount on senior citizens meals). The trip back to Irma was uneventful where we arrived at approximately 8 p.m., tired but happy. A vote of thanks was extended to our good bus driver.

It was an ideal outing, the weather couldn't have been better.

Many thanks to the Irma Recreation Board which treated the Seniors to this outing by absorbing the cost of the bus. We must not forget a hearty thank you to our tour committee, who made the arrangements, Donald Gunn, Ella McRoberts and Mildred Smith.

Batts District News

Recent visitors at the Cecil Lockhart farm were Mr. and Mrs. Jack Wilson of Kelowna and Mrs. Hill of Irma.

Mr. and Mrs. Harold Whidden's home was the scene of a family reunion. Mr. and Mrs. Freeman Greenwood of Ontario, Mrs. Hattie Brown of Victoria, B.C. Mrs. Carrie Whitford of Lac La Biche and Mrs. Bessie Whitford of Surrey, B.C. were among the guests. The previous week they had motored to Billings, Montana to visit another sister.

Mrs. Bessie Olsen and Mrs. Jean Withall of Irma enjoyed a visit in the district on Monday.

Mrs. Tobe Smith has spent the past two weeks at Gibbons, Alberta keeping house for her grandchildren while their parents Gordon and Faye Pyle are on holiday in Germany. Kristas Pyle enjoyed a week on the farm with Grandpa and the Bert Banks.

Mrs. Bert Smith, Lyan and Dianne were Edmonton visitors on Thursday. Lori Sparry accompanied the Lockhart family to the city that day as well.

Mr. and Mrs. Larry Mark enjoyed fishing at Muriel Lake on the weekend.

Several district families drove to Ardrossan on the weekend to cheer on the Irma Junior softball team.

Miss Patty Burr arrived in Edmonton on Thursday and will be spending some time at home this summer. Patty has been working at Norman Wells, N.W.T. since February.

Village of Holden Council Minutes

Minutes of the Regular Meeting of the Council of the Village of Holden, held on June 20, 1979 in the Village Office.

Present were: Mayor Shykora, Councillors Globelhaus, Danilak, Lemko and Stambaugh and Secretary treasurer Mackay.

Other: Barbara MacDonell from Municipal Affairs, Current Planning.

The meeting was called to order by Mayor Shykora at 7:30 P.M.

Moved by Councillor Danilak that the minutes of the May 16, 1979 regular meeting be adopted as printed. Carried.

Mayor Shykora moved that accounts paid in the amount of $8,521.91 be ratified. Carried.

Councillor Danilak moved that accounts in the amount of $17,578.34 be approved for payment. Carried.

Councillor Globelhaus abstained from discussion and voting.

Councillor Globelhaus moved the monthly cash statement be adopted as presented. Carried.

Councillor Stambaugh joined the meeting at 7:45 p.m.

Councillor Stambaugh moved that Podmore Engineering Ltd. be authorized to assess the subdivision potential of the area north of Block E and other areas within the Village. Carried.

Barbara MacDonell from Current Planning, Municipal Affairs presented a draft copy of the proposed land use by-law for study by council members. Discussion followed and questions were answered. Further study on this will be at the July regular meeting.

Councillor Globelhaus moved ratification of action taken in adding the addendum to the paving contract at a cost of $3,600.00 to be funded from prior years surplus. Carried.

Councillor Lemko moved that the actions of the Mayor and Secretary in approving location of the power line to the water reservoir and pumphouse be ratified. carried.

Councillor Danilak moved that the contract for the water reservoir and pumphouse be awarded to the lowest bidder, Kraft Construction (1978) Ltd. as recommended by Podmore Engineering Ltd. Carried.

Councillors discussed a draft of a by-law to restrict heavy traffic on 50 Ave. Changes were made and another draft copy is to be prepared for submission to the Village Lawyer for comment.

Mayor Shykora moved that the building permit application by George Smyth to construct a residence on Lot 17, Block 21 be approved. Carried.

Councillor Lemko moved that the approved building permit of H. Tiedemann to construct an addition to the building on Lot 4, Block 10, be cancelled as requested and that the permit fee be transferred to the new building permit application. Carried.

Mayor Shykora moved that the building permit application of H. Tiedemann to construct a residence on Lot 31, Block 10 be approved. Carried.

Councillor Stambaugh moved that the Secretary be authorized to supply information as requested by Municipal Affairs Current Planning re the proposed subdivision E/4 14-49-16-4, and that Council record no objection to the proposal. Carried.

Councillor Globelhaus abstained from discussion and voting.

CORRESPONDENCE
1. Councillor Globelhaus moved that lot 3, block 10 plan 3940W be sold to Edward and Donilda Kreczanoski on the condition that the title be amalgamated with the title of the present business on Lot 4, Block 10, plan 3940W. Carried.
2. A letter was read from Henry Danilak re problems with garbage burning in his area. Councillor Stambaugh moved this item be tabled until more information is received. Carried.

Councillor Danilak moved that letters be written to the Regional Recreation and Parks Board and the County of Beaver indicating Councils wish that the County of Beaver continue as signing authority for Regional Recreation after June 30, 1979. Carried.

A special meeting was called for June 21, 1979 at 8:30 p.m. to complete the agenda and discuss other business.

Councillor Stambaugh moved the meeting adjourn at 11:35 p.m. Carried.

John and Emily Tkaczyk Laid To Rest

John and Emily Tkaczyk passed away suddenly on June 8, 1979 at Holden, Alberta. They were married on May 10, 1946 in Holden and spent all their married lives on their farm there. They were both very active in the church and in the Holden Agricultural Society and will be greatly missed by all their friends and relatives.

John and Emily are survived by their loving children Mrs. Gloria Knudalien of Tofield, David and Ronnie at home and one grandson, Casey Knudalien.

John is also survived by brothers Harry and Pete of Holden, Jim of Bruce, Nick and Mike of Edmonton, and sisters Annie Ozubko of Bruce, Katie Beston and Olga Fix of Vancouver, and Mary Miller of Washington.

Emily is survived by her sister Eleanor Melock of Edmonton and brothers Myron and Benny Pasnak of Holden and her mother Mrs. Mary Pasnak resident of Parkland Nursing Home in Viking.

Funeral services were held on Tuesday, June 12, from St. Mary's Ukrainian Catholic Church at Holden with Rev. Father Ozarchaiswych and Rev. Father J. Kratko officiating with interment in the church cemetery. Prayer services were held on Monday, June 11, at the Holden Greek Catholic Church.

Pallbearers were Adam Schmidt, Bob Potts, Peter Chrystian, Lawrence Hurhum, Helmer Olsen, Calvin Storey; also Maurice and Harry Pasnak, Vernon Ozubko, Rodney Tkaczyk, Les Clayton and Rick Burndied.

How Pencils Are Made

"The lead in a lead pencil is a little like the guinea pig, for the guinea pig isn't a pig at all and doesn't come from Guinea."

That's how writer Elbert Hubbard put it. The point: There's no lead in the "lead" pencil. The writing ingredient is graphite, a material in the diamond family, but almost as soft as the diamond is hard.

Joseph Dixon founded the world's largest natural graphite house in 1827. Dixon pencils, made on hand-cranked machines of his own design, were the first pencils mass produced in America.

Pencil manufacturing can be compared to making a sandwich: two slices of wood for bread, graphite for filling, bonding adhesive for mayonnaise.

Up to eight parallel grooves are machined into long strips of cedar. A thin strip of graphite is placed in the grooves; then another wood slat is glued on top. After drying under intense heat, the "sandwich" is sliced into individual pencils, smoothed and sanded, given up to eight coats of high-gloss lacquer and imprinted. Finally the eraser is added. And it's ready to write!

One pencil, will produce about 30,000 words before it's too short for the average longhand writer.

If you're good at setting down words, a half dozen pencils is all you'll need to write the great American novel.

An audio-visual slide cassette presentation, "The Making of a Pencil," is available to schools, civic groups, etc., write to the Joseph Dixon Crucible Co., Corporate Advertising Dept., 167 Wayne St., Jersey City, N.J. 07303.

Beaver Regional Recreation News

By Pam Rauser
Program Supervisor

Having just recently been appointed as Program Supervisor I would like to take this opportunity to extend personal greetings to all of the communities involved with Recreation within the County. I hope that I will be able to assist you in any Recreational services which you may need throughout the summer ahead.

SUMMER PROGRAMS

Directly following the Recreation Leadership Workshop for playground leaders and supervisors will be the commencement of the summer playgrounds. The schedule is as follows:

TRAVELLING PLAYGROUNDS:
Beaverhill Association
July 9 to 14
Holden
July 16 to 21
Bruce
July 23 to 28
Lindbrook
July 30 to August and August 6 to 11
Ryley
August 13 to 18
Spillstead
August 20 to 25

STATIONARY PLAYGROUNDS
Viking - July 9 to August 25
The Prague and Maple Lodge Communities will not be having a travelling playground this summer.

RECREATION BOARD MEMBERS

The Alberta Recreation and Parks Association is holding their annual conference October 25th to 27th, 1979 in Jasper. This organizations' purpose is to help "Coordinate, stimulate, and promote" the advancement of Parks, Recreation and leisure services in Alberta. The theme of the conference this year *is* Recreation Programming for the Family.

INTERNATIONAL YEAR OF The Child

The Children's Environments Advisory Service (CEAS) hopes that the International Year of the Child provides "an opportunity to focus on meeting the needs of children and to make concrete improvements in the quality of life for children".

For this reason they have made special services available to your community, sponsored by Central Mortgage and Housing Corporation (CMHC), throughout the year of the Child.

One of these programs is entitled Play Opportunities Resources Clinics or PORC. This is a Summer Youth Job Corps Project designed to utilize university students from selected areas of study as resource persons, available to communities, organizations and professionals, interested in the design, development, operation and evaluation of outdoor play spaces for children.

In catering to your needs the students will:

- Make Slide presentations and give out information on planning for play to meet the needs of different age groups in the residential, school, or park meeting.
- Develop and present ideas on how a particular job could be designed, or better utilized for play.
- Recommend the organizational support and management that good play spaces require.
- Discuss playground maintenance programs.
- Advise on playground equipment and inexpensive or community built playgrounds.

For further information, call Pam at 663-3730.

The Vegreville Parks and Recreation Department is offering a travelling leadership training program workshop this summer in Vegreville.

The workshop is organized by the Y.M.C.A. of Edmonton and will take place August 13th to 17th, 1979.

The Programs intentions are to make more people aware of the development of children, and the important role of physical and creative play.

For more information contact the Vegreville Recreation Department at 632-3100 or 632-4866.

SENIOR CITIZENS

This summer we hope to plan some exciting trips for the Senior Citizens groups in our area. If there are any particular places you are interested in visiting, please contact either George Baker or myself at the Ryley office; phone 663-3730.

We would also be glad to visit your groups and discuss any new ideas with you.

From one good energy manager...

...to another!

You may think of an energy manager as a power plant engineer. You're right. But energy management is important in your home too!

Why? For one thing, we have to use Alberta's non-renewable resources to generate your electricity. For another, the costs of building and operating additional facilities are escalating.

The more you do to manage energy at home, the more you can save on your electricity bill now. And the more you'll help keep future cost increases to a manageable level. There are many ways to manage electricity yet still enjoy a good lifestyle.

Most are little ways.
- Turning off lights when not needed does save electricity.
- Generally, small appliances use less electricity than larger ones, so for small amounts of cooking, use your frypan as a "mini-oven."
- Wash only full loads in your dishwasher.
- Plan your energy day to avoid using major appliances during the 5-7 p.m. "peak load" period.

Conserve. It's worth the energy!

CALGARY POWER

Golf Tournament Held

On Sunday June 24 under cloudy skies the Viking Ladies open golf tournament was held.

Fifteen golfers braved the weather with the following Ladies receiving trophies.

Championship Flight -
Noella Brissard Viking
Pat Rozicka Viking

First Flight -
Bessie Pratt - Viking
Gladys Reddick - Viking

Second Flight -
Margo Cumming Edmonton
Wendy Reddick Edmonton

Third Flight -
Beth Chilbeck Vegreville
Ruth Percival Wainwright

Longest drive -
Cindy Amundson

Largest Score on on hole -
Betty Michalichuk Vegreville

Thanks to the men who helped out at the club house.

On Thursday June 28 a Two Ball Foursome was held. Low score was one by Leo Kelly and Margo Kelly. High score Chris Amundson and Helen Ruzicka.

A cake and purse was presented to Red and Gladys Reddick, long time members of the golf club in honor of their 40th Anniversary. All members appreciate the work put into the golf club over the years by Red and Gladys.

A steak barbeque was enjoyed by all.

Unless you worked at least 20 weeks in the past year, these changes could apply to you.

In December 1978, Parliament changed the Unemployment Insurance program. Changes starting July 1 mean that some people will have to work longer before they can qualify for Unemployment Insurance benefits.

. Please remember, these UI changes affect only those claims which start on or after July 1, 1979. And, the changes may or may not apply to you. So please read on to see if you are affected.

(You'll find terms such as "Weeks of Work", "Qualifying Period", "Variable Entrance Requirement" (VER), and "Unemployment Rate" marked by an asterisk (*). For easier understanding, see the box "Explaining UI terms" at the end of this message.)

Here are the details of those changes.

Have you worked 20 weeks or more in your Qualifying Period*?

If so, this message does *not* apply to you. For you, the number of weeks you need to qualify for regular UI benefits and for UI illness and maternity benefits, or the one-time benefit at age 65 has not changed.

Are you working for the first time?

To get UI benefits, you will usually need 20 Weeks' Work*, no matter where you live.

An exception to this would be if you were on a training course approved by the Canada Employment and Immigration Commision for at least 14 weeks in the year before your Qualifying Period*. Then you would only need 10 to 14 weeks, depending on the Variable Entrance Requirement* where you live.

Are you starting to work again?

If you're coming back to work after being away a year or more,you'll usually need 20 Weeks of Work* in your Qualifying Period* before you can qualify for UI benefits.

This applies wherever you live.

This 20-week rule won't apply, however, if you were in any of the following situations *for a total of at least 14 weeks* in the year *before* your Qualifying Period*.

These are the situations that count:

1. You were getting temporary worker's disability compensation from a provincial program;
2. You were receiving sick or maternity leave payments;
3. You were out of work because of a labour dispute at your place of work;
4. You were on a Commission-approved training course;
5. You were on UI claim;
6. You were working in insurable employment.

So, for first-time workers and those coming back to work:

A. If you were in any of these six situations for a total of at least 14 weeks in the year *before* your Qualifying Period*, then you need only 10 to 14 Weeks' Work* in the Qualifying Period*, depending on the VER* where you live.

B. If *none* of the six situations fit your case,you will have to have worked at least 20 weeks to qualify for UI benefits.

NOTE: If you are returning to work after being away more than one year, the 20-week rule will normally apply to you.

Did you get UI benefits in the last year?

If you got UI benefits in your Qualifying Period*, there are new rules that may apply to you – unless the Unemployment Rate* in your area is over 11.5 per cent.

1. If a claim you had in the last year has not run out, you may be able to renew it.
2. If yours is classed as a new claim, you will need the usual 10 to 14 Weeks' Work* depending on your local VER*, *plus* up to six "extra" Weeks of Work*. The number of "extra" weeks you'll need depends on how many weeks you got on your previous UI claim. You need one "extra" week (up to a maximum of six) for every week you got over the VER* needed in your area.

Here's an example: You need 12 Weeks' Work* in your region (your local VER*) to qualify for benefits the first time. On your last claim, you drew 15 weeks' benefits before going back to work. Now, you would need the usual 12 weeks, *plus* three "extra" work weeks. (That's the difference between the 12 weeks you needed to work and the 15 weeks of benefits you drew. In total you would need 15 Weeks' Work* to qualify again within one year. The most anyone needs anywhere is 20 weeks of work to qualify.

Again, please remember, when the Unemployment Rate* in your area is over 11.5 per cent, this rule won't apply to you. You'll need only 10 Weeks' Work* to qualify for regular UI benefits.

Other changes have been in effect since January 1979:

- The weekly benefit rate was reduced to 60 per cent of your average insurable earnings (from 66⅔ per cent).
- Most people employed for less than 20 hours a week are no longer covered by UI.
- Higher-income claimants may have to repay part of UI benefits drawn in the 1979 tax year. This will only affect people whose income, including UI benefits, is over $20,670. This will be explained when you get your 1979 tax return.

These things haven't changed:

Just as a review, these points haven't changed:

- You may still get UI illness and maternity benefits and the special benefit paid at age 65 if you've worked 20 weeks in your Qualifying Period*.
- There's still a two-week waiting period before UI benefits start.
- To get regular benefits, you must still be available for and looking for work each day you are on claim.
- You must report any work and earnings while on claim.
- You can be disqualified from getting benefits for up to six weeks if you quit your job voluntarily, you were fired for misconduct, or if you turned down a suitable job offer.
- You can still appeal a decision by UI to deny you benefits.

Explaining UI terms:

***Weeks of Work**
This means weeks of work that are insurable for Unemployment Insurance. Most employment of 20 hours or more a week is insurable.

***Qualifying Period**
What UI calls your Qualifying Period is the 52 weeks before we start your claim. Or if you had a claim in the last year, it's the time since *that* claim started.

***Variable Entrance Requirement (VER)**
To qualify for Unemployment Insurance benefits, you must have worked from 10 to 14 weeks in insurable employment during your Qualifying Period*. The exact number of weeks depends on the Unemployment Rate* in the economic region where you live. (See below.) If you don't have enough weeks to qualify when you file your claim, we keep your application in the computer file. If the Unemployment Rate* changes so you then have the weeks you need, we will send you a notice.

***Unemployment Rate**
For Unemployment Insurance, the Unemployment Rate used for each of the 48 economic regions of Canada is *not* the current monthly Statistics Canada unemployment rate in each region. It is a three-month average of seasonally-adjusted monthly unemployment rates.

Irma News and Views

Elsie and Ludwig Satre are spending the weekend with Elsie's son Gary near Bonnyville, and undoubtedly Ludwigh will get in some fishing.

Oskar Steffanson is recuperating in hospital in Wainwright.

Solvig, Ole, Sylvia and Stephen Raasok have taken off for an extended holiday in Norway.

Strawberry Plains annual community picnic was held at Steffanson's lake picnic ground on Thursday evening June 28th; there was the usual scrumptious variety of eats, coffee and coolade, pie and ice cream, it was a quiet social event, the breeze off the lake helped to counteract the excessive heat and in the shade of the trees it was quite comfortable.

Beverley and Albert Jackson attended the funeral of Joe Harding at Kinsella on Saturday at 11 a.m., later visiting with Albert's Mom and Dad at Irma until Sunday, Beverley also visited her brother Ray Lewis, and Eileen, while Albert visited his brother Arthur and Marilynn.

Heavy showers passing through the district over the weekend has given the crops and gardens a welcome and crops are growing rapidly, some early fields of rape are already blossoming.

Sympathy is extended to Frank Banks whose wife Helen passed away on Friday June 29th in Killam Auxiliary hospital after having being in failing health for quite some time, sympathy is also extended to her daughter Helen Bell and son Charlie and wife Mary of Provost.

Lorne, Eddie and Howard Jackson drove to Winnipeg last week, intending to visit with daughter Norene, and daughter Phyllis and husband Rick Hammond, they planned to holiday at a lake and get in some fishing.

Charlie Jackson is spending the weekend in Edmonton, Arthur, Barbara and Lorraine are taking care of Eddie and Lornes chores.

We are glad to report that Mrs. Nellie Thurston has been released from Wainwright hospital after a series of tests.

Mrs. Mary Russell (nee Thurston) arrived from her home at Mississaugs by plane on Wednesday June 27th and was met at the International airport in Edmonton by her nephew Jim Pugh of Edgerton.

Irene and Frank Drewicki from Spruce Grove visited Meg Dunbar and other friends in Irma also visited Franks brother Stan and family at Fabyan. During the past week.

Quite a number from Irma attended the Bingo at Kinsella on Friday evening June 29th, sponsored by the Kinsella Elks and O.O.R.P. with the proceeds being ear marked to furnish a room (or ward) in the new hospital on wich construction has commenced, most of the Irmaites had the usual luck came home poorer than they went, but comforted themselves with the thought that it was for a good cause.

On Sunday afternoon Minnie and Jim Jackson accompanied their granddaughter Joyce Bartholow to the Parkland nursing home at Viking, where Jim visited with Frank Murray and Holly Kendrick.

Ernie Christine & Treena Owen have moved to their new home in Viking. Eras and Wayne Burger, Andy Owen from Edmonton were down helping move.

Roger Chorost's and family have rented the farm site.

Money Raised For Red Cross Society

The Grade III class of the Irma School, with their teacher, Mrs. G. Astley are to be praised for their effort in helping the Red Cross this past school year.

Through a candy sale, recipe booklet sale, sale of bottles and cans, birthday pennies, and donations they have sent $151.00 this year. Also sent were 1 lb. of stamps, 711 Nabob coupons, 124 Blue Ribbon coupons and 2,500 Popsicle Pete coupons.

Well done Grade III, and we know that many needy children will be helped by your outstanding achievement.

Village of Irma Council Minutes

The Council of the Village of Irma met in regular meeting in the Irma Village Office Tuesday June 5, 1979 at the hour of 7:00 p.m.

Present were Councillors, Barber, Dempsey, Jackson, Larson and Littlewood. Others present were, Municipal Administrator, D. D. Cressy and Sgt. Courte, Wainwright R.C.M.P. Detachment.

Mayor Larson in the chair.

Moved that the minutes from the May 1, 1979 regular meeting be adopted as written.

May 22, 1979 Special Meeting. Resolution authorizing development of Block G, Plan 156W was corrected to read carried, rather than carried unanimously. Moved that the minutes from the May 22, 1979 Special Meeting be adopted as corrected. Carried.

Moved that accounts for the month of May as presented be approved for payment. Carried.

The financial statement for the month ending May 31, 1979 reads as follows:
Net balance end of the previous month $12,087.83
Receipts for the month [illegible]
Disbursements for the month $2,320.53
Net balance at end of the month $2,551.60

Moved that the financial statement as presented be accepted. Carried.

Correspondence was received from Sgt. Courte of the Wainwright R.C.M.P. Detachment relating to patrolling within the village. Sgt. Courte emphasized the importance of the local residents reporting traffic violations. He said that until such time as violations are reported that the police are not aware that such incidents are taking place. Complaints should be directed to the R.C.M.P. rather than to Council or the Village Office.

Moved that this correspondence be received and filed. Carried.

Moved that the minutes from the Wainwright School Div. No. 32 Board meeting be received and filed. Carried.

Moved that correspondence from Alberta Environment relating to grants for capital expenditures be received and filed. Carried.

Moved that correspondence from D.P. Meany Company Incorporated relating to administrative manuals be received and filed. Carried.

Moved that correspondence from Verd-A-Ray Industries Ltd. relating to street lighting be received and filed. Carried.

Moved that correspondence from Alberta Government Telephones relating to penalty charges for late payment of accounts be received and filed. Carried.

Moved that correspondence from Alberta Disaster Services relating to Course No. 03-79 Municipal Disaster Services Program Managment, be received and filed. Carried.

Moved that correspondence from Alberta Recreation Parks and wildlife relating to Workshops be received and filed. Carried.

Moved that the minutes from the Battle River Tourist Assn. May 24 regular meeting be received and filed. Carried.

Moved that correspondence from Municipal Affairs relating to Mobile Equipment Licensing be received and filed. Carried.

Moved that correspondence from the City of Edmonton relating to the sale of used equipment be received and filed. Carried.

Moved that correspondence from Alberta Urban Municipalities Ass'n. relating to the Group life coverage of Council members and employees be received and filed. Carried.

Moved that correspondence from EPEC Consulting Western Ltd. relating to the upgrading of S.R. No. 881 through the village be received and filed. Carried.

Moved that correspondence from the Minburn Vermilion Health Unit relating to water samples be received and filed. Carried.

Correspondence was received from Plant Industry Division, Department of Agriculture relating to the appointment of a Weed Inspector for the Village of Irma. Moved that the M.D. Wainwright No. 61 be requested to appoint a member of its staff to assume the weed inspection requirements of the village for the current year. Carried.

The following Building Permit Applications were presented for approval:

Mr. Stan Costall
Renovations & Siding
Blk F, Plan 156HW

Moved that Building Permits as listed be approved subject to the specifications as set out in the Alberta Uniform Building Standards Act. Carried.

Moved that the minutes from the April 29, 1979 regular meeting of the Irma Recreation Area Council be received and filed. Carried.

Correspondence was received from the Irma Recreation Area setting out changes in the Up-date of the Master Plan as prepared by the Master Plan Committee. Moved that the Updated Master Plan as presented be accepted. Carried.

Moved that the minutes from the April 29, 1979 regular meeting of the Irma Recreation Area council be received and filed. Carried.

Moved that correspondence from Alberta Advanced Education and Manpower advising that Council's application for a project under the S.T.E.P. for four students has been approved, be received and filed. Carried.

Sgt. Courte was present at this time. He re-iterated the points as set out in his letter to Council and stressed the importance of individuals reporting traffic violations directly to the R. C. M. P. Mayor Larson thanked Mr. Courte for attending the meeting.

The 1979 Fire Budget as prepared by the Irma Fire committee was reviewed. Moved that the Budget as presented be approved. Carried.

Correspondence from the Public Utilities Board advising that the Calgary Power Franchise with the Village has been ratified and may be presented for final ratification. By-law No. 467 ratifing the agreement may now receive its 2nd and 3rd reading.

Moved that by-law No. 487 pass its second reading. Carried. Moved that By-law No. 487 pass its third reading. Carried.

The 1979 Recreation Area Budget has been prepared to authorize levies as set out for Business Tax purposes in the current year. Moved that By-law No. 495 pass its first reading. Carried. Moved that By-law No. 495 pass its second reading. Carried. Moved that By-law No. 495 be presented for third and final reading. Carried. Moved that By-law No. 495 pass its third and final reading. Carried.

By-law No. 496. This By-law has been prepared to authorize a grant in the amount of $10.00 to each of the following organizations. The Salvation Army, Woods Christian Homes and the Canadian National Institute for the Blind. Moved that By-law No. 496 pass its first reading. Carried. Moved that By-law No. 496 pass its second reading. Carried. Moved that By-law No. 496 be presented for third reading. Carried. Moved that By-law No. 496 pass its third reading. Carried.

Correspondence was received from EPEC Consulting Western Ltd. pertaining to the development of Eastview Subdivision and surface drainage of the area. Moved that surface drainage as recommended by Mr. Scott be accepted for Phase I of the development. Carried.

Councillor Dempsey submitted a brief report on the proposed complex which will house a curling rink, bowling alley and community hall and advised that the said project qualifies for grant funds under the community Services Program. Moved that the Village Council be authorized to submit an application to the appropriate authorities on behalf of the Village of Irma and Divisions six and seven of the M.D. of Wainwright No. 61. Carried.

Correspondence was received from the M.D. of Wainwright No. 61 Council authorizing the Village Council to submit an application jointly on behalf of the Village and Divisions six and seven of the Municipal District, for development of a complex to house facilities as set out in the above paragraph. Carried.

Moved that the minutes from the Planning Committee of Council held on May 14, 1979 be accepted as read. Carried.

Moved that the committee reports as presented be accepted. Carried.

There being no further business before Council at this time, the meeting was moved adjourned. Carried.

Cards of Thanks

CARD OF THANKS
Since it is impossible to thank everyone personally, the family of the late John and Emily Tkaczyk would like to thank everyone for the donations, memorials, mass cards, flowers, contributions to the family and for all the kindness shown to us. We would like to thank the pallbearers, the ladies of the South Holden Parish Church for their help with the lunch, also thanks to the men who did chores, also thanks to both Fathers Kratko and Orachariasevych for their comforting words. Special thanks to the brothers and sisters of our dear parents for their love and support during our great loss.
David and Ronnie Tkaczyk
Cliff, Gloria and Casey
Knudslien

Jesus said I am the resurrection and the life. He that believeth in me, though he were dead, yet shall he live and whosoever liveth and believeth in me shall never die. Believeth thou this. John 1:25-26.

I would like to thank Dr. Caldwell and Dr. Moffat, nurses and staff of the Viking Hospital for the excellent care I received while a patient there. Thanks are also extended to relatives and friends for their gifts, cards and visits.
Ray Weder

Our thanks to everyone for helping us celebrate our 25th Wedding Anniversary, special thanks for the lovely gifts, cards, and to all the ladies who brought food.
Ernie and Annie Sevcik and family

We would like to thank our children Judy, Gordon, Daniel, Carolyn and Greg for the 25th Anniversary they put on for us, also Ilsen Brower and Betty Klein for their help.
Many thanks to those who had a part in the program and to those who brought lunch. We truly appreciated this gesture.
Thanks to all who come, relatives and friends from near and far. Thanks for gifts and cards.
this is a day we will never forget.
God Bless Everyone!
Edwin and Carmen Klein

In Memoriam

NIETFELD: Henry
In loving memory of our dear husband, father and grandfather who passed away on July 8, 1978.
This month comes with deep regret,
It brings days we cannot forget,
In our hearts they will always stay,
Loved and remembered day by day,
Memories are treasured,
No one can steal,
Death a heartache no one can heal,
Life must go on, we know it's true,
But it's not the same since we lost you,
You left so quietly, with goodbye,
But our memories of you will never die.

Ever remembered and sadly missed by wife Mary, Marie, Marge, Hank, Alvina and Lloyd, Rick and Sandra, Frieda, Don, Sheldon and Darren, Ted and Judy, Mike, Shirley, Barry and Cathy.

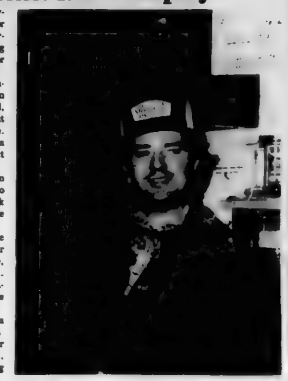
Mrs. Lottie Rosmahel is once again the lucky winner of the $5.00 voucher drawn at the Farmers' Market. She may claim her prize by attending on the next sale day. Congratulations Lottie.

Profile: Ron Dempsey



Ron Dempsey is no newcomer to either the people or the various community organizations of Irma, having been involved with both for many years.

Ron was born in Wainwright but was raised in Irma. After finishing school, he left the village and went to work in a funeral home. He received his license as a mortician during the next four years of this work.

A change in occupation came when Ron moved to Edmonton and started work at a Firestone wholesale store.

Small town life must have look good because, after almost a six year absence, Ron returned to Irma. "Ron's Painting & Decorating" came into existence soon afterwards.

In 1977 Ron decided on a different way to do decorating - hence, "Irma Lumber and Builders Supplies". You'll find him there helping the 'do-it-yourself'ers'.

As most Irma people know by now, Ron and his wife Aletha have a new daughter. They also have a two and a half year old son. Ron and Aletha (who is also originally from Irma) were married in 1974.

I made the mistake of asking Ron what organizations he was active in. His reply - "Irma everything!. This turned out to be very near the truth. Ron's busiest involvement is on the Village Council, but he is also Chairman of Rural Development for the area, Chairman of the Rec. Board, and past president of the Irma and District Agricultural Society.

Besides this, Ron is a member of the Chamber of Commerce, Kinsmen and Masonic Lodge.

Meet the man who can say he's involved in "Irma everything!"

By N. Keith

Irma Annual Fair

It is that time of year again when we start planning our annual fair. The fair books are out in the various stores so if you don't find one contact any committee member. This year we will be having a display set up by our local Health Unit. They will have slides as well as steps to test your physical fitness on. Look for this display in the school on Sunday evening and Monday.

The Agricultural Society, Chamber of Commerce and Recreation Board have combined their efforts to improve the ball diamonds by purchasing shale for the infields and will also be fencing one diamond in.

The Society is also helping financially our local Midget Ball Club and we have purchased a new skute for the livestock section on shares with the 4-H Beef Club

August 3rd, a Friday, was decided upon as the evening we would set up for the displays in the school around 7:30.

We have made one rule change which will be added to the book. The payment of $1.00 per exhibit shall constitute eligibility to exhibit. Any exhibitors showing in livestock and bench classes would pay $1.00 for each. Prize money has also been increased.

The bench exhibits will now be 1st. - $4.00, 2nd - $3.00 and 3rd. $2.00 with 4th - $1.00 in the Junior sections. Livestock classes are increased to 1st. $10.00, 2nd $8.00 and 3rd $6.00

We would very much like to have a Pet Show this year but we need someone willing and interested enough to run it. Please let us know if this could be your contribution. Following is a list of Fair Committee heads, please feel free to offer your assistance to any of them.

Horses - John Newton; Cattle - Bert Smith, Flowers - Margarite Burr, Junior Field Crops and Junior flowers and Vegetables - Hazel and Joe Oracheski, Junior Baking - Jean Smith, Junior Handicraft - Gayle Soucy, Baking - Wayne and Phyllis King, Handicraft - Darlene Lovig, Senior Citizens and Miscellaneous - Phyllis Craig, School Fair - Photography and Art - still needs a convenor.

Please feel free to offer your comments, good or otherwise, if otherwise please make it constructive so we may make our fair and sports day better.

Vialta Lodge News

Mrs. Roger is spending a week with relatives at Beaverridge.

Several guests out for the weekend were Mrs. Rodwell to Manville, Mr. Cotter to Edmonton, Mr. Lindberg to the farm, Albert Whitford to the country with her sister and family. Guests out for Sunday were Mrs. Suddaby, Mr. Gommering-er, Mr. Johnson, Mrs. McNalley, all enjoying the day.

Mr. Dillane is spending the week in Edmonton.

Mr. Allen had a visit on Sunday from his sister, Mrs. Russell of Sedgewick.

Mrs. Savage had visitors on Sunday including her granddaughter and great-grandchildren, Gail, Gord, Jason and Robin Chamberlin.

Calling on Saturday to see Mrs. Pederson were her daughter and son-in-law Ellen and Hugo Heilesen.

Sincere thanks to Mrs. Brower who called on Sunday and took some of the guests for a drive.

Other visitors included Inez and Jay Cotter, Joan and Bob Cotter, Merly Cyre, Winnie Hardwick and R. Stainthorpe.

Mr. Elmer Johnson had company on Sunday and they took him out for supper. Visiting were Ken and Ann Hudson and Leroy and Mary Finseth.

Mr. and Mrs. David Davidson of Sedgewick visited Mr. Theroux and also called at the hospital to see Mrs. Theroux.

Our thanks to the Grade one pupils and their teachers who came to sing for us on June 15th. We always enjoy their visits and singing. Many thanks for coming.

Mrs. Otto was so pleased to have her sister Mary call and see her. Mary lives in Tacoma, Washington and visiting as well was a nephew, Walter.

Mrs. Ferguson had her son and her granddaughter call on Monday and take her for a drive.

A very happy day was spent at the Lodge on June 28th when two of our guests were united in marriage. Mrs. Livingstone and Mr. Nordstrom. The ceremony was performed at the United Church with Rev. Bennett officiating amidst friends and relatives. The bride looked very charming in her long blue gown and corsage of red roses.

Echo-Rodino Report

Missed from last weeks news was that Nerine Hunter spent sometime in Wainwright looking after friends children while they were away.

Claudia Williams had the pleasure of her Aunt Gladys Hunter of Killam and Cousin Esther and family of Edmonton drop in for an afternoon.

Mac Greenwood of Ontario has been visiting in the area with relations. Also here from Ontario are Mac's Daughter Margaret & Husband Martin and their son.

Home for the weekend to the Williams residences were Gerald Hunter and Charlene Melnik of Calgary.

Florence Hollar was favored with a weekend visit from her sister Joyce and husband Ralph Vetter of Carstairs.

Congradulations to Mr. and Mrs. Robert Greenwood on becoming grandparents again. Also congratulations to the proud parents Mr. and Mrs. Larry Minera of Edson.

Lee and Gladys Davis and family of Wildwood were weekend visitors to the Harriet Faulkner home.

Victor Carter took in a weekend of Chariot racing at Paradise Valley.

Mr. and Mrs. Mike Mackowski took in the 25th anniversary of Esther's aunt and uncle in Looma.

Saturday night a midst downpours of rain the Annual Rodino Bar-B-Que took place. After the pit was opened everyone enjoyed a full meal of beef, baked potatoes and salads. Later the music started and everyone enjoyed an evening of dancing. At midnight lunch time draws were made for the doorprizes with the winners as follows: 1st - Barry Bienveniueve, 2nd - a bag of briquettes, Ralph Hanson. 3rd - a packet of Zip - Muriel Hanson.

Mr. and Mrs. George Forester of Looma and their son Lyle, wife Sharon and family of Lethbridge were weekend visitors to the Mackowski home.

Harriet Faulkner took in a family get together for the White Family in the Ranfurly area on Sunday.

Highest or any tender not necessarily accepted.

Further information can be obtained by contacting the undersigned at 663-3730.

Ronald G. Pepper
Assistant Secretary-Treasurer
County of Beaver No. 9
Box 140
Ryley, Alberta TOB 4A0

Do You Know The Bible Says

that you are going to stand before God at the Judgement. Heb.9:27. Because we all are condemned already. John 3:18.

It is appointed unto man once to die, BUT after this the judgement. And He that believeth on Him (Christ) is not condemned, but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son Of God. End quote. If you have not accepted Jesus as your Saviour, WHY NOT. If you believed what the Bible says you would lose no time in confessing that you are a lost sinner, and take Jesus as your Saviour.

Unbelief is your greatest sin against God. Unbelief seals your eternal destiny; without God, and without hope. You may say, A loving god will not send a soul to hell. No, He made us free to choose, and if we choose Not to believe the Bible He is simply sending us where WE choose. We either choose to believe God and His Word, or we choose eternal damnation. Can you tell me WHY you reject Gods offer? You can't blame anyone but yourself.

When you stand before God at the judgement you can only answer for yourself and no one else. You may think you will tell God how someone else who professed to be a Christian lived, and what a hypocrite you thought they were. He won't try to settle someone elses destiny while dealing with you. Their turn is coming; now you must answer for yourself, what you have done with Jesus, Gods gift to you to save you from eternal punishment.

Satan wants to keep you looking at, and interested in anything or anyone else rather than letting you see yourself as needing Christ yourself.

Friend, you may see the logic in choosing Christ as the best choice but you don't feel like doing it right now, or you don't know how to go about it.

Don't let satan steal that wise thought from you. Pray God to help you to give this more thought, and tell Him you need Him right now. He loves you so much and is just waiting for you to come to Him. He wants to give you joy you have never experienced before, and He has many other great things ready to do for you if you will let Him.

Cubs Had A Splash Of a Time

An enthusiastic group of over thirty Viking Cubs enjoyed the swimming pool at the farm of Robert and Lile Ash where the club held their year end party. Staff Photo

Last Wednesday at 3:30, assistant leaders Mike Calow, Marilyn Hoyland and Ellen Ash, along with 32 Cubs and "taxi" drivers, gathered at the Club Room for their last official get-together. After a short drive to Ash's farm, they hurriedly got into their swim trunks and then all that was seen was a big splash.

At five o'clock they were called out of the water by lifeguard Mike Calow. Each six (group of 5-6 boys who work as a group) scattered into the bush to get their firewood. Each six was then given two matches. We soon knew we didn't have true firebugs, for no fires were lit and no matches.

Since Cubs aren't quitters and didn't want to go hungry, they were given two more matches. They quickly learned that green grass was not the answer - it had to be dry. It took the Black Six about 15 minutes to get smoke. Troy Hilliker, Trevor Ritchie, Jason Kripe, Timmy Bennett were the winners of our fire lighting contest.

The boys then cooked their weiners, marshmallows and had chips and pop for supper. Then a dash to the house to get into their swim trunks again.

At 6:30 Akela (Gerard Wadley) arrived to officially close the 1978-79 Cub year. The Cubs came out of the pool at 7:00 for the closing ceremony. The sixes were given prizes for the fire lighting contest.

Following this, the Cubs had a peanut scramble. Akela then called "pack, pack, pack" and the Cubs assembled in their pack circle. Marilyn and Akela passed out a pin which was to take the place of the Cub camp which had been raised out. The Cubs repeated the Cub Promise and Law, followed by Troy leading the Grand Howl. Akela and the Cubs then said two short prayers to end the closing ceremony. Ice cream cones were then passed out. The Cubs left for home at about 8:00.

The Cubs would like to thank the drivers, the lifeguard and the Ashes for the use of their pool. Thanks to all the parents and leaders who have helped the scouting movement this year.

Viking Council Moves On Major Items

At the Viking Town Council meeting of July 4, Viking Councillors dealt with several major items of importance to the Town.

Two representatives of the Viking Playground Committee, Carolynne Nerdstrom and Muriel Hill, presented a brief to Council on their proposal to build a tire playground in Viking. The brief noted that a tire playground was the target of the Committee due to its safety, easy maintenance and the possibility of getting the total involvement of the community in its construction.

Carolynne Nordstrom told Council that the total cost of the playground, to be probably located on the school grounds, is estimated to be between $4,000 and $5,000. This compares to costs of between $5,000 and $18,000 for conventional playgrounds.

Mrs. Nordstrom said that a consultant had been hired at a total cost of $3,700 which includes a basic design fee of $2,100, the use of special tools and the supplying of some necessary hardware, and his expenses. The tires and other equipment necessary for the construction of the playground, such as power poles, galvanized chain, railroad ties and Manila rope, are to be solicited from members of the community and surrounding area, with a project date of late fall or early spring.

During discussion of the brief, Mrs. Nordstrom noted that the community in general and the service clubs will be canvassed for support for the project, as well as the Council. She said that any assistance, in the form of money, materials or manpower from Council, individuals, or clubs in Viking would be greatly appreciated.

Council voiced their support for the tire playground and suggested that the Committee keep them informed of progress. Council suggested that once the plan is operational, the exact nature of their assistance would be determined.

In other business, Council gave first and second readings to a by-law to enter into an agreement with the Minister of Social Services for the establishment and operation of a Preventative Social Services program. Some Councillors felt that this by-law was tied closely to Viking's position in Regional Recreation. Therefore, Council also moved to notify the Regional Recreation Board that Viking is withdrawing from the Board effective August 31, 1979.

New developments brought both the Loughlin Estate land and the Roddick property before Council. Frank Morwood, reported that he had discussed the Loughlin land with Dorothy Loughlin, a beneficiary of the Estate, and that she had suggested that the Town make the Estate an offer to purchase the land. Following discussion on this matter, council decided to send an offer in to purchase the entire parcel of land.

A letter from Alberta Environment concerning the Roddick property informed Council that Alberta Environment has recommended to the Provincial Planning Board that the Roddick subdivision application should not be approved until a letter of commitment is received from the Town outlining a time schedule for the proceeding with the expansion of the existing water supply and treatment facilities. The Department feels that the development of the Roddick property will compound the water supply problem in Viking.

Council discussed that matter and decided to send a copy of the Water Supply Study prepared by Cicon Engineering and indicate in a letter Council's commitment for a start on an alternate water supply by 1980. The Cicon study is being sent because Council also received a second letter from Alberta Environment and a copy of a study entitled "Review of Groundwater Availability Near Viking". The letter indicated that the "study suggests that groundwater is not a viable alternative for augmenting the Town of Viking's water supply".

The Vegreville Tire Playground pictured above is the type which the Viking Playground Committee proposes to have constructed in Viking. Members of the Committee are canvassing the community for donations towards this project.

Holden Mayor To Attend Federal Conference

Mayor Oleh Shykora of Holden will be attending the forthcoming Federal Conference of Mayors and Municipal Officials at the Federal Study Centre at Arnprior, Ontario.

The aim of these English or French language conferences is to assist mayors and municipal officials in development of plans and the implementation of measures to meet emergency situations.

About 30 - 35 municipal representatives from provinces and the territories will examine the extensive range of federal, provincial and municipal civil emergency preparedness planning and operational activities associated with major emergencies and disasters.

Each conference involves lectures, demonstrations, case studies, planning, operational concepts, films, group discussions and practices designed to emphasize the significance of municipal leadership responsibilities and involvement to meet emergencies and disasters in their communities.

The Federal Study Centre which is located on the outskirts of Arnprior, Ontario, conducts a wide range of federal departmental planning, operational and management courses. In addition to the Conference of Mayors, federal departments and agencies with emergency planning responsibilities train senior officials in specific subject areas related to crisis planning and management and departmental roles pertaining to operations before, during and after emergencies.

Advisory Committee Formed

The Alberta Safety Council has announced the formation of a Provincial Block Parents Advisory Committee.

At a meeting held in Red Deer, sponsors of the Alberta Block Parents program voted in favour of such a committee.

"The program has now expanded throughout the province to a point where an advisory group is required to help co-ordinate, standardize and further promote Block Parents into more communities," reports Jerry Weber, Chairman of the School and Child Safety Committee of the Alberta Safety Council.

"Well over 27,000 Block Parents in 33 Alberta centres now help in reducing the incidence of child molestation," adds Mr. Weber.

The Safety Council will be circulating an invitation within the next few weeks to all Block Parent communities to send a representative to a Red Deer meeting on September 20th to further expand on this new committee function.

Construction has begun on the new Irma subdivision which is located just east of the Village. Two "buggies" from Fabyan Construction began stripping the top soil early last week. Staff Photo

Artificial Cheese Impact Studied

With artificial cheese gaining popularity in some American states, an interdepartmental federal committee has been established to study the potential impact of the product on the Canadian market.

Artificial cheese, also called cheese analog, is made from non-dairy products such as flour, vegetable oil and calcium.

It sells for about 30 per cent less than real cheese. It has low cholesterol and low fat content, and can be specially blended for food service industry uses.

A Community Playground

The "Tire Playground" proposed for Viking is a project which the entire Viking area should get behind. The research done by the Playground Committee has led them to conclude that this type of playground is safe, low on maintenance, and utilized items which are often discarded. Power poles, tires of all sizes (excluding steel belted tires) and railroad ties will make-up the major portion of construction materials required. All of these items can be found in the area, usually as "garbage".

The playground is proposed for an area in the School grounds. This makes it of probable benefit to all children in the area. Thus everyone in the area should get involved in this project.

We can help in two major ways. One is through ½the donating of money or materials. The other is by giving of our time, both to collet materials or to help build the playground on "Construction day". The entire playground can be constructed in one day once materials have been gathered.

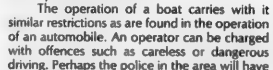
It is little to ask of all of us, to play a part in building something for our children and other people's children. It's easy as picking up the phone and calling Carolynne Nordstrom at 336-4966.

Power Boats

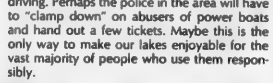
One of the regular occurrences of the summer season in this area is the abuse of power boats by some people on our lakes. Just this past weekend at Camp Lake, east of Viking, some boat operators seemed to totally disregard the safety and lives of others as they sped near the swimming areas.

The use of a boat carries a heavy responsibility to do so with safety and respect for others. Speeding in a boat too close to swimmers or bringing water skiers to shore with little care or attention to others can result in an extremely serious accident.

The operation of a boat carries with it similar restrictions as are found in the operation of an automobile. An operator can be charged with offences such as careless or dangerous driving. Perhaps the police in the area will have to "clamp down" on abusers of power boats and hand out a few tickets. Maybe this is the only way to make our lakes enjoyable for the vast majority of people who use them responsibly.



"The critical period in matrimony is breakfast-time." A. P. Herbert



The lowest Fahrenheit temperature ever recorded was 90 degrees below zero in the city of Verkhoyansk, Siberia.

Bruce Entertains on 4-H Trail Ride

Dear Sir:

Will the Viking Paper Depot Flourish or Fold? This question, I put to the people of Viking and surrounding area.

The Viking Paper Depot was started in October of 1977. The first temporary site for paper collection was at the Club Room of the local curling rink. The onset of the next curling season necessitated the relocation of the depot. This at the time seemed rather foolish considering the poor community response. However, the chairman of this fund raising endeavour is a rather stubborn individual, and could not believe that this was not a good plan.

Keeping in mind the soaring operational costs of the clubs and organizations within the community, the constant supply of old papers, compounded by the energy crisis which is upon us (the collection of what would otherwise end up as waste material) we put forth a determined and concentrated effort. Arrangements were made to move the depot to the building which previously housed the library. The support of the town's people was gratifying and a good return was realized by the clubs who made the effort to "man" the depot. To date, Viking Minor Hockey, Viking Figure Skating Club, Viking Shamrock Ball Club and the Viking Girl Guides have received benefit from this project. But, unless some person or organization is interested in seeing this project continue, it may become another on a list of opportunities that Viking has let slip by.

After one and a half years of operation in the Town Library, the Town Council has notified Mr. Joe Voltner, husband of the chairman, that the present site of the paper depot will no longer be available for this purpose - indicating that it is a potential fire hazard. We all know that this is foolish as stacked paper is one of the hardest items to get to burn.

The closure of the paper depot will not only increase the amount of debris that accumulates at the nuisance grounds, it will also increase the amount of time spent in the collection of garbage, and most important - it will increase the financial burden of those groups who have used this as a source of revenue. Consequently we will then have to send our youngsters back on the streets with endless pledge sheets and tickets. This will put us in a position of asking, not for what you no longer need, but for money out of your pocket. Although newspaper is nearly always available, money sometimes is not.

The letter advising that a new location will have to be found for the depot, is most untimely, if you know that less than a week before the letter was received from the Council, a decision was made that 50 percent of the revenue would be directed to sports and other organizations while the remaining 50 percent will go towards the financing of a much needed Day Care for Viking.

This has been a worth while and financially sound source of revenue. We thank those people who have given us their support in the past and helped to make the project a success.

The future of this program is now up to the people of Viking. The present chairman will see to it that all accumulated paper is shipped, cheques dispersed, location cleaned up, and the keys returned to the Town Office. Whether the Viking Paper Depot is closed for the holidays or to remain closed permanently, depends on you.

Yours truly,
Chairman of Viking Paper Depot.

Beaver Regional Recreation Board Meeting Held

The Beaver Regional Recreation and Parks Board held a regular meeting on June 27, 1979, with representation from Viking, Holden, The County of Beaver, Ryley, Bruce, Staff as well as guests Jim Singbeil from Regional Recreation, Ken Kendricks - replacement for Mr. Singbeil after July 15, and Beth Velde - guest speaker on grants available to recreation boards.

Mr. Marvin Tomashavsky chairman, called the meeting to order at 7:50 p.m. A Management meeting had been held up until this point of time.

It was moved that those present listen to Miss Velde's presentation and change the format of the meeting.

Miss Beth Velde, Consultant and volunteer worker for Disabled and handicapped people within the realm of recreation, gave a short presentation on what grants are available through the Government, and the process one should go through to receive a grant from the provincial government.

It was moved to change the format of the meeting to listen to Mr. Jim Singbeil's presentation. Carried.

Mr. Jim Singbeil, Regional Recreation Consultant from Vegreville spoke on two matters that he wished to bring before the board.
